Other significant or noteworthy features: Area offers one of the best views on the east coast of the U.S., if not the best. Also the longest lighted trail in the Maine area.

Capacity (Maximum number of skiers that can be accommodated on any one day) 1000

Comments: We've had 1100 skiers on the mountain on our best day but I find that the mountain will absorb about 700 skiers before a lift line starts; the longest wait so far has been 12 minutes. On Sunday's we have large numbers of spectators (about one for every three skiers). *This is an approximate figure.
