DEPARTMENT OF ADMINISTRATIVE AND FINANCIAL SERVICES

H SAWIN MILLET, JR., COMMISSIONER

Central Office: 3RD FLOOR CROSS OFFICE BLDNG, AUGUSTA, ME 04333
Mail Address: 78 STATE HOUSE STATION, AUGUSTA, ME 04333-0078  FAX: (207) 624-7804
Established: 1992  Telephone: (207) 624-7800
Reference: Policy Area: 00  Umbrella: 18  Unit: 106  Citation: T0005  M.R.S.A., Sect.: 00000281
Average Counts-All Positions: 1421.000  Legislative Count: 1421.00

Purpose:
The Department of Administrative and Financial Services is responsible for providing central administrative and financial services to the departments and agencies of State government.

Organization:
The Department of Administration was established through Chapter 785 of the Public Laws of 1985, effective July 1, 1986. This legislation provided for a major reorganization of central financial and administrative units in state government. The former Department of Finance and Administration was dissolved, with fiscal management and revenue units placed in the Department of Finance, and Administrative service units placed in the Department of Administration. Public Laws of 1991, Chapter 780 merged the Department of Administration with the Department of Finance to establish the Department of Administrative and Financial Services. Public Laws of 2005, Chapter 12, authorized the Commissioner to review the current organizational structure of payroll, personnel and accounting units to improve organizational efficiency and cost-effectiveness. Six service centers were created to provide personnel administration, employee relations, general administration and budget management to departments and agencies of state government.

Program:
The programs of the Department are implemented through its bureaus, divisions, and other program component units. The primary emphasis is to provide responsive, high quality, and cost effective services to State departments and agencies and related public institutions.

OFFICE OF THE STATE CONTROLLER

TERRY BRANN, STATE CONTROLLER

Central Office: 4TH FLOOR CROSS OFFICE BLDNG, AUGUSTA, ME 04333
Mail Address: 14 STATE HOUSE STATION, AUGUSTA, ME 04333-0014  FAX: (207) 626-8422
Established: 1931  Telephone: (207) 626-8420
Reference: Policy Area: 00  Umbrella: 18  Unit: 119  Citation: T0005  M.R.S.A., Sect. 000001541
Average Counts-All Positions: 26,000  Legislative Count: 26,000

PURPOSE:
The Office of the State Controller maintains accounting policy and records according to Government Accounting Standards Board (GASB) rules. The powers and duties of the office are detailed in Title 5, section 1541 of the Maine Revised Statutes Annotated.

ORGANIZATION:
The Bureau of Accounts and Control was created in 1931 as an organizational unit of the Department of Administrative and Financial Services. The Bureau was renamed to be the Office of the State Controller during the second special session of the 121st Legislature. The Bureau is under the direction of the State Controller who is appointed for an indefinite period by the Commissioner of Administrative and Financial Services, subject to the approval of the Governor.

PROGRAM:
The Bureau is an administrative agency responsible for maintaining and reporting all state financial transactions. Staff analyzes fiscal transactions and payrolls to ensure legality and correctness. In addition, the Office of the State Controller provides internal audit support for the agencies that comprise state government. Office financial records for all state agencies and programs are administered by the Bureau staff. The Bureau's Financial Reporting Unit

prepares and publishes the state's Comprehensive Annual Financial Report (CAFR), based on Generally Accepted Accounting Principles (GAAP). The CAFR includes both blended and discretely presented Component Units. The State Auditor audits the CAFR that is delivered to a wide audience. The CAFR for fiscal year 2011 received the Certificate of Excellence in Financial Reporting for the fifth straight year.

The Advantage System is the State's ERP system. Bureau staff works closely with the OIT application team, state agencies and the application vendor to maintain and enhance Advantage. The Advantage System includes fund accounting, budget and appropriation control, general ledger and financial reporting, accounts payable, accounts receivable, cost accounting, fixed assets management, procurement management and vendor management. A data warehouse for all production systems is provided for statewide budget, accounting, human resources and payroll data. Queries to the warehouse can provide ad hoc or regular management reports, valuable data sorts, or specific data required in the course of completing fiscal work. The Bureau implemented an upgrade of the accounting system and transition to a managed services/hosted application for the start of fiscal year 2012. The accounting production system is used to process more than 2 million payables and 400,000 accounting transactions annually. All payments above $5,000 are reviewed and approved by Bureau staff.

The Human Resource production system keeps current personnel, payroll and position control information. This system issues over 338,000 payroll payments annually, with about 99% via direct deposit (electronic) and the balance via paper checks. The Bureau's Payroll Unit audits agency payroll input and initiates statewide payroll weekly. Other system functionality key to the work of the Payroll Unit includes tax withholding data and W-2 production. The most recent enhancement to the HR system is the introduction of MS-TAMS (Maine State Time and Attendance System). Currently, MS-TAMS is used by more than 9,700 employees.

BUREAU OF ALCOHOLIC BEVERAGES AND LOTTERY OPERATIONS

GERALD REID, DIRECTOR

Central Office: 10 WATER STREET, HALLOWELL, ME 04347
Mail Address: 8 STATE HOUSE STATION, AUGUSTA, ME 04333-0008 FAX: (207) 287-6769
Established: 1992 Telephone: (207) 287-3721
Reference: Policy Area: 00 Umbrella: 18 Unit: 555 Citation: T0005 M.R.S.A., Sect.: 00021006
Average Counts-All Positions: 26.00 Legislative Count: 26.00

PURPOSE:
The purpose of the Bureau of Alcoholic Beverages and Lottery Operations is to provide for the pricing, listing, delisting of spirits and fortified wines and the complete distribution and sales of Maine State Lottery and Tri-State Lotto Commission lottery games. The Bureau is authorized, through its Director, as the
Chief Administrative Officer of the State Liquor and Lottery Commission, to have general charge of the office and records, employ personnel and make expenditures as necessary; and to conduct, with the guidance of the Commission, the administration of laws relating to the sale of spirits, fortified wines at agency liquor stores. The Bureau is also responsible for the distribution and the sale of lottery products through licensed Lottery agents.

ORGANIZATION:
The State's regulation of liquor originated in 1862 with the establishment of a Commission to Regulate Sale of Intoxicating Liquors and to have control of liquors kept and sold for medicinal and manufacturing purposes. In 1987 the Commission was increased to five members. A State Lottery was approved by public referendum in November 1973 for the purpose of generating additional revenues for the State's General Fund. The first State Lottery Commission was appointed in January 1974. In 1992, the Maine State Lottery and the Bureau of Alcoholic Beverages were combined to become The Bureau of Alcoholic Beverages and Lottery Operations. The following year, 1993, the Maine State Liquor Commission and State Lottery Commission merged into a single, combined Commission of five members. In 2004, the State signed a 10-year contract with a private vendor to lease the State's wholesale liquor activities associated with distributing and selling spirits and fortified wines. The Bureau provides oversight of the lease agreement with the vendor. The Bureau is administrated by the Bureau's Director with the guidance of the State Liquor and Lottery Commission.

Public Law 2003, Chapter 20, mandated the closure of the remaining 13 State liquor stores to be completed by November 30, 2003 and authorized the lease of the wholesale liquor business.

PROGRAM:
The Bureau continues to meet its goal of transferring the maximum profit to the General Fund for both the liquor and lottery businesses of the State. For the lottery business, the Bureau continues to investigate and implement new and innovative lottery games that are fun and entertaining for our players, and to provide our retail agent partners with guidance on the best ways to maximize the sale of lottery games. For the liquor business, the Bureau continues to work with the beverage alcohol industry to improve Maine’s portfolio of product listings, and to provide guidance to our agency store partners on merchandizing and product selection.

PURPOSE:
The Bureau of the Budget is authorized to prepare and submit biennially to the Governor or the Governor-elect a State budget document; to examine and recommend for approval the work program and quarterly allotments of each department and agency of State Government before the appropriations or other funds of such departments and agencies become available for expenditure; to examine and recommend for approval any changes in these work programs and quarterly allotments during the fiscal year; to constantly review the administrative activities of the departments and agencies of the State, study organization and administration, investigate duplication of work, formulate plans for better and more efficient management, and report periodically to the Governor and on request to the Legislature; and to make rules and regulations, subject to the approval of the Commissioner of Administrative and Financial Services, for carrying out State budget laws.

ORGANIZATION:
The Bureau of the Budget is an organizational unit of the Department of Administrative & Financial Services under the direction of the State Budget Officer who is appointed by the Commissioner of Administrative & Financial Services.

PROGRAM:
Activities of the Bureau primarily involve the State's budgetary process. On or before September 1st of even-numbered years, all entities of State Government and corporations and associations desiring to receive State funds under provision of law, submit to the Bureau their expenditure and appropriation requirements for each fiscal year of the upcoming biennium. The Bureau prepares the State Budget Document which is composed of the following parts: (1) the budget message by the Governor or Governor-elect which outlines financial policy; and (2) detailed estimates of expenditures and revenues, including statements of the State's bond indebtedness.

After legislative appropriation, the Bureau reviews and considers requested allotments by quarter with respect to the work program of each entity of State government. Work programs are required to be submitted to the Bureau no later than June 1st of each year. Work programs may be revised during the fiscal year, subject to the approval of the State Budget Officer and the Governor.

The Bureau also produces the Maine State Government Annual Report, prepares budget forecasts for financial planning and analyses and prepares General Fund and Highway Fund revenue forecasts through consensus forecasting pursuant to Title 5, chapter 151-B.

CAPITOL PLANNING COMMISSION
DONALD MCCORMACK, SECRETARIAT

Central Office: 4TH FLOOR, CROSS OFFICE BLDG, AUGUSTA, ME 04333
Mail Address: 77 STATE HOUSE STATION, AUGUSTA, ME 04333-0077  FAX: (207) 287-4039
Established: 1967  Telephone: (207) 624-7314
Reference: Policy Area: 00  Umbrella: 18  Unit: 134  Citation: T0005  M.R.S.A., Sect.: 000000298

PURPOSE:
The Capitol Planning Commission was established to ensure the orderly development of the Capitol Area and provide effective planning for possible further growth to the governmental agencies of the State of Maine in Augusta.

ORGANIZATION:
The Capitol Planning Commission was established in 1967, abolished in 1972, recreated in 1973, and amended in 2005 through Chapter 123. The Commission consists of seven members appointed by the Governor, and a member of the Augusta City Council. The Governor’s appointees must include: one resident of the Capitol Planning District; two residents of the City of Augusta; and four other Maine citizens. In 2005, terms of Commission members were extended to five years. The Commission elects a chairman from its membership and, while the Bureau of General Services serves as a secretariat of the Commission in exercising its administration, it may employ such assistance as it deems necessary. The Bureau of General Services also provides staff support. The Commission must meet at least once every four months.

PROGRAM:
The Capitol Planning Commission met 5 times during fiscal year 2011-12. The Commission discussed the following:
- Cross Office Building Signage and Economizer
- Capitol Street Crosswalk
- Kennebec Arsenal
- East Campus Biomass Boiler
- OIT Data Center
- 242 State Street Renovation
- Ray Building HVAC and Windows
- West Campus Parking Lot

CENTRAL FLEET MANAGEMENT DIVISION
DWAIN MCKENNEY, DIRECTOR

Central Office: COLUMBIA STREET, AUGUSTA, ME 04333
Mail Address: 106 STATE HOUSE STATION, AUGUSTA, ME 04333-0106  FAX: (207) 287-6521
Established: 1991  Telephone: (207) 287-7113
Reference: Policy Area: 00  Umbrella: 18  Unit:555  Citation: T0005  M.R.S.A. Sect.: 000001830
Average Counts-All Positions: 17,000  Legislative Count: 17.00

PURPOSE:
Central Fleet Management was established to centrally procure, distribute, provide detailed usage and cost analysis, and dispose of passenger and light truck vehicles for most agencies of state government.

ORGANIZATION:
The Central Motor Pool was established by Public Law 1991, Chapter 591, Part III, Section 5514. Public Law 2005, Chapter 386, Part H, Section 1830 was passed by the 1st special session of the 122nd Legislature to clarify responsibilities among the Bureau of General Service's divisions. The name Central Motor Pool was changed to Central Fleet Management.

PROGRAM:
The lease line provides over 2,000 passenger and light truck vehicles to using agencies across state government. Maintenance and repair is accomplished through a centralized Central Fleet Management service garage, other state maintenance facilities, contracted service providers and private maintenance facilities.

The rental line provides daily vehicle needs to all of state government. Agencies can request various regular and special purpose vehicles on a daily, weekly or monthly basis, allowing the optimum use of all state vehicles throughout the year.

Central Fleet Management works with all using agencies to assure they have the most fuel efficient, cost effective, appropriate type, and number of vehicles in their fleet. Fuel efficiency is part of the life cycle costing for all new vehicles purchased.

FINANCES, FISCAL YEAR 2012: The expenditure information for this unit was generated from the Budget and Financial Management System (BFMS).

STATE CLAIMS COMMISSION

PURPOSE:
The State Claims Commission was established to ensure that the rights of property owners and/or interested parties are protected and just compensation is awarded in highway condemnations in real property taken by the State; to afford property owners and/or interested parties the opportunity to appear, present their case and have their rights fully protected without the necessity of retaining professional assistance; to determine and award just compensation for highway takings, relocation assistance, grading and well damage claims, outdoor advertising signs, the relocation removal or disposal of automobile graveyards and junkyards, assessment of damages for takings by the Portland Water District and by the Maine Turnpike Authority, and to make rules and regulations and prescribe forms to secure speedy, efficient and inexpensive disposition of all condemnation proceedings; and, in addition thereto, to approve, partially approve, or disapprove certain claims against the State or any of its agents.

ORGANIZATION:
Compensation for highway acquisitions was formerly under the jurisdiction of a Joint Board, composed of members of the State Highway Commission and the Board of County Commissioners of the County wherein the land was located. The Joint Board was superseded by the Land Damage Board in September, 1961. Under the Act Affecting the Organization of the Department of Business Regulation, effective September 23, 1983, the Board was placed under the supervision and direct control of the Commissioner of Finance and Administration.

The Land Damage Board, whose name was statutorily changed to the State Claims Board and most recently to the State Claims Commission, consists of five members, four of whom are appointed by the Governor for terms of four years. Two of these appointees must be qualified appraisers and two must be attorneys at law. The Governor designates one of the latter as Chairman. The fifth member of the Commission is appointed for each hearing or series of hearings within the county where the land taken lies. He or she must be a member of that County’s Board of County Commissioners, and is appointed by the chairperson of the State Claims Commission upon recommendation by the board of county commissioners, such service being as a member of the State Claims Commission and not in the capacity of County Commissioner.

STATE EMPLOYEE HEALTH COMMISSION
LAURIE A. WILLIAMSON, EXECUTIVE DIRECTOR

Central Office: 220 CAPITOL STREET, AUGUSTA, ME 04333
Mail Address: 114 STATE HOUSE STATION, AUGUSTA, ME 04333-0114
Established: 1988
Telephone: (207) 287-6796
FAX: (207) 287-6780
Reference: Policy Area: 00  Umbrella: 18  Unit: 350  Citation: T0005  M.R.S.A. Sect.: 000000285A
Average Counts-All Positions: 14.500  Legislative Count: 14.50

PURPOSE:
The State Employee Health Commission was established to serve as trustee of the State Employee Health Insurance Program, including health and dental insurance, and to advise the Executive Director and the Director of the Bureau of Human Resources on issues related to employee health and wellness, and the employee assistance program (EAP).

ORGANIZATION:
The Commission was established by the 113th Legislature in 1988 replacing the Board and Sickness or Health Insurance and the Labor/Management Committee on Employee Health. Membership of the Commission consists of twenty-four (24) labor and management representatives. One labor member from each bargaining unit recognized under Title 26, Chapter 9-B, appointed by the employee organization certified to represent the unit; one labor member from the largest bargaining unit recognized under Title 26, Chapter 14, appointed by the employee organization authorized to represent the employees; one labor member from the Maine Turnpike Authority employees appointed by the employee organizations authorized to represent the employees; one labor member from the Maine Community College System faculty or administrative unit; one labor member from the Maine Public Employees Retirement System employees appointed by the employee organization authorized to represent the employees; and one labor member from the Maine Maritime Academy employees appointed by the organization authorized to represent the employees.

Four management members appointed by the Commissioner of Administrative and Financial Services; one management member appointed by the Court Administrator; one management member from the Maine Community College System appointed by the President; one management member appointed by the executive Director of the Maine Public Employees Retirement; one management member appointed by the President of the Maine Maritime Academy; and the Executive Director of Employee Health & Benefits, ex officio.

PROGRAM:
The Commission entered into a contract with Aetna to provide health insurance benefits to active and retiree members of the State employee group health plan effective July 1, 2012. The contract provides for a point-of-service (POS) managed care plan for active employees and non-Medicare eligible retirees. The Medicare Advantage Private Fee-for-Service (PFFS) plan is insured by Anthem and provides coverage for Medicare eligible retirees. The group health plan provides health care benefits for approximately 40,000 covered lives. The Commission has renewed the dental insurance contract with Northeast Dental through FY 2013.

The Commission has adopted the strategy of value-based purchasing in an effort to improve the quality of healthcare services provided to its members. In conjunction with this value-based purchasing strategy, the Commission is an active member of several state and national organizations including the Leapfrog Group, a national organization of healthcare purchasers committed to improving patient safety. The Commission is a founding member of the Maine Health Management Coalition (MHMC), an organization of employers, providers, and health plans committed to improving the value of healthcare provided to Maine citizens. Through the MHMC, the Commission is attempting to introduce a pay for performance strategy to encourage consumers to make informed, prudent decisions about healthcare; to provide incentives for plan members to seek care from high quality providers; and to reward providers who demonstrate superior performance. As part of this strategy, the Commission introduced a tiered hospital benefit effective July 1, 2006. All Maine hospitals are considered according to selected patient safety, satisfaction, and clinical quality measures and cost. Members are incentivized through more favorable deductible and co-insurance levels to
seek care from preferred hospitals. The objective is to engage members in seeking efficient, high quality healthcare and to encourage providers to publicly disclose their performance. Effective July 1, 2007, the Commission introduced a tiered benefit for primary care physicians (PCPs). Primary care practices are ranked according to clinical office systems and the outcomes of treatment for patients with selected chronic illnesses. Office visit co-payers are waived for members who receive care from preferred primary care practices. Effective October 1, 2009, statutory changes were introduced to the employer contribution for individual premiums. Effective July 1, 2010, the employer contributions to individual health premiums were further reduced. The Commission was charged with implementing a health credit program that enables employees to restore a portion of the employer contribution for completing activities identified by the Commission. In 2012, more than 9,000 employees were eligible for the health credit by completing a health risk assessment.

PURPOSE:
The Division of Financial and Personnel Services is established to provide consolidated administrative, financial and personnel management services for departments and agencies in state government using a shared services approach through centralized service centers.

ORGANIZATION:
The Division of Financial and Personnel Services was established by statute on June 30, 1992. Public Laws of 2005, Chapter 12, authorized the Commissioner to review the current organization structure of payroll, personnel and accounting units to improve organizational efficiency and cost-effectiveness. Six service centers were created and currently are organized with two distinct sections: Human Resources and Financial. The service centers are: General Government, Natural Resources, Security and Employment, Transportation, Corrections and Health and Human Services.
DEPARTMENT OF ADMINISTRATIVE AND FINANCIAL SERVICES

PROGRAM:
Assistance and support are provided to the departments and agencies through the service centers as follows: The human resources section administers human resources policies including processing of transactions in the areas of employee relations, workers’ compensation, human resource management, recruitment, hiring and payroll at the departmental level meeting the needs of over 12,000 state employees. The financial section administers financial policies including the processing of transactions principally in the areas of general accounting, financial, managerial and grant reporting and analysis, and technical budget management support at the departmental level managing over 850 accounts totaling $6.9 billion in funds.

Average Counts-All Positions: 176.000 Legislative Count: 176.00

PURPOSE:
General Services was established to provide one centralized bureau to manage and oversee the state's procurement process; provide insurance advice and services for all agencies; supervise, control and maintain land and buildings in the State Capitol Complex and greater Augusta area; manage and record the leasing of all grounds, buildings, facilities and office space required by all departments and agencies of state government; record, manage, and remediate asbestos and other hazardous materials in state-owned and leased buildings and advise public schools on matters pertaining to hazardous materials; maintain a central fleet of vehicles for use by government agencies; provide central services including postal, surplus property, and warehousing of supplies; and plan and oversee the construction of public improvements, including schools. The Bureau is authorized to plan and develop long-range public improvement programs and to make recommendations to the Governor and the Legislature regarding such programs. It advises on and approves engineering and architectural services, proposals, plans, specifications and contracts for public improvements to state facilities and public school construction.

ORGANIZATION:
In 1991 the Bureau of Public Improvements and the Bureau of Purchases merged to create the Bureau of General Services. It consists of seven major divisions; Planning, Design & Construction; Property Management (including Operations and Maintenance and Custodial Services); Purchases (including Procurement and State Purchases Review Committee); Central Fleet Management; Central Services (including Postal Operations, Central Warehouse, and Surplus Property); Risk Management; and Leased Space. The organization also participates on the State...

House and Capitol Park Commission, the Capitol Planning Commission, the Blaine House Commission, and the Capitol Riverfront Improvement District.

PROGRAM:
The Planning, Design & Construction Division staff oversees public improvements at approximately 2,000 state buildings and state funded school projects and prepares the biennial capital and repair budgets for all state agencies. Property Management has responsibility for operations and maintenance, including housekeeping services, of over 70 buildings in the various Capitol Complexes (East and West Campuses), the Hallowell Annex; the Maine Criminal Justice Academy, and other buildings in the Greater Augusta area. The Division of Purchases is responsible for procurement of goods and services for State Government. Central Fleet Management and Central Services manage not only the State fleet, but also Postal Services, Warehousing, and State Surplus and Federal Surplus property. The Risk Management Division provides insurance advice and services to the state government and administers all state insurance and self-funded plans and programs. The Leased Space Division locates State agencies in state facilities, or in privately leased facilities throughout the State.

BUREAU OF HUMAN RESOURCES

JOYCE A. ORESKOVICH, DIRECTOR

Central Office: CROSS OFFICE BLDG, 4TH FLOOR, AUGUSTA, ME 04333
Mail Address: 4 STATE HOUSE STATION, AUGUSTA, ME 04333-0004 FAX: (207) 287-4414
Established: 1987 Telephone: (207) 624-7368
Reference: Policy Area: 00 Umbrella: 18 Unit: 389 Citation: T0005 M.R.S.A., Sect.: 000007033
Average Counts-All Positions: 32.000 Legislative Count: 32.000

PURPOSE:
The statutory goals for the Bureau of Human Resources are to: 1) establish within State Government a high concern for state employees as people; 2) provide managers with the skills and knowledge needed to manage people effectively; 3) establish a civil service system that provides State Government with highly qualified and motivated employees, and to preserve the integrity of that system; 4) encourage State employees to realize their potential and thereby increase the quality of service 5) establish itself as a service agency to agencies and departments to perform their duties in an efficient and quality manner; and 6) promote effective labor relations.

The Bureau of Human Resources is responsible for centralized administration of the State's Civil Service System, the State's employee health and benefit programs, the State's development and training programs, the State's equal employment opportunity programs, and the State's labor relations...
responsibilities. The mission of the Bureau is to adopt, amend, and enforce Civil Service Law and Rules to ensure that positions essentially alike in duties and responsibilities are treated alike in pay and other civil service processes; to ensure that applicants for State positions are afforded fair and equal opportunity to obtain employment on the basis of merit and fitness; and through these merit programs and employee development and training programs, to promote effective services and economy for the conduct of State business.

In addition, the Bureau also develops and executes labor relations policies consistent with the overall objectives of the Governor; conducts negotiations with certified bargaining agents under applicable statutes; administers and interprets collective bargaining agreements; represents the State in all bargaining unit determinations, elections, prohibited practice complaints and other related legal proceedings; and administers the State EEO/AA Program, the ADA, the USERRA and other civil rights related law and programs. The Bureau also is responsible for administering employee benefits including health and dental insurances and the deferred compensation program, Workers Compensation Program, and Wellness and Safety initiatives.

ORGANIZATION:
In 1937, the State of Maine enacted legislation to parallel Federal Civil Service Law. A three-member State Personnel Board and a Bureau of Personnel within the then Department of Finance were established to administer this new law. The Bureau was headed by a Director of Personnel who was appointed by the Governor and the Board to serve at the pleasure of the Board. In 1941, the Bureau was made an independent State agency referred to as the Office of Personnel. In 1953, the State Personnel Board was enlarged by adding a member selected by the Maine State Employees' Association and a member selected from department heads. In 1975, these two special memberships were deleted and the State Personnel Board returned to an all-public body. In 1976, the State Civil Service System experienced its first major change. The Office of Personnel was made a Cabinet-level department, headed by a Commissioner appointed to serve at the pleasure of the Governor. The Commissioner was given the authority formerly vested in the State Personnel Board and the State Personnel Board was redefined as an advisory and appellant body. In January 1981, the Governor placed the Office of Employee Relations under the Commissioner of Personnel and a Director of Employee Relations was appointed by the Commissioner to manage labor relations and collective bargaining activities. In 1986, the legislature significantly altered the mission and purpose of the Department of Personnel and provided a year of transition for the Department to become the Bureau of Human Resources within the newly established Department of Administration. The State Personnel Board was discontinued and replaced by the State Civil Service Appeals Board, and an advisory Policy Review Board comprised of the leadership of the larger State departments was established. The Office of Employee Relations was established as a separate Bureau, and the former training division of the Office of Employee Relations was placed under the Bureau of Human Resources. In July 1991, the State Employee Health Insurance, Workers' Compensation, and State Employee Health and Wellness programs were placed under the Bureau of Human Resources. In July 2008, the Bureau of Employee Relations became the Office of Employee Relations and was returned to the Bureau of Human Resources. In 2010, the Office of Training and Organizational Development was disbanded. The Bureau is currently exploring the delivery of a statewide cost-free training program.

PROGRAM:
The Merit Systems Division fosters an interactive relationship with Service Center and agency HR divisions. An HR Policy/Practices Manual is available and maintained on the Internet for access by managers, employees and the public. Our website provides state agencies, state employees and the public with access to workforce demographics, job class specifications, key staffing reports and other information. HR briefings with the agencies' HR staff are held monthly. The Division provides job classification audits for both employees and management initiated requests, assists agencies with reorganization efforts, and represents the Bureau at job classification arbitrations. Our recruitment services include on-line advertising, an automated application, and computer generated employment registers. Employment/Career Counseling services are provided to state employees who have experienced lay-off or displacement. The Merit Systems Division is also responsible for the management of personnel records.

The Division of Employee Health and Benefits provides centralized administration
DEPARTMENT OF ADMINISTRATIVE AND FINANCIAL SERVICES

of the State’s health, dental, direct reimbursement, voluntary long term care insurance, vision care, and deferred compensation programs. This includes the coordination of payroll deductions, health and dental eligibility determinations and benefits communications. The Workers' Compensation Division provides direction and technical assistance in the administration of workers’ compensation claims. The Employee Assistance Program guides and assists participating employees, family members and retirees with financial, family, substance abuse and other personal problems. The Division administers wellness programs.

The HR Programs Division administers the Employee Suggestion Award Program and Statewide Employee Recognition events. It develops workforce planning protocols, recruitment initiatives, and succession planning models; provides organizational development consulting services to agencies; and delivers Leadership Institute and other programs to enhance managers’ skills.

The Office of Employee Relations negotiates and administers collective bargaining agreements by providing advice and counsel to managers and human resource personnel, by conducting grievance hearings, and by representing all State agencies in grievance arbitrations. In addition, OER represents State agencies before the Maine Labor Relations Board in unit clarification and unfair labor practice proceedings, and it trains new supervisors and managers in the principles of discipline and other contract administration issues.

The Office of the State Equal Employment Opportunity Coordinator has statutory responsibility to ensure statewide compliance with all federal and state regulations governing equal employment opportunity. It provides direction and support in all areas related to EEO as well as in the conduct of personnel investigations.

PURPOSE:
The Office of the Information Technology (OIT) provides centralized direction, coordination and oversight to information technology policy making, planning, architecture and standardization, with the focus on delivery of effective information technology services in Maine State government. This includes responsibilities over information technology leadership, communications, planning, financial performance management, procurement and contract management, and resource management.

ORGANIZATION:
The Office of Information Technology was created effective July 1, 2005 with the merger of the Office of the Chief Information Officer and the Bureau of Information Services, establishing an organization that has an enterprise focus on the delivery of information technology to Executive Branch agencies and coordination and support of other State and local government entities. All Executive agency information technology services are performed by or contracted with support from OIT.

PROGRAM:
The Office of Information Technology (OIT) is currently headed by the Chief Information Officer with the following major functional areas:

Core Technology Services (CTS): CTS delivers common and shared services which include, wide area network management and support, voice services, wireless services, radio operations, enterprise data center facilities management, infrastructure services including both Windows and Unix server support, database management servers and data storage and backup services, desktop/laptop computing services, and IT customer support for all Executive Branch agencies.

Applications Services Management: oversees application systems development and support for all Executive Branch agencies, supporting all common and specialized computer applications used by Executive Branch agencies. Eight former Agency IT Directors and their staffs were consolidated - with this organizational alignment came a strengthened commitment to promote enterprise application systems, supporting multiple agencies and lines of business.

The Policy, Planning and Oversight area is responsible for eGov services, IT security, enterprise architecture, legislative liaison, financial management, OIT contracts, security, IT strategic planning, IT project management and internal audit. OIT also supports the InforME Board and the ConnectME Authority, whose mission is to expand broadband internet access across the State of Maine. OIT operates as an Enterprise Fund recovering the cost of performing and delivering services from state agencies/users.

Intergovernmental Radio Network: A significant effort initiated during FY 06 was the upgrade / replacement of the State's antiquated radio-based Public Safety Communications Infrastructure. It has been 30 years since the State developed a plan to upgrade its radio (wireless) communications structures. Starting in 2005 the plan was implemented to replace several radio systems used by state and local agencies. Through the efforts of the Maine State Communication Network program, these aging systems are being replaced by a single, inter-operative statewide system. Partnerships with federal and local agencies have been fostered in this process. This major initiative will continue as a multi year project with a contracted systems integrator to implement the necessary improved or new infrastructure to complete this network. The contract to implement the system was signed in early 2009 and work is progressing on the system. Completion is scheduled in FY 14.

INFORME

CHARLES SUMMERS, CHAIR

Central Office: NASH SCHOOL, AUGUSTA, ME 04333
Mail Address: 148 STATE HOUSE STATION, AUGUSTA, ME 04333-0148 FAX:
Established: 1998 Telephone: (207) 626-8400 Reference: Policy Area: 00 Umbrella: 18 Unit:622 Citation: T0001 M.R.S.A. Sect.: 00000533

PURPOSE:
The Information Resource of Maine, known as InforME, was established to serve as a self-supporting and cost-effective electronic portal to provide and enhance access to the State's public information for individuals, businesses, and other entities.

ORGANIZATION:
The InforME Board consists of 15 voting members and two non-voting members. The members include: the Secretary of State, 3 Chief Executive Officers from agencies within the Executive Branch appointed by the Governor, a member of the University of Maine System appointed by the Chancellor, a member of the statewide association of municipalities appointed by the Governor, a member of a non-profit organization advancing the citizens' rights to access information appointed by the Governor, a member from the statewide association of librarians appointed by the Governor, 2 members of user associations appointed by the Governor, the State's Chief Information Officer, the Commissioner of the Department of Administrative and Financial Services, the State Librarian, a public member appointed by the President of the Senate, and a public member appointed by the Speaker of the House.

The two non-voting members are a member of the judicial branch appointed by the Chief Justice of the Supreme Judicial Court and the CEO of the private entity under contract to work as the portal manager.

The InforME Board, Chaired by the Secretary of State provided direction to the InforME Portal Manager, Maine Information Network. InforME provides universal continuous access to accurate, current electronic public information that may be searched to suit the user’s own purposes. Services include, at a minimum: providing standardized access to customized databases and data custodians’ databases; providing links to other information sources; conducting electronic business and payment transactions; assisting state agencies in electronically disseminating public information in their custody; and constantly improving access to and the utility of the public information available through InforME.

InforME explores and, where appropriate, implements ways to: A. Expand the amount and kind of public information available free of charge; B. Increase the utility of the public information provided and the form in which it is provided; C. Expand the base of users who access the public information; and, D. Improve individual and business access to public information through improvements in technology. InforME provides opportunities for individuals, businesses, and other entities to review public information for accuracy and to indicate to the data custodian when corrections may be appropriate; provides a mechanism for the
authorized transfer of nonpublic information; promotes opportunities for interagency cooperation; and provides opportunities for innovative uses of public information.

PROGRAM:
Inf ormE continues to identify and offer online services and information to citizens and business through the Maine.gov website and was recognized by Government Computer News as one of the top ten public sector sites for 2011. The award praised Maine.gov for its transparency of government stimulus funding, its availability of state data through Maine.gov DataShare, and its accessible multi-media gallery.

Additionally, Maine.gov was awarded a Sunny Award by the Sunshine Review for being one of the most transparent government websites in the country. The Sunny Awards honored less than 1% of the 5,000 government websites analyzed in 2011.

STATE LIQUOR AND LOTTERY COMMISSION
GERALD REID, DIRECTOR
Central Office: 10 WATER STREET, HALLOWELL, ME 04347
Mail Address: 8 STATE HOUSE STATION, AUGUSTA, ME 04333-0008 FAX: (207) 287-6769
Established: 1993 Telephone: (207) 287-3721
Reference: Policy Area: 00 Umbrella: 18 Unit: 564 Citation: T0005 M.R.S.A., Sect.: 000000283A

PURPOSE:
The Commission was established to provide oversight for the controlled distribution and sale of liquor and lottery products so that it may effectively generate additional revenues for the support of the State government.

The Commission has the following powers and duties: control and supervision of the pricing, listing and delisting of spirits and fortified wines for sale to the public; promulgate and amend rules; make recommendations and set policies; assign to the Director of the Bureau of Alcoholic Beverages and Lottery Operations, under its supervision, all powers and duties relating to all phases of the operation and to transact other business that may be properly brought before it.

ORGANIZATION:
The State's regulation of liquor originated in 1862 with the establishment of a Commissioner to Regulate Sale on Intoxicating Liquors to have control of liquors kept and sold for medicinal and manufacturing purposes. In 1905, a Liquor Enforcement Commission was established to enforce the law against the manufacture and sale of intoxicating liquors. Both of these agencies were abolished in 1911. A State Liquor Licensing Board was created in 1933 consisting of three members appointed by the Governor, with the advice and consent of the Executive Council, for terms of three years, the chairman designated by the Governor. The board was renamed State Liquor Commission in legislation effective 1934 which outlined responsibilities with respect to the state control of liquor still basic to the Commission in conjunction with the present Bureau of Alcoholic Beverages. As of 1977 the members of the Commission are appointed by the Governor, subject to confirmation by the Legislature. In 1987, the Legislature raised the membership to 5. In November 1973, a public referendum approved a State Lottery and the first State Lottery Commission was appointed in January 1974. In 1992, the Maine State Lottery and the Bureau of Alcoholic Beverages were combined to become The Bureau of Alcoholic Beverages and Lottery Operations. In July 1993, the Maine State Liquor and Lottery Commission were merged into a single, combined Commission of five (5) members.

MAINE BOARD OF TAX APPEALS
ROBERT A. CREAMER, CHIEF APPEALS OFFICER

Central Office: 108 SEWALL STREET, AUGUSTA, ME 04333
Mail Address: 134 STATE HOUSE STATION, AUGUSTA, ME 04333-0134  FAX: (207) 287-2865
Established: 2012  Telephone: (207) 287-2866
Reference: Policy Area: 00  Umbrella: 18  Unit: 674  Citation: T000036 M.R.S.A., Sect.: S0000151-D

PURPOSE:
The Maine Board of Tax Appeals, established in FY 2012, is an independent board within the Department of Administrative and Financial Services (DAFS); and is not subject to the supervision or control of the bureau. The board provides taxpayers a fair system of resolving controversies with the bureau and ensures due process.

ORGANIZATION:
The Board consists of three members appointed by the Governor, subject to review by the joint standing committee of the Legislature having jurisdiction over taxation matters and confirmation by the Legislature. No more than two members of the board may be members of the same political party. The Governor designates one board member to serve as chair and may remove any member for cause.
The Commissioner of DAFS appoints the Chief Appeals Officer to assist the board, manage the appeals office, and hire personnel, including subordinate appeals officers and professional, technical, and support personnel.

PROGRAM:
Board processes and appeal procedures as detailed in Public Law, Chapter 694 are available for viewing at http://www.mainelegislature.org/legis/bills/bills_125th/chapters/PUBLIC694.asp.

BUREAU OF REVENUE SERVICES
JEROME. GERARD, STATE TAX ASSESSOR

Central Office: 51 COMMERCE DRIVE, AUGUSTA, ME 04333
Mail Address: 24 STATE HOUSE STATION, AUGUSTA, ME 04333-0024  FAX: (207) 287-3618
Established: 1931  Telephone: (207) 624-9620
Reference: Policy Area: 00  Umbrella: 18  Unit: 125  Citation: T0005 M.R.S.A., Sect.: 000021006
Average Counts-All Positions: 316.000  Legislative Count: 316.00

PURPOSE:
The Bureau of Revenue Services, also known as Maine Revenue Services (MRS), was established in the Department of Administrative and Financial Services to collect revenues necessary to support Maine state government through the assessment of taxes as required by law, and to improve the administration of tax laws in Maine at both the state and local levels. The Bureau, through the State Tax Assessor (Executive Director), is empowered to assess and collect sales and use taxes; individual, fiduciary, and corporate income taxes; withholding taxes on employee
wages, income of nonresident owners from pass-through entities, and gains from
sales of real property owned by nonresidents; fuel excise taxes, estate taxes,
and property taxes in the unorganized territories. The Bureau also administers
service provider, railroad, commercial forestry excise, mining excise, health
care provider, hospital, insurance premiums, financial institution franchise,
E-911 prepaid wireless, motor vehicle oil and initiator of deposits business
taxes. Special industry taxes administered include blueberry, cigarette,
tobacco, potato, milk, quahog and recycling assistance fees. The Bureau
exercises general supervision of local property tax assessing officials;
administers the real estate and controlling interest transfer tax, approves
reimbursements under the Employment Tax Increment Finance ("ETIF") program and
administers the Maine Residents Property Tax ("Circuitbreaker") program, Maine resident homestead property tax exemption,
Business Equipment Tax Reimbursement ("BETR") program, Business Equipment Tax
Exemption ("BETE"), the tree growth tax law, veterans' exemption, veterans' organization exemption, animal waste facilities exemption and snow grooming
exemption.

ORGANIZATION:
The Bureau of Revenue Services has evolved over time. In 1891 a three-member
Board of State Assessors was created to equalize and apportion State taxes among
the municipalities and unorganized townships in the State and to assess all taxes
upon corporate franchises. In 1931, the Board was replaced by the Bureau of
Taxation within the newly-established Department of Finance, under the
administrative direction of the State Tax Assessor who was appointed by the
Commissioner of Finance with the approval of the Governor. In addition to the
duties of the Board, the new Bureau assumed responsibility for administration of the
gasoline tax, which was transferred from the State Auditor. At the same
time, a Board of Equalization was established, chaired by the State Tax Assessor,
to equalize State and county taxes among the towns and unorganized territories of the State. In 1969, the Board was abolished and its duties were assigned to the
State Tax Assessor and the Municipal Valuation Appeals Board was established to
adjudicate State Valuation appeals. The Bureau assumed administration of the
cigarette tax in 1941, inheritance and estate taxes in 1947, sales and use taxes in
1951, and income taxes in 1959. Administration of the Elderly Householders Tax and Rent Refund Act of 1971 was assumed by the
Bureau in 1972. Through subsequent statutory changes, this program has been expanded to the Maine Resident Property Tax and Rent Refund
("Circuitbreaker") Program. Also in 1972, the appointment of the State Tax
Assessor was changed to include approval by both the Governor and the Executive
Council. The Commissioner of Administrative and Financial Services
appoints the State Tax Assessor, subject to confirmation by the Governor. On
July 1, 1974, all property tax functions were transferred to the new Bureau of
Property Taxation, formerly a division of the Bureau of Taxation, but a year
later, on July 1, 1975, these tax functions were returned to the Bureau of
Taxation and the Bureau of Property Taxation was abolished. In 1995, the Bureau
was assigned the administration of the Business Equipment Tax Reimbursement
("BETR") program. Effective September 19, 1997, the Bureau of Taxation became
the Bureau of Revenue Services, also known as Maine Revenue Services. In early
2012, the Econometric and Research Division was reorganized into the Office of
Tax Policy which is responsible for providing economic and legal policy analysis
on tax issues, oversight of tax legislation analysis, revenue forecasting
analysis for the Revenue Forecasting Committee, preparation of tax expenditure
reports, and the establishment of policy criteria to guide bureau regulations,
advocacy rulings and related public documents. The office is headed by the
Associate Commissioner for Tax Policy who reports directly to the Commissioner of the
Department of Administrative and Financial Services. The Taxpayer Advocate
provides assistance to taxpayers regarding tax problems that have not been
resolved through normal channels. The Taxpayer Advocate responds to queries
from taxpayers regarding various tax issues and to those that have been referred
from the offices of the Governor, state legislators and Maine's congressional
delegates. The Taxpayer Advocate reports directly to the Commissioner of the
Department of Administrative and Financial Services.

PROGRAM:
The State Tax Assessor is responsible for Tax Administration, which is comprised
of the following divisions and units: Income/Estate Tax Division - Administers income
taxes withholding taxes, estate taxes, franchise taxes, insurance
premiums taxes, the Maine Residents Property Tax and Rent Refund ("Circuitbreaker") Program, the Employment Tax Increment Financing ("ETIF") program and the Business Equipment Tax Reimbursement ("BETR"). It also provides taxpayer assistance; reviews and adjusts as necessary the tax returns and tax benefit program returns administered by the Division. Sales, Fuel and Special Tax Division-Administers sales, use, service provider, healthcare provider, hospital, gasoline and special fuel, cigarette, tobacco, potato, blueberry, quahog and railroad taxes, milk handling, recycling assistance fees, abandoned bottle deposits, E-911 prepaid wireless surcharges and motor vehicle oil premiums. Additionally it is responsible for various tax refund programs and taxpayer assistance. Property Tax Division-Oversees municipal property tax administration; administers the commercial forestry excise tax, real estate transfer tax, telecommunications excise tax, Elderly Tax Deferral program, municipal Land Use Regulatory Commission ("LURC") fee assessments, property and excise taxes in the Unorganized Territories. It establishes per acre values and reimbursements pursuant to the tree growth tax law; determines annual State Valuation; provides training programs for municipal assessors and taxpayers; and administers state reimbursements for the following exemptions: veterans', veterans' organizations, homestead, business equipment tax, animal waste facility, and snow grooming. Return Processing and Quality Assurance Division-Provides mail and return processing services, deposits tax revenues, provides Bureau-wide data entry services and business analysis and quality assurance testing for planning and implementation of modernized and enhanced systems. Its Information Technology staff operates, maintains and develops the Bureau's computer network, automated systems and electronic return filing and payment applications. Accounting Unit-Prepares Bureau budget, monitors expenditures and tax revenues. Compliance Division-Collects delinquent taxes and performs office audits relative to items of income and use tax reporting. Criminal Investigation Unit-Performs criminal investigations/audits. Completed cases are reviewed by the Attorney General to determine which are to be prosecuted criminally. Audit Division-Conducts office and field audits of in-state and out-of-state businesses, individuals and estates to determine tax liability; performs discovery research of non-filers. It administers a voluntary disclosure process for taxpayers to register and pay unreported taxes; meets with taxpayers to explain the reconsideration process and issues decisions; engages in outreach programs to educate and assist taxpayers; provides management with taxpayer feedback and serves as a source of expertise on all taxes administered. General Counsel-Provides the Bureau with legal research and advisory services for all aspects of tax administration; as acts as agency liaison with the Attorney General; reviews agency advisory opinions, proposed rules, and offer-in-compromise negotiation of selected cases; reviews draft reconsideration decisions; assists with legislative analysis, drafting, and communications.

Average Counts-All Positions: 5.000 Legislative Count: 5.00

PURPOSE:
The objective of the Risk Management Division is to provide insurance advice to the state government and administer all state insurance and self-funded plans and programs excepting Workers Compensation and employee benefits. The Division annually reviews the entire subject of insurance as it applies to all state property and activities; develops and maintains accurate records of all buildings and contents, state-owned vehicles, aircraft, ocean marine equipment and other pertinent information to properly apply insurance coverage; recommends to the Commissioner of Administrative and Financial Services such protection as deemed necessary or desirable for the protection of all state property and activities; recommends a limit of self-insurance on state-owned buildings, contents, furniture, fixtures, and activities consistent with adequate capitalization and administration of the Self-Insurance Fund; and provides insurance coverage for unusual or unique situations and conditions, as deemed necessary.

ORGANIZATION:
The Division exists under the Bureau of General Services. The staff consists of 4 insurance professionals and one clerical support person. The Division in one form or another has existed since the 1920's.

PROGRAM:
Insurance services are offered as separate lines of insurance including but not limited to property, general liability, ocean marine, bonding, vehicular
liability, police professional liability and the like. Insurance rates are based on the cost of commercial insurance where applicable plus the projected cost of claims based on actuarial studies of past claims. Loss control is a significant part of the Division's services.

PURPOSE:
The Department of Agriculture, Food and Rural Resources was established to improve Maine agriculture through: the conservation and improvement of the soil and cropland of the State; the development, compilation and dissemination of scientific and practical knowledge; the marketing and promotion of agricultural products; the detection, prevention and eradication of plant and animal diseases and insects/pests; the protection of the public's health and well being from the consumption of harmful or unsanitary products and food preparation practices; and the sound development of the natural resources of the State.

The Commissioner of Agriculture and the appropriate boards or commissions within the Department have authority to establish and promulgate grades and standards for Maine agricultural products, and to promote the use of such products; to inspect agricultural products, and the premises and conveyors on which such products are stored, handled or processed, to inspect food establishments where food products are stored, processed, manufactured and sold, and issue licenses, permits and certificates of inspection. Additionally, the Commissioner is the Sealer of Weights and Measures, ensuring that weighing and measuring devices used in commerce are correct, and that standards used in law enforcement are properly calibrated and accurate.

The Commissioner of Agriculture and the appropriate boards or commissions within the Department have the authority to grant licenses and permits; to collect fines and fees; to hold hearings for the purpose of obtaining essential information; to establish, promulgate and maintain a full record of necessary regulations, provide for the enforcement of the same; to establish milk prices; to establish harness racing schedules; to register pesticides and license their use; to participate in the investigation and prosecution of cases of cruelty to animals; to administer the agricultural bargaining laws; to appoint all officials, boards, and commissions as provided by law; and to employ personnel necessary to carry out these responsibilities.

ORGANIZATION:
The State Board of Agriculture was created in 1852 and continued as a Board until 1901 when the Department of Agriculture was established and the position of Commissioner of Agriculture was created.

Concurrent with the Board was the establishment of the State Cattle Commission in 1887, whose duties were granted to a Livestock Sanitary Commissioner in 1911. Ten years later, all responsibility for animal disease control was vested in the Commissioner of Agriculture. The Veterinary Examiners Board (now the Board of Veterinary Medicine) was created in 1905.

The Agricultural Development Act of 1980, enacted by the 109th Legislature and effective July 1980, changed the department's name to the Department of Agriculture, Food and Rural Resources and authorized the reorganization of the department into four bureaus. In 1995, the Productivity Realization Task Force reorganized the department again. All Bureaus were eliminated and replaced by
DEPARTMENT OF AGRICULTURE, FOOD AND RURAL RESOURCES

Divisions and Offices, whose directors report directly to the Commissioner. The Legislature directed further organizational changes in 1999, 2005 and 2010. The result was a Department consisting of three divisions - Animal and Plant Health, Agricultural Resource Development and Quality Assurance and Regulation.

PROGRAM:
Specific activities of the divisions during FY12 are discussed in the individual reports of the various units within the department. The Department also works with many outside organizations and product interest groups in order to maximize resources: these include Soil and Water Conservation Districts, Ag in the Classroom, Agricultural Council of Maine, Maine Farm Bureau, Maine Organic Farmers and Gardeners Association, and other industry related organizations.

LICENSES:
Listed under the appropriate program units in following reports.

FINANCES, FISCAL YEAR 2012: The expenditure information for this unit was generated from the Budget and Financial Management System (BFMS).

MAINE AGRICULTURAL BARGAINING BOARD

Caldwell Jackson, Director

Central Office: AMHI—Deering Building, Augusta, ME 04333-0028
Mail Address: 28 State House Station, Augusta, ME 04333-0028
FAX: (207) 287-7548
Established: 1973
Telephone: (207) 287-9072
Reference: Policy Area: 04
Umbrella: 01
Unit: 020
Citation: T0013
M.R.S.A., Sect.: 000001956

PURPOSE:
The Maine Agricultural Marketing and Bargaining Act authorizes producers of agricultural products to form organizations for the purposes of bargaining with handlers of those products with respect to price and other terms and conditions of their sale. The Act provides for the certification of those producer organizations which meet the statutory criteria for qualification and requires qualified associations and handlers to bargain in good faith. When an association and a handler cannot reach agreement, the statute provides for binding final offer arbitration.

ORGANIZATION:
The Agricultural Marketing and Bargaining Act was first enacted in 1973 by the 106th Legislature. The Act established the Agricultural Bargaining Board, made up of five members appointed by the Governor. One member represents the interests of producers, one member represents the interests of handlers, and three public members. Subsequent changes to the Act authorize an alternate to represent both the producer and handler interests.
From the enactment of the statute in 1973 until 1984, only one organization was certified, representing producers of potatoes used for processing. In 1984, the Board certified an organization representing producers of poultry. In 1988, the last remaining poultry handler closed its facilities in Maine leaving only the one organization representing the producers of potatoes and peas. Amendments in 1987, 1989, 1991 and 2003 established binding final-offer arbitration as the final step in the dispute resolution process, established criteria for the arbitrator’s decision, made procedural clarifications to the contract bargaining, mediation and arbitration provisions, removed specific standards applicable only to associations of blueberry producers.

LICENSES:
Certification of qualified associations.

FINANCES, FISCAL YEAR 2012:
The Bureau of the Budget does not maintain comprehensive fiscal data relative to this unit.

PURPOSE:
The goal of the Division of Animal Health and Industry is to prevent the introduction and spread of contagious diseases among poultry and livestock, promote public health and food safety as it relates to diseases, which are transmissible to humans, administer the animal welfare statutes and develop best management practices that are economically and environmentally sound. The Division is also responsible for the Animal Welfare Program.

PROGRAM:
The Division of Animal Health and Industry is dedicated to protecting and improving the health and welfare of all companion and agricultural animals and the citizens of Maine. The Division is responsible for a variety of programs
DEPARTMENT OF AGRICULTURE, FOOD AND RURAL RESOURCES

pertaining to animal health and welfare, production and quality, as well as human health; works to prevent the introduction and spread of contagious, infectious, and parasitic diseases among poultry and livestock, especially those diseases transmitted to people either directly or indirectly and works with farmers to resolve problems and to improve milk quality and production. The Division is responsible for the Animal Welfare Program; the oversight of livestock sold at auctions; the licensing of livestock dealers; the licensing of deer and elk farms and commercial large game shooting areas; the Salmonella enteritidis risk reduction program at commercial poultry farms in Maine; the regulation of livestock and poultry imported into the State; the accreditation of licensed veterinarians; the Maine cattle Health Assurance Program; the surveillance for avian influenza in Maine poultry; the prevention of introduction of foreign animal diseases into livestock and poultry in Maine; the response to and recovery from a foreign animal disease outbreak; the education of farmers, the public and Maine veterinarians on the risks associated with zoonotic diseases (those diseases transmissible from animals to humans); and, in cooperation with the Maine CDC and the Division of Quality Assurance and Regulation within the Department, the investigation of food-borne outbreaks of disease. The Animal Welfare Program ensures the humane and proper treatment of animals through communication, education, and enforcement. The training academy for Municipal Animal Control Officers and the online dog licensing are growing services to towns.

The Division is responsible for planning, preparing and responding to all natural disasters and disease outbreaks of contagious, infectious, and parasitic diseases among poultry and livestock, especially those diseases transmitted to people either directly or indirectly.

Average Counts-All Positions: 6.000  Legislative Count: 6.00

PURPOSE:
The Office of the Commissioner provides oversight of management and planning efforts across all divisions within the Department. It coordinates department-wide technology, finance and human resources initiatives. Additionally, the Office prioritizes and reviews the legislative activity, contractual agreements and the regulatory agenda of all divisions.

The Office receives and directs inquiries for services from the general public and establishes relationships formal and informal with other agencies of State and Federal government.

Due to a Departmental reorganization the oversight of promotional events in support of Maine Agriculture including the Agricultural Trades Show and the maintenance and operation of the Maine building at the Eastern States Expo in Massachusetts were reassigned to the Office of the Commissioner.

ORGANIZATION:
The Office consists of the Commissioner and Deputy Commissioner's office, State Harness Racing Commission and Maine Milk Commission.

PROGRAM:
The Office leads policy matters that directly affect Maine agriculture or departmental operations. It coordinates the development of, tracking of, and response to legislative and budget issues. The Department's coordination with Natural Resource Service Center and Office of Information Technology is through this office. It also provides administrative support to the Maine Agricultural Bargaining Board.

PURPOSE:
The State Harness Racing Commission was established to maintain honesty and integrity in pari-mutuel harness racing in the State of Maine and to insure that pari-mutuel racing is conducted in the best interest of horsemen, associations and the general public. The primary responsibilities of the Commission are to make rules and regulations for holding, conducting and operating all harness horse races or meets for public exhibition in the State and for the operation of race or meet is held; to assign dates for holding harness horse races or meets for public exhibition with pari-mutuel pools as will best serve the interests of the agricultural associations of Maine; to license Off-Track Betting facilities in Maine; and to oversee the enforcement of the Commission's Rules and Regulations and the Statutes governing horse racing in Maine.

The Commission: grants track licenses to operate day or night harness racing; licenses off-track betting facilities to operate and accept pari-mutuel wagers; licenses or registers participants in harness horse racing, pari-mutuel employees and race officials, upon application, and charges a fee for such license not to exceed $100; regulates, supervises and checks the making of pari-mutuel pools and their distribution; establishes a schedule of fines and adopts a schedule of suspensions which may include lifetime suspensions from participating in the sport; and encourages and promotes the breeding of a strain of Maine Standardbred horses.

ORGANIZATION:
The State Harness Racing Commission was established in 1935 as the State Racing Commission. It received its present name in 1951, and in 1973 was placed within the Department of Agriculture. During 1988, the Legislature expanded responsibility for activities related to breeding farms involved in breeding Standardbred trotters and pacers in Maine; and to coordinate activities of mutual interest to the Department and the various agricultural fairs.

The Commission consists of five members appointed by the Governor. One member must be a member of the general public with no industry affiliation. One member must be a member of the general public with no industry affiliation. One member must be a member of a musculature society that conducts an annual agricultural fair. The remaining three members must be persons with knowledge of harness racing. The members must be appointed to provide a broad geographic representation. Members of the Commission serve three-year terms. A vacancy is filled by appointment for the remainder of the unexpired term. Members whose terms expire serve until their successor is qualified and appointed. The Governor shall appoint one of the five commission members as Chair. The Commissioner of Agriculture or his designee serves ex officio as secretary to the Commission, but is not a voting member.

PROGRAM:
Major emphasis has been directed toward overall improvement of the sport and promotion of a breed of Maine Standardbred horses. The Maine Standardbred Sire Stakes Program received its original funding in the 108th Legislature and was increased by the 113th Legislature. The Commission feels improvement of the breed, and a desire of persons in other areas to breed to Maine studs, will guarantee future State incomes from this source and a healthy expanding industry, and will encourage involvement of youth in horse ownership, breeding and care.

Drug testing programs are used on a continuing basis in an effort to eliminate as nearly as possible drug use on racehorses and by humans within the State.

(OFFICE OF) STATE HORTICULTURIST
E. ANN GIBBS, STATE HORTICULTURIST

Central Office: AMIH DEERING BUILDING, AUGUSTA, ME 04333-0028
Mail Address: 28 STATE HOUSE STATION, AUGUSTA, ME 04333-0028 FAX: (207) 287-7548
Established: 1910 Telephone: (207) 287-3891
Reference: Policy Area: 04 Umbrella: 01 Unit: 010 Citation: T0007 M.R.S.A., Sect.: 000002212

PURPOSE:
The State Horticulturist assists the Director, Division of Plant Industry, in the implementation of plant, insect and disease laws and quarantines, and the certification of plant materials involved in interstate and international movement.

ORGANIZATION:
A State Horticulturist was authorized in 1907 as State Entomologist under a Bureau of Entomology. These designations were changed to State Horticulturist and Bureau of Horticulture in 1911 (the State Entomologist was reestablished independently in 1928). The Bureau of Horticulture as an organizational unit was abolished in 1972. The State Horticulturist was later placed under the Division of Plant Industry and is responsible to the Director of that Division.
Professional staff in this office includes the State Horticulturist, two Assistant Horticulturists, an Integrated Pest Management (IPM) Entomologist and a State Survey Entomologist.

PROGRAM:
Major responsibilities of this unit include nursery, greenhouse and plant dealer inspections; licensing of plant sales outlets and providing assistance to
industry and the general public on horticulture issues; managing the arborist
licensing program; the IPM program and the cooperative agricultural pest survey
program (CAPS).

Businesses selling rooted plant material are licensed and inspected and a variety
of plant pests have been the focus for the program including inspecting shipments
of imported hemlock for the presence of hemlock wooly adelgid, rhododendrons for
sudden oak death and tomato seedlings for late blight. It is extremely important
to identify pest infested plants at the garden centers before they are sold to
the public and distributed about the state.

This Office with help from the seed potato certification program, inspected and
certified plant material and issued phytosanitary certificates to assist growers
in marketing products to other countries. The majority of these certificates
were issued for seed, nursery crops, seed potatoes, feed barley and wheat.

This Office also licenses arborists to work on shade and ornamental trees in the
state. Candidates must pass a written examination to be eligible for licensing.

Division staff also continued to survey for several exotic pests of importance to
Maine's agriculture and forest industries through the federally funded CAPS
Program. In cooperation with other agencies including the Maine Forest Service
and the University of Maine Cooperative Extension, plant commodity surveys and
emergency pest surveys were conducted looking for exotic and
regulatory-significant pests. Fortunately, none of these pests were found using
the survey methodologies required by USDA.

Outreach information and assistance was provided on controlling the spread of
invasive pests, particularly Asian longhorned beetle (ALB). The CAPS program
coordinated the Forest Pest Outreach and Survey project, a multi-state effort
designed to educate the public about two harmful, invasive tree pests, ALB and
emerald ash borer. Additionally, unit staff presented educational programs,
judged fair exhibits, attended commodity meetings and represented the Department
in various capacities on plant related issues.

The integrated pest management (IPM) program promotes least risk approaches to
managing pests and pesticide applications on Maine farms and in our communities.
The IPM program leads initiatives to develop and promote guidelines, resources
and education to minimize reliance on pesticides and safeguard the health of
Maine’s people and our environment. The IPM entomologist coordinates activities
of the Maine IPM Council, an eleven-member group established by state legislature
to promote and support IPM. The IPM program provided technical guidance and
outreach to schools, government agencies, institutions, businesses and citizens.
The IPM program continues to provide expertise to the State of Maine’s Property
Management Division to implement new IPM requirements for state-managed office
buildings. In addition, the IPM entomologist serves as the co-leader of a
regional working group which has garnered grant funds to share IPM resources
throughout schools in 12 northeastern states.

FINANCES, FISCAL YEAR 2012: The Bureau of the Budget does not maintain
comprehensive fiscal data relative to this unit.
PURPOSE:
The Division of Market and Production Development administers programs to enhance the competitive position of Maine growers statewide, regionally, nationally, and internationally by developing new and expanded markets for Maine agricultural products. Development of agricultural product sales, specialization, diversification and multiple marketing opportunities are various components of a vibrant sustainable Maine agricultural economy.

The Division helps to promote the sale of Maine products and to increase awareness of quality Maine products in the marketplace in many ways including the "Get Real Get Maine!" promotional program. The Division maintains data on producers, and using this information, publishes, promotes and distributes brochures, source lists, and directories.

The Division's technical services include planning assistance, farm situation assessment and supportive representation in such areas as financing, irrigation, labor and environmental regulations and land conservation. The Division is responsible for the Nutrient Management Program and the Agricultural Compliance Program.

The Division manages issues affecting agricultural production, marketing, and economic development and land conservation issues. The Division represents agricultural interests in interagency policy formulation. The Division provides information and technical support to farmland owners who want to protect their land from development, sponsors applications to the Land for Maine's Future Program and otherwise assists farmers in remaining viable.

The Division manages grant and loan programs including the USDA Specialty Crop Block Grant Program, Senior Farmshare Assistance Program, Agricultural Marketing Loan Fund, Potato Market Improvement Loan Fund, and oversees the Emergency Food Assistance Program (TEFAP).

ORGANIZATION:
The Division of Market Development was established in 1980 as part of the Bureau of Agricultural Marketing, to expand and improve the domestic and foreign marketing of Maine agriculture and food products. The Division of Production Development was established in 1985, pursuant to C.501, as part of the reorganization of the Bureau of Agricultural Production. Effective January 1, 1996, the Division of Market Development was merged with the Division of Production Development to form the Division of Market and Production Development.

In July 2002, the Division added two positions, one Policy Development Specialist and one Information Officer by moving them from the Office of the Commissioner. Professional staff includes a Director of Market Development, a Potato Storage Consultant, one Public Service Coordinator, Nutrient Management Coordinator, Planning and Research Assistant, Planning and Research Associate II, Public Service Coordinator, Agricultural Compliance Supervisor, TEFAP Director, and three other support staff.

Department restructuring in FY 2010 put the Nutrient Management Program and the Agricultural Compliance Program under the oversight of the Division of Market and Production Development. Operationally these units are now within that Division; however, through FY 2011 financially the two units are still seen within the Division of Animal Health and Industry. Additionally, the restructuring also put the Agricultural Events Coordinator and the Agricultural Promotion Coordinator under the oversight of the Office of the Commissioner. Operationally these positions are now within that Office; however, through FY 2011 financially the two positions are seen within the Division of Market and Production Development.
DEPARTMENT OF AGRICULTURE, FOOD AND RURAL RESOURCES

PROGRAM:
Market Development and Promotion provides marketing support to Maine food and fiber producers, food processors, and agricultural associations and promotes Maine food and agricultural products to consumers worldwide plus wholesale and retail buyers.

Production Development develops and maintains programs that create and improve agricultural production by advising growers regarding new opportunities, management systems, and production facilities. Enhancing Maine's competitive position is critical to the long-term sustainability of Maine agriculture. Work includes cooperative development with the University of Maine, growers and associations, and with national and international experts, processors and partners. Staff stays current with critical issues affecting industry development. Staff identifies new technology useful to Maine producers and may conduct research projects focused on production development. Staff organizes and facilitates business training for producers and manages several grant and loan programs.

The Division develops programs in conjunction with commodity associations and businesses and writes grants for federal funds developing opportunities to increase profitability. The Division has a supportive role in water use and land conservation issues. The Division provides staff support and technical assistance to agriculture and food marketing associations. The program also supports direct market farmers, farm to school coordination, and agriculture in the classroom coordination.

The compliance officers respond to nuisance and contamination complaints and develop agricultural best management practices. The Nutrient Management Program has provided bond funding for the establishment of manure storage facilities and ensures that all livestock and poultry operations maintain a Nutrient Management Plan. The Natural Resource Specialist is part of the Maine Compost Team that is internationally recognized for utilizing composting as a waste management tool.

LICENSES:
The Division is responsible for the "Get Real Get Maine!" trademark for the identification of Maine grown or processed food and farm products and the "Farm Fresh for ME" trademark for promotion of direct marketing and consumer food hub and buying club development.

PUBLICATIONS:
The Division produces the following directories and manages the www.getrealmaine.com website:
- Wholesale Buyer's Guide
- Finding Maine Food and Farms
- Maine Maple Sunday
- Open Farm Day
- Finding funds for Farmers

The Division also produces the following reports and guides:
- Maine Specialty Crop Block Grant Program Annual and Final Reports
- Agricultural Water Management Program Biennial Report
- Agricultural Marketing Loan Fund Annual Report
- Potato Market Improvement Fund Annual Report
- Best Management Practices for Agricultural Producers
- Farmland Protection Series

MAINE MILK COMMISSION
TIM DRAKE, EXECUTIVE DIRECTOR

Central Office: AMHI—DEERING BUILDING, AUGUSTA, ME 04333-0028
Mail Address: 28 STATE HOUSE STATION, AUGUSTA, ME 04333-0028
Established: 1935
Telephone: (207) 287-7548
Fax: (207) 287-7521
Reference: Policy Area: 04 Umbrella: 01 Unit: 015 Citation: T0007 M.R.S.A. Sect: 000002952
Average Counts-All Positions: 2.000 Legislative Count: 2.00

PURPOSE:
The Maine Milk Commission was established to exercise economic control over the purchasing, distribution and sale of milk within the State, while taking into consideration the public health and welfare and ensuring an adequate supply of milk. It has the power to conduct hearings, subpoena and examine under oath dealers, along with their records, books and accounts, and any other person from whom information may be desired. The Commission may have access to all books and records relating to milk for the purpose of ascertaining facts to enable it to administer the law. It may act as mediator or arbitrator to settle any controversy or issue among producers, dealers and consumers, any of whom may petition the Commission to change prices or conditions in any market area.

ORGANIZATION:
The Maine Milk Control Law was enacted by the 87th Legislature in 1935. Under the law, a Maine Milk Control Board was created to exercise general economic supervision over the industry. The Board initially was comprised of one milk dealer, one producer-dealer, two producers and the Commissioner of Agriculture. In 1951, a consumer was added to the membership and the agency’s name was changed to the Maine Milk Commission.

Effective October 2, 1975, the law was amended requiring the Commission to be comprised of 4 consumer members and the Commissioner of Agriculture, ex officio. None of the 4 members of the Commission shall at the time of appointment or while serving as a member of the Commission, and no employee of the Commission, shall have any official business or professional connection with any person or firm whose activities are subject to the jurisdiction of the Commission.

The Commission holds regular meetings each calendar month and special meetings may be called by the chairman whenever requested in writing by 2 or more members. The Commission is financed by a fee assessment on milk produced by industry members and it receives no State tax monies. It was incorporated into the Department of Agriculture as an agency as a result of the State Government reorganization legislation of 1973.

PROGRAM:
In accordance with its statute, as interpreted by the State Supreme Court in two decisions, the Commission establishes a uniform system of accounts for reporting and allocating costs of processing, packaging and distributing milk within the State of Maine. Recent studies have been conducted to determine the cost of
DEPARTMENT OF AGRICULTURE, FOOD AND RURAL RESOURCES

producing milk in Maine. The cost of production study information is used as a guide for commission members in their monthly deliberations for setting minimum prices. The information is also used for setting target prices in the Maine Dairy Stabilization Program.

The Commission does not establish prices but it does set minimum prices based on the lowest achievable cost at which milk purchased from Maine producers can be received, processed, packaged and distributed within the state at a just and reasonable return, while ensuring an adequate supply of pure and wholesome milk to Maine consumers.

The Executive Director also administers the Maine Milk Pool, which balances prices paid to producers whether they ship milk to processors located outside the state or to processors located in Maine. The Director also administers the Maine Dairy Relief Program, which pays dairy farmers the difference between a legislatively derived "cost of production" and the actual price received when that price drops below the "cost of production."

BOARD OF PESTICIDES CONTROL
HENRY JENNINGS, DIRECTOR

Central Office: AMHI--DEERING BUILDING, AUGUSTA, ME 04333-0028
Mail Address: 28 STATE HOUSE STATION, AUGUSTA, ME 04333-0028  FAX: (207) 287-7548
Established: 1965  Telephone: (207) 287-2731
Reference: Policy Area: 04  Umbrella: 01  Unit: 026  Citation: T0022  M.R.S.A., Sect.: 000001471B
Average Counts-All Positions: 20.680  Legislative Count: 16.00

PURPOSE:
The Board of Pesticides Control was established to ensure that the public has access to the benefits of pesticide use while protecting the public and environmental health. The primary responsibilities of the Board are to:
-- register and evaluate all pesticide products to be sold and used in Maine
-- examine and license all persons involved in the commercial application of pesticides, and certain pesticide distributors and agricultural producers who use pesticides
-- promulgate appropriate regulations regarding pesticide distribution and use
-- investigate complaints arising from the use of pest-control chemicals
-- ensure compliance with state and federal pesticide laws
DEPARTMENT OF AGRICULTURE, FOOD AND RURAL RESOURCES

-- cooperate with other agencies in environmental monitoring and protection, and
-- promote the principles and the implementation of integrated pest management
and other science-based technology to minimize reliance on pesticides.

ORGANIZATION:
The Board of Pesticides Control was established in 1965, funded in 1969, staffed
with a supervisor and secretary in 1970, and in 1973 placed within the Department
of Agriculture. In 1981, the Legislature transferred to the Board all the
authority of the Commissioner of Agriculture to register pesticides. The
original Board was composed of the commissioners of eight state agencies, but in
1980, the Legislature reconstituted the Board to comprise seven public members
appointed by the Governor for four-year terms.

Qualifications for Board members, as prescribed by statute, are: three persons
must be knowledgeable about pesticide use in agriculture, forestry and commercial
application; one person must have a medical background; one person must be a
University of Maine scientist with expertise in pest management; and the
remaining two members must represent the public and come from different
geographic areas of the state.

The Board annually elects a chairman from its membership and employs personnel as
necessary. Current professional staff includes a Director, Manager of
Compliance, Manager of Pesticide Programs, Toxicologist, Pesticides
Registrar/Water Quality Specialist, Public Education Specialist, Pesticide Safety
Educator and one year-round and four seasonal Pesticide Inspectors. Overall, the
Director provides supervision of the staff.

PROGRAM:
Product Registration: All pesticides distributed in the state must be registered
with the Board. A label and material safety data sheet are maintained for each
product, and health and environmental study data is reviewed as needed.
Registration fees fund normal Board operating costs, as well as the State
Horticulture Program, the department’s Integrated Pest Management (IPM) Program,
the Pesticides Registrars, an annual collection of obsolete pesticides, and a grant to
the University of Maine Cooperative Extension for development of pesticide
applicator training manuals.

Certification and Licensing: The Board administers a certification and licensing
program to ensure that those using or distributing pesticides are competent and
properly trained. The program, supported by federal grants, pesticide
registration revenue, and licensing fees, includes providing training materials
and information, administering exams, and working closely with Cooperative
Extension to provide continuing education options.

Compliance: The Board, through its inspectors, monitors the sale and application
of pesticides, investigates complaints of misuse, and enforces applicable laws as
appropriate.

Public and Environmental Health: These programs are designed to protect citizens'
health and safety, in addition to the state's natural and agricultural resources,
by ensuring that pesticides are properly used. Programs include administration of
the federal Workers Protection Standard, where the Board provides training to
agricultural workers and pesticide handlers, and the Obsolete Pesticide Program,
where the Board works with the Department of Environmental Protection (DEP) to
collect unusable pesticides from farmers and homeowners. The Board also monitors
ground and surface water, to provide data about pesticide impacts on the state's
water resources. The Board's toxicologist reviews pesticides that pose special
concerns in Maine. The Pesticide Container Recycling Program helps to ensure that
pesticide containers are recycled or disposed of properly.

Outreach and Education: The Board is committed to educating the general public on
the risks of pesticide use, as well as reasons why pesticides are used in various
industries, including agriculture and forestry. Central to the Board's outreach
promotion is ongoing education to minimize reliance on pesticides. Information
is distributed via the Board's extensive websites at
www.thinkfirstspraylast.org, plus newsletters, press releases and occasional
newspaper ads. The staff also makes presentations at public meetings and trade
shows and conducts collaborative outreach programs with other state agencies and
non-profit organizations.

DIVISION OF PLANT INDUSTRY
DAVID LAWAY, DIRECTOR

Central Office: AMHI-DEERING BLDG, AUGUSTA, ME 04333-0028
Mail Address: 28 STATE HOUSE STATION, AUGUSTA, ME 04333-0028 FAX: (207) 287-7548
Established: 1980 Telephone: (207) 287-7550
Reference: Policy Area: 04 Umbrella: 01 Unit: 001R Citation: T0007 M.R.S.A., Sect: 000000003 Average Counts-All Positions: 12.683 Legislative Count: 10.00

PURPOSE:
The Division of Plant Industry was established to prevent the introduction and spread of plant pests into Maine crops. It is responsible for protecting the public from the sale of weak, diseased or insect infested plants; ensuring honeybees are free from pests, and testing and certifying seed potatoes and other crops that meet pest tolerances. This is accomplished by enforcing statutes related to the certification of seed potatoes; and licensing and inspecting greenhouses, nurseries, beekeepers and their hives.

The Division enforces regulations dealing with the quarantine, seizure, disinfections, destruction or other disposition of diseased or insect infested plant material or bees. Division staff also survey for insects and diseases, which could cause economic damage to Maine’s agricultural and forest industries.

The Division licenses arborists and enforces the statutes and rules that govern this occupation associated with the care of shade and ornamental trees.
The Division also conducts the winter potato disease-testing program on a farm in Homestead, Florida. This program assesses the disease content of samples of Maine seed potatoes to ensure that they meet tolerances established by State rule.

**ORGANIZATION:**
The Division of Plant Industry was established in 1919. In the early years, the Division was primarily involved in insect control having to do with the corn borer, gypsy moth, browntail moth, Japanese beetle, and greenhead fly. As these functions were transferred to other agencies, the emphasis of the Division shifted to work with commercial seed potato growers, nursery operators, florists, beekeepers, and small fruit and vegetable growers.

Prior to the establishment of the Division of Plant Industry, a State Horticulturist was authorized in 1907 as State Entomologist under a Bureau of Entomology. These designations were changed to State Horticulturist and Bureau of Horticulture in 1911. The State Horticulturist later was placed within the Division of Plant Industry. The Bureau of Horticulture as an organizational unit was abolished in 1972. The State Horticulturist is administratively located in the Division of Plant Industry. The purpose of the Horticultural Unit is to implement plant, insect and disease laws and quarantines, and the certification of plant materials involved in interstate and international movement. The activities and accomplishments of the Horticultural Unit are reported in the (Office of) State Horticulturist.

The Division provides administrative oversight for the Board of Pesticides Control, the Arborist Advisory Council, and the Integrated Pest Management Council.

The Division's professional staff is comprised of a state apiarist, a state horticulturist and two assistants, an integrated pest management entomologist, six seed potato specialists (one specialist also serves as a grain inspector), a supervisor to the specialists and a state survey coordinator. Funding for this latter position is provided through a cooperative agreement with USDA to survey for exotic plant pests of economic concern to Maine agriculture. Following a re-organization within the Division, this position is now supervised by the state horticulturist and the program activities and accomplishments are also reported under the Office of the State Horticulturist.

**PROGRAM:**
A major activity of the Division is the certification of seed potatoes, which is primarily funded through fees charged to seed potato producers.

Another major activity of the Division is the Apiary Program: The State Apiarist licensed 634 Maine beekeepers that registered 6,810 honey bee colonies in 2011. During the spring, 64,219 hives managed by 33 migratory commercial beekeepers entered Maine primarily for blueberry pollination. In total, approximately 65,219 hives were used for crop pollination in 2011 which is an increase of 11,600 hives compared to 2010. Hives were also used to pollinate apple, cranberry, small fruits, squash and buckwheat crops. In 2011, 6,400 hives were issued health certificates for movement from Maine and 3,678 hives were surveyed at random with 1,275 opened, inspected and sampled for diseases and parasites. During 2011, the state apiarist gave 20 presentations (lectures, workshops, field sessions and displays) to beekeepers, farmers, educators, students and civic groups.

Division staff also continued to distribute federal cost share reimbursement funds to organic producers and processors who meet the standards of USDA's National Organic Program. The Division is now able to reimburse up to 75% of an operator's organic certification costs up to a maximum of $750.

The Division continues to update its website at http://www.maine.gov/agriculture/pi/ to better serve the public.

SEED POTATO BOARD
DONALD FLANNERY, EXECUTIVE DIRECTOR

Central Office: 744 MAIN STREET, SUITE 1, PREQUE ISLE, ME 04769
Mail Address: , ME
Established: 1945
Telephone: (207) 769-5061
FAX: (207) 764-4148
Reference: Policy Area: 04 Umbrella: 01 Unit: 014 Citation: T0007 M.R.S.A., Sect.: 000002151

PURPOSE:
The Maine Seed Potato Board was established to foster and improve the seed potato industry of the State of Maine. Its primary responsibilities are to produce, or cause to be produced, through contract or otherwise, sufficient acreages of foundation seed potatoes of various varieties for distribution and sale to Maine potato growers; to work with and through the Agricultural Experiment Station of the University of Maine in conducting a program of foundation seed potatoes annually; to purchase, own, sell or convey farm real estate and farm equipment as necessary for the purpose of producing seed potatoes; and to make rules and regulations pertaining to its program of production, distribution and sales of seed potatoes. Proceeds from the sale of seed potatoes are credited to the operating account of the Board.

ORGANIZATION:
The Seed Potato Board was organized in April 1945. It initially consisted of six members appointed by the Governor from specified areas for terms of three years, and the Commissioner of Agriculture served as chairman. A number of changes in the Board's structure have occurred since then, and the last one occurred in 2009 when the Legislature voted to transfer oversight of the Board from the Department to the Maine Potato Board. The Commissioner now serves as a member and appoints two members to include a representative of the potato industry in a county other than Aroostook County and a person producing potatoes in Aroostook County primarily for processing. The Maine Potato Board appoints six members representing the potato industry in Aroostook County and to include one grower producing primarily tablestock potatoes and another grower producing potatoes primarily for processing. The Board is authorized to elect a secretary, who need
not be a member of the Board.

PROGRAM:
The Board carries out its mission through the operation of a foundation seed potato production facility known as the Porter Farm in Masardis, Maine. Over 200 different varieties are maintained in a tissue culture bank and nearly sixty varieties of seed potatoes are produced in the fields each year. The facility is equipped with tissue culture production, disease testing laboratories, seed storage with climate control systems, greenhouses and an irrigation system to support the production of nuclear and foundation seed. In 2009, the Board began producing minitubers in a state of the art greenhouse using hydroponics that allowed them to produce high quality minitubers at very competitive prices. It also enabled them to increase the volume of seed at a much faster rate to meet growing demands for new varieties.

The department transferred the assets and its oversight of the Seed Potato Board to the Maine Potato Board effective January 1, 2010 pursuant to Public Law 2009, chapter 379. Since then, the department has not had any involvement in the operation of the Board other than for the Commissioner serving on the Board and participating in its meetings.

FINANCES, FISCAL YEAR 2012: The expenditure information for this unit was generated from the Budget and Financial Management System (BFMS).

DIVISION OF QUALITY ASSURANCE AND REGULATION

RON DYER, DIRECTOR

Central Office: AMHI-DEERING BLDG, AUGUSTA, ME 04333-0028
Mail Address: 28 STATE HOUSE STATION, AUGUSTA, ME 04333-0028  FAX: (207) 287-5576
Established: 1980  Telephone: (207) 287-7522
Reference: Policy Area: 04  Umbrella: 01  Unit: 001MC  Citation: T0007  M.R.S.A., Sect.: 000000003
Average Counts-All Positions: 64.935  Legislative Count: 52.50

PURPOSE:
The Division of Quality Assurance and Regulations provides public health, safety and sanitation inspections at all levels of Maine's food supply including food processors, retail grocers, food service establishments, farm producers, dairy producers and performs meat and poultry slaughter/processing inspections and seafood HACCP inspections to federal standards to assure the safety of the food supply to protect the public health of the citizens of the State of Maine. Additionally, the division maintains the State/Federal Serology Laboratory. The division also develops programs based on ISO Standards to facilitate local, national, and international commerce. The duties of the Sealer of Weights and Measures are carried out by this division. The division provides unbiased inspection services to the agricultural community and to industry, to assure that food, various agricultural products and other commodities reaching the market place are safe to eat, of a known standardized quality and are accurately weighed, measured and presented prior to being entered into commerce. The Division ensures that weighing and measuring devices used in commerce are correct, and that standards used in law enforcement are properly calibrated and accurate. The division provides inspection and testing of fertilizer to determine if the guaranteed analysis is met to protect consumers. The division enforces the State's method of sale laws, packaging and labeling laws, returnable container laws and fuel quality standards for all fuels including gasoline, home heating fuel, biofuels, diesel, ethanol fuels and liquefied Petroleum Gas.

ORGANIZATION:
The Division of Quality Assurance and Regulations was created in 1995 as a result of the Productivity Realization Task Force. The former Division of Quality Assurance and Division of Regulations, established in 1917 and 1919 respectively, were merged into one division because of similar missions. The Division provides voluntary quality control services for Maine's agricultural industries on a fee basis and provides diverse consumer protection activities ranging from inspection of retail food stores to ensuring the accuracy of weighing and measuring devices used in commerce. Departmental restructuring in FY 2010 brought the Dairy Inspection Program, Milk Quality Lab and the State/Federal Serology Lab under the oversight of the Division of Quality Assurance & Regulations. Operationally these units are now within the division, however, financially the three units are seen within the Division of Animal Health & Industry through FY 2011. The internal organization is comprised of a Division Director, Inspection Program Manager, a State Veterinarian, 2 Food Inspection Supervisors, three Inspection Process Analysts, a Metrologist, a Chemist II, a full time Lab Technician III, a part time Lab Technician III and full-time and seasonal staff consisting of Consumer Protection Inspectors, Produce and Shell Egg Processing Inspectors.
The Office of State Sealer of Weights and Measures was first authorized in 1839 and the Commissioner of Agriculture was named to serve as the State Sealer ex-officio. The Program Manager serves as Deputy State Sealer within the Division. Administratively, the Deputy State Sealer of Weights and Measures is responsible to the Director of the Division of Quality Assurance and Regulations.

PROGRAM:
The Consumer Protection program performs a wide variety of activities, ranging from inspecting retail food stores, processing plants, meat and poultry slaughtering facilities and dairy producers and processors. The primary focus of
the program is to protect the consuming public by performing inspection and
licensing activities ensuring that foods are packaged, processed, prepared, stored and sold in sanitary and safe environments in cooperation with the
Department of Health & Human Services. Inspectors protect the consumers, while
educating and working with food businesses in the state. This partnership
assures consumers of a safe food supply while providing marketing assistance to
small and large businesses alike. The Division works in cooperation with the
Federal Food and Drug Administration, the United States Department of
Agriculture, and the Maine Centers for Disease Control on inspections of food
shipped interstate and on product recall inspections to benefit industry and the
consumer. It responds to consumer complaints regarding food establishments and
products and investigates product damage incurred in fires, floods, power outages
and other natural disasters.

The Weights and Measures Program maintains standards, where weighing and
measuring forms the basis for payment in commercial transactions within the State
of Maine, program staff test and evaluate weighing and measuring devices. The
program staff investigates cases of fraud, and provides training, supervision, and
calibration services to municipalities which have local Weights and Measures
Sealers. It performs random inspections of packages packed prior to sale for
correct labeling and correct net weight and measure. The Metrologist is
responsible for traceability of the State's Standards to the standards of the
National Institute of Standards and Technology located in Gaithersburg, Maryland.
Maine's metrology lab, considered one of the best on the East Coast, is utilized
by some other New England states on a fee basis.

Quality Assurance Inspection provides the agricultural industries an unbiased,
nationally recognized and uniform grading service for agricultural products.
This uniform grading is a key component in accessing local, national and
international markets. The Division operates fruit and vegetable, shell egg, and
meat and poultry inspection, GAP/GHP audit/certification programs under
cooperative agreements with USDA. Marketing opportunities for Maine companies
and producers are enhanced by ensuring that agricultural commodities produced in
Maine meet or exceed minimum quality standards. This assurance results in
increased consumer confidence, fostering an increase in business and
profitability. All consumer size packages of potatoes must receive a mandatory
quality inspection prior to shipment.

LICENSES:

### (Office Of) Sealer of Weights and Measures

**Ron Dyer, Director**

**Central Office:** DEERING BUILDING, AUGUSTA, ME 04333-0028

**Mail Address:** 28 STATEHOUSE STATION, AUGUSTA, ME 04333-0028  **FAX:** (207) 287-5576  **Telephone:** (207) 287-7522

**Established:** 1939  **Reference:** Policy Area: 04  **Umbrella:** 01  **Unit:** 005  **Citation:** T0010  **M.R.S.A., Sect.:** 000002401

### Purpose:

The Weights and Measures Program maintains standards where weighing and measuring forms the basis for payment in commercial transactions within the State of Maine. Program staff test and evaluate weighing and measuring devices, investigate cases of fraud, and provide training, supervision, and calibration services to municipalities which have local Weights and Measures Sealers. The Program staff provides traceability of the State's Standards to the National Standards and sees that this traceability is transferred to business and industry within the State of Maine.

### Organization:

The Commissioner of Agriculture, Food and Rural Resources is, by statute, the State Sealer of Weights and Measures. The Deputy State Sealer serves as Inspection Program Manager within the Division of Quality Assurance and Regulations. This section's professional staff consists of one Metrologist, an Assistant Metrologist, and Consumer Protection Inspectors. Administratively, the Deputy State Sealer of Weights and Measures is responsible to the director of the Division of Quality Assurance and Regulations.

### Program:

The Division's Weights and Measures Program is responsible for all standards of weights and measures with continual certification by the National Institute of Standards and Technology. This involves inspection and calibration of all commercial large-capacity scales, liquid flow meters, LP gas meters, and small capacity scales, gas pump meters, linear measuring devices, and spot check of packages for correct labeling, net contents, weight and measure. It is responsible for uniform standards for the measurement of wood and enforcement of the Wood Measurement Law and regulations. Other areas of impact include local sealers, parking meters, licensing of fuel meter and scale technicians, weighmasters and gasoline testing for quality. The State standards of weights and measures maintain traceability through the National Institute of Standards and Technology at its own Metrology Lab located in Augusta. This laboratory, considered one of the best on the East coast, is utilized by some other New England states on a fee basis.

FINANCES, FISCAL YEAR 2012: The Bureau of the Budget does not maintain comprehensive fiscal data relative to this unit.
PURPOSE:
The Attorney General is the chief legal officer for the state. Among other things the Office is authorized to (a) appear in all civil actions and proceedings in which the State is a party; (b) direct the investigation and prosecution of homicides and other major crimes, including frauds against the State; (c) render legal services to State officers, boards and commissions in matters relating to their official duties; (d) issue written opinions upon questions of law submitted pursuant to statute; (e) enforce proper application of endowments to public trusts and charities within the State; (f) consult with and advise the District Attorneys; and (g) administer and enforce the State unfair trade practices and antitrust laws.

The Attorney General also serves as an ex-officio member on many State authorities and Commissions.

ORGANIZATION:
The Office of the Attorney General is organized by 5 M.R.S.A. Sect. 191 with the Attorney General as its chief executive. The Office consists of ten operating divisions which carry out various criminal, civil and investigative responsibilities and the Office of the Chief Medical Examiner, which is reported separately in this publication. The operating divisions are: Natural Resources, Health and Human Services, Child Support, Child Protection, Professional and Financial Regulation, Investigation, Litigation, Consumer Protection, Criminal and Administrative Services.

PROGRAM:
The Health and Human Services Division represents the Department of Health and Human Services. The Child Protection Division represents the State in child protection matters. The Child Support Division represents the State in child support matters. The Criminal Division has exclusive responsibility for the prosecution of homicide cases, handles numerous criminal appeals to the Supreme Judicial Court, advises the District Attorneys and represents the Department of Corrections. The Criminal Division also works with the Maine Drug Enforcement Agency (MDEA) in prosecuting drug cases across the state; supervises the Victims' Compensation Program and the Sexual Assault Forensic Examiner (SAFE) program; oversees the prosecution of white collar and financial crimes, welfare fraud, Medicaid fraud, computer crimes, tax crimes and securities violations; and, directs enforcement actions under the Maine Civil Rights Act.

The Professional and Financial Regulation Division represents the Department of Professional & Financial Regulation, numerous professional and occupational licensing boards, and liquor and lottery regulation. The Natural Resources Division represents the State's environmental and natural resource agencies, handling all administrative and judicial enforcement actions.

The Investigation Division investigates fraud against the State and the use of deadly force by police officers and provides investigative services for other divisions of the Office. The Litigation Division handles tort claims against the State, tax litigation, and other complex litigation in State and Federal courts. This Division also represents the Departments of Labor, Education, Administrative and Financial Services, the Commission on Governmental Ethics and Election Practices, the State Board of Property Tax Review, and the Secretary of State. This Division has primary responsibility for unfair labor practices, elections litigation, state contracts and leases. The Consumer Protection Division handles enforcement actions in consumer fraud and antitrust matters and operates the
DEPARTMENT OF THE ATTORNEY GENERAL
Consumer Complaint Mediation Program.

The Administrative Services Division provides staff support in the areas of human resources, budget, financial management and information technology.

OFFICE OF CHIEF MEDICAL EXAMINER FOR THE STATE
MARGARET GREENWALD, MD, CHIEF MEDICAL EXAMINER

Central Office: 34A HOSPITAL STREET, AUGUSTA, ME 04330
Mail Address: 37 STATE HOUSE STATION, AUGUSTA, ME 04333-0037  FAX:
Established: 1967  Telephone: (207) 624-7180
Reference: Policy Area: 06  Umbrella: 26  Unit: 242  Citation: T0022  M.R.S.A., Sect.: 000003022
Average Counts-All Positions: 9.000  Legislative Count: 9.00

PURPOSE:
The Office of the Chief Medical Examiner is headed by the Chief Medical Examiner, who is appointed by the Governor for a term of seven years. Through its staff, the Office is responsible for determining the cause and manner of death in all deaths that cannot be certified by private physicians. Medical examiner cases include deaths due to trauma or poisoning, unexplained deaths of children under the age of three and deaths occurring under suspicious circumstances. When there is no private physician capable of certifying a death, even if apparently due to natural causes, the Medical Examiner by law assumes responsibility for certifying cause of death.

The Chief Medical Examiner appoints a number of doctors across the State who serve under her direction on a fee basis and who assist in determining the cause and manner of death.

ORGANIZATION:
The Office operates with a total full time staff of 9 employees, consisting of 1 Chief Medical Examiner, 1 Deputy Chief Medical Examiner, 1 Medical Examiner Assistant, 1 Senior Forensic Medical Technician, 1 Office Administrator, 1 Investigator and 3 administrative support staff.

PROGRAM:
CASES INVESTIGATED: The total number of deaths investigated continues to gradually increase. In order to stay within the budget, a number of changes have been made to the statutory duties of the OCME.

YEAR 2009  2010  2011  2012 Jan-June

In the most recent legislative session, 22 MRSA §3028(6) was amended to allow the office to complete the report and certify the death without viewing the body. It will be used primarily in cases where the person has been hospitalized and all injuries have been well documented (e.g., a person who has been in a coma for months or years after a motor vehicle accident). The statute took effect in September 2011. 2011 and 2012 show initial figures for cases reviewed in this manner.

Investigations include extensive interactions with law enforcement officers, scene visits, review of medical records and telephone interviews with family and physicians, as well as the expected external examination, autopsy, toxicology and other laboratory tests. Unfortunately, scene visits are difficult to arrange in non-suspicious deaths. However, in any suspicious death or homicide, someone from this Office or under contract with this Office attends the scene to assist
in the initial investigation.

The OCME has developed uniform statewide protocols for death investigations that meet national standards and trains medical examiners and other death investigators to use the protocols consistently. The purpose of these efforts is to improve the quality of the statewide medical examiner system to meet national standards. The following chart shows some overall numbers and compares them to the national averages.

DEPARTMENT OF AUDIT

NERIA R. DOUGLASS, JD, CIA, STATE AUDITOR
RICHARD FOOTE, CPA, DEPUTY STATE AUDITOR

Central Office: 187-189 STATE STREET, AUGUSTA, ME 04333-0066
Mail Address: 66 STATE HOUSE STATION, AUGUSTA, ME 04333-0066  FAX: (207) 624-6273
Established: 1907  Telephone: (207) 624-6250
Reference: Policy Area: 00  Umbrella: 27  Unit: 244  Citation: T0005  M.R.S.A., Sect.: 000000241
Average Counts-All Positions: 35.000  Legislative Count: 35.00
Units:  DEPARTMENTAL BUREAU (AUDIT)   UNORGANIZED TERRITORY (AUDIT)

PURPOSE:
The Department of Audit has the authority to audit all accounts and other financial records of State Government and its departments or agencies, including the judiciary, with the exception of the Governor's Expense Account. It has the authority to audit counties, municipalities, and any organization, institution or other entity receiving or requesting an appropriation or grant from State Government. The Department conducts its financial and compliance audits for all State agencies subject to the Single Audit Act Amendments of 1996, United States Code, Section 7501-7507 (1998) and in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States. The Department is also authorized to review departmental budgets and capital programs for better and efficient management of State Government, to serve as a staff agency to the Legislature and the Governor in making investigations of the State's finances, and to ensure that an annual audit is performed of the municipal cost component and the Unorganized Territory Education and Services Fund. In addition, the Department was authorized by the Maine Legislature to establish a fraud hotline to improve efficiency and eliminate waste in state government by encouraging state employees and citizens of our State to report incidents of suspected fraud, waste, inefficiency or abuse to the State Auditor for further investigation.

The State Auditor is required to prepare and publish an annual report and to notify the Governor and Legislature immediately of any improper transactions, unacceptable practices in keeping accounts or handling funds, or any other improper practice of financial administration. The State Auditor has access to all information required to perform the above duties including confidential records that the Department protects as provided by law.

ORGANIZATION:
The Department of Audit originated in 1883 with the establishment of a three-member Committee to examine accounts of the State Treasurer. In 1907, the Committee was replaced by a State Auditor who examined all accounts and demands against the State, including all matters requiring payment from the State Treasury.

In 1931, the Department of Audit was created under the administrative direction of the State Auditor who is elected by joint ballot of the Legislature for a term of four years. In January, 1945, the position of Deputy Auditor was established.

In 1987, the Department assumed responsibility for conducting the State of Maine's annual Single Audit in accordance with the Single Audit Act. The audit is conducted in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing standards, issued by the Comptroller General of the United States.

In 1992 the position of Fiscal Administrator of the Unorganized Territory was officially added following the Department's performance of this function for several years.

The Department is headed by the State Auditor who is responsible for the overall executive management of the Department and receives support from staff who carry-out the duties and responsibilities outlined in Title 5 M.R.S.A. Sec.241.

Average Counts-All Positions: 33.000  Legislative Count: 33.00

PURPOSE:
The purpose of the Departmental Bureau is to conduct financial and compliance audits including the State's Single Audit subject to the Single Audit Act Amendments of 1996, 31 United State Code, Section 7501 to 7507 (1998). In addition the Department is authorized to conduct audits of all accounts and financial records of any organization, institution or other entity receiving or requesting an appropriation or grant from State Government and to issue reports on such audits at such times as the Legislature or the State Auditor may require.

The Departmental Bureau serves the Governor, Legislature and its committees by studying systems of internal control and department budgets for the purpose of safeguarding assets, verifying accounts and identifying costs savings or additional revenues to the General Fund.

ORGANIZATION:
The Departmental Bureau performs the State of Maine's annual Single Audit under the direction of the Director of Audits and Administration and the Single Audit Coordinator. The Department's auditors have in-depth knowledge of state governmental operations and many hold professional certifications including: Certified Public Accountants; Certified Internal Auditors; Certified Information System Auditors; and Certified Fraud Examiner. Several members of our staff hold dual degrees in addition to their professional certifications.

PROGRAM:
The primary goal of the Departmental Bureau is to conduct the Single Audit of the
DEPARTMENT OF AUDIT

State of Maine in accordance with statutory requirements of Title 5, M.R.S.A., Chapter 11 and federal law implemented by U.S. Office of Management and Budget (OMB) Circular A-133, "Audits of State, Local Governments, and Non-Profit Organizations." This audit is conducted for the purpose of forming opinions on the financial statements that collectively comprise the State of Maine's basic financial statements contained in the Office of State Controller's Comprehensive Annual Financial Report. In addition, the Department will audit approximately 91 percent of the $3.5 billion received in federal financial assistance, during fiscal year 2012. These federal programs are reviewed to ensure that state and federal funds are expended properly and that they are administered in accordance with both State and federal laws and regulations.

FINANCES, FISCAL YEAR 2012: The expenditure information for this unit was generated from the Budget and Financial Management System (BFMS).

OFFICE OF ADVOCACY (BDS)

Central Office: MARQUARDT BUILDING, AUGUSTA, ME 04333
Mail Address: 11 STATE HOUSE STATION, AUGUSTA, ME 04333  FAX: (207) 287-4228
Established: 1975  Telephone: (207) 287-4228
Reference: Policy Area: 05  Umbrella: 14  Unit: 207  Citation: T0034B  M.R.S.A., Sect.: 000005005

PURPOSE:
The Office of Advocacy is established within the Department of Health and Human Services to investigate the claims and grievances of clients of the Department and to monitor compliance with all laws, rules and policies relating to the rights and dignity of service recipients. The Office advocates for compliance with all laws, administrative rules and regulations, and other policies relating to the rights and dignity of these clients, and acts as a monitor of restrictive and intrusive treatments. The Office of Advocacy is the designated investigatory agent for alleged violations of the rights of persons with mental retardation under 34-B M.R.S.A. Section 5606.
DEPARTMENT OF BEHAVIORAL AND DEVELOPMENTAL SERVICES

ORGANIZATION:
The Office of Advocacy: (1) investigate allegations of rights violations pertaining to persons with mental retardation; (2) approve and monitor the utilization of aversive behavior modification plans; (3) represent clients at person-centered planning team meetings at which programs for treatment, services, goals and habilitation are planned, developed and recorded; (4) represent applicants in the administrative and legal process that seeks to determine eligibility for services; (5) seek ways to implement and enforce the rights of persons with intellectual disabilities under state and federal law and the future compliance sections of the Community Consent Decree; (6) review policies and actions of the Department’s district offices and suggest ways to deliver high quality care to persons with intellectual disabilities; and (7) provide training to providers and other interested parties in the rights of persons with intellectual disabilities.

PROGRAM:
The Office of Advocacy has provided assistance or information to persons with intellectual disabilities through investigations of alleged rights violations, review of aversive programming, and representation of clients at person centered plan meetings. A major goal of the Office is to be able to provide to the Department suggestions which will not only impact upon individual client’s lives, but will also aid the department and clients in general, through helpful systematic changes.

DOROTHEA DIX PSYCHIATRIC CENTER
LINDA ABERNEHY, SUPERINTENDENT

Central Office: 656 STATE STREET, BANGOR, ME 04401
Mail Address: PO BOX 926, BANGOR, ME 04401-0926
Established: 1985 Telephone: (207) 941-4037
Reference: Policy Area: 05 Umbrella: 14 Unit: 195 Citation: T0034B M.R.S.A., Sect: 000003201
Average Counts-All Positions: 192.500 Legislative Count: 192.50

PURPOSE:
Dorothea Dix Psychiatric Center (DDPC) operates under laws established by the Maine Legislature to provide care and treatment for both voluntary and court committed patients as well as outpatients. The hospital has its own Advisory Board with by-laws covering organization, purpose, duties, appointment process, committees and relationship to the Medical Staff.

DDPC is part of a comprehensive mental health system of services in northern and eastern Maine which includes community mental health centers with multiple branch offices, private psychiatric and community hospitals and private providers. In addition to the inpatient services, DDPC provides outpatient services for clients who require such support in order to transition to the community.

ORGANIZATION:
The Dorothea Dix Psychiatric Center was established in 1901 as the Eastern Maine Insane Hospital. In 1913, it was renamed the Bangor State Hospital, and in 1931, was placed within the Department of Health and Welfare. In 1939, the hospital was placed under the Department of Institutional Service, now the Department of Health and Human Services. In 1973, its name was changed to Bangor Mental Health Institute. Its present name was established by the Legislature in 2005.

The hospital received its first accreditation under the Joint Commission in 1976 and has continued to be accredited. It is fully licensed as a hospital of the Maine Department of Health and Human Services and is certified by the Centers for Medicare and Medicaid Services (CMS) to provide acute psychiatric care.

PROGRAM:
DDPC operates 51 beds with an additional 3 beds for patients ordered by the court to return to a treatment setting and patients in crisis needing urgent psychiatric hospital care. The hospital is organized into major clinical, administrative, and support service departments. DDPC has three inpatient treatment units, admitting approximately 235 people per year. All three coed units provide an acute level of care. The Outpatient Program is a medication management clinic for patients needing a bridge between hospital and community treatment programs.

Coordinated Efforts
For the past three years the two state psychiatric hospitals have been working to create efficiencies by hindering and integrating administrative functions where
feasible. To date the following have been implemented:
1. Chief Financial Officer shared between DDPC and RPC supervising business office, facilities, safety and utilization management functions;
2. An Integrated Quality Director responsible for developing and implementing a unified performance improvement program and supervising medical records and information management functions at both hospitals;
3. An electronic medical record program and support shared between hospitals;
4. Shared business office functions;
5. Shared clinical risk management;
6. Shared survey readiness;
7. Director of Facilities and Safety shared between DDPC and RPC.
8. Shared Safety Officer.
Evaluating processes in all aspects of hospital functions is ongoing to maximize efficiency and offer patients treatment that is evidenced based and focused on personal recovery.

DIVISION OF MENTAL HEALTH

GUY COUSINS, ACTING DIRECTOR

Central Office: 41 ANTHONY AVENUE, AUGUSTA, ME 04333
Mail Address: 11 STATE HOUSE STATION, AUGUSTA, ME 04333
FAX: (207) 287-7571
Telephone: (207) 287-6484
Established: 1959
Reference: Policy Area: 05 Umbrella: 14 Unit: 193 Citation: T0034B M.R.S.A., Sect.: 000003001
Average Counts-All Positions: 89.000
Legislative Count: 89.00

PURPOSE:
The Office of Adult Mental Health Services (OAMHS) has primary responsibility for developing, maintaining, and improving a system of mental health services and supports, including community based mental health services, residential mental health services, and psychiatric inpatient services for persons age 18 years and older who have severe and persistent mental illness. Several primary functions are identified in statute:
1) Promotion and support of the development and implementation of comprehensive community support systems to ensure community integration and the maintenance of a life that is meaningful for persons with severe and persistent mental illness;
2) Strengthening the capacity of families, natural networks and other community resources in order to improve the support for persons with severe and persistent mental illness;
3) Provision of technical assistance for program development and the promotion of effective coordination of services;
4) Observation, security, treatment and rehabilitation services for persons
committed under criminal statutes;  
5) Assessment of service needs, monitoring delivery of services, and the  
evaluation of programs.

OAMHS adopts and promulgates rules, regulations and standards relating to the  
administration of the services authorized, as well as assuring compliance with a  
wide range of state and federal requirements. There are many additional  
functions, including those related to the Consent Decree from the class action  

ORGANIZATION:  
A Bureau of Mental Health was created in 1959 and reorganized as a division in  
1993 to provide centralized direction and administration for mental health  
programs in Maine. Currently, OAMHS is organized as an office with a central  
team, which has a programmatic and a supervisory relationship with regionally  
based staff, and with the two state psychiatric facilities, Riverview Psychiatric  
Center and Dorothea Dix Psychiatric Center, as well as the State Forensic  
Services. Regionally based staff are in three areas of the state, Portland,  
Augusta, and Bangor and are able to field inquiries locally.

PROGRAM:  
The mission of the office is to support, empower and enable individuals with  
mental illness to enjoy an improved quality of life. In this capacity, and  
guided by consumer-centered values and strategies, OAMHS acts as an advocate for  
the prevention of and recovery from mental illness. OAMHS is an agent for the  
provision of individualized, flexible treatment and rehabilitative mental health  
services in the least restrictive settings that are the most appropriate to the  
needs of the individuals.

OAMHS developed the nationally recognized Intentional Peer Support Specialist  
training curriculum and a certification process that includes ongoing supervision  
and training. The first class received its certification in 2008. Also in 2008  
legislation was passed to create an independent statewide consumer council  
system. The Consumer Council System of Maine, created in 2008 is a vehicle for  
consumers of mental health services to provide input on mental health public  
policy, services and funding decisions.

OAMHS is working toward transforming adult mental health services to a system of  
recovery-oriented care and support. This collaborative process specifically  
defines a recovery-oriented behavioral health system and provides a foundation to  
determine how policy, contracts, programs and evaluation procedures can support  
that system.

OAMHS continues its work to meet and exceed the requirements of the Bates versus  
DHHS Consent Decree and on strategies to both review and improve services.  
Meeting compliance has four parts - certifications, unmet needs requirements,  
quality management requirements, and performance measures. OAMHS has had two of  
the six certifications approved and will continue work toward meeting additional  
certifications by the Court Master.

LICENSES:  
OAMHS assists the Division of Licensing and Regulatory Services, DHHS in  
promulgating regulations for mental health licensing that included integrated  
language for co-occurring behavioral health disorders.

### DIVISION OF INTELLECTUAL DISABILITIES AND AUTISM

RICKER HAMILTON, ACTING DIRECTOR

Central Office: MARQUARDT BUILDING, AUGUSTA, ME 04333  
Mail Address: 11 STATE HOUSE STATION, AUGUSTA, ME 04333  
Fax: (207) 287-9915  
Telephone: (207) 287-4212

Reference: Policy Area: 05  Umbrella: 14  Unit: 197  Citation: T0034B  M.R.S.A., Sect: 000005201  
Average Counts-All Positions: 233.500  Legislative Count: 233.50

**PURPOSE:**  
The Office of Adults with Cognitive and Physical Disability Services will provide leadership and be an active partner in Maine's comprehensive system of support to individuals with cognitive and physical disabilities. At the foundation of this system is the belief that all individuals can achieve a quality of life consistent with the community in which they live. Supports will be flexible and designed in a manner that recognizes people's changing needs throughout their lifetimes.

**ORGANIZATION:**  
The Division of Mental Retardation was established in 1969. In 2004 the Legislature created a new DHHS by merging the former Department of Behavioral and Developmental Services and Department of Human Services. In doing so, the Division of Mental Retardation became Developmental Services as part of the Office of Adults with Cognitive and Physical Disability Services. The new office provides policy and direction for services to adults with Developmental Disabilities and/or Autism, Brain Injury, and Physical Disabilities.

Developmental Services is administratively divided into eight districts. District staff assist individuals through the intake process and in obtaining services, assist in developing programs, provide personal planning services, advocacy services, crisis services and monitor quality provided. A comprehensive array of community based services are provided through a network of provider agencies funded by MaineCare programs. Community programs are also supported through contracts and grants with individual families, medical professionals and provider agencies.

Brain Injury Services are administered centrally and services are provided through a network of providers funded by MaineCare programs. The Office supports the work of the Acquired Brain Injury Advisory Council who also oversees Brain Injury Services.

Physical Disability Services are administered centrally and services are provided through a network of providers funded by a combination of State funds and MaineCare programs.

**PROGRAM:**  
The Office is responsible for funding oversight of a variety of long term care programs, including personal support, 24/7 residential services, day
treatment/habilitation programs, supported employment, self directed personal care assistance services and neuro- rehabilitation services. The majority of these services are funded by MaineCare and provided through a network of community service providers. Within the Office, Developmental Services directly provide case management, crisis services, advocacy and protective services through the district structure. Supports and services to all populations served by the Office are designed to promote self-advocacy, self-direction and the greatest degree of self-sufficiency possible.

The Office collaborates with self advocates, families, other DHHS offices, state agencies, legislature, advocacy groups and service providers in the development, provision and evaluation of supports and services.

Average Counts-All Positions: 325.60
Legislative Count: 325.50

PURPOSE:
Riverview Psychiatric Center (RPC) operates under laws established by the Maine Legislature to provide care and treatment for both voluntary and court committed patients as well as outpatients. The hospital has its own Advisory Board with by-laws covering organization, purpose, duties, appointment process, committees and relationship to the Medical Staff.

RPC is part of a comprehensive mental health system of services in Maine which includes community mental health centers with multiple branch offices, private psychiatric and community hospitals and private providers. In addition to the inpatient services, RPC provides outpatient services for clients who require such support in order to transition to, or remain in, the community.

ORGANISATION:
Riverview Psychiatric Center was built in 2003 and occupied in June 2004. Prior to Riverview, state inpatient psychiatric care for the southern part of the state was provided by the Augusta Mental Health Institute (AMHI). AMHI was established in 1840 as the Maine Insane Hospital and was the only public mental hospital in Maine until the second hospital was built in Bangor in 1901. The name was changed in 1913 from Maine Insane Hospital to Augusta Mental Health Institute and then Riverview Psychiatric Center in 2004.

The hospital received its first accreditation under the Joint Commission in 1958
DEPARTMENT OF BEHAVIORAL AND DEVELOPMENTAL SERVICES

and has continued to be accredited. It is fully licensed as a hospital of the Maine Department of Health and Human Services and is certified by the Centers for Medicare and Medicaid Services (CMS) to provide acute psychiatric care.

PROGRAM:
RPC is a 92-bed psychiatric hospital and is organized into major clinical, administrative, and support service departments. RPC has four inpatient treatment units, admitting approximately 285 people per year. All four coed units provide an acute level of care. The Outpatient Program includes a Dental Clinic and a Psychiatric Medication Clinic for both the adult and geriatric population. RPC is also the State of Maine's only forensic psychiatric hospital providing psychiatric services to clients from the Maine criminal justice system and the Maine courts.

Coordinated Efforts
For the past three years the two state psychiatric hospitals have been working to create efficiencies by sharing and integrating services and functions where feasible. To date the following have been implemented:

1. Chief Financial Officer shared between DDPC and RPC supervising business office, facilities, safety and utilization management functions;
2. An Integrated Quality Director responsible for developing and implementing a unified performance improvement program and supervising medical records and information management functions at both hospitals;
3. Facilities Director shared between DDPC and RPC
4. An electronic medical record program and support shared between hospitals;
5. Shared business office functions;
6. Shared clinical risk management
7. Shared survey readiness
8. Shared Safety Officer

Evaluating processes in all aspects of hospital functions is ongoing to maximize efficiency and offer patients treatment that is evidenced based and focused on personal recovery.

PURPOSE:
The Office of Substance Abuse was established by the 114th Maine Legislature to establish a single administrative unit responsible for creating an integrated approach to the problem of alcohol and other drug abuse and to focus all the varied resources of the State on developing a comprehensive and effective range of alcohol and other drug abuse prevention and treatment activities and services.

ORGANIZATION:
The 117th Maine Legislature merged the Office of Substance Abuse with the Department of Mental Health and Mental Retardation to form the Department of Mental Health, Mental Retardation and Substance Abuse Services, subsequently called the Department of Behavioral and Developmental Services and now the Department of Health and Human Services. The Office of Substance Abuse continues its responsibility for planning, developing, implementing, coordinating and evaluating all of the State’s alcohol and other drug abuse prevention, intervention, treatment, and recovery activities. The Office of Substance Abuse is composed of four divisions: Prevention/Information Resource Center, Intervention (including the Driver Education and Evaluation Program and the Prescription Monitoring Program), Data and Research, and Treatment and Recovery.

PROGRAM:
The Office of Substance Abuse is responsible for developing a comprehensive plan for combating alcohol and drug abuse, administering services through contracts with community service providers, and establishing statewide standards for substance abuse prevention, intervention, treatment and recovery. The Office of Substance Abuse regularly assesses the extent of substance use and abuse in Maine by collecting data from a number of sources, including required reporting from all prevention, intervention, and treatment providers and regular surveys of a variety of populations.

The Office of Substance Abuse serves as the primary liaison with other DHHS agencies, departments, the Legislature, citizen’s groups and service providers on issues pertaining to substance abuse. The Office of Substance Abuse provides information, training, consultation, technical assistance and service delivery strategies to help schools and communities reduce tobacco, alcohol and other drug related problems.

Within the Intervention Services, the Driver Education Evaluation Program (DEEP) provides or oversees education, evaluation, and/or referral to treatment services for all operating under the influence offenders in the State of Maine in order to lessen the incidence of injury and fatalities which result from driving under the influence of alcohol or other drugs.

The Prescription Monitoring Program (PMP) is an intervention tool created to prevent, detect, and reduce prescription drug misuse and diversion. The PMP maintains a database of all transactions for controlled substances dispensed in the State of Maine. The database is available free online to prescribers and dispensers who are registered users.

LICENSES:
The Office of Substance Abuse assists the Division of Licensing and Regulatory Services, DHHS in promulgating regulations for substance abuse licensing that include integrated language for co-occurring behavioral health disorders.

The Office of Substance Abuse works in conjunction with the Division of Licensing and Regulation, DHSS in the approval of methadone facility licensing applications.
FINANCES, FISCAL YEAR 2012: The Bureau of the Budget does not maintain comprehensive fiscal data relative to this unit.

PURPOSE:
The Coastal Island Registry was established to identify and secure title to those coastal islands remaining within the State of Maine.

ORGANIZATION:
The 106th Legislature created the Coastal Island Registry in 1973, assigning it first to the Bureau of Forestry and then, in 1974, to the Bureau of Public Lands. It currently resides in the Bureau of Parks and Lands, 33 M.R.S.A., Chapter 25.

PROGRAM:
The Coastal Island Registry Act provides that all coastal islands within the State of Maine (having less than four residential structures thereon) shall be registered with the Bureau of Parks and Lands by their purported owners. Those islands for which such a determination discovers against a purported owner, as well as those islands for which no registration was submitted, fall to the care and custody of the State of Maine, until such time as a “true” owner comes forward to establish title. (See report for Bureau of Parks and Lands).

PURPOSE:
The Office of the Commissioner provides executive level direction to the department and provides lawmakers and the public with information about Conservation programs.

ORGANIZATION:
The Office of the Commissioner is responsible for providing overall policy guidance to all bureaus within the department. The Office of the Commissioner also provides coordination and direction for the department's legislative program, the department's public information effort, and long range department planning.

PROGRAM:
The Office of the Commissioner sets the department's policy direction, and with the support of the Natural Resources Service Center, manages the department's budget and personnel. Working with the Office of Information Technology, the office provides field staff across the state with the technology tools to carry out their responsibilities.

DIVISION OF FOREST HEALTH AND MONITORING

DAVID STRUBLE, STATE ENTOMOLOGIST

Central Office: HARLOW BLDG., 18 ELKINS LANE, AUGUSTA, ME 04330
Mail Address: 22 STATEHOUSE STATION, AUGUSTA, ME 04333-0022 FAX: (207) 287-8422
Established: 1921 Telephone: (207) 287-2791
Reference: Policy Area: 04 Umbrella: 04 Unit: 058E Citation: T0012 M.R.S.A., Sect.: 000008101

PURPOSE:
The Division of Forest Health & Monitoring within the Bureau of Forestry was originally established to protect the forest, shade and ornamental tree resources of the state from significant insect and disease damage and to provide pest management and damage prevention for homeowners, municipalities, and forest landowners and managers; thereby preserving Maine’s forest resources in healthy condition so that they can continue to support Maine’s forest-dependent industries and meet public expectations. By action of the 118th Legislature, responsibilities were expanded to incorporate conducting a permanent inventory of Maine’s forest resources on a 5-year annualized cycle.

In accomplishing its mandate, the Division of Forest Health & Monitoring: gathers, analyzes, and reports pest levels and trends, and similar forest inventory-based information regarding forest extent, composition, and condition; evaluates actual and potential impacts of such forest pests; and develops integrated pest management techniques. Additional responsibilities include providing technical assistance, implementing control actions when justified, and administering existing state and federal laws pertaining to insect and disease quarantine. In those situations where quarantine regulations are necessary but are not preexisting, the director may, by rule, establish a quarantine to address the situation. The Division also analyzes its forest inventory data and generates reports regarding the extent, composition, and condition of Maine’s forest resource; these data and analytical capabilities are also used to respond to landowner and industry requests for spatially specific information used to make management decisions.

The state entomologist is authorized to go onto any lands for the purpose of surveying and inspecting any shade, ornamental, or forest trees whenever he suspects the presence of any dangerous native or exotic insect or disease. If the survey work requires the placing of "trap" material on developed lands in incorporated areas, the state entomologist is required to first notify the landowner of his plans.

ORGANIZATION:
The Division of Forest Health & Monitoring (FHM) originated in 1921 as the Division of Entomology for the purpose of protecting Maine’s forest land shade trees from insects and diseases. The Director of the Division of FHM is the State Entomologist, and reports to the Director of the Maine Forest Service. Operating within an administrative division of the Maine Forest Service, the State Entomologist is statutorily responsible for answering all calls for information on forest insects including their identification and control. The State Entomologist is also required to assist other departments working in this...
To protect and enhance the health and sustainability of Maine's forest and shade tree resources across the 17.2 million acres of commercial timberland and 488 municipalities, so that they can continue to support Maine's forest-dependent industries and meet public expectations, requires that the FHM Division utilize its limited resources such that all operations be integrated and interactive. Although organized into two Work Units (Insect & Disease Management and Forest Inventory & Monitoring), which have primary responsibility for discrete functions, activities are coordinated and all staff are intersupporting.

Internal Division capability is augmented through collaboration with other agencies within the state, with neighboring jurisdictions and with the federal government to optimize efficiencies by sharing resources, analyses and information. At the local level, the Division is maintaining and expanding cooperative efforts and technology transfer through a network of client/cooperators to augment internal capacity and to address local problems.

PROGRAM:

Insect and Disease Management Work Unit- The IDM unit is centered at the IDM Lab in Augusta and is primarily responsible to: conduct localized and statewide surveys to detect and monitor current and potential insect, disease and other environmental stresses of the forest and shade tree resource; develop and provide predictive evaluations and both preventative and remedial prescriptions for known major stressors to landowners so as to allow managers to make timely and informed site specific pest management decisions; provide information, technical advice and assistance to individuals, municipalities, and other state and federal agencies on identification, significance and control of any forest and shade tree insects and diseases; and (if requested) provide, to the extent possible, similar information for non-forest insects on non-agricultural crops.

This unit is responsible for developing and promoting use of best management practices for pest management and forest resource damage prevention, and has responsibility to: provide technical advice and assistance, including design, oversight, administration and funding infrastructure (when justified) for large and small scale pest management and remediation projects; serve as lead agency and liaison for cooperative federal, state, municipal, neighborhood and private pest control efforts; and conduct applied research, designing pest control strategies and proactive managerial prescriptions.

This unit also has specific responsibility for managing and enforcing State and Federal quarantine laws for those quarantines directly relating to the forest resource (Hemlock Woolly Adelgid, Gypsy Moth, Pine Shoot Beetle, European Larch Canker, White Pine Blister Rust) in order to protect the resource base and minimize constraint of commerce. This unit also administers the insect and disease reference collection and library which serve FHM and other cooperating agencies.

Forest Inventory and Health Monitoring Work Unit- The FIM unit is primarily responsible to maintain the Maine Forest Service's statewide forest health and sustainability monitoring surveillance system; conducting the annualized 5-year cyclical inventory of the condition/extent of Maine's forest resources.

This unit generates periodic reports assessing the current levels and trends of Maine's forest resources, providing a sound basis for policy discussions and a foundation for modeling potential future forest conditions; and responds to requests from landowners and industry for spatially specific information regarding forest extent and condition to enable timely informed management decisions.

This unit also provides field staff support to conduct specific projects initiated in the IDM units.

LICENSES:

Gypsy Moth Quarantine Permits - issued to meet Canadian requirements for transporting logs from Maine to Canada.

Gypsy Moth Compliance Agreements - issued to allow movement of regulated wood products to wood processing sites outside the generally infested area in Maine.

European Larch Canker Permits and/or Compliance Agreements - issued to allow the movement in Maine of larch from infested locations to wood processing sites.

BUREAU OF FORESTRY (AKA MAINE FOREST SERVICE)
DOUG DENICO, DIRECTOR

Central Office: HARLOW BLDG., 18 ELKINS LANE, AUGUSTA, ME 04330
Mail Address: 22 STATEHOUSE STATION, AUGUSTA, ME 04333-0022  FAX: (207) 287-8422
Established: 1979  Telephone: (207) 287-2791
Reference: Policy Area: 04 Umbrella: 04 Unit: 058  Citation: T0012 M.R.S.A., Sect.: 000008001
Average Counts-All Positions: 138.236  Legislative Count: 124.00

PURPOSE:
The Bureau of Forestry, also known as Maine Forest Service, was established to ensure for present and future generations of Maine citizens the greatest economic and social benefits from trees and the forest lands of the State.

The responsibilities of the Bureau are: to encourage and promote appropriate forest land management practices on public and private lands to provide maximum benefits from forest products, recreation and related resources such as soil, water and wildlife; to provide advice and assistance in forest management to woodland owners; to produce, aid in accomplishment of forest land management practices; to promote improved markets, utilization and manufacture of forest products, to maintain a thriving forest industry; to initiate and maintain up-to-date economic data, including a forest inventory for purposes of identifying current and future forest industry trends; and to promote productivity and current use as the basis for forest land taxation.

Responsibilities also include: to encourage long-term forest management objectives; to protect the forest resource from fire, insects, diseases and other natural enemies; to encourage and promote the planting, care and protection of shade trees, shrubs and forest growth by individuals, municipalities and State agencies; to maintain and improve the scenic beauty, wildlife habitat and recreational values of Maine; to determine, encourage and conduct needed research in forest resource and shade tree management; and to develop through information, education and formal publications a greater public awareness and appreciation of forests as Maine's basic economy and renewable resource, of the need to protect the forest resource, and of the economic and social benefits to be derived from multiple use of forest lands.
DEPARTMENT OF CONSERVATION

ORGANIZATION:
The Bureau is divided into 3 functional divisions: Forest Protection, Forest Policy and Management, and Forest Health and Monitoring. Each division is administered by a manager who is in charge of all division activities. Field operations are administered through regional supervisors.

PROGRAM:
The Bureau of Forestry's total program is reflected in the program statements of the various Divisions. In addition, the Director's office manages Maine State forestry related issues with the USDA Forest Service including all grants and other forestry related federal agency programs; directs the Maine Forest Service participation in the North East State Foresters Association (NEFA); is responsible for budget preparation and management; manages legislative proposals; and is responsible for overall administration of federally funded forestry programs including; landowner assistance, education, cost share and urban forestry grants programs.

DIVISION OF FOREST PROTECTION
BILL HAMILTON, STATE SUPERVISOR

Central Office: HARLOW BLDG., 18 ELKINS LANE, AUGUSTA, ME 04330
Mail Address: 22 STATEHOUSE STATION, AUGUSTA, ME 04333-0022  FAX: (207) 287-8422
Established: 1973  Telephone: (207) 287-4990
Reference: Policy Area: 04  Umbrella: 04  Unit:058F  Citation: T0012  M.R.S.A., Sect.: 000008901

PURPOSE:
The Forest Protection Division's primary objectives are to provide wildfire and forest resource protection at the least cost with minimum damage to Maine's 17.7 million acres of forest land, to protect high value property and to protect public safety. These objectives are accomplished by: (1) Wildfire Suppression - rapidly containing and controlling fires that do occur; (2) Wildfire Prevention - prevention fires to save time and revenue; (3) Wildfire Detection - utilizing Civil Air Patrol, Forest Protection and other state agency aircraft; (4) Wildfire Readiness - training of municipal, forest industry, and Unit employees and maintenance and development of specialized equipment; (5) Law Enforcement - enforcement of laws dealing with agriculture, forestry and certain public safety statutes. (6) Disaster Response - providing a nationally certified and recognized incident management team and first responder capabilities with forest rangers and forest ranger pilots who fly department owned helicopters and airplanes.

ORGANIZATION:
In 1891, the Legislature established the Office of Forest Commissioner and a Forest Commission to oversee the protection of Maine's forests. Before then, this office was known as the Land Office and the Land Agent. In 1909, the Legislature created the Maine Forestry District to provide forest fire protection...
DEPARTMENT OF CONSERVATION

throughout the “unorganized Towns” and some plantations. The disastrous forest fires of 1947 led to statutory changes in 1949 that made the Forest Commissioner responsible for forest fire control across the entire state. The Department of Conservation was established in 1973, and the Maine Forestry Department, also called the Maine Forest Service, became the Bureau of Forestry within Conservation. Fire Control was assigned to the Bureau as the Division of Forest Fire Control with a subsequent name change to Forest Protection in 1999. With the merger of the Departments of Conservation and Agriculture into the Department of Agriculture, Conservation and Forestry in 2009, the Forest Protection Division is now called the Forest Protection Unit within the Division of Forestry. The Unit operates by staffing a state office that includes the Chief Forest Ranger, the Planning and Training coordinator, Fire Prevention Specialist, and Federal Excess Property Specialist. Operational units are divided into 3 regional offices, which are further broken down into 9 district field offices. The Unit also operates an aircraft operations and aviation maintenance branch.

PROGRAM:
The Division’s primary goal is to keep annual acreage burned to less than .02% (3500 acres) of the total acreage of the State and hold annual fire occurrence to 59 fires per million acres protected (1,000 fires). In 2012, many human caused fires kept fire crews around the state busy early in the season. Lightning also caused many wildfires this season, many of which occurred in Maine's Unorganized Territories, where the Maine Forest Service is the only wildfire suppression entity.

Wildfire prevention continues to play a very important role in meeting the Unit's objectives. Fire prevention consists of activities such as public service announcements, Smokey Bear Programs in schools, the Wildland Urban Interface Program, law enforcement of wildfire arson, open burning and fireworks statutes, and spark arrester inspections on chainsaws, skidders, and other equipment operated near the forest.

Wildfire Preparedness - is another key to a successful wildfire program. Fire planning is a critical component in preparing for and executing wildfire suppression tactics. Many hours of training, both in-service and with volunteer and municipal groups, are conducted annually throughout the state, including advanced firefighting courses at the Maine Wildfire Training Academy. In addition, special training programs are developed for hotshot crews, scouts and prison and industry personnel in wildfire suppression techniques.

The Maine Forest Ranger Incident Management Team is recognized as statewide and national resource, with the ability to effectively manage complex wildfires and other natural disasters.

Another major goal of the Unit is to enforce all laws dealing with forest and forest preservation. These include fire laws, timber theft and trespass, logging theft and vandalism, illegal dumping, forest practices, Christmas tree theft laws, blueberry theft, all terrain vehicle and snowmobile laws to name a few. It is anticipated that the Unit will soon assume additional responsibilities in the area of enhanced water quality enforcement from DEP and the former Land Use Regulation Commission.

All forest rangers are trained in conservation law enforcement and must adhere to a strict code of conduct. Entry level requirements for applicants require at least an Associate of Science degree including 15 credit hours of natural science, physical fitness requirements meeting national standards, an oral board examination, an extensive background investigation and the successful completion of a rigorous field training program once hired. Newly hired rangers must also successfully complete a 14 week Forest Ranger Academy.

DIVISION OF FOREST POLICY AND MANAGEMENT
DONALD J MANSIUS, DIRECTOR

Central Office: HARLOW BLDG., 18 ELKINS LANE, AUGUSTA, ME 04330
Mail Address: 22 STATEHOUSE STATION, AUGUSTA, ME 04333-0022 FAX: (207) 287-8422
Established: 1947 Telephone: (207) 287-2791
Reference: Policy Area: 04 Umbrella: 04 Unit: 058M Citation: T0012 M.R.S.A., Sect.: 000005012

PURPOSE:
The Forest Policy and Management Division promotes informed decisions about Maine's forests. Division staff provides technical assistance, information and education services to a wide variety of publics. Staff also provides outreach and enforcement services on timber harvesting rules. The division anticipates and responds to forest policy issues and reports on the state of Maine's forests.

The division provides assistance through education workshops, field demonstrations, media presentations, and one-on-one contact between District Foresters and landowners. Statute limits technical assistance to individual landowners.

ORGANIZATION:
The Division has four components: District Foresters who work directly with landowners and others; policy, planning and education specialists; program specialists who oversee water quality, stewardship and community forestry programs; and shared responsibility for enforcement of timber harvesting rules. The Division Director reports to the State Forester.

PROGRAM:
During FY 2012, staff provided assistance on forest management and conservation laws to over 7,000 private forest landowners and numerous municipalities, civic organizations, consultants, educational institutions, state and federal agencies. The successful "Be Woods Wise" outreach campaign to promote wise decisions by the owners of small woodland acreages continued. Project Canopy, a program to enhance community forestry in towns, continued to build support in Maine's communities.

The division's regulatory program focuses on preventing violations through educational outreach and field intervention. Regional Enforcement Coordinators continue to improve enforcement policy and procedures and deliver customized compliance training. All staff deliver educational programming, including water quality best management practices and participation in numerous education workshops and training sessions, including Envirothon, teacher tours, and Project Learning Tree. Staff continue to focus on reaching new audiences, including small woodland owners and non-traditional, underserved groups, such as women woodland owners.

Division staff have increased efforts to improve understanding of the Tree Growth Tax Law by landowners, foresters, and municipalities and provided significant amounts of technical assistance to towns over the last year. The division participates in the Atlantic Salmon Conservation Plan. The division's policy team acquires, analyzes, and publishes information about the forest resource to fulfill statutory requirements and report to the public information about trends in Maine's forests.

BUREAU OF GEOLOGY, NATURAL AREAS AND COASTAL RESOURCES
ROBERT G MARVINNEY, DIRECTOR

Central Office: WILLIAMS PAVILLION, 17 ELKINS, AUGUSTA, ME 04330
Mail Address: 22 STATEHOUSE STATION, AUGUSTA, ME 04333-0022 FAX: (207) 287-2353

Average Counts-All Positions: 18.000 Legislative Count: 18.00

PURPOSE:
The Bureau of Geology and Natural Areas hosts the Maine Geological Survey and the Maine Natural Areas Program. The Bureau’s mission is to provide the people of Maine with quality information to facilitate informed decision-making for natural resource management, economic development, conservation planning, and regulation. The Bureau assesses Maine’s geology and ecology by conducting field inventories, mapping natural features, and providing data, maps, and reports to landowners, conservation groups, local officials, and state and federal agencies to guide land use decisions.

ORGANIZATION:
The Maine Geological Survey was originally established in 1957 in the Department of Economic and Community Development (DECD) and moved to the Department of Conservation in 1973. In 1993, the Maine Natural Heritage Program (DECD) merged with the Maine Critical Areas Program in the State Planning Office (SPO) to form the Maine Natural Areas Program. The Maine Natural Areas Program moved from DECD to the Department of Conservation in 1995 and was combined with the Maine Geological Survey to form the current bureau, with the State Geologist as the Bureau Director.

PROGRAM:
The Bureau has 3 divisions:

1) Applied Geology:
Geologic Mapping Program provides geologic mapping and interpretation of surficial materials, rock types and structures. Mapping provides the foundation for the identification of aquifers, minerals and geologic hazards.
Hydrogeology Program assesses ground water resources, emphasizing ground water supply, aquifer delineation and ground water quality.
Marine Geology Program conducts research and mapping for shoreline stability, landslides, sea-level rise, beach nourishment, and dredge spoil disposal sites.

2) Resource Data Services Division publishes, in paper and digital form, the results of field investigations and research projects, using GIS.

3) Natural Areas Program serves as the most comprehensive source of information...
DEPARTMENT OF CONSERVATION

on rare plant and natural communities. With landowner permission, the Program inventories lands that support rare and endangered plants, rare natural communities and outstanding examples of common natural communities. The Program works with landowners, foresters, conservation groups and state/federal agencies to provide objective information to help make responsible conservation decisions.

2012 Accomplishments:
Ground water – Conducted groundwater investigations in the Branch Brook watershed, as directed by the Water Resources Planning Committee.
Coastal geology – Mapped erosion hazard areas on southern Maine beaches. Worked with coastal communities on resiliency planning. Assisted southern Maine coastal towns adaptation to sea level.
Geologic Mapping – Completed maps in the Augusta and Bangor areas.
Publication sales – 6,000 digital geologic maps downloaded each month.
In Lieu Fee Wetlands Program – Worked with land trust, state agencies, private landowners, and conservation commissions to identify wetlands that are a high priority for conservation and/or restoration.
Environmental Review – Reviewed over 200 development projects, 520 forest management plans and 80 Farm Bill applications to reduce impacts to at-risk species and habitats. Worked with state and federal agencies, power companies and consultants in pre-application reviews for proposed rail-trail, windpower and transmission line projects.

Natural Resource Inventory – Conducted ecological surveys of private lands within central and western mountain ecoregions and inventoried state-owned lands in the northern region.
Forest Certification – Conducted training on managing biodiversity for foresters and landowners. Provided ecological services for FSC certification to several major landowners.
Invasive Plant Species – Provided technical assistance to private landowners on the identification and management of terrestrial invasive plants. Mapped invasives on US Fish and Wildlife Service owned properties in southern Maine.

MAINE LAND USE PLANNING COMMISSION
NICHOLAS D. LIVESAY, DIRECTOR

Central Office: HARLOW BLDG, 18 ELKINS LANE, AUGUSTA, ME 04330
Mail Address: 22 STATEHOUSE STATION, AUGUSTA, ME 04333-0022 FAX: (207) 287-7439
Established: 1969 Telephone: (207) 287-2631
Reference: Policy Area: 04 Umbrella: 04 Unit:061 Citation: T0012 M.R.S.A., Sect.: 0000000683-A
Average Counts-All Positions: 23.000 Legislative Count: 23.00

PURPOSE:
The Maine Land Use Planning Commission (the Commission) serves as the planning and zoning authority for the unorganized and deorganized areas of the State, including townships and plantations. These areas either have no local government or have chosen not to administer land use controls at the local level. Prior to the creation of the LUFP in 2012, the Land Use Regulation Commission (LURC) had regulatory authority within the unorganized and deorganized areas of the State. The Commission is responsible for promoting public health, safety and general welfare by extending principles of sound planning, zoning and development to the unorganized and deorganized areas of the State.

The Commission's jurisdiction includes 10.4 million acres, consisting of 420 unorganized townships, 32 plantations, and 7 organized towns. Most of the area is within Aroostook, Penobscot, Somerset, Piscataquis, Washington, Hancock, Franklin, and Oxford Counties, with single plantations or townships located in Lincoln, Knox, Sagadahoc and Kennebec Counties. The Commission's jurisdiction also includes 780 coastal islands including Monhegan and Matinicus.

The Commission's responsibilities are to designate land use districts and develop land use standards for these districts; educate the public about these standards; enforce applicable land use standards; review applications for development and issue permits and certifications for development meeting applicable standards; and prepare a comprehensive land use plan for the unorganized and deorganized areas of Maine.

ORGANIZATION:
The Maine Land Use Planning Commission is governed by a nine-member, independent decision-making body, with eight members nominated and appointed by each of the eight respective counties with the most acreage in the unorganized and deorganized areas and one member nominated and appointed by the Governor. All nominees are subject to review by the Joint Standing Committee on Agriculture, Conservation and Forestry and confirmation by the State Senate. County nominees to the Commission must have experience in commerce and industry, fisheries and wildlife, forestry or conservations issues as they relate to the Commission's jurisdiction and must reside in the Commission's jurisdiction, work in the Commission's jurisdiction, or be a former resident or be retired after having worked for a minimum of five years within the organized or deorganized areas of the State. The Governor's nominees must meet one of these three requirements or possess the experience required of a county nominee. Commissioners serve 4-year staggered terms. The Commission has a staff of 23.0 FTE, including an Executive Director.
Director. The Commission makes decisions on permit and certification applications, zoning boundaries and land use standards at regular meetings held monthly. The Commission also conducts public hearings and informational meetings at locations in or near its jurisdiction.

PROGRAM:
During the last year we have: updated our most commonly used application forms to improve their usability and achieve efficiencies; created an electronic library of rule changes to allow for quick, efficient access from remote locations; made significant progress on scanning past permits for fast access from the regional offices, which reduces wait times for customers in receiving a response to questions; produced an assessment of policy issues related to cumulative visual impacts from wind energy development; produced internal guidance on some of the sections of rules that are most difficult to interpret, so as to improve consistency within the agency; initiated a facilitated stakeholder consultation effort to update the Commission's rules regarding recreation-based businesses and encourage appropriately located facilities; many staff have taken customer service training; approved a renewal of the landowner-initiated resource plan for the St. John river; approved a grid-scale wind project in the Downeast area; hosted an information session and field learning session about the Moosehead Region Concept Plan; received confirmation that the 363,000 acre working forest and public access Moosehead Region Conservation Easement was permanently executed; and supplied information as needed for the LURC reform commission and the ACF legislative committee.

There were 114 permit applications pending at the end of the fiscal year, and 641 permit applications were processed during the fiscal year. There was an effort to reduce a backlog of open enforcement cases from previous fiscal years and address the 30 new enforcement cases from this fiscal year. Staff reached resolution on 172 enforcement cases within this fiscal year. Commission staff made numerous site inspections, including on site pre-application meetings, public assistance visits and compliance inspections. The Commission's staff is available in five regional field offices to assist customers firsthand for permitting, education, compliance, and enforcement needs.

BUREAU OF PARKS AND LANDS
WILLARD HARRIS, DIRECTOR
VACANT, DEPUTY DIRECTOR

Central Office: HARLOW BLDG., 18 ELKINS LANE, AUGUSTA, ME 04330
Mail Address: 22 STATEHOUSE STATION, AUGUSTA, ME 04333-0022 FAX: (207) 287-6170
Established: 1935 Telephone: (207) 287-3821
Reference: Policy Area: 04 Umbrella: 04 Unit: 059 Citation: T0012 M.R.S.A. Sect.: 000001802 Legislative Count: 110.00
Average Counts-All Positions: 203.994

PURPOSE:
The Bureau of Parks and Lands was established in 1995 by the consolidation of the Bureau of Parks and Recreation and the Bureau of Public Lands. The Bureau manages and administers programs on 604,905 acres of Public Reserved and Non-Reserved Lands, 350,884 acres in conservation easements including easements along the Appalachian Trail and the Penobscot River Corridor, 625,000 acres in public access easements including the West Branch easement in Somerset County and the Typhoon LLC easement in Washington County, 34 staffed state parks totaling 85,032 acres including the Allagash Wilderness Waterway, 22 staffed and unstaffed state historic sites, 2.3 million acres of submerged lands, 1,333 coastal islands, owns or manages 310 miles of former rail bed managed as multi-use trails, and other public lands as provided by law. The Bureau also administers special programs related to boat access sites, navigational hazard marking, snowmobile and ATV trails, and the federal Land and Water Conservation Fund and Recreational Trail Program.

The Bureau acquires land, designs and constructs facilities for public outdoor recreational use, distributes information, develops and implements management plans, carries out appropriate land management, administers grants, and coordinates with other state and federal agencies that have related programs.

Bureau staff provide assistance including grants to other agencies and municipalities, and provide landowners assistance on land management and recreation issues, provide information to legislators and other individuals and organizations, conduct or supervise research within their area of expertise, and conduct workshops, seminars, and field trips for the public or special interest groups.

ORGANIZATION:
A director, who reports to the Commissioner of the Department of Conservation, heads the Bureau and is assisted by a deputy director and director of operations.
DEPARTMENT OF CONSERVATION

and maintenance. The Deputy Director's primary responsibility is to manage the Planning, Acquisition, and Special Services Division and the Grants and Community Recreation Division, which includes the Maine Conservation Corps. Six regional offices, three supervising the state park system and three supervising the Public Reserved Lands system, oversee operations and management activities. The six heads of these regions, and three central office programs: engineering and realty, silviculture, and admin services all report to the Director of Operations and Maintenance. The central office includes three divisions that report to the director including Off-Road Vehicles; Boating Facilities; and Submerged Lands divisions. Park system field staff provide direct services to park and historic site visitors, maintain and repair facilities, provide information and education programs, and ensure public safety. Public Reserved Lands field staff conduct multiple use land management activities including timber, wildlife, and recreation; plan and oversee the construction of roads, trails, and bridges; and maintain campsites and other visitor amenities. The Off-Road Vehicle Division administers motorized trails on public & private land, and provides extensive grants to clubs, municipalities and counties for the development and maintenance of snowmobile and ATV trails. The Division also coordinates, funds and manages 310 miles of State-owned multi-use rail trails throughout the state. The Boating Facilities Div, through direct state involvement, grants and contracts, provides and maintains boat access sites. It also marks certain lakes to ensure navigational safety. The Submerged Lands Program is responsible for the management of the State's submerged lands, administers a leasing program, and maintains the Coastal Island Registry. The Planning, Acquisition, and Special Services Division oversees the acquisition of land and easements, secures grants, manages property records and provides GIS and mapping services, develops management plans for Bureau's public lands and provides technical assistance to Bureau land managers on wildlife, interpretation, recreation, historic sites and silviculture management. It also is responsible for monitoring and enforcement of the Bureau's conservation easements, and administers a leasing program for camp lots, telecommunications, utility right-of-ways, and agriculture on Bureau lands. The Grants & Community Recreation Div administers federal grants, manages a state-wide trail advisory committee, provides information on recreational facilities to municipalities, and provides technical assistance to local sponsors in trail construction and improvements. The Maine Conservation Corps (MCC) accomplishes conservation projects, creates conservation employment, provides conservation education, and engages conservation volunteers. The Engineering and Realty Division oversees the planning, design, development, disposal, appraisal, maintenance, and capital improvement of Bureau facilities. The Administrative Services Division provides clerical support, manages bureau finances, and operates the campsites reservation system.

PROGRAM:

Parks & Historic sites provided recreation & education opportunities to more than 2,488,349 visitors, contributing $2,943,391 in user fees and other revenue to the general fund and $267,227 to municipalities in fee sharing in calendar year (CY) 2011. The Bureau’s camping reservations continued to work with the new web-based reservation system for our state park campgrounds. The Bureau continued the Maine State Parks Passport Program, which promotes visitation of the 48 Maine State Parks & Historic Sites. The Bureau held special events at parks throughout the year in conjunction with our Take It Outside! Program designed to reconnect families to the natural world. Events included Ice Fishing Derbys, Family Fun Days, Birding Festival and interpretive programs. The First Time Campers program and fall foliage hikes continued for the fifth successful year. Capital projects continued in FY12 from the capital improvement bond for State Parks & Historic Sites approved in FY10, initiating improvements at Reid State Park, Sebago Lake State Park, and Popham Beach State Park. Completed work on the 85 mile multi-use Downeast Sunrise Trail (with DOT) has been a success for recreation opportunities down east and is expanding into Perry this year. In CY 2011, the 3 Reserved Lands regional offices conducted sustained yield forest harvesting operations on 10,606 acres of the Bureau's 399,600 acres of operable timberland yielding 126,561 cords of wood and constructed and maintained an extensive network of roads, trails, and bridges to facilitate public access. In FY 2012, the Planning, Acquisition, & Special Services Division worked with the Public Reserved Lands regional staff on 2 regional management plans, covering 79,434 acres, completed 3 land acquisitions totaling 6,111 acres in fee and 1,278 acres in easement, acquired a number of new public conservation and access easements as a result of the implementation of the LURC-approved Moosehead Region Concept Plan proposed by Plum Creek, including administered 300 camplot and 51 other leases, and monitored

41 conservation easements. In CY 2011 the Bureau's Grants & Community Recreation Division administered $1,948,965 in federal grants for 61 Recreational Trail Program projects statewide, managed $416,735 for 6 federal Land and Water Conservation Fund projects and provided technical assistance to municipalities and the Maine Trails Advisory Committee. In CY 2011, the Boating Facilities Division, completed Phase 1 renovations of the Rockwood Pier on Moosehead Lake and initiated the new Branch Lake Boating Facility in Ellsworth due to be completed in 2012. The Navigational Aids Program has taken on the installation and maintenance of buoys on an additional waterbody bringing their total marked to 58 and continued to work with lake associations & municipalities to mark an additional 20 other waterbodies to bring the total number of water bodies marked to 58. The Off-Road Vehicle Division approved 432 snowmobile grants, totaling $3,579,901 and managed 5 snowmobile trail systems which total 14,142 miles. The ATV Program awarded 132 club & municipal grants totaling $47,228 and continued to develop former railroad corridors for a total of 6,528 miles of ATV trail. The Administrative Services Division provided clerical and financial support, and campsite reservation system. In CY 2011, the Submerged Lands program processed 121 applications including 50 new leases and easements and 4 dredging leases.

OFFICE OF VICTIM SERVICES

PURPOSE:
The Department of Corrections is responsible for the planning, direction and management of adult and juvenile correctional facilities, community corrections and other correctional programs within the state. The department administers the state's correctional facilities, provides for the safety of staff and clients, undertakes appropriate programming for the classification, education, rehabilitation and maintenance of clients and assures an effective system for the supervision of parolees and probationers. The department is responsible for the direction and administration of the Maine State Prison, the Maine Correctional Center, the Charleston Correctional Facility, Long Creek Youth Development Center, the Downeast Correctional Facility, Central Maine Pre-Release Center and the Women's Reentry Center. The department also administers community corrections programs for adult and juvenile probationers.

The department is authorized to establish and maintain programs, inside and outside of correctional facilities that provide rehabilitation services and opportunities for clients. The Department of Corrections may provide or assist in the provision of correctional services throughout the State as authorized by Maine law, and the department is responsible for setting standards and inspection of municipal and county jails.

ORGANIZATION:
The Department of Corrections was created by the Legislature in 1981 to improve the administration of correctional facilities, programs and services for committed offenders.

In 2008, the department reorganized internally to establish a division of juvenile services and a division of adult services. The institutional and community corrections functions are now included in the juvenile or adult divisions.

In 2007, in response to the increasing prisoner population and the lack of adequate housing capacity within the state's correctional facilities, the department opened the Women's Reentry Center in Bangor and contracted to house state prisoners in county jails. In the summer of 2012, the Women's Re-entry Center moved to Alfred, Maine. In the 2008, the Legislature created a Board of Corrections to oversee the adult correctional services administered by the department and the county jails with the goal of establishing a unified corrections system.

In 2011, the department reorganized itself again, establishing a division of quality assurance, a director of security and an industries director in order to provide more efficient and effective programs and services.

PROGRAM:
The program activities of the department are discussed in the individual reports of its program components except for the following:

JAIL INSPECTIONS – the department has the statutory responsibility to establish, inspect and enforce standards for county jails, municipal holding facilities,
DEPARTMENT OF CORRECTIONS

juvenile detention areas, correctional community residential and electronic monitoring. These standards are based on established and emerging professional practices and case law requirements. Additionally the department provides technical assistance to all entities in establishing and maintaining compliance programs.

MANAGEMENT INFORMATION SERVICES - the department is expanding its information management system for adult and juvenile offenders. Corrections Information System (CORIS) is a fully integrated, web based offender information system built from the ground up using Microsoft.NET technology. The result is an industry leading, enterprise class system that, being fully scalable, effectively supports the needs of all state correctional functions. CORIS also supports case management, offender financial management, restitution collection and central office information reports. The department has implemented a customized Inmate Phone System which is integrated with CORIS. The phone system uses Voice over Internet Protocol, voice recognition, CORIS's inmate trust accounts and the telecommunication industry's new prepaid flat rates.

DEPARTMENT OF CORRECTIONS

PURPOSE:
The primary purpose of the Charleston Correctional Facility is to provide public safety through effective security operations and programming aimed at reducing the likelihood that offenders will re-offend when in the community through evidenced-based practices. All prisoners housed at the Charleston Correctional Facility are classified as minimum or community based security. The prisoners participate in education, treatment and vocational programs in addition to industries programs and work release.

ORGANIZATION:
The Charleston Correctional Facility is located on the site of the former Charleston Air Force Radar Station in Charleston, Maine. The facility opened under the administrative control of the Maine Correctional Center in 1980. In 1985, the facility assumed primary responsibility for its own development and operation. During 2001, the facility was downsized through a major restructuring of the Maine Department of Corrections. This brought the facility under the administrative oversight of the Chief Administrative Officer of Mountain View Youth Development Center including all support services for fiscal, business, human resources, food service, maintenance, warehouse and supply. The Charleston Correctional Facility received American Correctional Association accreditation in January of 2007. The facility expanded in July 2007, opening another dormitory and taking on another 50 prisoners.

PROGRAM:
The Charleston Correctional Facility currently houses approximately 155 male prisoners. Prisoners are received from higher security level institutions, such as the Maine State Prison in Warren, the Maine Correctional Center in Windham and the confines of Correctional Facility in Bucks Harbor. A comprehensive classification process reviews the prisoner’s need for rehabilitative services such as educational and vocational training, psychological and substance abuse counseling. An education center and library is located on facility grounds. Instruction is offered in GED preparation and testing, Adult Basic Education, PLATO program, Auto CAD drafting and other basic computer skills. Substance abuse services are provided at an intensive level through the Differential Substance Abuse Treatment program known as DSAT. The facility has started a cognitive skills based program called "Thinking for a Change" which teaches prisoners new skills to deal with daily challenges. Parenting skills, life skills, career education, business classes, and employment skills training are also available through collaboration with other community agencies. Vocational programs and industries programs are provided in wood harvesting and small saw mill operation.

Finished lumber is sold to other correctional and state agencies in addition to being utilized in our industry program to manufacture fine furniture, woodcrafts, prefab shelters, and construction products. This program is accomplished through a cooperative agreement with the Department of Inland Fisheries and Wildlife. The cooperative agreement allows the Charleston Correctional Facility wood harvesting program to provide land management services to over 7,000 acres in the Bud Leavitt Wildlife Management Area that abuts the facility property. During Fiscal Year 2011-2012 the wood harvesting program produced over 1200 cord of fuel wood and slab wood for the facility's boiler plant to supplement the use of oil in order to provide heat and hot water for the entire facility. This has saved the facility considerable funds annually by reducing fuel oil costs. In addition, the industry program produced approximately 180,000 board feet of lumber.

The Charleston Correctional Facility's total progressive corrections program has a very strong public restitution element providing public restitution to communities, non-profit agencies and state agencies including the Maine Department of Transportation. Last year approximately 40,000 hours were expended on community restitution projects. There are over a dozen prisoners trained and ready to be utilized to fight forest fires and several prisoners that have earned that privilege are offered an opportunity to enter the facility's unique work release program. Prisoners in the program are required to contribute to their living expenses, provide family support, pay victim restitution, pay unpaid fines and save money to utilize upon their release.

MAINE CORRECTIONAL CENTER

SCOTT BURNHEIMER, SUPERINTENDENT
JOSEPH PONTE, COMMISSIONER

Central Office: 17 MALLISON FALLS ROAD, SO. WINDHAM, ME 04082
Mail Address: P. O. BOX 260, SO. WINDHAM, ME 04082  FAX: (207) 893-7001
Established: 1919  Telephone: (207) 893-7000

Average Counts-All Positions: 271.476  Legislative Count: 270.50

PURPOSE:

It is the mission of the Maine Correctional Center to improve public safety by decreasing the recidivism of both male and female prisoners by providing opportunities for correctional rehabilitation within a supervised and secure setting, while assuring the safety of the public, the staff, and the prisoners. While striving to complete this mission, the Maine Correctional Center recognizes the indispensable and valuable contributions of its security, program, and support staff and is committed to the ongoing development of a professional and skilled work force.

This mission is accomplished through the Maine Correctional Center's responsibility as the Department of Corrections' (DOC) primary reception center, and the utilization of professional correctional practices, objective risk assessment and research-based rehabilitation programs, which have been proven to reduce the likelihood that an offender will re-offend. Within this mission, the Maine Correctional Center recognizes its responsibility to educate prisoners as to the harm criminal conduct causes to the victim and to the community and to provide prisoners with opportunities to repay the community through participation in public service work and restitution.

Throughout their Maine Correctional Center commitment, prisoners are expected to accept increasing levels of personal responsibility for their conduct and for successful participation in rehabilitative programs. Acceptance of responsibility for their own behavior, for their family, and for their actions in the community is the basis of the Maine Correctional Center's mission. Maine Correctional Center is designated as a minimum, medium security institution with a maximum security capability for short duration confinement. The Women's Center is a separate, comprehensive housing and programming unit.

ORGANIZATION:

The Multi-Purpose Unit (MPU) is a high custody correctional setting, which provides Reception and Orientation, Administrative Segregation, Disciplinary Segregation and Protective Custody for both male and female prisoners. In addition, it holds a limited number of female prisoners awaiting trial in the Federal court. Unit One is primarily a medium custody housing area and includes the department's forty (40) bed Correctional Recovery Academy (CRA) which provides intensive residential substance abuse treatment and the Department of Corrections' RULE program, a 60 bed residential program for the treatment of sexual offenders. Unit Two is primarily a minimum custody housing area.
DEPARTMENT OF CORRECTIONS

Programs in Unit Two include public service work crews and a transition skills re-entry program for men. Unit Three is the Women's Center, which is a separate comprehensive housing and programming unit for females. It includes industries, education and substance abuse treatment. The Maine Correctional Center in Windham received re-accreditation in January 2009 by the American Correctional Association.

PROGRAM:
The Maine Correctional Center is the primary reception center for the DOC. Prisoners with sentences of five (5) years or less, and all female prisoners, enter the department through the Maine Correctional Center. At the completion of the intake and orientation process, prisoners may be placed in a unit at Maine Correctional Center or transferred to another facility.

Programs for prisoners confined at the Maine Correctional Center focus on teaching appropriate conduct, personal responsibility, and work skills. The center has specialized programs to assist prisoners re-entering the community. Prisoners work various jobs within the institution which include kitchen, laundry, grounds maintenance and landscaping. Public restitution crews work in the community under the supervision of correctional trades instructors completing public service projects. Industry programs in upholstery, wood construction and garments provide basic work skills. Education programs include General Educational Development (GED) preparation and testing. Vocational training offers graphic arts and computer repair. Medical, mental health and psychiatry services are available to all prisoners through a contract with Correctional Medical Services (CMS). Prisoners are assigned to a unit team which monitors prisoner adjustment to case management and transition/release planning. The substance abuse programs for both men and women are provided through a partnership with the State Office of Substance Abuse.

The Women's Center is designed as a secure correctional community with focus on personal development, trauma recovery, substance abuse treatment and community re-entry. Through these programs the Maine Correctional Center strives toward its mission to improve community safety by teaching personal responsibility, involving prisoners in rehabilitation programs and lowering recidivism.

DEPARTMENT OF CORRECTIONS

PURPOSE:
Downeast Correctional Facility was established for the confinement and rehabilitation of adult men who have been duly sentenced to the department of corrections. Confinement focuses on providing responsible custody and control of prisoners to ensure the safety of the public, DOC employees and the prisoners themselves. Rehabilitation of prisoners focuses on following practices and providing programs and services which are evidence-based are proven to reduce recidivism and which hold the offenders accountable.

ORGANIZATION:
In 1956 the Bucks Harbor Air Force Station was built and remained a joint Air Force / Federal Aviation Administration Station until 1979 when it was deactivated by the Air Force and turned over to the FAA. The FAA continues to operate the facility as a joint surveillance system (Eastern Air Defense Sector J-54). In 1984 Downeast Correctional Facility was established by the Maine legislature and part of the Bucks Harbor Air Force Base was purchased and renovated into a medium security correctional facility for an average population of 143 to 150 prisoners. The facility began receiving prisoners in June of 1985. The correctional facility and FAA station continue to share a mutually beneficial relationship.

In 2012 Downeast Correctional Facility transitioned to an all minimum security prison. Prisoners are housed in three dorm units. Dorm I houses prisoners who have recently been transferred to the facility and are classified as level I prisoners with the least of privileges and most restrictive housing rules. Dorm II houses level II prisoners which have earned more privileges and less restrictive house rules. Prisoners in dorm II may be eligible for assignment to restitution crews and work release. Dorm III houses level III prisoners who are afforded extra privileges and less restrictive housing rules. Prisoners in dorm III are eligible for restitution crews and work release. Prisoners work up through the level system by following facility rules, complying with their case plans and avoiding any disciplinary action.

The correctional facility is located beside a rural coastal community which does not have public water services. In order to provide for its domestic water needs the facility operates a small water district with reservoir capacity and a chlorination system. The facility also operates its own water treatment facility. The facilities maintenance department oversees the operation of these plants and is responsible for maintenance and repairs throughout the facility.

Medical services for the prisoners are provided by Correct Care Solutions. The facility utilizes four nurses which provide daily medical coverage. A physician, dentist and ophthalmologist also visit the facility on regular schedules to provide appropriate medical care and treatment.

Downeast Correctional Facility is located in Bucks Harbor, Washington County Maine, ten miles south of Machias on Route 92.

PROGRAM:
Downeast Correctional Facility utilizes a Unit Management system which is a multi-disciplinary team whose core members are composed of a Unit Manager, Sergeant, Correctional Officer(s), Caseworker(s) and Unit Clerk. The Unit Management team has decision making authority, as delegated by the Chief Administrative Officer. This Unit is authorized to make decisions regarding prisoner housing; case management; classification; programming; orientation; work assignments; safety and sanitation inspections; etc.

Correctional Caseworkers complete needs assessment of each prisoner to determine program needs and individual goals. A Case Plan is developed to address all need areas including education, counseling, substance abuse training, mental health treatment/counseling, job training, family relationships etc. Case planning is a vital component in outlining and monitoring all need areas. Assessment tools are used to target high risk areas which contribute to criminogenic behaviors. Prisoners are engaged in the case planning process and expectations are made clear. Case plans are monitored for progress or lack thereof and the plan is reviewed with the prisoner.

Services available at Downeast Correctional Facility include AA and Differential Substance Abuse Treatment to address substance abuse issues. Prisoners with mental health issues are referred to the mental health counselor for individual
DEPARTMENT OF CORRECTIONS

counseling, medication and psychiatric services. Thinking for A Change is a 22 week cognitive/behavioral program available at the facility which focuses on sound judgment and decision making. All services, programs and casework focus on assisting prisoners with successful reentry into society.

Vocational and work programs offered at Downeast Correctional Facility are Automotive, Welding, Woodworking (two), public restitution and work release. In addition to the vocational and work programs the facility has a prison industries garment program. All of the programs focus on instilling personal responsibility, work ethic and basic job skills.

The public restitution program at Downeast Correctional Facility provides assistance to other state agencies, local municipalities and not for profit organizations throughout much of Washington County. Much of the work performed through the public restitution program would otherwise not be completed due to many of the agencies limited funding. The program is a unique tool which benefits the prisoners and the agencies receiving the services.

Downeast Correctional Facility also provides work release opportunities for those prisoners who qualify. Work release provides prisoners with the opportunity to work for entities within the community. Prisoners on work release are required to pay room and board, contribute a percentage of their earnings to savings, and make payments toward restitution fees, victim fees, court ordered fines and child support if applicable. Work release is a proven program aimed at assisting prisoners with successful reintegration back into the community.

The education program at Downeast Correctional Facility includes GED coursework and testing. Prisoners can also participate in a High School Diploma program which is administered through Machias High Schools Adult Education Department. The education department library utilizes an inter-library loan program with the Bangor Public Library which provides reading material for education, research and pleasure.

JUVENILE JUSTICE ADVISORY GROUP

PAUL VESTAL, CHAIRPERSON
JOSEPH PONTE, COMMISSIONER

Central Office: 25 TYSON DRIVE, AMHI COMPLEX, AUGUSTA, ME 04333-0111
Mail Address: 111 STATE HOUSE STATION, AUGUSTA, ME 04333-0111 FAX: (207) 287-4370
Established: 1979 Telephone: (207) 287-4371
Reference: Policy Area: 06 Umbrella: 03 Unit: 201J Citation: GFY82 M.R.S.A., Sect.: 000000016

PURPOSE:
The Juvenile Justice Advisory Group (JJAG) was created in response to the federal Juvenile Justice and Delinquency Prevention Act of 1974, as amended (JJDPA). JJDPA created a voluntary partnership between states and the federal government for the purpose of improving the administration of juvenile justice. In return for an annual formula grant, based on the state’s juvenile population, each state undertakes to meet four congressionally defined standards (*Core* Requirements)
for the management of juvenile offenders. These core requirements relate to: 1) the handling of status offenders; 2) the separation of juvenile from adult prisoners; 3) the detention of juveniles in places other than adult jails; and 4) the protection of minority youth from discrimination in the juvenile justice system. Maine has participated in the Act since its inception. The JJAG operates as the supervisory board for all planning, administrative, and funding functions under the Act.

**ORGANIZATION:**

The JJAG was first established as a committee of the Maine Criminal Justice Planning and Assistance Agency. It was formalized by Executive Order 4FY80 on October 5, 1979, and authorized by statute in 1984 (34-A M.R.S.A., Section 1209). Since July 1, 1982, the Department of Corrections (DOC) has acted as the JJAG’s administrative and fiscal agent.

As provided by the Act, the JJAG consists of not less than 15 and not more than 33 representatives of various constituencies concerned with juvenile justice and related areas, including: units of local government; public agencies responsible for law enforcement, juvenile justice, corrections, probation, and the juvenile courts; and those responsible for delinquency prevention or treatment, including welfare, social services, mental health, education, and youth services; private organizations concerned with delinquency prevention or treatment, neglected or dependent children, and the quality of juvenile justice, education, and social services for children, public and private agencies that utilize volunteers to work with delinquents or potential delinquents; businesses and business groups employing youth; and persons with special experience and competency in addressing the problem of school violence, vandalism, and learning disabilities.

Neither a majority of members, nor the chairman, may be full-time employees of a governmental entity. At least one fifth of the members must be under the age of 24 at the time of appointment, and at least three members must have been or currently be under the jurisdiction of the juvenile justice system.

**PROGRAM:**

The JJAG and its committees advocate for youth through recommendations for legislative and policy reform, monitor state compliance with federal requirements, and provide technical assistance to jurisdictions needing support for compliance or program development efforts.

The federal allocation for Maine Juvenile Justice and Delinquency Prevention Program for federal fiscal year 2011 was $600,000. Up to 10% of the award is available for planning and program administration, determined by need and available state matching funds, and $30,000 is allocated for the activities of the JJAG. The remainder of the formula grant is allocated to a variety of programs to support improvement of the juvenile justice system. In accordance with their three-year plan, JJAG will support prevention and early intervention programs designed to keep at-risk youth out of the juvenile justice system, develop a comprehensive strategy to address delinquency among Native American youth, and monitor and provide technical assistance for jails and lock-ups to maintain compliance with the Federal JJDP Act.

The JJAG further supports community prevention efforts with the pass-through of federal funds from the Title V Local Delinquency Prevention Program. The FY 2011 allocation was reduced by $34,945 to $50,000 and was distributed in a competitive process to general units of local government. This funding supports the Collaborative Problem Solving project in 13 schools across the state.

The Juvenile Accountability Block Grant is administered by the JJAG. The Juvenile Accountability Block Grants (JABG) program is administered by the State Relations and Assistance Division of the Office of Juvenile Justice and Delinquency Prevention (OJJDP), Office of Justice Programs, U.S. Department of Justice. Through the JABG program, funds are provided as block grants to states for programs promoting greater accountability in the juvenile justice system. Maine supported a community-based diversion program in five Maine communities. The 2011 award was cut by $187,686 to $167,214.00.

JUVENILE COMMUNITY CORRECTIONS
BARTLETT STOODLEY, ASSOC COMM JUVENILE SERV.
JOSEPH PONTE, COMMISSIONER

Central Office: 19 ELKINS LANE, AMH COMPLEX, AUGUSTA, ME 04333-0111
Mail Address: 111 STATE HOUSE STATION, AUGUSTA, ME 04333-0111 FAX: (207) 287-4518
Established: 2001 Telephone: (207) 287-4365
Reference: Policy Area: 06 Umbrella: 03 Unit: 237A Citation: 005401 M.R.S.A. Sect.: T00034A
Average Counts-All Positions: 76.00 Legislative Count: 76.00

PURPOSE:
Juvenile Community Corrections was established to provide effective supervision to youth under its jurisdiction who are residing in the community. Using a risk reduction case management model, staff assess risk domains and strengths presented by juveniles, develop case plans, access and advocate for appropriate resources to implement case plans, collaborate with other State agencies and public and private providers to ensure that appropriate interventions are provided and monitor progress of the case plan. This approach targets dynamic risk factors that lead to continued criminal behavior, provides and directs appropriate interventions that will mitigate those risk factors, which ultimately assists the juvenile to remain crime free. Concurrently, the Juvenile Community Corrections Officers (JCCO) will divert youth from the correctional system, supervise those on probation or aftercare status, and manage those youth detained or incarcerated to protect public safety. Juvenile Community Corrections is also responsible for the administration of the Interstate Compact for Juveniles.

ORGANIZATION:
Three regional offices provide services to juveniles across the state. A Regional Correctional Administrator, who reports directly to the Associate Commissioner for Juvenile Services, administers each region. JCCOs accept referrals from law enforcement officers and supervise and case manage juvenile offenders in the community. Regional Correctional Managers provide case management consultation and direct supervision to JCCOs and assist them to find appropriate resources for juveniles on their caseloads. Contract Managers, through the Division of Quality Assurance, ensure that all contracted services are provided in a manner consistent with the assessed needs of juvenile offenders. Outcome performance measures are incorporated into all contracts to ensure program effectiveness. Support staff assists in the overall management of the regional offices.

PROGRAM:
Regional offices receive referrals from law enforcement officers for detention decisions or to screen for possible diversion. The JCCOs, based on specified criteria, determine whether juveniles should be detained pending a court hearing. They also decide whether a youth can be safely diverted from the correctional system. In the latter case, youth are dealt with informally through a contract specifying conditions to which the youth and his/her family agree to comply in
DEPARTMENT OF CORRECTIONS

lieu of going to court. Using an evidence-based risk management and risk focused intervention approach, the JCCO’s supervise and case manage youth placed on probation or on aftercare from one of the juvenile facilities. JCCOs also serve as the primary case managers for juveniles committed or detained at juvenile correctional facilities.

LONG CREEK YOUTH DEVELOPMENT CENTER

RODNEY BOUFFARD, SUPERINTENDENT
JOSEPH PONTE, COMMISSIONER

Central Office: 675 WESTBROOK STREET, SOUTH PORTLAND, ME 04106
Mail Address: 675 WESTBROOK STREET, SOUTH PORTLAND, ME 04106 FAX: (207) 822-2773

Average Counts-All Positions: 179.577 Legislative Count: 178.00

PURPOSE:
The Long Creek Youth Development Center was established to rehabilitate clients committed to the Center as juvenile offenders so that they eventually return to the community as more responsible, productive, law-abiding citizens. The Center is responsible for the rehabilitation of juvenile offenders committed by Maine courts, applying the disciplines of education, casework, group work, psychology, psychiatry, medicine, nursing, vocational training, and religion, as they relate to human relations and personality development. Boys and girls between the ages of eleven and eighteen may be committed to the Center for the term of their minority, or, in some cases, until their 21st birthdays. The Superintendent acts as a guardian to all children committed and may place any such child on aftercare with any suitable person or persons or public or private child care agency. The Long Creek Youth Development Center is also required by law to detain juveniles pending their court appearances.

ORGANIZATION:
Long Creek Youth Development Center in South Portland was established in 1853 as the State Reformatory School, administered by a Board of Trustees. It was renamed State School for Boys in 1903. The Board of Trustees was abolished in 1911, and its duties were assumed by the Trustees of Juvenile Institutions. In 1931, the State School for Boys was placed under the Department of Health and Welfare and, in 1939, transferred to the Department of Institutional Services, which later (1959) became the Department of Mental Health and Corrections. In 1981, The Department of Corrections was established. In 1959, the School was renamed the Boys Training Center. In 1976, when the Stevens School for Girls closed and the girls were transferred to the Boys Training Center, the 107th Maine State Legislature, in special session, established the Maine Youth Center as the only coeducational institution for juvenile offenders. On July 1, 2001 the Maine Youth Center changed its name to Long Creek Youth Development Center.
DEPARTMENT OF CORRECTIONS

PROGRAM:

Long Creek Youth Development Center functions as the correctional facility for the juveniles from the southern part of the state. The purpose of the center is to provide for the detention, diagnostic evaluation and confinement of juvenile offenders. In addition, the center promotes public safety by ensuring that juvenile offenders are provided with education, treatment, and other services that teach skills and competencies; strengthen pro-social behaviors and require accountability to victims and communities.

FINANCES, FISCAL YEAR 2012: The expenditure information for this unit was generated from the Budget and Financial Management System (BFMS).

Average Counts-All Positions: 159.200 Legislative Count: 158.00

PURPOSE:
The purposes of the Mountain View Youth Development Center are: 1. Detention: to detain juveniles prior to juvenile court appearances when a court orders that juveniles are to be securely detained; 2. Diagnostic evaluation: to administer court-ordered diagnostic evaluations pursuant to Title 15, section 3309-A and court-ordered examinations pursuant to Title 15, section 3318. 3. Confinement: to confine juveniles ordered detained pursuant to Title 15, section 3314, subsection 1, paragraphs F and H.

ORGANIZATION:
The Mountain View Youth Development Center in Charleston was established to provide juvenile correctional services for the fourteen Northern and Central counties of Aroostook, Franklin, Androscoggin, Oxford, Lincoln, Sagadahoc, Kennebec, Knox, Penobscot, Piscataquis, Somerset, Waldo, Hancock and Washington. Formally known as The Northern Maine Juvenile Detention Facility, the programs, services and physical plant were expanded and reorganized into the current Mountain View Youth Development Center in 2002.

The Center provides services to both a short term detention population as well as longer term committed youth. Detention services include short term secure detention, pending court disposition of youth accused of committing juvenile crimes and is placement for juveniles sentenced to brief periods of incarceration of less than 30 days, known as "Shock Sentences" or periods of less than seven days "Drug Court Sanction". Residents sentenced to indeterminate periods of confinement or committed to the Department of Corrections are also served by the facility.

The Mountain View Youth Development Center achieved national accreditation from
DEPARTMENT OF CORRECTIONS

the American Correctional Association (ACA) in May 2006. The facility received its ACA Re-Accreditation in 2009 with a score of 100% and was recognized as "one" of the best in the country. Another Re-Accreditation score of 100% was received in 2012. The facility also participates in the Performance Based Standards Project (PBS) and is recognized as a high performing facility.

**PROGRAM:**
The facility offers numerous programs and services to provide all residents the opportunity to change inappropriate behaviors, attitudes and beliefs into those that are socially acceptable. These services focus on providing the youth with attainable skills and competencies that are effective and demonstrable. The primary method of achieving these changes is cognitive, behaviorally based and individualized to meet the specific needs of all youth and reduce targeted high risk behaviors.

A full array of mental health and substance abuse services, which include evaluation, diagnostics, appropriate counseling and therapy are available through licensed practitioners using individual and group processes. Other services provided include volunteer and religious services, leisure recreation and full medical and dental.

The facility provides all educational services including special education programs within the guidelines of the "Maine Learning Results" in a unique alternative, experiential approach through the facility's approved school. The educational programs encourage individual success for residents to become lifelong learners. Available services range from GED preparation to college entry and college classes.

In August of 2007, the facility was recognized by the Council for Juvenile Correctional Administrators (CJCA) and the Performance-based Standards Learning Institute (PBS LI) as one of the top three facilities in the country earning the Barbara Allen-Hagen Award for outstanding and exemplary work in ensuring safety for youths and staff, holding youths accountable and providing effective rehabilitation services that prevent future crime.

determine the eligibility for access to parole or to sanction parolee's when warranted due to rule violations. The Board also determines the time of discharge of parolees from parole supervision, formulates policies, adopts regulations and establishes procedures.

ORGANIZATION:
The State Parole Board, created in 1931 under the name of Parole Board, originally consisted of three members: the Commissioner of Health and Welfare and any two members of the Executive Council designated by the Governor. From 1931 to 1939, the Board was under the Department of Health and Welfare, and from 1939 to 1957 under the Department of Institutional Service. In 1957, the Parole Board's duties were assumed by the State Probation and Parole Board. In 1967, a Division of Probation and Parole was created within the Bureau of Corrections to administer probation and parole services in conjunction with the Board's parole duties. The Board was re-designated State Parole Board in 1971, to consist of five members appointed by the Governor, for terms of four years. In 1976 the State of Maine abolished Parole though the Board continues to serve in a limited capacity providing services to offenders placed on parole prior to its 1976 abolition.

In January 1984, the Board began to hear entrustment revocation proceedings for those juveniles alleged to have violated their conditions of release on entrustment from the state's juvenile correctional institutions. As of September 1990, the Board is no longer responsible for hearing juvenile entrustment revocation hearings. The Board elects its own chairman and meets at least bi-monthly. It may meet as often as necessary.

PROGRAM:
The State Parole Board hears cases at the Maine State Prison for those offenders who were sentenced prior to May 1976 (the abolition date for parole in Maine) to determine if or when inmates should be released on parole. If parolees have been accused of violating the terms of their parole the Board sits as an adjudicatory body to determine if a violation has occurred and if they find that a violation has in fact occurred they impose sanctions as they see fit.

STATE PRISON

Average Counts-All Positions: 380.000 Legislative Count: 380.00

PURPOSE:
The State Prison was established to confine convicted offenders and to provide
Correctional treatment and rehabilitation programs designed to prepare such offenders for eventual release. The institution is responsible for the custody, control, employment and government, as provided by law, of adult male offenders lawfully committed to the prison.

**ORGANIZATION:**
The State Prison at Thomaston was opened officially in July of 1824, to serve as a penitentiary where convicts were sentenced to hard labor for life or for any term one year or longer. The prison has always been a maximum security facility for adult felons. Women were sentenced to the institution until 1935 when they were transferred to the Women's Correctional Center in Skowhegan. The prison was plagued by fires in 1837, 1841, 1853, 1873 and 1923. Renovations and additions took place throughout the years and in 1992 high risk prisoners were transferred from Thomaston to a new maximum security facility in Warren known as Maine Correctional Institution (MCI). It was built to house male prisoners who posed the highest risk to the public, safety of staff, other prisoners, and the security and orderly management of the Department's facilities. An increasing population and an antiquated prison resulted in the construction of a new facility in Warren, adjourned to MCI. On February 13, 2002 prisoners were transferred to the new prison and the former Thomaston facility was demolished in June 2002. Only a section of the wall remains at the site beside the prison cemetery.

The new facility was built to house 916 prisoners. It also houses a 6 bed infirmary for the adult population. In 2008, the first female prisoner from Maine Correctional Center was transferred to receive infirmary level medical care. Additionally, 200 minimum security prisoners are housed at the Bolduc Correctional Facility (BCF) in South Warren. In 1978 the official name of the minimum security unit became the Ronald P. Bolduc Unit in honor of Ronald P. Bolduc the first Director. The former barracks now serves as the Bolduc Correctional Facility. Prior to 1970 a fire destroyed the working farm at BCF which had previously supported the prison with beef, dairy and produce.

The prison is organized under the philosophy of unit management and direct supervision. It was designed to separate prisoners into three separate housing units: Special Management, Close and Medium units each with their own housing pods. The units operate semi-autonomously under the authority and guidance of the Warden. Staff are trained in the concepts of unit management which improves control and relationships by dividing a large population into smaller, more manageable groups. The Bolduc Correctional Facility also operates under the same philosophy.

**PROGRAM:**
A 32 bed Mental Health Unit operates in the Special Management Unit. Mental Health Services assure assessment and treatment planning for all prisoners with major mental illnesses or behavioral disorders. Treatment may include medication management, supportive counseling, cognitive-behavioral psychotherapy, group therapy, and discharge planning. Mental Health Workers collaborate with security and medical personnel, as well as community agencies to provide consistency and continuity of patient-prisoner care and treatment. Substance abuse services are provided by licensed alcohol and drug counselors. Services include the DSAT (Differential Substance Abuse Treatment) education programs and AA. Case management services are provided to all prisoners. Staff develop an Individual Case Plan and monitor compliance. They also act as advocates and serve on their unit's multi-disciplinary Unit Team. For prisoners nearing release, the workers focus on community resources and re-entry programs. They frequently play a role in defusing potentially disruptive situations and provide a more stable environment.

Educational programs at the prison include literacy and remedial reading with individual instruction. GED or High School diplomas are offered through the prison teachers and a "live" college program through a grant. ITV college courses are also available through the UMA Thomaston Center. Typing, computer, music, literature, writing, art, horticulture, a Long Distance Dad's program and languages provide additional choices. Religious services are provided by ordained clergy who support a varied faith group base. In addition, recreational programs available to all prisoners include basketball, softball, soccer, pool and physical fitness.
DEPARTMENT OF CORRECTIONS

Industrial programs offer a variety of paying jobs which include woodworking, upholstery, plate shop, machine shop and a prison showroom. These programs are designed to establish meaningful work programs for prisoners and to help reduce the financial burden of correctional programming to the general public.

Bolduc Correctional Facility supports a variety of programs and services similar to the prison. The Education Department offers GED or High School Diploma preparation work, college programs, literacy services through LVA and tutors, a New Books, New Readers program and life skills programs. Library services, recreation and legal research opportunities are also available to the population. Vocational education programs such as auto body, auto mechanics, electrical, plumbing, building trades and culinary arts are offered. Participants can learn a trade and develop marketable skills to earn a livable wage. In addition, a cooperative work arrangement with the Department of Transportation and selected prisoners work on DOT community projects. Community restitution is also supported and plays a major role in giving back to the community. The farm program continues to provide potatoes and in season fresh produce for the prison, other facilities and offers surplus to community food banks.

PURPOSE:
The Division of Adult Community Services (formerly the Division of Adult Community Corrections though more commonly referred to as Probation and Parole) was established to provide community based supervision and related services to convicted offenders sentenced to probation or parole. The division’s primary role is to motivate a change in the probationer’s behavior in order to lessen the likelihood of the probationer to re-offend. The enhancement of public safety is achieved through the reduction of victimization. Over the years the role of the probation officer has changed dramatically. Thus while monitoring and supervision are still important activities performed by probation officers they are also actively involved in risk and needs assessment, interventions, case management, treatment and program referrals, etc. Traditional duties such as pardons and commutation investigations for the Governor's office, pre-sentence investigations for the courts, and post-sentence, pre-parole and other investigations for the state's correctional institutions remain a part of their assignment.

In addition, activities such as sex offender registration, restitution/fine collection, DNA and substance abuse testing, data collection, community notification and supervision of adult probationers under the interstate compact are also some of the newer duties that have had to be assumed by probation
DEPARTMENT OF CORRECTIONS

officers as new laws and court cases impact their duties and responsibilities. The demands on probation officers continue to escalate and therefore the need for ongoing training has never been greater in the history of this division.

ORGANIZATION:
When the Division of Probation and Parole was created in 1967 it included adult and juvenile offenders. In 1976 Parole was abolished in the State of Maine and the only available post-release supervision was probation ordered by the Courts (that said, the State of Maine still maintains a parole supervision function for offenders sentenced to parole before 1976 and more importantly for all offenders on parole who come to Maine through the Interstate Compact for Adult Offender Supervision). In 1984 the juvenile intake function was developed and incorporated as part of the division's mission. In 1986 an Intensive Supervision statute was passed and in 1991 the Supervised Community Confinement Program was created through a legislative initiative. Both these programs were directed at providing responsible alternatives to incarceration.

In 1996 the division was reorganized and all adult services were consolidated into the newly formed Division of Adult Community Corrections headed by a newly authorized Associate Commissioner. At the same time juvenile services were similarly reorganized. Adult Community Corrections consisted of 4 regional offices, 20 sub offices and numerous reporting sites. Each regional office was administered by a Regional Correctional Administrator (RCA), and an Assistant RCA. The Assistant RCA positions were upgraded to Regional Correctional Managers in 2010. In early 2011, the division implemented a Coaching, Mentoring and Supervision model that provided more direct field supervision for the Probation Officers. Regional Managers provide direct and immediate feedback on performance, case management and decision making. This is critical to the full implementation of evidence based practices in the department. In order to maximize resources and improve continuity of practice, the division was reduced to three (3) regions each consisting of one (1) Regional Correctional Administrator, two (2) Regional Correctional Managers and approximately twenty five (25) Probation Officers. The majority of Probation Officers are assigned to a general caseload made up of offenders who have committed a wide variety of felony level offenses. A few Officers are selected to supervise a specialized caseload which consists solely of sex offenders, domestic violence offenders or severe substance abusers who are assigned to Drug court. These Probation Officers receive specialized training in their area of expertise.

PROGRAM:
The Division of Adult Community Services is dedicated to balancing the needs of public safety, victim and community restoration, offender accountability and using effective approaches to reduce re-offending and enhance effective reintegration into communities. Under community supervision, offenders receive services that include: increased personal contact with Probation Officers and dialogue that encourages and supports behavior change; monitoring of special court ordered conditions of probation through surveillance; referrals to services that are based on the assessed risk of re-offending; and treatment intervention that target specific identified needs.

PURPOSE:
The Department of Defense, Veterans and Emergency Management is responsible for all military, veterans and emergency management related operations within the State of Maine. National Guard personnel and units have recently transitioned from a strategic to an operational force mobilizing in support of Operations Iraqi Freedom and Enduring Freedom. Our Soldiers and Airmen are also readily available to respond to the Governor during emergencies or disasters in Maine. The Bureau of Veterans' Services provides numerous support services to Maine's 154,000 veterans and manages Maine's Veterans' Memorial Cemeteries. The Maine Emergency Management Association is charged with all disaster mitigation, preparedness, response, recovery and Homeland Security operations within the State of Maine.

ORGANIZATION:
The Department of Defense, Veterans and Emergency Management was created by legislation in 1972 under the original name of Department of Military, Civil Defense and Veterans Services. In this legislation, the administrative offices of The Adjutant General became the Military Bureau; the former Civil Defense and Public Safety Agency became the Bureau of Civil Defense; and the former Department of Veterans Services became the Bureau of Veterans Services; with The Adjutant General designated as both Commissioner of the new department and Director of the Military Bureau.

Effective in June 1974, the 106th Legislature revised the law to direct the appointment of the Deputy Adjutant General as Director of the Military Bureau, thus freeing the Adjutant General to function solely as Commissioner of the Department. This revision also renamed the Bureau of Civil Defense as the Bureau of Civil Emergency Preparedness. Subsequently the Department was re-designated as the Department of Defense and Veterans Services.

During the 113th Legislature the Bureau of Civil Emergency Preparedness was renamed the Maine Emergency Management Agency (MEMA). At the direction of the 115th Legislature, the Bureau of Veterans Services was changed to the Division of Veterans Services. In 1995 the 117th Legislature added the requirement that the Adjutant General/Commissioner's appointment be subject to Legislative confirmation. In 1997 the 118th Legislature re-designated the department as the Department of Defense, Veterans and Emergency Management, re-designated the Division of Veterans' Services as the Bureau of Maine Veterans Services and designated its leader as the Bureau Director. In October 2001, the Department was assigned responsibility for coordinating the homeland security activities of the State, to include interface in such matters with federal, county, and local government. The Commissioner was assigned the additional duty of directing these activities.

PROGRAM:
The programs of the Department of Defense, Veterans and Emergency Management are outlined in the reports of its operating units.

PUBLICATIONS:
The Adjutant General's Report is a biennial publication that highlights the significant events and accomplishments of the Department during the previous two years.

ADMINISTRATIVE SERVICES DIVISION (DEFENSE, VETS & EMERG MANA)

BG JAMES D. CAMPBELL, ADJ GENERAL/COMMISSIONER
DANIEL P. GOODHEART, DEPUTY COMMISSIONER

Central Office: CAMPKEYES, AUGUSTA, ME 04333-0033
Mail Address: 33 STATE HOUSE STATION, AUGUSTA, ME 04333-0033 FAX: (207) 626-4509

PURPOSE:
The Administrative Services Division provides for centralized control in planning, data processing, budgeting, accounting, purchasing authorization, auditing, personnel management, affirmative action, training, and other administrative resources necessary to the general operations of the Department's various major programs and activities.

ORGANIZATION:
The Administrative Services Division originated from a nucleus of the Adjutant General's Department in 1973 as a result of the reorganization and consolidation of State Agencies. Part of this action included the Bureaus of Veterans Services and Civil Defense.

PROGRAM:
Bureau/Agency Directors and Program Managers assist the Commissioner in the various daily operations of the department including the following tasks: developing biennial budget requests, annual work programs, and preparing financial and budget orders; initiating purchase requisitions/orders when appropriate; processing invoice and contract payments; participating in workers compensation activities; billing for federal service contracts, and other funds due the State; maintaining revenue/expenditure ledgers, accounts receivable, and real property/capital equipment inventory control records; processing personnel actions, including labor related activities; maintaining Bureau/Agency personnel and time records; providing training and orientation sessions for supervisory personnel and new employees; conducting internal audit reviews and providing other administrative services as required.

Additionally, staff members offer a centrally coordinated information base to Program Managers to assist them in their daily operational decision-making process thereby enhancing management effectiveness through a much higher degree of control by those delegated that responsibility.

FINANCES, FISCAL YEAR 2012: The expenditure information for this unit was generated from the Budget and Financial Management System (BFMS).

PURPOSE:

The Maine Emergency Management Agency (MEMA) statutory mission is "to lessen the effects of disaster on the lives and property of the people of the State through leadership, coordination and support, in the four phases of emergency management: mitigation, preparedness, response and recovery." This Agency coordinates the mitigation, preparedness, response and recovery from disasters or catastrophes, such as forest fire, flood, earthquake, nuclear power accident, or hurricane. It also provides guidance and assistance to county and local governments in their efforts to provide protection to citizens and property. Since 2001, the Agency has been the focal point for the implementation of programs regarding Homeland Security, integrating these programs into its all-hazard mission. In 2005, statutory language was added to make MEMA the coordinating agency within State Government for homeland security operational preparedness, response, recovery and mitigation.

The Agency uses planning, training, exercising and public education to accomplish this mission. A five step planning process developed by the National Governor's Conference has been adopted: 1) hazards are identified; 2) mitigation actions are considered; 3) capabilities are identified; 4) procedures are developed to meet the threat; and 5) resources are identified to aid in preparedness, response and recovery. The Agency's commitment is to develop a comprehensive emergency management plan containing guidelines flexible enough to address the unforeseen, as well as the identified hazards. Emergency plans and all other related activities are coordinated to the maximum extent possible with other departments of the State, Federal agencies, county and local governments, as well as neighboring states and Canada.

ORGANIZATION:

MEMA was originally established under the Maine Civil Defense and Public Safety Act of 1949, which authorizes the Governor to establish, within the Executive Department, a Civil Defense and Public Safety Agency. A 1972 amendment, re-titled the Maine Civil Defense Act, caused the agency to be re-designated as the Bureau of Civil Defense within the Department of Military. In 1974 the Department of Military was re-designated as the Department of Defense and Veterans Services and the bureau name changed to the Bureau of Civil Emergency Preparedness. Public Law, Ch. 370, signed by the Governor on June 19, 1987, re-designated the Bureau of Civil Emergency Preparedness as the Maine Emergency Management Agency effective September 29, 1987.

The Emergency Management Assistance Compact was enacted in 1998 and provides for and facilitates the use of mutual aid between states to cope with a disaster regardless of cause. The Governor, through Executive Order, created the State Emergency Response Commission in April of 1987 to coordinate the state government's role in carrying out Maine's planning and preparedness responsibilities for hazardous materials in compliance with Title III of the Federal Superfund Amendments and Reauthorization Act of 1986, Emergency Planning and Community Right-To-Know. The Maine Emergency Management Agency carries out the planning and preparedness activities for the Commission.

The Agency coordinates state government operations with county and local governments for emergencies resulting from natural disaster, technological hazards or national security incidents. During an emergency, the Agency's effectiveness is dependent upon representatives from numerous state agencies staffing the State Emergency Operations Center. In addition, the Agency relies upon the county and local organizations throughout the state which are comprised of paid and volunteer personnel.

PROGRAM:

In one form or another, the Federal Government has been granting money to the
DEPARTMENT OF DEFENSE, VETERANS AND EMERGENCY MANAGEMENT

states for civil emergency preparedness (emergency management) for more than 30 years. The Emergency Management Performance Grant (EMPG) has been the instrument of FEMA/State Agreement since 1998.

The Agency receives funding from FEMA for administration and administrative services. In addition, the Agency distributes EMPG funds to 16 counties to reimburse 50% of the daily operating costs of their emergency management agencies and also offers Local Capacity Grants to eligible local governments to support their emergency management programs. In addition to EMPG funding, the Agency also distributes the following grants; State Homeland Security Grants, Citizen Corps for Citizen Emergency Response Team training (CERT), Operation Stone Garden grants for border protection and Interoperable Emergency Communications Grant Program funds.

MILITARY BUREAU

BG JAMES D. CAMPBELL, ADJUTANT GENERAL
BG BRENT B. BOYLES, ASST. ADJUTANT GENERAL

Central Office: CAMP KEYES, AUGUSTA, ME 04333-0033
Mail Address: 33 STATE HOUSE STATION, AUGUSTA, ME 04333-0033 FAX: (207) 626-4509
Established: 1972 Telephone: (207) 430-6000
Reference: Policy Area: 06 Umbrella: 15 Unit:213 Citation: T0037B M.R.S.A., Sect.: 000000002
Average Counts-All Positions: 127.000 Legislative Count: 127.00

PURPOSE:
The Military Bureau provides the Army and Air National Guard with units organized, equipped, and trained to function efficiently at authorized federal strength. Units muster on order of the Governor to perform disaster relief, control of civil disturbance or provide other support to civil authority as required. In the event of war or other national emergency, designated National Guard personnel will report for federal service on call of the President of the
United States. Should the National Guard be federalized and moved out of State, other forces may be organized under the law (M.R.S.A., Title 37-B, Chapter 3), to be known as the Maine State Guard.

The Military Bureau was created in July, 1972, under State Government reorganization legislation. It previously had been the Office of the Adjutant General, established in 1921 by the Maine Constitution. In the reorganization, the Governor, as Commander in Chief of the Maine militia, appointed the Adjutant General as administrative head of the Department of Military, Civil Defense and Veterans Services and as Director of the Military Bureau. The law has been revised several times to more appropriately reflect and meet the needs and actual functions of the Department. The most recent revisions have eliminated the requirement that the Director of the Military Bureau be the Deputy Adjutant General and changed Civil Defense to the Maine Emergency Management Agency (MMEA).

ORGANIZATION:
The Military Bureau's two components, the Army National Guard and the Air National Guard, both report to The Adjutant General. The Maine National Guard, as a professional military institution, performs a dual role. One role supports our State, and the other supports our Nation. In support of our State, the Maine National Guard provides the people of Maine with a highly skilled and disciplined military force. These soldiers and airmen, when called upon by the Governor, assist other State agencies during times of floods, hurricanes, forest fires, snow emergencies, and other civic needs. In its other role, the Maine National Guard acts as a supplement to the active military. In this capacity, units of the Maine National Guard can be called to Active Duty by the President of the United States in support of our national security.

PROGRAM:
The Maine Army National Guard's authorized strength is 2,186 soldiers. These soldiers are trained in a wide range of skills, including carpentry, plumbing, electrical, maintenance, medical, heavy equipment operations, aviation, military police and combat arms.

The Directorate of Facilities Engineering under the Military Bureau is responsible for operating, constructing, maintaining, and repairing over 200 Maine Army National Guard facilities to include Armories, Field Maintenance Shops, Barracks, Dining Halls, Billets, Hangars, an Army Aviation Support Facility, Armed Forces Reserve Centers, Warehouses, Storage and Administrative buildings statewide. The Directorate is also responsible to ensure that 8 Training Centers are maintained to support troop training and to ensure all environmental impacts and safety requirements are properly managed.

The Maine Air National Guard's authorized strength is 1,129 airmen who are combat ready to serve in Federal missions of Air Refueling, Combat Communications and Engineering Installations. The 101st Air Refueling Wing is composed of 15 units including Groups, Squadrons and Flights and when called to active duty reports to the Air Mobility Command. The Wing provides world-wide air refueling in support of all major commands of the United States Air Force, United States Navy, United States Marines, Air Force Reserve, Air National Guard and all NATO countries. The 243rd Engineering Installation Squadron and the 265th Combat Communications Squadron train for mobility; the 243rd EIS and the 265th CBCS when called to active duty report to Air Force Space Command. Their high state of readiness enables them to deploy in support of the Department of Defense worldwide. The Air Guard deployed over 418 personnel worldwide; maintained three alert aircraft and crews 24 hours a day, seven days a week; and processed more jet fuel than any other Air Guard base in the country this past year.

BUREAU OF MAINE VETERANS' SERVICES
PETER OGDEN, DIRECTOR, VETERANS' SERV

Central Office: CAMPKEYES, AUGUSTA, ME 04333

Citation: T0037B  
M.R.S.A., Sect.: 000000501  
Legislative Count: 30.00

PURPOSE:
The Bureau of Maine Veterans' Services provides support services to Maine's 150,000 veterans and their dependents. These programs include, but are not limited to, housing, medical and hospital care, educational aid and compensation, vocational rehabilitation, burials and nursing homes. The seven regional offices located throughout the State provide support to veterans statewide in addition to supplementing the USDVA claims offices at Togus and Vet Centers at Lewiston and Springvale. The Bureau's regional offices also provide support to bedridden veterans. The State Claims Office, located at Togus, administers the claims support and appeals advocate program.

The Central Office, located at Camp Keyes in Augusta, administers the Financial Aid program for needy veterans, awards educational benefits to dependents of totally disabled veterans, maintains records of military service, and provides for the burial and perpetual care of eligible veterans and their dependents at the Maine Veterans Memorial Cemetery, and issues certificates of eligibility for Veterans' Small Business Loans. The Maine Veterans Memorial Cemetery System serves veterans throughout Maine with two cemeteries in Augusta and one in Caribou.

Additionally, the Director sits on the Board of Trustees for the Maine Veterans Homes and serves as the primary public advocate for Maine veterans.

ORGANIZATION:
After the Civil War, service to veterans was provided through specific acts or laws. The earliest coordinated service to veterans was the Soldiers Board of 1919. Maine Veterans' Services was created by Council Order in 1945 as The Division of Veterans Affairs. The agency received authorization in 1947 and was established with a state office and seven local offices. In 1950, a claims office was established at the Veterans Administration Center at Togus. The Division was renamed the Department of Veterans Services in 1963. In the spring of 1970, the Maine Veterans Memorial Cemetery became operational. Under reorganization legislation of 1972, the agency was placed within the new Department of Military, Civil Defense and Veterans' Services which, in 1974, was redesignated the Department of Defense and Veterans' Services.
DEPARTMENT OF DEFENSE, VETERANS AND EMERGENCY MANAGEMENT

PROGRAM:

Major Programs: CLAIMS SERVICE. The seven regional offices represented 39,508 clients during the past Fiscal Year. These offices also filed 2,284 claims with the US Department of Veterans Affairs. The Claims Office at Togus, acting as the veterans advocate, filed 895 new Powers of Attorney on the behalf of veterans or their dependents. Actions taken by Maine Veterans' Services have resulted in new awards of $72,333,934 by the US Department of Veterans Affairs. Federal dollars totaling $834,778 were expended by the US Department of Veterans Affairs for benefits to Maine's veterans during the federal fiscal year 2011. Maine's population consists of 136,400 veterans. The federal dollars spent by the US Department of Veterans Affairs provided compensation and pension benefits to 25,000 veterans and medical care for 38,517 veterans. The Bureau also maintains the records of Maine veterans who were discharged from service in the Armed Forces of the United States. Approximately 510,000 such records are now on file in the main office.

VETERANS' DEPENDENTS EDUCATIONAL BENEFITS. Dependents of totally and permanently disabled veterans may be eligible for free tuition at a state supported institution. During the past year there were 578 students enrolled in the program at a value of $1,719,427.

MAINE VETERANS' MEMORIAL CEMETERY. During the year, 888 burials were made and a total of 20,895 persons have been buried in the cemetery since its inception. Three hundred and fifty two reservations for burial were made. At the end of the year there were 5,478 reservations for future burial on file. There were 595 Certificates of Eligibility issued with a total of 12,477 certificates on file.

OFFICE OF BUSINESS DEVELOPMENT
OFFICE OF TOURISM

OFFICE OF INNOVATION
OFFICE OF COMMUNITY DEVELOPMENT

PURPOSE:
The Department of Economic & Community Development is responsible for administering Maine's programs related to business growth, community development, tourism and film promotion. These programs fall within five divisions: the Office of the Commissioner, the Office of Business Development, the Office of Tourism and Film, the Office of Community Development and the Office of Innovation. In most cases the department's programs require a significant amount of interaction with other organizations in the public and private sectors.

The Office of the Commissioner is responsible for policy development, including legislative activities and participation on numerous boards, commissions and task forces; financial management, including purchasing, contracting and human resources; facilities management; the administration of tax-based development incentives; the development and implementation of the State Economic Development Strategic Plan and several grant programs.

ORGANIZATION:
The department traces its roots back to the Maine Development Commission which was established in 1933. A reorganization in 1955 created the Department of Development of Industry and Commerce, and further reorganization in 1957 established the agency as the Department of Economic Development. In 1971 another reorganization reconstituted the department as the Department of Commerce and Industry, and shortly thereafter, in 1975, the department was abolished and many of its functions transferred to other agencies. As part of this process, the State Development Office was established within the Executive Department, and assumed responsibility for Maine's general business development functions.

On October 1, 1987, the State Development Office was abolished to be replaced by the newly established Department of Economic and Community Development, which also assumed the development-related activities of the State Planning Office and the Department of Conservation. In 1995, the department transferred its Natural Areas, Growth Management, Coastal Zone Management and Code Enforcement programs to the State Planning Office and the Department of Conservation.

In 1996, the Department was reorganized for efficiency by consolidating the Energy Conservation Division within the Office of Business Development. This reorganization also shifted the department's primary accounting, personnel and information services functions to the Department of Administrative and Financial Services under a "clustering" arrangement, and established the Maine International Trade Center, which assumed the department's international commerce functions. In 1999, the Legislature established the Maine Technology Institute with the purpose of coordinating grants to businesses to commercialize new products and processes. The Directors of the Maine Technology Institute and the Maine International Trade Center are employees of the Department of Economic & Community Development. In 2004, the Energy Resource and Conservation programs were transferred to the Public Utilities Commission as a part of their energy office. DECD underwent a reorganization in 2003 when the Office of Innovation was established to support research and development throughout the State. In 2006, the Legislature created the Office of Small Business and Entrepreneurship in realigning the small business programs in the Office of Business Development but this office was left vacant by budget cuts in 2008. In 2012, after the State Planning Office was abolished, DECD acquired the Code Enforcement Program and oversight of the State-owned Landfill properties.

OFFICE OF BUSINESS DEVELOPMENT

BRIAN WHITNEY, DIRECTOR

Central Office: 111 SEWALL STREET, AUGUSTA, ME 04333-0059
Mail Address: STATE HOUSE STATION 59, AUGUSTA, ME 04333-0059  FAX: (207) 287-5701
Established: 1987  Telephone: (207) 624-9822
Reference: Policy Area: 01  Umbrella: 19  Unit: 499  Citation: T0005  M.R.S.A., Sect.: 00013061
Average Counts-All Positions: 7.000  Legislative Count: 7.00

PURPOSE:
The Office of Business Development’s (OBD) mission is to foster business start-up, growth, expansion and retention, and to increase quality employment opportunities for Maine citizens. OBD works in partnership with the business community and a system of regional and local development agencies to provide resources, technical assistance and financial tools necessary to attract and encourage new investment, as well as create and retain quality jobs.

ORGANIZATION:
The Office of Business Development includes two major functional areas: business assistance and business development. These areas also include the administration of Tax Incentives Programs, Business Answers and the Regulatory Red Tape Hotline.

PROGRAM:
TAX INCENTIVES PROGRAMS: The Tax Incentives program oversees three major tax incentives: the Pine Tree Zone program (PTZ), which offers a variety of incentives for new or expanding businesses to assist them in creating new,
well-paying jobs; the Employment Tax Increment Financing program (ETIF), by which employers are reimbursed a percentage of qualified, net-new employee’s state withholding taxes; and the Tax Incremental Financing program (TIF), which is driven by municipalities choosing to leverage new property taxes to drive economic growth, job creation and infrastructure improvements.

BUSINESS ASSISTANCE: The Business Answers Program, responds to approximately 2,000 telephone and e-mail inquiries per month regarding doing business in Maine. This includes a One-Stop Business License Center, and the on-line Business Licensing Assistant at www.maine.gov/businessanswers.

The Maine Small Business and Entrepreneurship Commission funds and oversees the Maine Small Business Development Centers program.

The Maine Products Marketing Program promotes Maine made products with a variety of marketing activities that include a "Maine Made" branding program, the www.mainemade.com web site, and kiosk display opportunities.

BUSINESS DEVELOPMENT: This office facilitates business and job growth through business attraction, expansion and retention activity. Staff provide information directly to businesses on incentives programs, technical assistance and information on labor, wages, taxes, transportation, utilities and environmental regulations. Assistance is also provided for site location; financial opportunities through federal, state and local financing programs; training opportunities through federal and state training programs; and marketing assistance by identifying specific foreign and domestic trade opportunities and reliable producers of Maine products.

Mail Address: ..
Established: 1996
Reference: Policy Area: 01 Umbrella: 19 Unit: 588 Citation: T0005 M.R.S.A., Sect.: 000013090I

PURPOSE:
The Maine Film Office was created by law to serve as the official liaison for the film and video production communities in the State of Maine. The Maine Film Office enhances our economy by facilitating and promoting film, television, photography and emerging media production in Maine.

ORGANIZATION:
The Maine Film Office is comprised of one Director position and is a division within the Office of Tourism at the Department of Economic and Community Development. An eleven member commission appointed by the Governor serves an advisory capacity to the Film Office.

PROGRAM:
To accomplish its objectives, the Film Office manages a number of projects and programs. The Film Office conducts primary marketing and public relations programs that market Maine as a media production location. The Film Office provides numerous resources for production professionals including the Maine Online Production Guide, an extensive website of location photographs, production information and links to Maine based production professionals and companies. The Film Office administers the Maine Attraction Film Incentive Program, financial incentives designed to attract out-of-state production and help in-state production companies. The Film Office helps productions find needed locations, Maine-based production professionals, equipment and accommodations. Projects working with the Maine Film Office provide Maine with an average of at least $10 million in economic impact per year.

PUBLICATIONS:
The Maine Film Office oversees an extensive online information service including a homepage, online production guide and locations website. The office also creates and disseminates The Maine Film News, a bimonthly e-mail news service.

OFFICE OF INNOVATION
BRIAN WHITNEY, DIRECTOR

Average Counts-All Positions: 2.000 Legislative Count: 2.00

PURPOSE:
The Office of Innovation encourages and coordinates the State's research and development activities to foster collaboration among the State's higher education and nonprofit research institutions and the business community. The office
DEPARTMENT OF ECONOMIC AND COMMUNITY DEVELOPMENT

promotes, evaluates and supports research and development relevant to the State including:
Technology transfer activities to increase the competitiveness of businesses and public institutions of higher education in the State;
The development of new commercial products and the fabrication of such products in the State through the Maine Technology Institute and the Technology Centers;
Research opportunities that create sustained, inter-institutional multidisciplinary efforts; and
Coordinating cooperative efforts among government agencies, the private sector and universities and colleges on research and development relevant to Maine.

ORGANIZATION:
The Office manages the Maine Experimental Program to Stimulate Competitive Research (EPSCoR) (5 MRSA 13109), prepares the biennial science and technology plan (5 MRSA 1310), prepares an Innovation Index every year (5 MRSA 13106), coordinates the Technology Centers (5 MRSA 15321) and oversees the Comprehensive Research and Development Evaluation (5 MRSA 13107).

The Technology Centers are established to support the early-stage development of technology-based businesses. The goals of the Centers are to accelerate the development of these businesses through one-on-one technical assistance, peer networks, classroom or other training on subjects unique to technology commercialization and the management of high-growth enterprises, mentorship programs that link senior technology executives with entrepreneurs and other networking opportunities.

The Centers complement the State’s other investments in research and development by providing a supportive environment for new technology-intensive businesses. The goals of the Centers include the retention of successful start-up businesses in the State, the improvement of opportunities for workers through the creation of technologically advanced jobs and the encouragement of private-sector initiatives.

The Office Director serves as the State Science Advisor, advising the Legislature, Governor and others on science and technology policy and research and development investments. The Director works with the Maine Innovation Economy Advisory Board (7 MRSA 949) to coordinate the State’s research and development activities and to foster collaboration among its higher education and nonprofit research institutions and members of the business community. In addition the Board will develop and implement the Science and Technology Plan.

The Maine Technology Institute (MTI), a separate nonprofit corporation, is funded through the Office of Innovation. MTI (5 MRSA 15302) stimulates and supports research and development activity leading to the commercialization of new products and services in the state’s technology-intensive industrial sectors.

MAINE SMALL BUSINESS AND ENTREPRENEURSHIP COMMISSION

GEORGE GERVAIS, CHAIRMAN

Central Office: 111 SEWALL STREET, AUGUSTA, ME 04333-0059
Mail Address: 59 STATE HOUSE STATION, MAINE, ME 04333-0059    FAX: (207) 287-5701
Established: 1990    Telephone: (207) 624-9805
Reference: Policy Area: 01 Umbrella: 19 Unit: 536 Citation: T0005 M.R.S.A., Sect.: 000013032

PURPOSE:
The Maine Small Business and Entrepreneurship Commission negotiates, approves and oversees the annual contract with the US Small Business Administration's identified administrative unit, which administers the Maine Small Business Development Centers program. Additionally, the commission is responsible for the review and evaluation of State small business assistance programs, and for advising the Governor, Legislature and the Commissioner of the Department of Economic & Community Development with respect to these programs.

ORGANIZATION:
The commission consists of the Commissioner of the Department of Economic and Community Development, the CEO of the Finance Authority of Maine, a designee of the administrative unit, three public members appointed by the Commissioner of the Department of Economic and Community Development, the chair of the Maine SBDC Advisory Council and the House and Senate chairs of the Joint Standing Committee of the Legislature having jurisdiction over Business, Research and Economic Development matters.

PROGRAM:
The most comprehensive statewide program of small business assistance available in the State of Maine is delivered through the Maine Small Business Development Centers (Maine SBDC) network headquartered at the University of Southern Maine. The Maine SBDC program receives funding through the Maine Small Business and Entrepreneurship Commission with the balance provided by the US SBA, the USM School of Business, and local hosting organizations. The Maine SBDC also generates income via registration fees for its training events.

Operating through a statewide network of certified business counselors, Maine SBDC services include one-to-one client counseling, research and technical assistance, as well as workshops and seminars of interest to small business owners.

The total Maine Small Business Development Centers' (Maine SBDC) program budget for CY2011 was $2,286,687, of which $690,478 was legislatively appropriated to the Maine Small Business and Entrepreneurship Commission. During CY2011, the Maine Small Business Development Centers provided business counseling to 1,994 clients. In addition to its business counseling services, the Maine SBDC program conducted 158 live workshops and seminars. For more information, contact the Maine SBDC Office at (207) 780-4420.

DEPARTMENT OF ECONOMIC AND COMMUNITY DEVELOPMENT

OFFICE OF TOURISM
CAROLANN OUELLETTE, DIRECTOR

Central Office: 111 SEWALL STREET, AUGUSTA, ME 04333-0059
Mail Address: 59 SSH, AUGUSTA, ME 04333-0059

Established: 2003
Fax: (207) 287-8070
Telephone: (207) 624-9824
Reference: Policy Area: 01 Umbrella: 19 Unit: 501 Citation: T0005 M.R.S.A., Sect. 13090C
Average Counts-All Positions: 8.000 Legislative Count: 8.00

PURPOSE:
The Office of Tourism was created by law to serve as a single, official spokesperson on State tourism policy with the authority to implement marketing, management and research programs. The office's broad directive is to promote Maine as a four season destination to both consumers and the trade. The office includes the Maine Film Office which is responsible for the promotion of Maine as a location for film and video production.

To accomplish its mission, the office is authorized to: conduct research to determine market demand; implement public relations and promotional programs designed to market Maine's travel-product; print materials as needed to fulfill requests for information about Maine by consumers and the travel trade; encourage the development of travel-product facilities and attractions; operate tourist information centers; serve as a liaison between private industry groups and local, state, and federal agencies involved in tourism promotion and development; and provide basic support and discretionary grants to regional tourism agencies.

ORGANIZATION:
The office is supervised by the Director of Tourism, who oversees the activities of four professional and one support staff, and one staff person in the Maine Film Office. Overall supervision of the Office of Tourism is provided by the Commissioner of Economic & Community Development.

PROGRAM:
During the past year the office engaged in promotional efforts that included online, social, print and electronic media advertising, editorial promotion, participation in consumer travel and trade shows and presentations before professional, consumer and media groups, and fulfillment associated with the promotional efforts. Local outreach programs continue and include seminars, and conferences with elements of the Maine tourism industry. The office operated eight year-round State of Maine visitor information centers.

FINANCES, FISCAL YEAR 2012: The expenditure information for this unit was generated from the Budget and Financial Management System (BFMS).

DEPARTMENT OF ECONOMIC AND COMMUNITY DEVELOPMENT

MAINE TOURISM COMMISSION
CAROL ANN OUELLETTE, DIRECTOR, OFFICE OF TOURISM

Central Office: 111 SEWALL STREET, AUGUSTA, ME 04333-0059
Mail Address: STATE HOUSE STATION 59, AUGUSTA, ME 04333-0059  FAX: (207) 287-8070
Established: 1983  Telephone: (207) 287-8070
Reference: Policy Area: 01  Umbrella: 19  Unit: 461  Citation: T0005  M.R.S.A., Sect.: 000013090F

PURPOSE:
The purpose of the Maine Tourism Commission is to advise the Director of the Office of Tourism on matters relating to the marketing and management of the tourism industry. The commission also has the responsibility of recognizing and informing the Office of Tourism of immediate or long term opportunities and problems affecting this vital segment of the State's economy which warrant the Governor's attention. The commission monitors local, state, federal and international developments that affect the balanced growth and quality of this industry and its impact on life in Maine.

ORGANIZATION:
Commission members are appointed by the Governor for staggered four year terms. The commission consists of seventeen representatives of various segments of the tourism industry and the eight regions of Maine. Additional ex-officio members represent the Department of Transportation, the Bureau of Parks and Land, the Department of Inland Fisheries and Wildlife, the Department of Education, the Department of Agriculture, Food and Rural Resources and the State Planning Office.

PROGRAM:
The Maine Tourism Commission has served as an advisory group to both the Department of Economic & Community Development and the Governor in the last year. In addition to its ongoing responsibility to monitor opportunities and problems relating to tourism, the commission undertook a number of specific projects to assist in promoting travel within Maine including sponsoring the Annual Governor’s Conference on Tourism.

FINANCES, FISCAL YEAR 2012: The Bureau of the Budget does not maintain comprehensive fiscal data relative to this unit.

OFFICE OF COMMUNITY DEVELOPMENT
DEBORAH JOHNSON, DIRECTOR

Central Office: 111 SEWALL STREET, AUGUSTA, ME 04333-0059
Mail Address: STATE HOUSE STATION 59, AUGUSTA, ME 04333-0059  FAX: (207) 287-8070
Established: 1987  Telephone: (207) 624-9817
Reference: Policy Area: 01  Umbrella: 19  Unit: 498  Citation: T0005  M.R.S.A., Sect.: 000013090C
Average Counts-All Positions: 7.000  Legislative Count: 7.00

PURPOSE:
The Office of Community Development (OCD) provides financial assistance to municipalities for community revitalization, enhancing economic growth and planning. The OCD accomplishes this by providing technical assistance and grant funds (through a competitive application process) to municipalities to assist with economic development initiatives; develop, repair and establish public facilities, services and infrastructure; create and/or to rehabilitate affordable housing units and plan for future growth.

ORGANIZATION:
The Department of Economic and Community Development assumed responsibility for administration of the Community Development Block Grant (CDBG) program in October 1987, when it was transferred from the State Planning Office. The program is funded by the U.S. Department of Housing and Urban Development and administered...
DEPARTMENT OF ECONOMIC AND COMMUNITY DEVELOPMENT

by a professional staff of six full-time employees.

PROGRAM:
The Community Development Block Grant (CDBG) Program distributes funds to municipalities in two general areas; community development and economic development. The primary focus is to benefit low and moderate-income persons, but may also be used to address slums and/or blighting conditions, or for the purpose of addressing conditions having a particular urgency because of serious health/safety conditions affecting the community. CDBG funded programs include Public Infrastructure, Public Facility, Housing Assistance, Micro Enterprise Program, Workforce Development, Downtown Revitalization, Urgent Need and Economic Development. The OCD also offers technical assistance to communities that want to access the program and to provide information on other available funding resources. The state program is not available to the communities of Auburn, Bangor, Biddeford, Lewiston, Portland and all of Cumberland County except Brunswick and Frye Island. These are entitlement communities, which receive an annual allocation directly from the U.S. Department of Housing and Urban Development.

PUBLICATIONS:
CDBG Program materials may be obtained from the Office of Community Development or from our web site at www.meocd.org.

FINANCES, FISCAL YEAR 2012: The expenditure information for this unit was generated from the Budget and Financial Management System (BFMS).

PURPOSE:
To provide leadership, focus, support and information to assist Maine school systems and the greater community in achieving high performance for all students and in preparing all Maine students for college, career and citizenship.

The Maine Department of Education is dedicated to the principle that students must receive a world-class education in order to participate in the global economy and contribute to the democratic ideals of the nation, while reflecting the values of local communities. We recognize that quality education is the cornerstone that ensures all Maine students will be prepared for work, postsecondary education, citizenship and personal fulfillment. The way to accomplish these goals is through an integrated and seamless educational system from pre-school through college that ensures this outcome. This system must be founded on commonly agreed upon standards, diverse learning opportunities, comprehensive professional development, and a comprehensive assessment program that informs teaching and learning.

We continue to set high expectations for our public school system to provide all students an equitable opportunity to receive a world-class education and have established a blueprint for Maine education that will launch our students for careers, college and citizenship in the global economy.

ORGANIZATION:
The Department is organized in a team structure that includes the:

Leadership Team
School Finance and Operations Team
PK-Adult Education and Federal Programs Team
Learning Through Technology Team
Special Services Team
Education in the Unorganized Territories

PROGRAM:
All Department teams, and the programs, initiatives and activities they carry out, are aligned to and reflect a commitment to achieve this vision. The overall emphasis of the Department of Education is to ensure that each child in Maine has access to meeting the standards of Maine’s Learning Results and the federal No Child Left Behind Act through comprehensive educational planning and leadership. The Department is authorized to supervise, guide and plan a coordinated system of public education for all Maine people; to interrelate public education to other social, economic, physical and governmental activities, programs and services; to encourage and stimulate public interest in the advancement of education; and to encourage training and development for educators in cooperation with local school officials.
FINANCES, FISCAL YEAR 2012: The expenditure information for this unit was generated from the Budget and Financial Management System (BFMS).

LEADERSHIP TEAM

STEPHEN BOWEN, COMMISSIONER

PURPOSE:
This unit consists of Administrative Services which support the operations of the Department of Education in the areas of state-wide educational planning; APA and Freedom of Access compliance; the Department’s annual regulatory agenda; state and federal legislative activity, agency budgeting and finance, strategic planning, communications, personnel, and support for the State Board of Education. Each of the activities has broad responsibilities for both supporting the work of all other organizational units in the Department and representing the Department within these areas of responsibility.

ORGANIZATION:
This Unit reports directly to the Commissioner and includes administrative oversight of the Department, personnel, finance and budget, state and federal legislative activities, and communications. The Unit was created through a restructuring which was approved by the Legislature in the First Regular Session of the 116th Legislature. This restructuring reduced the number of offices and divisions within the Department of Education and created organizational units which more clearly reflect the needs of the people both inside and outside of the Department who are served by these units.

This team also oversees compliance with the Maine Administrative Procedures Act including rulemaking, federal compliance matters, the Freedom of Information Act, school approval and provides technical support to the State Board of Education.

PURPOSE:
The PK-20/Adult Education and Federal Programs Team is comprised of Regional Services, Curriculum Content Areas, Career and Technical Education, Reading First, Teacher Quality, Professional Development coordinator, Higher Education,
DEPARTMENT OF EDUCATION

state and local Assessment, Advanced Placement, Agriculture Education, related programs, and an Education Team/Policy Director. This team also administers a number of Federal programs including the Adult Basic Education Grant, Carl Perkins Vocational and Applied Technology Education Grant, Even Start Family Literacy Program, Neglected, Delinquent and At-Risk Programs, George Briggs Grant, ESEA Schools Act, Title III – No Child Left Behind Act – Language Instruction for Limited English Proficient and Immigrant Students, Migrant Education, and Dropout Prevention. The PK-20/Adult Education and Federal Programs Team coordinates, manages, and supervises the services related to a wide array of instructional programs, activities, and requirements for all Maine learners and provides leadership to the field in its conduct of those functions. While its focus is on programs operated through Maine’s public schools, its scope is pre-school through adult education. Its activities cover state, federal, private and foundation funded educational activities through the secondary level.

This team reviews and testifies on legislation regarding education and develops rules as directed by legislation; collects and analyzes student performance data and summarizes that data for public reports and policy direction; provides technical assistance and staff development to school personnel on instructional items and program operations. This team provides support services, is responsible for grant processing and approvals for vocational and adult students, enters into contractual and inter-agency agreements where appropriate for the delivery of services.

This team also oversees the disbursement of funds to schools under a separate State subsidy for instruction in ESL or Bilingual Education. The team provides assistance to local school systems and Career and Technical Education Centers administrators, teachers, staff and communities across the State to implement and integrate standards-based initiatives including Learning Results, the knowledge and skills essential to prepare students for college, careers and citizenship; comprehensive state assessment systems to measure student achievement of the Accountability Standards and Learning Results; Parameters of Essential Instruction and Graduation Requirements, Industry standards, high school redesign and support services to assure students fair and appropriate opportunities to achieve the Learning Results through multiple pathways and opportunities, and approval and support of CTE programs.

Team members play a leadership role by providing a direct link from the field to the Department and in forging and supporting a variety of regional partnerships and collaborative efforts to enhance the ability of local school systems and CTE centers to undertake results-based systemic educational improvement efforts.

ORGANIZATION:
The current organizational structure was established by the commissioner in 2006 and 2007 and further consolidated in 2009, due to leadership staff reductions and as part of the Department reorganization. This organization brings together all the program areas of curriculum instruction and assessment across both PK-12 programs and career and technical programs.

The PK-20/Adult Education and Federal Programs Team was created through the restructuring of the Department approved by the 116th Legislature. Eight team members are assigned to represent and serve the nine regions that are designated by the Maine School Superintendents’ Association: York, Cumberland, Western Maine, Kennebec Valley, Midcoast Maine, Penquis Valley, Washington, Hancock, and Aroostook. The PK-20/Adult Education and Federal Programs Team was organized consists of educational support service functions that formerly cut across two educational bureaus and four divisions.

A number of advisory committees and task forces are integral components of this team's management, informational, and decision making structure.

The restructuring design combines previous duties and responsibilities and assigns new tasks to provide information, professional development, technical assistance and research and development in curriculum, instruction, and assessment in the content areas of the Learning Results: special and student support services, and comprehensive school improvement and reform. The PK-20/Adult Education and Federal Programs Team staff work at the district level, across districts in a region, across regions and statewide or a variety of purposes. Team Members work collaboratively with external organizations,
agencies and other internal teams to assure comprehensive, integrated and coordinated services to the field. Work at the national level is done to reduce state costs by sharing costs with other states.

PROGRAM:
Staff on this team provides a wide array of services to the school systems regionally and state wide. They provide technical assistance and support to superintendents, administrators, teachers and other education staff to coordinate local and regional efforts to implement the Learning Results; identify and broker professional development opportunities matched to the needs of educators and school systems; work with regional groups and organizations to establish or enhance partnerships and collaboratives; collaborate with a variety of agencies, educational institutions, organizations, and partners; provide expertise in curriculum content areas and other special areas of expertise statewide; provide expertise in the design and implementation of the state's content standards; the design and construction of Maine's statewide assessment system; in the development of assessment systems and the approval of Career and Technical Education programs and the administration of the Carl Perkins funds, NCLB Title's II and VI, Adult Education including the GED program, Federal Adult Basic Education, and Family Literacy Programs, Alternative Education and Maine's dropout office, Applied Technology Education through centers and regions, Jobs for Maine's Graduates, Migrant Education Program, Language Instruction for Limited English Proficient and Immigrant Students, and Refugee Children Federal Impact Grant.

The PK-20/Adult Education and Federal Programs develop and implements the Maine Educational Assessment, the Maine High School Assessment, scoring guide developed of the state's content standards and the National Assessment of Educational Progress. Team members also implement initiatives of the Commissioner. The team is expanded in the actual work to include all of the content specialists in both regular and CTE programs.

The Higher Education Sub-Team provides the leadership and service necessary to respond to the broad postsecondary academic, technical, and training needs of Maine citizens and provides direct services to and collaboration with Maine's 35 degree-granting institutions, 53 proprietary schools, educational constituent groups and related local, state, and national agencies to: advance higher education and lifelong learning experiences, advocate for increased quality and diverse student entry into postsecondary education.

PURPOSE:
This Team is comprised of five sub-teams, the School Finance & Enrollment sub-team, the Maine Educational Data System (MEDMS) sub-team, the School Nutrition sub-team, the School Facilities & Transportation sub-team and the Certification sub-team and oversight of Title V support.

The School Finance & Enrollment sub-team administers the Essential Programs and Services Funding Act and controls distribution of state subsidies for all school administrative units. Local school unit reporting of staff, student, and financial data are coordinated to provide the basis for State support of local education and accountability of the program. This sub-team also oversees the compliance section which reviews all audits of school administrative units and other entities receiving educational funds and compliance review of all State approved school construction projects.

The Maine Educational Data System (MEDMS) sub-team provides data management support including the collection, control, processing, programming, production, and dissemination of financial and statistical data in support of most departmental programs including Teacher Certification, Nutrition, Special Education, Career and Technical Education, and Local Staff Information as well as legislative, federal reporting, local school units, and public needs. This sub-team also oversees the Department's website and web-based communications and administers the State-wide Longitudinal Systems program.

The School Facilities & Transportation sub-team administers rules and regulations for elementary and secondary school facilities construction, renovations, and maintenance and provides oversight of all school bus purchases and related pupil transportation regulations.

The Child Nutrition sub-team provides nutrition education training, and technical and financial assistance for the provision of USDA breakfast, lunch, after school snack, and fresh fruits and vegetables programs to public and private school, charitable and residential child care institutions and summer camps.

The Certification sub-team certifies, authorizes, and approves educational personnel to be employed in Maine's schools. This sub-team evaluates applications for and issues certifications and approval to school personnel; administers the criminal history background checks on educational personnel under Title 20-A, Section 6103; and administers the fee structure for all certificates, authorizations, approvals, and evaluations.

ORGANIZATION:
The Team functions organizationally in five sub-teams: The School Finance & Enrollment sub-team consists of eight positions (six supported by General Purpose Aid for Local Schools). The Maine Educational Data System (MEDMS) sub-team consists of 4 positions. The School Facilities & Transportation sub-team consists of 5 positions (one supported by General Purpose Aid for Local Schools and four supported by special revenue funds). The Child Nutrition sub-team consists of seven positions (five supported by federal funds). The Certification sub-team consists of nine positions (one supported by federal funds).

PROGRAM:
The School Finance & Enrollment sub-team annual production goals were met with completion of all programs. In the General Purpose Aid Support Services, the actual distribution of the 2011-2012 State school subsidies of $888.8 million was processed and analysis and information were prepared and distributed for the 2011-2012 subsidy program and legislative actions. The legislative program in school financing, including the submission of actual costs and the Commissioner's funding levels for the subsequent year, was prepared in accordance with the Essential Programs and Services Funding Act, Title 20-A M.R.S.A., Chapter 606-B. This team also works with the MEDMS sub-team to provide data to meet federal reporting requirements.

The Maine Educational Data System (MEDMS) sub-team provides management support and the collection, control, processing, programming, production of educational data in order to meet State and federal reporting requirements and funding allocations. This sub-team provides for the dissemination of financial and statistical data in support of most departmental programs including Teacher Certification, Nutrition, Special Education, Career and Education, and Local Staff Information as well as legislative, federal reporting, local school units, and public needs. This sub-team also oversees the administration of the
State-wide Longitudinal Systems program for which federal funds will establish the necessary infrastructure to track students and their progress from early childhood to post-secondary and their jobs. This new system will allow policy-makers to make informed decisions on how to successfully provide programs to Maine’s students.

The Child Nutrition sub-team reimbursed $45,061,260 in Federal and State funds to schools and other food service sponsors for serving nutritious meals to school children. Meals subsidized in whole or part during the 2012 School Year included 17,942,484 school lunches, 7,388,930 school breakfasts; 752,403 after school snacks, and 111,085 half pints of milk. The Summer Food Service Program made available $1,386,812 in meal and administrative reimbursement to schools, other sponsors, and government agencies. Total meals served in the summer were 476,380. USDA commodity foods valued for all programs at $4,027,392 were allocated and distributed.

The School Facilities & Transportation sub-team approves all State funded school construction projects and school renovations projects in cooperation with the State Board of Education. The sub-team deals with school maintenance programs and leased space. This sub-team also provides leadership to the State School Bus Purchase and Replacement program and provides oversight and support to pupil transportation training/program capacity development, vehicle inspection and clean school bus emissions reduction programs.

The Certification sub-team is responsible for issuance of certificates and authorizations by evaluating transcripts, analyzing files for approved program and interstate reciprocity status or transcript analysis, writing certificates and evaluation letters, distributing renewal applications and supplemental materials, analyzing administrator portfolio material, screening all applicants for criminal or immoral conduct, holding informal and formal hearings for possible adjudicatory hearing, issuing approvals to all educational school support personnel, approving exceptionality courses and working with colleges.

Mail Address: 23 STATE HOUSE STATION, AUGUSTA, ME 04333-0023
Established: 2008
Reference: Policy Area: 02 Umbrella: 05 Unit: 071P Citation: M.R.S.A., Sect.: Average Counts-All Positions: 33,000 Legislative Count: 33.00

PURPOSE:
The Special Services Team provides leadership, management, coordination and supervision of programs and services for children with disabilities birth – 20. Activities are directed at the goal of enhancing the performance of children with disabilities. It also works with contracted educational organizations, including Institutions of Higher Education as well as with private organizations and service providers.

The Team proposes, reviews and participates in the legislative process regarding education and services for children with disabilities. It develops, promulgates and enforces regulatory requirements in alignment with state statutes, federal laws and regulations. It is responsible for extensive student and school performance data that are analyzed and reported publically in conformance with federal and state obligations.

Responsibility includes administration of the federal Individuals with Disabilities Education Act, part B and part C as well as the Assistive Technology Act of 1998, as amended (AT Act). This program includes an administrative relationship with the Kim Wallace Adaptive Equipment Loan Fund Board.

ORGANIZATION:
The Special Services Team was realigned in 2012. The Special Services Team is now organized under the following structure: Contracts/grants, fiscal monitoring, due process, general supervision, State Personnel Development Grant, data and Part B, 3-5. The work is informed by several advisory groups including: the Assistive Technology Advisory Council, the Interdepartmental Coordinating Committee and the State Advisory Panel.

PROGRAM:
Special Services Team personnel provide leadership and support for an array of services to schools, locally, regionally and statewide. Support is also provided to interdepartmental activities that include: the Governor's Children's Cabinet, Memoranda of Understanding with the Departments of Health and Human Services, Corrections, Public Safety and Labor. In addition, the Special Services Team collaborates with certification, ARRA fund initiatives, school approval, and assessment. Maine's Unified Special Education Regulations birth to age 20, support alignment of services birth-2 years and 3-5 years of the Child Development Services statewide service delivery and implementation of the

LEARNING THROUGH TECHNOLOGY TEAM
JEFF MAO, POLICY DIRECTOR

Central Office: CROSS OFFICE BUILDING, AUGUSTA, ME 04333-0023
Mail Address: 23 STATE HOUSE STATION, AUGUSTA, ME 04333-0023
FAX: Telephone: (207) 624-6746

Reference: Policy Area: 02 Umbrella: 05 Unit: 071K Citation: M.R.S.A., Sect.: 05

PURPOSE:
This team is charged with oversight and implementation of State-led education technology programs and library/media services. These include the Maine Learning Technology Initiative (MLTI), The Maine School and Library Network (MSLN), Federal ESEA Title II-D Enhancing Education Through Technology grants, the Maine Online Learning Program (MOLP), Library/Media center support.

The MLTI distributes equipment, services, technical support, and professional development in support of Maine statute Title 20-A, Chapter 801, section 19101 which defines the program. Management of MLTI includes procurement, contract management, and on-going support for over 72,000 wireless laptop computers, wireless network infrastructure in each of 373 secondary schools, and professional development activities in support of over 11,000 secondary educators, administrators, and technology support specialists.

The MSLN provides advanced broadband Internet connectivity to virtually all K12 public and private schools in Maine through a cooperative effort of the Maine Department of Education, Maine State Library, Maine Office of Information Technology, and the University of Maine System. Together, these agencies have formed NetworkMaine which serves as the entity that procures services, manages contract relationships with telecommunications providers, and coordinates with schools and public libraries to ensure that schools and libraries have sufficient broadband Internet connectivity to support their educational and public service needs. NetworkMaine provides annual reports and recommendations to the PUC regarding the use of the Maine Telecommunications Education Access Fund (Maine statute Title 35-A, section 7104-B). It also provides oversight and management of Federal E-Rate funds on behalf of Maine schools and libraries which
combined with MTEAF provide funding to support all network operations and management.

The team provides management and distribution of Federal funds provided through the ESEA Title II-D Enhancing Education Through Technology program. In addition, the team oversees the approval of online learning providers through the Maine Online Learning Program (Maine statute Title 20-A, Chapter 802, section 19151). The team also provides technical assistance and support to school libraries to ensure schools meet approval guidelines (Maine statute Title 20-A, Chapter 206, section 4501 and Maine statute Title 27, Chapter 1, section 39).

ORGANIZATION:
The Team is comprised of 7 positions (supported by General Purpose Aid for Local Schools).

PROGRAM:
Staff on this team provide a wide array of services and technical support to school systems, teachers, and other organizations across the state and the world. This done by staff and through contracted services managed by the staff (ie Apple, Inc., Maine Distinguished Educators, CEPARE, etc.) They provide direct technical assistance to schools in for the form of professional development for teachers, administrators, and technology support specialists as well as project management support. The team coordinates with other professional development efforts within the Department of Education as well as with other organizations in Maine such as the Maine Mathematics and Science Alliance, Maine Council of Social Studies Educators, Association of Computer Educators of Maine, Gulf of Maine Research Institute, the University of Maine System, and many others. The team provides school and regional in-person professional development opportunities as well as online professional development opportunities (http://www.maine121.org). In addition, the team creates professional development content for online publication (http://deimos3.apple.com/WebObjects/Core.woa/Browse/education-maine.gov).

The team also coordinates and partners with organizations from outside of Maine to provide educational content and expertise that is not otherwise available in Maine. These partnerships include Common Sense Media, the United Nations World Food Program, Anytime Anywhere Learning Foundation, World Bank, Korea Education Research and Information Service, and others.

The staff manage relationships and cooperative agreements with the University of Maine System in order to provide broadband Internet connectivity to schools and libraries in Maine. These efforts also include advocacy and collaborations with Maine's Federal congressional offices, the Federal Communications Commission, and other national organizations in support of continued Federal E-Rate funding and Federal Education Technology funding.

Through the distribution of Federal ESEA Title II-D funds to local schools, the team supports the creation and evaluation of Open Education Resources (OER). OER allow teachers to leverage, modify to local need, and distribute to students free, digital content in lieu of traditional media (textbooks). The team provides support to school library/media specialists with a goal of enhancing classroom instruction through the effective use of library and media services. In addition, through the approval of online providers, the team provides support to both providers and schools with making available high quality online instruction and learning opportunities to Maine students, helping to eliminate geographic isolation and local capacity issues.

DEPARTMENT OF ENVIRONMENTAL PROTECTION

PATRICIA AHO, COMMISSIONER

Purpose:
The Department of Environmental Protection is charged by statute with protecting and improving the quality of our natural environment and the resources which constitute it, and with enhancing the public's opportunity to enjoy the environment by directing growth and development in a sustainable fashion. The Department, through authority vested in the Commissioner and the Board of Environmental Protection, exercises the policy powers of the State to prevent the pollution of the natural environment. It recommends to the Legislature measures for the improvement of environmental protection, administers grants, issues licenses and initiates enforcement actions. The department negotiates agreements with federal, state and municipal agencies, administers laws relating to the environment and educates the public and regulated community on environmental issues and obligations.

Organization:
On July 1, 1972, the department was formally created with a broad mandate of responsibilities extending to air, land, water, waste and other environmental areas of concern.

Program:
The Department of Environmental Protection's activities, goals, objectives and plans are reflected in the reports of the individual bureaus, programs and specific initiatives.

The Bureau of Air Quality administers state air pollution laws and the Federal Clean Air Act. The bureau conducts air monitoring and modeling, licenses air emissions, enforces license conditions and manages technical data.

The Bureau of Remediation and Waste Management is responsible for managing hazardous wastes, hazardous substances, petroleum products and biomedical waste; administering the State's solid waste facility licensing program, the asbestos and lead abatement programs, and the sludge and residuals landspreading program; responding to discharges or spills of oil products or hazardous matter; and directing the cleanup or mitigation of adverse effects associated with uncontrolled hazardous substance sites.

The Bureau of Land and Water Quality is responsible for regulating large-scale land development, reviewing activities that affect critical resources of state significance, assessing the quality of Maine's waterways, licensing waste water discharges and reporting water body uses and recommended classifications to the Legislature.

Licenses:
(See Bureau entries for details)
Permits: Log Storage, Mining Rehabilitation of Land, Site Location of Development, Small Hydro, Sludge Utilization, and Natural Resources Protection.
Certifications: Underground Oil & Hazardous Substance Storage Tank Installer, Asbestos Abatement Contractor, Design Consultant & Worker, Asbestos Evaluation.
DEPARTMENT OF ENVIRONMENTAL PROTECTION

Specialist & Project Supervisor, Water Quality, Waste Water Treatment Facility
Operator, Servicing & Repairing Sanitary Waste Treatment Facilities, FAME, Water Pollution Control Facilities, Tax Exemption for Pollution Control Facilities

PUBLICATIONS:
(see www>Maine.gov/DEP for details)
DEP Issue Profiles: short documents on a variety of laws, programs and environmental issues.
DEP Fact Sheets and DEP Information Sheets: periodic publications, on timely topics of relatively narrow focus.

### BUREAU OF AIR QUALITY

**MELANIE LOYZIM, DIRECTOR**

**Central Office:** AMHI TYSON BLDG, AUGUSTA, ME 04330  
**Mail Address:** 17 STATE HOUSE STATION, AUGUSTA, ME 04333  
**FAX:** (207) 287-7641  
**Established:** 1972  
**Telephone:** (207) 287-6104  
**Reference:** Policy Area: 04  
**Umbrella: 06**  
**Unit: 096A Citation: T0038**  
**M.R.S.A., Sect.: 000000581**

**Average Counts-All Positions:** 19.000  
**Legislative Count:** 19.00

**PURPOSE:**

The Bureau of Air Quality implements state air pollution laws and the federal Clean Air Act, and administers the Department of Environmental Protection's accounts and environmental data management systems. The bureau issues air emission licenses, models ambient air impacts from emissions, ensures compliance with state and federal air emission regulations, monitors ambient air quality,
manages data systems to measure environmental impacts and program performance, and manages financial transactions for environmental protection program implementation.

**ORGANIZATION:**
The bureau consists of the Division of Licensing and Compliance, the Division of Program Planning, and the Division of Resource Administration.

**PROGRAM:**
The Licensing and Compliance Division issues air emission licenses and ensures compliance with state and federal laws for stationary sources. The Licensing Section performs technical reviews of license applications, evaluates emission control technologies, identifies applicable state and federal regulatory requirements, provides technical assistance and drafts licensing documents. The Meteorology Section conducts air dispersion modeling analyses to demonstrate compliance with ambient air quality standards at licensed facilities, issues daily state-wide ozone and particle pollution forecasts, and performs technical analyses. The Compliance Section provides compliance assistance, conducts facility inspections, reviews compliance reports, and investigates and responds to complaints from the public. The Enforcement Section resolves discovered or reported violations through notices of violations and Consent Agreements, and reviews facility emission testing.

The Program Planning Division monitors ambient air quality across the state and implements strategies to reduce emissions from mobile sources. The Monitoring Section maintains the State's air quality monitoring networks and reports all monitoring results to EPA. The Laboratory and Quality Assurance Section analyzes air toxics, ozone precursor and particulate matter samples collected under federal requirements for state monitoring networks; provides quality assurance support for all monitoring activities, including calibration standards and performance audits; and operates two Photochemical Assessment Monitoring Stations (PAMS). The Mobile Sources Section ensures new vehicles sold in Maine meet low emission standards; and conducts inspections of trucks under the statewide heavy-duty diesel-testing program, and on-board diagnostic inspections for Cumberland County's enhanced motor vehicle inspection program.

The Resource Administration Division performs agency-wide functions in three areas: Environmental Data Management; Collections, Claims and Cost Recovery; and Account Management. The Environmental Data Management team manages databases and environmental data for analysis, reporting, and federal submissions. The Collections, Claims and Cost Recovery Section pursues collection of environmental and licensing fees, and processes oil contamination damage and reimbursement claims. The Account Management team reviews and tracks department expenditures; develops and administers internal controls; and supports grant, loan and contracting activities.

**FINANCES, FISCAL YEAR 2012:** The expenditure information for this unit was generated from the Budget and Financial Management System (BFMS).

PURPOSE:
The Office of the Commissioner provides coordination of management and planning efforts across the Department, develops and staffs intra-agency initiatives and provides overall strategic direction for the Department.

ORGANIZATION:
The Office of the Commissioner consists of the Commissioner, Deputy Commissioner, Office of Policy Services, Office of Innovation and Assistance and Office of Education and Outreach.

PROGRAM:
The Office of Policy Services oversees rule making, agency licensing, enforcement activities, legislative initiatives, coordinates strategic planning and quality assurance, and provides support services to the Department. The Office also serves as primary liaison with the Office of Attorney General.

The Office of Innovation and Assistance reviews departmental initiatives and makes recommendations to the commissioner on how to integrate multi-media, innovative programs and technical assistance. The Office administers the Small Business Technical Assistance Program (SBTAP), and the state's Environmental Leader programs.

The Office of Education and Outreach develops and coordinates departmental communications and outreach initiatives. Staff provides the central point of contact for the media and the general public. The Office is responsible for delivery of proactive, integrated and professional quality educational initiatives and for execution of the agency's annual legislative agenda.

### BOARD OF ENVIRONMENTAL PROTECTION

ROBERT FOLEY, CHAIR
CYNTHIA BERTOCCI, EXECUTIVE ANALYST

Central Office: AMHI RAY BLDG, AUGUSTA, ME 04330
Mail Address: 17 STATE HOUSE STATION, AUGUSTA, ME 04333
Established: 1972
Reference: Policy Area: 04 Umbrella: 06 Unit: 101 Citation: T0038 M.R.S.A., Sect.: 000000341C
Average Counts-All Positions: 2.000
Legislative Count: 2.00
PURPOSE:
The Board of Environmental Protection exists to provide informed, independent and
timely decisions on the interpretation, administration and enforcement of the
laws relating to environmental protection and to provide for credible, fair and
responsible public participation in Department decisions. The Board fulfills its
purpose through major substantive rulemaking, decisions on selected permit
applications, decisions on appeals of the Commissioner's licensing and
enforcement actions, and recommending changes in the law to the Legislature.

ORGANIZATION:
The Board of Environmental Protection consists of 7 members appointed by the
Governor, subject to review by the joint standing committee of the Legislature
having jurisdiction over natural resource matters and confirmation by the Senate.
Members are selected to represent a broad range of professional backgrounds and
experiences. At least three members must have technical or scientific
backgrounds in environmental issues and no more than four members may reside in
the same Congressional District. Members serve four-year terms, and a member may
not serve more than two consecutive four-year terms. The Governor appoints one
member to serve as chair. The Board is staffed by the Executive Analyst.

Members receive $55 per day for each meeting or hearing attended and
reimbursement for travel expenses incurred while attending meetings, public
hearings or participating in other official Board business.

Regular meetings are generally held twice monthly in Augusta; additional meeting
and hearing times and places are scheduled by the Board as needed to address
pending matters. Four members of the Board constitute a quorum for the purposes
of opening a meeting and for a vote of the Board.

PROGRAM:
The Board generally meets on the first and third Thursdays of each month to
undertake its work such as major substantive rulemaking, appeals of licensing or
enforcement actions, or certain applications of statewide significance. The
Board's agenda and the documents presented for Board consideration are available
on-line for public review prior to each Board meeting.

[http://www.maine.gov/dep/bep/index.htm]

LICENSES:
The majority of license applications are processed at the Department staff level
and decided by the Commissioner; however, state law provides that certain license
applications will be decided by the Board including applications for certain
projects of statewide significance.

PUBLICATIONS:
Fact Sheets and Information Sheets providing guidance on public participation in
Board proceedings and periodic reports to the Legislature are available on-line
at [http://www.maine.gov/dep/bep/index.htm].

PURPOSE:
The Bureau of Land and Water Quality is responsible for administering environmental laws designed to protect and improve the quality of Maine's surface and ground water and for reviewing land development projects that may have an adverse impact on the natural environment and resources of the state.

The Bureau administers the: Site Location of Development Act; Natural Resources Protection Act; Mandatory Shoreland Zoning Act (administered jointly with the Land Use Regulation Commission); Maine Waterway Development and Conservation Act; Stormwater Management Law; Erosion and Sedimentation Control Law; Performance Standards for Excavations for Borrow, Clay, Topsoil, or Silt; Performance Standards for Quarries; and state water quality laws as well as the delegated federal National Pollutant Discharge Elimination System (NPDES) program that includes the Phase I and Phase II stormwater programs.

The Bureau receives federal funding under the Federal Clean Water Act and Coastal Zone Management Act in return for state-level administration of those core laws. The Bureau is also responsible for the completion of Federal Consistency reviews in conjunction with the Coastal Program at the State Planning Office.

ORGANIZATION:
There are four divisions in this bureau: the Division of Land Resource Regulation, the Division of Water Quality Management, the Division of Environmental Assessment, and the Division of Watershed Management.

PROGRAM:
The Land Resource Regulation Division reviews applications under the Site Location of Development Act, the Natural Resources Protection Act, and the Stormwater Management Law. The Division also oversees the regulation of borrow pits, quarries, and the implementation of the Shoreland Zoning Act. Division Field Services staff are responsible for licensing, complaint resolution, compliance inspections, education and outreach and enforcement actions. The Division also issues licenses and water quality certifications to hydropower facilities.

The Water Quality Management Division regulates the discharge of pollutants to surface or ground waters of the State as authorized under the Protection and Improvement of Waters Law and the Federal Clean Water Act. Its activities include licensing, certification, compliance and enforcement. The Division also oversees the operation of all wastewater treatment facilities, certifies wastewater treatment operators and provides technical assistance. Other activities include overseeing boat pump out facilities, pollution prevention, and innovative technologies.

In addition, the Water Quality Management Division administers funding programs for the planning, design and construction of wastewater treatment facilities. These include the State Revolving Fund (SRF) which funds rehabilitation and upgrade projects to maintain Maine's existing inventory of municipal wastewater treatment and collection facilities. They also include the Small Communities Grant program, which focuses on remediating failing septic systems throughout the state, and the Overboard Discharge Removal Program, which provides grants for the removal of certain systems as obligated under current law.

The Division of Environmental Assessment is responsible for monitoring and assessing ground/surface water quality to provide the scientific foundation for the land and water regulatory programs as well as for developing environmental indicators to evaluate program effectiveness. The Division oversees the Surface Water Ambient Toxics Monitoring Program, the Dioxin Monitoring Program, the Lakes Program, and the Invasive Aquatic Species Program, and does quality assurance and control of the Volunteer Lake Monitoring Program. Services include biological, toxicological and water quality computer modeling of wastewater impacts, complete
DEPARTMENT OF ENVIRONMENTAL PROTECTION

ambient monitoring and investigative capabilities. The Division of Watershed Management coordinates regulatory/non-regulatory approaches that are tailored to problems in specific watersheds and administers the Nonpoint Source Program under section 319 and section 604b of the Federal Clean Water Act. The Division assists with education and outreach and public awareness campaigns to carry out these programs.

LICENSES:
Waste Discharge Licenses; EPA NPDES permits; Certificates of Tax Exemptions; Site Location of Development Orders; Natural Resources Protection Act permits; Stormwater Management Law permits; Borrow, Clay, Topsoil, Silt and Quarry notices; 401 Water Quality Certificates; Coastal Zone Management Consistency Determinations; Hydropower Permits; Shoreland Zoning Municipal Ordinance Approvals; IRS Certifications for five year amortization and for tax exempt bonding.

BUREAU OF REMEDIATION AND WASTE MANAGEMENT
RON DYER, DIRECTOR

Central Office: AMHI RAY BLDG, AUGUSTA, ME 04330
Mail Address: 17 STATEHOUSE STATION, AUGUSTA, ME 04333
FAX: (207) 287-7826
Established: 1980
Telephone: (207) 287-7890
Reference: Policy Area: 04 Umbrella: 06 Unit:096D Citation: T0038 M.R.S.A., Sect. 00000541
Average Counts-All Positions: 143,924 Legislative Count: 143.00

PURPOSE:
The Bureau of Remediation and Waste Management administers Maine's oil, hazardous
material and solid waste management programs, including: emergency response for oil and hazardous materials spills; regulation of aboveground and underground oil storage facilities; certification of underground oil storage facility installers and inspectors; processing of third party damage claims arising from oil contamination; development of natural resource damage assessment claims resulting from oil and hazardous substances; licensing of waste facilities, waste transporters, oil terminals, and spreading sites for septage, sludge and other residuals; oversight of asbestos and lead management and disposal; investigation and clean-up of uncontrolled hazardous substances sites; coordination with EPA on investigation and clean-up of Superfund sites; implementation of the Brownfields and Voluntary Response Action Programs; and administration of mercury reduction and end of life product stewardship programs. The bureau also manages the Maine Coastal and Inland Surface Oil Clean-Up Fund, the Ground Water Oil Clean-Up Fund, the Hazardous Waste Fund, the Uncontrolled Sites Fund, and the Solid Waste Fund, as well as bond accounts for uncontrolled sites and landfill closure.

The bureau provides staff support to the Oil Spill Advisory Committee and the Board of Underground Storage Tank Installers.

ORGANIZATION:
The bureau consists of the Divisions of Remediation, Response Services, Technical Services, Oil and Hazardous Waste Facilities Regulation, and Solid Waste Management, as well as the Program Services unit. The bureau has staff in Department offices in Augusta, Bangor, Portland and Presque Isle.

PROGRAM:
The Division of Remediation investigates and mitigates risks posed by uncontrolled hazardous substance sites. The Division coordinates with EPA on the investigation and clean-up of federal Superfund sites and formerly used defense sites in Maine. The Division administers the lead and asbestos programs. This division reimbursing municipalities for the state share of closure costs at former solid waste landfills, and investigating & mitigating the risks posed by these closed landfills to adjacent landowners. The Division oversees private investigation and remediation under the Voluntary Response Action Program, and facilitates such action by administering the Brownfields Grant program.

The Division of Response Services is the lead entity for response to oil spills in Maine, and also serves as the co-lead, along with the appropriate public safety agency, for the assessment and remediation of hazardous materials releases in Maine. This division responds to reports of spills and threatened releases of petroleum products and hazardous materials, responds to reports of incidents involving weapons of mass destruction, coordinates emergency clean up, and provides training to local fire departments and to the state's hazardous materials teams. The Division of Technical Services provides technical support to the Bureau's other divisions and programs in the areas of engineering, geology and chemistry.

The division plans and implements the cleanup of long term petroleum remediation sites, provides technical assistance to the business community and the general public, and operates a program to replace home heating oil tanks that are at high risk of leaking. The Division of Oil and Hazardous Waste Facilities Regulation oversees oil terminals, waste oil and hazardous waste facility licensing, and registration of biomedical waste facilities. In addition, the division conducts inspections and investigations, issues compliance determinations and requests for corrective action, provides technical assistance and educational training, processes damage claims arising from oil contamination, reviews requests by eligible applicants for reimbursement of oil spill clean-up costs, and oversees corrective actions, natural resource damage assessment and restoration planning activities, and site clean-ups.

The Division of Solid Waste Management is responsible for licensing, enforcement, education, outreach, and technical assistance activities related to landfills, waste-to-energy incinerators, transfer and storage sites, processing facilities, septage management, composting, agronomic use of sludge and residuals, other beneficial use of solid waste, and waste transportation.

The Sustainability Unit merges a number of cross-media programs, including: waste reduction, recycling, composting and reuse programs; product stewardship program activities and compliance; safer chemicals programs and business sustainability recognition programs. Included are the mercury added product initiatives as well as the recycling of used electronics program. Chemical management programs include the toxic chemical reduction and priority chemical reporting programs.
DEPARTMENT OF ENVIRONMENTAL PROTECTION

The Unit's greenhouse gas and climate adaptation role focuses on Maine's strategy for addressing potential impacts from climate change including changing water levels, species migration and related effects.

LICENSES:
Oil Terminal Facility Licenses; Hazardous Waste Facility Licenses; Waste Transporter Licenses; Registration of Used Oil Collection Centers; Waste Oil Facility Licenses; Biomedical Facility Licenses; Registration of Underground Oil and Hazardous Substance Storage Tanks; Certification of Underground Storage Tank Operators; Solid Waste Facility Licenses; Septage Spreading Site Licenses; Licenses for Land Application of Sludge and Other Residuals; Beneficial Use Licenses, Asbestos Abatement Certification; and Lead Abatement Certification.

PUBLICATIONS:
Numerous publications are available to assist the general public and regulated community in understanding and achieving compliance with the requirements of the programs administered by the Bureau of Remediation and Waste Management. These publications are available on the Internet at http://www.maine.gov/dep/rwm/publications/index.htm.

BOARD OF UNDERGROUND STORAGE TANK INSTALLERS
WILLIAM CARVER, CHAIR

Central Office: AMHI RAY BLDG, AUGUSTA, ME 04330
Mail Address: 17 STATE HOUSE STATION, AUGUSTA, ME 04333
FAX: (207) 287-2651
Established: 1985
Telephone: (207) 287-2651
Reference: Policy Area: 04 Umbrella: 06 Unit: 481 Citation: T0032 M.R.S.A., Sect.: 000010003

PURPOSE:
The Board of Underground Storage Tank Installers was established to safeguard public health, safety and welfare by assuring the availability of high quality underground storage tank installations and inspections to persons in need of these services. See 32 M.R.S.A. 10001, et seq.

ORGANIZATION:
The Board consists of seven members appointed by the governor: one from the DEP; one from the Maine Energy Marketers' Association; one underground oil storage tank installer; one from the Maine Chamber of Commerce and Industry or an underground tank inspector or installer; one from the Fire Chiefs Association; and two public members. The DEP provides staff support to the Board. Current members are:

William Carver (certified installer, chair);
Thomas Doe (Maine Fire Chiefs Association);
Elwin Scott, (Maine Oil Dealers Association);
PROGRAM:
The Board offers initial and final examinations for underground oil tank installers and underground tank inspectors. A total of 464 certificates for underground oil storage tank installers or inspectors and 122 apprentices have been granted since the inception of the program. There are currently 75 certified underground oil tank installers and 59 inspectors in Maine.

The Board is also involved in continuing education for installers. In the past fiscal year, the Board sponsored a continuing education workshop totaling four available credit hours. The Board also approved four other programs offered by others that totaled 12 available credit hours.

A third responsibility of the Board is the investigation of complaints. No complaints against installers, apprentices or applicants were received and investigated in FY 10. Five (5) complaints that remained from FY 09 were resolved.

LICENSES:
Underground Oil Storage Tank Installer Certificate
Underground Oil Storage Tank Inspector Certificate

PUBLICATIONS:
Study Guides for various examinations, including the Initial Oil Tank Installer Exam and the Final Installer Exam, and the Inspector Exam; Summary and Assessments of Maine’s Underground Storage Tank Installer Certification Program – 1989; Annual Reports to the Commissioner of Environmental Protection; and "Tanks in Maine", a semi-annual newsletter "Tanks In Maine" to certified installers and inspectors.

FINANCES, FISCAL YEAR 2012: The Bureau of the Budget does not maintain comprehensive fiscal data relative to this unit.
PURPOSE:
The Governor serves to direct the affairs of the State according to law; to take care that the laws be faithfully executed; to give the Legislature information regarding the condition of the State and recommend measures for their consideration; to submit to the Legislature a biennial budget for the operation of State government; to act as Commander-in-Chief of the military forces of the State; to nominate and appoint all judicial, civil and military officers of the State except as otherwise provided by law; to require information from any officer in the Executive Branch upon any subject relating to the respective duties; to grant reprieves, commutations and pardons and remit, after conviction, forfeitures and penalties; and to accept for the State any and all gifts, bequests, grants or conveyances to the State of Maine.

PROGRAM:
In addition to providing for its own staff support, the (Office of ) Governor serves to coordinate and develop the several planning responsibilities of State government; to improve the relationship between the State government and its employees; and to operate, maintain and display to the public the Blaine House, as the official residence of the Governor. Some programs are so closely allied to the (Office of) Governor as to be in reality a part of it. A brief description of each follows.

Governor's Office. The administrative office of the Governor serves to provide staff support to the Governor as he carries out the responsibilities of the Chief Executive of the State of Maine. This support includes functions of correspondence, policy development, legislative relations, national and regional Governors' associations and scheduling preparation of reports and addresses, public information, executive appointments, case work, and managing the operating budget of the Governor.

Blaine House. The Blaine House, a National Historic Landmark, is the official residence of the Governor of the State of Maine. The Blaine House staff provides services for the Governor, the Governor's family and guests; to maintain House offices for the Governor; to display the mansion during public visiting hours; and to assist at official receptions and other gatherings at the Blaine House. The Governor is responsible for the operation of the building and general maintenance of its interior. The Bureau of General Services maintains the grounds, service buildings and exterior of the mansion, and is authorized to approve and execute any remodeling of the interior.

GOVERNOR'S BOARD ON EXECUTIVE CLEMENCY
LEONARD I. SHARON, CHAIR

Central Office: 1 STATEHOUSE STATION, AUGUSTA, ME 04333-0001
Mail Address: 1 STATEHOUSE STATION, AUGUSTA, ME 04333-0001
Established: 1987
Reference: Policy Area: 00 Umbrella: 07 Unit: 102J Citation: GFY95 M.R.S.A., Sect.: 000000008

PURPOSE:
As established by Executive Order 25 FY11/12 on November 1, 2011, the Governor's Board on Executive Clemency is charged with the responsibility of investigating, evaluating and providing advice to the Governor on all applications for gubernatorial clemency. The board meets at the call of the Chairman no less than once every three months.

ORGANIZATION:
The Governor's Board on Executive Clemency consists of three members who have demonstrated humanitarian concern as well as a thorough knowledge of the criminal justice system and who have demonstrated such qualities in their private and professional lives which assist them in evaluating the rehabilitation of persons convicted under our criminal justice laws.
The members of the board are appointed by the Governor to serve at the Governor's pleasure, and serve without compensation.

PROGRAM:
The Governor's Board on Executive Clemency reviews requests for pardons and commutations in order to determine a petitioner's eligibility for a hearing. After each hearing, the Board makes recommendations on each petition to the Governor. The sole power to grant clemency remains with the Governor.

Information on Executive Clemency and petition forms are available from the Pardon Clerk, Office of the Secretary of State, State House Station #101, Augusta, Maine 04333.

FINANCES, FISCAL YEAR 2012: The Bureau of the Budget does not maintain comprehensive fiscal data relative to this unit.

PURPOSE:
As established by Executive Order 9 FY94/95 on February 10, 1995, the Governor's Select Committee on Judicial Appointments is charged with the responsibility of reviewing, evaluating and providing advice to the Governor on all applicants for judicial appointments. The Committee meets at the call of the Chair.

ORGANIZATION:
The Committee consists of five or more members who represent various interests in Maine's legal community. The members are appointed by the Governor and serve at the Governor's pleasure.

FINANCES, FISCAL YEAR 2012: The Bureau of the Budget does not maintain comprehensive fiscal data relative to this unit.

LAND FOR MAINE'S FUTURE BOARD
DAN BURKE, DIRECTOR LMF PROGRAM

PURPOSE:
The Land for Maine's Future program functions as the primary vehicle for funding public land acquisition in Maine. Originally established in November 1987 by referendum, when voters overwhelmingly approved a $35 million bond, the program administers funds to acquire land and interest in land for conservation, water access, outdoor recreation, fish and wildlife habitat protection, farmland preservation, archaeological sites, and access to working waterfronts.

Its legislative mandate is to acquire lands of state, regional, or local significance that "make a substantial and lasting contribution towards assuring all of Maine citizens, present and future, the traditional Maine heritage of
In 1998, based on the recommendations of the Land Acquisition Priorities Advisory Committee, the Legislature set aside funds for farmland protection. It also funded the Public Access to Maine Waters Fund for the first time in 1999. In 2005, the Legislature added protection of commercial marine fishery access points ("working water fronts") to the program's mandate in cooperation with the Maine Department of Marine Resources. In 2006, the Legislature added "significant undeveloped archeological sites" and "public water supply protection" to the types of projects LMF can fund.

Since the creation of the fund in 1987, over 530,000 acres have been acquired entirely from willing sellers, including about 285,000 acres in conservation easements. These acquisitions include mountain summits, working forests, farmland, river shore, lakes, ponds, coastal islands, pristine beaches, commercial marine fishing properties and wildlife habitat. Permanent protection has also been provided to many irreplaceable natural areas including eagle nesting sites, spotted turtle habitat, critical spawning habitat for Atlantic and landlocked salmon, and rare natural communities.

ORGANIZATION:
The Land for Maine's Future Board manages the Land for Maine Future's Fund and Water Access Fund; these together comprise the Land for Maine's Future Program. The board consists of eleven members, including the commissioners of the departments of Agriculture, Food and Rural Resources, Conservation, Inland Fisheries and Wildlife, and Marine Resources and the Director of the State Planning Office. The remaining six are private citizens appointed by the Governor. The Governor also appoints the board's chairperson. The State Planning Office provides technical staff and financial management and clerical support to the program.

The board meets regularly to provide policy direction, oversee the funds, and pursue its land acquisition strategy under its legislative authority (5 MRSA section 6202). The board works with citizens, land trusts, municipalities, nonprofit conservation organizations, and federal and state agencies to identify special lands of statewide significance to accomplish the State's goals.

Funds come from voter-approved bonds. Since 1987, bonds have been authorized for a total of $126.75 million. By law, the LMF program seeks matching funds at a ratio of at least $1 of match for every $1 of public funds expended. Since 1999, the State's dollars have been matched by more than $147.7 million, largely from private and federal sources.

As a part of the elimination of the State Planning Office at the close of fiscal year 2012, the Land for Maine's Future Board transferred to the Maine Department of Conservation effective July 1, 2012.

PROGRAM:
The Land for Maine's Future Board is responsible to receive and review funding requests for land acquisition projects, to ensure these funding requests meet state guidelines, and to authorize the distribution of bond proceeds to priority funding requests.

The board has established a process for the public to nominate lands and a scoring system to evaluate proposals based on criteria in keeping with the Legislature's directives. Scoring criteria include: naturalness and accessibility of land, regional benefits and proximity to other conserved lands, significance of the land values, need for and threat to the land, and economic benefits realized from the project.

The LMF Board administers the working waterfront program jointly with the Department of Marine Resources.

In FY 2012, all funds for conservation, recreation, working waterfront and farmland protection have been committed. Limited funding remains for projects that create recreational public access to Maine rivers, lakes, and the coast.

MAINE LAND AND WATER RESOURCES COUNCIL

TODD BURROWES, COUNCIL STAFF

Central Office: 19 UNION STREET, AUGUSTA, ME 04330
Mail Address: 38 STATE HOUSE STATION, AUGUSTA, ME 04333 FAX: (207) 624-7660
Established: 1976 Telephone: (207) 624-7660
Reference: Policy Area: 00 Umbrella: 07 Unit: 102H Citation: GFY81 M.R.S.A., Sect.: 000000009

PURPOSE:
The purpose of the council is to advise the Governor, Legislature, and state agencies in the formulation of policies for management of the State's land and water resources to achieve state environmental, economic, and social goals. Originally established by Executive Order in 1976, the Legislature established the council by statute in 1993. This enabling legislation requires the council to: recommend coordinated state policy on major programs or proposals that may affect the natural environment and land use management issues that concern multiple state agencies; support integration of information useful for management of land and water resources; provide direction and coordination for state agency land and water use planning and management programs; periodically evaluate and recommend any needed changes to the State's environmental regulation and growth management programs; study specific land and water resources management issues of state concern as needed. The enabling legislation further requires the council to: develop sound and coordinated policies; seek cooperation with federal agencies responsible for the management of land and water resources; administer the Lakes Heritage Trust Fund; and prepare a biennial report on the state land use mediation program. In addition, the state growth management law requires the council to approve certain state, growth-related capital investments if located outside downtown or locally designated growth areas.

The council carries out studies and policy development on specific issues, as required by the Legislature or Governor.

ORGANIZATION:
The council is established by 5 MRS 3331. The council's membership is as follows: the Commissioner of Agriculture, Food, and Rural Resources; the Commissioner of Conservation; the Commissioner of Environmental Protection; the Commissioner of Human Services; the Commissioner of Inland Fisheries and Wildlife; the Commissioner of Marine Resources; the Commissioner of Transportation; the Commissioner of Economic and Community Development; or the Commissioner's designee; and the Director of the State Planning Office. The Governor appoints the Chair and has appointed the State Planning Office Director to chair the council.

The Land and Water Resources Council was eliminated by the 125th Maine
PROGRAM:
In recent years, the Council's primary policy development-related assignments have involved oversight of agency implementation of select recommendations in the State's Bay Management Study and oversight of the State Water Resources Planning Committee.

PUBLICATIONS:
Publications of the council include:
A Management Strategy for Maine's Groundwater Resources
Recommended Improvements in Computerized Management of Natural Resources
Assessment of Ground Water Quality in Maine
Maine Wetlands Conservation Priority Plan
The Planning Process for Local Ground Water Protection
Maine Ground Water Management Strategy
Report on the Use of Incentives to Keep Land In Productive Farming, Fishing, and Forestry Use

STATE PLANNING OFFICE
PETER J. ROGERS, DIRECTOR
Central Office: 19 UNION STREET, AUGUSTA, ME 04330
Mail Address: 38 STATE HOUSE STATION, AUGUSTA, ME 04333-0038  FAX: (207) 287-8059
Established: 1968  Telephone: (207) 624-6200
Reference: Policy Area: 00  Umbrella: 07  Unit: 105  Citation: T0005  M.R.S.A., Sect.: 000003303
Average Counts-All Positions: 38.000  Legislative Count: 38.00

PURPOSE:
The State Planning Office has four core duties assigned to it by statute that include coordinating the development of the State's economy and energy resources with the conservation of its natural resources; providing technical assistance to the Governor and Legislature by undertaking special studies and plans and preparing policy alternatives; providing technical assistance to towns and regions; and conducting continuing economic analyses, including economic forecasting.

The State Planning Office is guided by a mission that is consistent with its statutory duties: To help build a sustainable future for Maine communities, businesses, and residents, the State Planning Office: 1) advises the Governor on developing and implementing policy; 2) assists the Legislature with information and analyses; and 3) provides local and regional financial and technical assistance.

ORGANIZATION:
The Legislature created the State Planning Office in 1968. It reports to the Governor, but is routinely called upon to assist the Legislature, other state agencies, and local and regional governments in a variety of policy, planning, and program areas.

The office is organized into three teams that carry out its program and policy responsibilities initiatives: 1) Community Assistance, 2) Economics and Policy Development, and 3) Natural Resources. The Maine Commission for Community Service is also housed at SPO.

The State Planning Office was eliminated at the close of fiscal year 2012,
Effective July 1, 2012.

**Program:**
The Legislature created the State Planning Office in 1968. It reports to the Governor, but is routinely called upon to assist the Legislature, other state agencies, and local and regional governments in a variety of policy, planning, and program areas.
The office is organized into three teams that carry out its program and policy responsibilities initiatives: 1) Community Assistance, 2) Economics and Policy Development, and 3) Natural Resources. The Maine Commission for Community Service is also housed at SPO.

Program:
The State Planning Office is delegated the following responsibilities via statute or by the Governor to help carry out its public purpose:

Community Assistance: train and certify municipal code enforcement officers (30-A MRSA 4451); administer the National Flood Insurance Program and assist communities with floodplain management and mitigation; and assist municipalities with recycling to reduce reliance on land disposal of municipal solid waste (38 MRSA 2133).

Community Service: provide administration and staff support for the Commission for Community Service (5 MRSA 7504).

Economic Policy & Analysis: assist the Governor, Legislature, and other state agencies in monitoring the Maine economy, formulating and evaluating economic initiatives, analyzing policy alternatives, and pursuing sustainable economic growth (5 MRSA 3305). SPO also serves as the State's liaison to the US Census Bureau and operates the State Census Data Center.

Energy & Natural Resource Policy Assistance; liaison with FERC on hydropower and liquefied Natural Gas licensing; develop policy options for the Governor and Legislature through the Land & Water Resources Council (5 MRSA 3331); manage the Maine Coastal Program (38 MRSA 1801); prepare the Waste Management & Recycling Plan (38 MRSA 2122) and capacity report (38 MRSA 2124-A); develop statewide landfill capacity at the direction of the Legislature (38 MRSA 2154); and work with towns to implement the Growth Management Program (30 MRSA 4312(s).

Technical Assistance to the Governor and Legislature: identify issues and problems of long-term significance to the State; conduct research, prepare plans and studies, prepare and analyze policy alternatives, and provide staff support for legislative and executive task forces, boards, and commissions; and coordinate state policy and its implementation on issues of interagency concern (5 MRSA 3303 and 3305).

**STATE PLANNING OFFICE**

**PURPOSE:**
The fundamental role of the Public Advocate is to represent and advocate for the interests of utility ratepayers in proceedings before the Maine Public Utilities Commission, the Maine Legislature, federal and regional regulatory bodies, and in relevant courts.

In 2012 the Office of Public Advocate completed its thirtieth year of advocacy on behalf of utility customers before the Public Utilities Commission. During the past thirty years the Public Advocate has saved ratepayers more than $623 million through its advocacy and negotiations.

**ORGANIZATION:**
The office was established by statute in 1981 as an agency of the Executive Department to represent the interests of utility consumers before regulatory bodies, the courts and the Legislature. Beginning in 1999 the office moved from a General Fund basis for its budget to a system of utility assessments. The office no longer receives any General Fund dollars. In 2009 the Legislature gave the Public Advocate a fixed term in order to provide the office greater independence from political influence.

In addition to the Public Advocate, Richard Davies, the office currently employs seven staff people, including three support staff and four attorneys. The office also uses expert witness consultants in technically or financially complicated cases. Mr. Davies was appointed Public Advocate by the Governor and confirmed by the Legislature in 2007.

PURPOSE:
The mission of the Maine Department of Health and Human Services is to provide integrated health and human services to the people of Maine, and to assist individuals in meeting their needs, while respecting the rights and preferences of the individuals and families it serves. All of the department's functions and activities are directed toward one or more of the following goals: a) to protect and enhance the health and well-being of Maine people; b) to promote independence and self-sufficiency; c) to protect and care for those who are unable to care for themselves; and d) to provide effective stewardship for the resources entrusted to the department.

ORGANIZATION:
Effective July 1, 2004, the Governor and the Legislature created the Department of Health and Human Services (DHHS) by combining and reorganizing the former Department of Human Services (DHS) and the former Department of Behavioral and Developmental Services (BDS). The organizational framework for the new department was established the following year by Public Law 2005, Ch. 412. The creation of the new department provided an opportunity to improve the health and well-being of Maine citizens through more coordinated and responsive systems. In addition, the structure intended to:
* Support, strengthen and integrate primary prevention efforts for all programs across the department;
* Integrate mental health and physical health with social services throughout the entire department;
* Recognize the value and importance of population-based public health efforts in making Maine people healthier and in reducing health-care costs; and
* Eliminate barriers to a holistic, cross-disciplinary approach to service delivery.

PROGRAM:
The department's statutory mandate requires it to provide the following programs and services to adults, children and families:

A. Economic assistance and employment support services;
B. Behavioral health services, including mental health and substance abuse prevention and treatment services;
C. Developmental disability and brain injury services;
D. Physical health services; and
E. Public health services.

Services targeted specifically for children, families, and adults include:
A. Child welfare services;
B. Early childhood services, including Head Start and child care services;
C. Maternal and child health services, including home-visiting programs;
D. Maternity establishment and child support enforcement services;
E. Residential and community support services for children and adults with disabilities;
F. Adult protective services; and
G. Long-term care services for the elderly and adults with disabilities.
DEPARTMENT OF HUMAN SERVICES

The department delivers programs and services through an integrated delivery system that focuses on meeting the needs of individuals and families. The department uses a combination of public personnel and contracts with private agencies to administer programs and deliver services.

The department administers the Medicaid program funded jointly by the Federal Government’s Centers for Medicare and Medicaid Services (CMS) and the State. MaineCare provides health care services for Maine’s children and adults who are elderly, disabled or with low income.

More information about the Department of Health and Human Services may be found at http://www.maine.gov/dhhs.

PURPOSE:
The Office of Child and Family Services (previously known as the Bureau of Child and Family Services) was created in 2005 to assure integrated services for children in Maine. The Office is comprised of four divisions focusing on services to children: Child Welfare, Children’s Behavioral Health, Early Childhood and Public Service Management.

ORGANIZATION:
OCFCS is organized in four divisions. The staff are housed in offices throughout...
DEPARTMENT OF HUMAN SERVICES

The State of Maine in 15 different locations. Each division has a Director and Managers. The Early Childhood Division and Child Welfare Services Division have direct service staff. Overall, there are 632 employees and it has a budget of $247M.

PROGRAM:

Child Welfare Services Division: The major task of this Division in the 8 district offices is to assess allegations of abuse and neglect to determine if children are in need of protection. Caseworkers assist parents to recognize and fulfill their responsibility so children may remain safely in their own homes. Children who are removed are provided coordinated services to promote personal growth and healing and services to promote rehabilitation to safely return the child to their home. Permanency for the child is assured through an adoptive placement or other permanent placement including relative placements if the custodial family cannot be preserved without serious harm to the child. Studies on child abuse and neglect have focused attention on the need to expand the Department's capability to address safety, permanency and well-being for this vulnerable target population. A 24-hour capability for response has been operative since 1977.

Children's Behavioral Health Services Division: The primary task of this Division is to provide leadership in the development of a mental health system of care to ensure that each child develops to their fullest capacity. In FY'10, CBHS provided contracted services to over 24,000 children and their families. Services are geared to address three populations: Early Childhood Intervention for children ages birth-5; Mental Health/Behavioral Health Treatment for children & adolescents through their 20th year; and Rehabilitation for children and adolescents through their 20th year with Intellectual disabilities or Autism Spectrum disorders. Clinical care & consultation, continuous quality improvement, contractual oversight, policy development and enhancing the availability of best practices & evidenced-based practices are some of the key areas of focus. Family Support Services such as respite care and flexible services are key to keeping families together, providing a safety net and achieving better overall health outcomes for children and their families.

Early Childhood Division: The primary task of this Division is to provide leadership to state government to ensure that Maine's early childhood services system addresses the needs of young children, shares common standards for quality and respects the diversity and uniqueness of all Maine's children and their families. Current quality initiatives include: a quality rating system for child care providers, developing guidelines for early childhood learning and the creation of an Early Care and Education Career Development Center. The Division continues its work on initiatives to improve quality and service delivery of home visitation and parenting education as well as revisions to the structure and work plan of the Maine Children's Growth Council.

Public Service Management Division: This Division consists of three units that provide services to ensure the efficient operation and management of OCFS. The Community Services Unit is responsible for the administration of more than 10 federal grants as well as the management and oversight of 130 contracts. The Information Services Unit provides financial, data and communication services, and supports functionality of the Maine Automated Child Welfare Information System. The residential services unit is responsible for the administration and oversight of children's residential services, treatment foster care, transitional living and infant mental health services.

provides information and support so people can make healthy choices about tobacco, physical activity, nutrition, and preventing injury; it does so by providing training on best-practice, public education/outreach and support of community-based partners. Data collection, analysis, and dissemination are aspects of the Program that ensure programming is based on need and emerging health trends. By focusing on support and development of healthy, safe environments the Program seeks to prevent the onset of chronic or sudden medical conditions, thus preventing diseases or disability.

Children Have a Healthy Start Program works to improve the health the MCH population (women 15 to 44 yrs. children birth through 21 years, and children with special health needs). The Program supports training of best-practice at the community-level and direct funding of services to community-based partners. Data collection, analysis and dissemination are aspects of the Program that ensure programming is based on need and emerging health trends. The Program collaborates with governmental and non-governmental agencies/organizations. The concept of prevention is vital; by addressing health in preconception, pregnancy, and childhood, there is opportunity to prevent chronic and costly conditions such as obesity.

The Chronic Disease Prevention and Control Program works to prevent, detect, and control some of the most serious chronic conditions (asthma, cancer, diabetes, heart disease and oral diseases). The Program provides training on best-practice, public education and direct funding of services to community-based partners. Data collection, analysis, and dissemination ensure programming is based on need and emerging health trends. Chronic diseases are among the most preventable; addressing them early and effectively will result in healthier Mainers and long-term health savings.

Issues of primary concern for the DPH include: improved health outcomes in the MCH population; reduced self-inflicted and unintentional injury in the MCH population, improved behavioral/mental health of children and youth, ensuring early identification and a comprehensive family-centered system of care for children with autism spectrum disorder, reduced risk of chronic disease through lifestyle changes and environments that support healthy behaviors; increased access to effective dental care (prevention and treatment); increasing effective self-management behaviors among those with chronic conditions; early detection and treatment of cancer; and training and technical assistance for communities to address chronic disease through the nine public health districts.

PUBLICATIONS: A wide variety of publications are available from both divisions. These include educational materials such as newsletters, resource lists, fact sheets, and brochures related to topics such as nutrition, maternal child health, newborn screening, smoking cessation and prevention resources.

PURPOSE:
The Division of Public Health Systems (DPHS) unites Maine CDC programs with agency-wide scope and services; assuring a strategic approach to performance, development and delivery of services that preserve, protect and promote the health and well-being of all Maine people. This includes oversight and management of four programs: Public Health Emergency Preparedness, Data, Research and Vital Statistics, the Health and Environmental Testing Laboratory and Public Health Performance Improvement.

ORGANIZATION:
The Division of Public Health Systems has a director who reports directly to the Deputy Director of Maine CDC, and serves on the Maine CDC Senior Management Team. The managers of the four programs in the division report directly to the Director, DPHS. All of the programs in DPHS are located in Augusta.

PROGRAM:
The Division of Public Health Systems serves as the management umbrella organization for the four programs located in the division, for which a description follows:

Public Health Emergency Preparedness
Public Health Emergency Preparedness (PHEP) is the lead state program responsible for the planning, coordination, and response to bioterrorism and other public health emergencies. PHEP works in collaboration with key federal, state and local agencies to protect the health and lives of people in Maine by strengthening the ability of health agencies and partner organizations to detect, contain, and manage public health threats and emergencies.

PHEP has four major goals: Early Detection of bioterrorist events and other public health emergencies, Implementation of comprehensive public health emergency response plans for Maine; Communication of health information connecting all preparedness and response partners; Training and Exercise for the public health and health care workforce in Maine.

Data, Research and Vital Statistics
Data, Research and Vital Statistics (DRVS) administers Maine's vital records system, prepares and compiles birth and death statistics and population data, and provides quantitative information for public health surveillance/investigation, planning, policy development, program management and evaluation. DRVS prepares population estimates for use by all State agencies, serves as an affiliate state census data center and transmits information to the National Center for Health Statistics, the Social Security Administration, and other agencies.

Health and Environmental Testing Laboratory
The Health and Environmental Testing Laboratory (HETL) isolates, identifies, analyzes and monitors any biological, chemical, or radiological hazards that are capable of causing harm. HETL assists other State and local agencies in the prevention, treatment, and control of hazards that threaten the health of the community or environment. These essential services are provided cost effectively through a fee schedule established with the flexibility of making them available regardless of the public's ability to pay. Other roles include consultation with other agencies on state policy development and the quality assurance oversight of services provided by the public and private sectors. Primary focus areas include:

Public Health Performance Improvement
The Office of Performance Improvement assures a coordinated and strategic approach to implementation, utilization and management of informatics for public health improvement; and performance management and quality improvement priorities.
DEPARTMENT OF HUMAN SERVICES

including the implementation of a comprehensive plan for a state and district level performance improvement system.

PURPOSE:
The Division of Infectious Disease, (formerly known as the Division of Disease Control) promotes and protects the health of the citizens of Maine through programs focusing on the surveillance, prevention and control of infectious diseases.

ORGANIZATION:
Programs included are: Infectious Disease Epidemiology, which includes Medical Epidemiology and Healthcare Associated Infections; HIV, Sexually Transmitted Diseases (STD) and Viral Hepatitis; and Maine CDC Immunization.

PROGRAM:
The Division of Infectious Disease seeks to carry out our mission by program activities in the following key areas:

The Infectious Disease Epidemiology Program conducts surveillance for notifiable disease and conditions of potential public health significance, investigates outbreaks and clusters of disease, and recommends appropriate intervention strategies. In addition, the program consults with health care providers on the prevention, diagnosis, and treatment of various infectious diseases. Within the Infectious Disease Epidemiology Program, Medical Epidemiology provides medical leadership, guidance and consultation on strategic, operational and clinical issues to all Division programs and also includes the Healthcare Associated Infections Prevention Program which works to reduce and prevent infections acquired in healthcare facilities. Through collaboration with hospitals and other State agencies, this program aims to establish best practices for the prevention of healthcare associated infections, using federal DHHS Healthcare Infection Control Practices Advisory Committee (HICPAC) guidelines and the Centers for Medicare and Medicaid Services (CMS) Surgical Care Improvement Project guidelines, as well as guidelines from professional societies.

The Human Immunodeficiency Virus (HIV), Sexually Transmitted Disease (STD), and Viral Hepatitis Program works with community partners, health professionals, and individuals to prevent the transmission of HIV, STDs and Viral Hepatitis infection and assure the delivery of testing, medical and social services for people living with HIV and AIDS.

The Maine Immunization Program strives to ensure protection of all Maine people from vaccine preventable disease. Through partnerships with public/private health practitioners and community members, the program provides vaccine, education, technical assistance, vaccine-preventable disease tracking and outbreak control. This program also manages Universal Immunization for insured or underinsured children in the State.

FINANCES, FISCAL YEAR 2012: The expenditure information for this unit was generated from the Budget and Financial Management System (BFMS).
The primary goal of the Office of Elder Services (OES) is to promote independence for elders and adults with disabilities through the provision of services including evidence-based prevention programs and comprehensive home and community-based services. The office also provides Adult Protective Services including Public Guardianship and/or Conservatorship for incapacitated adults who have no family member or other private individual able or suitable to serve in those capacities.

The office, subject to the direction of the Commissioner of DHHS, establishes the overall policy objectives for functions and activities relating to Maine’s older population. The office assists State Government in the coordination of efforts relating to elder people. Pursuant to federal and state laws, it prepares and administers a comprehensive State Plan for older persons. The office also plans for, develops, and leverages resources; develops and enforces rules; manages programs providing long term services and supports; and conducts training relating to aging, long term care, and adult protective services.

The Office of Elder Services originated in 1966 as the Services for Aging office in the Division of Family Services, Bureau of Social Welfare within the Department of Health and Welfare. In 1973, the office was established by statute as a separate and distinct organizational unit of the department, called the Bureau of Maine’s Elderly. Legislation was passed in 1989 to bring the Division of Adult Services into the bureau and it was renamed the Bureau of Elder and Adult Services. When the Legislature created the new Department of Health and Human Services in 2004, the agency was renamed the Office of Elder Services. The office operates from a central office in Augusta and district offices of the Department of Health and Human Services. It also has designated five private non-profit area agencies on aging across the State, under federal and state law, to receive and administer funds from the Older Americans Act programs for the elderly and state funds for these services.

The OES’ programs assist older adults and adults with disabilities to maintain their independence. Services are provided directly by staff or through contracts with Agencies on Aging and other service providers. More than 120,000 people are served annually.

Community programs include: home delivered meals; community dining sites; outreach information and assistance with benefits and services; senior employment; independent housing with services; adult day services; legal services; transportation; independent support services; evidence-based programs for healthy aging; family caregiver support program; health insurance information, counseling and assistance; and help from trained volunteers to identify errors, fraud and abuse regarding medicare benefits. There is also a respite program for caregivers of persons with dementia.

OES manages home and community based long-term care programs aimed at preventing or delaying nursing home placement. These include Medicaid waiver and State plan services as well as State funded programs. The types of services provided include care coordination, nursing, personal care, homemaking, PERS, environmental modifications and other supportive services to help individuals remain as independent as possible in their own homes. OES is responsible for oversight of the statewide long term care assessment process for these programs as well as for nursing facility and FNMI Appendix C services. OES also provides funding for the provision of long-term care ombudsman services.

The office provides Adult Protective Services to incapacitated and dependent adults in danger of or at substantial risk of abuse, neglect or exploitation.
DEPARTMENT OF HUMAN SERVICES

including public guardianship and/or conservatorship. The Adult Protective Services and Public Guardianship programs received 5,013 reports in FY 11. As required by law, the program receives reports, promptly investigates and determines the validity of reports alleging abuse, neglect, or exploitation. Protective services include social, medical and psychiatric services necessary to preserve the adult's rights and resources and to maintain the adult's mental well-being. The office works closely with social services and medical professionals, banks, law enforcement, and various advocacy groups to protect vulnerable adults. The office is also responsible for the public guardianship and conservatorship of incapacitated adults under the Uniform Probate Code. When less restrictive arrangements are not possible, the office petitions the Probate Court for guardianship and/or conservatorship of individuals who are unable to make or communicate responsible decisions for themselves and no family member or private person is able, willing or suitable to assume these responsibilities. The intent is to protect and provide continuing care and supervision and to protect, preserve and manage the incapacitated person's estate.

The Policy, Planning, and Resource Development Unit is responsible for planning for the challenges and opportunities resulting from the dramatic increase in elders in Maine. The unit develops and implements the state plan on aging, develops evidence-based and cutting edge policies and programs; is involved in pursuing grant opportunities, writing rules and policies, and identifies, leverages, and coordinates resources to support services for older persons. This includes the continuum from home to nursing facility level of care, including housing and work force issues.

FINANCES, FISCAL YEAR 2012: The Bureau of the Budget does not maintain comprehensive fiscal data relative to this unit.

OFFICE OF FAMILY INDEPENDENCE
DALE DENNO, DIRECTOR

Central Office: 19 UNION STREET, AUGUSTA, ME 04333-0011
Mail Address: 11 STATE HOUSE STATION, AUGUSTA, ME 04333-0011 FAX: (207) 287-3455
Established: 1913 Telephone: (207) 624-4101
Reference: Policy Area: 05 Umbrella: 10 Unit: 144B Citation: T002 S. M.R.S.A., Sect.: 000003101 Average Counts-All Positions: 379.500 Legislative Count: 379.50

PURPOSE:
The Office for Family Independence administers multiple State and Federal programs to support Maine citizens in need. This Office has sixteen office locations across the state, with staff providing direct public access to various programs.

In addition to policy and program functions, the office also provides monitoring of recipients through quality assurance activities, investigations and recovery through audits of municipal welfare programs and investigations and recovery through staff for public assistance programs.

ORGANIZATION:
The central office units provide staff support to the department's local offices. As an administrative unit of the Department of Health and Human Services, the office's internal structure and functions are subject to the discretion of the Commissioner of Health and Human Services. Funding for all programs except General Assistance is provided by the federal and state government. General Assistance is funded by the state and municipal governments. All programs follow the regulations of their respective funding sources.

PROGRAM:
Temporary Assistance for Needy Families (TANF) provides a monthly cash benefit to families in which the children are deprived of parental support and care due to the absence from the home of a parent, incapacity of a parent or underemployment of a parent.
* The Parents as Scholars (PaS) program provides financial aid to parents enrolled in a post-secondary education program who would be eligible for TANF;
* The Additional Support for People in Re-training and Employment program
DEPARTMENT OF HUMAN SERVICES

(ASPIRE) engages with people receiving TANF or Food Supplement benefits to support their efforts to become self-supporting.

* Transitional Services provides post-TANF assistance (child care and transportation costs due to employment).
* Alternative Aid provides voucher payments for services to help parents retain or obtain employment and to help them remain self-supporting;
* Emergency Assistance provides payment of services to families who are threatened by destitution or homelessness because of emergency situations.

TANF programs are funded primarily through a federal block grant, with a required State maintenance of effort contribution.

Food Supplement Program (formerly Food Stamps), provides a monthly benefit via an electronic benefits card credit to be used to supplement the family’s food budget. These benefits can be used only to buy approved food items.

Food Supplement benefits are 100% federally funded. The State pays one-half the administrative cost.

Medicaid (MaineCare) and Cub Care provides payment of medical expenses, including long term care, for persons of all ages who meet financial and non-financial criteria.

Medicaid is funded through State contributions with a federal match of approximately 66% (benefits) and 50% (administration).

State Supplemental Benefit provides a small State funded monthly cash benefit to recipients of federal SSI. This benefit is required as part of the maintenance of effort for Medicaid participation.

Child Support Enforcement and Recovery is responsible for the establishment and enforcement of child support obligations. Tasks involve the location of missing parents, establishment of paternity for children born out of wedlock, as well as the initiation of enforcement actions to recover current and past due support. Services are available to all who need them irrespective of economic status. TANF recipients assign their child support to the state and collections help reimburse some of the costs of the TANF program. Non-TANF collections help keep custodial parents off public assistance.

Approximately $106 million was collected in State Fiscal Year 2012; $80 million went to Maine families.

Administrative expenses of the DSER program are matched 66% by federal dollars; the remaining costs are borne by the State.

General Assistance provides vouchers at the municipal level for individuals who meet strict income and asset criteria. General Assistance is the program of last resort for basic life necessities.

General Assistance is funded through a combination of State and municipal contributions.

Division of Disability Determination is responsible to provide disability decisions to Maine citizens who apply for Social Security disability programs.

The Division of Disability Determination is funded 100% by federal dollars.

Refugee Cash Assistance provides a federally funded monthly cash benefit to Refugees and their families for a period of eight months.

MAINE CENTER FOR DISEASE CONTROL AND PREVENTION

DR. SHEILA PINETTE, DIRECTOR
CHRIS ZUKAS, DEPUTY DIRECTOR

Central Office: 286 WATER STREET, AUGUSTA, ME 04333-0011
Mail Address: 11 STATE HOUSE STATION, AUGUSTA, ME 04333-0011 FAX: (207) 287-9058
Established: 1935 Telephone: (207) 287-8016
Reference: Policy Area: 05 Umbrella: 10 Unit:144A Citation: T0022 M.R.S.A., Sect. 00000251
Average Counts-All Positions: 337.000 Legislative Count: 335.50

PURPOSE:
The Maine Center for Disease Control and Prevention (Maine CDC) serves as the state’s public health agency. As such, its overall purpose is to preserve, protect, and promote the health of all Maine people. Key strategies include: monitoring the health of Maine’s population and effectively communicating it; providing the leadership to assure healthy conditions where people live, work and play, educating the public on health issues; and preparing for and providing expert rapid response to public health threats and emergencies.

ORGANIZATION:
The Maine Board of Health was established in 1885 with the overall purpose of having “the general supervision of the interests of health and life of the citizens of the state.” In 1917, the Board was redesignated into the Maine Department of Health, headed by a physician commissioner. In 1931 a major reorganization relocated the Department of Health as the Bureau of Health within the newly-created Department of Health and Welfare, which became the Department of Human Services in 1975 and the Department of Health and Human Services in 2004. The Bureau of Health became the Maine CDC in July, 2005.

Maine CDC has five divisions: Environmental Health; Public Health Systems; Infectious Disease; Population Health; and Local Public Health. It has one office as part of the administrative offices: Office of Health Equity.

The Director of the Maine CDC also serves as the State’s Health Officer. As such, the director is instrumental in furthering relationships with the medical and public health communities in the state and nation.

PROGRAM:
Maine CDC’s programs, about 45 in number, cover a wide area of topics, including: collecting and monitoring vital statistics (a function since 1892); providing laboratory tests such as rabies, drinking water, and lead poisoning tests (a function since 1903); ensuring safe drinking water and food safety in public eating places; working with communities to address health issues; and conducting surveillance and control measures of acute infectious diseases.

The new Division of Local Public Health is a separate structure within the Maine CDC. Its programs either deliver services on the local/regional level or have a local district public health focus. Programs include District Public Health, including the oversight of Local Health Officers; Public Health Nursing; Women
Infants & Children (WIC); and Rural Health and Primary Care.

District Public Health was formed to strengthen and improve delivery and accountability of public health services at local and district levels (22 MRS §412). Eight geographical public health districts were formed from the 16 counties. In addition, District Public Health integrates efforts with the one Tribal Health District.

Public Health Nursing (PHN) provides Maine CDC's clinical infrastructure across the state. These clinicians respond to breakouts of communicable disease and prevent spread of these diseases such as tuberculosis. PHN collaborates with the Healthy Homes and Lead Poisoning Prevention Program to provide risk assessments in homes, and case management/coordinated access to treatment for lead poisoned children and families. They also provide assessments and health screenings for newly arriving refugees and services to secondary migrants with identified health needs. Public Health Nurses prepare families for public health emergencies and work with local emergency management to plan for and mitigate in public health disasters.

The Women, Infants and Children Program (WIC) reaches more than 26,000 people in Maine through contracted local nonprofit agencies across the State. It is funded through the US Department of Agriculture's Special Supplemental Nutrition Program for Women, Infants and Children.

WIC provides healthy food, nutrition counseling, breastfeeding support and referrals to health services to income-eligible women, infants and children. The program was established by Congress in 1972 as an adjunct to health care and to provide supplemental foods during critical times of growth and development. Rural Health and Primary Care (RHPC) works to ensure access to primary care providers in Maine's rural communities, and promotes and supports a continuum of care. RHPC manages health personnel recruitment/retention programs; provides technical assistance for communities to receive grants to improve the health care system, and facilitates communication on health care issues affecting rural and underserved communities. RHPC gathers/analyzes data to assess resources and makes recommendations for filling gaps and increasing access to primary medical care, behavioral health and oral health care services for underserved areas and populations.

Priority concerns for Maine CDC include: preparing for public health emergencies; monitoring/controlling emerging infectious diseases; addressing preventable chronic diseases related to tobacco and obesity; and improving public health infrastructure. Maine CDC is pursuing National Accreditation in Public Health and is preparing for this over the upcoming year.

DEPARTMENT OF HUMAN SERVICES

PURPOSE:
The Division of Health Engineering, now known as the Division of Environmental Health (Division) protects and promotes the health of Maine's population by insuring the safety of our public drinking water and food, and the proper disposal of subsurface wastewater; by minimizing exposure to contaminants including lead, radon and mercury; through the licensing and inspection of radiation sources and the oversight of high-level nuclear waste; and by conducting surveillance to minimize exposure to potentially harmful substances or events.

ORGANIZATION:
The Division of Sanitary Engineering was established in 1917 within the State Bureau of Health to carry out the Department of Health and Welfare's ongoing responsibility in the investigation of drinking water supplies following the great typhoid epidemic that occurred in 1902-1904. Later, the Division issued rules relating to the sanitary conditions of hotels and food handlers, plumbing, occupational health and the registration of x-ray machines and radioactive materials. In 1972, the name was changed to the Division of Health Engineering. The Division's responsibilities lie primarily in the areas of administration and enforcement of public health laws, and codes established through departmental regulations. In September 2005, the Division's name was changed to the Division of Environmental Health to more accurately reflect its broad responsibilities, and to add the Agency's Environmental and Occupational Health Unit.

The Division includes four major programs: the Drinking Water Program, including the Subsurface Wastewater Unit; the Health Inspection Program; the Radiation Control Program; and the Environmental and Occupational Health Programs.

PROGRAM:
The Health Inspection Program provides statewide emergency 24/7 response for public health events such as fires, floods, power failures, water and food borne disease outbreaks, and responds to approximately 400 public complaints yearly. The program's Health Inspectors work throughout the state inspecting eating establishments such as restaurants, and mobile food vending carts; public pools/spas; campgrounds; youth camps, sporting camps, mass gatherings/large festivals; lodging places; and body artists including body piercing, tattooing, micropigmentation and electrology. The program issues about 10,000 annual licenses including 2,000 retail tobacco vendor licenses.

The Radiation Control Program is responsible for radon education and training/registration of radon testers and mitigators; minimizing radiation exposure through licensing/inspection of all sources of radiation including X-Ray, mammography, radioactive materials and tanning facilities; oversight of low-level radioactive waste generators; radioactive emergency preparedness/response; and oversight of Maine's high-level nuclear waste storage facility.

The Drinking Water Program is responsible for ensuring that public water systems provide safe and reliable supplies of drinking water to more than half of the State's population. The program administers and enforces the 1974 Federal Safe Drinking Water Act and the State's Rules Relating to Drinking Water and regulates 1900 public water systems. The program provides education/outreach to the public and water industry and provides funds for land acquisition to better protect drinking water sources. It also provides grants/low interest loans to eligible systems for infrastructure improvements through the Drinking Water State Revolving Loan Fund. The program provides funding for security and emergency preparedness activities, and provides training, testing and licensing for public water system operators, well drillers and pump installers.

In 2009, the Subsurface Wastewater Program was integrated into the Drinking Water Program. It is responsible for promulgation of the State's Subsurface Wastewater Disposal Rules, the code governing proper installation of all private septic systems in the state. The Unit also licenses the State's Site Evaluators designing these systems and provides education/technical assistance. The program provides oversight and technical advice to Local Plumbing Inspectors (LPIs). The LPIs are municipal officials and carry out daily administration of Subsurface Wastewater Rules within their communities.

The Environmental and Occupational Health Program (EOHP) is responsible for ensuring that threats to the health of Maine citizens posed by natural phenomena or introduction of potentially toxic substances into the environment are identified, considered, and responded to by those responsible for protecting the public's health and environment. The functions of EOHP are to develop/maintain
DEPARTMENT OF HUMAN SERVICES

systems to monitor health status in Maine, identify and investigate health problems which may be related to environmental factors, advise state agencies regarding potential health implications of their actions and provide the public with information and preventative/corrective actions in the area of environmental health. The EOHP includes the Childhood Lead Poisoning and Prevention Program, the Environmental Toxicology Program, the Environmental Public Health Tracking Program and the Occupational Health Disease Registry.

ROBERT E RUDE, DEPUTY COMMISSIONER

Central Office: 221 STATE STREET, AUGUSTA, ME 04333-0011

Average Counts-All Positions: 145.000  Legislative Count: 145.00

PURPOSE:
The Department of Health and Human Services employs 3,436 staff, manages $3.2 billion, and serves virtually all Maine people. Financial Management Services links program operations with fiscal and audit activities to coordinate DHHS policies, procedures, budgets and strategies. Financial Management Services is responsible for managing the resources entrusted to the Department in an efficient and effective manner.

ORGANIZATION:
Financial Management Services is composed of the Division of Audit, Division of Program and Fiscal Coordination, Division of Purchased Services and MaineCare Finance, with significant support from the DHHS Service Center (Department of Administrative and Financial Services).

The Division of Audit performs compliance and cost settlement audits on
approximately 600 provider organizations and community agencies that receive over $1.5 billion of state and federal funds, either through the MaineCare program or from contracted services.

MaineCare Finance is responsible for the financial management of the $2.4 billion Medicaid program in Maine, including MaineCare. The Medicaid program provides medical assistance to certain low-income individuals and families who fit into an eligibility group that is recognized by federal and state law. Medicaid does not pay money to consumers; instead, claims payments are made directly to health care providers.

MaineCare Finance is responsible for the budget and cash management of state and federal funds for medical claims paid through the Maine Integrated Health Management System (MIHMS), for fiscal oversight of the MaineCare administrative budget, and for compliance reporting to its federal oversight agency, the Centers for Medicare and Medicaid Services (CMS).

The Division of Program and Fiscal Coordination is responsible for the financial analysis and coordination of fiscal management activities within the Department. The Division oversees the budget management of several major programs, including tracking expenditures and forecasting future obligations, and reporting budgeted and actual expenses to executive leadership, program managers, the Legislature, and others.

The Division of Purchased Services (DPS) provides for the effective administration of purchased services agreements and contracts. DPS reviews, approves, and processes over 2000 legal agreements each year. It provides management tools for recording information, measuring results, and monitoring performance. DPS offers technical assistance about agreement development and bid management, and promotes best business practices in contracting to ensure consistency, accountability, and cost effectiveness so that services delivered meet the needs of consumers, the public mission of the Department, and the requirements imposed by the various state, federal, and other granting organizations that provide funding.

The Financial Service Center establishes internal controls to ensure reliable financial reporting, effective and efficient operations, and compliance with applicable state and federal statutes, rules and regulations. The Service Center is responsible for budget preparation, federal grant program accounting, revenue forecasting, cash management, payment processing, and employee travel.

DEPARTMENT OF HUMAN SERVICES

PURPOSE:
The Office of MaineCare Services (OMS) administers the Department's Medicaid services in compliance with Federal and State Laws. The office manages some of the programs, assures that all operate according to federal policy and also keep with the Department's goals and mandates. OMS also works to ensure accountability, so that services are administered in an effective and efficient manner.

ORGANIZATION:
The office contains the following divisions: Operations (consisting of Provider and Member Services, Pharmacy, Data & Reporting, Quality Management, and Fiscal Agent), Health Care Management and Policy.

Health Care Management is responsible for implementing systems to assure continuing improvement of the health status of MaineCare members and the services they receive from health care providers. This unit administers managed care services, Primary Care Case Management, pharmacy benefits, Case Mix and all Prior Authorization activities. It also oversees operations related to member services and inquiries, as well as the Pharmacy Help Desk. In 2013, Value-Based Purchasing will be a key component to control costs and improve quality.

The Operations Division includes units for Claims/Adjustments, Provider Relations and Third Party Liability. The Claims Unit processes non-Pharmacy claims for reimbursement. Claims examiners manually review and troubleshoot claims if MIHMS, computerized billing system, cannot adjudicate automatically. Staff in the Adjustment Unit work with providers to reconcile and process adjustments in response to a provider's Request for Review, related to overpayment or underpayment of claims. Operations staff members work closely with MaineCare's fiscal agent, Molina, on all efforts related to MIHMS. This team works with management in other units to ensure Departmental operational needs are met by the Fiscal Agent.

Third Party Liability (TPL) secures reimbursement from other payers in situations where MaineCare enrollees or their family members have other insurance coverage. According to federal law, Medicaid is almost always the payer of last resort, with only Indian Health Services being secondary to Medicaid. TPL may seek reimbursement for medical costs already paid by the MaineCare program, in cases where the MaineCare member is covered for the services by: private health insurance, casualty insurance (such as auto or homeowner's policies) or other entities. Additionally, pursuant to federal mandate, TPL may recoup expenditures upon an inheritance or settlement of a member's estate.

The Policy Division develops rules and regulations, defines the scope of coverage, maintains the State Medicaid Plan to incorporate administrative and legislative changes into the Medicaid program, and submits waiver requests to the Federal Government that support the State's desire to adopt innovative solutions to coverage issues. The Policy Division works closely with MaineCare's federal partner, the Centers for Medicare and Medicaid Services (CMS).

PURPOSE:
Commission duties include: determining proportion of Drinking Water Program effort dedicated to each type of public water system; evaluating Drinking Water Program workloads; evaluating staffing and resource needs; determining funding requirements, fee formula, fee assessments and collection schedules for each type of public water system.

ORGANIZATION:
The Maine Public Drinking Water Commission, created by the 116th Legislature, consists of nine members. Eight who represent the interest of the regulated community. The Commissioner of the Department of Health and Human Services, or the designee thereof is the ninth member. Commissioners are appointed by the Governor and serve for a term of four years. The first meeting of the commission was held September 29, 1993. The commission meets at least quarterly.

PROGRAM:
The Maine Drinking Water Program, under agreement with the United States Environmental Protection Agency, is responsible for implementing, administering and enforcing federally mandated drinking water laws as applicable to all public water systems in Maine. Because deficient water systems can subject consumers to biological, chemical and physical hazards which may cause significant public health problems, the goal of the Maine Drinking Water Program is to ensure that the general public is provided with safe and reliable sources of public drinking water.

Federal regulation of public drinking water systems began in 1974 with passage of the Safe Drinking Water Act. In 1976, under authority of this act, the State of Maine entered into a formal primacy agreement with the federal government and was delegated primary enforcement authority for regulating public water systems in the State.

The 1986 Amendments to the Safe Drinking Water Act greatly expanded the regulatory authority of the original act and required water testing for 83 known water contaminants. The 1996 Amendments further expanded regulatory requirements and rule complexity. More frequent water testing is required and the list of potential water contaminants has continued to increase. State rules relating to drinking water were adopted for the first time in 1977. These rules are updated at least once annually to remain current with newly promulgated federal requirements.

Legislation enacted in June 1993 created the Maine Public Drinking Water Commission to serve as an oversight board and to represent the interests of the regulated community. The annual drinking water fees currently support the salary and expenses of five full-time employees.

DEPARTMENT OF INLAND FISHERIES AND WILDLIFE

CHANDLER WOODCOCK, COMMISSIONER
ANDREA ERSKINE, DEPUTY COMMISSIONER

Central Office: 284 STATE ST, AUGUSTA, ME 04333-0041
Mail Address: 41 STATE HOUSE STATION, AUGUSTA, ME 04333-0041
Established: 1980
Reference: Policy Area: 04  Umbrella: 09  Unit: 137  Citation: T0012  M.R.S.A., Sect.: 00010051
Average Counts-All Positions: 293.072  Legislative Count: 286.00

Purpose:
The Department of Inland Fisheries and Wildlife was established to preserve, protect and enhance the inland fisheries and wildlife; to encourage wise use of the resources; to ensure the resources are maintained and perpetuated for their intrinsic and ecological values, for their economic contribution and for their recreational, scientific and educational use by the people of the State. In addition, the Department is responsible for the establishment and enforcement of laws and regulations governing fishing, hunting and trapping; the registration and operation of snowmobiles, watercraft, and all-terrain vehicles; propagation and stocking of fish; acquisition of wildlife management areas; safety programs for hunters, snowmobiles, all-terrain vehicles and watercraft, and the issuing of licenses and permits (hunting, fishing, trapping, guide, wildlife possession/importation, as well as many other miscellaneous permits).

Organization:
The Department of Inland Fisheries and Wildlife (formerly Game) traces back to 1830 when wardens were first appointed by the Governor to enforce the moose and deer laws enacted that year. Two Commissioners of Fisheries were appointed in 1867. In 1880, the Commissioners were assigned responsibility for enforcing game laws as well as fish laws, and in 1895, their title was changed to Commissioners of Inland Fisheries and Game. The two Commissioners were later replaced by the Commissioner of Inland Fisheries and Game in 1917. Function Divisions were added as the Department mandates and responsibilities were expanded, e.g. Warden Service Aviation in 1937; Wildlife Division in 1938; Fisheries Division in 1951; Information and Education in 1955; Program Development and Coordination in 1968; Snowmobile Registration in 1969; Realty in 1970; Watercraft Registration and Safety in 1974.

Effective October 1, 1975, the Department was renamed the Department of Inland Fisheries and Wildlife. In 1984, the Department underwent its first Sunset Review by the Legislative Committee on Audit and Program Review. As a result, the Department was reorganized into the following: 1. Bureau of Administrative Services; 2. Bureau of Resource Management; 3. Bureau of Warden Service; 4. Office of the Commissioner including the Division of Public Information and the Division of Program Development and Coordination.

In 2006, a statewide reorganization removed the financial and information technology functions of the agency and placed them within the newly-created Natural Resource Service Center and the Office of Information Technology. The Bureau of Administrative Services, as it was known prior to this reorganization, became the Division of Licensing, Registration and Engineering in 2009 to more accurately reflect the duties of the Division. In 2011 the Division of Engineering was established as a separate Division to oversee maintenance, contracting and repair of Department facilities.

Program:
The Department’s program focuses on the management of the State’s inland fish and wildlife, enforcement, applied research studies, surveys and inventories, program development (planning), artificial propagation and stocking of fish and wildlife, coordination of Department interests between state and federal agencies and the private sector, environmental coordination, the search for lost persons, the registration of watercraft, snowmobiles, all-terrain vehicles, and hunter/trapper...
The establishment of rules is an important part of the program carried out by the Department. The Commissioner provides copies of abstracts of the inland fisheries and wildlife laws and rules for distribution to the public (Six summaries are updated, printed and distributed, plus migratory bird regulations). The Open Water and Ice Fishing Regulations, upon filing with the Secretary of State, as printed and distributed to the public, are declared to be official consolidations of fishing rules.

A complete reporting of these programs will be included in the reports for the various Bureaus and Divisions.

LICENSES:
Commercial Whitewater Rafting Allocations
See individual Bureaus for other licenses and permits

PUBLICATIONS:
The Department has many varied publications including law summaries, books on various species or species groups and several colorful posters of fish and wildlife. Consult the Department's website for a complete list with pricing.

DIVISION OF LICENSING AND REGISTRATION

BILL SWAN, DIR LICENSE & REGISTRATION

Central Office: 284 STATE ST, AUGUSTA, ME

DEPARTMENT OF INLAND FISHERIES AND WILDLIFE

PURPOSE:
The purpose of the Division is to administer the issuance of department licenses, stamps and permits and the registration of snowmobiles, watercraft and all-terrain vehicles.

ORGANIZATION:
In 1984, the 111th Legislature reorganized the Department, thus creating the Bureau of Administrative Services as one of the major Bureaus. This Bureau was structured in the following manner: Accounting Section-headed by a Chief Accountant; Division of Engineering and Realty-headed by a Supervisor; Division of Licensing and Registration-headed by a Director; Personnel Section-headed by a Personnel Officer; Central Purchasing and Supply Section-headed by a Property Officer.

During FY 2006 a statewide reorganization of administrative functions substantially changed the make-up of Administrative Services. A new entity, the Natural Resources Service Center under the Department of Administrative and Financial Services, was established to provide budget, accounting, human resources and payroll services to all of the Natural Resource Departments within State government. These functions were removed from the Department during that consolidation. In addition, the Office of Information Technology centralized the Department's IT functions under a consolidated Natural Resources IT cluster. The licensing and registration, engineering and land acquisition functions were left in Administrative Services. In 2009, legislation was passed to change the name from the Bureau of Administrative Services, to the Division of Licensing, Registration and Engineering to more accurately reflect the responsibilities and duties of the Division. In 2011, the Engineering Division was separated from Licensing and Registration to become its own Division. The Natural Resource Service Center coordinates the purchase of capital equipment and supplies and disperses these items on a Department-wide basis. Adequate inventories of vehicle, snowmobile, and outboard motor parts, clothing, footwear and miscellaneous items are held in stock to be issued to all field personnel.

PROGRAM:
The Division of Licensing and Registration provides the public with hunting and fishing licenses and miscellaneous permits through the Department's main office and designated license agents. The Division also registers all watercraft, snowmobiles and all-terrain vehicles. The operation of these machines is regulated in cooperation with all law enforcement agencies and information is provided as required.

FINANCES, FISCAL YEAR 2012: The expenditure information for this unit was generated from the Budget and Financial Management System (BFMS).

ADVISORY COUNCIL (INLAND FISHERIES & WILDLIFE)

CATHY DEMERCHAND, CHAIRPERSON

Central Office: 284 STATE ST, AUGUSTA, ME
Mail Address: 41 STATE HOUSE STATION, AUGUSTA, ME 04333-0041  FAX:
Established: 1945  Telephone: (207) 287-5202
Reference: Policy Area: 04  Umbrella: 09  Unit: 140  Citation: T0012  M.R.S.A., Sect.: 000010151

PURPOSE:
To provide advice and consent to the Commissioner of Inland Fisheries and Wildlife on regulation changes necessary for the proper implementation, enforcement and interpretation of any provision of law that the commissioner is charged with the duty of administering.

The Advisory Council also renders information and advice concerning the administration of the Department to the Commissioner.

ORGANIZATION:
The Advisory Council is appointed by the Governor, subject to review by the Joint Standing Committee on Fisheries and Wildlife and to confirmation by the Legislature, and consists of ten members representing one or more counties of the State on fish and wildlife related issues. The commissioner is a nonvoting member of the Council ex officio but may vote to break a tie. Appointments are for 3 years or until successors are appointed and qualified. No person shall serve more than 2 consecutive 3-year terms. Upon the death, resignation, or removal from office of any person so appointed, the Governor shall appoint a member to serve for the unexpired term.

The members of the Advisory Council receive $50 per day for their services and actual expenses for each fiscal year. The Council holds regular meetings with the commissioner or his deputy in December and May of each year, and special meetings at such other times and places within the State as would seem advisable. At the meeting held in May of each year, the Council may elect one of its members as chair and one as vice-chair.

PROGRAM:
The Advisory Council met with the Commissioner to review regulation changes and other department matters 10 times during FY 12.

FINANCES, FISCAL YEAR 2012: The Bureau of the Budget does not maintain comprehensive fiscal data relative to this unit.

MAINE OUTDOOR HERITAGE FUND BOARD
CAROL GAY, SECRETARIAT

Central Office: 284 STATE ST., AUGUSTA, ME 04333-0041
Mail Address: 41 STATE HOUSE STATION, AUGUSTA, ME 04333-0041
FAX: (207) 287-8094
Established: 1995
Telephone: (207) 688-4191
Reference: Policy Area: 04
Mail Address: Umbrella: 09
Unit: 585
Citation: T0012
M.R.S.A., Sect.: 000010308

PURPOSE:
The Maine Outdoor Heritage Fund was established by the Legislature in 1995 after it became clear there was insufficient funding for worthwhile projects that would perpetuate Maine's outdoor heritage -- the state's endangered species, wildlife habitat and pristine lands for outdoor recreation. By funding the program solely with revenue from the sale of special Outdoor Heritage lottery tickets, the legislature was able to support financially worthwhile projects without using revenue from the General Fund.

ORGANIZATION:
The Maine Outdoor Heritage Fund is governed by a board of seven members. The Commissioner of the Department of Inland Fisheries and Wildlife, the Commissioner of the Department of Conservation and the Coordinator of the Natural Areas Program are permanent members. With approval from the Legislature, the Governor appoints four citizen members to staggered 4-year terms. One citizen member must represent a state sportsman's organization, one must represent a state wildlife conservation organization and one must work in a field related to natural resources. The Board has hired an executive director on a contractual basis to perform the duties of administering the grants once they are awarded, organizing the application process for grants and coordinating with the Lottery Commission and other state and private organizations.

PROGRAM:
The Board awards grants semi-annually to natural resource agencies for conservation and recreation projects that meet the guidelines stated in the Outdoor Heritage Fund's Strategic Plan.

The grants are awarded in four categories:
- fisheries and wildlife, and habitat conservation projects;
- acquisition and management of public lands, parks, wildlife conservation areas, public access and outdoor recreation sites and facilities;
- endangered and threatened species conservation projects;
- natural resources law enforcement.

Revenue is raised from the sale of instant lottery tickets, which are available at most outlets that sell other Maine State Lottery tickets. The Outdoor Heritage ticket design changes every six months.

DIVISION OF PUBLIC INFORMATION AND EDUCATION (IF&W)

DOUG RAFFERTY, DIR PUBLIC INFO & EDUCATION

Central Office: 284 STATE ST, AUGUSTA, ME
Mail Address: 41 STATE HOUSE STATION, AUGUSTA, ME 04333-0041 FAX: (207) 287-5244
Established: 1952 Telephone: (207) 287-5244
Reference: Policy Area: 04 Umbrella: 09 Unit: 236 Citation: T0012 M.R.S.A., Sect.: 000010056 Average Counts-All Positions: 17.841 Legislative Count: 13.00

PURPOSE:
The main function of the Public Information and Education Division is to create and maintain public understanding and support for Department objectives and programs, including safety in the outdoors and ethical hunting and fishing practices.

ORGANIZATION:
The Division was created in 1952, as the Information and Education Division, under authorization granted by the 96th Legislature in 1951. It was reorganized into the Public Information Division, effective July 1, 1980; it was again reorganized, as the Division of Public Information and Education under the Office of the Commissioner, effective April 24, 1984. Another reorganization, effective July 1, 1993, established the Division of Public Information and Education as its own unit.

PROGRAM:
The major programs of the Public Information and Education Division are the Information Center, media relations, public relations, educational outreach, law book publications, youth activities, the Safety Division, the Maine Wildlife Park and Swan Island.

The Information Center provides a knowledgeable staff responding to telephone inquiries and directing calls to appropriate Department Divisions, as well as e-mail requests. The Information Center also maintains the Department's website. The Information Center handles an average of 1,000 phone calls and 500 emails per week.

Media and public relations provides press releases about the Department, its programs and the work of the Maine Warden Service to newspapers, radio and television in both written and electronic formats as well as through a media contact person. The Division publishes the "Weekly Report" each Friday, sent electronically to a wide email distribution list. It also provides feature articles for magazines and periodicals, and utilizes social networking to expand our outreach capabilities. The Division currently maintains Facebook pages on a daily basis.

The Safety Division provides a number of programs that inform and instruct the public on how to fish, hunt, trap and operate recreational vehicles safely. The Recreational Safety Program reaches more than 9,000 participants each year using...
The Maine Wildlife Park in Gray, Maine hosted over 100,000 visitors last year. A variety of wildlife and conservation school programs and tours are offered at the Park, reaching well over 3,000 Maine school children annually. Teacher workshops are offered statewide using Project WILD to assist classroom teachers and other educators to become more informed about Maine wildlife and conservation. The Division provides support for the popular Maine Conservation Camp scholarship program and the "Becoming an Outdoors-Woman" workshops.

Swan Island, located in the Kennebec River off the shore of Richmond, Maine provides another location for educational and outdoor recreation opportunities. An island steeped in Maine history, the buildings and land are favorite spots and the island is busy year round, with the emphasis on spring, summer and fall programs.

The Division represents the Department at sportsman shows (instate, out of state and Canada) and produces and distributes a variety of advertising to promote outdoor recreation in the state, including our safety instruction programs, and also supports our landowner relations program. The Division organizes the Maine Migratory Waterfowl Stamp art contest, Governor's Cup Charity Bass Tournament, and the annual Open House at the Maine Wildlife Park.

The youth activities programs are designed to expose young people to a variety of outdoor activities. Programs such as "Hooked on Fishing" are held statewide, both open water and ice fishing, and certify their instruction. The Division annually produces multiple law books covering the laws, rules and regulations for hunting and trapping, snowmobiling, ice fishing, open water fishing, boating and ATV's.

Information and Education also provides support to other DIF&W divisions for video, photography, displays, presentations, and the design, development, and distribution of printed material.

**BUREAU OF RESOURCE MANAGEMENT (IF&W)**

JOHN BOLAND, DIR BUR RES MNGMT

Average Counts-All Positions: 119.731 Legislative Count: 118.00

PURPOSE:

The Bureau of Resource Management is responsible for the management of the State's inland fisheries and wildlife resources and the development of rules governing the effective management of these resources.
DEPARTMENT OF INLAND FISHERIES AND WILDLIFE

ORGANIZATION:
The Bureau of Resource Management was established by the 111th Legislature as a result of recommendations made by the Legislative Program Audit and Review Committee. The Bureau presently consists of the following:
- Division of Wildlife
- Division of Fisheries and Hatcheries
- Support Services Section
- Environmental Coordination
- Beginning With Habitat
- Information and Education
- Computer Services
- Federal Aid Coordination
- Lands/Habitat

PROGRAM:
Division of Wildlife Management.

Wildlife Management - The abundance and use of the major wildlife species are monitored utilizing the latest tools, techniques, and information available. Periodic assessments are made to identify supply and demand imbalances, associated problems and management needs. Wildlife management programs are implemented to accomplish the long-term goals and objectives of species management plans. Habitat improvement work is actively carried out in the Department's Wildlife Management Areas. These include approximately 100,000 acres of upland and wetland habitat strategically located throughout the State, as well as nearly 300 coastal seabird nesting islands.

Division of Fisheries and Hatcheries.

Fisheries Management - Field studies designed to monitor the status of the major game species are routinely carried out. These include habitat and fisheries inventories of lakes, ponds, rivers and streams that are undertaken to obtain basic information regarding the abundance and condition of fish populations in specific waters. Creel surveys and aerial angler counts provide important information on fishing pressure and quality. From this work, management recommendations, including rulemaking proposals are developed. Some of the biologists' time has been utilized in tracking illegal, invasive species introductions. They also continue to work with biologists from the hydro industry in assessing needs of fish in the project areas. The regions have also been involved in comprehensive species management plans which are formulated every five years and guide the overall statewide fisheries management programs. Much work has been conducted on many of the state's bass waters. Additionally, biologists are involved in reclamation efforts to restore quality fishing opportunities for anglers.

Fisheries Research - Research work focuses on the development of biological principles needed to support fisheries management programs. Some of these projects have included statewide hydro-acoustic surveys to evaluate smelt populations, habitat improvement projects on streams, radio telemetry studies associated with wild brook trout and landlocked salmon, as well as lake trout spawning and northern pike spawning. The Division is also engaged in the restoration of arctic charr populations in northern Maine. We are involved in a large scale survey of more than 2000 reaches of wild brook trout streams, as well as studies on lake whitefish and sea run brook trout.

Propagation of Fish - The fish needed to support statewide fisheries management programs are produced and reared in the Department's fish hatcheries and rearing stations. Approximately 1.3 million salmon and trout are stocked annually. Fish culturists continue to work with DEP staff in order to comply with wastewater discharge licenses.

Habitat Management - In conjunction with the Department's environmental permit review responsibilities, Division biologists assessed environmental impacts of more than 1,500 project applications submitted to State agencies and this Department. They included Natural Resource Protection Act applications, LURC applications, Highway Project and Hydroelectric Projects. Recommendations pertaining to the impact to the State's fisheries and wildlife resources for each project were forwarded to the permitting agencies.

Average Counts-All Positions: 130.500 Legislative Count: 130.00

PURPOSE:
The primary function of the Maine Warden Service is to enforce Title 12, Chapters 901-939, to enforce all rules promulgated by the Commissioner, and to enforce the U.S. Migratory Bird Treaty Act. In addition to these duties, the Maine Warden Service enforces the Maine boat laws and recreational vehicle laws (snowmobile and ATV). The Maine Warden Service is, by statute, responsible for searches for persons presumed lost or drowned in the fields, forests and inland waters of the State of Maine. Game Wardens of the Maine Warden Service are uniformed law enforcement officers with full police powers and statewide jurisdiction.

ORGANIZATION:
The Maine Warden Service was formally established on March 9, 1880, and was renamed the Bureau of Warden Service in 1984 as a part of the reorganization statute enacted by the 111th Legislature. The Bureau of Warden Service currently consists of a Game Warden Colonel (Chief Warden), a Game Warden Major (Deputy Chief Warden), a Game Warden Captain, 5 Game Warden Lieutenants, 15 Game Warden Sergeants, 4 Game Warden Investigators, 1 Chief Warden Pilot, 2 Game Warden Pilots, 91 District Game Wardens, 4 Game Warden Specialists, and 4 Deputy Game Wardens. Support services within the Maine Warden Service include a Dive Team, Incident Management Team (for Search and Rescue & Natural Disasters), K-9 Team, Special Investigations Team, Aviation Division, Evidence Response Team, Forensic Mapping Team.

PROGRAM:
Conservation Law Enforcement: In FY 2012, the Maine Warden Service responded to 21,487 complaints on matters of conservation law enforcement, search and rescue, and Inland Fisheries and Wildlife rules and regulations. During 2012, 4,778 persons were prosecuted for violation of laws and rules pertaining to fish, wildlife, boating, and recreational vehicles. To accomplish the Conservation Law Enforcement and Search and Rescue mission of the Bureau, in 2012 Game Wardens drove 2,781,107 miles.

Search and Rescue: During 2012, the Maine Warden Service responded to 452 searches for persons lost in the fields and forests of Maine or presumed to be drowned on the inland waters of the State.

175
Data Collection: During 2012, Maine Warden Service was responsible for assisting with compiling the following data for management purposes: assistance with the administration of fur tagging stations, big game registration stations and tracking predation and vehicle mortality numbers of whitetail deer.

LICENSES:
- Special dog training area license
- License to hold field trials for sporting dogs
- Snowmobile race permit
- Import permit (fish and wildlife)

DEPARTMENT OF INLAND FISHERIES AND WILDLIFE
JUDICIAL DEPARTMENT
HON. LEIGH I. SAUFLEY, CHIEF JUSTICE

Central Office: ADMIN OFFICE OF THE COURTS, PORTLAND, ME 04112-4820
Mail Address: BOX 4820, PORTLAND, ME 04112-4820
Established: 1820
Telephone: (207) 822-0792

- BOARD OF BAR EXAMINERS
- STATE COURT LIBRARY COMMITTEE
- COURT ALTERNATIVE DISPUTE RESOLUTION SERVICE
- DISTRICT COURT FOR THE STATE OF MAINE
- COMMITTEE ON JUDICIAL RESPONSIBILITY AND DISABILITY
- BOARD OF OVERSEERS OF THE BAR
- SUPERIOR COURT
- SUPREME JUDICIAL COURT

PURPOSE:
The purpose of the Judicial Branch is to administer justice by providing a safe, accessible, efficient and impartial system of dispute resolution that serves the public interest, protects individual rights, and instills respect for the law.

ORGANIZATION:
Until the signing of the Articles of Agreement for Separation in 1820, Maine was part of Massachusetts and included in the Massachusetts court system. In 1820, Article VI, Section 1, of the new Maine Constitution established the Judicial Branch of government stating: "The judicial power of the State shall be vested in a Supreme Judicial Court, and such other courts as the Legislature shall from time to time establish". From the start of statehood, the Supreme Judicial Court was both a trial court and an appellate court or "Law Court." The new State of Maine also adopted the same lower court structure as existed in Massachusetts, and the court system remained unchanged until 1852. The Court Reorganization Act of 1852 increased the jurisdiction of the Supreme Judicial Court to encompass virtually every type of case, increased the number of justices and authorized the justices to travel in circuits. The Probate Courts were created in 1820 as county-based courts and have remained so.

The next major change in the system came in 1929, when the Legislature created the statewide Superior Court as a trial court to relieve the overburdened Supreme Judicial Court. Meanwhile, the lower courts continued to operate much as they always had until 1961 when the municipal courts and the trial justices system was abolished and the new District Court created. The Administrative Court, which was created in 1978, was abolished on March 15, 2001.

The administrative structure of the Maine Judicial Branch is similar to a corporation. The Supreme Judicial Court serves as the Branch "board of directors" and by statute has general administrative and supervisory authority over the Branch. This authority is exercised by promulgating rules, issuing administrative orders, establishing policies and procedures, and generally advising the chief justice. The chief justice is designated as head of the Judicial Branch and is assisted by the state court administrator. Each of the two trial courts has a chief justice or judge, appointed by and responsible to the chief justice, who also heads the Law Court. The Administrative Office of the Courts under the direction of the state court administrator, assists in meeting the operational needs of the courts.

PURPOSE:
The State Court Administrator, under the supervision of the Chief Justice of the Supreme Judicial Court, is required by statute to: survey and study Judicial Branch operations to improve administration and management of the court system; develop and recommend long-range plans for the Judicial Branch; examine the status of all court dockets and make recommendations concerning the assignment of personnel; investigate complaints about the operation of the courts; examine and maintain court statistical systems, and collect and analyze statistical data relating to court operations; prescribe uniform policies and business methods to be used in all courts; implement standards and policies set by the Chief Justice; act as fiscal officer of the courts including the oversight of all budgetary and accounting functions; and examine and supervise arrangements for court facilities, equipment and supplies.

In addition, the State Court Administrator is required to submit an Annual Report to the Chief Justice, Legislature and Governor reporting the activities of the preceding fiscal year; maintain liaison with the other branches and agencies of government; prepare and plan for the operation of District and Superior Court clerks' offices; develop and implement educational and training programs for nonjudicial personnel; plan and implement arrangements for court security; report
JUDICIAL DEPARTMENT

on out-of-state travel; and prepare impact statements for executive orders and proposed legislation; perform other duties consistent with the powers delegated and assigned by the Chief Justice and the Supreme Judicial Court.

ORGANIZATION:
The Administrative Office of the Courts was created in 1975. The office is directed by the State Court Administrator, who is appointed by and serves at the pleasure of the Chief Justice. The Administrative Office staff is appointed by the State Court Administrator with the approval of the Chief Justice. The staff administers the accounting, technology, fiscal, legislative, personnel, purchasing, planning, research, court operations, facility and security related functions for the court system.

PROGRAM:
Under the direction of the State Court Administrator, the Administrative Office of the Courts continued its involvement in ongoing areas of court automation, fiscal administration, court security, facilities management and personnel administration. Initiatives were undertaken to improve court security, enhance case processing technology, increase the availability and quality of interpretation services, and adapt court operations to meet the needs of Maine's citizens.

BOARD OF BAR EXAMINERS

NATHANIEL ROSENBLATT, ESQ, CHAIR
DEBORAH FIRESTONE, ESQ, EXECUTIVE DIRECTOR

Central Office: 40 WATER STREET, 2ND FLOOR, HALLOWELL, ME 04347
Mail Address: PO BOX 140, AUGUSTA, ME 04332-0140 FAX: (207) 622-0059
Established: 1899 Telephone: (207) 623-2464
Reference: Policy Area: 06 Umbrella: 40 Unit: 291 Citation: T0004 M.R.S.A., Sect.: 000000801

PURPOSE:
The purpose of the Board of Bar Examiners is to examine all applicants for admission to the Bar, as to their legal learning and general qualifications to practice as attorneys in the several courts of the State. After passing the examination and compliance with the statutes has been accomplished, the Board issues a certificate of qualification which states the standing of the applicant, and recommends his/her admission to the bar.

ORGANIZATION:
The Board is composed of seven lawyers of the State and two representatives of the public appointed by the Governor. As the terms of the members expire, members of the Board are appointed annually by the Governor on the recommendation of the Supreme Judicial Court, and hold office for terms of 5 years, beginning on the first day of January of the year of appointment and ending on the last day of December of the year of expiration of the appointment.

The Board holds two examination sessions annually at such times and places in the State as the Board determines and the Supreme Judicial Court approves. The members of the Board elect a chair and a secretary who may, but need not be, the same person, and a treasurer. The Board makes rules and regulations relative to the performance and duties of the Board and to the examinations which the Board conducts. Five members of said Board shall constitute a quorum for the transaction of business.
PROGRAM:
In its efforts to discharge its statutory duties, the Board must review its policies and practices in such matters as:

1. the necessity of examining applicants who already have been admitted by examination in other jurisdictions;
2. the eligibility of graduates of foreign law schools to take the bar exam;
3. the fairness and validity of examination procedures and standards;
4. the relationship of a law school education to the bar examination and
5. the effectiveness of procedures to determine the character and fitness of applicants to practice law.

The Board works closely with the National Conference of Bar Examiners and the American Bar Association to receive the benefit of the experience of the other jurisdictions in bar examination matters.

Established: 1981 Telephone: (207) 822-0718
FAX: Reference: Policy Area: 06 Umbrella: 40 Unit: 447 Citation: T0004 M.R.S.A., Sect. 000000191

PURPOSE:
The State Court Library Committee shall govern the county law library system. It shall formulate policy and exercise control and may delegate administrative policy.

ORGANIZATION:
The Committee is made up of nine voting members - three members of the public, two of the judiciary and four attorneys, all of whom are appointed by the Chief Justice of the Supreme Judicial Court, who also appoints the chairperson. The State Court Administrator, the State Law Librarian, and the University of Maine School of Law Librarian are ex offico nonvoting members.

Cumberland and Penobscot serve as regional court library centers. All other law libraries must have access to the regional court library centers for resources not available locally.

PROGRAM:
The State Court Administrator shall employ, subject to the approval of the State Court Library Committee, and shall supervise a professionally trained person, who shall be designated the State Court Library Supervisor. The Supervisor is charged with overseeing the professional functions of the county law libraries. These duties include periodic visits to the libraries and meetings with the local bar association library committees; budgeting and the allocation of state monies for collection development; and the utilization of computer-assisted legal research.
COURT ALTERNATIVE DISPUTE RESOLUTION SERVICE
DIANE E. KENTY, ESQ., DIRECTOR

Central Office: PO BOX 4820, PORTLAND, ME 04112
Fax: (207) 822-0781
Established: 1996
Telephone: (207) 822-0721
Reference: Policy Area: 06  Umbrella: 40  Unit:589  Citation: T0004  M.R.S.A., Sect.: 000000018B

PURPOSE:
The purpose and objective of the Court Alternative Dispute Resolution Service (CADRES) is to provide an administrative structure that oversees and provides court-connected Alternative Dispute Resolution (ADR) services in Maine.

ORGANIZATION:
The operation and policies of the Service are overseen by the Court Alternative Resolution Service Committee. Members of the Committee are appointed by the Chief Justice of the Supreme Judicial Court pursuant to 4 MRS Section 18-B. The Director administers statewide rosters and supervises the work of mediators and other ADR neutrals. The neutrals provide services as required in each of the State's District and Superior Court locations.

PROGRAM:
CADRES provides ADR services - including mediation, arbitration and early neutral evaluation - to the parties in court cases in Maine courts in all counties. CADRES selects and maintains statewide rosters of neutrals in various types of cases: small claims, family matters, evictions, land use/environmental and civil litigation. More than 150 neutrals are available statewide to provide ADR services under the auspices of the courts. In District Court, referral to mediation is mandatory in most contested family matters and is available in other types of cases. In Superior Court, pursuant to Rule 16B of the Maine Rules of Civil Procedure, ADR is required in many types of civil cases. Parties are permitted to choose the type of ADR process, i.e., mediation, arbitration or early neutral evaluation, in which they will participate.

DISTRICT COURT FOR THE STATE OF MAINE
HON. CHARLES C. LAVERDIERE, CHIEF JUDGE

Central Office: 65 STONE STREET, AUGUSTA, ME
Mail Address: 163 STATE HOUSE STATION, AUGUSTA, ME 04333-0163  Fax: (207) 287-6950
Established: 1961

Reference: Policy Area: 06  Umbrella: 40  Unit:279  Citation: T0004  M.R.S.A., Sect.: 000000151

PURPOSE:
The purpose of the District Court is to serve as a court of general jurisdiction in law and equity for the State, excluding jury trials.

ORGANIZATION:
The District Court was originally created by the Legislature in 1961 as Maine's court of limited jurisdiction. The Court's jurisdiction has expanded substantially. In criminal matters, it has original jurisdiction in non-felony cases but may conduct initial appearance, probable cause, and bail hearings in felony cases. The District Court also has original jurisdiction over civil violations. Until March 15, 2001, the Court had concurrent jurisdiction with the Superior Court in divorce and non-equitable civil cases involving not more than
$30,000. As of March 15, 2001, the monetary claim limit for civil cases was eliminated, giving the District Court exclusive jurisdiction with the Superior Court. The District Court now also has jurisdiction over divorce and family cases. The District Court also may grant equitable relief in a wide variety of cases including unfair trade practices and cases involving environmental law violations. The District Court hears all child protection cases, and protections from abuse and harassment cases. The District Court is the small claims court for cases not exceeding $6,000 and the juvenile court.

The District Court is the small claims court for cases not exceeding $6,000 and the juvenile court.

There are 36 judges in the District Court, including the Chief Judge, who is designated by the Chief Justice of the Supreme Judicial Court. In March 2001, the Administrative Court was abolished, and the last remaining judge of the Administrative Court was transferred to the District Court. All District Court judges are appointed by the Governor and confirmed by the Legislature for seven year terms. Pursuant to Administrative Order, District Court judges may also sit in the Superior Court. In the District Court, judges are assigned by the Chief Judge to sit in any District Court in the State.

PROGRAM:
Within the District Court, there are administrative units and systems designed to enable the Court to achieve its purposes. The Family Division of the District Court was established by the Second Session of the 118th Legislature, which enacted 4 M.R.S.A. section 183 as follows: "There is established within the District Court a Family Division that has jurisdiction over family matters filed in the District Court. The Family Division shall provide a system of justice that is responsive to the needs of families and the support of their children." In May of 1998, Family Case Management Officers, renamed Family Law Magistrates in 2005, began to hear and dispose of the following matters as allowed by statute: (1) Interim orders in actions involving the establishment, modification or enforcement of child support; (2) Interim actions involving divorce, legal separation, paternity or parental rights; (3) Final orders in matters when the proceeding is uncontested; (4) Final orders in a contested proceeding when child support is the only contested issue and (5) Other actions as assigned by the Chief Judge of the District Court. The District Court Judges, along with Superior Court Justices, preside over Adult Drug Treatment Court proceedings. The Adult Drug Treatment Courts operate in York, Cumberland, Androscoggin, Penobscot, Hancock, and Washington Counties. The Family Treatment Drug Court is operating in the Lewiston-Auburn area, the Bangor area, and in Central Maine. This federally funded docket provides ongoing court monitoring of individuals that have admitted to criminal acts of domestic violence. The Chief Judge of the District Court rosters all Guardians ad Litem (GALs), who are appointed by the Court in part to provide children with a voice in family and child protection matters in the District Court. Complaints regarding GAL’s are decided by the presiding judge in any pending case, and through the Office of the Chief Judge in completed cases. The Chief Judge of the District Court also appoints all Bail Commissioners and Justices of the Peace.

JUDICIAL DEPARTMENT

PURPOSE:
The Committee on Judicial Responsibility and Disability was created by the Supreme Judicial Court by court order in 1978. The Committee is empowered to receive and investigate complaints of judicial misconduct and disability. Judicial misconduct is defined by the Maine Code of Judicial Conduct, which was promulgated by the Supreme Judicial Court. By order of the Court, the Code of Judicial Conduct is binding on all state judges, as set forth in the Code and the Court's order.

ORGANIZATION:
The Committee on Judicial Responsibility consists of seven members appointed by the Supreme Judicial Court. One member is either an active or active retired justice of the Superior Court, and one is an active or active retired judge of the District Court. Two members are attorneys at law admitted to practice in the State of Maine, and three public members, all appointed by the Supreme Judicial Court upon the recommendation of the Governor. Four alternate members are also appointed to serve with respect to any matter from which a regular member is excused or otherwise unavailable.

PROGRAM:
Proceedings before the Committee are typically begun upon receipt of a complaint concerning the conduct of a judge. If the Committee members decide that the facts involved in the complaint appear to come within its authority, a copy of the complaint is submitted to the judge for a response, unless the allegations or facts available to the Committee show that no disciplinary misconduct is involved. At the time a complaint is submitted to the judge, an investigation is conducted appropriate to the circumstances of the complaint. Based upon its investigation and the judge's response, the Committee determines whether the complaint should be dismissed or whether an evidentiary hearing is necessary.

The Committee cannot itself impose disciplinary sanctions. Unless the complaint is dismissed, the Committee's findings and conclusions, together with recommendations, are reported to the Supreme Judicial Court in any matter in which the Committee finds misconduct warranting formal disciplinary action. Thereafter, the matter is in the hands of the Court. The Committee may also seek informal correction of any judicial conduct or practice that may create an appearance of judicial misconduct.

Upon written request of the Governor, the Legislature's Joint Standing Committee on Judiciary, or an appropriate federal agency or official, in connection with consideration of the appointment of a person who has been a judge, the Committee is directed to provide information on any complaints made against that person and the Committee's disposition thereof. The Committee reports annually to the Supreme Judicial Court a summary of each year's activities.

PUBLICATIONS:
The Committee has available for distribution material describing the Committee's operation and function, as well as the rules that govern the Committee's jurisdiction and procedure. Copies are available upon request. Copies of the available Annual Reports of the Committee are also distributed upon request. All of this information is also available on the Committee's website: www.jrd.maine.gov

JUDICIAL DEPARTMENT

PURPOSE:
The purpose of this Board is to act on behalf of the Supreme Judicial Court, and by its appointment and order, to supervise attorneys admitted to the practice of law in this state, and to assist the Supreme Judicial Court in disciplining of attorneys who may violate the Court-mandated ethical or other rules of practice.

ORGANIZATION:
The Board of Overseers of the Bar was created by order of the Supreme Judicial Court, effective November 1, 1978 (Maine Bar Rules). The Board consists of nine (9) members selected by the Court, three (3) of whom are lay persons and six (6) of whom are members of the Bar of the State of Maine.

PROGRAM:
This unit's activities are limited to the performance of its duties as provided in the Maine Bar Rules and the Maine Rules of Professional Conduct (See Maine Rules of Court.). In general, it supervises and administers the registration of all attorneys admitted to practice in this state; investigates and processes claims and reports of violations by attorneys of the rules of practice set forth in the Maine Bar Rules and the Maine Rules of Professional Conduct; provides a procedure for the arbitration of disputes between clients and attorneys with respect to legal fees; maintains limited consulting and advisory services with respect to the interpretation and application of Maine Rules of Professional Conduct and engages in a continuing review and study of the Bar in relation to the public and the Courts for the purpose of making recommendations to the Supreme Judicial Court with respect to the Maine Bar Rules.

SUPERIOR COURT

HON. THOMAS E. HUMPHREY, CHIEF JUSTICE

Central Office: 205 NEWBURY STREET, PORTLAND, ME
Mail Address: PO BOX 412, PORTLAND, ME 04112
Established: 1930
Telephone: (207) 822-4174
Reference: Policy Area: 06 Umbrella: 40 Unit: 278 Citation: T0004 M.R.S.A., Sect.: 000000101

PURPOSE:
The Superior Court was created by the Legislature in 1929 as Maine's trial court of general jurisdiction. However, since 2001, the Court no longer has jurisdiction over divorce, family matters, child protection, and protection from abuse and harassment family matters. The Superior Court has exclusive jurisdiction over all felony-level criminal proceedings, medical malpractice cases, civil and criminal jury trials, and administrative appeals from most State and local agencies and boards. It also has limited appellate jurisdiction regarding questions of law and de novo proceedings in certain District Court cases, and it has limited concurrent original jurisdiction with the Supreme Judicial Court over certain proceedings.
JUDICIAL DEPARTMENT

ORGANIZATION:
There are 17 justices of the Superior Court who hold sessions of the court in each of the State's 16 counties. The justices are appointed by the Governor for seven year terms, with the consent of the Legislature. A single justice is designated by the Chief Justice of the Supreme Judicial Court to serve as the Chief Justice of the Superior Court.

The Chief Justice of the Superior Court is responsible for establishing the regular and special assignments of the justices, for specifying when the Grand Jury shall be summoned in each county, and for assigning justices to the Single-Justice program and to other matters throughout the State. The Chief Justice also supervises the Medical Malpractice Pre-Litigation Screening Panel program for all medical malpractice cases in the Superior Court.

PROGRAM:
In 2004, the Superior Court established a statewide Single-Justice system in which an individual justice is assigned for all purposes to each civil and criminal homicide case, including manslaughter, filed in the State. As a result, only one justice is responsible for all decisions and matters in each of those cases.

The Superior Court also conducts several types of problem-solving courts throughout the State, including the Business and Consumer Docket (aka The Business Court), the Adult Drug Treatment Court and the combined Co-occurring Disorders and Veterans Court. The Superior Court also has pioneered the use of judicially assisted settlement conferences, a highly successful form of mediation in which a judge not involved with the case being mediated serves as the neutral. This system is now used throughout the trial court system.

SUPREME JUDICIAL COURT
HON. LEIGH I. SAUFLEY, CHIEF JUSTICE

Central Office: 205 NEWBURY STREET, PORTLAND, ME
Mail Address:  , PORTLAND, ME 04101-4125
Telephone: (207) 822-4146
Established: 1920
Fax: (207) 822-4146
Reference: Policy Area: 06 Umbrella: 40 Unit: 276 Citation: T0004 M.R.S.A., Sect: 000000001

PURPOSE:
The purpose of the Supreme Judicial Court sitting as the Law Court is to serve as the final appellate tribunal for the State. The Supreme Judicial Court also has general administrative and supervisory authority over the Judicial Department and shall make and promulgate rules, regulations, and orders governing the administration of the Judicial Department.

ORGANIZATION:
The Supreme Judicial Court is the highest court in Maine, and as the Law Court is the court of final appeal. As of January 1, 2001, the Law Court hears appeals of civil and criminal cases from District and Superior Courts; appeals from all final judgments, orders and decrees of the Probate Court; appeals of decisions of the Public Utilities Commission and the Workers Compensation Board. A justice of the Supreme Judicial Court may be assigned by the Chief Justice to sit in the Superior Court or the District Court to hear cases of any type, including post-conviction matters and jury trials.

In addition, the Supreme Judicial Court defines and regulates the practice of law and the conduct of attorneys in Maine by the promulgation of Maine Bar Rules, published in the annual Maine Rules of Court. It also is the ultimate authority for admitting lawyers to the bar, and for administering lawyer discipline including disbarment. The justices of the Supreme Judicial Court may be called upon to make decisions regarding legislative apportionment and render advisory opinions concerning important questions of law on solemn occasions when requested by the Governor, Senate, or House of Representatives. Three members of the Maine Supreme Judicial Court serve as the Sentence Review Panel for the review of sentences of one year or more.
The Supreme Judicial Court has seven members: the Chief Justice and six Associate Justices. The justices must be trained in the law and are appointed by the Governor for seven year terms, with the consent of the Legislature. By statute, the Chief Justice is head of the Judicial Branch, and the Supreme Judicial Court has general administrative and supervisory authority over the Judicial Branch. Upon retirement, a Supreme Judicial Court Justice may be appointed an Active Retired Justice by the Governor, for a seven year term, with the consent of the Legislature. On assignment by the Chief Justice, an Active Retired Justice has the same authority as an active justice.

DEPARTMENT OF LABOR

PURPOSE:
The Department of Labor strives to improve business and employment in Maine.

ORGANIZATION:
The Department of Labor is comprised of the units listed above. These units are organized around five core agencies: Employment Services; Labor Standards; Rehabilitation Services; Unemployment Compensation; and Workforce Research and Information. The Maine Labor Relations Board handles Labor Relations and functions as a quasi-independent agency within the Department.

PROGRAM:
The Department seeks to support Maine businesses in their growth, expansion and job creation. The Department assists Maine workers in their search for sustainable and fulfilling employment. The Department's efforts include helping match businesses with potential employees, and helping workers improve their skills to achieve their employment goals. People with disabilities can receive additional assistance in their employment search. To help foster growth in Maine, the Department provides comprehensive information on subjects such as wages, industries and workforce demographics to aid decision-makers in business, government and the general public. Improving workplace safety for Maine workers is an important role of the Department. Reducing workplace injuries has a positive impact on both workers and business including worker health, fewer missed days and lower business costs. The Department is responsible for the enforcement of labor laws and regulations.

LICENSES:
None.

Reference: Policy Area: 01  Umbrella: 12  Unit: 183  Citation: T0026  M.R.S.A., Sect.: 000001082

PURPOSE:
The Division of Administrative Hearings conducts hearings on appeals of unemployment benefit eligibility determinations.

ORGANIZATION:
Administrative Hearings, which is led by the Chief Administrative Hearings Officer, is a division within the Bureau of Unemployment Compensation.

PROGRAM:
The Division conducts hearings, either by phone or in person, on benefit
eligibility decisions in which one or more of the parties involved disagree with the initial adjudicatory decision. All information is presented de novo, or from the beginning, and is intended to allow all parties to the case a second opportunity to present their concerns. Hearings are held in accordance with Maine’s Administrative Procedures Act.

STATE BOARD OF ARBITRATION AND CONCILIATION

PURPOSE:
The Maine Board of Arbitration and Conciliation was established to further harmonious labor-management relations in the State of Maine by endeavoring to settle disputes, strikes and lockouts between employers and employees. It serves as a Board of Inquiry, as a Board of Conciliation in the private sector, or as a Board of Arbitration with power to inquire and to investigate labor-management disputes in the public or private sector.

ORGANIZATION:
The Maine Board of Arbitration and Conciliation originally was created in 1909, and experienced major reorganization in 1955 and procedural reform in 1985. The board consists of three primary members representing labor, management and the public. There are six alternates, two for each of the primary positions. All primary and alternate members of the board are appointed by the Governor for terms of three years. Appropriations for the board are included in the budget of the Maine Labor Relations Board.

PROGRAM:
In FY 2012, requests for board services were the same as FY 2011. In FY 2012, 23 requests for services were received. The variety of employee and employer units requesting service in the past few years reflects the growing perception in the public sector labor relations community of the board's stature in providing quality and professional arbitration and conciliation services.

In addition to the new matters filed in FY 2012, there were 13 cases carried over from the prior year which required hearing and disposition by the board or other action. Of the 23 filings in FY 2012, 19 were grievance arbitration requests; there were three requests for fact finding services. Under the statutes governing public employee collective bargaining, the board is given authority to hear fact finding and interest arbitration matters when there is a mutual submission for such services. In all, the board issued eight formal Decisions and Awards during FY 2012.

In addition to the matters proceeding to hearing and formal Decision and Award, one other dispute was conciliated with the assistance of board panel members and was settled at the hearing. The board convened to hear 12 matters, eight
concluded by formal Decision and Award and one resolved at hearing, the same number of cases disposed of through the hearing process in FY 2011. Several matters were withdrawn or are scheduled for withdrawal. Withdrawals usually indicate settlement on the issues by the parties, often after a hearing has been scheduled.

A law enacted in 2009 required that employers, who filed for certification with the U.S. Department of Labor to hire a bond worker in a logging occupation, had to be members and "active participants" in a recruitment clearinghouse that assisted in evaluating and referring potential logging occupation workers. The law provided that the Maine Department of Labor maintain a list of logging contractors who were in compliance with these requirements. The Department was required, after notice and hearing, to remove from the list any employer found to have violated the requirements of the law or the applicable federal regulations. One could appeal to the board the placement or removal of an employer on the approved list. One such appeal was received and decided this year. Appeal Regarding Pepin Lumber, Inc., and Les Transports Regi, Inc, No. 12-BAC-F-1. The law (P.L. 2011, Chapter 620) was amended this year to repeal the requirement that a list of logging contractors be maintained, eliminating the board's role in the process.

DIVISION FOR THE BLIND AND VISUALLY IMPAIRED
JOHN MCMAHON, DIRECTOR

Central Office: 45 COMMERCE CTR DR, AUGUSTA, ME
Mail Address: 150 STATE HOUSE STATION, AUGUSTA, ME 04333-0150  FAX: (207) 287-5292

Average Counts-All Positions: 36.500  Legislative Count: 36.50

PURPOSE:
The Bureau of Rehabilitation Services, Division for the Blind and Visually Impaired was established to provide a broad spectrum of services to people who are blind or visually impaired. These services include: the prevention of blindness; the location and registration of people who are blind or visually impaired; the provisions of certain education services to children who are blind or visually impaired from birth to age 21; provision of vocational rehabilitation services to accomplish job placement; provision of instruction in blindness specific skills in the area of independent living; and the provision of other social services.

ORGANIZATION:
The division was established in 1941 as the Division for the Blind in the Department of Health and Welfare. Since 1996, the division has been part of the Bureau of Rehabilitation Services in the Department of Labor. The division provides services in Career Centers throughout the State.

PROGRAM:
The Division for the Blind and Visually Impaired administers four programs specific to persons in Maine who are blind or visually impaired. The Education Program provides specific instructional services to blind children in assisting local school units to meet their responsibilities for a free appropriate public education under the Individuals with Disabilities Education Act (IDEA). These
DEPARTMENT OF LABOR

services (braille instruction, travel training, direct teaching, special materials, personal and family counseling) are provided in part by DBVI staff and in part through contracted Teachers of the Visually Impaired (TVI). This program currently serves up to 300 children per year.

The Independent Living Program provides direct blindness-specific skill instruction and training activities to assist older people in achieving or maintaining independence in their homes and communities and to avoid costly institutionalization. Services are provided in part by DBVI staff and in part by contracted Vision Rehabilitation Therapists. This program serves about 400 adults each year.

The Vocational Rehabilitation Program provides blindness-specific training and other services to enable people who are blind or visually impaired to acquire or retain employment. Through vocational counseling, application of technology, direct blindness-specific instruction and skill training activities and a variety of purchased and contracted services; the Vocational Rehabilitation program currently serves approximately 800 transitioning youth and adult clients.

The Business Enterprise Program (BEP) was developed under federal legislation enacted in 1936 called the Randolph-Sheppard Act. Under this law, legally blind individuals are given the priority to operate "vending facilities" on federal property. The operation of BEP facilities on state and municipal property in the State of Maine is provided by state legislation which parallels the federal act. This program provides employment opportunities for persons who are blind.

DIVISION FOR THE DEAF, HARD OF HEARING AND LATE DEAFENED

TERRY MORRELL, DIRECTOR

Central Office: 45 COMMERCE CTR DR, AUGUSTA, ME
Mail Address: 150 STATE HOUSE STATION, AUGUSTA, ME 04333-0108 FAX: (207) 287-5292
Established: 1994 Telephone: (207) 623-7957
Reference: Policy Area: 01 Umbrella: 12 Unit: 160 Citation: T0026 M.R.S.A., Sect.: 000001413
PURPOSE:
In 2012, for streamlining purposes, legislation was put in place to move the supervision of the Division for the Deaf, Hard of Hearing and Late Deafened (DDHHLD) under the Division of Vocational Rehabilitation (DVR). The purpose of the DDHHLD is to ensure equal opportunity for people who are deaf, hard of hearing, or late deafened to fully participate in, contribute to, and benefit from Maine’s community. By moving the DDHHLD under DVR, employment services is an added service to this division. This work is accomplished through contracts that provide individual and systemic advocacy, as well as the provision of telecommunications equipment. The DDHHLD consults with and offers training to state agencies to assist in making state services fully accessible. The DDHHLD also provides information and referral services and periodicals to support consumers and providers. There are five specialty vocational rehabilitation counselors for the deaf and hard of hearing who are now housed within this division.

ORGANIZATION:
The Division for the Deaf, Hard of Hearing and Late Deafened was established on November 1, 1982, and was known as the Office of Deafness. The director of the division reports directly to the Director of the Division of Vocational Rehabilitation. The division received its present name in July of 2009 as the result of a five year plan goal to make the division more inclusive.

PROGRAM:
The Division maintains a toll-free number and responds to approximately 100-150 calls per month concerning information, referral, training, advocacy and other related services for people who are deaf, hard-of hearing or late deafened. The division also administers the state’s telecommunication device program, which provides telecommunications equipment for people with any disability on either a cost-share or loan basis depending on the individual’s income. This program was expanded by Public Law Chapter 553 (26 MRSA subsect. 1419) to include equipment that provides or assists in providing emergency alert notification to deaf and hard of hearing persons. Supervision and oversight of five Vocational Rehabilitation Counselors for the Deaf and Hard of Hearing is provided by the director.

The division administers a state-created fund to provide for American Sign Language interpretation services for deaf persons who are subject to legal proceedings when meeting with an attorney or advocate. Also, the division provides voluntary identification cards for people who are deaf or hard of hearing.

DEPARTMENT OF LABOR

PURPOSE:
The Commission for the Deaf, Hard of Hearing and Late Deafened advises the governor on the development and coordination of services to people who are deaf, hard of hearing and late deafened. The commission evaluates the progress toward goals and recommendations and advises the division on implementation plans.

ORGANIZATION:
The commission has 24 members and three member-at-large positions. One third of the members are people who are deaf, hard of hearing or late deafened. The commission meets quarterly in Augusta on the second Thursday of January, April, June, and October. The chairperson is elected by the commission and serves a two-year term.

PROGRAM:
Commission activities this past year focused on services for senior citizens, adult education, employment, youth leadership, support for low cost hearing aids and public accessibility for people who are deaf, hard of hearing or late deafened.

PURPOSE:
The Bureau of Employment Services (BES) is the state administrative and oversight entity responsible for Maine Department of Labor employment and training services. BES is also responsible for developing policies, programs and services for the purpose of enhancing economic success through workforce development. The BES provides services to workers and employers through the CareerCenter network statewide, in conjunction with partner organizations; services are accessible both in person and through the www.mainecareercenter.com website.

The BES works closely with other MDOL bureaus and divisions, the State Workforce Investment Board (SWIB), four Local Workforce Investment Boards, education and economic development entities, and employer and community groups to ensure that responsive and high quality services are delivered through Maine's CareerCenters. The Bureau's work includes employment and training services to help provide a skilled workforce and increased employment opportunities for workers. This is accomplished through self-directed and consultative worker services including job placement, career guidance, education and training, and layoff assistance. Workforce consultation, worker recruitment, direct referral to business resources, layoff assistance, and access to training resources are among services available to businesses. The Bureau offers the Maine Job Bank an internet site that matches employers with job openings to job seekers. Occupational information and training are provided to educators, employment training program managers, and policy makers. These services are available through the statewide network of CareerCenters.

ORGANIZATION:
As a bureau within the Maine Department of Labor, services are funded through State General Fund, Federal Workforce Investment Act, Federal Wagner-Peyser, and
DEPARTMENT OF LABOR

Trade Act, and other federal funds. The BES, in consultation with the four local Workforce Research and Information, Bureau of Unemployment Compensation, Bureau of Rehabilitation Services, the Bureau of Labor Standards and other community based service providers including education and economic development partners ensures that workforce services are provided through Maine's CareerCenter network.

PROGRAM:
The Bureau of Employment Services, in consultation with several other organizations, oversees and administers the design and delivery of services aimed at building the workforce of the state and connecting workers with employers. Through the CareerCenter network and on the internet, individuals have access to a library of resources designed to help individuals explore career options, learn about the labor market, search for employment, interview for jobs, explore self-employment possibilities, and much more. They may use a variety of electronic equipment to write, copy, e-mail and fax resumes and cover letters, search Maine’s Job Bank and other internet resources, and pursue training opportunities. A variety of workshops related to employment and training topics are available to interested parties. For individuals meeting eligibility criteria, assessment services, job counseling, employability enhancement, and occupational skills training are available.

Businesses have access to a library of resources on topics relating to human resources, safety, business incentives, ADA, labor laws, labor market information, licensing, and more. Businesses can list their job openings on the Maine’s Job Bank 24 hours a day. CareerCenter rooms are available at no charge for businesses to use for recruiting and interviewing. CareerCenter staff are available for on-site services including developing service strategies, packaging of services, referral, development of job descriptions, and writing job orders. Training assistance is available in the form of apprenticeships as well as new hire worker training resources.

The Rapid Response Team of the bureau provides special on-site information services to laid-off workers. The team gives employees information about training, job opportunities, unemployment benefits, health care, and emergency services.

LICENSES:
None.

PUBLICATIONS:
The Bureau publishes state policy and operational guidelines for the One-Stop CareerCenter system. Planning instructions for the operation of programs are issued to Maine’s four Local Workforce Investment Areas and other contracted providers. Various fiscal reports required for the Maine Legislature and U.S. Department of Labor are routinely published. All publications are public domain and may be obtained by contacting the Bureau.

DEPARTMENT OF LABOR

BUREAU OF UNEMPLOYMENT COMPENSATION

LAURA BOYETT, DIRECTOR
PATRICIA O'BRIEN, DEPUTY DIRECTOR

Central Office: 45 COMMERCE CENTER DR, AUGUSTA, ME 04332-0259
Mail Address: 54 STATE HOUSE STATION, AUGUSTA, ME 04333-0054  FAX: (207) 287-2305
Established: 1980  Telephone: (207) 621-5156

Average Counts-All Positions: 199.000  Legislative Count: 199.00

PURPOSE:
The Bureau of Unemployment Compensation administers multiple federal and state unemployment insurance benefit programs that provide an economic safety net for individuals who are out of work through no fault of their own.

ORGANIZATION:
The Bureau of Unemployment Compensation is organized into four divisions. The largest is the Division of Benefit Services which includes the Unemployment Claims Centers that are responsible for making initial determinations of benefit eligibility and for processing benefit claims and payments. This division also includes the unemployment fraud investigation and benefit overpayment collections units and all processes associated with banking and the issuance of benefit payments. The Division of Employer Services incorporates all unemployment tax functions including employer registration and account management as well as the field advisor & examiner unit that provides employer technical assistance around unemployment laws and regulations and ensures Maine workers are properly classified for unemployment insurance coverage. The Administration & Program Performance Division is responsible for overall bureau administrative functions including budget oversight, contract management, program security, federal program activities and records management. The benefits accuracy measurement unit is also part of this division as well as responsibility for all program performance evaluation reviews and program integrity functions. The final division, the Division of Administrative Hearings, is described separately in this report.

PROGRAM:
The Bureau administers a number of unemployment programs with varying eligibility requirements, but all pertaining to the loss of employment that was not caused by the individual. The following programs were in effect during the fiscal year: State Unemployment Insurance (UI); Unemployment Compensation for Federal Employees (UCFE); Unemployment Compensation for Ex-Service Members (UCX); the Dislocated Workers Benefit (DWB) program; and, the federal Trade Readjustment Allowances (TRA) program. Additionally, due to the high unemployment conditions resulting from the recent severe economic downturn, the Bureau also administered a temporary, multi-tiered federal benefit program, Emergency Unemployment Compensation (EUC), and a fully federally funded Extended Benefits program (EB).

The expenditure information also includes all expenses for the Center for Workforce Research and Information (Unit 594).

STATE WORKFORCE INVESTMENT BOARD

GARRET OSWALD, CHAIR

Central Office: 45 COMMERCE CENTER DR, AUGUSTA, ME 04332-0259
Mail Address: 120 STATE HOUSE STATION, AUGUSTA, ME 04333-0120 FAX:
Established: 1998 Telephone: (207) 612-5087
Reference: Policy Area: 01 Umbrella: 12 Unit: 605 Citation: T0026 M.R.S.A., Sect.: 000002006

PURPOSE:
The State Workforce Investment Board, formerly known as Maine Jobs Council, was created in 1997 out of the recognition that a more strategic, coordinated approach was needed to cultivate an educated and skilled workforce.

ORGANIZATION:
The council is comprised of representatives from business, labor, education, community organization, and the public. Additionally, seven subcommittees are established to address the workforce development issues related to: people with disabilities, women, apprenticeship, older workers, business & industry, school to work initiatives and CareerCenter service delivery. The Department of Labor and the Department of Education jointly administer the Maine Jobs Council.

PROGRAM:
The board's strategies are to encourage and assist the people of Maine to upgrade their education and skills; encourage employers to invest in the education and training of their workers; ensure cooperation among the State public education and training institutions; and ensure that public resources are targeted to high quality outcomes.

Investment in the education and training of Maine workers is one of the most important issues affecting the quality of economic development. This investment will have long-term impact on the quality of jobs and level of earnings that will be achieved by people living in Maine for years to come.

LICENSES:
None.

FINANCES, FISCAL YEAR 2012: The Bureau of the Budget does not maintain comprehensive fiscal data relative to this unit.

196
PURPOSE:
The Bureau of Labor Standards enforces State laws regulating the employment of minors and the payment of wages; State laws established for the protection of the health and safety of workers; and those enacted for the protection of working people in general. This includes the review and approval of employer substance abuse testing policies. The bureau also has significant resources to encourage and support employers in compliance with state and federal labor laws.

ORGANIZATION:
The Bureau was established in 1873 as an activity under the Secretary of State to collect and print statistics on manufacturing, mining, commercial and industrial interests, together with the valuation and appropriations of municipalities. In 1887, the Bureau of Industrial and Labor Statistics was established by the Legislature. In 1911, this was changed to the Department of Labor and Industry with added responsibilities for enforcing laws regulating employment of children and women, the protection of the physical well-being of factory workers and the payment of wages. The department remained as a separate entity until 1972, when in the reorganization of State government; it became the Bureau of Labor and Industry within the new Department of Manpower Affairs. In 1975, the Bureau's name was changed to the Bureau of Labor. In 1981, when the name of the Department of Manpower Affairs was changed to the Department of Labor, the bureau's name changed to the Bureau of Labor Standards.

PROGRAM:
The Technical Services Division includes both the Research and Statistics unit and the Customer Service unit. The Research and Statistics Unit collects and publishes statistical data concerning labor and industry, and it collects and analyzes data on the prevalence and causes of occupational injuries and illnesses and to evaluate interventions towards lessening their number and effect. Regular data series prepared by this unit include the Census of Fatal Occupational Injuries in Maine, Report on the Substance Abuse Testing Law, the Construction Wage Rate Survey, the Survey of Occupational Injuries and Illnesses, the OSHA Data Initiative, and the Census of Case Characteristics.

The Customer Service Unit, which functions as the bureau's and department's information center, assists callers, distributes brochures, maintains the video library, registers customers for classes, and processes work permits, labor complaints, and statistical surveys.

The Wage and Hour Division enforces State laws relating to employment including, but not limited to, child labor, equal pay, minimum wage, overtime, nonpayment of wages, and severance pay. It investigates all complaints alleging violations of these laws. In addition, the division approves employer drug-testing policies and work permits for minors.

The Workplace Safety and Health Division conducts a variety of programs to assist employers in improving their occupational safety and health performance. Training and on-site consultation are offered through the "SafetyWorks!" program. State-funded activities are augmented by two federal grants. Under a grant with the federal Occupational Safety and Health Administration the division provides free consultation services to employers whereby they can receive recommendations without penalties. A grant with the Mine Safety and Health Administration supports training in mine safety. The division also has a public sector enforcement program that enforces rules adopted by the Board of Occupational Safety and Health.

MAINE LABOR RELATIONS BOARD

MARC P. AYOTTE, EXECUTIVE DIRECTOR

Central Office: 2ND FL, ELKINS BLDG, 19 ELKINS, AUGUSTA, ME
Mail Address: 90 STATE HOUSE STATION, AUGUSTA, ME 04333
Established: 1972
Reference: Policy Area: 01 Umbrella: 12 Unit: 180 Citation: T0026 M.R.S.A., Sect.: 000000968
Average Counts-All Positions: 5.000
Legislative Count: 5.00

PURPOSE:
The Maine Labor Relations Board was established to improve the relationship between public employers and their employees by providing a uniform basis for recognizing the right of public employees to join labor organizations of their choosing, and to be represented by such organizations in collective bargaining. State, county, municipal, school department, university, community college, judicial, and legislative employees come within the board’s jurisdiction.

If employers and employee organizations are unable to agree on appropriate bargaining units, they are created through the unit determination process. Once an appropriate unit is constituted, and absent voluntary recognition by the public employer, the board conducts a representation election to determine whether a majority of unit employees wish to be represented by an employee organization for purposes of collective bargaining.

Established bargaining units may be modified by agreement of the public employer and the bargaining agent or through the unit clarification process. Unit employees seeking to change or decertify their bargaining agent may petition the board to conduct a secret ballot election. Board staff conduct unit proceedings and representation elections, subject to review by the board. The board also adjudicates alleged unfair labor practices, referred to as "prohibited acts" under the four labor relations statutes.

The various labor relations statutes administered by the board prohibit public employees from engaging in work stoppages, strikes or slowdowns and provide dispute resolution procedures in lieu of the self-help options available to
employees and employers in the private sector. The dispute resolution procedures include mediation, fact finding, interest arbitration, and, in the case of judicial employees, an option for mediation-arbitration.

ORGANIZATION:
The Maine Labor Relations Board consists of three primary members, one representing each of the elements of public sector labor, public sector management and the general public interest, with the member representing the general public interest serving as chair. These members, and their alternates (two for each of the primary positions), are appointed by the Governor and confirmed by the Legislature, serve for terms of four years.

PROGRAM:
The municipal sector continues to be the most diversified and most active of all sectors utilizing the services of the Maine Labor Relations Board. During FY 2012, 21 voluntary or joint agreements relative to bargaining units were received, down from 36 in the prior year. During FY 2012, 10 unit determination or clarification petitions were filed, compared with 16 such filings in FY 2011. There were eight election requests received by the board in FY 2012. In addition to this, the board received 14 decertification/certification requests and six straight decertification election requests. With respect to election activities, there were 36 election requests in all requiring attention during the fiscal year; this compares with 35 requests in FY 2011 and 19 in FY 2010. In all, board officials conducted 22 elections pursuant to the various petitions filed.

The Board received 24 prohibited practice complaints in FY 2012. This compares to 18 in FY 2011. The administration and processing of these complaints involves both the board and its staff in the details of docketing, arranging hearings before the board members, processing prehearing conferences, scheduling post-hearing memoranda, meeting for deliberation of cases, research, and preparation involved with the decisions themselves.

LICENSES:
None.

PURPOSE:
The Panel of Mediators was established to implement the public policy of the State of Maine of providing a full and adequate facility for the settlement of disputes between employers and employees or their representatives and other disputes subject to settlement through mediation. By law, mediation procedures are mandatory, whenever either party to a controversy requests such services and the Maine Labor Relations Board or its Executive Director finds that the dispute is subject to settlement through mediation and that it is in the public interest to mediate.

ORGANIZATION:
The Panel of Mediators was established in 1951 and came under the administrative auspices of the Maine Labor Relations Board in 1973. The law provides that there be no fewer than five nor more than ten impartial mediators nominated by the Maine Labor Relations Board and appointed by the Governor for terms of three years. There are currently ten State Mediators.

PROGRAM:
This fiscal year, the number of new requests for mediation services increased from the level experienced last year. New mediation requests received during FY 2012 numbered 69 (54 last year). In addition, there were 37 matters carried over from FY 2011 that required mediation activity this year. Thus, the number of matters filed, pending, and requiring attention in FY 2012 reached a total of 106, up from 90 the previous year. The panel achieved a settlement rate of 63.8% for matters concluded this year, including those carried forward from FY 2011. The settlement rate for the past several fiscal years has exceeded 70% of the matters mediated.

This year, one request for preventive mediation services was received. Upon the joint request of the parties, members of the panel train bargaining team members at the outset of negotiations and then facilitate collaborative, problem-solving bargaining for our client community. The parties successfully concluded a successor agreement through the process.

26 MRSA, Sec. 965, Sub-section 2, paragraph C provides that expenditures of this unit are borne by the Maine Labor Relations Board and are included in its financial display.

DEPARTMENT OF LABOR

PURPOSE:
The board was established to formulate and adopt reasonable rules for safe and healthful working conditions in places of public employment provided by the State, county, municipal corporation, school district or other public corporation or political subdivision. The rules must conform as far as practicable with nationally recognized standards of occupational safety and health. The board also hears appeals of Bureau of Labor Standards enforcement actions by regulated parties.

ORGANIZATION:
The Board of Occupational Safety and Health was created in 1976. It consists of ten members, nine appointed by the Governor and one being the Director of the Bureau of Labor Standards. Appointed members include management and labor representatives from the state, county, and local levels, two public members, and one member from the insurance industry. The Bureau of Labor Standards enforces the rules adopted by the board.

PROGRAM:
The board meets four times to review and propose regulations for adoption and otherwise assist the bureau's enforcement activities. The board held no formal appeal hearings.

BUREAU OF REHABILITATION SERVICES
BETSY HOPKINS, DIRECTOR

Central Office: 45 COMMERCE CTR DR, AUGUSTA, ME
Mail Address: 150 STATE HOUSE STATION, AUGUSTA, ME 04333-0150 FAX: (207) 287-5292 Established: 1904 Telephone: (207) 623-7942 Reference: Policy Area: 01 Umbrella: 12 Unit: 152 Citation: T0026 M.R.S.A., Sect.: 000001412C Average Counts-All Positions: 112.000 Legislative Count: 112.00

PURPOSE:
The purpose of the Bureau of Rehabilitation Services (BRS) is to help Maine people with disabilities find or maintain employment and achieve full participation in the community.

Working in partnership with the Maine Department of Health and Human Services, and Department of Education, as well as other rehabilitation providers, the Division of Vocational Rehabilitation Services administers state and federal rehabilitation services for people (including students transitioning from High School) with disabilities.

ORGANIZATION:
State administered rehabilitation services originated in 1921 with the creation of the Vocational Rehabilitation Division under the supervision of the State Board of Education. In 1969, the Legislature directed that a functional unit of rehabilitation services be created within the then Department of Health and
DEPARTMENT OF LABOR
Welfare to consolidate rehabilitation programs and to administer services under the federal Rehabilitation Act.

The Division of Vocational Rehabilitation Services was created under this legislation. The administration of the Vocational Rehabilitation Division, the Division of Eye Care and Special Services, and the Division of Disability Determination Services were consolidated under this legislation. The Legislature created the Division for the Deaf within the Bureau in 1982. In 1994, the Legislature moved the Division of Rehabilitation Services to the Department of Education, and in 1996, moved the Division to the Department of Labor.

PROGRAM:
The Maine Division of Vocational Rehabilitation Services provides a comprehensive program of vocational rehabilitation and works to bring about full access to employment, independence and community integration for people with disabilities. DVR assists eligible individuals with physical or mental disabilities to prepare for and achieve an employment outcome. "Employment outcome" means entering or retaining full-time employment, or, if appropriate, part-time competitive employment in the integrated labor market, supported-employment, or any other type of employment in an integrated setting, including self-employment, telecommuting, or business ownership, that is consistent with an individual's strengths, resources, priorities, concerns, abilities, capabilities, interests, and informed choice.

MAINE UNEMPLOYMENT INSURANCE COMMISSION
JENNIFER Duddy, CHAIR
Central Office: 45 COMMERCE DRIVE, AUGUSTA, ME
Mail Address: 57 STATE HOUSE STATION, AUGUSTA, ME 04332-0057  FAX:
Established: 1936  Telephone: (207) 623-6787
Reference: Policy Area: 01  Umbrella: 12  Unit:172  Citation: T0026  M.R.S.A., Sect: 000001081

PURPOSE:
The Maine Unemployment Insurance Commission conducts appeal hearings or administrative reviews on determinations made by the Division of Administrative Hearings on benefit eligibility disputes and provides initial hearings on appeals of unemployment tax liability determinations.

ORGANIZATION:
The Maine Unemployment Insurance Commission consists of three Commission members and their support staff. The three members are: a Representative of Labor, a Representative of Employers, and a Representative of the General Public. The General Public member serves as the Chair of the Commission, and by statute, must
be an attorney admitted to practice law in Maine. The Chair must remain an impartial member. The Governor appoints the members, subject to review by the joint standing Labor, Commerce, Research & Economic Development Committee and confirmation by the Senate. Each member holds office for a term of six years, or until a successor has been duly appointed and confirmed.

While the finances for the Commission are included in those of the Bureau of Unemployment Compensation, the Commission and the Bureau are separate entities.

**PROGRAM:**
The Unemployment Insurance Commission hears initial appeals on employer tax liability decisions and second-level appeals on benefit eligibility decisions. Hearings are conducted either by telephone or in person, depending on the complexity of the case. In addition, the Commission also considers requests for waiver of benefit overpayments, for tax setoffs, and for approval of eligible training programs. The Commission also reviews the Rules Governing the Administration of the Employment Security Law for possible revision.

**LICENSES:**
None.

**PUBLICATIONS:**
None.

**FINANCES, FISCAL YEAR 2012:** The Bureau of the Budget does not maintain comprehensive fiscal data relative to this unit.

**CHRISTOPHER BOUDREAU, DIRECTOR**

Central Office: 45 COMMERCE CENTER DR, AUGUSTA, ME 04332-0259  
Mail Address: 54 STATE HOUSE STATION, AUGUSTA, ME 04333-0054  
FAX:  
Established: 1996  
Telephone: (207) 621-5179  
Reference: Policy Area: 01  
Umbrella: 12  
Unit: 594  
Citation: T0026  
M.R.S.A., Sect.: 000001401A

**PURPOSE:**
The Center for Workforce Research and Information collects, analyzes and reports on the state and direction of the labor market to assist Maine jobseekers, employers, policymakers, economic developers, education, training planners, and career guidance experts in making key decisions and plans for the future. We provide the department with economic, management, actuarial, and strategic analysis to guide program planning and delivery for unemployment insurance systems and employment and training programs.

**ORGANIZATION:**
The program activities involve data collection, sophisticated research techniques and detailed analysis. Demographic and economic research activities are conducted using social science disciplines. Results of this research are disseminated to a wide array of users in both the public and private sectors. Data is published and used in functional analyses and studies that support decisions of Maine workers, students, and employers.

**PROGRAM:**
Labor Force, Industry Employment Statistics: Survey results are processed and estimates developed monthly regarding employment for all workers in manufacturing and non-manufacturing by industry for Maine and the Portland and Bangor Metropolitan Statistical Areas. Wages by industry are estimated for production workers in manufacturing for Maine. Civilian Labor Force estimates, including the number of people employed and unemployed, are developed by month on a current basis for Maine statewide, 31 labor market areas, 16 counties, and over 500 minor civil divisions.

Occupational Statistics: Occupational employment and wage estimates are provided.
DEPARTMENT OF LABOR

annually for nearly 800 occupations covering the state, five metropolitan areas, two other sub-state regions and 16 counties. Every two years, occupational employment projections are made for the state and seven sub-state areas. In addition, wage surveys are conducted in pulpwood and logging and for selected fruit and vegetables.

Labor Market Information Services: Information is provided concerning Maine labor markets for the state and sub-state areas. Staff provide data and analysis to cover the specific labor market information needs of the department, other public agencies, and a variety of user groups in Maine's 31 labor market areas. Maine employers are assisted with information for affirmative action, labor availability, wage settlements, federal procurement preference eligibility, and business planning. Workforce Information is provided to assist the work search efforts of Maine job seekers. Economic analyses highlighting industry trends and outlook are prepared for Maine educational communities and local workforce investment areas.

Management Information: Analyses and reports are provided to department managers and staff regarding activities within the Bureau of Employment Services and the Bureau of Unemployment Compensation. Economic projections and analyses are made for workload planning and trust fund monitoring. Actuarial research is conducted for various legislative proposals and study commissions. Consumer information regarding training providers is made available to assist individuals receiving federally funded training services.

The expenditures for this program are included under the Bureau of Unemployment Compensation (Unit 169).

LICENSES:
None.

PUBLICATIONS:
Monthly Publication and Website: The website www.maine.gov/labor/cwri contains articles and interactive data sets to provide CWRI's customers with data and analysis about Maine's labor markets. Our publications page http://www.maine.gov/labor/cwri/pubs.html contains articles about Maine and National workforce issues authored by both CWRI staff and external economic journals.

FINANCES, FISCAL YEAR 2012: The Bureau of the Budget does not maintain comprehensive fiscal data relative to this unit.
PURPOSE:
The Law and Legislative Reference Library provides comprehensive legislative reference service and a substantial collection of legal materials for use by the Legislature and its committees, all agencies of state government, the judiciary, attorneys and citizens of Maine. As State Law Librarian, the Director coordinates records management activities within the Legislature, and is an ex officio member of the State Court Library Committee.

ORGANIZATION:
The Library was created by action of the Legislature, with the transfer of functions formerly performed by the law section of the Maine State Library. The nonpartisan Director is appointed by the Legislative Council for a term of 3 years.

PROGRAM:
The Library provides reference, interlibrary loan and circulation services by telephone and TTY, via e-mail, through the postal service and in person. The shared URSUS Internet catalog (http://ursus.maine.edu) gives access to the Library's collection and supports circulation functions. A computer network in the Library gives public access to Maine statutes and cases, citators, legislative bill status, the Internet and a comprehensive legal research service. The Library Internet site includes historical tables and lists, as well as legal research links and a guide to frequently-requested Maine laws. To support research the library staff search a variety of print and electronic resources.

The Library collects all state statutes, selected legal treatises, and resources for non-lawyers. The Library's special resources include biographical information on legislators and members of Maine's legal community and an extensive collection of newspaper clippings on topics of legislative interest. The Library also has the most complete collection of Maine legislative materials available anywhere, including committee files that contain copies of written testimony. The Library staff prepares legislative histories on request and lends compiled histories. The Library participates in state and federal depository programs, receiving documents and providing access to online government information. The Library also participates in the digitization of Maine legal and legislative materials, both directly and through cooperative endeavors with other institutions.

The URSUS system also supports new acquisitions and serials control. The Internet catalog shows items that are on order and issues that have been received for serials such as court reports, codes, journals and updates to topical works.

PURPOSE:
"To make and establish all reasonable laws and regulations for the defense and benefit of the people of this State, not repugnant to this Constitution, nor to that of the United States." (Maine Constitution, Article IV, Part Third, Section 1.)

ORGANIZATION:
The organization of the Legislature of Maine is determined by the Constitution of Maine, by Maine Statutes, and by legislative rules. The Senate consists of 35 members, and the House of Representatives consists of 151 members. All members of both chambers are elected from single member districts. The House has two additional non-voting members who are elected by the Penobscot Indian Nation and the Passamaquoddy Tribe, respectively, to represent their tribes at the Legislature. Beginning with the Second Regular Session of the 125th Legislature, a third tribal representative, a member of the Houlton Band of Maliseet Indians, will be elected to represent that Band at the Legislature. The 125th Legislature is organized into 16 Joint Standing Committees by joint rule. The Joint Standing Committees established by the 125th Legislature are: Agriculture, Conservation and Forestry; Appropriations and Financial Affairs; Criminal Justice and Public Safety; Education and Cultural Affairs; Energy, Utilities and Technology; Environment and Natural Resources; Health and Human Services; Inland Fisheries and Wildlife; Insurance and Financial Services; Judiciary; Labor, Commerce, Research and Economic Development; Marine Resources; State and Local Government; Taxation; Transportation; and Veterans and Legal Affairs. Also, by Joint Rule, the Legislature established the Joint Select Committee on Joint Rules, the Joint Select Committee on Regulatory Fairness and Reform and the Government Oversight Committee.

PROGRAM:
The First Special Session of the 125th Legislature was convened on September 27, 2011 and adjourned the same day. The Legislature considered 3 legislative instruments, including 2 that were chaptered into law. The Second Regular Session of the 125th Legislature was convened on January 4, 2012 and adjourned sine die on May 31, 2012. In the Second Regular Session, the Legislature considered 461 legislative instruments. 246 bills and 54 Resolves were chaptered into law. Twelve bills were vetoed by the Governor, 2 of which were overridden and the rest sustained by the Legislature.

PURPOSE:
The Office of Fiscal and Program Review collects, researches and analyzes fiscal and program information related to the finances and operation of State Government for legislators, legislative committees and commissions. As part of this role the Office analyzes the Governor's budget and other appropriation requests, reviews all bills and amendments for their fiscal impacts to provide projections of revenue and expenditures and monitors agency financial activities.

The Office also provides staff support to the Joint Standing Committee on Appropriations and Financial Affairs, the Joint Standing Committee on Taxation, the Joint Standing Committee on Transportation (for fiscal matters only), the Joint Standing Committee on Health and Human Services (for fiscal matters only) and other legislative committees as assigned. The Director of the Office and one of the Office's Principal Analysts represent the Legislature on the Revenue Forecasting Committee, which was established in law (5 M.R.S.A., section 1710-E) to provide policy makers with revenue projections.

ORGANIZATION:
The Office of Fiscal and Program Review is one of several nonpartisan offices operating under the direction of the Legislative Council and its Executive Director. It is led by a director who is appointed by the Legislative Council for a 3-year term and is staffed by eight other professional staff and two administrative positions.

PURPOSE:
The Office of Policy and Legal Analysis is a nonpartisan office of the Maine Legislature that provides information, policy and legal analysis, and assistance in formulating and drafting legislative proposals, reports and recommendations.

The Office provides nonpartisan research, analysis and professional staffing to 15 joint standing committees of the Legislature, select committees, legislative study commissions and individual legislators. Major functions include: analysis of legislation, preparation of research documents, facilitation of committee

110
decision-making and drafting of committee amendments. The Office also assists the Office of the Revisor of Statutes in drafting initial bills for introduction into each legislative session.

When the Legislature is not in session, the Office provides staff support for legislative studies authorized by the Legislative Council or established by law or joint order. This support to study committees and commissions includes providing policy and legal research and analysis, and preparing final reports and accompanying legislation. The Office also assists the joint standing committees in fulfilling their legislative responsibilities relating to oversight of agency rule-making and the periodic review of agency programs and operations.

ORGANIZATION:
The Office of Policy and Legal Analysis is one of several nonpartisan offices operating under the direction of the Legislative Council and its executive director. The office has a staff of 23, including an office director who is appointed by the Legislative Council for a 3-year term.

PUBLICATIONS:
The following general reference publications are available for a nominal or no charge and are available on the office website:

OFFICE OF THE REVISOR OF STATUTES
SUZANNE M. GRESSER, REVISOR OF STATUTES

Central Office: STATE HOUSE - ROOM 108, AUGUSTA, ME
Mail Address: 7 STATE HOUSE STATION, AUGUSTA, ME 04333-0007  FAX:
Established: 1928  Telephone: (207) 287-1650
Reference: Policy Area: 00  Umbrella: 30  Unit: 263R  Citation: T0003  M.R.S.A., Sect.: 000000161

PURPOSE:
The Office of the Revisor of Statutes was originally created in 1928 and later established as the Office of Legislative Research in 1947. The Office reassumed its original name in 1986. The Office is nonpartisan and performs four primary functions: legislative drafting and editing, engrossing, publication of laws, and maintenance of the statutes and the Constitution of Maine. The Office is the point where legislative instruments, including original bills and floor amendments, are initially filed and then produced in final form for introduction; the Office reviews, edits and processes committee amendments and new drafts; it serves as clerk of the Committee on Bills in the Second Reading for both the House and Senate; and it is responsible for examining all bills in Second Reading for both the House and Senate, and for engrossing all bills prior to their enactment. The Office tracks legislation by title and section number to detect potential duplication and conflicts.

The Office publishes all laws enacted during each legislative session as the Laws of Maine and assists the commercial publishers of the Maine Revised Statutes by providing materials for the supplementary pamphlets and pocket parts.

The office may be contacted via e-mail: revisor.office@legislature.maine.gov

MAINE-CANADIAN LEGISLATIVE ADVISORY COMMISSION
ROBERT W. NUTTING, SPEAKER OF THE HOUSE

Central Office: STATEHOUSE, AUGUSTA, ME
Mail Address: 2 STATE HOUSE STATION, AUGUSTA, ME 04333-0002  FAX: (207) 287-1300
Established: 1978  Telephone: (207) 287-1300
Reference: Policy Area: 00  Umbrella: 30  Unit: 300  Citation: T0003  M.R.S.A. Sect.: 000000227

PURPOSE:
The purpose of the Commission is to advise the Legislature in identifying ways to encourage increased cooperation between Maine and Canada; and, specifically, between the Maine Legislature and the legislative bodies of Canada, and to promote economic, cultural and educational exchanges between Maine and the Canadian provinces.

ORGANIZATION:
Created by statute in February, 1978, the Maine-Canadian Legislative Advisory Commission consists of 8 members, 4 of whom are appointed by the Speaker of the House and 4 of whom are appointed by the President of the Senate. At least one member appointed by the President of the Senate and one member appointed by the Speaker of the House must be fluent in the French language.

Members serve without compensation.

PROGRAM:
The Maine-Canadian Legislative Advisory Commission continues to encourage and support economic, cultural and educational exchanges between Maine and the Canadian provinces, including Franco-American Day activities.

FINANCES, FISCAL YEAR 2012: The Bureau of the Budget does not maintain comprehensive fiscal data relative to this unit.
PURPOSE:
The State House and Capitol Park Commission was created in 1988 (Chapter 816, P.L. 1987) to develop and recommend a plan for the preservation and development of the aesthetic and historical integrity of the State House and its immediate grounds and to work in cooperation with the Capitol Planning Commission to coordinate planning and specific projects. The Commission's jurisdiction was extended in 1989 to include Capitol Park.

ORGANIZATION:
The State House and Capitol Park Commission comprises 11 voting members and 5 ex officio members as follows: voting members include the Director of the Maine Historic Preservation Commission; six members of the public (4 of whom are appointed jointly by the Speaker of the House and the President of the Senate, and 2 by the Governor); the Governor, Speaker of the House, President of the Senate or their representatives; and the Director of the State House and Capitol Park Commission.

Ex officio, non-voting members include the Director of the Maine State Museum; the Director of the Maine Arts Commission, the Director of the Bureau of General Services; the Chair of the Capitol Planning Commission; and the Executive Director of the Legislative Council.

PROGRAM:
The Commission continues to oversee the implementation of the master plan for renovation, repair and restoration projects in the State House and in Capitol Park.

The projects, all of which are in keeping with the master plans for the State House and Capitol Park, including patching and re-painting of the building interior, roof maintenance and repair, repair of entry stairs, sidewalk and pavement repairs and protection, completion of Capitol Street crosswalk safety measures, repairs to the high dome and restoration of Capitol Park by restoring patios, allées, seating and picnicking areas and installation of catch basin and other water control devices. Future restoration projects will include roof and dome repairs or replacement and correction of drainage issues in Capitol Park.

COMMISSION ON INTERSTATE COOPERATION

David E. Boulter, Executive Director
PURPOSE:
The Commission on Interstate Cooperation was established in 1939 to carry forward Maine's participation in the Council of State Governments and to advance cooperation between the State of Maine and other units of government. The Commission itself was repealed by Public Law 2001, Chapter 352, effective September 21, 2001.

PROGRAM:
This program includes Maine's annual dues to two national organizations that serve as clearinghouses for information on State programs of national and international interest and provide support to state legislatures: the Council of State Governments and the National Conference of State Legislatures. The Council of State Governments/Eastern Regional Council is a bipartisan organization serving all 3 branches of government and provides a regional network for identifying and sharing ideas with state leaders and monitors activities in the federal government and their impact on state issues and programs. The National Conference of State Legislatures is a bipartisan organization which serves the legislators and legislative staff of the nation's 50 states, its commonwealths and territories with the objectives of improving the quality and effectiveness of state legislatures, fostering interstate communication and cooperation, and ensuring states a strong, cohesive voice in the federal system.

COMMISSION ON UNIFORM STATE LAWS
BRUCE A. COGGESHALL, CHAIRPERSON

Central Office: 254 COMMERCIAL STREET, PORTLAND, ME 04101-1110
Mail Address: 254 COMMERCIAL STREET, PORTLAND, ME 04101-1110  FAX: (207) 791-1350
Established: 1955  Telephone: (207) 791-1100
Reference: Policy Area: 00  Umbrella: 30  Unit: 271  Citation: T0003  M.R.S.A., Sect.: 000000241

PURPOSE:
The Commission on Uniform State Laws was established to examine subjects on which uniformity of legislation among the states is desirable and to bring to the State of Maine the benefit of the sustained study and research of judges, lawyers and legal scholars through the National Conference of Commissioners on Uniform State Laws.

PROGRAM:
The Maine Commission on Uniform State Laws is a participant in the National Conference of Commissioners on Uniform State Laws in its work as a Committee of the whole and on its drafting and review subcommittees. Uniform Commercial Code, Uniform Probate Code, Uniform Anatomical Gift Act as amended, Uniform Transfers to Minors Act, Uniform Guardianship and Protective Proceedings Act, Uniform Health Care Decisions Act (Advance Directives), Uniform Interstate Family Support Act and Uniform Unclaimed Property Act are examples of Acts developed and adopted by the Conference which have great value to the several states, and are among the 59 Uniform Acts adopted by the State of Maine in the last century.

The Commission, like its counterparts in other states, works through appropriate legislative committees, the Maine State Bar Association and others having an interest in the particular uniform act.

OFFICE OF LEGISLATIVE INFORMATION TECHNOLOGY

SCOTT W. CLARK, DIRECTOR

Central Office: 115 STATE HOUSE STATION, AUGUSTA, ME 04333-1154
Mail Address: 115 STATE HOUSE STATION, AUGUSTA, ME 04333-1154
FAX: (207) 287-2557
Phone: (207) 287-1625
Established: 1996
Reference: Policy Area: 00 Umbrella: 30 Unit: 2631 Citation: T0003 M.R.S.A., Sect.: 00000162

PURPOSE:
The Legislative Council's Office of Legislative Information Technology provides support services to all legislative offices in the areas of information technology.

ORGANIZATION:
The Office is responsible for the operation and support of legislative computer systems, as well as for coordinating the design of the major applications that support the legislative process and the operations of individual legislative offices.

PROGRAM:
During fiscal year 2011-12, the Office of Legislative Information Technology (LIT), in the operations area, rebuilt and upgraded the network infrastructure increasing speed, reliability and security. The transition to virtual servers continued with several more file services, applications and databases being migrated. Disaster recovery and business continuity were enhanced with upgrades to the backup systems. PC replacements included Windows 7 bringing the total usage above 50%.

In the applications area, the bill related applications and supporting databases were integrated and the functionality enhanced. An application to post written testimony was developed within that system and prototyped in 3 committees. Microsoft Office 2010 was deployed to all offices and training provided.

The existing 25+ year old telephone system was replaced with a voice over IP (VoIP) phone system.

The Office of Information Technology also supported production offices, the House of Representatives, the Senate and individual members, resolving problems and providing instruction in the use of technology throughout the fiscal year.

FINANCES, FISCAL YEAR 2012:
The Bureau of the Budget does not maintain comprehensive fiscal data relative to this unit.

SENATE

KEVIN L. RAYE, PRESIDENT OF THE SENATE
JOSEPH G. CARLETON, JR., SECRETARY OF THE SENATE

Central Office: 115 STATE HOUSE STATION, AUGUSTA, ME 04333-0003
Mail Address: 3 STATE HOUSE STATION, AUGUSTA, ME 04333-0003
FAX: (207) 287-1540
Phone: (207) 287-1540
Established: 1820
Reference: Policy Area: 00 Umbrella: 30 Unit: 261 Citation: C0004 M.R.S.A., Sect.: 002-00001

PURPOSE:
The Senate is the upper chamber of the Maine Legislature, and serves as the final confirming body of all bills passed before they are sent to the Governor. Under Article IV, Part Third, Section 9 of the Constitution of Maine, the Senate may originate all bills except those proposed for the purpose of raising revenue. It
may, however, amend bills for the raising of revenue, provided that the amendment
is not in fact used to introduce new raising of revenue.

The Senate is the sole judge of the qualifications of its members. It maintains
sole authority to punish or censure its own members; it has the power to imprison
persons who are not Senators for contempt; it determines its own rules for Senate
proceedings; and it maintains a permanent journal of its proceedings.

By Constitutional Resolution, passed during the First Regular Session of the
107th Legislature and adopted by the voters in November, 1975, the Senate is
empowered to confirm all gubernatorial nominations requiring Legislative approval
(formerly confirmed by the Executive Council). Article IV, Part Second, Section
7, empowers the Senate to try all impeachments.

ORGANIZATION:
The Senate has remained constant in its form of organization as a Constitutional
body since its establishment in 1820. As defined under Article IV, Part Second,
Section 1 of the Constitution, the Senate currently consists of 35 Senators.
Each Senator is elected for a term of two years, and limited to four consecutive
terms. A Senator must be a citizen of Maine for at least one year, be a resident
of the district for at least 3 months prior to the election and continue to
reside within the district during the term of office, and be at least 25 years of
age at the time of election.

The Constitution requires that the Senate be reapportioned every 10 years, by the
Senate itself or, if the Senate fails to do so within the required time, by the
Maine Supreme Judicial Court. In 2003, the Maine Supreme Judicial Court
apportioned the Senate.

The Senate elects a President, who presides over all its proceedings; a Secretary
and Assistant Secretary, who serve as chief administrative officers. The major
political parties in the Senate each elect their own leaders and assistant
leaders who, by statute (3 MRS, Section 168), are permitted to hire their own
staff assistants, with the approval of the presiding officer.

PROGRAM:
The First Senate Confirmation Session of the 1st Regular Session of the 125th
Maine Legislature convened on September 27, 2011 and considered 91 Gubernatorial
Nominations. The Second Regular Session of the 125th Legislature convened on
Wednesday, January 4, 2012 and met for 51 Legislative Days, adjourning sine die
at 1:02 pm on May 29, 2012.

During this session, the Senate considered 461 Legislative Documents, 17
Senate-sponsored Joint Resolutions/Orders, and 39 Gubernatorial Nominations. The
Senators submitted 107 proposed Amendments to the Secretary of the Senate for
reproduction prior to consideration by the Senate.

FINANCES, FISCAL YEAR 2012: The Bureau of the Budget does not maintain
comprehensive fiscal data relative to this unit.
PURPOSE:
The House of Representatives has by Article IV, Part Third, Section 9 of the Maine Constitution, the sole power to originate bills for the raising of revenue and, by Article IV, Part First, Section 8 of the Maine Constitution, the sole power to impeach, although impeachments are tried in the Senate.

The House is the sole judge of the qualifications of its own members, determines its own rules for House proceedings, may alone punish its own members, keeps a journal of its proceedings, and has the power to imprison persons who are not House members for contempt.

ORGANIZATION:
The basic constitutional organization and functions of the House of Representatives have remained constant since its establishment in 1820. The House of Representatives consists of 151 members elected from single member districts for terms of 2 years. Members are limited to four consecutive terms. A Representative must be a citizen of the United States for at least 5 years prior to the election, have been a resident of Maine for at least one year, be a resident of the election district at the time of the nomination for placement on a primary, general or special election ballot, have been a resident of the election district for 3 months prior to the election and continue to be a resident of that district during the term, and be 21 years of age when seated as a member.

The Constitution of Maine requires that the House of Representatives be reapportioned by the Legislature itself, or, if this is not done within the required period of time, by the Supreme Judicial Court. The Legislature's reapportionment plan must be enacted by a vote of 2/3 of the Members of each House and such action is subject to the Governor's approval.

The House elects a Speaker who presides over the proceedings, a Clerk and Assistant Clerk. The individual political parties in the House elect their own leaders and assistant leaders. By House Rules (Rule 104) the leadership of the House is permitted to hire its own assistants.

PROGRAM:
The House convened its First Regular Session of the 125th Maine Legislature on Wednesday, December 1, 2010 and adjourned from its First Regular Session on Wednesday, June 29, 2011. During the First Regular Session there were 1,135 House-sponsored Legislative Documents, 28 House Orders, 28 House-sponsored Joint Orders, and 22 House-sponsored Joint Resolutions considered. House members submitted 137 Floor Amendments and 540 Committee Amendments to the Clerk for reproduction.

The House convened its First Special Session of the 125th Maine Legislature on Tuesday, September 27, 2011 and adjourned the same day. During the First Special Session there were 3 House-sponsored Legislative Documents, 2 House Orders, and 1 House-sponsored Joint Resolution considered. House members submitted 3 Floor Amendments and 1 Committee Amendment to the Clerk for reproduction.

The House convened its Second Regular Session of the 125th Maine Legislature on Wednesday, January 4, 2012 and adjourned from its Second Regular Session on Thursday, May 31, 2012. During the Second Regular Session there were 190 House-sponsored Legislative Documents, 19 House Orders, 12 House-sponsored Joint Orders, and 14 House-sponsored Joint Resolutions considered. House members submitted 160 Floor Amendments and 194 Committee Amendments to the Clerk for reproduction.

Average Counts-All Positions: 182.198 Legislative Count: 146.50

PURPOSE:
The Legislative Council is responsible for overall administration and management of the Legislative Branch. Its general powers and duties are set out in statute (3 MRSA Section 162) and the Joint Rules adopted by the Legislature at the beginning of each biennium. They include approval of all legislative budgets and provision for financial oversight of legislative funds; establishing salary and benefit schedules for all legislative employees, except as otherwise provided by law; planning and overseeing projects designed to improve the organization, operation, and physical facilities of the Legislature; and allocation of work to legislative committees when the Legislature is not in session.

The Council also appoints the directors of the nonpartisan offices, including the Executive Director of the Legislative Council, the State Law Librarian, the Revisor of Statutes, and the Directors of the Offices of Fiscal and Program Review, Policy and Legal Analysis and Legislative Information Technology. In addition, the Council appoints the nonpartisan director of the Office of Program Evaluation and Government Accountability. The Council has the authority to adjust the salaries of the Constitutional Officers within the salary ranges specified in 3 MRSA Section 162-B.

ORGANIZATION:
The Legislative Council consists of the ten elected members of leadership: the President of the Senate, the Speaker of the House, and the Majority and Minority Floor Leaders and Majority and Minority Assistant Floor Leaders for the House and the Democratic and Republican Floor Leaders and Democratic and Republican Assistant Floor Leaders for the Senate. The Council Chair and Vice-Chair are elected by the Legislative Council at the beginning of each legislative biennium and serve for the entire biennium. By tradition, the Council chair alternates every two years between the House and the Senate. Any action by the Legislative Council requires the affirmative votes of a majority of the members.

The Council is supported by an executive director and 6 nonpartisan staff offices.
LEGISLATIVE DEPARTMENT

PROGRAM:
The Legislative Council is responsible by law for providing professional, nonpartisan staff support services to the Legislature and its officers, members, committees and commissions. These services include bill drafting; general policy, legal and fiscal research and analysis; fiscal note preparation; committee staffing; computer support services; public information; library and reference services and support; and general administrative services.

Further responsibilities of the Council include consideration of all bills submitted after cloture (after deadline bills) during any legislative session. In addition, the Council screens all bill requests prior to their introduction in the Legislature's Second Regular Session and all Special Sessions.

ADVISORY COUNCIL (TO MARINE RESOURCES) BUREAU OF RESOURCE MANAGEMENT
OFFICE OF THE COMMISSIONER BUREAU OF SEA RUN FISHERIES AND HABITAT
BUREAU OF MARINE PATROL

PURPOSE:
The Department of Marine Resources was established to conserve and develop marine
and estuarine resources of the State of Maine by conducting and sponsoring
scientific research, promoting and developing the Maine commercial fishing
industry, administering and enforcing marine laws and regulations, and by
advising agencies of government concerned with development or activity in coastal
waters.

Through the authority vested in its Commissioner, the Department of Marine
Resources is empowered to conserve and develop the marine resources of the State,
and to enforce the laws relating to marine resources. The department has the
authority to enter into reciprocal enforcement agreements with other states,
interstate regional authorities and the Federal Government; to cooperate, consult
and advise with other appropriate state agencies on all interrelated matters
involving the coast and its marine resources; to assist the industry in the
promotion and marketing of its products; to close contaminated shores, waters and
flats; to make regulations to assure the conservation of renewable marine
resources in any coastal waters or flats of the State; and to hold hearings and
to publish notices as may be required by law.

ORGANIZATION:
The Department of Marine Resources originated in 1867 with the establishment of
Commissioners of Fisheries. In 1895, the Commissioners were renamed Commissioner
of Inland Fisheries and Game and a new Commissioner of Sea and Shore Fisheries
was authorized, representing the first clear distinction between inland and
coastal natural resources. In 1917, the Commissioner was replaced by a
Commission of Sea and Shore Fisheries, and in 1931, the Commission became the
Department of Sea and Shore Fisheries and the post of Commissioner was
reestablished. Both the Advisory Council of the Department of Sea and Shore
Fisheries and The Atlantic Sea Run Salmon Commission were created in 1947.

In State Government reorganization legislation of 1973, the 106th Legislature
established the Department of Marine Resources, along with an expanded Marine
Resources Advisory Council. Additional duties and responsibilities were assigned
to the agency and its Council, along with those which previously were the
responsibility of the Department of Sea and Shore Fisheries and its Advisory
Council. Advisory councils are established by statute for the Lobster, Scallops,
Sea Urchin, Shellfish and Sea Run Fisheries and Habitat, as well as Commercial
Fishing Safety and Aquaculture. In addition, seven lobster policy management
councils (Zones) are established with authority to hold referenda regarding
lobster fishing regulations.

PROGRAM:
There has been significant effort to put needed management programs in place to
assure sustainable fisheries. As management constraints are placed in
traditional fisheries, participants in the fishing industry look to find other
fisheries to move into; this places additional strain on those fisheries. The
department continues to focus on conservation and management of marine resources,
on seafood safety, boating safety, and marine education.

Significant fisheries management issues have occupied large amounts of time by
the commissioner and staff involving both the New England Fisheries Management
Council and the Atlantic States Marine Fisheries Commission. The fisheries
DEPARTMENT OF MARINE RESOURCES

involved include: lobster, herring, groundfish, shrimp, striped bass, menhaden, herring, scallops, mahogany quahogs, and others. Upcoming management measures for groundfish have caused significant concern with regard to the impact they would have on Maine’s fishing fleet. Much energy has gone into guiding the process so that both fisheries management objectives and maintenance of the fleet could be attained. There will be continued demands on agency time to participate in development of federal and interjurisdictional fisheries management plans. The Department has specific regulation authority to place immediate restrictions on emerging new fisheries. The Department gathers both commercial and recreational fishery landings statistics.

Aquaculture is a significant component of the fisheries contribution to the state’s economy. Most of the finfish development is concentrated in the eastern portion of the state in the Cobscook Bay area. Shellfish is more evenly distributed with significant concentration in the Damariscotta River area. As the industry develops new techniques, opportunities for economic growth of the industry will continue.

FINANCES, FISCAL YEAR 2012: The expenditure information for this unit was generated from the Budget and Financial Management System (BFMS).

PURPOSE:
The Marine Resources Advisory Council, established by Title 5, section 12004-G, consists of sixteen members and provides advice to the commissioner on policy matters affecting the fishing industry, and outlines the problems and needs of the segments of the industry they represent.

ORGANIZATION:
The Advisory Council of the Department of Sea and Shore Fisheries was created in 1947. In the State Government reorganization legislation of 1973, the 106th Legislature established the Department of Marine Resources, along with an expanded Marine Resources Advisory Council. Additional duties and responsibilities were assigned to the agency and its Council, along with those which previously were the responsibility of the Department of Sea and Shore Fisheries and its Advisory Council. The Advisory Council is appointed by the Governor and confirmed by the Legislature. It consists of commercial harvesters and dealers, a public member, a recreational fisherman, an aquaculture member and the chairs of the Lobster, Sea Urchin, Shellfish, and Sea Run Fisheries and
DEPARTMENT OF MARINE RESOURCES

Habitat Advisory Councils.

PROGRAM:
The Council meets quarterly to provide advice to the Commissioner on policy matters affecting the industry and to outline the problems and needs of the Maine fishing industry.

FINANCES, FISCAL YEAR 2012: The Bureau of the Budget does not maintain comprehensive fiscal data relative to this unit.

OFFICE OF THE COMMISSIONER
PATRICK KELIHER, COMMISSIONER
MEREDITH MENDELSON, DEPUTY COMMISSIONER

Central Office: BAKER BLDG, 2 BEECH STREET, HALLOWELL, ME
Mail Address: 21 STATE HOUSE STATION, AUGUSTA, ME 04333-0021
Established: 1978
Telephone: (207) 624-6550

Average Counts-All Positions: 19.000
Legislative Count: 19.00

PURPOSE:
The Office of the Commissioner performs the administrative functions of the Department of Marine Resources (DMR) and advises other governmental agencies concerned with development or activity in coastal waters. Its responsibilities include receiving fees from approximately thirty-seven types of licenses and permits. Detailed records are maintained on all licenses, statistics on landings, management, special information and federal/state programs.

Duties include coordination of public hearings for regulation changes, and aquaculture leases following APA procedures; statistics; and contact with central service agencies.

ORGANIZATION:
The Office of the Commissioner provides service to the Department in equipment, purchasing, processing of license applications and revenues, and assists in the administration of federal and other revenue contracts and projects, department contracts for special services, and coordination of public hearings & aquaculture leases. Liaison with the New England Fishery Management Council and the Atlantic States Marine Fisheries Commission is provided by Division personnel. The Licensing section handles license sales and eligibility, statistics, information processing, and inquiries from the public. The Division administers the department’s financial records and provides liaison with the Legislature and various types of communications for the marine fishing industry.

PROGRAM:
The Office carries out directives of the Commissioner of Marine Resources in performing his/her statutory responsibilities. The Office provides data needed for departmental decisions, represents the Commissioner in matters concerning administration, and assists in preparing strategic plans, licensure, and processes of the Department.

Average Counts-All Positions: 55,000
Legislative Count: 55.00

PURPOSE:
The Bureau of Marine Patrol (BMP) is the enforcement arm of the Department of Marine Resources. Marine Patrol Officers are responsible to enforce all marine commercial and recreational fishing laws and rules. Maine has over 125,000 state registered vessels. Inclusive of BMP’s duties are, but are not limited to, the enforcement of all shellfish harvesting, closed areas, processing, and interstate shipment laws and rules that are required by the National Shellfish Sanitation Program (NSSP). Under the NSSP Model Ordinance, the BMP is required to record and monitor over 230 closed areas, not to mention Red Tide and Flood closures up and down the coast of Maine. The enforcement and monitoring of public safety and health laws have always been a high priority within patrol. The Bureau has also been given additional authority from the Maine Legislature to assist the United States Coast Guard with homeland security as warranted. Maine has 5,337 miles of coastline with some of the most productive fishing grounds in the world. Marine Patrol Officers are also federally deputized to assist with enforcement of federal fishing regulations under a Joint Enforcement Agreement with the NOAA/NMFS Office of Law Enforcement. Industry voluntary compliance and stringent enforcement of Marine Resources laws help to protect all natural resources.

ORGANIZATION:
The Warden Service, so named in 1947, was originally established as Fish Wardens in 1843, and was appointed by the Governor and Council. In 1917 the appointment authority was transferred to the Commissioner of Sea and Shore Fisheries (renamed Commissioner of Marine Resources in 1973). The Bureau has been an integral segment of the department throughout its existence. Division offices are located in Boothbay Harbor and Lamoine.

PROGRAM:
The Bureau enforces the state's marine fisheries laws, federal regulations under a joint enforcement agreement, boating registration and safety laws, and environmental laws in cooperation with the Department of Environmental Protection; assist the United States Coast Guard with search and rescue operations on coastal waters; enforces all marine-related criminal laws; and, serves as a general service agency to coastal residents and visitors. The BMP partners with the Maine Emergency Management Agency for emergencies resulting from natural disasters, technological hazards and national security incidents.
DEPARTMENT OF MARINE RESOURCES

PUBLICATIONS:
A pamphlet containing marine resource laws is published biannually following adjournment of the first regular session of each legislature.

BUREAU OF RESOURCE MANAGEMENT
LINDA MERCER, DIRECTOR
MEREDITH MENDELSON, DEPUTY COMMISSIONER

Central Office: MCKOWN POINT, WEST BOOTHBAY, ME 04575
Mail address: PO BOX 8, WEST BOOTHBAY, ME 04575
FAX: (207) 633-9579
Established: 1946
Telephone: (207) 633-9500
Reference: Policy Area: 04 Umbrella: 13 Unit:188 Citation: T0012 M.R.S.A., Sect.: 000006021
Average Counts-All Positions: 70.000 Legislative Count: 67.00

PURPOSE:
The Bureau of Resource Management conducts scientific research and monitoring to conserve, restore, and manage the marine and estuarine fishery resources of the State of Maine; assures public health through sanitation of shellfish harvesting areas, harvesting, and processing, and distribution under the National Shellfish Sanitation Program standards; and conducts educational programs on marine resources. Long-term fishery monitoring programs and research are conducted to provide information on stock levels and environments of commercially and recreationally valuable marine organisms, and to provide scientific information, services and assistance to the public, industry and governments. The Bureau conducts water quality monitoring and pollution source identification for the classification of shellfish growing areas and biotoxin monitoring to ensure shellfish are safe for human consumption, and works with municipalities that are involved in municipal shellfish management programs. Approximately 71 towns of the 90 along the coast participate in shellfish management. The Bureau also assesses the impacts of construction and dredging projects proposed by individuals, municipal and federal governments, conducts oil spill response activities, and marine education programs for students and the general public.

The Bureau of Resource Management is engaged in interstate management of commercially and recreationally important species including American lobster, northern shrimp, Atlantic herring, striped bass, Atlantic menhaden, bluefish, horseshoe crab, and winter flounder through the Atlantic States Marine Fisheries Commission. The Bureau participates in the Atlantic Coastal Cooperative Statistics Program, a coast wide initiative to improve the collection of commercial and recreational statistics. Scientific staff participates in data collection, stock assessment, and management plan development for species including groundfish, monkfish, sea scallops, ocean quahogs, and Atlantic herring that are managed by the New England and Mid-Atlantic Fishery Management Councils and National Marine Fisheries Service.

ORGANIZATION:
The Bureau of Resource Management was established administratively in 1946 and is
DEPARTMENT OF MARINE RESOURCES

the oldest continuously operating marine research agency in the Gulf of Maine with a laboratory at McKown Point in Boothbay Harbor that includes fishery, microbiology and biotoxin laboratories; GIS mapping facilities; wet lab; scientific and fishermen's library; and the Maine State Aquarium. A microbiology and biotoxin laboratory located at Lamoine State Park serves the eastern section of the coast. The Bureau is comprised of four divisions: Biological Monitoring and Assessment, Ecology, Public Health, and Marine Education.

PROGRAM:
Detailed catch, effort, and biological data are collected from the fisheries for American lobster, Atlantic herring, northern shrimp, green sea urchin, sea scallop, and sea cucumber. Samples are processed for length, weight, sex, state of maturity, gonad weight, and age composition for use in stock assessments and management. Fishery-independent surveys are conducted for sea urchin, juvenile lobster, ocean quahog, shrimp and sea scallop for assessment and management decisions. Commercial landings data are collected from seafood dealers and fishermen, and provided to the National Marine Fisheries Service and Atlantic Coastal Cooperative Statistics Program. Tagging studies are conducted on selected species such as Atlantic halibut and winter flounder. Scientists participate in stock assessments and fishery management plan development through the Atlantic States Marine Fisheries Commission and New England Fishery Management Councils. Spring and fall surveys of marine resources are conducted along the coasts of Maine and New Hampshire to assess the abundance and distribution of fishery populations in coastal waters. Other programs include surveys of rainbow smelt spawning areas and development of conservation programs for finfish species of concern; aquaculture lease application review; rockweed fishery monitoring; and submerged aquatic vegetation mapping. Saltwater angler catches are sampled along the coast for the National Marine Fisheries Service Marine Recreational Fishery Information Program and Large Pelagics Survey. Long-term monitoring of atmospheric and oceanographic conditions in Boothbay Harbor is conducted.

The Public Health Division evaluates shellfish growing areas and conducts a wholesale dealer evaluation and certification program to protect public health under the National Shellfish Sanitation Program. Staff and volunteers conduct water quality monitoring of shellfish growing areas and shoreline surveys to identify pollution sources with the goal of increasing the amount of shellfish-producing areas open to harvesting. Biototoxin sampling is conducted to monitor the occurrence of Paralytic Shellfish Poisoning from "Red Tides" and close shellfish harvest areas as necessary to protect public health. Volunteers monitor phytoplankton in coastal waters to determine the presence of harmful algae. Area biologists work with municipalities with shellfish management programs.

The Marine Education Program operates the Maine State Aquarium from May through September and provides education programs for numerous school groups and others throughout the year. Educational and living history programs are conducted at the Burnt Island Lighthouse Station Resource Center. Educational materials are provided to schools throughout the year and presentations of living marine organisms are made at sportsman shows and other events throughout the year.

PURPOSE:
The Bureau of Sea Run Fisheries and Habitat was created in 2007 when the Maine Atlantic Salmon Commission (Commission) was consolidated with DMR's Division of Stock Enhancement. The Bureau has the management responsibility for twelve diadromous species and is engaged in interstate management as it relates to their commercial and recreational importance. The Bureau's overall mission is to conserve, manage and enhance diadromous fish populations to their historic range within the State; to secure sustainable commercial and recreational fisheries for diadromous species; and to conduct and coordinate projects involving research, planning, management, restoration or propagation of diadromous species.

Until 2010 the Maine Atlantic Salmon Commission remained as a policy board for the Management of sea-run Atlantic salmon. The Commission was ultimately abolished during the 124th Maine Legislature due to budget cuts and recognition that a single species management program had limited value within a multi-species management program. All responsibilities including policy direction and research programs were transferred to the Bureau. The Bureau remains very active in the management of Atlantic salmon. Because this species is listed by the NOAA and the USFWS, the coordination and collaboration on projects involving research, planning, management, restoration or propagation remains a top priority. The Bureau has the sole authority to introduce Atlantic salmon into the inland waters, other than in commercial aquaculture facilities. In addition, the Commission has management responsibility for the Atlantic Salmon Conservation Plan and has cooperative management responsibilities with the Federal Atlantic Salmon Recovery Plan and the newly developed Atlantic Salmon Management Framework.

There are eleven other species of native diadromous fishes, each of which has specific habitat requirements and differing management needs. The historical ranges of commercially harvested species were fairly well documented by Maine's first Commissioners of Fisheries. Shortnose sturgeon and Atlantic sturgeon spawned only in the Kennebec and Penobscot rivers. Populations of Atlantic tomcod, rainbow smelt, and striped bass were more widely distributed along the coast, but generally did not migrate above the head-of-tide. Most watersheds had runs of alewife, American eel, American shad, Atlantic salmon, and blueback herring, and in large rivers these fish traveled almost 100 miles from the ocean. Sea lamprey and sea-run brook trout were not harvested commercially, and their historic ranges were not described. By the time the Commissioners of Fisheries were appointed in 1867 most runs of diadromous fishes were greatly reduced or extirpated. Much of the focus now is to restore access to historic habitat to restore these species to their fullest potential.

ORGANIZATION:
The Bureau's main office is in Hallowell with a field office in Bangor and another in Jonesboro. Because of Maine's larger river systems and the nature of diadromous fishes' life cycle, staff work in all counties of the state. The Bureau Director with the oversight of the Commissioner and Deputy Commissioner oversees management activities.

PROGRAM:
The Bureau has several major recovery areas:

Atlantic salmon focus areas are historic salmon rivers including the Aroostook, Penobscot, Kennebec, Androscoggin, Saco River, Dennys, East Machias, Machias, Pleasant, Narraguagus, Cove Brook, Duck Trap, and Sheepscot. This program involves stocking salmon at various life stages, enumerating and tagging wild salmon parr, identifying and restoring salmon habitat and access to the habitat, and water quality monitoring studies.

The Kennebec and Androscoggin Rivers are the focus of the most intense shad and
DEPARTMENT OF MARINE RESOURCES

river herring restoration on the east coast. This program is funded by the hydropower owners on the river who settled with the State and many NGOs at the time the Edwards Dam was removed. Beginning in 2010 the Bureau has begun a new effort on the Penobscot to restore river herring and shad. This effort is made possible by the success of the Penobscot River Restoration Program and the State of Maine’s Penobscot River Multi Species Management Plan developed by DMR, IF&W, federal fisheries agencies and other NGO partners.

A major focus for diadromous fish restoration is the Federal Energy Regulatory Commission’s (FERC) licensing process for hydropower dams. This provides the best opportunity for state agencies to obtain fish passage. The re-licensing process often leads to comprehensive settlement agreements that encompass multiple projects, provide for sequential fish passage, eliminate the need for extensive litigation, and sometimes provide funding for restoration programs. State fisheries agencies expend considerable time and effort in the development of these agreements. Obtaining passage at hydropower projects within historic diadromous fish habitat remains a priority for DMR, because these dams are located on the mainstem of large rivers and impact the greatest number of diadromous fishes.

Habitat restoration and access to historic habitat remains has become a higher priority focus over the past 3 years. Aside from FERC re-licensing the Bureau has also refocused on the connectivity of smaller rivers and streams. Non hydro dams as well as road crossings continue to impact the passage of fish to historic habitat. The Bureau has organized a Stream Connectivity Working Group to prioritize barriers state wide and to secure funding to address passage needs.

MAINE MARITIME ACADEMY

DR. WILLIAM J. BRENnan, PRESIDENT

PURPOSE:
Maine Maritime Academy is a college specializing in ocean and marine oriented programs at the undergraduate and graduate level, with emphasis on engineering, transportation, management, and ocean studies, as well as preparing officers for the merchant marine and the uniformed services of the United States. The mission of the college is to provide an educational environment which stimulates intellectual curiosity, fosters professional competency, encourages rigorous self-discipline, and develops leadership potential through a learning environment which emphasizes active student involvement in both the curricular and co-curricular educational process. The college provides public service to the state while perpetuating Maine's heritage of the sea.

ORGANIZATION:
The administrative organization of Maine Maritime Academy is structured to fulfill the mission set forth in its charter. This is accomplished through the following four divisions: Academic Affairs; Administrative, Advancement; and Student Services. Under the policy guidance furnished by the Board of Trustees, the President of the Academy is the principal executive, being assisted by four division heads, each of whom oversees the respective operating departments. The operation of the Academy is subject to review by the Federal Government through the Maritime Administration, under regulations prescribed in 46 CFR, 310A.

The Academy, through its Board of Trustees, is empowered to provide facilities and support services; to hire instructors and other employees; to determine compensation and dispose of property; arrange for actual experience for its students; to borrow money not in excess of $10,000,000 in aggregate at any time outstanding for the construction of any buildings, improvement, or equipment; and to mortgage its property and pledge its revenues.

PROGRAM:
Academy headcount enrollment continues to average approximately 900 students. Students from the State of Maine typically represent about two thirds of this total. Over 95 percent of the year's graduating class is now professionally employed in a wide range of marine and non-marine related professions.

At the Bachelor of Science degree level, Power Engineering Technology supplements the traditional marine engineering majors. This course of study prepares graduates for positions as plant engineers, operating engineers, and plant managers in the shoreside power production industry. Additional majors are Marine Transportation Operations, Small Vessel Operations, International Business and Logistics and Marine Sciences. The Academy has also instituted a program which will enable graduates in certain majors to earn certification as teachers of science and mathematics in Maine.

The Academy also owns and operates the historic Arctic schooner Bowdoin. She provides training for students leading to an auxiliary sail license, aids in student recruitment and public information, and serves as an enduring symbol of Maine's seafaring heritage. The Corning School of Ocean Studies at Maine Maritime Academy prepares students for careers in resource management, aquaculture, and environmental protection.

- Office of Professional and Occupational Regulation
- Office of Consumer Credit Protection
- Bureau of Financial Institutions
- Bureau of Insurance
- Board of Licensure in Medicine
- State Board of Nursing
- State Board of Optometry
- Board of Osteopathic Licensure
- Office of Securities

PURPOSE:
The Department of Professional and Financial Regulation serves and protects the public through a broad range of responsibilities and activities, such as examining and overseeing state-chartered financial institutions; regulating bank holding companies; regulating insurance companies, agencies and producers; regulating grantors of consumer credit; administering and enforcing the Maine Uniform Securities Act; and by licensing and regulating numerous professions and occupations.

The Department protects Maine consumers through its licensing, examining and auditing activities. It conducts programs aimed at increasing voluntary compliance with State laws, investigates possible violations of law and undertakes enforcement actions. The Department responds to consumer complaints and requests for information and conducts educational and outreach programs to make consumers aware of their rights under Maine laws.

ORGANIZATION:
The Department of Business Regulation was created in October 1973 as part of State government reorganization designed to consolidate related agencies along functional lines and strengthen executive direction. Some of the agencies originally placed under the jurisdiction of the Department were the Bureau of Banking, the Bureau of Insurance, and the Real Estate Commission.
The special session of the 106th Legislature established the Bureau of Consumer Protection (eventually renamed the Bureau of Consumer Credit Protection) to enforce the Maine Consumer Credit Code, which became effective January 1, 1975. In 1987 the name of the Department was changed to Professional and Financial Regulation.
The special session of the 107th Legislature established a central licensing division, now called the Office of Professional and Occupational Regulation (OPOR). Since that time, several new state licensing programs have been created and placed within OPOR. Licensing programs have also been transferred to OPOR from other departments, and existing independent agencies have been moved into OPOR. Today, the Department consists of a centralized Administrative Services Division, which includes the Commissioner's Office, and 5 agencies: the Bureau of Financial Institutions (formerly the Bureau of Banking), the Bureau of Insurance, the Bureau of Consumer Credit Protection (formerly the Office of Consumer Credit Regulation), the Maine Office of Securities, and the Office of Licensing and Registration.
In addition to the 31 licensing boards and 6 licensing programs directly administered by OPOR, 6 professional licensing boards are also affiliated with the Department: the Board of Licensure in Medicine, the Maine State Board of Nursing, the Board of Dental Examiners, the Board of Registration for Professional Engineers, the Maine State Board of Optometry and the Board of Osteopathic Licensure.

PROGRAM:
The Commissioner is the administrative head of the Department. In this capacity, the Commissioner provides centralized budgeting coordination, initiates and monitors all policy implementation and strategic planning, and directs the
day-to-day management of the Department. The Commissioner develops the
Department’s legislative program and coordinates it within the Department and
with the Administration.

The Commissioner is responsible for reviewing the policy and operation of
agencies within the Department to insure that each complies with its statutory
and public service responsibilities. The Commissioner may not interfere with the
exercise of discretionary regulatory or licensing authority vested by statute
directly in the bureaus, offices, boards and commissions of the Department.

In the case of affiliated boards, the Commissioner acts as a liaison with the
Governor and with other units of state government. Affiliated boards submit their
budgets through the Department.

BUREAU OF CONSUMER CREDIT PROTECTION

WILLIAM N LUND, SUPERINTENDENT

Central Office: 76 NORTHERN AVE., GARDINER, ME 04345
Mail Address: 35 STATEHOUSE STA, AUGUSTA, ME 04333-0035
FAX: (207) 582-7699
Telephone: (207) 624-8527
Reference: Policy Area: 07 Umbrella: 02 Unit: 030 Citation: T0009A M.R.S.A., Sect.: 006-00103 Average Counts-All Positions: 15.500 Legislative Count: 15.500

PURPOSE:
The Bureau of Consumer Credit Protection was established to protect the citizens of Maine from unfair and deceptive practices with respect to consumer loans, credit sales and debt collection. A primary responsibility of the agency is to protect Maine consumers through implementation of the Maine Consumer Credit Code.

The Code requires the agency to promote the development of equitable consumer credit practices; encourage competition among credit grantors; and ensure that the regulation of consumer credit transactions in Maine conforms to the policies of the federal Truth-in-Lending Act.

In addition, the agency is responsible for administration of consumer-related state laws regulating retail creditors, mortgage companies, collection agencies, plain language* consumer loan contracts, credit reporting agencies, loan brokers, mortgage loan originators, rent-to-own companies, pawnbrokers, personal
finance companies, money order issuers, check cashers, foreign currency exchangers, non-bank ATM operators, debt management and debt settlement companies, repossession companies, payroll processors, credit and loan servicers, foreclosure purchasers, litigation funding companies, I.R.S. Code Section 1031 exchange facilitators, real estate transaction settlement agents, returned check diversion program providers, refund anticipation loan facilitators, insurance premium finance companies and payday lenders.

The agency is also responsible for facilitating the state's foreclosure prevention and education program, receiving information from mortgage lenders and servicers relating to consumers in default on their loans, and providing those consumers with information detailing the availability of counseling, mediation and legal defense resources. The agency administers and staffs a toll-free mortgage foreclosure prevention hotline (1-888-NO-4-CLOZ), providing financial counseling and referral services for consumers.

ORGANIZATION:
The Maine Consumer Credit Code, enacted by the 106th Legislature, became effective on January 1, 1975 and provided for the establishment of an independent Bureau of Consumer Protection within the Department of Business Regulation. All personnel of the Division of Personal and Consumer Finance of the Bureau of Banking were absorbed by the Bureau of Consumer Protection. The 110th Legislature changed the name of the agency to the Bureau of Consumer Credit Protection. Public Law 390 (1995) again changed the name of the agency, to the Office of Consumer Credit Regulation, effective January 1, 1996. This legislation also shifted responsibility for Consumer Credit Code compliance by banks and credit unions to the Bureau of Financial Institutions. The 123rd Legislature re-designated the agency as the Bureau of Consumer Credit Protection, effective September 20, 2007.

PROGRAM:
During FY '12, the agency's Complaint Division responded to 4,194 consumer grievances, including 2,124 formal written complaints. Many were resolved through direct communications with creditors and lenders, while others required conferences or formal resolutions. As a result of the efforts of the Complaint Division, $68,378.30 was credited or refunded to consumers.

The Bureau's Compliance Examination Division conducted examinations of 54 companies, including 2 collection agencies, 1 loan broker, 26 payroll processors, 7 dealers and 7 sales finance companies. After reviewing 2,943 transactions, the Bureau cited creditors for 54 violations of the Maine Consumer Credit Code, and 16 Truth-in-Lending violations. Creditors and lenders continued to demonstrate improved compliance efforts - fewer serious violations were found compared to previous years, and the majority of disclosure violations did not require restitution to Maine consumers. Violations discovered during compliance examinations resulted in $10,892.95 in refunds or credits to Maine consumers.

During FY '12 the Bureau's foreclosure prevention and outreach staff mailed informational packages to 39,516 homeowners in default on their home loans (an increase from the FY '11 total of 36,146 such mailings); received 1,525 calls on the foreclosure hotline (a decrease from the 1,810 calls received in fiscal year 2011), and completed over 1,212 referrals to housing counselors under contract with the Bureau, a decrease from the 1,400 referrals made in fiscal year 2011. The agency licensed or registered the following number of creditors and businesses in FY '12: Supervised Lenders (240 main offices, 312 branches): 552; Other Creditors 843*; Sales Finance Companies: 136; Insurance Premium Finance Companies: 4; Debt Collectors (560 main offices,456 branches): 1,016; Loan Brokers: (89 main office, 2 branches) : 91; Mortgage Loan Originators: 1,530; Credit Reporting Agencies: 37; Money Order Issuers: 49; Non-bank ATM Machine Operators: 1,030; Debt Management Service Providers (debt adjusters): 55; Check Cashers: 2; Payday Lenders: 16; Insurance Premium Finance Companies: 4; Refund Anticipation Loan Providers: 75; Exchange Facilitators: 17; Bad Check Diversion Companies: 2; Repossession Companies: 29; Litigation Funding Providers: 4; Foreclosure Purchasers: 1; Real Estate Settlement Agencies: 218; and Payroll Processors: 203. The Bureau provided regulatory oversight with respect to a total of 5,913 licensees and registrants.

*This year's "Other Creditor" tally includes the following categories:
Loan Servicers: 204; Mobile Home Dealers: 4; New Car Dealers: 118; Used Car Dealers: 160; Rent-to-Own Merchants: 49; Pawnbrokers: 60; and Miscellaneous Retail Creditors: 248.

BOARD OF DENTAL EXAMINERS
PHILIP W. HIGGINS, JR., DMD, BOARD PRESIDENT

Central Office: 161 CAPITOL STREET, AUGUSTA, ME 04333
Mail Address: 143 STATEHOUSE STATION, AUGUSTA, ME 04333-0143 FAX:
Established: 1891 Telephone: (207) 287-3333
Reference: Policy Area: 07 Umbrella: 02 Unit: 313 Citation: T0032 M.R.S.A., Sect.: 000001071
Average Counts-All Positions: 3.000 Legislative Count: 3.00

PURPOSE:
The Board of Dental Examiners was established to protect the lives and health of the people of the State of Maine through regulation of the practice of dentistry so as to maintain high professional standards. The primary responsibilities of the Board are to license qualified applicants for a certificate to practice dentistry, dental hygiene, denturism, dental radiography, expanded function dental assisting, or independent practice of dental hygiene in Maine; collect payment of specified fees to register dentists, dental hygienists, denturists and IPDH's biannually, and radiographers and EFDA's every five years who are practicing in the State; to make such rules, not contrary to law, as the Board deems necessary for the performance of its duties; to investigate all complaints and all cases of noncompliance with, or violations of, the provisions of laws relating to all licensees and to institute or cause to be instituted appropriate proceedings in connection therewith; and to affiliate with the American Association of Dental Boards as an active member.
The Board of Dental Examiners originally established in 1891 as the Board of Examiners for dentists, consists of five dentists, two dental hygiene members, a denturist member and one public member, all appointed by the Governor for a term of five years. Dentist members must be graduates of an accredited dental college and have been in the practice of dentistry in Maine for at least ten years immediately preceding the appointment. Dental hygienist members must be graduates of an accredited dental hygiene college and have been practicing dental hygiene in the State for at least 6 years immediately preceding appointment. Likewise, the denturist member must also be a graduate of a program approved by the Board. The Board, at its annual meeting, elects from its members a president, vice president and secretary-treasurer. The National Board and the Northeast Regional Boards serve as examinations for licensure. As members of the Northeast Regional Boards, each year Board members are assigned schools at which they administer the exam.

During fiscal year 2012, the Board of Dental Examiners met at least monthly with lengthy agendas, including interviews for licensure, consumer and licensee complaints, informal conferences, and adjudicatory hearings with licensees, consumers, and their attorneys. Sixty-two dentists became newly licensed in the State of Maine for a total of 834 dentists currently registered for the biennium. Of these, 156 list an out of state residence and/or practice. The Board issued 56 new licenses to hygienists totaling 1380 licensees, 123 of which are out-of-state. The Board issued one new denturist license this fiscal year, making the total number of Maine licensed denturists 41. Of these, 21 list an out of state residence and/or practice. Registered dental radiographers now total 1386. There are 189 permits issued to dentists to administer moderate sedation or general anesthesia/deep sedation in their practice(s). The Board issued 48 new local anesthesia permits to Maine-licensed hygienists this fiscal year, which brings the total number to 492. Twenty-nine new nitrous oxide permits were issued to licensed hygienists this fiscal year, which brings the total number to 208. The Board also issued twenty-one new certificates to practice as an expanded function dental assistant bringing the total number to forty-three. In addition, the Board issued fourteen independent practice dental hygiene licenses during fiscal year 2012 which now brings the total to forty-seven. The Board also employs Public Health Supervision Status for dental hygienists, which allows them to provide services in settings outside a dental office under the general supervision of a licensed dentist, upon notification to the Board.

STATE BOARD OF LICENSURE FOR PROFESSIONAL ENGINEERS

DR DONALD A. GRANT, PH.D, PE, CHAIR

Central Office: 295 WATER ST., STE 207, AUGUSTA, ME 04330
Mail Address: 92 STATE HOUSE STATION, AUGUSTA, ME 04333
FAX: (207) 626-2309
Established: 1935
Telephone: (207) 287-3236
Reference: Policy Area: 07 Umbrella: 02 Unit:322 Citation: T0032 M.R.S.A., Sect.: 000001301
Average Counts-All Positions: 1.438 Legislative Count: 1.00

PURPOSE:
The State Board of Licensure for Professional Engineers was established in 1935 to protect the public through the regulation of the practice of engineering in the State of Maine by establishing and maintaining professional standards. The Board is authorized to examine, certify, and license applicants who qualify as Professional Engineers or Engineer-Interns in Maine; to renew licenses upon payment of specified fees; to publish and distribute a roster of all licensed professional engineers; to make rules not inconsistent with state laws relating to engineers; and to investigate complaints of alleged violations of such laws and rules, conduct hearings, subpoena witnesses and institute disciplinary action as warranted.

ORGANIZATION:
The Board is composed of seven members. The Governor appoints five Professional Engineers and one public member for five-year terms. The seventh member of the Board is the Chief Engineer of the Department of Transportation, who serves ex-officio. The Board annually elects a chair and vice-chair from its membership. The chair appoints committees and committee chairs.
The Board maintains membership in the National Council of Examiners for Engineering and Surveying (NCEES). Members participate in the activities of the Council, including serving on national committees. Individual members of the Board also maintain membership in state and national engineering societies. These efforts keep the Board informed of trends and activities in the engineering profession. The Board uses the NCEES Uniform Examination for both the Fundamentals of Engineering (FE) and Principles and Practice of Engineering (PE) examinations. Boards of all fifty states, the District of Columbia and four territorial jurisdictions use the NCEES examinations. This helps achieve uniformity in reciprocal licensing and assures minimum competence to practice.

PROGRAM:
During FY 2012, 352 candidates successfully completed the requirements for licensure as Professional Engineers. Of that number, 62 qualified through written examination, 289 through admission by comity with other jurisdictions, and 0 by oral examination. The applications of comity candidates are processed quickly because their credentials have been previously verified by NCEES. As of June 30, 2012, a total of 5,785 engineers were licensed. Approximately 65% reside outside of Maine. During FY 2012, 270 applicants were examined for certification as...

Engineer-Interns. Of those examined, 151 passed.

Two periods of written examinations are given each year by the Board, in the fall and in the spring. Fall examinations were given at Orono on October 28, 2011 for 47 Professional Engineer candidates and on October 29, 2011 for 99 Engineer-Intern candidates. Of those taking the PE exam, 29 passed. Of those taking the FE exam, 61 passed. Spring examinations were given at Orono, on April 13, 2012. 49 candidates sat for the PE exam in Orono. Also on April 14, 2012, 171 candidates sat for the FE exam in Orono. Of those taking the PE exam, 32 passed. Of those taking the FE exam, 90 passed. There were 4 oral exam candidates in FY 2012, none of whom passed.

BUREAU OF FINANCIAL INSTITUTIONS

LLOYD P. LAFOUNTAIN III, SUPERINTENDENT

Central Office: 76 NORTHERN AVE., GARDINER, ME 04345
Mail Address: 36 STATEHOUSE STATION, AUGUSTA, ME 04333-0036 FAX: (207) 624-8590
Established: 1927 Telephone: (207) 624-8570
Reference: Policy Area: 07 Umbrella: 02 Unit: 029 Citation: T0009B M.R.S.A. Sect: 000000121
Average Counts-All Positions: 20.000 Legislative Count: 20.00

PURPOSE:
The Bureau of Financial Institutions was established to supervise all financial institutions chartered by the State to maintain and promote: safe and sound financial practices; strength, stability and efficiency of financial institutions; security of deposit and share funds; reasonable and orderly competition; and development and expansion of financial services advantageous to the public welfare.

The Bureau has been given the authority and responsibility to: promulgate rules and regulations to govern the activities, operations and procedures of financial institutions; conduct an on-site examination of each financial institution supervised by the Bureau at least every 36 months; require reports and information necessary for proper supervision; summon persons and subpoena witnesses in connection with Bureau matters; order any person to cease violating

238
any law or regulation or cease engaging in any unsafe and unsound financial practice; and approve or deny applications for new charters and applications by existing financial institutions to merge, acquire, consolidate, close offices or convert to another charter. In January, 1996, the Bureau assumed the responsibility for enforcing Title 9-A M.R.S.A., the Maine Consumer Credit Code, with respect to financial institutions. In 2004, the Bureau assumed the responsibility for licensing payroll processors that are financial institutions or subsidiaries of financial institutions.

ORGANIZATION:
Legislation enacted during the 1st Regular Session of the 120th Maine Legislature changed the name of the agency from the Bureau of Banking to the Bureau of Financial Institutions effective January 1, 2002. The Bureau of Financial Institutions is an agency within the Department of Professional and Financial Regulation and divided into two functional groups with the responsibility for coordination and development of each area delegated to a senior manager. The Deputy Superintendent, Examinations, supervises the Bureau's field examination staff, coordinates and monitors examinations and provides close supervision of problem institutions. The Deputy Superintendent, Research and Administration, is responsible for the development of the Bureau's database, bank monitoring systems, legislative and rulemaking activities, financial analyses, applications processing, consumer complaint resolutions, consumer outreach activities, and management of the office staff.

PROGRAM:
The Examination Division is responsible for examining in the areas of safety and soundness, information systems, bank holding companies, trust services and compliance. The Examination Division is responsible for examining in the areas of safety and soundness, information systems, bank holding companies, trust services and compliance. During Fiscal Year 2012, 17 safety and soundness examinations and 48 specialized examinations (i.e., trust, compliance and information technology) were completed. In addition, 2 joint examinations were conducted with the FDIC. A computer-based system also monitors bank performance between on-site visits.

In Fiscal Year 2012, the Bureau received and processed (a) 9 notifications from Maine financial institutions to establish, close or relocate one or more branches in Maine and (b) two notifications from Maine financial institutions related to investments in closely related activities. The Bureau also processed and approved: (a) an application from a Maine-chartered nondepository trust company to acquire by merger another Maine-chartered nondepository trust company and (b) an application from a Maine financial institution to acquire substantially all of the assets and assume all of the deposit liabilities of a Maine financial institution.

The Consumer Outreach Program provides a source of information for users of financial services in Maine. Through this program, the Bureau mediates disputes and interacts with the regulated community to resolve individual situations. In Fiscal Year 2012, the Bureau responded to 567 consumer complaints and inquiries and assisted Maine consumers in obtaining restitution and other projected savings. The Bureau maintains a Consumer Information Web site, an Internet-based resource where consumers can learn about identity theft, computer scams, foreclosure assistance tools, and a variety of other topics related to financial products and services. In addition, Bureau Outreach Staff makes presentations to various consumer groups.

BUREAU OF INSURANCE

ERIC CIOPPA, SUPERINTENDANT

Central Office: 76 NORTHERN AVE., GARDINER, ME 04345
Mail Address: 34 STATE HOUSE STATION, AUGusta, ME 04333
FAX: (207) 624-8599
Established: 1970
Telephone: (207) 624-8475
Reference: Policy Area: 07 Umbrella: 02 Unit: 031 Citation: T0024A M.R.S.A., Sect.: 000000200
Average Counts-All Positions: 78.500 Legislative Count: 78.50

PURPOSE:

To regulate all insurance entities and persons authorized to transact the business of insurance in Maine for the purpose of protecting the public interest. To accomplish this purpose the Bureau is empowered to license insurance companies, non-profit hospital, medical or other health service organizations, health maintenance organizations, medical utilization review entities, third-party administrators, advisory organizations, captive insurance companies, multiple employer welfare arrangements, and reinsurance intermediaries/managers. The Bureau registers preferred provider organizations, risk purchasing groups, risk retention groups, managing general agents, employee leasing plans, pharmacy benefits managers and service contract providers. The Bureau examines domestic insurers not less than once every five years to assess the soundness of the insurer's financial position. In addition, the Bureau has certain limited responsibilities for the examination of foreign insurers authorized to do business in the state. The Bureau also reviews the annual financial statements of insurance companies, and examines and issues licenses to all qualified applicants for licenses as insurance producers, consultants, adjusters and corporations. The Bureau is responsible for the administration of the rate-regulatory law of the State of Maine, and all policy forms, contracts, illustrations, and the advertising/marketing materials for several lines of business used in Maine which must be filed by insurance companies for approval by the Bureau. The Bureau is responsible for authorizing and reviewing self-insurance status for both individual and group self-insurers for workers compensation. The Bureau may seek suspension or revocation of licenses, or impose financial penalties in instances where insurance companies, producers, consultants or adjusters have failed to comply with the lawful regulations of the Bureau or the statutory provisions of Title 24 or of Title 24-A. Such enforcement action may result from a complaint or other investigation or a market conduct examination undertaken by the Bureau.

ORGANIZATION:

In 1868 a State Bank and Insurance Examiner was appointed and charged with making annual examinations of banks and insurance companies. Two years later, in 1870, the Office of the Insurance Commissioner was created, with the provision that this person could not at the same time serve as the Examiner of Banks. The Office of the Insurance Commissioner became the Insurance Department in 1959. Under the plan for State Government reorganization, the Insurance Department became the Bureau of Insurance and was placed within the Department of Professional and Financial Regulation, effective October 3, 1973.
DEPARTMENT OF PROFESSIONAL AND FINANCIAL REGULATION

PROGRAM:
The programs of the Bureau are implemented through various work units. The Property and Casualty Unit provides consumer assistance, analyzes and regulates policy forms and rates for P and C insurance. The Unit also resolves complaints involving workers compensation rating, and reviews all workers compensation filings. The unit conducts consumer outreach throughout the year, including producing a number of brochures. The Administrative Unit is responsible for the organization and maintenance of administrative and legislative files. The Licensing Unit processes licenses for producers, adjusters, consultants and agencies. The Examination Unit examines domestic insurance companies. The Alternative Risk Unit reviews and evaluates applications for self-insurers of workers' compensation, captive insurance companies, multiple employer welfare arrangements, continuing care retirement communities, health alliances and reinsurance arrangements. The Financial Analysis Unit issues licenses to domestic insurers transacting business in Maine and monitors the solvency of insurers transacting business in Maine. Insurance companies seeking licensure submit financial and operational information for review. The level of ongoing financial review and analysis is determined by the entity's status as a domestic or foreign insurance company. The Financial Analysis Unit also reviews the following applicants: HMOs, surplus lines companies, risk retention groups, risk purchasing groups, managing general agents, reinsurers, fraternal benefit societies, third party administrators, professional employee organizations and service contract providers. The Financial Analysis Unit also performs market analysis. The market analysis function involves reviewing complaint data and financial results to determine companies that need market reviews. The Market Analysis Unit is responsible for ongoing surveillance of the Maine insurance marketplace to identify companies that may be operating in a manner that is not consistent with Maine laws, rules and regulations. Once identified, action is taken to bring the company into compliance. The Consumer Health Care Division reviews all life and health policy forms and processes license applications for medical utilization review entities and preferred provider organizations. The division also reviews managed care networks, provides information to consumers regarding health care plans, assists enrollees in understanding their rights under health care plans, and assists consumers with complaints. The division conducts consumer outreach throughout the year, including producing a number of brochures and attending outreach events. The Life and Health Actuarial Unit reviews rates for health, long term care, and Medicare supplement. The Life and Health Actuarial Unit also evaluates mandated benefits, maintains related databases, and is responsible for the data analysis of the individual and small group markets.

PURPOSE:
As of September 28, 2011, the Office Licensing and Registration (OLR) changed to the Office of Professional and Occupational Regulation (OPOR). The Office of Professional and Occupational Regulation (OPOR) administers 37 professional and occupational licensing programs. The statutory mission of the Office is to ensure that the public is served by competent and honest practitioners who have demonstrated a minimum level of proficiency in their field. OPOR staff implements legislatively set qualifications for licensure, sets standards of practice and ethical behavior in conjunction with licensing boards, and assists in conducting disciplinary proceedings.

ORGANIZATION:
The Office is comprised of 56.5 employees, including program administrators, investigators, inspectors, and support staff, organized into administrative

units. Reporting to the Director are the Executive Director of the Manufactured Housing Board, Director of the Real Estate Commission, staff attorney, and four program administrators. OPOR staff members are responsible for ensuring that licensing programs meet statutory mandates.

PROGRAM:
Licensing: The Office of Professional and Occupational Regulation is an umbrella state agency that administers 37 licensing programs.
Complaints: During FY 12 (July 1, 2011 – June 30, 2012), 1466 complaints were active. 974 new complaints were opened, 989 were closed.
Internet Address: http://www.maine.gov/professionallicensing

LICENSES:
During FY12, the Office of Professional and Occupational Regulation maintained more than 107,000 active and inactive licenses for professions ranging from Accountancy to Veterinary Medicine.

PUBLICATIONS:
The Office of Professional and Occupational Regulation maintains a comprehensive website that offers on-line license renewal for most professions, as well as information on license requirements, continuing education requirements and disciplinary actions taken by boards and commissions. In addition, several licensing programs periodically post newsletters on the web to convey information specific to their areas of regulation.

PURPOSE:
The Board of Licensure in Medicine was established in 1895 to safeguard the lives and health of the people of Maine through regulation to maintain high professional standards and quality of medical practice. To accomplish this duty to protect the public, the Board is authorized to license, educate, monitor, discipline physicians and physician assistants and to establish appropriate rules and standards for medical practice.

The responsibilities of the Board are to: 1) LICENSE - by determining the qualifications for licensure by examining and/or certifying candidates desiring admission to medical practice in Maine; registering physician supervision and delegation relationships with physician assistants under a written plan of supervision; biennially re-licensing physicians and surgeons based upon documentation of standards of maintenance of competency; and establishing standards for medical practice; 2) EDUCATE - by providing professional medical education programs; notifying the public of a licensee's status and of disciplines taken by the Board; 3) DISCIPLINE - by investigating complaints and allegations of non-compliance with the laws, rules, and regulations relating to physicians and physician assistants; holding hearings and taking disciplinary action as appropriate (i.e. probation, warning, censure, reprimand, fine, suspension or revocation).

Physician assistants must enter into a registered delegated relationship with a licensed Maine physician, allowing the physician to extend significantly the physician assistant's scope of practice, and making access to patient care more available and less costly.

ORGANIZATION:
When established in 1895, the Board of Registration of Physicians and Surgeons consisted of 6 physicians appointed by the Governor, with the consent of the Council, for terms of 6 years. The Board began licensure in January 1896. Today, members are appointed by the Governor only. In 1975 the Legislature increased membership to 7 by authorizing the appointment of a public member. In 1983 the Board was enlarged by 1 physician and 1 public member to total of 9. A third public member position was created by the Legislature effective in 1991. Legislation in 1994 changed the name to the Board of Licensure in Medicine. In 1998 the Legislature reduced membership to 9, by eliminating 1 physician member. It also created the function of "consumer assistant" to help citizens understand the complaint and disciplinary process. Currently the Board is composed of 6 physicians and 3 public members appointed by the Governor to staggered 6 year terms.

In July of odd-numbered years the Board elects a chairman and a secretary-treasurer. Regular meetings as required by law are held each March, July, and November. Other meetings are held as necessary. The Board held 11 regular meetings during the last year. Meetings are open to the public and are announced in newspapers and in the "Weekly Legislative Calendar." Any person may receive a public agenda in advance of any meeting by visiting the Board's Internet Address: http://www.maine.gov/md or by telephone request to the Board office.

The Board became an affiliate of the Dept. of Professional and Financial Regulation in 1991, while retaining operational management and decision-making autonomy.

Physician appointees to the Board must be graduates of legally chartered colleges or universities which confer allopathic medicine degrees and must have actively engaged in the licensed practice of medicine in Maine for at least 5 years.
DEPARTMENT OF PROFESSIONAL AND FINANCIAL REGULATION

preceding appointment. Public members or an immediate household member may earn no income from activities related to the practice of medicine.

A Physician Assistant Advisory Committee aids in the formulation of rules and regulations governing Physician Assistants. And the Board participates in a Joint Conference Committee with the Maine Board of Nursing to exchange views regarding overlaps in the practice of medicine and nursing. The 1995 Legislature created the Advanced Practice Nursing Joint Advisory Council, on which the Board had a seat, to help guide the development of regulation and scope of independent practice of Advanced Practice Nurses. This Council was dissolved by the 119th Legislature. The 124th Legislature repealed a provision in the laws governing delegation to Advanced Practice Registered Nurses (APRN) thus ending physician delegation of Advanced Practice Registered Nurses.

Organizations in which the Board participates include the Eastern Region Medical Boards, the Federation of State Medical Boards, and Administrators In Medicine.

PROGRAM:

LICENSURE: The Board uses the nationally recognized United States Medical Licensing Examination, a series of four exams, to evaluate basic science, clinical knowledge, and practice skills. A written examination of Maine laws and Board rules, policies and guidelines must be passed by every applicant before permanent licensure is granted and at cyclical renewals.

COMPLAINTS, INVESTIGATIONS, AND DISCIPLINE: The Board receives allegations of unprofessional conduct or incompetence from the public, hospital governing bodies, the profession, other state and national agencies, and law enforcement agencies. If grounds for discipline are found by the Board, it may, after holding a due-process public hearing, suspend or revoke a license, or for less serious offenses issue warnings, censures, reprimands or impose fines. The Board may order license suspensions of up to 90 days in situations of imminent danger to the public. Disciplines are reported to the National Practitioner Databank, the Health Improvement Protection Act Databank and the Federation of State Medical Boards' Databank. In 2011 the Board ordered seventeen (17) disciplines.

License and discipline information is available at no cost at the Board office, by telephone, and at the Board's Internet Address: http//www.maine.gov/md

STATE BOARD OF NURSING

MYRA A BROADWAY, JD, MS, RN, EXECUTIVE DIRECTOR

Citation: T0032
M.R.S.A., Sect.: 000002151
Average Counts-All Positions: 7.000
Legislative Count: 7.00

PURPOSE:
The State Board of Nursing was established to protect the public through regulation of nursing practice in the State of Maine so as to maintain high professional standards. The primary responsibilities of the Board, by law, are to license, by examination or endorsement, all applicants qualified to practice as registered nurses, licensed practical nurses or as advanced practice nurses; to renew the licenses of all qualified registered nurses, practical nurses and advanced practice nurses; to investigate complaints of unsafe nursing practice or any violation of law relating to nursing; and determine, in collaboration with the Attorney General, if the case should be presented for a formal hearing by the Administrative Court; to adopt rules and regulations governing licensure of nurses and other matters within its jurisdiction; to approve programs of training that assistants, certified nursing assistants to perform selected nursing services when such services are delegated by a registered nurse.

Additional responsibilities of the Board are to prescribe curricula and establish standards for educational programs preparing persons for licensure as registered nurses or as licensed practical nurses; to approve nursing educational programs in the State as meet the requirements of law and the standards established by the Board; to survey all such nursing educational programs as deemed necessary to determine that the requirements of the law and Board standards are being maintained; to deny or withdraw approval from such nursing educational programs for failure to meet requirements; and to approve the credentials of registered nurses who have completed an educational program that prepares the registered nurse to function as an advanced practice registered nurse. An advanced practice registered nurse includes the following: certified nurse practitioner, certified nurse-midwife, certified registered nurse anesthetist and certified clinical nurse specialist.

ORGANIZATION:
The State Board of Nursing was originally created as the Board of Examination and Registration of Nurses in 1915 and received its present name in 1959. From 1947 until 1961, the Board's office was located in Lewiston. In 1961, the office was moved to Portland, and in 1973, it was relocated to Augusta.

In 1991, the Board of Nursing was affiliated with the Department of Professional and Financial Regulation.

In 1995, an advanced practice registered nurse member was added to the Board of
Nursing, which changed the composition of the Board as follows: six registered professional nurses, one licensed practical nurse, and two representatives of the public. All members are appointed by the Governor for terms of four years. The Board annually elects from its membership a chairperson and a secretary. Also, the Board appoints and employs an executive director, assistant executive director, and other qualified persons, not members of the Board.

PROGRAM:
During fiscal year 2012, the Board met in four regular sessions for a total of eight days; the Board met in nine subcommittee sessions for a total of nine days; the Board met in twelve adjudicatory hearing sessions for a total of nine days. In addition, Board members participated in committee meetings; served as visitors on site visits to educational programs in nursing; served on committees of the National Council of State Boards of Nursing; and represented the Board at conferences or meetings with individuals or groups on matters pertinent to Board business. A major responsibility of the Board of Nursing is the licensure of practitioners of nursing. The law provides that licensure as a registered nurse or as a licensed practical nurse in this State may be obtained by examination or endorsement of a license legally issued by the licensing authority of another state or country. On July 1, 2001, Maine implemented the Interstate Compact which allows for recognition of the registered professional nurse's license and licensed practical (or vocational) nurse's license if the nurse is from another Compact state.

A second major responsibility of the Board of Nursing is approval of all basic nursing programs that prepare persons for licensure in Maine, either as registered nurses or as licensed practical nurses. Maine has 19 Board-approved nursing programs, one licensed practical nurse, and two representatives of the public. The names of these programs follow: Baccalaureate Degree Nursing Programs: University of Southern Maine; St. Joseph's College; Husson University/ E.M.N.C.; University of Maine; and University of Maine at Fort Kent. Associate Degree Nursing Programs: Central Maine Medical Center; University of Maine at Augusta; Kennebec Valley Community College; University of New England; Northern Maine Community College; Central Maine Community College; Eastern Maine Community College; and Southern Maine Community College. In addition, the University of Southern Maine has a generic Masters in Nursing Program for Non-Nurses. Practical nursing programs are approved to be offered at the community colleges and currently, Intercoast Career Institute has an initial approval to offer a practical nursing program.

A third major responsibility of the Board of Nursing is to impose sanctions on licensees who violate the law through the exercise of its legal, investigative and disciplinary program. During fiscal year 2012, the Board received 282 provider reports or complaints of illegal or unsafe nursing practice. The Board took the following actions in FY 2012: revocation of license (4); suspended license (16); accepted voluntary surrender of license (21); placed license on probation (20); warned, censured, reprimanded or fined (14); terminated probation (3); took no action/dismissed complaint (123); license renewal denied (0); fined for unlicensed practice (126); denied licensure by endorsement (0); denied licensure by examination (1); denied reinstatement (2); letters of concern were issued (59).

In November, 2005, the Board successfully launched its online licensure renewal program with an average utilization rate of 95%.

STATE BOARD OF OPTOMETRY

GERRARD RUDMIN, O.D., PRESIDENT

Central Office: GARDINER ANNEX, GARDINER, ME 04345
Mail Address: 113 STATE HOUSE STATION, AUGUSTA, ME 04333 FAX: (207) 624-8692
Established: 1909 Telephone: (207) 624-8691
Reference: Policy Area: 07 Umbrella: 02 Unit: 382 Citation: T0032 M.R.S.A. Sect.: 000002415
Average Counts-All Positions: 1.000 Legislative Count: 1.00

PURPOSE:
The Maine State Board of Optometry was established to protect the people of Maine through regulation to maintain high professional standards in the practice of optometry. The primary responsibilities of the Board are to examine and license qualified applicants to practice the profession of optometry, to renew all licenses annually upon payment of a specified fee and presentation of evidence that the applicant has attended an educational program approved by the Board; and to revoke, refuse or suspend any license for violation of the laws relating to optometry.
The Board investigates all complaints and cases of non-compliance with optometry law and rules, and makes recommendations for disposition. It also enforces standards established by law and makes such other reasonable rules, consistent with the law, as the Board deems necessary.

ORGANIZATION:
The State Board of Optometry was established in 1909 as the State Board of Registration and Examination in Optometry and received its present name in October 1973. The Board consists of 6 members appointed by the Governor for terms of 5 years. Five of the members must be resident optometrists engaged in active practice for a period of at least 5 years prior to their appointment. The sixth member must be a consumer member having no pecuniary interest in optometry or optical products. Annually, the Board elects a president, secretary-treasurer, and complaint officer.
DEPARTMENT OF PROFESSIONAL AND FINANCIAL REGULATION

PROGRAM:
The Board meets four times a year. The Board administers, yearly, a written exam in February, May, August, November and by appointment.

LICENSES:
All licensees must renew their license on or before April 1st of each year. Before a license can be renewed, licensees must submit to the Board a completed renewal application, $350 renewal fee, and attendance certificates of completing 25 hours of continuing education. Licensees who graduated after 1996 were upgraded to the authority level of Therapeutic Advanced Glaucoma which allows them to independently treat patients with glaucoma. Licensees who graduated before 1996 and are licensed at the Therapeutic Advanced authority level must satisfy Section 2430-B (2) of Maine Optometry Law before their license can be upgraded to Therapeutic Advanced Glaucoma.

COMPLAINTS:
The Board received five complaints in 2012. The Board voted to dismiss five complaints on the ground of no violation of Maine Optometry Laws/Rules and administered one letter of guidance.

BOARD OF OSTEOPATHIC LICENSURE
DAVID J. RYDELL, D.O., CHAIR

Central Office: 161 CAPITOL ST., AUGUSTA, ME 04330
Mail Address: 142 STATE HOUSE STATION, AUGUSTA, ME 04333-0142  FAX:  
Established: 1916  Telephone: (207) 287-2480  
Reference: Policy Area: 07 Umbrella: 02 Unit: 383 Citation: T0032 M.R.S.A., Sect.: 000002561  
Average Counts—All Positions: 1.000 Legislative Count: 1.00

PURPOSE:
The Board of Osteopathic Licensure was established to protect the public through regulation of the practice of osteopathic medicine so as to maintain high professional standards. Its primary responsibilities are to determine the eligibility of, certify and license qualified applicants to practice osteopathic medicine in Maine. The Comprehensive Osteopathic Medical Licensing Examination-USA (COMLEX-USA) is the accepted exam for licensure in Maine. Upon payment of specified fees, the Board can issue, renew, withhold, suspend or seek revocation of all licenses. Furthermore, the Board has the power to make rules it
considers necessary for the successful enforcement of its authority and the performance of its duties. As part of the biennial renewal process, the Board prepares and distributes its rules relative to continuing medical education and its code of ethics to each osteopathic physician licensed to practice in Maine.

ORGANIZATION:
The Board of Osteopathic Licensure, when it was established in 1919, consisted of 5 members appointed by the Governor with the advice of the Council, for terms of 5 years. In 1976, the Legislature increased the Board to 6 members, all to be appointed by the Governor. Currently, the Board consists of 9 members appointed by the Governor. 6 of these members must be graduates of a legally chartered college of osteopathic medicine and must be, at the time of appointment, actively engaged in the practice of the profession of osteopathic medicine in the State for a period of at least 5 years, and 3 of these members must be public members. A chair, vice-chair, and secretary-treasurer, elected annually, are chosen by and from the members of the Board.

PROGRAM:
Revision of statutes relating to the Board of Osteopathic Licensure in 1973 specified an increase in the registration fee from four to twenty-five dollars per year voted in the June, 1982 meeting to become effective January, 1983. The Board, at its meeting on July 8, 1987, made plans for increasing the registration fee to increase the revenue to meet expenses. Currently, licensees renew biennially on their birth month with the renewal fee capped at $600. Statutes specify one annual meeting with special meetings authorized by the Chair of the Board. Currently, the Board meets monthly.

Continuing medical education requirements have been increased to 100 hours biennially. The Board statute and rules require that at least forty percent of the credit hours must be Category 1 hours as approved in the rules established by the Board. Each licensee must furnish to the Board satisfactory evidence of attendance in the 2 preceding years at education programs sponsored by recognized associations, colleges or universities, hospitals, institutes or groups approved by the Board. This provides the public with the assurance that osteopathic physicians remain current with advances in osteopathic medicine as well as medicine at large.

Election of officers at the Board's October meeting in Augusta, Maine: David J. Rydell, D.O., Chair, Marty W. McIntyre, Public Member, Vice Chair; Scott Thomas, D. O., Board Secretary

LICENSES:
License to Practice Osteopathic Medicine
License to Practice Osteopathic Medicine as Locum Tenens
Temporary Educational Permits (Interns & Residents)
Physician Assistant Certificate of Registration
Physician Assistant Certificate of Qualification

PUBLICATIONS:
"What You Should Know About the Licensing, Regulation and Discipline of Physicians in Maine" was co-produced with the Board of Licensure in Medicine and is available at no cost. The Pamphlet explains to members of the public the procedures and authority of both Boards in regulating each profession. It also explains the procedure for filing a complaint against a physician licensed in Maine.

OFFICE OF SECURITIES

JUDITH M. SHAW, SECURITIES ADMINISTRATOR

Central Office: 76 NORTHERN AVE., GARDINER, ME 04345
Mail Address: 121 STATEHOUSE STATION, AUGUSTA, ME 04333-0121  Fax: (207) 624-8590
Established: 1973  Telephone: (207) 624-8551
Reference: Policy Area: 07  Umbrella: 02  Unit: 032  Citation: T00032  M.R.S.A., Sect.: 000016601
Average Counts-All Positions: 12.00  Legislative Count: 12.00

PURPOSE:
The principal mission of the Office of Securities is to protect Maine investors. To accomplish this mission, the Office administers and enforces the Maine Uniform Securities Act. The Office reviews applications to register securities for sale in Maine and filings for exemptions from registration; licenses broker-dealers, agents, investment advisers, and investment adviser representatives doing business in Maine; suspends or revokes those licenses for misconduct, as defined in the Act; conducts on-site examinations of the operations of licensees; administers an investor education program; responds to consumer complaints; investigates possible violations of the securities laws; and, when warranted by the circumstances, issues cease and desist and other administrative orders or refers matters to the Attorney General for civil or criminal action. The Office also enforces the State Commodity Code and the Regulations of the Sale of Business Opportunities.

ORGANIZATION:
In 1913, two years after Kansas adopted the first "blue sky" law, Maine enacted a statute relating to "Dealers in Securities," to be administered by the Bank Commissioner. Over the years, that law was the subject of numerous changes, including the creation of a Securities Division, the establishment of a requirement for the registration of securities offerings, and the addition of antifraud and civil liability provisions. In 1986, legislation was passed giving the Securities Division enforcement powers over the sale of certain types of business opportunities and commodity contracts. In 1989, the Legislature transferred from the Bank Superintendent to the Securities Administrator the responsibility for administering and enforcing the securities laws, and, in 2001, the Securities Division was separated from the Bureau of Banking, becoming the Office of Securities. In 2005, the Legislature approved the Maine Uniform Securities Act (MUSA) which became effective on December 31, 2005. MUSA represented the first major overhaul of the state's securities laws since 1985. Maine adopted MUSA as part of a national effort to increase uniformity in state securities law, thus eliminating unnecessary burdens on the regulated industry, while still maintaining strong investor protection.

PROGRAM:
In fiscal year 2012, the Office received and processed 27,444 applications and amendments to register securities, terminations of registrations, and notice filings for federally covered securities (decrease of 7% over fiscal year 2011); and 310 private placement filings and amendments (increase of 31%). As of June
2012, there were 1,293 broker-dealers licensed to do business in Maine (1% decrease over June 2011); 94,640 licensed agents of broker-dealers (increase of 3%); 988 investment adviser licensees or notice filers (increase of 3%); and 2,013 licensed investment adviser representatives (0.5% decrease). In connection with the Office’s review of licensing applications, the Office processed 80 broker-dealer applications, the same amount as fiscal year 2011; 21,977 agent applications (15% decrease); 29 investment adviser license applications (123% increase); and 262 investment adviser representative applications (16% decrease). The Office now receives and processes most securities filings and license applications electronically.

In fiscal year 2012, the Office conducted 12 examinations of licensee offices. In fiscal year 2012, through its enforcement efforts, the Office sanctioned 22 respondents. The Office ordered or obtained a judgment ordering the payment of restitution to investors in the amount of $82,095.62 and assessed $629,940.08 in penalties for violations of Maine’s securities and business opportunity laws. The Office entered into 6 consent agreements and 11 consent orders and issued 1 cease and desist order and 3 decision and orders. The Office referred 2 cases for civil or criminal prosecution and has 1 criminal case awaiting trial. With assistance from the Office of Securities, the Office of the Attorney General successfully prosecuted 2 criminal cases, which resulted in prison sentences.

In fiscal year 2012 the Office collected $25,668,050.08 for the General Fund through its filing fees (registration, licensing, and notice filing fees) and penalties.

FINANCES, FISCAL YEAR 2012: The expenditure information for this unit was generated from the Budget and Financial Management System (BFMS).
PURPOSE:
The Office of Program Evaluation and Government Accountability assists the Legislature in ensuring that public funds are expended in the most effective, efficient and economical manner possible. It also aids the Legislature in ensuring that such funds are used to support activities and functions that produce satisfactory results and comply with State and Federal mandates.

ORGANIZATION:
The Legislature created this non-partisan office by statute, PL 2001, chapter 702, with an effective date of July 25, 2002, but the start-up of the office did not occur until the Director was hired in January 2005. The Director is appointed by the Legislative Council for a term of 5 years. By Joint Rule, the Legislature established the 12-member, bi-partisan and bi-cameral Government Oversight Committee which oversees the activities of the office.

PROGRAM:
The Office of Program Evaluation and Government Accountability conducts independent and objective performance audits and evaluations of state agencies, programs and functions. As necessary, OPEGA also conducts reviews of other entities receiving public funds administered by the State, or which expend private monies for public purposes. Such other entities include: local and county governments, special districts, utility districts, regional development agencies, municipal or nonprofit corporations, state contractors and any public official or public employee.

Performance audit and evaluation topics are selected by the Government Oversight Committee according to an established process. The Office defines the scope of each project in conjunction with the Committee, but then performs the review without any further direction from the Committee. The work of the Office is normally guided by the GAO Government Auditing Standards and follows an established process that provides for on-going communication with the entity under review.

The Office produces a final report on each review discussing the work performed, the conclusions reached, and any identified areas for improvement with related recommendations. The report is released and orally-presented to the Committee during a public meeting and is then distributed as a public record.

BUREAU OF STATE POLICE

Purpose:
The Department of Public Safety was established to serve the people by providing, coordinating and leading a responsive and comprehensive public safety system to protect their lives, rights and properties.

Employees of the Maine Department of Public Safety will continue to serve the public to the best of their ability by being dedicated and accountable and by managing resources effectively and efficiently. The Maine Department of Public Safety seeks to preserve the public order and to protect the persons, property, rights and privileges of all people in the State through ethical leadership and the development of employees, while upholding and respecting the constitutional rights of all persons to liberty, equity and justice.

Organization:
The Department of Public Safety was created in 1971, consolidating the former Department of State Police, the Enforcement Division of the State Liquor Commission, the employees of the Vehicle Equipment Safety Commission, the Division of State Fire Prevention of the Department of Insurance and the Law Enforcement and Criminal Justice Academy, under the Commissioner of Public Safety.

In 1978, the Bureau of Capitol Police was added to the organization of the Department. The responsibility for the administration of the Highway Safety Program from the Department of Transportation was added and in 1990 the Legislature changed the name to the Bureau of Highway Safety.

The Maine Drug Enforcement Agency and the Maine Drug Enforcement Agency Advisory Board were created by the 113th Legislature to develop and carry out a statewide Drug Enforcement Program.

Chapter 588, P.L. 1991, transferred the responsibility for Emergency Medical Services from the Department of Human Services to Public Safety.

During 1993, the 116th Legislature created the Missing Children Information Clearinghouse requiring the Department to collect and disseminate complete information related to missing children. In 2003, the Maine Bureau of Liquor Enforcement was abolished by the Legislature. Public Safety now has jurisdiction over liquor licensing and liquor administrative matters.

The 121st Legislature passed LD 1683, An Act Relating to the Establishment of a Maine Communications System Policy Board, as Public Law Chapter 678. Historically, emergency communications dispatch has been the responsibility of the Bureau of State Police within the Department of Public Safety. The State Police ran four dispatch centers in Houlton, Orono, Augusta and Gray which provided services not only for State Police, but for several other state agencies, some municipalities, the Maine Turnpike Authority and for Aroostook County. The Policy Board legislation called for a separate communications unit within the Department. This administrative change was achieved in FY07.

Fifty-four existing Emergency Communications Specialist positions and six
DEPARTMENT OF PUBLIC SAFETY

Emergency Communications Supervisor positions were transferred from the Bureau of State Police into the new Consolidated Emergency Communications Bureau. In addition, to provide the unit with a civilian director, the position of Director, Bureau of Consolidated Emergency Communications was created. The new Director began on October 25, 2006.

The 121st Legislature passed as Public Law Chapter 687, An Act to Establish the Gambling Control Board whose responsibilities are to establish rules and policies as well as licensing for slot machine operators and slot machine distributors. The 125th legislature passed as Public Law Chapter 418, An Act to Allow Table Games at a Facility Licensed to Operate Slot Machines to include the licensing of Slot Machine operators to operate table games.

The Bureau of Building Codes and Standards was established within the Department of Public Safety to provide administrative support and technical assistance to the Codes and Standards Board, established in Title 5, section 12004-G, subsection 5-A.

PROGRAM:

Other than Administration of the Department, the activities during 2012 are discussed in the individual reports of its Bureaus. During FY2006, all financial and human resources functions were consolidated into the Department of Administrative and Financial Services.

FINANCES, FISCAL YEAR 2012: The expenditure information for this unit was generated from the Budget and Financial Management System (BFMS).

PURPOSE:
The Bureau of Building Codes and Standards within the Office of the State Fire
Marshall was established within the Department of Public Safety to provide
administrative support and technical assistance to the board in executing its
duties pursuant to Title 10, section 9722, subsection 6.

The Technical Building Codes and Standards Board, established in Title 5, section
12004-G, subsection 5-A was established to adopt, amend and maintain the Maine
Uniform Building and Energy Code, to resolve conflicts between the Maine Uniform
Building and Energy Code and the fire and life safety codes in Title 25, sections
2452 and 2465 and to provide for training for municipal building officials, local
code enforcement officers and 3rd-party inspectors.

ORGANIZATION:
The board consists of 11 voting members, appointed by the Governor.

The Assistant State Fire Marshall of Inspections certified in building standards
serves as the bureau director and principal administrative and supervisory
employee of the board. The Assistant State Fire Marshall supervises the staff
employed to carry out the duties of the board, including but not limited to
providing technical support and public outreach for the adoption of the code,
amendments, conflict resolutions and interpretations. The Division and board will
provide nonbinding interpretation of the code for professionals and the general
public and will establish and maintain a publicly accessible website to publish
general technical assistance, code updates and interpretations and post-training
course schedules.

PROGRAM:
The board will adopt rules necessary to carry out its duties under this chapter.
The board will adopt, amend and maintain the Maine Uniform Building and Energy
Code and identify and resolve conflicts between the Maine Uniform Building and
Energy Code and the fire safety codes and standards.

On January 31st of each calendar year beginning in 2011, the board will report to
the joint standing committee of the Legislature having jurisdiction over
business, research and economic development matters any proposals for conflict
resolutions for codes and standards, proposals to improve the efficiency and
effectiveness of those codes and standards; and alternative methods of funding
for the board to create an equitable source of revenue.

The board will develop technical advisory groups of experts and interest group
representatives as needed to provide the board with detailed information and
recommendations on amendments to the Maine Uniform Building and Energy Code,
national model codes revisions and conflict resolution with other
building-related codes and standards adopted in the State. The board may direct
the technical advisory groups to identify economic impacts on small businesses,
housing affordability, construction costs, life-cycle costs or code enforcement
costs of proposed changes to the code.

The board will ensure that training and certification regarding the Maine Uniform
Building and Energy Code is readily available, affordable and accessible to
municipal building officials and make historic preservation a policy priority in
the adoption and amendment of the Maine Uniform Building and Energy Code.

The board will approve methods of energy performance rating for use in generating
any consumer information labels that may be required in the marketing and sale of
residential and commercial buildings.

BUREAU OF CAPITOL POLICE
RUSSELL GAUVIN, CHIEF

Central Office: STATE OFFICE BLDG, AUGUSTA, ME 04333
Mail Address: 68 STATEHOUSE STATION, AUGUSTA, ME 04333 FAX: (207) 287-6212
Established: 2009 Telephone: (207) 287-4357
Reference: Policy Area: 06 Umbrella: 16 Unit: 656 Citation: T000025 M.R.S.A., Sect.: 00002902
Average Counts-All Positions: 14.500 Legislative Count: 14.50

PURPOSE:
The Bureau of Capitol Police is a law enforcement agency responsible for the safety of the people and the security of the buildings that make up Maine's seat of government. Areas of responsibility include the State House, the other State buildings within the Capitol Area campus, and the properties on the eastside of the river within the old Augusta Mental Health campus. The Bureau patrols the State owned or controlled property in Augusta, investigates crimes and enforces laws, including parking and traffic regulations, and responds to alarms and other calls for help or assistance on the two campuses. The Bureau's night watchpersons check the security of approximately 50 State owned buildings and properties in Augusta and Hallowell at night and on weekends.

ORGANIZATION:
The Capitol Security Police Force was created by the legislature in 1977 as a branch of the Department of Public Safety. So as to better reflect the Bureau's law enforcement role; in 2009 the Legislature changed the name of the former Bureau of Capitol Security to the Bureau of Capitol Police. There currently is a staff of fifteen: The Capitol Police Chief, a sergeant, six police officers, two night watchpersons, four security screeners, and one part-time administrative assistant. Prior to 1977, the functions of the Bureau were the responsibility of the Bureau of Public Improvements.

PROGRAM:
During Fiscal Year 2012, the employees within the Bureau found, initiated or responded to 28,557 documented events, incidents or activities. Eighty-seven of these incidents resulted in criminal investigations being initiated. These range from thefts of property to assaults, criminal trespass or criminal threatening. Officers investigated a number of threatening communications aimed at legislators or state employees and also investigated 18 motor vehicle crashes. Officers issued 389 traffic summonses or warnings, and 1,276 parking tickets. Officers kept the peace at numerous public hearings, rallies and protests including the 55 day "Occupation" of Capitol Park by protesters. The major objectives of the Bureau are ensuring the safety of members of the legislature, staff, employees and visitors; and the security of the State buildings and property for the complexes to which we provide service. In January 2012, as part of our protective role, Capitol Police screeners started regularly conducting entry screening for weapons at the West entrance to the State House.

LICENSES:
The Bureau of Capitol Police issues Capitol Area Activity Permits. Fifty-five permits were issued during Fiscal Year 2012 for activities around the State House, in Capitol Park, and in the Capitol Area.

**PURPOSE:**  
The Maine Criminal Justice Academy was established to provide a central training facility for state, county and municipal law enforcement and corrections officers. The campus is located at the former Oak Grove-Coburn School in Vassalboro, Maine. From 1972 until December 28, 2005, the Academy was located at 93 Silver Street in Waterville, at the former Thomas College facility. The Academy has eleven (12) classrooms, four (4) conference rooms, a full cafeteria and can house 130 students. The building has a state of the art special training
The mission of the Maine Criminal Justice Academy is to provide the highest level of training, within given resources, to law enforcement and correctional officers in the State. By statute, the Academy is required to provide a basic training program for all full-time law enforcement officers, pre-service training for all part-time law enforcement officers, basic court security, capital police officers and basic corrections training for all county and state correctional officers.

The Academy also coordinates the eight (8) Regional Training Districts across the state, which provides in-service training to officers in remote areas.

ORGANIZATION:
The Academy has a staff of eleven (11) full-time people and operates with an annual budget of $1,766,059 from Special Revenues, plus a $75,000 from Federal Funds because of the Use of Force grant that was obtained. In addition to the full-time staff, the Academy relies heavily on volunteer instructors from state, county and municipal law enforcement agencies, county and state corrections agencies and other criminal justice fields. The Academy provides many instructor development classes in order that these students can be the future volunteer instructors. This partnership philosophy has been supported by the Police Chiefs and Sheriffs in Maine to provide very cost effective training to their respective agencies. In 2011, the Academy had 16,363 hours of donated instructor time from 109 different agencies.

PROGRAM:
During the year, the MCJA Board of Trustees certified 99 full-time State, County and Municipal law enforcement officers who graduated from the Basic Law Enforcement Training Program, 120 corrections officers who graduated from the Basic Corrections Training Program, and 140 part-time law enforcement officers who graduated from the Law Enforcement Pre-service Training Program. The Board waived 12 law enforcement officers from the Basic Law Enforcement Training Program and 1 corrections officer from the Basic Corrections Training Program. The Board awarded 70 Instructor Certificates, 17 Executive Certificates, 19 Canine Handler Certificates and many others. During the training year, 152 Specialized and In-service courses were offered. For law enforcement and/or corrections officers, the Board revoked 15 for criminal conduct/convictions, waived 3 for criminal conduction/convictions and gave 8 consent agreements and/or suspensions for criminal conduct/convictions. The Academy also provided four classes online during 2012 through JPMA.

Reference: Policy Area: 06 Umbrella: 16 Unit: 227 Citation: T0025 M.R.S.A. Sect.: 000002802

PURPOSE:
The primary responsibilities of the Board of Trustees are to certify and to set the standards for certification of graduates of the Academy, to promulgate the standards for recruitment of Academy students and to prescribe the content of the curriculum. The Board of Trustees is empowered to certify and set standards for the certification and decertification of law enforcement executives, law enforcement officers, corrections officers, court security, capital security officers, canine handler teams, instructors, harbor masters, and others.

ORGANIZATION:
The Academy Board of Trustees currently consists of 17 members: the Commissioner of Public Safety, the Attorney General, the Game Warden Colonel, the Chief of the State Police, and the Commissioner of Corrections, are all ex officio. The following members are appointed by the Governor: a county sheriff, a chief of a municipal police department, two officers of municipal police departments, an educator, a representative from a criminal justice agency not involved in the general enforcement of Maine criminal laws, a representative of a federal law enforcement agency, three citizens, a municipal official and one non-supervisory corrections officer representing a state or county correctional facility. All board members serve 3 year terms, except ex officio members who remain on the board during their term of office.

PROGRAM:
During the year, the MCJA Board of Trustees certified 99 full-time State, County and Municipal law enforcement officers who graduated from the Basic Law Enforcement Training Program, 120 corrections officers who graduated from the Basic Corrections Training Program, and 140 part-time law enforcement officers who graduated from the Law Enforcement Pre-service Training Program. MAINE DRUG ENFORCEMENT AGENCY
ROY MCKINNEY, DIRECTOR

Central Office: 45 COMMERCE DRIVE, SUITE 1, AUGUSTA, ME 04330
Mail Address: 166 STATE HOUSE STATION, AUGUSTA, ME 04333-0166  FAX: (207) 287-3042
Established: 1987  Telephone: (207) 626-5850
Reference: Policy Area: 06  Umbrella: 16  Unit:230  Citation: T0025  M.R.S.A. Sect.: 000002955
Average Counts-All Positions: 3.000  Legislative Count: 3.00

PURPOSE:
The purpose is to provide a central administrative structure for the establishment, coordination, and oversight of specialized narcotics and narcotics-related investigative units within the State of Maine through a multi-jurisdictional drug task force approach. The task force concept brings together the resources of adjoining and overlapping enforcement entities, particularly in situations in which sparse resources are spread over great distances. This approach has proven to be one of the most effective tools in proactively addressing the proliferation of illegal drug activity through the pooling of skills, enhanced intelligence sharing, increased personnel resources, more equipment available, concentration of effort on a clear goal, and reduced jurisdictional boundary problems. In addition to the consolidation of investigatory resources, the Maine Drug Enforcement Agency also integrates prosecuting personnel with the day-to-day case work investigators.

ORGANIZATION:
The Bureau of Intergovernmental Drug Enforcement was created by the 113th Legislature by passage of 25 M.R.S.A., Chapter 353. Funding of the Agency was established by the Anti-Drug Abuse Act of 1986. In 1991 the Legislature changed the Agency name to the Maine Drug Enforcement Agency. This Agency has been placed within the organizational structure of the Department of Public Safety and is managed by a Director who reports to the Commissioner of Public Safety. The Maine Drug Enforcement Agency is a statewide multi-jurisdictional task force, and its personnel are assigned to the task force by municipal, county, state and tribal law enforcement agencies.

PROGRAM:
MDEA's mission is to disrupt the drug market, thereby undermining the ability of drug suppliers to meet, expand, and profit from drug demand while supporting prevention efforts and contributing to treatment efforts. Its goals are to: reduce the availability of drugs; protect the State's borders by stemming the flow of drugs into and through Maine; strengthen the State's drug law enforcement infrastructure; strengthen intelligence and information sharing; enhance collaboration and coordination with all law enforcement agencies; and establish effective partnerships with agencies focused on reducing drug abuse.

CONSOLIDATED EMERGENCY COMMUNICATIONS BUREAU

CLIFFORD S. WELLS, DIRECTOR

Central Office: 45 COMMERCE DRIVE, AUGUSTA, ME 04330
Mail Address: 104 STATE HOUSE STATION, AUGUSTA, ME 04333-0104
Established: 2006
Fax: (207) 287-3430
Telephone: (207) 624-7001
Reference: Policy Area: 06 Umbrella: 16 Unit: 219E Citation: 2005 PL 561 A.S.A., Sect: 00519-O0
Average Counts-All Positions: 70.000
Legislative Count: 70.00

PURPOSE:
The Consolidated Emergency Communications Bureau shall carry out the policies, procedures, and standards as established by the Maine Communications System Policy Board for the cooperative use of the Department of Public Safety’s communications systems by municipal, county, and state government entities.

ORGANIZATION:
The 121st Legislature passed LD 1683, An Act Relating to the Establishment of a Central Maine Regional Public Safety Communication Center, as Public Law Chapter 678.

Historically, emergency communications dispatch has been the responsibility of the Bureau of State Police within the Department of Public Safety. The State Police ran four dispatch centers in Houlton, Orono, Augusta and Gray which provided services not only for themselves, but for several other state agencies, some municipalities, the Maine Turnpike Authority and for Aroostook County. The Policy Board legislation called for a separate communications unit within the Department. This administrative change was achieved in FY07. Fifty-four existing Emergency Communications Specialist positions and six Emergency Communications Supervisor positions were transferred from the Bureau of State Police into the new Consolidated Emergency Communications Bureau. In addition, to provide the unit with a civilian director, the position of Director, Bureau of Consolidated Emergency Communications was created. The new Director began on October 25, 2006.

The 121st Legislature also passed LD 1423, An Act To Facilitate the Implementation, Maintenance and Operations of the E-9-1-1 Emergency System, which directed the Emergency Services Communications Bureau at the Public Utilities Commission to seek reduction of the number of Public Safety Answering Points (PSAP) to between 16 and 24. This resulted in the closing of a number of local PSAPs and in some cases caused not only emergency call-taking to be relocated, but also emergency dispatch may have been moved. The 123rd Legislature, passed 2008 Public Law Chapter 622, which required that this Bureau submit to a rate setting case through the Maine Public Utilities Commission (PUC). The resulting Order on Docket 2008-225 would be the rates that the Bureau can charge to all it’s State and Local partners for Public Safety Answering Point (PSAP) call-taking and public safety dispatching services. With the issuing of that Order, several jurisdictions did not renew contracts and went to agencies that provided services for a lesser rate. The 124th Legislature passed Public Law,
DEPARTMENT OF PUBLIC SAFETY

Chapter 617, LD 1813, which in part removed the requirement that the Maine Public Utilities Commission hold a rate case for the setting of the Communications Bureau's user fees. This ability was returned to the Communications System Policy Board.

PROGRAM:
These Communications Centers provide emergency and non-emergency call taking and dispatching for seven state agencies, one county Sheriff's Office and eighteen municipal fire and/or emergency medical services. They also provide backup Public Safety Answering Point (PSAP) capabilities for local and county PSAPs and receive almost all the cellular 911 calls in the state.

PURPOSE:
Maine Emergency Medical Services is responsible for the training, licensing and coordination of all ambulance services and the emergency medical technicians who staff them. MEMS is also responsible for licensing Public Safety Answering Points, Emergency Medical Dispatch Centers and Emergency Medical Dispatchers. Currently, training for EMD is conducted by the Emergency Services Communications Bureau (Public Utilities Commission).

ORGANIZATION:
The 17 member Maine Emergency Medical Services Board is the sole EMS rulemaking authority and provides policy direction for Maine EMS. Daily responsibilities are assigned to the central office staff (7). There are also six independent (non-state) regional councils that have a contract for services to coordinate education, and assist local EMS services with quality assurance, medical control, and mutual aid planning.

Maine has 272 ambulance and first responder services providing emergency medical care through Paramedic levels, special air medical and rescue transportation services, 5,806 licensed EMS personnel (including Emergency Medical Dispatchers), 37 acute care hospitals (including 3 designated Trauma Centers), 500 EMS vehicles, and 1,500 emergency physicians, nurses, and ambulance vehicle operators.

Maine EMS is also responsible for providing quality improvement assistance to the dispatch centers.
DEPARTMENT OF PUBLIC SAFETY

PROGRAM:
The Maine EMS system conducts hundreds of training programs for ambulance services, emergency medical services providers (4 different levels), and EMS service managers. MEMS is also responsible for management of the electronic run report data system, which brings data responsibilities within Maine EMS that were previously contracted to an outside agency.

All of the activities support a system which responded to over 265,824 calls in 2011; and 191,191 between January 1, 2012 and September 30, 2012.

other such duties as may be conferred or imposed by law.

ORGANIZATION:
The Division of State Fire Prevention was created in 1937 to combat an increasing number of fraudulent insurance claims resulting from set fires. Since then, there has been a substantial growth in the areas of responsibility of the Office of the State Fire Marshal, which replaced the Division of State Fire Prevention in 1972. The scope of statutory authority has broadened to include a number of activities related to life safety as well as fire prevention and law enforcement.

PROGRAM:
The programs of the State Fire Marshal have primary goals of 1) Investigation of the origin and cause of fires and explosions; 2) Arson investigation, evidence gathering and case preparation for possible prosecution; 3) Regulate, permit and inspect for the use of explosives, fireworks, and certain flammable liquids; 4) Inspect approximately 25 different types of buildings and facilities with the primary focus to enforce life safety codes and standards; 5) Review plans to issue permits for construction and alteration of public buildings, handicap accessibility, installation of fire alarm and fire sprinkler systems, installation of above ground fuel storage tanks, amusement rides, and new self-service gas stations; 6) Conduct and offer specialized training for trade professionals, care givers, code enforcement officials, and fire and law enforcement professionals; 7) Coordinate efforts of specialty subject areas such as the Juvenile Firesetter Intervention Task Force; 8) Implement, manage, and report on Maine's Reduced Ignition Propensity Cigarette law; 9) Develop and deliver public education and awareness programs on fire prevention and safety to Maine's most vulnerable populations; and 10) Conduct research and analysis of the state fire burden for use in the development, implementation, and improvement of new and existing programs.

GAMBLING CONTROL BOARD

**PATRICK J. FLEMING, EXECUTIVE DIRECTOR**

Central Office: 45 COMMERCE DRIVE SUITE 3, AUGUSTA, ME 04330
Mail Address: 87 STATE HOUSE STATION, AUGUSTA, ME 04333-0087  FAX: (207) 287-4356
Established: 2004  Telephone: (207) 626-3901
Reference: Policy Area: 06  Umbrella: 16  Unit: 633  Citation: T0008  M.R.S.A., Sect.: 00001001
Average Counts-All Positions: 18.000  Legislative Count: 18.00

**PURPOSE:**
The Gambling Control Board is responsible for the inspection, monitoring and investigating of the companies and individuals that are associated with any slot machine or casino facility in the State. Further, the Gambling Control Board oversees the collection of funds that are generated from the slot and casino operations.

**ORGANIZATION:**
The Executive Director serves as the day-to-day supervisor for the activities of the Gambling Control Unit and reports to the Gambling Control Board. In addition to the Executive Director, the Gambling Control Unit has 16.0 employees assigned to it. A Maine State Police detective performs the investigative functions associated with licensing and any criminal matters. Nine civilian inspectors are located at the gaming facilities to observe operations. Two auditors insure proper accounting and distribution of funds generated from the gaming facility.

An Office Specialist I and an Office Assistant II are assigned to the unit to assist with the administrative duties of the Board and the Unit. The seventeenth position is located in the State Bureau of Identification but is funded by the Gambling Control Board due to the number of fingerprints that are submitted from people seeking licensure.

**PROGRAM:**
The Gambling Unit assists the Gambling Control Board providing oversight of regulatory matters related to slot machine and casino facilities. The Unit insures rigorous inspection of all facets of the operation. All persons working at the facility that are directly associated with the slot or table games are investigated for eligibility and suitability by the Maine State Police.

The Gambling Control Board utilizes a central sight monitoring system to gather data and insure the complete accounting of the slot machine operation. The auditors assigned to the Gambling Control Board (unit) work with the private central monitoring system provider and the gaming licensees to insure accuracy of reports.

**LICENSES:**
Slot and Casino Operators
DEPARTMENT OF PUBLIC SAFETY
Slot Machine and Table Game Distributors
Gambling Services Vendors
Slot and Casino Facility Employees

Average Counts-All Positions: 7.000  Legislative Count: 7.00

PURPOSE:
The Bureau of Highway Safety is responsible for the state's highway safety programs and the Bureau is authorized: to develop and implement a process for obtaining information about highway safety programs of other state and local agencies; to provide technical assistance to other agencies and political subdivisions for development of highway safety programs; and to provide financial and technical assistance to other state agencies and political subdivisions in carrying out highway safety programs.

ORGANIZATION:
The Bureau of Safety was established under the Department of Public Safety in December 1980. In 1990, the Legislature changed the name to the Bureau of Highway Safety.

PROGRAM:
The Highway Safety component consists of the planning, development, implementation, and evaluation of Section 402, Title 23 U.S.C. Highway Safety Program in the State of Maine. The Bureau funds and administers education and enforcement programs and countermeasures to decrease fatalities, injuries and property damage resulting from motor vehicle crashes. Such emphasis areas include: occupant restraint, child restraint, speed enforcement, enforcement training programs, distracted driving, alcohol and other drug countermeasures, emergency medical services, driver training, motorcycle and bicycle safety, pedestrian safety, pupil transportation safety, and traffic records systems.

The Bureau also directs the Defensive Driving program (MDD) and administers the Fatality Analysis Reporting System (FARS) and the Child Safety Seating Fitting Station program in Maine. The Bureau provides technical and financial assistance to agencies participating in these programs.

STATE BUREAU OF IDENTIFICATION

ROBERT A. WILLIAMS, CHIEF, MAINE STATE POLICE
MATTHEW R. RUEL, DIRECTOR

Central Office: 45 COMMERCE DRIVE, SUITE 1, AUGUSTA, ME 04330
Mail Address: 42 STATE HOUSE STATION, AUGUSTA, ME 04333-0042  FAX: (207) 287-3042
Established: 1937  Telephone: (207) 624-7200
Reference: Policy Area: 06  Umbrella: 16  Unit:223  Citation: T0025  M.R.S.A., Sect.: 000001541

PURPOSE:
The State Bureau of Identification, a Division of the Maine State Police, is the central repository of criminal history record information for the State of Maine. The Bureau provides criminal history and sex offender registry information to agencies and persons authorized by law to receive such information, serves as the repository of fingerprint images provided by local agencies, and serves as the single point of transmission to the FBI of all criminal history and fingerprint images.

ORGANIZATION:
The Bureau was created in 1937 as the central repository of criminal history record information.

PROGRAM:
The Bureau is developing and implementing software to computerize its record systems, and improve its biometric systems to better provide information to law enforcement agencies. This is achieved by developing and enhancing automated information sharing with local law enforcement, the prosecutorial districts, and the court system. The automated Fingerprint Identification System went on-line in August 1998. These systems serve as a major component in law enforcement information sharing, not just at the state level but on the federal level also.

The agency provides information to its law enforcement partners in a 24/7 environment through an automated response. The agency also provides public criminal history information to the public as a fee based service. Along with criminal history records information, the Bureau operates and maintains the sex offender registry. The registry staff works with local law enforcement agencies to refer new offenders and update verification information. In addition they maintain all the information that is posted on the state Sex Offender Registry website.

FINANCES, FISCAL YEAR 2012: The Bureau of the Budget does not maintain comprehensive fiscal data relative to this unit.

271
PURPOSE:
The primary mission of the State Police is to safeguard the constitutional rights, liberty, and security of its citizens by enforcing the motor vehicle and criminal statutes of Maine and to provide professional aid in times of need and crisis. The Bureau was established to patrol the highways, especially outside the compact portion of cities and towns without local law enforcement agencies. The Bureau provides specialized response teams to support major critical incidents, manages the State's crime laboratory and Computer Crimes Unit. The Bureau also provides security for the Governor and family on a twenty-four hour basis.

ORGANIZATION:
The State Police was established as an independent branch of State government in 1925. In 1931 a reorganization act was passed by the Legislature designating the Chief as executive head of the State Police under the direction of the Governor. Six years later, the Division of Highway Safety and the State Bureau of Identification were created by the Legislature, under the control of the State Police. In 1939, the Bureau of Criminal Investigation and the Communications Division were established, along with the division of the State Police into six districts. Because of the increased demands for State Police services, the Bureau was reorganized several times during the 1950s and 1960s. In 1971, the Legislature incorporated the State Police into the Department of Public Safety.

Today, the State Police is comprised of: eight field troops patrolling the rural areas and the Maine Turnpike, one troop focused on commercial vehicle enforcement regulations, two Major Crimes Units, seven other units and eight specialty teams organized within the Support Services Division.

PROGRAM:
The programs of the Maine State Police have primary goals of 1) Patrolling rural areas of Maine without organized police departments for the purpose of preventing and investigating criminal activity; 2) Enforcing traffic safety laws in rural areas, Maine Turnpike and Interstate System; 3) Overseeing the Motor Vehicle Inspection Program and enforcing the Commercial Motor Vehicle laws and rules; 4) Investigating homicides that occur outside Portland and Bangor; 5) Investigating child abuse cases; 6) Providing specialized support, such as response teams, computer and crime laboratory services to all law enforcement agencies; 7) Providing a repository for criminal history and records information; 8) Provide specialized administrative, licensing, and enforcement services.

PURPOSE:
The Public Utilities Commission's purpose is to protect the public by ensuring that utilities in the State of Maine provide adequate and reliable service to the public at rates that are reasonable and just. The Commission acts as a quasi-judicial body which decides cases involving rates, service, financing, and other activities of the utilities it regulates. The Commission also has investigatory and rulemaking authority. The Commission currently has jurisdiction over approximately 154 water utilities, 14 electric utilities, 7 gas utilities, 24 local telephone utilities, 1 water carrier, 185 competitive electricity providers, and 221 competitive local and interchange carriers.

The Commission is divided into five operating divisions with respective powers and duties as follows:

The ADMINISTRATIVE DIVISION is responsible for fiscal, personnel, contract and docket management, as well as physical plant. The Division provides support services to the other divisions and assists the Commission in coordinating its activities. The CONSUMER ASSISTANCE DIVISION (CAD) receives, analyzes and responds to complaints from Maine utility customers. The LEGAL DIVISION represents the Commission before Federal and State appellate and trial courts and agencies. It provides hearings examiners and staff attorneys in cases before the Commission and assists in preparing and presenting Commission views on legislative proposals. The TELEPHONE AND WATER DIVISION is responsible for financial, technical, and policy related investigations and analyses conducted by the Commission on telephone and water utilities. The DIVISION provides expert advice to the Commission on such matters as revenues, expenses, engineering, economics, technology and other technical aspects related to the telephone and water industries. The ELECTRIC AND GAS DIVISION is responsible for financial, technical, and policy related investigations and analyses conducted by the Commission on electric and gas utilities. The DIVISION provides expert advice to the Commission on such matters as revenues, expenses, engineering, economics, technology and other technical aspects related to the electric and gas industries.

ORGANIZATION:
The Public Laws of 1913, effective by Proclamation, after referendum on October 30, 1914, created the Public Utilities Commission. It was organized December 1, 1914. The Act abolished the Board of Railroad Commissioners, established in 1858, and conferred upon the Public Utilities Commission all powers vested in that Board, as well as the State Water Storage Commission, including custody and control of all records, maps, and papers pertaining to the offices of the Railroad Commissioners and the State Water Storage Commission, the latter of which was not legally abolished until 1916. The Commission also acquired jurisdiction over all "public utilities," and through subsequent legislation any person, firm, or corporation operating motorbuses or trucks transporting passengers or freight for-hire over any street or highway in Maine. The Commission retains jurisdiction over the transportation of passengers and property for compensation by vessel in Casco Bay under Chapter 174 of the Private and Special Laws of 1963. Chapters 207 and 617 of the Public Laws of 1983 specifically exempted dealers of gas in liquid form from Commission jurisdiction, which had not been previously exercised. Central tanks serving more than 10 customers are still subject to PUC jurisdiction. Chapter 304 of the Public Laws of 1983 deregulated one-way paging service. PL 1987, ch. 141 conferred to the Commission jurisdiction over cable television systems providing service like telephone companies and pole attachment charges for cable television systems. Public Laws 1991, chapter 342 exempted cellular telephone providers, from
regulation as public utilities, as long as one provider does not "exclusively control" the assigned service area and unless the Commission determines that the cellular provider is engaged in providing basic exchange telephone service. P.L. 1999, ch. 718 gave the Commission enforcement authority over the Dig Safe damage prevention statute. PL 2001, ch. 624, which required the Commission to develop and administer conservation programs funded through assessments on Transmission and Distribution utilities, became effective on April 5, 2002. PL 2003, ch. 359 moved the Emergency Services Communication Bureau to the Commission giving it oversight responsibility for the E-911 program.

The present Public Utilities Commission consists of three Commissioners appointed by the Governor subject to review by the legislative committee having jurisdiction over public utilities and to confirmation by the Senate, for terms of six years. The Governor designates one Commissioner as Chairman and all three Commissioners devote full time to their duties.

PROGRAM:
The Commission regulates the State's electric transmission and distribution companies, telephone, gas, and water utilities, as well as water carriers. The basic purpose of this regulatory system is to assure safe, reasonable and adequate service at rates that are just and reasonable to customers and public utilities. During the 12 months ending June 30, 2012, 426 cases were filed with the Commission and the Commission closed 429 cases.

The Commission's Consumer Assistance Division (CAD) is charged with ensuring that consumers and utilities receive fair and equitable service through CAD educational and complaint resolution programs. During the 12 months ending December 2011, CAD handled 6,922 consumer contacts, including 5,543 information requests. The vast majority of complaints (86%) were related to the electric and telephone utilities with 23% attributable to telephone utilities and 63% attributable to electric utilities, 3% attributable to gas utilities, 11% attributable to water utilities. In addition, the CAD ordered $108,876 to be abated to 111 customers. The CAD received 32 utility exemption requests during 2011. Finally, CAD received 277 requests from utilities to disconnect customers from service during the winter of 2011.

LICENSES:
LICENSES, PERMITS ETC: The Commission issues orders approving schedules of rates, terms and conditions; certificates of public convenience and necessity to construct, own, or contract for major transmission facilities or to rebuild or relocate major transmission facilities; applications by providers of telephone, electric or gas utility services to provide telephone, electric or gas service in a municipality in which an existing utility is furnishing or authorized to furnish service, upon declaration by the Commission that the public convenience and necessity requires a second public utility; and issues certificates of convenience and necessity to provide service to carriers of passengers and freight by water in Casco Bay.

PUBLICATIONS:
Annual Report to Joint Standing Committee on Utilities of the Maine Legislature. (No Charge)
Rules (No Charge)
Various consumer information publications (No Charge)
There is no charge to receive electronic copies of documents from the Commission such as orders, briefs, and recommendations and the like, for parties or interested persons in cases, others will be charged printing costs. **PURPOSE:**

The Emergency Services Communication Bureau, established in 1994, has been part of the Maine Public Utilities Commission since September 13, 2003. The Bureau is responsible for the implementation and management of the Enhanced 9-1-1 system. The Bureau, in consultation with the E9-1-1 Council, will develop all system elements, standards and cost estimates necessary to provide for the installation and operation of a statewide E9-1-1 system.

**PROGRAM:**

In 2010-2011, the Bureau began planning for Next Gen 9-1-1, the next step in emergency communications that will allow access to 9-1-1 from non-voice services such as text messaging, and automated crash notification systems. This dramatic change will also allow call takers to receive and recognize the location of 9-1-1 requests from any of these devices.

Through a cooperative agreement with the Maine Office of Geographic Information Systems, local municipalities and counties are receiving technical assistance in the naming and numbering of all streets and road networks. Statewide, 99% of addresses are numbered within the 9-1-1 database, with most municipalities working within a road maintenance mode.

PURPOSE:
The Office of the Secretary of State provides administrative and policy oversight for the Department of the Secretary of State. The Secretary of State is provided for in the Constitution of the State of Maine and is therein required to attend the Governor, the Senate and the House of Representatives as they shall respectively require, to keep and preserve the records of all their official acts and proceedings, and to perform such other duties as required by law.

Maine statute provides for additional duties of the Secretary of State as follows: Title 4 (notaries); Title 5 (Office of the Special Advocate, Regulatory Fairness Board, Address Confidentiality program, archives, notaries, boards and commissions, and the Administrative Procedures Act); Title 10 (service and trademarks); Title 11 (Uniform Commercial Code filings); Titles 13, 13-A, and 13-B (corporations); Title 21-A (elections and citizen initiated legislation); Title 29-A (motor vehicles); Title 30-A (election of county officers) and Title 31 (limited partnerships and limited liability companies). In all, 870 separate sections of Maine law make reference to duties of the Secretary of State.

Specifically, the Office of the Secretary of State is responsible for the overall administration, including finances, personnel and programs, of the Department of the Secretary of State's respective bureaus: the Maine State Archives; the Bureau of Corporations, Elections and Commissions; and the Bureau of Motor Vehicles.

ORGANIZATION:
The Secretary of State, as established by the Constitution of the State of Maine in 1820, is elected biennially by joint ballot of both Houses of the Legislature. In 1862, certificates of incorporation were required to be deposited with the Secretary of State, leading to the formation of a Corporation Division in 1870. The Elections Division was established in 1891 when the Secretary of State was designated responsibility for printing and distributing ballots to towns, providing returns and performing other duties related to elections.

The Bureau of Motor Vehicles was established in 1905 to provide for the registration of motor vehicles by the Secretary of State. In 1919, registration of legislative counsel and employers became a function of the Secretary of State. In 1963, the State adopted the Uniform Commercial Code to be administered by the Secretary of State as a function of the Corporation Division. Also in 1963, the Department of the Secretary of State was first recognized under law with the Secretary of State designated as its executive head.

The Maine State Archives, created in 1965 and administered by the State Archivist, was made a bureau of the Department in 1973. The Administrative Procedures Act became effective July 1, 1978.

PROGRAM:
In Fiscal Year 2012, Maine's first Small Business Advocate was appointed and the
DEPARTMENT OF THE SECRETARY OF STATE

Regulatory Fairness Board appointments were completed. Working with the US Secret Service; Corporate Identity Theft Seminars were conducted across the state.

In an effort to address the safety concerns surrounding young drivers, the Secretary of State held "Conversations with the Communities" - public discussions regarding ways to improve the safety of Maine's young drivers, and also convened the Technical Review Panel to conduct a comprehensive review of young driver requirements. These efforts resulted in law changes designed to enhance safety for new drivers.

Additionally, the Commission to Study the Conduct of Elections in Maine began statewide public hearings to learn of election practices and processes that could be improved; the Bureau of Motor Vehicles entered into a partnership with AAA for the issuance of driver license renewals; and the number of municipalities offering online vehicle registration services through the Rapid Renewal program expanded to 163.

PURPOSE:
The Division of Administrative Services provides services for the bureaus, divisions and sections within the Department of the Secretary of State. This includes the Bureau of Corporations, Elections and Commissions (CEC), the Maine Archives, Information Services, Office of Investigations and the Bureau of Motor Vehicles (BMV). The divisions within the BMV consist of Driver License Services, Legal Affairs, Adjudications & Hearings, Public Services and Vehicle Services. The Administrative Services division provides financial and management support services including accounting, audit, budgeting/payroll, inventory management, personnel management, plate manufacturing, revenue collection, central stores and supply, mail handling, and facilities management for the main office, 13 branch offices, 24 Outreach locations operated by 2 mobile units, Archives, CEC and Secretary of State's office.
DEPARTMENT OF THE SECRETARY OF STATE

ORGANIZATION:
In an effort to maximize efficiencies, consolidate functions and realize savings, the administrative functions of the Bureau of Corporations, Elections and Commissions and the Maine Archives were merged with the Bureau of Motor Vehicles Administrative Services division as part of a cost savings measure in Public Law 2009, chapter 413.

PROGRAM:
The primary functions and activities of the Division include providing General Fund and Highway Fund revenue projections to the Revenue Forecasting Committee, Federal grant management, manufacturing and issuing regular and new specialty license plates, completing contracts, monitoring encumbrances and expenditures, ongoing human resources support to employees and supervisors and facilities management. Audit services conducts reviews of municipalities and audits vendor systems to ensure software upgrades reflect recent law changes.

Average Counts-All Positions: 12.000  Legislative Count: 12.00

PURPOSE:
The powers and duties of the State Archivist include responsibility for establishing rules, standards, and procedures governing the creation, use, maintenance, retention, preservation, and disposal of State records. Under this general authority, the Maine State Archives assists the three branches of State government, as well as county and municipal government agencies, in making their operations more efficient and economical by applying modern records management techniques, including establishing disposition schedules under which agencies may destroy records having exhausted their value to the State; providing technical assistance in specialized fields such as files, forms, general paperwork and electronic records procedures and office equipment management; and providing centralized storage and retrieval facilities for records that must be temporarily retained, but which need not be maintained in high-cost office space.

Professional archival services include the selection and preservation of records that have permanent value to the State, accompanied by the application of specialized technology and techniques designed to make such records readily accessible for use by the government and public. These efforts include identifying and arranging records, developing finding aids (inventories, indexes, and guides) to record groups or series, assisting in-person users, responding to mail and electronic mail requests, publishing by microfilm, printing selected records in high demand by the public, and posting databases and electronic documents on the Internet.

The Division of Records Management Services audits State microfilm and other imaging applications for feasibility and economy to ensure that all State filming and other production and preservation of records meets standards of quality established by Maine State Archives rules.

ORGANIZATION:
The Maine Legislature created the State Archives in 1965 and in 1973 designated the Archives as a central staff agency extending its jurisdiction to the counties
DEPARTMENT OF THE SECRETARY OF STATE
and municipalities.

Two operating divisions comprise the Maine State Archives: the Division of Records Management Services and the Division of Archives Services. The Office of the State Archivist is organized to supervise overall administrative and programming responsibilities and exercises general control over publications and agency participation in intergovernmental and public activities.

The State Archivist and the Archives Advisory Board are responsible for authorizing the destruction of government records.

The Archives works with the Maine Historical Records Advisory Board to serve historical records repositories throughout Maine. The State Archivist serves as chairman of that Board.

PROGRAM:
The Archives distributes microfilm or electronic copies of records to selected repositories across the state, including vital records (births, deaths, and marriages up to 1955.)

Records management consulting is available to all government agencies including counties and municipalities.

A comprehensive data base system encompassing Archival and Records Center holdings allows rapid retrieval of records by keyword searches. Special projects included re-filming of vital records whose microfilm copies were in poor condition and deploying searchable databases in the Research Room. The databases are accessible via the Internet. The Archives makes financial grants available for archival preservation and access projects.

PUBLICATIONS:
The Archives has an internet site which includes information about collections, related cultural organizations, databases and e-mail contacts. The address is: www.maine.gov/sos/arc/.

DIVISION OF ARCHIVES SERVICES
DAVID CHEEVER, STATE ARCHIVIST

Central Office: CULTURAL BLDG, AUGUSTA, ME 04333-0084
Mail Address: 84 STATE HOUSE STATION, AUGUSTA, ME 04333-0084 FAX: (207) 287-5739
Established: 1971 Telephone: (207) 287-5795
Reference: Policy Area: 00 Umbrella: 29 Unit: 255A Citation: T0005 M.R.S.A., Sect.: 000000095

PURPOSE:
The Division of Archives Services is established under the authority of the State Archives to preserve, maintain, service and make available to the government and
the public the permanently valuable records of the State.

ORGANIZATION:
The Division became fully operational upon construction of the Maine State Archives in 1971.

PROGRAM:
The number of in-person visits by customers remains constant. With new technologies, requests for information by e-mail, regular mail and telephone increases annually. The creation of finding aids in the form of computerized indexes has continued with many now available online and further online access has become available as the agency's databases have been incorporated into the State's InforME system.

Service to Research Room patrons includes digital microfilm reader-printers which enhance the readability of images, scan them onto disks, and make them available on the Internet.

FINANCES, FISCAL YEAR 2012: The Bureau of the Budget does not maintain comprehensive fiscal data relative to this unit.

DIVISION OF CORPORATIONS, UCC AND COMMISSIONS

CATHY BEAUDOIN, DIRECTOR
Central Office: CROSS OFFICE BUILDING, AUGUSTA, ME 04333-0101
Mail Address: 101 STATE HOUSE STATION, AUGUSTA, ME 04333-0101  FAX: (207) 287-5874
Established: 1989  Telephone: (207) 624-7736
Reference: Policy Area: 00  Umbrella: 29  Unit: 250Q  Citation: T0005  M.R.S.A., Sect.: 000000081

PURPOSE:
The purpose of the Division of Corporations, UCC and Commissions is to serve as a repository for all records relating to over 84,000 business entities and nonprofit corporations operating in the State and over 185,000 liens filed on personal property under the Uniform Commercial Code. The Division also administers the appointment, renewal and continuing education of over 25,000 Notaries Public, administers the application process for nominees for the office of Dedimus Justice for the Governor's office; records and maintains appointments and information for over 260 boards and commissions listed in Title 5, chapter 379, and processes requests for authentications, Apostilles, and other certifications on the acts of public officials.

ORGANIZATION:
The director is responsible for the programs of the Division, including the selection, supervision, rating and discipline of personnel. The director reports to the deputy secretary of state responsible for all programs and activities of the Bureau of Corporations, Elections and Commissions.

PROGRAM:
The Division files all originating documents, amendments and cancellations relating to business and nonprofit corporations, limited partnerships, limited liability companies, limited liability partnerships and reviews proposed entity names against those on file for availability prior to filing; files over 78,000 annual reports disclosing officer information for all entities on file; assesses penalties for late filing of annual reports; and administratively dissolves or revokes entities which fail to file annual reports, pay penalties, maintain a contact person or do not maintain workers' compensation insurance. The Division maintains over 4,000 active service and trade marks on file and reviews the design and text of the proposed marks against those on file for availability prior to filing. The Division annually files over 50,000 original records, amendments and renewals of security interests in personal property under the Uniform Commercial Code and the Federal Food Security Act. The Division also maintains signature and oath records for Notaries Public, various State officials
DEPARTMENT OF THE SECRETARY OF STATE

and appointees to boards and commissions. These records are maintained both as an official record and for authenticating official acts. The Division annually reports to the Governor and the Legislature on the activities of boards and commissions and of potential vacancies on boards and commissions. The Division issues commissions for Notaries Public and provides continuing education for Notaries Public.

The Division maintains public access in the Bureau's reception area to allow walk-in users direct access to corporate and UCC information. The Division works with the business and legal community and other stakeholders to review and consider adoption of uniform or model state filing laws and procedures that are under the responsibility of the Division. Over the last 12 years, the Division has implemented a number of online services to provide 24/7 access to filing systems or view information contained on the Division's databases.

FINANCES, FISCAL YEAR 2012: The Bureau of the Budget does not maintain comprehensive fiscal data relative to this unit.

BUREAU OF CORPORATIONS, ELECTIONS AND COMMISSIONS

JULIE FLYNN, DEPUTY SECRETARY OF STATE

Central Office: CROSS OFFICE BUILDING, AUGUSTA, ME 04333-0101
Mail Address: 101 STATE HOUSE STATION, AUGUSTA, ME 04333-0101
Established: 1989

Average Counts-All Positions: 36.000 Legislative Count: 36.00

PURPOSE:
The Bureau of Corporations, Elections, and Commissions is the portion of the Department of the Secretary of State responsible for elections, corporations, and a variety of central filing activities. The Bureau has significant contact with the public in many areas including the following: conduct of state elections; corporation filings; Uniform Commercial Code (UCC) filings; oversight of the Administrative Procedure Act (state agency rule-making); recording of appointments to state offices, boards and commissions; and commissioning of Notaries Public. In addition, the Bureau provides administrative support to the Maine State Archives and the Office of the Secretary of State.

ORGANIZATION:
The Bureau executes its responsibilities through a Divisional structure. The Deputy Secretary of State is the Administrative head of the Bureau and the Directors of the two Divisions report directly to the Deputy. Each Division has an Assistant Director or working supervisor who is responsible for the functioning of his or her area and for the selection, supervision, rating and discipline of personnel. Overall operational responsibility for the Bureau rests with the Deputy.

PROGRAM:
Annual customer contact includes inquiries in person, over the phone, by mail and by email to individuals or through email drop boxes. Customers also obtain significant information through the Bureau's web pages. The Bureau also has one public access workstation in the Reception area to allow walk-in users direct access to the data or information in many of the program areas of the Bureau.

The Bureau continues to administer the requirements of the Help America Vote Act of 2002.

DIVISION OF DRIVER LICENSE SERVICES

PATTY MORNEAULT, DIRECTOR

Central Office: 101 HOSPITAL STREET, AUGUSTA, ME 04333-0029
Mail Address: 29 STATE HOUSE STATION, AUGUSTA, ME 04333-0029 FAX: (207) 624-9339
Established: 1920 Telephone: (207) 624-9124
Reference: Policy Area: 00 Umbrella: 29 Unit: 250L Citation: T0029 M.R.S.A., Sect.: 000000531

PURPOSE: The Division of Driver License Services was established with an ultimate objective of assuring the safety of the licensee and other users of the highways through improved attitudes and driving performance. This objective is accomplished through effective administration of the laws pertaining to the operation of motor vehicles; regulation of driver education programs; issuance of operators licenses, including the photo license and identification card program; through records of convictions or adjudications as transmitted from the courts; through traffic accident records; by identifying those drivers who are reckless or negligent and habitual or frequent violators of traffic laws and/or accident involvement.

ORGANIZATION: The Division was established as a result of reorganization within the Bureau of
DEPARTMENT OF THE SECRETARY OF STATE

Motor Vehicles. It originated as the Court Records Section in the early 1920's, and remained such until 1970 when it was formed into the Bureau of Driver Improvement and Financial Responsibility. In 1976 the Bureau of Driver Examinations was merged with Driver Improvement and Financial Responsibility, creating the Bureau of Driver Licensing and Control. In 1978 the Bureau of Driver Licensing and Control was formed into a Division. In 1991 the Examination Section was transferred to the Division. In 1996 regulatory responsibility for driver education programs was transferred to the division. In 1999, as the result of Bureau reorganization, the Division came to be known as the Division of Driver License Services.

PROGRAM:
The primary functions and activities of the Driver License Services Division are ensuring drivers are properly licensed, motor vehicles are properly insured, the regulation of driver education programs, examination of drivers for licensure; processing abstracts of convictions or adjudications of violations of the motor vehicle laws as transmitted from the District or Superior Courts, and applying those convictions or adjudications to driver history records. Case review of individual driver records for appropriate action against repeat violators under the point system or suspending the license or registration as mandated by law. The Division revised the Maine Point System with an effective date of 7/25/2012. The Division reviews individual report of traffic accidents and invokes the provisions of the Financial Responsibility Law against motorists involved. The Division also suspends licenses based on administrative determination that a person operated a motor vehicle with an excessive alcohol level or was under the legal drinking age and was operating a motor vehicle with any amount of alcohol.

In FY08 the division implemented the residency law which requires holders of a driver's license or identification card to provide a residential address before obtaining or renewing a credential.

In FY09 the division implemented the legal presence law which requires holders of a driver’s license or identification card to provide legal presence in the United States before obtaining or renewing a credential.

In FY09 Ignition Interlock was implemented allowing us the ability to reinstate the driving privileges of a person convicted of a second or subsequent alcohol related offense if that person satisfies all other conditions for license reinstatement and installs an approved ignition interlock device. Installation of the device is voluntary for a second or third offense.

In FY12 the division implemented the federal regulation that require all CDL holders and those applying for a CDL permit to certify the type of driving they do when operating a commercial motor vehicle. These regulations also require interstate CDL holders who carry a medical examiner's certificate to provide a copy of their certificate to the Bureau.

DIVISION OF ELECTIONS AND APA

MELISSA PACKARD, DIRECTOR
TINA MEANS, ASSISTANT DIRECTOR

Central Office: CROSS OFFICE BUILDING, AUGUSTA, ME 04333-0101
Mail Address: 101 STATE HOUSE STATION, AUGUSTA, ME 04333-0101  FAX: (207) 287-6545
Established: 1996  Telephone: (207) 624-7650
Reference: Policy Area: 00  Umbrella: 29  Unit: 250M

PURPOSE:
The purpose of this Division is to supervise and administer all elections for federal, state and county offices and statewide referenda, and in that capacity advise election officials from 500 municipalities, 600 candidates and the general public regarding election laws and procedures; conduct training sessions for municipal election officials; prepare, proofread and distribute 2,000 separate ballot types and other election materials; tabulate official election results; supervise recounts of contested races; oversee the application of the State's laws pertaining to candidate and citizen initiative petitions; and coordinate the statewide implementation of the National Voter Registration Act (NVRA), the Help America Vote Act (HAVA), the Uniformed Service and Overseas Citizen Absentee Voting Act (UOCAVA), and the Military and Overseas Voters Empowerment Act (MOVE), four federally mandated programs.

Additionally, the Division maintains records of approximately 2,050 rules filed under the Administrative Procedure Act for all State agencies and arranges for the publication of rule-making notices.

ORGANIZATION:
The Director is responsible for the functions of the division, including the selection, supervision, rating and discipline of personnel. The Assistant Director of Elections reports directly to the Director who reports directly to the Deputy Secretary of State assigned to the Bureau of Corporations, Elections and Commissions.

PROGRAM:
The Division provides municipalities with extensive assistance in election practices, and strives for the best possible procedures to ensure fair and efficient elections. The Division trains local election officials at an annual conference, and conducts regional workshops in conjunction with the Maine Town and City Clerks Association. The Secretary of State convenes groups of stakeholders, as needed, to advise the Department on election issues, including the wording of citizen initiatives and implementation of new state and federal laws and procedures.

Under the Administrative Procedure Act (A.P.A.), the Division ensures that A.P.A. rulemaking procedures mandated by statute are followed by state agencies and makes rules accessible to the public through newspaper advertising and through promulgation by electronic formatting on the Division's website.

FINANCES, FISCAL YEAR 2012: The Bureau of the Budget does not maintain comprehensive fiscal data relative to this unit.
PURPOSE:
Information Services is made up of three units that provide services and support to the Bureau of Motor Vehicles, the Bureau of Corporations Elections, and Commissions, and the Maine State Archives. The three units are Server Operations, Desktop Support and Application Support.

ORGANIZATION:
The Office of Information Services was established in August of 2006 and provides IT support to the bureaus and offices within the Department of the Secretary of State.

PROGRAM:
In FY12, the office started a development project to upgrade the software for Administration Services and has completed the first module which was a Municipal Cash Reporting system. Remediation of the Drivers Licenses System continues. In addition the office continued to provide support for the Central Voter Registration system, Uniform Commercial Code, and Corporations hardware and software. The office began the computer coding phase of the modernization of the Uniform Commercial Code software. The office continues to provide desktop and server support for all Secretary of State users and in 2012 it completed an upgrade of desktop machines for BMV and The Central Office and moved those users to Office 2010.

FINANCES, FISCAL YEAR 2012: The Bureau of the Budget does not maintain comprehensive fiscal data relative to this unit.

OFFICE OF INVESTIGATION
DAVID GUILMETTE, DIRECTOR

PURPOSE:
The Office of Investigations was established to provide for the law enforcement functions of the Bureau. Such operations include regulation and enforcement of laws concerning various types of vehicle dealer, title fraud, odometer fraud, auto theft investigations, registration evasion, insurance fraud, driver license and state identification card fraud and consumer complaints.

The Office is at all times subject to all other investigatory duties assigned by the Secretary of State.

ORGANIZATION:
The Office was established by the reorganization of the Bureau in 1999. Previous to the reorganization, the Investigations Unit was part of the Division of Enforcement & Regulation created in 1983 and dissolved in 1999 with its title and dealer functions being transferred to the Vehicle Services Division.

PROGRAM:
The office continues to investigate and enforce violations of motor vehicle, criminal, and civil statutes, focusing in the areas of consumer protection and

Reference: Policy Area: 00 Umbrella: 29 Unit: 259 Citation: T0029 M.R.S.A., Sect.: 000001258

PURPOSE:
The Medical Advisory Board was established to advise the Secretary of State on medical criteria and vision standards relating to the licensing of drivers. It assists the Secretary of State in determining whether a person is qualified to be licensed as a motor vehicle operator. When the Secretary of State has cause to believe that a licensed driver or applicant may not be physically or mentally qualified to be licensed, he may obtain the advice of the Board. The Board formulates its advice from records and report or may cause an examination and
DEPARTMENT OF THE SECRETARY OF STATE

confidential report to be made by one or more members of the board or any other qualified person it may designate. The licensed driver or applicant may cause a written report to be forwarded to the board by a physician of his choice, which must be given due consideration by the Board.

ORGANIZATION:
The Medical Advisory Board was authorized in 1971 to consist of five members appointed by the Secretary of State. To date, there are board members representing the specialties of cardiology, gerontology, internal medicine, neurology or neurological surgery, ophthalmology, psychiatry, family practice and rehabilitative medicine and may include additional members who are professionals in relevant medical fields.

PROGRAM:
The Medical Advisory Board is required to meet at least once every two years and may hold as many meetings as necessary. Additionally the board shall advise the Secretary of State on written medical and vision standards related to operator's licensing which may be adopted as rules and it shall coordinate efforts to educate health care providers and the public in the medical aspects of motor vehicle operating licensing.

The board met in February and June of 2012 with an upcoming meeting scheduled for November 2012.

BUREAU OF MOTOR VEHICLES
THOMAS ARNOLD, DEPUTY SECRETARY OF STATE
JAMES FOSSEL, ADMINISTRATIVE ASSISTANT

Central Office: 101 HOSPITAL STREET, AUGUSTA, ME 04333-0029
Mail Address: 29 STATE HOUSE STATION, AUGUSTA, ME 04333-0029
Established: 1905
Telephone: (207) 624-9023
Reference: Policy Area: 00 Umbrella: 29 Unit: 250A Citation: T0029 M.R.S.A., Sect.: 000000051A
Average Counts-All Positions: 365.000 Legislative Count: 365.00

PURPOSE:
The Bureau of Motor Vehicles was established to provide public safety and better regulation of traffic through administration of the laws of the State relating to motor vehicles and to the operators and operation thereof. Under the auspices of the Secretary of State, the Bureau provides the general public with a main office and thirteen branch office locations throughout the state, where motor vehicle registration and operator's licenses may be obtained.

The Bureau insures that applicants applying for operators licenses have the ability, knowledge and necessary skills for safe vehicle operation; investigates and licenses motor vehicle and trailer dealers; conducts hearings on violations of motor vehicle laws to determine if the individual's privilege to operate or
register a vehicle should be suspended, withheld or revoked and also determines when reinstatement is permissible.

The Bureau provides a method of titling motor vehicles and collects sales tax due when a vehicle purchased from other than a dealer is registered. In FY97 the Bureau began regulating driver education programs.

ORGANIZATION:
The Bureau was organized in 1905 for the purpose of issuing lifetime licenses. In 1911, the Legislature changed the registration and licensing from a lifetime issue to an annual issue. In the 1920's, the Bureau had grown to the extent that it was headed by a Chief Clerk, had a Registration and Licensing Section and a Court Records Section. In 1935, the requirements for semi-annual inspection of motor vehicles became a responsibility of the Bureau and in 1939 an Examination Section was added to administer the required rule on new licenses.

In 1942 the Bureau was reorganized and placed under the direction of the Director of Motor Vehicles, with an Assistant Director named in 1943. This organizational structure remained until 1970 when the Bureau was reorganized into four bureaus; Public Services, Finance and Administration, Data Processing and the Bureau of Driver Licenses. Several minor structural changes were made between 1970 and 1976 when the Bureau was reorganized into the Executive Section and three Bureaus. Duties and responsibilities were added and the Bureau evolved into an Office of the Deputy and six divisions; Administrative Services, Commercial Vehicles and Reciprocity, Driver Licensing and Control, Enforcement and Regulation, Information Services and Public Services.

In 1999 the Bureau of Motor Vehicles was reorganized once more into the Office of the Deputy, The Office of Investigations and three divisions; Division of Administrative Services, Division of Driver License Services, and the Division of Vehicle Services. In FY01, the functions of the Planning Office were transferred to the Administrative Services Division. In 2007 the Division of Public Services was created to focus on customer service. In 2009 the Division of Driver License Services was reorganized resulting in the creation of the new Division of Legal Affairs, Adjudications, and Hearings.

PROGRAM:
The Bureau provides licensing, registration, and title services through 13 branch office locations, 24 outreach stations operated by 2 mobile units, the main office in Augusta and 461 municipal agents.

The Bureau continues to expand its online services to include driver license and ID card renewals and replacements, organ donation, driving records, trailer registration renewals, over-limit permits and vanity plate search and order.

DIVISION OF PUBLIC SERVICES

RICHARD DESJARDINS, DIR OF PUBLIC SERVICES

Central Office: 101 HOSPITAL STREET, AUGUSTA, ME 04333
Mail Address: STATION #29, AUGUSTA, ME 04333
Established: 2007
Reference: Policy Area: 00 Umbrella: 29 Unit: 250N Citation: M.R.S.A., Sect.:

FAX: (207) 624-9013 Telephone: (207) 624-9215

PURPOSE:
The Division of Public Services is made up of 3 units; each strives to provide excellent customer service that supports the department's philosophy and demonstrates a commitment to customer service through personal contact or through online services of the Bureau of Motor Vehicles.

The Field Operations unit provides a wide range of licensing and motor vehicle services to the general public. Field Operations works to connect the public with 13 branch office locations statewide as well as 2 mobile units that visit 24 temporary sites throughout Maine communities on a regular basis.

The Records Management and Retention unit for the Bureau consists of data entry for vehicle and driver history, records retrieval, central files, numerics, microfilming, scanning and archiving. These groups provide operational support for numerous agencies and offer important customer service and statutory requirements.

The Online Services unit for the Bureau provides main office telephone switchboard services and online licensing and vehicle registration services. This unit works closely with customers on emerging technology and supports existing processes.

ORGANIZATION:
The Division of Public Services operates under the direction of the deputy secretary of state for Motor Vehicles. The unit is comprised of a director, senior section managers, managers, supervisors and staff that provide statewide motor vehicle services to citizens and businesses. Divisions within BMV work closely to follow changing requirements and address operational needs.

PROGRAM:
The primary functions and activities of the Division are to improve customer service commitments and relationships and to increase the integrity between the Bureau and the citizens of Maine. Efforts include improving and creating new online services, improving main office telephone services, improving and/or creating new data entry software platform, providing a more user friendly lobby management system as well as improving internal customer service relationships.

DIVISION OF RECORDS MANAGEMENT SERVICES
TAMMY MARKS, DIRECTOR

Central Office: CULTURAL BLDG, AUGUSTA, ME 04333-0084
Mail Address: 84 STATE HOUSE STATION, AUGUSTA, ME 04333-0084  FAX: (207) 287-5739
Established: 1971  Telephone: (207) 287-5799
Reference: Policy Area: 00  Umbrella: 29  Unit: 255R  Citation: T0005  M.R.S.A., Sect.: 000000095

PURPOSE:
The Division of Records Management Services, established under the authority of the State Archivist, assists State Agencies in managing their records by means of retention-disposition schedules, technical assistance to improve procedures for maintaining, storing, and servicing records, and providing preservation imaging services.

ORGANIZATION:
The Division became operational upon construction of the Maine State Archives in 1971. It includes the State Records Center and Imaging Center.

PROGRAM:
During Fiscal Year 2012, the State Records Center provided nearly 45,000 records to State agencies. The Center provides safe, cost effective, environmentally controlled storage for records (including computer media and microfilm records as well as paper files). The Division works with the Office of Information Technology to ensure the preservation of permanently valuable electronic records throughout State government.

By law, the Maine State Archives furnishes copies of archival materials in its possession. The Imaging Center provides this service and microfilms paper records that are deemed too fragile to be handled. A microfilm copy is generated for safe Research Room use and for preservation. The Imaging Center duplicates and preserves thousands of images in Archives holdings and provides large format preservation scanning and image reproduction for records such as maps, muster rolls and charts.

DIVISION OF VEHICLE SERVICES
GARRY HINKLEY, DIRECTOR
Central Office: 101 HOSPITAL STREET, AUGUSTA, ME 04333-0029
Mail Address: 29 STATE HOUSE STATION, AUGUSTA, ME 04333-0029  FAX: (207) 624-9204
Established: 1970  Telephone: (207) 624-9191
Reference: Policy Area: 00  Umbrella: 29 Unit:250S Citation: T0029 M.R.S.A., Sect.: 000000051A

PURPOSE:
The purpose of the Division of Vehicle Services is to administer those motor vehicle laws pertaining to the titling and registration of all classes of motor vehicles and trailers. Vehicle Services also administers the commercial vehicle laws. Programs administered include titling and registration requirements, disability parking placards and plates, the municipal excise tax reimbursement program, the International Registration Plan (IRP), short term gross weight increase permits, long term trailers, and fuel use programs including the International Fuel Tax Agreement (IFTA). Further the division administers the federal heavy vehicle use tax program, other tax programs, the Uniform Carrier Registry (UCR), and over dimensional permits, including the New England Transportation Consortium. The division also establishes and maintains motor vehicle reciprocity agreements between the State of Maine and other jurisdictions.
In 2012, responsibility for IFTA and IRP motor carrier audits was transferred from Maine Revenue Services to the Division.

The Division administers vehicle dealer and salvage yard licensing and is responsible for training municipal registration agents. The Division's Motor Carrier Services Office staffs the Motor Carrier Review Board. In 1996, the Board developed and adopted its rules for conducting carrier reviews. The Motor Carrier Services Office also participates in the Federal Motor Carrier Safety Administration's Performance and Registration Information Systems Management (PRISM) program and the Commercial Vehicle Information Systems and Networks (CVISN) program. These programs are designed to improve motor carrier safety and efficiency.

**ORGANIZATION:**
This division, formerly named the Division of Public Services, was established as one of four Bureaus in 1970 and reorganized into a division in 1978.

With the reorganization in 1999 this division became the Division of Vehicle Services and took on the Commercial Vehicle programs, Dealer Licensing, and the Title and Anti-Theft unit.

**PROGRAM:**
The division continues to provide a single point of contact for the trucking industry and oversees the issuance of various commercial vehicle credentials. The effort to increase administrative efficiency and improve the database on commercial vehicles is ongoing. The division also oversees the administration of laws pertaining to vehicle dealer licensing, titling of motor vehicles and certain trailers, and the registration of all classes of motor vehicles with passenger cars being the largest class. The division also trains and oversees the municipalities in the registration and titling processes for the residents of their municipality.

The division oversees Rapid Renewal, a web-based registration renewal program. The division oversees several online motor vehicle-related applications.

In FY01, the online service to check vanity plate availability was introduced. In FY05, online over dimensional permits became available.

Also in FY 05, the vanity plate website was expanded to allow Maine citizens to order their vanity plate choice, using the online service. IFTA E-file and online UCR registration were introduced in 2007. In 2008, Rapid Renewal was expanded to include certain non-resident military renewals. The division oversees various specialty and recognition registration plate programs.

PURPOSE:
The Maine Department of Transportation was established to plan and develop transportation facilities and services designed to contribute to the economic growth of the State of Maine and the well-being of its people. The department plans for future transportation needs, and assists in the development, operation, and maintenance of services and facilities, while promoting transportation safety. Key links in the transportation network are a highway system developed to promote safety, personal mobility, economic considerations, community values, and environmental conservation; port and water transportation facilities that support development of coastal resources; freight- and passenger-rail facilities to serve commerce and provide transportation alternatives; transit services for inter- and intra-city travel, and for elderly and disabled populations; and an aviation infrastructure developed with the assistance of the department. The department, on behalf of the state, also administers all federal or other monies intended for transportation uses.

ORGANIZATION:
Maine Department of Transportation had its origin in 1905, when a Commissioner of Highways was appointed by the governor and charged with compiling statistics, disseminating information, working for better highways, and advising local officials on the best means of building and maintaining roads and sidewalks. In 1907, the Commissioner became head of a new State Highway Department, which was created to apportion money to political subdivisions, plan road improvements, and let contracts for road construction. In 1913, both the department and the office of Commissioner of Highways were abolished and replaced by a State Highway Commission, which consisted of three members whom the governor appointed.

When the state highway system began to grow and state responsibility for highway construction and maintenance increased, the State Highway Commission expanded to include a central office in Augusta and seven offices located throughout the state. During the state government reorganization of 1972, the Commission was dissolved, and all of its functions were transferred to a newly established Department of Transportation headed by a commissioner appointed by the governor.

At the same time, several independent, transportation-related agencies such as the Maine Port Authority were integrated into the department. Major changes occurred once again in 1981 when the commissioner was authorized to organize the department into bureaus and other units.

PROGRAM:
The program of the Department is accomplished through its statutorily and administratively created units and the various activities of these units are individually reported in subsequent entries.

PURPOSE:
The Bureau of Finance and Administration was established to provide administrative and financial management support and services essential to the successful accomplishment of the goals and responsibilities of the Department of Transportation.

ORGANIZATION:
The Bureau of Finance and Administration originated as the Bureau of Accounts and Administration of the former State Highway Commission, established in 1913. During the State Government reorganization of 1972, the Commission was abolished, and the functions of the Bureau were transferred to the new Department of Transportation’s Bureau of Administrative Services, which in February of 1981 was renamed "Bureau of Finance and Administration." Later the bureau was reorganized to include the Divisions of Financial Planning & Analysis; Accounting, Administrative Services, and Information Systems. During calendar year 2004, the Bureau of Finance and Administration was the subject of a year long intensive unit review. The results of the unit review were published in January of 2005. Significant organizational changes were recommended and have been implemented.

PROGRAM:
The Bureau’s current focus is on enhancing the accuracy of financial forecasting and promoting complete accountability in the administration of transportation programs and funds.

Financial information and position counts for other units are also included in this program.

FINANCES, FISCAL YEAR 2012: The expenditure information for this unit was generated from the Budget and Financial Management System (BFMS).

DEPARTMENT OF TRANSPORTATION

PURPOSE:
The board was established to advise the Department on matters relating to aeronautics and to submit to the Commissioner an annual report which includes recommendations for change to the aeronautical laws and comments upon the present and future needs of that service. Written reports and comments will be available to the public.

ORGANIZATION:
The Maine Aeronautical Advisory Board, was created as a board within the Department of Transportation comprised of at least 7 members; one person from an airport association in the state; one person from a pilot's association in the state; and the remaining members appointed by the Commissioner of Transportation. The members representing the aviation organizations are appointed by their respective board of directors and all members serve a term of office of 2 years. Vacancies in membership are filled in the same manner as the original appointment. The Bureau Director of Transportation Systems Planning or Designee is an ex officio member of the board. The board meets at the call of the chairman, or at the call of at least 3 members of the board. Members serve without compensation or expenses.

PROGRAM:
The Maine Aeronautical Advisory Board continues to be concerned with bringing the benefits and advantages of aviation to the attention of the general public and improving the State's role in state-wide aviation matters. The Board makes recommendations and proposes initiatives to improve the air transportation system and will make recommendations on potential legislation.

**Purpose:**

To sustain the transportation network, the Bureau of Maintenance and Operations performs work under three primary areas: Maintenance, Operations, and Production support. Each of these areas has several work activities that the Bureau tracks to benchmark yearly accomplishments in order to measure levels of service. Equipment used by the Bureau includes heavy and medium trucks, with associated heavy equipment managed through an enterprise account. A blended work force from different subject areas performs this work in a streamlined effort along with contractors to meet targeted accomplishment goals.

**organization:**

The Bureau of Maintenance and Operations consists of five geographic Regions, the Maine State Ferry Service and a headquarters unit.

**Program:**

MaineDOT’s Bureau of Maintenance and Operations (M&O) operates Maine’s transportation system. M&O is ultimately responsible for snow and ice control on Maine’s 8,300 lane miles of state highways, although roughly 600 of these lane miles are contracted to both contractors and municipalities. Additionally M&O provides emergency response services 24 hours a day, 365 days a year. The scope of the Bureau’s work is much broader than winter work activities alone. It also includes summer highway maintenance on 8,400 centerline of state and state aid highways, and inspection and maintenance of over 2,700 bridges and minor spans. The Maine State Ferry Service (MSFS) provides a vital link between the mainland and the island communities of Islesboro, North Haven, Swan’s Island, Vinalhaven, Frenchboro and Matinicus. Additionally, M&O is charged with the maintenance of over 478 miles of state owned railroad lines. M&O also manages highway access and signing, as well as providing various customer services such as maintaining rest areas and Maine’s 511 Traveler Information System. To perform this work, M&O’s operating resources include:

- Augusta headquarters, along with five regional offices and, within the regions, 150 smaller crew maintenance facilities;
- 778 pieces of heavy equipment;
- Allocation of 1490 full-time employees (FTE’s), including 80 FTE’s in the Maine State Ferry Service.

MAINE PILOTAGE COMMISSION
JIM MACLEOD, ADMINISTRATOR

Central Office: TRANSPORTATION BLDG., AUGUSTA, ME 04333-0016
Mail Address: 16 STATE HOUSE STATION, AUGUSTA, ME 04333-0016 FAX: (207) 624-3099
Established: 1969 Telephone: (207) 596-5422
Reference: Policy Area: 08 Umbrella: 17 Unit: 387 Citation: T0038 M.R.S.A., Sect.: 000000089

PURPOSE:
The Maine Pilotage Commission was established to provide for a system of state pilotage devoted to the preservation and protection of lives, property, the environment and vessels entering or leaving state waters. It also acts to ensure the highest standard of efficiency and the availability of pilots that are well-qualified for the discharge of their duties in the aid of commerce and navigation.

ORGANIZATION:
The Maine Pilotage Commission is made up of seven (7) members appointed by the Governor for three-year staggered terms. These members represent the three major pilotage areas of the state, businesses that use the services of pilots, and public members. An Administrator is appointed by the Commissioner of the Department of Transportation. Typically, the Commission meets three times a year for non-emergency business.

PROGRAM:
The Commission establishes the rules, policies, and procedures that govern the licensing, training, and discipline of marine pilots in the state waters under the jurisdiction of the Commission. The Commission also approves the rates which pilots may charge for services and generally oversees the operational and safety requirements of deep draft ship movements. Administrative responsibility for the Maine Pilotage Commission was transferred to the Department of Transportation in July 1998. Since that time the Office of Freight and Business Services has served as the administrator of the Commission.

LICENSES:
During Fiscal Year 2012, one new license was issued and three five-year renewal licenses were issued. There are eleven (11) active and three (3) inactive Maine Pilotage Commission pilots.

PUBLICATIONS:
www.mainepilotage.com

FINANCES, FISCAL YEAR 2012: The Bureau of the Budget does not maintain comprehensive fiscal data relative to this unit.
PURPOSE:
The Bureau of Transportation Systems Planning (BTSP) is responsible for conducting systematic and comprehensive transportation planning and policy development, Work Plan development and management, and research, with the mission "to responsibly provide our customers the safest and most reliable transportation system possible, given available resources." In addition to responding to requests for professional and technical assistance in transportation planning and research from state and regional agencies, municipalities and the general public, BTSP provides guidance to the department's top management in response to transportation issues, as they arise.

ORGANIZATION:
In the state government reorganization of 1972, the State Highway Commission was abolished and functions of the Division of Planning and Traffic were transferred to the new Department of Transportation, later to be assumed by the Department's administrative Bureau of Transportation Planning and Services. In 1996, the bureau revised its organizational structure to be consistent with the transportation planning requirements contained in federal and state laws, such as the federal Intermodal Surface Transportation Efficiency Act, the federal Clean Air Act Amendment and the state's Sensible Transportation Policy Act.

The Bureau of Transportation Systems Planning reports to the Chief Engineer, and is comprised of four operating Divisions: Asset Services, Mobility Management, Program Development and Management, and Statewide Multimodal Planning. The Bureau also provides planning and administrative support to the Office of Freight and Business Services, which reports to the Deputy Commissioner. In addition, the bureau provides contractual support for MaineDOT's Research Division, which also reports to the Chief Engineer. The bureau also includes the Audio-Visual Services Section, which serves the entire department.

PROGRAM:
The Asset Services Division is responsible for monitoring the condition of Maine's transportation assets and is essential to making informed investment decisions. It provides bridge, highway, and multimodal management services to the department through various systems management tools and processes. This division has an asset-based mission and is the lead unit for development of the department's capital bridge and paving programs.

The Mobility Management Division is comprised of the Traffic Analysis Section and the Engineering Services Section. These units conduct major studies and are responsible for Intelligent Transportation System Planning; both sections provide services to the Bureau of Maintenance and Operations and the Bureau of Project Development.

The Program Development and Management Divisions includes a Work Plan Section responsible for coordinating MaineDOT's three-year, calendar-based Work Plan, inclusive of all major transportation investments within the state of Maine and the federally required Statewide Transportation Investment Program (STIP). This division also includes the Safety and Scoping Section, responsible for preparing project-detail scopes of work, including municipal cost-sharing agreements, for complex transportation projects and manages transportation feasibility and National Environmental Policy Act studies. This division also leads MaineDOT's Tribal Coordination efforts, air quality conformity and noise analyses.

The Statewide Multimodal Planning Division is responsible for coordinating development of department policy as proposed by the Executive Office. The Division is also responsible for long-range transportation planning, regional and corridor planning, public outreach, and coordination with regional and metropolitan transportation planning organizations (RPOs and MPOs). The division
DEPARTMENT OF TRANSPORTATION

focuses on urban and rural planning for highways and bridges, transit planning and operations, ferry systems planning, bicycle and pedestrian planning, passenger rail planning and state aviation systems planning. This division is also responsible for municipal planning review, and for management of the department’s Small Harbor Improvement Program.

The Audio-Visual Services Section provides graphics-production, photography, and videography services; technical development of Internet and Intranet websites; and audio-visual services and event support for the entire department.

The Office of Freight and Business Services is responsible for motor carrier, freight rail, and marine and ports policy and planning activities. The Maine Port Authority is staffed by the Office of Freight and Business Services.

PURPOSE:
The Bureau of Project Development's mission is to deliver safe, cost effective, high quality transportation projects and services to Bureau customers on schedule. This entails development of transportation improvement projects from approval of funding through to construction completion, as well as delivery of certain non-project related engineering and technical services.

ORGANIZATION:
The Bureau of Project Development was formed as a result of the Ernst & Whinney Management Study completed in the early 1980's. Its internal organization has evolved over the years to a new form that now combines functions into 3 Programs: Bridge, Highway, and Multimodal. Each Program is composed of multi-functional project teams each having full responsibility for delivery of a specified collection of projects. The Bureau's organization also includes 3 support units: Contracts, Property Office and Materials Testing & Exploration. Each of these units provides program wide assistance and support for development of projects, as well as external non-project services appropriate to their expertise.

PROGRAM:
The Department's overall transportation improvement program continues to

emphasize improvement of the existing transportation network and facilities. Projects are developed through an inclusive process that is centered on minimizing and avoiding impacts during construction to the surrounding natural environment, to abutting property owners and to the traveling public. Available Federal funding, application of innovative financing techniques, and the willingness of the Legislature and Maine voters to provide matching dollars, have allowed transportation improvements. This past year the Bureau continued high production levels with delivery of roadway improvements, bridge projects, and other transportation improvements.

Average Counts-All Positions: 88.31 Average Legislative Count: 77.50

PURPOSE:
The Office of Freight Transportation was created in 1996 from the Bureau of Transportation Services. In 2007, the Office was renamed to the Office of Freight and Business Services; and now reports directly to the Executive Offices. It is charged with planning for a free-flowing intermodal freight network that offers Maine shippers greater choice among modes, increased productivity, improved environmental and safety benefits and reduced transportation costs.

ORGANIZATION:
The Office of Freight and Business Services does freight planning, program management and manages special projects and operations, such as the Maine Port Authority and rail operations, motor carrier enforcement and development/marketing. It advocates new freight ideas and technologies and implements economic development strategies in partnership with Maine businesses.
DEPARTMENT OF TRANSPORTATION

PROGRAM:
The OFBS is responsible for promoting freight transportation on Maine's highways, railroads, ports and harbors, and in the air. OFBS has representation on the NASTO Highway Transport Subcommittee, which is implementing a regional oversize-overweight permitting system. The office is involved in several initiatives with the Bureau of Motor Vehicles and the Maine State Police to utilize intelligent transportation systems technology in commercial vehicle regulation and operations. OFBS works with the State's railroad companies on key freight issues, provides rail inspection services, advises on state rail policy, undertakes rail rehabilitation projects and coordinates the implementation of intermodal facilities. The OFBS is also responsible for implementing the Industrial Rail Access Program (IRAP) to extend or improve rail access to businesses in an effort to reduce congestion on highways and provide transportation options.

OFBS promotes maritime commerce, and has worked to secure funding and provide project oversight for developments at the state's three commercial cargo ports. In particular, the Maine Port Auth works as an arm of the OFBS. The OFBS manages the Small Harbors Improvement Program (SHIP) and the federally funded Boating Infrastructure Grant (BIG) Program which focus on improving coastal public marine facilities. The OFBS provides coordination for the prioritizing of dredging needs for federally maintained navigation projects in the State, and also provides administrative support to the Maine Pilotage Commission and the Maine Port Authority. OFBS works in cooperation with the State's major airports to promote the efficient movement of air freight. OFBS's planning document, the Integrated Freight Strategy, provides policy and project guidelines for the office. The OFBS coordinates and develops MaineDOT initiatives with Canadian trade and transportation entities, including improvements to border crossings such as the one at Calais/St. Stephen.

PUBLICATIONS:
The Office of Freight Transportation has the following publications available:
- Integrated Freight Strategy, Free;
- Port Development Strategic Plan
- Intelligent Transportation Systems - Commercial Vehicle Operations Business Plan, Free;

The Office of the Treasurer of State manages the State's cash and general obligation debt, unclaimed property program, municipal revenue sharing distributions and State held trust investments. The Treasurer also serves on the boards of the Maine Municipal Bond Bank, MaineHousing, Maine Public Employees Retirement System, Finance Authority of Maine, Adaptive Equipment Loan Board, Maine Health and Higher Education Facilities Authority, Maine Governmental Facilities Authority, Maine Educational Loan Authority, the Maine Public Utility Financing Bank, Dirigo Health Agency Board of Trustees, Indian Housing Mortgage Insurance Committee, Maine Vaccine Board, and chairs the NextGen College Investing Plan Advisory Committee.

The Office of the Treasurer of State was established by the Constitution of the State of Maine in 1820 with the Treasurer being elected biennially by both Houses of the Legislature sitting jointly. The Deputy Treasurer of State is designated by law as the chief clerk of the Office of the Treasurer and performs the duties of the Treasurer in the event of a vacancy or other absence.

The Office of the Treasurer processes all Cash Receipt Statements from all state departments. In Fiscal Year 2012, more than 124,715 were processed; more than 1.137 million checks were distributed, as well as 564,652 electronic funds transfer vendor payments. Banking services provided to State departments are coordinated by the Treasurer's Office--including deposit access to 55 Maine bank accounts, check stop payments and/or reissues, wire transfer services, and more. Cash flow is monitored. Funds not needed to pay state expenses may be invested through the Treasurer's Cash Pool in obligations of the U.S. Government, repurchase agreements, CDs in Maine banks, money market mutual funds, corporate bonds, and commercial paper. The Cash Pool includes 100 funds, averaged more than $529 million in FY 2012, and was managed for safety and liquidity with yield in mind. In FY 2012 the Cash Pool earned more than $1.92 million in earnings from investments, including more than $155,000 to the General Fund.

The Office of the Treasurer of State issues all general obligation notes and bonds of the State. This responsibility includes the preparation of Official Statements, acquisition of credit ratings and the engagement of any auction processes, underwriters and other entities needed to accomplish the issuance. Transaction closing details and money transfers are also managed by the Treasurer, as are debt service payments and distribution requests. At the close of Fiscal Year 2012 the State of Maine's outstanding general obligation bond principal was $472.06 million.

Four long-term investments--the Governor Baxter Trust, Lands Reserved Trust, Permanent School Trust and the Several Trust--are managed by the Office of the State Treasurer through contracts with a third parties. A trust investment advisory committee led by the Treasurer provides policy advice and authorization for investment transactions. At the close of Fiscal Year 2012 the value of the trust funds was $26.7 million.

The Unclaimed Property Program is administered by the Office of the State Treasurer. Nearly $20.1 million in unclaimed property was identified during FY 2012. A total of 17,819 claims were paid, reuniting citizens with over $13.7 million of lost property.

The Office of the State Treasurer annually projects and monthly distributes Municipal Revenue Sharing monthly to 493 municipalities and territories. Revenue
TREASURY DEPARTMENT

Sharing distributions are based on a portion of the sales tax, corporate tax, and personal income tax revenues. Population, State Valuation, and Tax Assessment statistics are updated annually and used to calculate the pro rata distribution for each municipality. Approximately $95.88 million was distributed during FY 2012.

PURPOSE:
The University of Maine System is the coordinating, policy, and planning entity for Maine's seven public universities and eight educational outreach centers. In that role, it provides undergraduate, graduate, and professional education in a variety of fields, conducts research and performs public service for the people of the State. The System was established to "develop, maintain, and support a structure of public higher education in the State which will assure the most cohesive system possible for planning, action and service in providing higher education opportunities..." (M.R.S.A., Title 20-A, subsection 10902).

The University of Maine System Board of Trustees is authorized to provide, through its institutions, an organized program of instruction, research, and service and award academic degrees; establish mechanisms for review and approval of system programs; review the current method of distributing state resources in light of distinctive missions, enrollment shifts, program priorities, changing program costs, demographic patterns and emerging needs of the State; review and evaluate existing programs to identify which programs best address future educational and economic priorities of citizens of the State and ensure that the needs of the State's nontraditional students are met in a more equitable manner.

Further, the Board of Trustees is empowered by its charter to appoint a Chancellor of the University System to serve as chief administrative and education officer and, on the nomination of the Chancellor, appoint university Presidents. The Board of Trustees, in consultation with the Chancellor, is the governing and planning body of the university and in addition has responsibility for preparing and approving the operating and capital budgets of the university; support and enhance the system and the mission of the system; provide sound financial management of the system; exercise prudent stewardship of the assets of the system; plan strategies for programs and allocation of resources that most effectively serve the educational needs of the citizens of the State; develop and maintain a strong system of accountability to the public for performance results of the system; visibly advocate higher education as a means to strengthen the economy and communities of the State; and authorize contracts with the State of Maine or any department or agency.

ORGANIZATION:
The 103rd Legislature, recognizing the need for a more cohesive system of public higher education, voted to combine the former State colleges and OPAL - Orono, Portland, Augusta, Law School - into a consolidated University of Maine, with a single Board of Trustees.

The Portland and Augusta branches remained under the Orono university's administrative umbrella at the time of the 1968 merger. In 1970, the State Colleges changed their names to reflect the campuses of the University of Maine System. Portland and Gorham were made a single institution in 1970 and in 1978 the name was changed from University of Maine at Portland/Gorham to the University of Southern Maine.

In 1986 the combined university was renamed the University of Maine System, reflecting its structure as a system of universities operating under a single governance structure. At the same time, the University of Maine at Orono's name was changed back to the University of Maine.

The University System is organized into the following units:

> Board of Trustees
> Office of the Chancellor and Systemwide Services (centralized statewide
PROGRAM:

INSTRUCTION. The universities of the University of Maine System offer the associate, baccalaureate, master's, and doctoral degrees plus the certificate for advanced study and the professional degree in law. Academic programs include the arts and sciences, agriculture, forestry, technology, business, education, life sciences, marine sciences, engineering, law, and nursing. Specific responsibilities are assigned to each of the seven universities based on such goals as: 1) assuring a solid core of general studies; 2) building centers of excellence and expertise in specialized fields; and 3) responding to the particular cultural, agricultural, and industrial needs of regions. Fall 2011 enrollment totaled 31,108, including many part-time and adult learners. Maine's seven public universities awarded 5,815 degrees in 2010/2011.

PUBLIC SERVICE. In addition to its instructional programs, the University System uses its university facilities, research capabilities, and faculty talent in direct support of community and individual needs throughout the State. A major example: University of Maine Cooperative Extension, supported by federal, state, and county governments, provides education and information directly to families, farmers, businesses, organizations, communities and individuals. Public service activities are encouraged at each university and include the use of University faculty in elementary and secondary schools, direct aid by faculty experts to business and industry, the application of new research technologies, and the communication of information of importance to the citizens of Maine.

RESEARCH. The research mission of the University System includes expanding faculty skills and teaching competence, increasing knowledge of Maine resources and improving their practical use, and assisting the state and regional economies. Research is encouraged at all universities but is emphasized more at the University of Maine and the University of Southern Maine, which have been designated major centers for basic and applied research within the System. Contributions have been particularly strong in pulp and paper technology, forestry, engineering, law, applied science, public policy, and quaternary studies. University research unquestionably has benefited Maine's business, natural resources and government. As the result of recent State investment in university-based research, more than $250 million in federal and private grants and contracts were received by UMaine and USM in the past 5 years, creating several hundred full-time equivalent jobs funded annually in Maine. In addition, all seven of Maine universities generated additional millions through grants and contracts that did not involve direct State investment.

STATE CHARTER SCHOOL COMMISSION

JANA LAPOINT, CHAIR
BOB KAUTZ, EXEC DIRECTOR

Central Office: 182 STATE HOUSE STATION, AUGUSTA, ME 04333-0182
Mail Address: 182 STATE HOUSE STATION, AUGUSTA, ME 04333-0182  FAX: (207) 287-2109
Established: 2011  Telephone: (207) 624-6728
Reference: Policy Area: 02  Umbrella: 90  Unit: 668  Citation: T000024A M.R.S.A., Sect.: 00002401-8

PURPOSE:
The Maine Charter School Commission was created by Public Law 2011, chapter 414, to authorize public charter schools in Maine. While the statute provides guidance on the content of applications that must be filed by charter school founders, it does not specify procedures for accepting and evaluating applications. As an authorizer of public charter schools, the commission may: solicit, invite, and evaluate applications from organizers of proposed public charter schools; approve applications that meet identified educational needs; deny applications that do not meet identified educational needs; create a framework to guide the development of charter schools; negotiate and execute sound charter contracts with each approved public charter school; monitor the performance and compliance of public charter schools; and determine whether each charter contract merits renewal or revocation.

ORGANIZATION:
The Maine Charter School Commission originated in October 2011. The commission consists of 7 members appointed by the state board for 3-year terms. Three members must be members of the state board, and those 3 members shall nominate the other 4 members who must be approved by a majority vote of the state board.

PROGRAM:
In addition to fulfilling its statutory obligations, the Maine Charter School Commission provides information to organizers of proposed public charter schools.

FINANCES, FISCAL YEAR 2012: The expenditure information for this unit was generated from the Budget and Financial Management System (BFMS).

STATE BOARD OF EDUCATION

STEVEN M. POUND, PH.D., CHAIR

Central Office: CROSS OFFICE BLDG, AUGUSTA, ME 04333-0023
Mail Address: 23 STATE HOUSE STATION, AUGUSTA, ME 04333-0023  FAX: (207) 624-6618
Established: 1949  Telephone: (207) 624-6616
Reference: Policy Area: 02  Umbrella: 90  Unit: 077  Citation: T0020A M.R.S.A., Sect.: 000000401

PURPOSE:
The State Board of Education is authorized to act in an advisory capacity to the Commissioner of Education in matters concerning State Laws relating to education. In addition, the Board is delegated specific powers to make recommendations to the Legislature for the efficient conduct of the public schools; to approve the formation of School Administrative Districts; to approve the formation of Community School Districts; to grant permission for administrative units to enter into agreements for cooperative educational purposes; to act upon articles of
agreement for creation of an Interstate School District; to develop and adopt a plan for career and technical education centers; to approve standards for school construction; to approve school construction projects for State aid; to work as a partner with the Department of Education regarding the Essential Programs and Services school finance process; to obtain information regarding applications for granting degrees; to accredit programs at institutions of higher education that train educators; to set the standards for educator’s certification, authorization, and approval; to approve applications for out-of-state institutions who wish to offer degree granting programs in Maine; to review the applications for initial degree granting and make recommendations to the Legislature.

The State Board of Education also serves as the State agency for administering Carl Perkins Federal funds.

ORGANIZATION:
The State Board of Education originated in 1846 as the Board of Education, consisting of one member from each county of the State. The Board was abolished in 1850 and recreated in 1869 as the State Board of Education, with a membership comprising the Superintendent of Common Schools (established 1854) and County Supervisors of Public Schools (established 1869). In 1872, the Board was again abolished along with the county supervisors, and its functions shifted to the superintendent who, in 1923, was designated Commissioner of Education.

The Department of Education was created in 1931 in a major State Government reorganization. However, it was not until 1949 that the State Board of Education was reestablished, this time consisting of ten members, five of whom were appointed by various interests in the State and five appointed by the Governor. At this point, the Board was delegated great authority over education activities of the State, including appointment of the Commissioner of Education and personnel of the department. In 1957, authority to appoint all ten members of the Board was transferred to the Governor with the advice and consent of the Board.

Effective July 1, 1972, the State Board of Education was changed to consist of 9 members. Since January 1, 1977, the Governor appoints members for five year terms subject to review by the Joint Standing Committee on Education and Cultural Affairs and to confirmation by the Legislature.

In 2007 the Legislature passed LD 151, allowing student representation on the State Board of Education. As a result, in 2008 the Board's membership expanded from nine to eleven as it added two high school students (non-voting) who are also appointed by the governor.

PROGRAM:
In addition to fulfilling its statutory obligations, the State Board continues to lead Maine's effort to establish results-based initial teacher certification program; plays a leadership role in policy development and implementation of technology; and supports the Maine Teacher of the Year Program.

FINANCES, FISCAL YEAR 2012: The expenditure information for this unit was generated from the Budget and Financial Management System (BFMS).

PURPOSE:
The Fund Insurance Review Board (FIRB) was created for the purposes of hearing appeals from insurance claims-related decisions by the Commissioner of the Department of Environmental Protection, adopting rules, monitoring funds, and ensuring the solvency of certain designated funds for groundwater oil clean-up.

ORGANIZATION:
FIRB is a ten-member board. The Governor appoints eight members as follows: two persons representing the petroleum industry, one of whom is nominated by the Maine Oil Dealers Association, two members of the public having expertise in biological science, earth science, engineering, insurance or law who are not employed in the petroleum industry and who do not have a direct and substantial financial interest in the petroleum industry; and two members of the public who are not employed in or have a direct and substantial financial interest in the petroleum industry. Also serving on the board is the Commissioner of the Department of Environmental Protection, or the Commissioner’s designee, and the State Fire Marshal or the Marshal’s designee.

PROGRAM:
FIRB is responsible for a number of activities, including: (1) hearing appeals from Groundwater Oil Clean-up Fund insurance claims-related decisions by the Commissioner of the Department of Environmental Protection or the State Fire Marshal; (2) adopting rules establishing criteria for determining substantial compliance for above-ground oil storage facilities; (3) contracting with the Finance Authority of Maine (FAME) for such assistance in fulfilling FIRB's duties as the board may require; (4) monitoring income and disbursements from the Groundwater Oil Clean-up Fund and adjusting fees as required to avoid a shortfall in the Fund; and (5) consulting with FAME at such times as are necessary, but no less than annually, to review income and disbursements from the Wells Waste Oil Clean-up Fund. The board, at such times and in such amounts as it determines necessary, and in consultation with FAME, shall direct the transfer of funds from the Underground Oil Storage Replacement Fund to the Groundwater Oil Clean-up Fund.

FINANCES, FISCAL YEAR 2012: The Bureau of the Budget does not maintain comprehensive fiscal data relative to this unit.

PURPOSE:
The Maine Health Data Organization (MHDO) was established by the 117th Legislature to create and maintain a useful, objective, reliable and comprehensive health information database to improve the health of Maine citizens. This database is made publicly accessible while protecting patient confidentiality and respecting providers of care.
INDEPENDENT AGENCIES - REGULATORY

ORGANIZATION:
The MHDO was created in 1996 as an independent executive agency to maintain and expand the health information database of its predecessor agency, the Maine Health Care Finance Commission. The MHDO implements policies and procedures for the collection, processing, storage, and analysis of clinical, financial, restructuring, quality, and health claims data.

The MHDO is governed by a stakeholder Board of Directors comprised of 21 members representing the following interests: one member is an employee of the Department of Human Services and one member is a representative of Dirigo Health; four members represent consumers; three members represent employers, with one being a representative of a health management coalition, and one a representative of a statewide chamber of commerce; two members represent third-party payers; nine members represent providers (two represent hospitals, two represent physicians, one represents chiropractic services, one represents pharmacists, one represents federally qualified health centers, one represents a home health care organization, and one represents mental health organizations). One member is an employee of the Department of Professional and Financial Regulation and serves in a nonvoting, consultative capacity.

PROGRAM:
The MHDO has available for release, in accordance with its confidentiality rules, hospital discharge and outpatient data; emergency department data; Maine hospital financial and organizational data; quality data; and all-payer/all-provider health care claims data. Maine is one of the first states in the country to develop a database of hospital inpatient records, which cover 100 percent of all patients discharged from its private hospitals. Maine is also the only state in the nation to collect complete hospital outpatient services data, and the first to release such data. Maine also has the first all payer/all provider claims database, with data publicly available from January of 2003.

The MHDO also continues its efforts in working with the National Association of Health Data Organizations to advocate for uniformity of health data among the states. The MHDO provides data to the Agency for Healthcare Research and Quality as part of the Health Care Utilization Project national database, which provides information on characteristics of inpatients discharged from non-federal, short-stay hospitals in the United States.

The organization maintains three interactive web sites. HealthData of Maine contains hospital inpatient, outpatient, emergency department interactive modules; hospital quality and financial modules; a public health module; and links to other state and federal health data. Maine HealthCost provides total estimated payments for selected health care services for the top ten commercial health plans in the State and for Medicare, as well as estimates of what the uninsured will pay. HealthCost enables the public to access information on the average charge and average payment across insurance carriers and medical providers to help patients and employers make more informed health care decisions. MONAHRQ website analyzes, summarizes, and presents information on the quality of care and health care utilization using the hospital inpatient data. It also enables visitors to identify preventable hospitalizations and rates of conditions and procedures by county and by hospital service areas.

WORKERS' COMPENSATION BOARD

PAUL H SIGHINOLFI, EXEC DIR/CHAIR
TERRIE MCLAUGHLIN, DD BUSINESS SERVICES

Central Office: 90 BLOSSOM LANE, AMHI, AUGUSTA, ME 04333-0027
Mail Address: 27 STATE HOUSE STATION, AUGUSTA, ME 04333-0027 FAX: (207) 287-7198
Established: 1992 Telephone: (207) 287-3751
Reference: Policy Area: 07 Umbrella: 90 Unit: 351 Citation: T0039A M.R.S.A., Sect.: 000000151
Average Counts-All Positions: 110.000 Legislative Count: 110.00

PURPOSE:
The board's mission is to serve the employees and employers of the State fairly and expeditiously by ensuring compliance with the workers' compensation laws, ensuring the prompt delivery of benefits legally due, promoting the prevention of disputes, utilizing dispute resolution to reduce litigation and facilitating labor-management cooperation.

ORGANIZATION:
Policy is established by a seven-member board having three labor representatives, three management representatives and an Executive Director who is Chair of the Board. The Governor appoints the labor members from nominees submitted by the AFL-CIO and the management members nominated by the Maine Chamber of Commerce and Industry. The Governor also appoints the Executive Director who serves at the pleasure of the Governor. These appointments are subject to review by the Joint Standing Committee on Labor with confirmation by the Senate.

The agency is administered by the Executive Director, Paul H. Sighinolfi. Regional Offices are located in Augusta, Bangor, Caribou, Lewiston and Portland. A Central Office is in Augusta. Mediation and formal hearings are conducted at these and other offices. Some hearings are held at locations closer to the residence of the injured worker. The 118th Legislature, 1st Regular Session, enacted legislation providing for a Worker Advocate Program to assist unrepresented employees through the mediation and formal hearing phases of dispute resolution. The legislation also provides for a MAE Program to track and regulate compliance with the statute by carriers and self insurers. These programs continue to have a very positive impact on the system.

PROGRAM:
The board exists to prevent and resolve disputes between employers and employees over work-related injuries since timely, fair and efficient resolution of disputes enhances Maine workplaces for all Maine's people and to insure compliance with the Workers' Compensation laws. To ensure the efficient implementation of the Workers' Compensation Act, the board is engaged in the promulgation of rules; the resolution of disputes through formal and informal means; the monitoring of payments to injured workers; the monitoring and enforcement of insurance coverage; the supervision of medical protocols, utilization review, medical fee schedules and enforcement guidelines; the implementation of an independent medical examiner system; the investigation and
prosecution of complaints of fraud and misrepresentation. The objectives are accomplished through the dispute resolution process, the Worker Advocate Program, the Monitoring, Auditing and Enforcement (MAE) Program, the Abuse Investigation Unit and support staff.

The board meets on a monthly basis to set policy pursuant to the mandates of the Act. The board has three standing subcommittees: Budget, Personnel and Independent Medical Examiners (IME). The Budget Subcommittee considers all budgetary matters, performance budgeting and determines the assessment. The Personnel Subcommittee maintains the table of organization and prepares personnel policy. The IME Committee deals with the implementation of the Independent Medical Examiner Program. The board has adopted standard operating procedures for all levels of dispute resolution that have eliminated backlogs and significantly reduced the length of time a case is in the system. The Board requires the use of BDI for First Reports of Injury and Notices of Controversy. Interpreter services are provided by the board at its expense. Notification of the availability of services is clearly displayed in all regional offices and is printed in an employee pamphlet.

The board approved the establishment of the Monitoring, Audit and Enforcement Program as mandated under Chapter 486. The goals of the MAE Program are as follows: (1) to provide the Board, Legislature and Governor with timely and reliable data; (2) to monitor and audit payment and filing requirements; (3) to detect those insurers, self-insurers and third-party administrators that are not in compliance; and (4) to ensure that all filing and compliance obligations under the Act are met. The board’s information technology projects include: board system rewrite; DHCP routing; late filed forms tracking; advocate case management module; abuse unit module; electronic data submission; NOC/MOP measurement; web based HO decision repository; ad-hoc reporting and infrastructure upgrade/maintenance.

ALLAGASH WILDERNESS WATERWAY ADVISORY COUNCIL
W. DONALD HUDSON JR., CHAIR

Central Office: 18 ELKINS LANE, AUGUSTA, ME 04333-0022
Mail Address: 22 STATEHOUSE STATION, AUGUSTA, ME 04333-0022  FAX: (207) 287-6170
Established: 2007  Telephone: (207) 287-3821
Reference: Policy Area: 04  Umbrella: 92  Unit: 640  Citation: T0012  M.R.S.A., Sect.: 000001891

PURPOSE:
The Allagash Wilderness Waterway Advisory Council was established under PL 2007, c. 146 to work with the manager of the waterway in developing and maintaining a strategic plan for the waterway and advancing the mission and goals of the waterway.

ORGANIZATION:
The 123rd Legislature created the Allagash Wilderness Waterway Advisory Council in 2007, assigning it to the Bureau of Parks & Lands, under 12 MRSA, Section 1891. The council consists of 7 members, 6 appointed by the Governor and 1 appointed by the Northeast Regional Director of the National Park Service. Members annually elect a chair from among the 7 members and serve terms of 5 years and not more than 2 terms. The Department of Conservation shall administer and manage the Allagash Wilderness Waterway as a separate region within the Bureau of Parks and Lands.

PROGRAM:
The Allagash Wilderness Waterway Advisory Council represents the public interest in the Allagash Wilderness Waterway and provides counsel to the superintendent of the waterway and the Director of the Bureau of Parks & Lands within the Department of Conservation. It also creates an endowment fund to support capital acquisitions and improvements, historic, cultural, and educational programs and facilities. The Advisory Council reports annually to the Director of the Bureau of Parks and Lands regarding the state of the waterway and at other times, as it is determined necessary by the council.

The Council met two times in 2011 focusing on its participation in the planning process for the AWW Management Plan. In addition, the council created the Allagash Wilderness Waterway Foundation which will play a role in the future funding of activities and projects within the Waterway. The strategic plan was completed in FY 2011.

the member's successor has been appointed. A member may not serve more than 2 consecutive terms. In the case of a vacancy for any reason, the Governor shall appoint a member representing the same interest to fill the unexpired term. Initially, 4 appointed members serve for one year, 4 members serve for 2 years and 3 members serve for 3 years.

The council shall elect one of its members as chair. The chair serves for a 2-year period and may not serve as chair for consecutive 2-year periods. The council shall hold regular public meetings every other month but may waive by majority vote a succeeding meeting. The chair shall call special meetings of the council whenever requested in writing by 2 or more members. The council shall send notice and minutes of the meetings to the joint standing committee of the Legislature having jurisdiction over animal welfare matters.

PROGRAM:
The council shall perform the following duties:
A. Review and advise the commissioner on proposed revisions to the animal welfare laws and rules; [2001, c. 399, §3 (NEW)].
B. Assist the commissioner in the continuing implementation and evaluation of the animal welfare laws and rules; [2001, c. 399, §3 (NEW)].
C. Review training programs for humane agents and animal control officers and make recommendations for training appropriate to the duties of the humane agents and animal control officers; [2001, c. 399, §3 (NEW)].
D. Research options for increasing revenue to the Animal Welfare Fund to ensure funding for the implementation and enforcement of the animal welfare laws and rules, periodically evaluate the adequacy of funding for those laws and rules and make recommendations to the commissioner; and [2001, c. 399, §3 (NEW)].
E. Advise the commissioner on other matters related to the animal welfare laws and rules. [2001, c. 399, §3 (NEW)].

The council met six times during Fiscal Year 2011 and discussed a wide range of topics including a review of staffing and training, using volunteers for the Help Fix Me program and pending legislative initiatives.

Reference: Policy Area: 00  Umbrella: 92  Unit: 311  Citation: T0005  M.R.S.A., Sect.: 000000884

PURPOSE:
Administration of the Deferred Compensation Plan (the Plan) for the State is the responsibility of the Bureau of Human Resources, Division of Employee Health and Benefits staff within the Department of Administrative and Financial Services. The Advisory Council on Tax-deferred Arrangements was established to work with the Plan providers, Plan participants, and potential participants. The Council is a Labor/Management group made up of 12 members consisting of 4 from MSEA, 1 from the MSLEA, 1 from the MSTA, 1 from AFSCME, 1 from the Legislative Branch, 1 from the Judicial Branch, and 3 management members. One representative each from Labor and Management serve as co-chairs of the Council, each with one vote on behalf of labor and management members. Goals of the Council include keeping the Plan document and the vendor contracts up to date, maintaining a reasonable investment policy, and increasing the Plan participation significantly. Towards these goals, Buck Consultants, an actuarial and human resource consulting firm, serves as a performance and educational monitor.

ORGANIZATION:
The original Plan Council was established in 1973, however, subsequent legislation created the Advisory Council on Tax-deferred Arrangements. Members

include the Commissioner of Administrative and Financial Services as Chair, or the Commissioner's designee as Co-Chair; the Insurance Superintendent and the Superintendent of Financial Institutions or their designees; and 9 labor employees recommended to the Governor by their particular labor unions as follows: 4 from MSEA, 1 from the MSLEA, 1 from AFSCME, 1 from the MSTA, and one representative each from the Legislative and Judicial Branches. Employee representatives are appointed for terms of 3 years. The Council meets as needed, but at least three times each year.

PROGRAM:
Enrollment in the Plan is open at all times to permanent state employees. The Council hired Buck Consultants, an actuarial and human resource consulting firm, to assist with modernizing all features of the Plan. They have negotiated lower provider fees, selected fewer and better performing investment options, and legally reviewed the original Plan document and provider contracts. Buck Consultants remains the performance monitor and educational source for the State's Plan. Publications by Buck Consultants help employees understand this important benefit.

Three financial service organizations (FSOs) offer services to eligible employees: ING, Hartford, and Valic.

ADVISORY COMM ON FAIR COMPETITION WITH PRIVATE ENTERPRISE

DOUGLAS RAY, COMMITTEE MEMBER

Central Office: BURTON M. CROSS BLDG., 3RD FL., AUGUSTA, ME 04333-0078
Mail Address: 78 STATE HOUSE STATION, AUGUSTA, ME 04333-0078  FAX: (207) 624-7804
Established: 2000  Telephone: (207) 624-7800
Reference: Policy Area: 00  Umbrella: 92  Unit: 612  Citation: T0005  M.R.S.A., Sect.: 000000055

PURPOSE:
Government entities provide a wide variety of services to its constituency. From time to time, some of those functions may adversely affect private enterprise. The 119th Legislature created the Advisory Committee on Fair Competition with Private Enterprise to review complaints where competition with private enterprise is potentially unfair.

The 121st Maine Legislature expanded the Advisory committee's duties in Title 5, Section 55-A. These responsibilities are to approve services and goods provided by state agencies that are not otherwise allowed by law, and may compete with private enterprise.

ORGANIZATION:
The Advisory Committee consists of members appointed from government agencies, private sector representatives and members of the public who meet to review complaints on government competition with private enterprise. The Committee meets as necessary.

PROGRAM:
Complaint forms are available for businesses to complete about potentially unfair competition. Once submitted to the Committee, notification of the complaint is forwarded to the government agency identified in the complaint to obtain additional information.

The Committee reviews this information and allows direct presentation by the person(s) making the complaint and the government agency. The presentations are limited to factual information by any number of persons. The Committee may follow up with questions to any of the individuals.

The Committee makes, when appropriate, recommendations to the Maine State Legislature and Governor based upon its review of a complaint.

The Advisory Committee has also developed a Request Form for agencies to use in seeking approval for services and goods to be provided by state agencies that are not otherwise allowed by law, and may compete with private enterprise. It has also developed a process for evaluating these requests.

An annual report of the Committee's activities is available upon request.

Established: 1989
Reference: Policy Area: 00 Umbrella: 92 Unit: 533 Citation: GFY89 M.R.S.A., Sect.: 000000007

PURPOSE:
The Maine Historical Records Advisory Board (MHRAB) was created by Executive Order in 1989, in accordance with the National Historical Publication and Records Commission (NHPRC) statutes and regulations to address historical records issues of statewide concern. The MHRAB was established in Statute in 2002. The Board has responsibility for promoting NHPRC grant programs, including assisting applicants, developing proposals, and reviewing grant applications; monitoring legislation concerning public or historical records administration; providing leadership and coordination among existing archives and records management institutions; sponsoring and encouraging educational and public awareness programs relating to historical records; and promoting the publication of historical records.

ORGANIZATION:
The Maine Historical Records Advisory Board provides advice for state historical records projects and makes funding recommendations to the National Historical Publication and Records Commission.

The MHRAB consists of seven to eleven members appointed by the Governor for three years, with renewable terms. The majority of the members shall have experience in the administration of historical records or in a field of research or activity which makes extensive use of historical records. The Maine State Archivist and the Director of the Maine Historical Society shall be members, and, as required by NHPRC regulation, one of them is appointed by the Governor to act as MHRAB State Coordinator serving a renewable four-year term. The Maine State Archives serves as fiscal agent for the MHRAB. Board members serve without compensation.

PROGRAM:
The Maine Historical Records Advisory Board applies for grants from the National Historical Publication and Records Commission to continue providing small grants to Maine repositories to preserve and provide access to valued historical records. Grants are awarded to archives, historical societies, libraries, museums and others. The MHRAB also makes recommendations to the NHPRC regarding Maine grant proposals to the Commission.

PURPOSE:
The Statewide Homeless Council was established in 2005, replacing the Interagency
INDEPENDENT AGENCIES - ADVISORY

Task Force on Homelessness and Housing Opportunities. The authorizing legislation was amended in 2008 to expand the council's advisory role and to add additional members to the council. The purpose of the Homeless Council is to serve as an advisory committee to the Maine State Housing Authority, the Governor, the Legislature, The Maine Department of Health and Human Services (DHHS), and the Maine Department of Corrections (DOC) on homeless matters. The Council is charged with providing leadership to end homelessness and providing support to the regional homeless councils; educating people on homeless issues; serving as coordinator of information; assessing statewide needs; identifying potential resources; providing assistance to people who are homeless by identifying resources and improving access to them; and reviewing, monitoring, and implementing plans to end homelessness.

ORGANIZATION:
The Council consists of 13 members. The Governor appoints six members, two from each of the state's three regional homeless councils, based on nomination provided by the three councils. The director of the Maine State Housing Authority is a member. Three members are appointed jointly by the President of the Senate and the Speaker of the House, one from each of the three homeless councils. The Commissioners of DHHS and DOC, or their designees, also are members. The Chair of the Council is a representative from the Governor's Office. Members serve until their successors are appointed and qualified. The Maine State Housing Authority provides staff support to the Council.

HOMELAND SECURITY ADVISORY COUNCIL

WILLIAM DELONG, DIRECTOR

Central Office: 45 COMMERCE CENTER, AUGUSTA, ME 04333
Mail Address: 72 STATE HOUSE STATION, AUGUSTA, ME 04333
FAX: Established: 2006
Telephone: (207) 624-4470
Reference: Policy Area: 06 Umbrella: 92 Unit: 636 Citation: T00037B M.R.S.A., Sect.: 000000708

PURPOSE:
The Homeland Security Advisory Council advises the Governor on all matters related to Homeland Security, including terrorism and bio-terrorism issues. The Council provides a forum for the top officials in the State to collaborate, share essential information, and develop a unified strategy to address Homeland Security issues in Maine.

ORGANIZATION:
The Maine Homeland Security Advisory Council (HSAC) was established by Executive Order of the Governor in the summer of 2005. The HSAC was later formally adopted by the Maine State Legislature in the spring of 2006. Statutory reference is 37-B M.R.S.A §708

The HSAC is comprised of the following:
- The Director of Maine Emergency Management Agency
- The Commissioner of Defense, Veterans, and Emergency Management
- The Commissioner of Public Safety
- The Director of the Maine Center for Disease Control, within the Department of Health and Human Services
- The Chief of the Maine State Police within the Department of Public Safety
- A representative of the Governor

PROGRAM:
The HSAC meets regularly to complete the functions identified above as well as to assist in determining spending priorities for federal homeland security grants. Currently the HSAC is considering adding representatives from the Maine Warden Service and Maine Marine Patrol to the council, since those two agencies have
significant homeland security responsibilities. The Council will vote on this measure in October 2011.

Reference: Policy Area: 01  Umbrella: 92  Unit: 390  Citation: T0026  M.R.S.A., Sect.: 000001604

PURPOSE:
To help displaced homemakers and other disadvantaged individuals achieve success in the Maine economy by providing training and individual support that leads to employment, self-employment, access to higher education, asset and leadership development.

ORGANIZATION:
The Maine Centers for Women, Work, and Community operates through a contractual agreement with the Maine Department of Labor in conjunction with the University of Maine System, University of Maine Augusta. A statewide Advisory Council, appointed by the Governor, supports the work of Program staff.

PROGRAM:
In FY 2012, the Maine Centers for Women, Work, and Community continued to offer a full range of employability, life skills, and self-employment services through a toll-free resource phone line, ten regional Resource Centers, and eight community-based outreach sites and through distance learning platforms.

MCWWC served a total of 1476 individuals (80% female and 20% male) through workforce, entrepreneurship, or financial literacy training courses and workshops; individual technical assistance and/or information and referral services; placement assistance; and follow up services. Linkages with employers continued to focus on non-traditional and technical occupations, while partnerships with other education and training providers continued to play a significant role in expanding access to postsecondary education for adult learners.

The program worked cooperatively with a wide range of human service, education and training, employment, economic and business development, and advocacy organizations at all levels. Partners in providing self-employment technical assistance and training activities included the Departments of Labor, Human Services, Transportation, Economic and Community Development, and the University of Maine System through the Maine Small Business Development Centers; financial management activities are offered in partnership with Community Action Agencies and local and statewide financial institutions.

PURPOSE:
The Board regulates the licensing of water treatment and distribution operators to assure that community and non-transient non-community water systems are operated by qualified persons who have the experience, knowledge and ability to maintain the drinking water systems to protect public health.

ORGANIZATION:
The Board consists of 9 members appointed by the Governor as follows: 3 water treatment or water distribution system operators, one holding a Class II license, one holding a Class III license and one holding a Class IV license; one member of the public who is a registered professional engineer; one person who is an educator in the field of water supply or service; one person who is a water management representative; one person who represents a "very small water system," as that term is defined in rules of the board; one person who is an owner or manager of a non-transient, non-community public water system; and one person from the department, as the commissioner may recommend, subject to appointment by the Governor.

PROGRAM:
The Board meets four times per year. Exams became continuously available in March of 2012 through electronic testing in Portland. The Board also offered two paper exams in SFY 2012. In SFY 2012, a total of 151 exams were taken. Fifty-two were electronic based with 48 exams passed. There were 123 paper based exams given with 63 exams passed. There are 25 persons newly licensed to operator water systems and 76 advanced professionals. The Board strongly supports the professionalism of water operators. The Board reviews professional development courses for required training to renew licenses biennially. The Board promotes initial and upper level training for operators. There are 1175 licensed operators providing public health protection to consumers of 736 public water systems statewide. The Board is concerned about the availability of post secondary educational preparation and recruitment of the future workforce. The general public holds high expectations for the quality of their drinking water and place a high level of trust in the professionals responsible for producing and delivering quality drinking water.

PURPOSE:
The River Flow Advisory Commission's purpose is to act as a technical advisory commission to the Department of Defense, Veterans and Emergency Management and the Governor's office on issues of flow of the state's rivers and streams. The commission also facilitates communication of river flow data between dam operators, river basin managers, state agencies, the United States Geological Survey and the National Weather Service during floods and droughts and administers the State's hydrological monitoring program in cooperation with the USGS.

ORGANIZATION:
The Commission consists of the following members:
- The Director of the Maine Emergency Management Agency, or designee; The State Geologist, or designee; The Commissioner of Agriculture, Food and Rural Resources, or designee; The Commissioner of Inland Fisheries and Wildlife, or designee; The Commissioner of Marine Resources, or designee; The Director of the State Planning Office, or designee; The Commissioner of Transportation, or designee; The Commissioner of Health and Human Services, or designee; The District Chief of the USGS Water Resources Division, Maine District Office; The Meteorologist-in-Charge, NWS Forecast Office, Maine, or designee; Representatives from the major hydroelectric power generators, as determined by co-chairs of the Commission; and a representative of the public, appointed by the Governor.

The District Chief of the United States Geological Survey Water Resources Division Maine District Office and the Director of the Maine Emergency Management Agency, or the Director's designee shall act as co-chairs of the Commission. The term of office for the public member and the representative from the major hydroelectric generators is five years. The public member may be removed from office for cause by the Governor. Members from State Government or Federal Government shall serve a term coincident with their governmental position.

PROGRAM:
The Commission facilitates communications of river flow data between dam operators, river basin managers, State agencies, the United States Geological Survey, and the National Weather Service during periods of both flood and drought. It reports on data collected from stream flow gauges jointly funded by the State and the USGS (a 50/50 match program), information gathered in an annual survey of snow pack conditions in the late winter and early spring, and other information gathered and exchanged among its members. The data is also used by the Department of Transportation in highway and bridge design as well as the Departments of Conservation and Inland Fisheries and Wildlife when assessing the impact or irrigation on aquatic habitat and monitoring river flow for recreational uses.

The origin of the Commission was the Flow Management Advisory Committee, formed by Executive Order in 1983 as a result of heavy flooding on the Kennebec River. It operated under the Land and Water Resources Council of the State Planning Office. Its mission was to evaluate whether Maine's rivers were being responsibly managed to protect health and safety of Maine citizens as well as to facilitate communications of river flow data. This committee issued a final report stating a need for information flow and mitigation measures since flood prevention on Maine's rivers is not possible.

The River Flow Advisory Committee was redesignated the River Flow Advisory Commission in 1997 and organized within the Department of Defense, Veterans and Emergency Management. This provides the Commission with stability and visibility within the Department that is the major user of its hydrologic network data during periods of flood and drought when the public's health and safety is

PURPOSE:
The Board of Visitors is an oversight and advisory committee of citizens
appointed by the Governor of the State of Maine to represent the interests of the
people of Maine in prison matters.

ORGANIZATION:
The five-person board is approved by the Governor for a term of one year and shall be eligible for reappointment. Chosen for their varied orientations, interests, and experience in corrections and rehabilitation issues, board members attend to questions and concerns about public safety and security, prison staff safety and well-being, inmate health and safety, prison industries and programs.

PROGRAM:
Through prisoner meetings, written correspondence or phone, the Maine State Prison Board of Visitors works to identify and discuss issues such as inmate mail, grievances, advocacy, good time policies, recreational and educational programs, scheduling and funding, high risk and mental health units, and issues concerning prisoner benefits in order to help ensure that concerns are heard. The board may confer with the Commissioner or Associate Commissioner of Corrections and with the Department Counsel to discuss issues that may be of importance during the year. The board meets with program staff from many areas to discuss their specific areas of operation and help to ensure their concerns are being heard. The board also feels that it is important to tour areas of the Maine State Prison and Bolduc Correctional Facility to allow for a better understanding of the management of these complex facilities and also to discuss issues that may arise at the community level.

Routinely the board meets with the Warden and Senior Staff of Maine State Prison to discuss current issues and concerns and identify, when appropriate, ways the Board can be of support and assistance in the effective operation of the Maine State Prison.

MAINE ARTS COMMISSION

JULIE A. RICHARD, EXECUTIVE DIRECTOR

Central Office: 193 STATE ST., AUGUSTA, ME 04333-0025
Mail Address: STATEHOUSE STA# 25, AUGUSTA, ME 04333-0025  FAX: (207) 287-2725
Established: 1966  Telephone: (207) 287-2724
Reference: Policy Area: 03  Umbrella: 94  Unit: 088  Citation: T0027  M.R.S.A. Sect: 000000401
Average Counts-All Positions: 9.000  Legislative Count: 9.00

PURPOSE:
The Maine Arts Commission was established by the Legislature to "encourage and stimulate public interest and participation in the cultural heritage and cultural programs of our state; to expand the state's cultural resources; and to encourage and assist freedom of artistic expression for the well being of the arts, to meet the needs and aspirations of persons in all parts of the state."

ORGANIZATION:
The Maine Arts Commission, an independent state agency, is governed by a board appointed by the Governor for their interest in the arts and related fields. The Maine Arts Commission works to advance the arts by supplying services and results-oriented funding to artists, arts organizations, communities and schools, and helpful resources about the arts to the general public.

Guiding Principles: The actions of the Maine Arts Commission are guided by the following basic principles. In all of its programs, the Maine Arts Commission will: (1) Value artistic quality and cultural diversity, which may be represented in many forms and achieved in many ways; (2) Engage widely and deeply the public it seeks to reach, recognizing that access and impact of the kind that changes lives are both immediate and long-term goals; (3) Act locally, because it is at this level that access and impact are most readily achieved and sustained; and (4) Work collaboratively and promote collaboration in order to increase the impact of the Maine Arts Commission’s resources, and to foster relationships and commitments that build infrastructure beyond the Maine Arts Commission’s involvement.

In acting on these principles, the Maine Arts Commission will look for evidence that the public is a clear beneficiary; that additional resources are being leveraged to ensure success, sustainability, and commitment; and that the local capacity to carry on the work begun becomes greater as a result of these efforts.

PROGRAM:

FOR COMMUNITIES
CREATIVE COMMUNITIES = ECONOMIC DEVELOPMENT: Encourages cultural, economic and governmental sectors to work together to effect community revitalization.
NEW CENTURY COMMUNITY PROGRAM: Provides grants and services to a wide spectrum of Maine’s cultural community through a collaboration of agencies under the Maine Cultural Affairs Council. This includes Arts and Humanities Grants, a joint program between the Maine Arts Commission and Maine Humanities Council.
CELEBRATING TRADITIONAL ARTS: Supports traditional arts statewide by providing presentations in a range of community settings including festivals, gatherings, fairs, museums, tours and community events.

FOR SCHOOLS/ARTS IN EDUCATION
SMART: Assists schools, arts organizations/institutions and community based teaching artists to collaborate on the design and delivery of high quality arts learning experiences for K-12 students.
EARLY STARTS: Provides artist residencies in pre-school settings through a joint effort between the Maine Arts Commission and the Department of Health and Human Resources and Roads for Quality at the Muskie School, University of Southern Maine.
TICKET TO RIDE: Provides funding to defray the cost of travel for Maine K-12 schools wishing to visit Maine arts based venues and events as a part of a well-rounded curriculum.
MAINE YOUTH EXCELLENCE IN ARTS: Utilizes the Maine State Capitol Complex as a gallery for exhibiting exemplary two-dimensional visual art created by K-12 students from all regions of the state.
CONGRESSIONAL ARTS COMPETITION: Connects student artists with congressional representatives by collecting high school student artwork from each Congressional District. The work is hung for one year in the U.S. Capitol Building.
POETRY OUT LOUD: Encourages the nation's youth to learn about great poetry

ATLANTIC SALMON COMMISSION

PATRICK KELIHER, DIRECTOR

PURPOSE:
ATLANTIC SALMON COMMISSION IS NOW WITHIN THE BUREAU OF SEA RUN FISHERIES AND HABITAT IN THE DEPARTMENT OF MARINE RESOURCES

FINANCES, FISCAL YEAR 2012: The Bureau of the Budget does not maintain comprehensive fiscal data relative to this unit.
PURPOSE:
The Baxter State Park Authority was established to operate and maintain Baxter State Park for the use and enjoyment of the people of Maine in accordance with the wishes of its donor, former Governor Percival P. Baxter, that this park "...shall forever be retained and used for state forest, public park and public recreational purposes...shall forever be kept and remain in the natural wild state...shall forever be kept and remain as a sanctuary for beasts and birds."

The primary responsibilities of the Authority are to protect the wildlife, fauna and flora within the Park for the enjoyment of present and future generations; to operate and maintain various hiking trails, campgrounds, campsites and rustic log cabins within the 209,501 acre Park; to conduct exemplary forest management operations on the 29,537 acre Scientific Forest Management Area; to receive and expend monies from the trusts and other income for the maintenance and operation of the park; to acquire additional land for the park as authorized by law; to establish rules and regulations as necessary for the protection and safety of the public; and to exercise police supervision over the park.

ORGANIZATION:
Baxter State Park is the result of a dream of former Governor Percival P. Baxter who donated the first parcel of land in 1931 and over the years added various parcels until his final acquisition in 1962 brought the Park's area to 201,018 acres. Since then, the Authority has purchased and been gifted additional lands bringing the Park to its current size of 209,644 acres. In addition to the various gifts of land, Governor Baxter also left two sizable trust funds to carry out the operation and maintenance of the park without the need of state funding.

While Baxter State Park bears the name "State", it is separately administered, free from any connection with the larger state park system (Bureau of Parks and Recreation or the Department of Conservation). The Baxter State Park Authority, a three person authority consisting of the Maine Attorney General, the Director of Maine Forest Service and the Commissioner of Inland Fisheries and Wildlife, has full power in the control and management of the park and in the exercise of all Trust obligations. Responsibility for the operation and management of Baxter State Park is delegated from the Baxter State Park Authority to the Park Director who supervises: Chief Ranger (Operations); Resource Manager (Scientific Forest Management); Park Naturalist (Information and Education); and the Business Manager.

Approximately 35% of the cost of Park operations is financed from a combination of use fees, entrance fees and wood products revenues with the remaining 65% provided by revenues from trusts established by Percival Baxter in 1945 and again through his will after his death in 1969 to provide funds for the care and maintenance of Baxter State Park.

PROGRAM:
Both the forever wild and forest management portions of Baxter State Park are managed according to the wishes of the donor, Percival Baxter, as expressed in the Trust Deed Communications. As a large wilderness area, Baxter State Park faces many issues unique to the management of such an area. In all policy issues, the preservation and protection of Park resources is considered above recreational needs. The process of policy and decision making of the Authority is assisted by Park staff and several Advisory Committees.

Within the 209,501 acres of the Park are ten campgrounds and numerous out-lying sites providing an overnight capacity of slightly over 1,000 campers with a seasonal capacity of 145,000. All campground and many day-use facilities include

disability friendly sites. During peak summer use months of July and August, the Park is often filled to capacity. The seasonal average use over the six months from May 15 to October 15 is usually around 50% of capacity.

LICENSES:
* Non-resident fishing licenses.
* Entrance Permits for day use, overnight use, and seasonal use.
* Advance reservations for all overnight facilities in the Baxter State Park.
* Permits to allow individuals to carry out research activities and media production activities.
* Award of Certificates of Appreciation for Park volunteers.
* Contracts for the following services:
  1. Rubbish Removal, Septic and Janitorial.
  2. Fuel.
  3. Road Maintenance.
  4. Firewood Bundle Preparations.
  6. Maine Appalachian Trail Club and Maine Conservation Corp.

Reference: Policy Area: 01 Umbrella: 94 Unit: 630 Citation: T005 M.R.S.A., Sect.: 000013104

PURPOSE:
The Maine Biomedical Research Program is established to promote economic development and jobs in the State primarily by making state investments in organizations with successful results in attracting biomedical research funds from specified grant sources. As a secondary purpose, the Maine Biomedical Research Program is intended to provide incentives for small eligible institutions to grow. The program shall disburse program funds from the Maine Biomedical Research Fund to eligible institutions. An eligible institution receiving program funds under this program may use those funds for any of the following purposes: project funding; facilities funding, including debt service; equipment used in research, including debt service; or ancillary support.

ORGANIZATION:
The Maine Biomedical Research Program is overseen by the Maine Biomedical Research Board. The Board consists of 7 members appointed as follows: four persons appointed by the Governor and nominated by a statewide biomedical research coalition; two members appointed by the Governor who are distinguished and credentialed in the type of biomedical research that is performed by eligible institutions; the Commissioner of the Department of Economic and Community Development or his/her designee. The Maine Biomedical Research Board is assisted in its oversight of the Program by Maine Technology Institute, which provides administrative services for the Program.

PURPOSE:
The State Civil Service Appeals Board is established to mediate grievances and disputes, and to hear and resolve classification appeals which are filed by employees of the State who are excluded from the collective bargaining process pursuant to 26 M.R.S.A., 979 and 1021 to 1034.

ORGANIZATION:
On July 1, 1986, the State Civil Service Appeals Board was established to perform grievance and appeal functions formerly performed by the State Personnel Board. The Board consists of 5 members of the public who have experience in personnel management or labor relations. Appointments to the Board are made by the Governor with review by the Joint Standing Committee on State and Local Government with confirmation by the Legislature. One member of the Board is designated by the Board as a chair. Each appointment is for a term of four years until a successor has been appointed and qualified.

MAINE COMMISSION FOR COMMUNITY SERVICE
MARY ALICE CROFTON, EXECUTIVE DIRECTOR

Central Office: 111 SEWALL ST., ROOM 105, AUGUSTA, ME 04333
Mail Address: 105 STATE HOUSE STATION, AUGUSTA, ME 04333-0105  FAX:
Established: 1995  Telephone: (207) 624-7792
Reference: Policy Area: 00  Umbrella: 94  Unit: 578  Citation: T0005  M.R.S.A., Sect.: 00007501

PURPOSE:
The Maine Commission for Community Service was established by Executive Order in
1994 to link the Corporation for National Service to the State of Maine. The
Commission purpose and duties were codified in state statute in 1995, broadening
responsibilities beyond merely responding to federal initiatives. The
Commission's statutory mission is to "foster community service and volunteerism
to meet human and environmental needs" in Maine. Among the 14 assigned duties are
these: identify the priority needs to be met by volunteer and national service;
develop triennial comprehensive plans to address issues in Maine's volunteer
sector; provide technical assistance and training to Maine national service
programs; and, increase collaboration among public and private sector community
and volunteer service organizations.

The Commission makes sub-grants in accordance with provisions of the 1990 federal
National and Community Service Act (USC 42, Section 12501 et seq.) and recommends
State priorities regarding programs that receive direct federal financial
assistance under the Domestic Volunteer Act of 1973. In addition to administering
AmeriCorps State programs, the Commission coordinates its activities with the
regional office of the Corporation for National Service which handles AmeriCorps
VISTA, Senior Companions, Foster Grandparents, and Retired Senior Volunteer
Programs. Together, the agencies oversaw just over $6.1 million of National
Service funds invested in Maine's local volunteer service activities.

ORGANIZATION:
The Commission is comprised of 24 voting-members appointed by the Governor.
Representation is directed by Statute. Members are appointed to serve in
three-year, staggered terms. Voting members of the Commission elect a chair from
their ranks. Ex-officio members are the Commissioner of the Maine Department of
Education or his/her designee and the State Director for the Corporation for
National Service. The Commission is directed to report annually to the Governor
and the Joint Standing Committee on State and Local Government. Until 30 June
2011, the Commission's fiscal agent was the State Planning Office.

PROGRAM:
In 2011, the Commission managed $1.8 million from the Corporation for National
and Community Service and nearly $363,000 in non-federal resources. The Volunteer
Generation Grant to support establishment of a volunteer center network in Maine.
Service-learning funds distributed to four districts undertaking system-wide
adoption of this teaching method were a combination of federal and non-federal
dollars. Grants to 6 community agencies supported 187 AmeriCorps members. The
balance supported grant administration and Commission operation. Each activity is
tied to an outcome in the Commission's strategic plan.

PURPOSE:
The purpose of the State Board of Corrections is to develop and implement a
coordinated correctional system that demonstrates sound fiscal management,
achieves efficiencies, reduces recidivism and ensures the safety and security of
correctional staff, inmates, visitors, volunteers and surrounding communities.

ORGANIZATION:
The Board consists of 9 members who are appointed by the Governor. Each
appointment is subject to review by the joint standing committee of the
Legislature having jurisdiction over criminal justice and public safety matters
and to confirm by the Senate, except the two members that represent the executive
branch.

PROGRAM:
The Board's responsibilities and duties include: 1) Manage the cost of
corrections; 2) Determine correctional facility use and purpose; 3) Adopt
treatment standards and policies; and 4) Review and approve public and private
construction projects through a certificate of need process. Additional duties
and responsibilities are detailed in Public Law 2007, chapter 653.

MAINE STATE CULTURAL AFFAIRS COUNCIL
BETH EDMONDS, CHAIRPERSON

PURPOSE:
The Maine State Cultural Affairs Council ensures a coordinated, integrated system of cultural resource programs and projects, and shall ensure the support of cultural heritage institutions and activities of the State. (Title 5, section 1204-G, subsection 7-A.)

ORGANIZATION:
In 1990, the Maine Cultural Affairs Council was established to coordinate the resources, programs and projects of the cultural agencies with statewide responsibilities. The Maine State Cultural Affairs Council consists of the chairman of the State Cultural Affairs Council, the chair and vice-chair from the Maine Arts Commission, the Maine Historic Preservation Commission, the Maine Library Commission, the Maine State Museum Commission, Maine State Archives Advisory Board, Maine Humanities Council, and the Maine Historical Society. Nonvoting members include a staff member from the Office of the Governor and the directors of the seven cultural agencies.

PROGRAM:
The Cultural Affairs Council continues to implement the charge given in 27 MRSA Sect. 552 by: 1) Meeting on a regular basis to coordinate the broader programs and projects of state cultural agencies, 2) Planning for coordinated budget requests for the State Cultural Agencies, and 3) Publishing useful information concerning statewide cultural issues.

In FY 2011, the Cultural Affairs Council worked in coordination with Maine's locally based organizations to distribute bond funds through the New Century Community Program. In addition, the Council worked with Maine's locally based organizations to promote coordinated cultural activities, the creative economy and community revitalization.

INDEPENDENT AGENCIES - OTHER

PURPOSE:
The Maine Economic Growth Council was established to develop, maintain and evaluate a long term economic plan for the state. The Council's responsibilities include the development of a long range plan, goals, benchmarks and alternative strategies for a sustainable State economy. Additionally, the Council will monitor progress in accomplishing the State's goals and benchmarks, recommend changes in the Plan to reflect the dynamics of the international, national and state economy.

ORGANIZATION:
The Council is composed of 19 members, appointed for 3-year terms. The Commissioner of the Department of Economic and Community Development is a permanent member. The remaining 18 members are jointly appointed by the Governor, President of the Senate and Speaker of the House of Representatives. Fourteen members are appointed from the public to represent a broad range of expertise in areas including labor, environment, business and education, one of whom must also serve on the Maine Innovation Economy Advisory Council; also appointed to the Council are four members of the Legislature having a demonstrated interest in economic development.

The Council is staffed by the Maine Development Foundation, and is currently co-chaired by Senator Christopher Rector and Timothy Hussey.

PROGRAM:
In FY'95, the Council issued its first report entitled Goals for Growth, Progress 95; the Council proposed to monitor progress in six key goal areas: Innovative Businesses; Productive Workers/Rewarding Employment; Vital Communities; Healthy Natural Resources; Efficient Government; and State of the Art Infrastructure. The report outlines specific measures and benchmarks to track and compare Maine's performance. To date, the Council has distributed reports and has constructed briefings for state-wide organizations and agencies. The Council has been compiling baseline data for the benchmarks and conducts annual state-wide surveys of Maine businesses and citizens. In 1997, the Growth Council published Measures of Growth 97, which identified 57 benchmarks in the six goal areas. In 1998 the Growth Council published Measures of Growth 98, which reported on performance against benchmarks established in 1997. The report has been updated annually.

In January, 2002, "Measures of Growth 2002" was restructured to retain 40 of the Council's original measures and add 20 new measures, in order to better align the report with Maine's economy. "Measures of Growth 2004" was published in March, 2004. This format was used to publish the 2003 and 2004 Measures of Growth reports as well. In the fall of 2004 and early winter of 2005, the Growth Council pared down the indicators report and published the "2005 Measures of Growth in Focus". This report honed in on the eighteen indicators in the economy, community and environmental spheres that are most critical to Maine's long term development. The Growth Council published another edition of "Measures of Growth in Focus" in 2006, this time highlighting the 22 most critical indicators. The Growth Council also initiated the "Adopt-a-Benchmark" program which encourages Maine organizations to take actions that move the State closer to the Growth Council's benchmarks. In 2007, a 23rd indicator was added, a roadway deficiency index. The number of participants in the Adopt-a-Benchmark program rose to 24 and ten organizations were given a "Gold Star Award" for their work on particular indicators. In 2008, a 24th indicator, cost of energy, was added by the Council. The number of participants in the Adopt-a-Benchmark program increased to 27. Twelve organizations were awarded Gold Stars for their work on improving their adopted indicators. There were publications in 2009 and 2010. In 2011, a 25th indicator, Fourth Grade Reading Scores, was added. Additionally, the Chronic Disease indicator was replaced by an obesity indicator.

PURPOSE:
The Maine Educational Loan Authority (MELA) was established to assist students and their families to achieve their goals in the area of higher education.

ORGANIZATION:
The Maine Educational Loan Authority is a public body, corporate and politic, and an instrumentality of the State. Established in 1988, it functions as an administratively independent authority within the current organizational structure of the State government, but receives no appropriation from the Legislature for its operation.

PROGRAM:
Immediately after being created by the 113th Legislature in late Spring of 1988, the Maine Educational Loan Authority undertook to implement its initial program. This is a supplemental educational loan program which was funded by $35 million worth of tax exempt bonds issued in July of 1988. These funds were from a private source and no state monies were used. In May of 1992, the Authority refunded its initial offering and issued $60 million worth of tax exempt bonds in order to continue its loan program. An additional $12.5 million, $10 million, $14 million and $10 million of tax exempt bonds were issued in June of 1996, July of 1997, January of 1999, and September of 2000, respectively. In November of 2002, MELA issued a $26.9 million bond, which included $16.9 million to refund the 1992 series bonds. An additional $30 million and $50 million of tax exempt bonds were issued in May of 2005 and February of 2007, respectively. In May of 2009, MELA issued a $210 million bond, which included $152,250,000 to refund prior tax-exempt obligations of the Authority. An additional $15.46 million and $12.685 million of tax-exempt bonds were issued in July of 2010 and June of 2012, respectively.

The MELA Loan Program currently consists of The Maine Loan and The Maine Medical Loan. The Maine Loan and The Maine Medical Loan are loans made in amounts up to the full cost of education, less other financial aid, annually, and are available to eligible students. These loans are for Maine residents attending college in or out of the State of Maine and Canada or out-of-state residents attending Maine institutions of higher education. These loans are available to students and parents based solely on the credit worthiness of the applicant(s). For MELA loans disbursed beginning in August of 2010, the interest rate is fixed and borrowers may take up to 15 years to repay their loans depending on the loan program and loan amount. Borrowers must have a Maine nexus.

BOARD OF EMERGENCY MUNICIPAL FINANCE

JEROME GERARD, STATE TAX ASSESSOR

Central Office: 51 COMMERCE DRIVE, AUGUSTA, ME 04333
Mail Address: 24 STATE HOUSE STATION, AUGUSTA, ME 04333-0024  FAX:
Established:  1954  Telephone: (207) 624-9620
Reference: Policy Area: 00  Umbrella: 94  Unit: 319  Citation: T0030A  M.R.S.A., Sect.: 000006101

PURPOSE:
To enable municipalities that have fallen into financial difficulties to receive assistance from the State and to be reestablished on a sound financial basis.

ORGANIZATION:
The Commissioner of the Department of Administrative and Financial Services, the Treasurer of State and the State Tax Assessor compose The Board of Emergency Municipal Finance.

PROGRAM:
Any municipality that is financially unable to provide for its direct relief and work programs or its contributory share of public assistance programs of any nature, may apply to the Department of Human Services for funds from the State for that purpose. The municipal officers must apply in writing and send a copy of the application to the Board. Prior to the expenditure of such funds, the affairs of the municipality must be taken over by the Board.

If a municipality defaults on any bond issue or payment of interest due, or neglects to pay school and other salaries due and has received funds from the State in support of its poor, the board may audit or investigate the financial condition of the municipality. If after the audit or investigation the Board finds it necessary it may, by a majority vote, take over local government.

Once the Board takes control, a return to municipal self-governance requires repayment of relevant debts and a finding by the Board or its appointee that the financial affairs of the municipality may be resumed under local control.

Reference: Policy Area: 06  Umbrella: 94  Unit: 410  Citation: T0037B  M.R.S.A., Sect.: 000000792

PURPOSE:
This Commission oversees the implementation of a comprehensive program of planning and training for effective emergency response to releases of hazardous materials.

The State Emergency Response Commission will facilitate and coordinate the development of statewide plans to be implemented for comprehensive and effective response to hazardous materials emergencies for the safety and well being of people and the environment.

ORGANIZATION:
The Commission is composed of 14 members. The Director of the Maine Emergency Management Agency serves as the chair. Other members include the Commissioners of Environmental Protection, Human Services, Labor and Transportation or designees, the Director of the Office of Emergency Medical Services or designee,

the Chief of the State Police or designee, 4 gubernatorial appointees, 2 appointed by the Speaker of the House of Representatives and an environmental organization representative of the general public appointed by the President of the Senate.

PROGRAM:
The SERC in support of its vision and mission statement has developed a 3 pronged approach to its goals. First, under Federal and State law it monitors the performance of facilities that store or use large volumes of hazardous substances. This includes receiving annual inventory reports, assisting facilities in developing emergency plans, reviewing emergency plans and collecting information relating to spills of hazardous substances at facilities.

Second, the SERC provides support to Local Emergency Planning Committees (LEPC's) which under Federal law are required to develop plans in the event of an accidental release of a hazardous substance. This assistance may be either in the form of grants to enable LEPCs to hire assistance in completing the plan or technical support as it relates to risk assessment and hazard analysis.

The SERC also supports an aggressive campaign of education of Maine's first responders by providing training grants to communities. These programs may include Hazardous Materials Awareness, Operations and Technician level course along with a number of other specialized programs.

PURPOSE:
To help people with disabilities become more independent and productive members of the community. The program makes available direct loans to borrowers at rates and terms that are specifically tailored to meet the financial needs of individual borrowers. Business entities also may borrow from the Kim Wallace Adaptive Equipment Loan Program Fund ("mPower") to help make businesses accessible to individuals with disabilities and more suitable for employing them.

ORGANIZATION:
The Kim Wallace Adaptive Equipment Loan Program Fund Board consists of nine members. Seven members are appointed by the Governor and confirmed by the Maine Legislature. Of these members, one must be a commercial lender; one must be a certified public accountant; and the remaining five must be people with a range of disabilities. The Director of the Bureau of Rehabilitation Services within the Department of Labor or the Director's designee, and the Treasurer of the State of Maine or the Treasurer's designee, also serve on the Board.

The Board currently contracts with Alpha One, a non-profit community-based agency
offering services to persons with disabilities, to provide initial assistance to
program applicants and a determination of the appropriateness of the equipment to
be purchased. The Board contracts with the Finance Authority of Maine to provide
administrative assistance, financial analysis and management, and legal counsel.

PROGRAM:
The program provides low-interest loans to assist people with disabilities become
more productive members of the community.  Businesses also may borrow from mPower
to make their facilities more accessible to people with disabilities and to make
physical and structural changes necessary to allow a business to hire individuals
with disabilities.

COMMISSION ON GOVERNMENTAL ETHICS AND ELECTION
PRACTICES

JONATHAN WAYNE, EXECUTIVE DIRECTOR
WALTER F. MCKEE, ESQ., CHAIR

Central Office: 45 MEMORIAL CIRCLE, AUGUSTA, ME 04330
Mail Address: 135 STATE HOUSE STATION, AUGUSTA, ME 04333-0135  FAX: (207) 287-6775
Established: 1976  Telephone: (207) 287-4179
Reference: Policy Area: 00 Umbrella: 94 Unit: 270  Citation: T0001  M.R.S.A. Sect: 000001002
Average Counts-All Positions: 6.000  Legislative Count: 6.00

PURPOSE:
The Commission on Governmental Ethics and Election Practices is an independent
commission established to guard against corruption or undue influencing of the
election process and against misconduct or the appearance of misconduct by
Legislators.

The general duties of the Commission are to investigate and make advisory
recommendations to the appropriate body of the Legislature of any apparent
violations of the ethical standards set by the Legislature; to issue advisory
opinions and guidelines on problems or questions involving possible conflict of
interest in matters under consideration by, or pertaining to, the Legislature;
and to administer the sources of income disclosure law.

Additional responsibilities of the Commission are to administer and investigate
any violations of the requirements for campaign reports and campaign financing,
including the provisions of the Maine Clean Election Act; to conduct biennially,
in conjunction with the Attorney General and the Chair of the Legislative
Council, an ethics seminar for Legislators; to administer the lobbyist disclosure
laws, and to administer and ensure effective implementation of the Maine Clean
Election Act.

ORGANIZATION:
The Commission on Governmental Ethics and Election Practices, established by
Title 5, section 12004-G, subsection 33, consists of 5 members appointed by the
Governor from nominee lists submitted by Legislative Leadership. Appointees are
subject to review by the joint standing committee of the Legislature having
jurisdiction over legal affairs and confirmation by the Senate.

No more than two members may be enrolled in the same political party. Each member
serves a three-year term. A person may not be appointed to the Commission who is
a member of the Legislature or who was a member of the previous Legislature, or
who was a declared candidate for an elective county, state or federal office
within two years prior to the appointment, or who holds an elective county, state
or federal office, or who is an officer, director, employee or primary decision
maker of a party committee, political action committee or candidate committee
authorized under 21-A M.R.S.A. § 1013-A(1)(B).
Pursuant to 1 M.R.S.A. Section 1006, the Commission may call for the aid or assistance in the performance of its duties on the Attorney General, Secretary of State, Department of Audit, or any law enforcement agency in Maine.

PROGRAM:
Advisory Opinion, Notices, Report Audits: During FY 2012, the Commission conducted regular public meetings, issued informal advisory opinions, and its staff rendered oral advice regarding the interpretation of the statutes administered by the Commission. The staff distributed filing notices to all candidates, political action committees, ballot question committees, and lobbyists with reporting or disclosure obligations and processed reports filed by those reporting entities. Additionally, the staff conducted compliance reviews and limited audits of the reports of candidates, political action committees, ballot question committees, and lobbyists.

Complaints, Late Filings, Penalties: During FY 2012, the Commission investigated complaints concerning candidate campaigns, party committees, political action committees, ballot question committees, and lobbyists. The Commission also ruled on the lateness of the filings of candidates, party committees, ballot question committees, political action committees, and lobbyists. The Commission referred cases to the Attorney General for appropriate action regarding the failure to pay penalties for the late filing of reports or the failure to file reports. The Commission publishes a Biennial Report containing statistical data regarding its activities and annual financial activities of candidates, lobbyists, and political action committees.

Opinions, Lawsuits, Fees: The Commission considered requests for the waiver of certain statutory requirements by candidates, lobbyists, political action committees, and political party committees and issued guidance on the interpretation of statutes and rules subject to the Commission's jurisdiction.

LICENSES:
None.

PUBLICATIONS:
The Commission distributes copies of the governmental and legislative ethics laws, lobbyist disclosure procedures, campaign reports and finance laws for candidates, the laws governing political action committees (PACs) and ballot question committees (BQCs), the Maine Code of Fair Campaign Practices, and the Maine Clean Election Act. Other publications include: Filing schedules, registrations, and reporting forms for lobbyists, PACs, BQCs, party committees, and candidates; Annual reports of contributions/expenditures; and Financial reports of lobbyists and candidates. The Commission publishes a Biennial Report containing statistical data regarding its activities and annual financial activities of candidates, lobbyists, and political action committees.

Central Office: C/O FAME, 5 COMMUNITY DR., AUGUSTA, ME 04332-0949
Mail Address: PO BOX 949, AUGUSTA, ME 04332-0949
Established: 1983
Reference: Policy Area: 01 Umbrella: 94 Unit: 457 Citation: T0010 M.R.S.A., Sect.: 000000964

PURPOSE:
The Finance Authority of Maine (FAME), a quasi-independent state agency, is Maine's business and higher education finance authority. FAME initially was established in 1983 as Maine's business finance agency. In that role, FAME was charged with supporting the start-up, expansion, and growth of Maine businesses by working with Maine's banking community to improve access to capital.

In 1990, FAME's mission was significantly expanded by the Maine Legislature when it assumed responsibility for administering the state's higher education finance and outreach programs. Through loans, grants, and loan insurance, FAME helps students and their families meet the costs associated with higher education. FAME administers Maine's Section 529 College Savings Program, the NextGen College Investing Plan, and oversees outreach activities that are designed to encourage Maine people to aspire to and pursue higher education. In 2004, FAME was designated as Maine's secondary market for student loans.

FAME accomplishes its mission - providing innovative financial solutions to help Maine citizens pursue business and educational opportunities - by working closely with the state's higher education, banking, economic development and business communities, as well as the Governor and Maine Legislature, in the formulation and implementation of financial services and programs that help fill gaps that exist in Maine's capital delivery system.

ORGANIZATION:
FAME is overseen by a fifteen-member Board of Directors that has the following makeup: two members with experience in natural resource-based enterprises; two veterans; one certified public accountant; one commercial lender; one attorney; one member with expertise in student financial aid; one member knowledgeable in the field of higher education; three members at-large; three state officials, including the Commissioner of Economic and Community Development, a natural resource agency commissioner, and the State Treasurer.

Members of the FAME Board are appointed by the Governor and are subject to review and confirmation by the Maine Legislature. Each member, other than the state officials, serves for a term of four years. The Chief Executive Officer is appointed by the Governor, subject to review and confirmation by the Maine Legislature, to supervise and direct the administrative and technical activities of FAME on a day-to-day basis.

PROGRAM:
BUSINESS FINANCE: FAME administers and oversees programs that may be utilized individually or in combination with other financing mechanisms to assist business development in Maine.

These programs include: Commercial Loan Insurance Program; Economic Recovery Loan Program; Underground Oil Storage Tank Removal & Replacement Program; Regional Economic Development Revolving Loan Program; Linked Investment Program for Commercial Enterprises; Linked Investment Program for Agriculture; Maine Seed Capital Tax Credit Program; Maine Economic Development Venture Capital Revolving Investment Program; and various bond programs.

Additionally, the following programs are administered in conjunction with other state departments or agencies: Potato Marketing Improvement Fund Program; Agricultural Marketing Loan Program; Kim Wallace Adaptive Equipment Loan Program Fund; Energy Conservation Loan Program; and Nutrient Management Loan Program.

EDUCATION FINANCE AND OUTREACH: FAME maintains and administers the following federal and state higher education finance and outreach programs: Maine State

ADVISORY COMMITTEE ON MEDICAL EDUCATION

VACANT, CHAIR
JANEEN VIOLETTE, FINANCE AUTHORITY OF ME

Central Office: C/O FAME, 5 COMMUNITY DR., AUGUSTA, ME 04332-0949
Mail Address: PO BOX 949, AUGUSTA, ME 04332-0949
Established: 1992
Reference: Policy Area: 01 Umbrella: 94 Unit: 093 Citation: T0020A M.R.S.A., Sect.: 000012106

PURPOSE:
The Advisory Committee on Medical Education advises the Chief Executive Officer of the Finance Authority of Maine in the development of initiatives that address the medical education needs of the State of Maine.

ORGANIZATION:
The Advisory Committee consists of eighteen members. Fourteen of these are appointed by FAME’s CEO and are subject to approval by the Legislature’s Joint Standing Committee on Education and Cultural Affairs. Representatives of the following entities are included: a major statewide agency representing allopathic physicians; a major statewide agency representing osteopathic physicians; a major statewide agency representing family physicians; the major statewide agency representing hospitals; the major statewide agency representing community health centers; an association of commercial health insurance companies doing business in the state; a statewide area health education center program; two at-large members; a chief executive of a family practice residency in Maine; an institution of allopathic medical education at which FAME secures positions for students; an institution of osteopathic medical education at which FAME secures positions for students; a Maine student, resident or practicing physician who has obtained a position secured by FAME at an institution of allopathic medical education; a Maine student, resident or practicing physician who has obtained a position secured by FAME at an institution of osteopathic medical education; and a representative of a Maine-based medical school at which students have received
Doctors for Maine's Future scholarships.

Other committee members include: the Commissioner of the Department of Health and Human Services or the Commissioner's designee; three at-large members from areas of the state lacking reasonable access to health care; one appointed by the Governor; one appointed by the President of the Senate; and one appointed by the Speaker of the House of Representatives, all of whom are subject to approval by the Legislature's Education Committee.

PROGRAM:
The Committee provides guidance for the administration of the Access to Medical Education and Health Professions Loan Programs, including, but not limited to: the projected number of student seats needed; the projected costs of medical education; recommendations for the future needs of the programs; the development of sites for student clinical training; the amount expended for the purchase of seats at contract schools; development of incentives to practice in under-served areas; and recommendations for utilizing contract funds to provide assistance to Maine residency programs.

MAINE HEALTH AND HIGHER EDUCATIONAL FACILITIES AUTHORITY

MICHAEL GODDWIN, EXECUTIVE DIRECTOR

Central Office: 127 COMMUNITY DRIVE, AUGUSTA, ME 04330
Mail Address: PO BOX 2268, AUGUSTA, ME 04330
Established: 1971
Reference: Policy Area: 00 Umbrella:94 Unit:336 Citation: T0022 M.R.S.A., Sect.: 000002054

PURPOSE:
To assist private non-profit hospitals, non-profit nursing homes, community health facilities, for-profit nursing and boarding homes, and private, non-profit institutions for higher education within the State of Maine in both short and long term financing for the construction and equipping of health-care and educational facilities, and the refinancing of existing indebtedness by providing financial advisory services and access to the tax-exempt and taxable bond markets.

ORGANIZATION:
The Authority consists of a twelve-member Board of Commissioners, including the Treasurer of the State, the Commissioner of Health and Human Services, the Commissioner of Education and the Superintendent of Financial Institutions who serve as ex officio members, and eight other members, who are residents of the State of Maine and are appointed by the Governor, for terms of five years. The Board of Commissioners shall elect one of its members as chairman and one as vice-chairman. The Executive Director of the Maine Municipal Bond Bank shall serve as the Executive Director of the Maine Health and Higher Educational Facilities Authority and is responsible for the day-to-day activities of the Authority. The Executive Director also serves as both the secretary and treasurer of the Authority.

PROGRAM:
Bonds, notes or any other obligations of the Authority while utilizing the moral obligation reserve fund made up of the State do not constitute an obligation of the State of Maine or any political subdivision within the State. Each bond issue of the Authority is secured solely by revenues derived from the project financed by the proceeds of said issue. Bonds of the Authority may be secured by a gross pledge of the revenues derived from the project. In addition, the Authority may take title to the project and lease it back to the hospital, nursing or boarding home, or institution for higher education or may take a mortgage on the project. Each health-care facility or institution for higher education agrees, among other things, to pay the Authority sufficient monies at
all times to pay principal and interest on outstanding bonds.

The Authority does not receive any appropriation from the State. It derives its revenue from fees charged to participating eligible borrowers using its financing capabilities. The Authority charged origination and loan servicing fees based on type of loan, financing, and borrower.

During fiscal year 2012, the Authority issued $119,635,000 in refunding bonds within the Reserve Fund Resolution. It also issued $335,990,000.00 in General Resolution conduit debt on behalf of its borrowers which is not debt of the Authority or moral obligation debt of the State of Maine.

Average Counts-All Positions: 16.731 Legislative Count: 12.00

PURPOSE:
The purpose of the Maine Historic Preservation Commission is to administer the National Historic Preservation Act of 1966 to identify and protect significant architectural and archaeological resources. The Commission is charged with development of a comprehensive plan, conducting surveys statewide, and nominating all significant buildings, sites and districts to the National Register of Historic Places. In addition, the Commission reviews all federally-funded and federally-licensed projects for their effect upon historic resources.

ORGANIZATION:
The Commission was created by the 105th Legislature in 1971 as an independent State commission. In 1973, the Commission was placed in the Department of Educational and Cultural Services for administrative purposes, and in 1979 it became a bureau of the Department. In 1990 the 114th Legislature established the Commission as an independent agency.

The Commission consists of 11 members made up as follows: Commissioner or representative of the Department of Transportation, Commissioner or representative of the Department of Conservation, and 9 representatives from among citizens of Maine, one of whom shall be elected chairman. Among the public members, all of whom are appointed by the Governor, there must be at least one prehistoric archaeologist, one historic archaeologist, one historian, one architectural historian, and one architect.

The term of office of each member is 5 years. Each member serves for the term of his/her appointment and, thereafter until his/her successor is appointed; but in any event no more than 2 consecutive terms. All vacancies are filled for the balance of the unexpired term in the same manner as the original appointments.

PROGRAM:
During FY 2012, the Commission expanded the National Register of Historic Places by 14 individual buildings and 1 historic district.

The Historic Preservation provision of the Economic Recovery Tax Act of 1981 has required extensive staff time in certifying historic buildings and advising owners on acceptable restoration techniques. As in past years a great deal of
INDEPENDENT AGENCIES - OTHER

staff time has been spent in reviewing federally-funded projects that might have an impact upon the State's historic resources, as well as offering advice and services to countless communities, groups, and individuals with concerns in the area of historic preservation.

LICENSES:
Under 27 MRSA 374 any party wishing to excavate an archaeological site listed in the National Register of Historic Places which is state-owned or is subject to a preservation agreement between the landowner and the Commission, must apply in writing for an Excavation Permit to the Director of the Commission. If such a permit is granted, it must be co-signed by the Director of the Commission, the Director of the State Museum, and (if involving a state-owned site) the Director of the agency with primary jurisdiction. If a site which is not state-owned is involved, permission to excavate in writing from the landowner must accompany the permit application.

PURPOSE:
The Maine Human Rights Commission was established to promote the full enjoyment of human rights and personal dignity by all inhabitants of the State of Maine; to keep in review all practices and their causes infringing on the basic human right to a life with dignity so that corrective measures may be recommended and implemented; and to prevent discrimination in employment, housing or access to public accommodations on account of race, color, sex, sexual orientation, physical or mental disability, religion, ancestry, or national origin, and in employment, discrimination on account of age and genetic pre-disposition; and in housing, discrimination on account of source of income and familial status; and in extension of credit, on account of age, race, color, sex, sexual orientation, marital status, ancestry, religion or national origin; and in education, discrimination because of sex, sexual orientation, physical or mental disability, national origin and race.

The Maine Human Rights Act also prohibits discrimination because of filing a claim or asserting a right under the Worker's Compensation Act or retaliation under the Whistleblower's Act.
ORGANIZATION:
The Maine Human Rights Commission, created in 1971, consists of five members, no more than three of whom may be of the same political party, appointed by the Governor with confirmation by the legislature, for terms of five years. The Governor designates the chairperson of the Commission from among its members. The Commission appoints a full-time Executive Director.

PROGRAM:
DISCRIMINATION COMPLAINTS. During the fiscal year 2012, 639 new complaints were filed with the Maine Human Rights Commission. In addition, 817 complaints were carried over from the previous fiscal year. The Commission closed 719 cases, leaving a total of 746 cases active at year end.

LITIGATION. The Commission is represented in the courts of the State of Maine by the Commission Counsel.

PUBLIC EDUCATION AND INFORMATION. The Commission speaks to groups upon request, when possible, in an effort to educate people about the provisions and remedies under the Maine Human Rights Act.

PURPOSE:
The Maine Indian Tribal-State Commission was created as part of the Maine Implementing Act of 1980 to "continually review the effectiveness of this Act and the social, economic, and legal relationship between the Houlton Band of Maliseet Indians, Passamaquoddy Tribe and the Penobscot Indian Nation and the State." The Commission also has a number of specific mandates, including the promulgation of fishing regulations on certain bodies of water and making recommendations concerning the acquisition of lands to be placed in trust for the tribes.

The settlement cannot be amended unilaterally by any of the parties.

ORGANIZATION:
The Commission is an inter-governmental entity. Six of its members are appointed by the Governor of Maine and confirmed by the Legislature; two are appointed by the Houlton Band of Maliseet Indians; two are appointed by the Passamaquoddy Tribe; two are appointed by the Penobscot Indian Nation; and the thirteenth, who is the chairperson, is selected by the twelve appointees.

The Commission's budget is comprised of tribal contributions and state dollars. The Commission is staffed by a private consultant, who serves as Executive Director.

PROGRAM:
The Commission's overriding priorities are to defuse disagreements between the parties to the Settlement Act and to strengthen tribal-state relations, to deepen the understanding by Tribal and State leaders of the key concepts and issues underlying both the settlement and ongoing Wabanaki-Maine relations; to promote a relationship between the State and Tribes that is based on open communications and mutual trust and respect; and to increase the public's understanding and appreciation of the Wabanaki People. The commission will also serve as the parent organization for the Maine Tribal-State Child Welfare Truth and Reconciliation Process.

To address these overriding priorities, the Commission conducts ongoing diplomatic efforts, staffs the Annual Assembly of Governors and Chiefs, sponsors meetings and workshops, presents testimony and proposes legislation, helps to increase access by the Tribes to state and federal resources, exercises certain oversight responsibility for LD 291, An Act to Require Teaching of Maine Native American History and Culture in Maine's Schools, and is involved in educational activities.

PURPOSE:
The purpose of the Maine State Library is to provide, broaden and improve access to information in a variety of formats to citizens regardless of location of residency.

ORGANIZATION:
The Maine State Library includes Administration, Reader and Information Services, Library Development Services, and Outreach Services.

PROGRAM:
The Program of the Maine State Library is supported by several components.

ADMINISTRATION provides leadership for development of library services in Maine; coordinates the work of all staff; prepares and supports necessary legislative action concerning libraries; and provides all necessary fiscal information.

LIBRARY DEVELOPMENT provides leadership and support for library development in all types of libraries throughout the state. Specific programs include: the Maine Regional Library System including consultant services and continuing education programs; Outreach Services including talking books, books by mail, and large print books; Learning and Technology Services such as video services, technology initiatives, resources and support; school library media services; federal e-rate coordination and training; grant programs, statewide licensing of electronic databases and online learning tools for librarians and Maine citizens, including job seekers. Programs in this division are funded by both a yearly federal Library Services and Technology Act (LSTA) grant and a current Broadband Technology Opportunities grant (BTOP). This division also maintains the Maine State Library web site http://maine.gov/msl/.

READER AND INFORMATION SERVICES provides the delivery of quality information, reference, and loan services to all libraries, state agency personnel, Legislators, and the general public. This includes supporting and complementing the collections of all types of libraries throughout the state through resource sharing. Statewide resource sharing includes the economically efficient van delivery system which transported 1.5 million items in FY 2011.

The public services portions of the MSL web page originate within this program. Reader and Information Services also develops marketing ideas and plans public relations efforts to support its programs and resources. Specific programs include Reference and Research Services, Circulation, Collection Services and Interlibrary Loan.

PURPOSE:
The purpose of the Maine Library Commission is to review recommendations of the State Librarian with regard to the policies and operations of the Maine State Library and the State's library program. The Commission also gives advice and makes recommendations with regard to the administration of federal funds.

ORGANIZATION:
The Maine Library Commission is broadly representative of the State's libraries and consists of a representative from public, school, academic, special, institutional and handicapped libraries, a trustee representative, one representative from each of the library districts and three representatives from the State at large, one of whom is a representative of the disadvantaged. The directors of the area reference and resource centers are ex-officio members. The Maine Library Commission is a policy-making, rule-making authority and part of the Maine State Cultural Affairs Council.

PROGRAM:
The Maine Library Commission held 6 meetings during fiscal year 2012. The Commission has monitored progress on the Maine State Library's strategic plan. Other areas of special interest included the following: The Maine Schools and Libraries Network, E-Rate allocations and technology planning, the expansion of the Maine InfoNet network, the sharing of resources among Maine libraries (including the expansion of a statewide interlibrary loan van delivery service), statewide licensing of electronic databases, reviewing the allocation of state and federal funds, reviewing statewide interlibrary loan policies and reviewing emerging technologies and their impact on library services statewide including electronic reference service, computer training courses, and e-books.

PURPOSE:
The Maine Lobster Promotion Council (MLPC) markets and promotes the sale of Maine lobster in local, regional, national and world markets year-round.

ORGANIZATION:
The Maine State Legislature established the Maine Lobster Promotion Council in 1991 at the request of the Maine lobster industry. The Council is a public instrumentality of the state, funded primarily through assessments paid by lobster license holders and managed by a 9-member Board of Directors composed of...
INDEPENDENT AGENCIES - OTHER

three harvesters, three dealers/processors, and three public members.

PROGRAM:
The Maine Lobster Promotion Council (MLPC) markets Maine Lobster to consumer and trade audiences around the globe. The objective of the Council is to support brand awareness and premium positioning for Maine Lobster in order to maintain consumer interest and increase demand for Maine Lobster thereby supporting the value of the brand.

INTERNET AND SOCIAL MEDIA
The MLPC online media program utilizes communications technology to reach millions of buyers and consumers worldwide through its Internet presence, website www.lobsterfrommaine.com, and social media vehicles such as Facebook, YouTube and Twitter. MLPC uses these vehicles to educate customers, spread positive stories about Maine Lobster and enhance brand positioning of Maine Lobster worldwide. Internet and social media provide a cost-effective means of reaching a broad audience.

FOODSERVICE AND RETAIL
The MLPC works with commercial restaurant operators, chefs, retail buyers and distributors to build awareness and use of Maine Lobster products and to connect buyers with Maine Lobster dealers. Programming efforts seek to increase demand for all Maine Lobster products.

INTERNATIONAL
The MLPC International Program seeks to educate international buyers in order to stimulate demand in international markets and to gather information about foreign markets in order to educate Maine Lobster dealers about overseas opportunities.

PUBLIC RELATIONS
The MLPC Public Relations Program is structured to build positive awareness of Maine Lobster products and the Maine lobster industry. The program also addresses stories that may negatively affect sales of Maine lobster.

RESEARCH
The MLPC Research Program focuses collecting and disseminating data about Maine Lobster, and more specifically, data related to the business of marketing Maine Lobster domestically and internationally. The program monitors market trends in the aggregate for all lobster. The MLPC has also developed and conducted several successful pilot programs involving market research to determine the positive impacts of non-price promotional programs to stimulate demand and increase market value for Maine lobster.

Established: 1995
Reference: Policy Area: 08 Umbrella: 94 Unit: 591 Citation: 29A M.R.S.A., Sect.: 000000562

PURPOSE:
The Motor Carrier Review Board was created by PL 1995 Chapter 376 to review the records of motor carriers with histories of significant and repeated carrier violations in Maine.
The Board is charged with making recommendations to the Secretary of State for possible suspension of a carrier's privilege to operate commercial vehicles in Maine. To make these determinations, the Board looks at a number of data sources including adjudicated violations, MSP Commercial Vehicle Enforcement Unit data, and Federal Motor Carrier Safety Administration's reviews and ratings.

The Motor Carrier Review Board's principal data source is MSP Driver/Vehicle Inspection Reports.

In 1996, the Board developed and adopted its rules for conducting carrier reviews. In 2012, the rules were significantly revised to improve the carrier selection and review process. In FY12, the Board held four meetings; conducted 80 preliminary reviews, 26 secondary reviews, and 13 full reviews; issued 24 warning letters; and recommended the suspension of two motor carriers.

**Organization:**
The Board consists of seven members appointed by the Governor. The members represent the motor carrier industry, the forest products industry, professional drivers, the commercial insurance industry, and the public.

The Board is staffed by the Bureau of Motor Vehicle's Office of Motor Carrier Services.

The Maine Municipal Bond Bank (the Bank) was established to reduce overall long-term borrowing costs of governmental units within the State for capital improvement projects through lower interest rates and reduced processing costs of bond issues. The Bond Bank is empowered to issue bonds and notes in its own name and to use the proceeds therefrom to directly purchase the bonds or notes of governmental units. The result is to combine a number of smaller bond issues into a single attractive package which the Maine Municipal Bond Bank then offers to the national market.

The Maine Municipal Bond Bank (the Bank), established in 1972, consists of a five-member Board of Commissioners, including the Treasurer of State and the Superintendent of Financial Institutions, ex officio, and three Commissioners appointed by the Governor, for terms of three years. The Board elects one of its members as chairman and appoints an Executive Director who also serves as both secretary and treasurer.

No State appropriations are allocated to the Maine Municipal Bond Bank's General Bond Resolution program. The Bank pays all costs of issuance on behalf of local governmental units using the Bank's General Bond Resolution, except for local bond counsel, a pro-rated share of underwriters' sales commission and any negative arbitrage on the moral obligation reserve fund. Operating expenses are covered by the bond premiums and income from investment of reserve and operating funds.

The Bank does not receive any appropriations from the State to operate these Programs but does receive administrative and/or loan servicing fees from participating eligible borrowers.

In October of 2011, bonds were issued in the General Tax-Exempt Resolution totaling $50,375,000 that assisted 15 governmental units finance their capital projects and advance refunded prior bond issues that provided future debt service savings totaling $667,335 to underlying borrowers. In May of 2012, bonds were issued in the amount of $127,495,000 that assisted 9 governmental units finance their capital projects and advance refunded prior bond issues that provided future debt service savings totaling $3,489,329 to underlying borrowers. All issues were rated AA+/AAA by Standard & Poor's and Fitch Ratings, respectively. In 1998, the Maine Legislature established the Maine School Revolving Renovation Fund to promote efficient capital financing activities for the construction, renovation and maintenance of school facilities. The Bank jointly administers the Program with the Maine Department of Education. The Bank receives allocations from the State for deposit into the Fund. In fiscal year 2012, the Program provided 17 loans totaling $9,087,059 to finance qualified school renovation projects.

In 1989, the State of Maine designated the Bank to serve as the administrator and financial manager of the Drinking Water State Revolving Loan Fund Program, which it jointly administers with the Maine Department of Human Services and Clean Water State Revolving Loan Fund Program, which it jointly administers with the Maine Department of Environmental Protection. In fiscal year 2012, the Clean Water Program provided 18 loans totaling $50,205,709 to finance wastewater construction projects. The Drinking Water Program provided 28 loans totaling $12,921,730 to finance public water systems construction projects. In March of 2012, refunding bonds were issued in the amount of $17,375,000 to advance refund prior bond issues in the Clean Water Program which provided future debt service savings totaling $1,279,014 to underlying borrowers.

In 2004, the Maine Legislature established the Transportation Grant Anticipation Fund for the purpose of assisting the Maine Department of Transportation in the
financing of qualified transportation projects. This Program is jointly administered with the Maine Department of Transportation. Loans are secured pursuant to a pledge and certificate issued by the Maine Department of Transportation, which pledges future Federal Transportation funds to secure payment of GARVEE bonds. No GARVEE bonds were issued in fiscal year 2012.

In 2008, the Maine Legislature established the Transportation Infrastructure Fund for the purpose of providing financial assistance for the planning, design, acquisition, reconstruction, rehabilitation and other transportation capital improvements in the State of Maine. This Program is jointly administered with the Maine Department of Transportation. Loans are funded through the issuance of tax exempt revenue bonds and are secured by the TransCap Trust Fund, which is administered by the Bank. To date, the Bank has issued $240,000,000 in Transportation Infrastructure Revenue Bonds. The issues were rated AA by Standard & Poor's and AA by Fitch Ratings.

In 2010, the Bank created a new bond resolution for the issuance of Qualified School Construction Bonds. In fiscal year 2012, the Bank sold QSCB's in the amount of $9,836,142 that assisted 5 governmental units finance their school capital projects.

MAINE STATE MUSEUM
BERNARD FISHMAN, MUSEUM DIRECTOR
, CHAIRMAN

Central Office: CULTURAL BUILDING, AUGUSTA, ME 04333-0083
Mail Address: 83 STATEHOUSE STATION, AUGUSTA, ME 04333-0083
FAX: (207) 287-6633

Unit: 073
Citation: T0027
M.R.S.A., Sect.: 00000085A
Average Counts-All Positions: 21.302
Legislative Count: 20.00

PURPOSE:
The mission of the Maine State Museum is to educate and inspire Maine's people and visitors by collecting, preserving, researching, and exhibiting objects of Maine's natural and cultural heritage. We do this to promote an understanding of, and respect for the past, which is essential for Maine's future.

The Maine State Museum and its collections are a unique source of information on Maine's natural science and human history. Collections are exhibited in the Cultural Building, State House, and Blaine House.

The museum staff conducts archeological field work and scientific and historical research in support of publications, exhibits, and a full understanding of state-owned collections.

ORGANIZATION:
The basic concept of a State Museum was approved and funded by the Legislature in 1836 with the first exhibit established in the State House one year later. The Maine State Museum became an independent, professionally staffed agency with the creation of the Maine State Museum Commission in 1966. It is a small museum with the responsibilities of a major institution. The American Association of Museums has accredited the museum for 38 continuous years. The Maine State Museum and six other cultural agencies are members of the Maine State Cultural Affairs Council, which coordinates collaborative ongoing state-wide projects. The
museum's long-time director, Joseph R. Phillips, retired in FY12 after twenty years, and was succeeded by Bernard Fishman, who was selected by the Maine State Museum Commission following a nationwide search.

PROGRAM:

VISITOR SERVICES AND EDUCATION: The museum was open Tuesday-Saturday and closed for all state holidays. A special legislative appropriation allowed the museum to open on Sundays from August 21 – November 27. Originally planned for a six month period, Sunday open days were reduced due in large part to delays in filling necessary positions. Still, the pilot project was successful and will continue one more year. Including Sunday visitors, more than 49,000 people visited the museum during the year, a 3.6 increase over FY11. As the first choice of Maine teachers for museum field trips, Maine State Museum school and group visitation was 20,229, with 911 groups from 231 communities; 1,212 Learning Results-related gallery programs were presented. Educational events included Maine Earth Science Day, a celebration of 100 years of Girl Scouting, and Bug Maine-ia, Maine's largest one-day science fair. A craft show and Model Train Celebration enlivened the holidays. Daily programs were offered for school vacation weeks in February and April. Four public evening lectures were held, along with a Saturday children’s art program and a musical performance. The museum staff continued to refine its group scheduling system that serves the museum, State House, and Blaine House. High school and college interns were trained in several fields.

COLLECTIONS: The museum acquired many important artifacts and scientific specimens through direct donations, transfers from other institutions, and purchases made with endowment earnings. Examples include: the Kosti Ruohomaa collection; specimens from the Portland Society of Natural History; artifacts excavated from Malaga Island; documents related to the Revolutionary War's Penobscot Expedition; a rooster weathervane made by John Lombard; an important Penobscot wampum necklace and leggings; and a portrait of Ann Frazier King. To enhance collections quality, the museum also deaccessions materials that are duplicates, damaged, or more appropriate for other institutions; this year, 109 maritime-related artifacts were transferred to two local historical societies and two maritime museums.

EXHIBITS: The museum's major temporary exhibit this year was "Malaga Island, Fragmented Lives," which will remain on view through May 2013. This exhibit, web-based material, and educational programming marked the centennial of the state's eviction of Malaga Island residents from their homes. Another major exhibit effort was "Tourmaline and the Rich Legacy of Mining at Mt. Mica," featuring important specimens on loan to the museum and exhibited publicly for the first time. Additions were made to "At Home in Maine;" "To the Highest Standard" received new flags; "Cabinet of Curiosities" received two dramatic bear mounts. Small temporary exhibits spotlighted the Girl Scouts, portraits by E. E. Finch, the Paul Fournier collection, and new acquisitions.

OUTREACH: 29,026 people visited the museum's website, which represents a 12% increase over the previous year. These visitors made 171,545 page views, an increase of 13% over FY11. Over 350 artifacts and specimens, including the exhibition "Rugs All Marked Out," were lent to other educational institutions. Museum staff members responded to requests for information and assistance via telephone, website, scheduled researchers, and drop-in visitors. Staff members spoke at state, regional, and national conferences and workshops, and also served on professional boards and committees.

LICENSES:

Any person, agency or institution desiring to excavate an archaeological site on state-controlled land (including submerged lands beneath the ocean up to three miles off shore, beneath navigable rivers, lakes, and great ponds) shall submit a written application for a permit to the Maine State Museum (approval will also include the Maine Historic Preservation Commission and the agency controlling the property).

Any person, agency or institution desiring to use the image, design, or dimensions of any object in the museum's collection for any purpose shall submit a written application to the museum director.

PUBLICATIONS:

Web Address: WWW.MAINESTATEMUSEUM.ORG
The museum's chief scientist published one peer-reviewed paper in the scientific journal "Journal of Paleontology."

The year saw one new book-length publication, EVERYDAY LIVES: AN INTERIM REPORT ON ARCHAEOLOGICAL AND ENVIRONMENTAL INVESTIGATIONS OF MALAGA ISLAND, PHIPPSBURG, MAINE by Nathan D. Hamilton and Robert M. Sanford, published by the University of Southern Maine and Maine State Museum.

Other publications authored by museum staff include:

UNCOMMON THREADS: WABANAKI TEXTILES, CLOTHING, AND COSTUME by Bruce J. Bourque and Laureen A. LaBar, published in 2009 by the Maine State Museum in association with University of Washington Press

TWELVE THOUSAND YEARS: AMERICAN INDIANS IN MAINE by Bruce J. Bourque, published in 2001 by the University of Nebraska Press

M.R.S.A., Sect.: 000008111

PURPOSE:  
The Northern New England Passenger Rail Authority (NNEPRA) was created in 1995 by the Maine State Legislature as a result of a citizens’ initiative to re-establish and support the provision of regularly scheduled passenger rail service to and within Maine. The authority is directed to take actions to support passenger rail service, including the acquisition, holding, use, operation, repair, construction, reconstruction, rehabilitation, modernization, rebuilding, relocation, maintenance, and disposition of railroad lines, railway facilities, rolling stock, machinery and equipment, trackage rights, and real and personal property of any kind. In addition, NNEPRA manages the Amtrak contract, host railroad agreements, insurance liability, and marketing, and coordinates station operations.

ORGANIZATION:  
NNEPRA consists of a board of seven directors. The seven directors are the Commissioner of Transportation, who is a director ex officio; the Commissioner of Economic, and Community Development, who also is a director ex officio; and five directors, who are members of the public, appointed by the Governor and confirmed by the Legislature. Members serve for five-year staggered terms. The Governor shall name one of the appointed members as chair of NNEPRA

PROGRAM:  
Pursuant to its mandate, NNEPRA is currently providing intercity passenger rail service between Portland and Boston’s North Station, and expanded service from Portland north to Brunswick is scheduled to begin in November 2012

Reference: Policy Area: 07 Umbrella: 94 Unit: 401 Citation: T0035A M.R.S.A., Sect.: 000002904

PURPOSE:
The Maine Public Utility Financing Bank was established to foster and promote by all reasonable means the provision of adequate markets and the lowest possible costs for borrowing money by public utilities.

All expenses incurred in carrying out this purpose shall be payable solely from revenues or funds available to the bank. The Bank cannot incur any indebtedness or liability on behalf or payable by the State.

ORGANIZATION:
The Board of Commissioners shall elect one of its members as chairman and one as vice-chairman. The Executive Director of the Maine Municipal Bond Bank shall serve as the Executive Director of the Maine Public Utilities Financing Bank and is responsible for the day-to-day activities of the Bank. The Executive Director
INDEPENDENT AGENCIES - OTHER

also serves as both the secretary and treasurer of the Bank.

PROGRAM:
In April of 1991, the Maine Public Utility Financing Bank issued $10,000,000 on behalf of the Maine Public Service Company (subsequently purchased by Maine and Maritimes Corporation) to finance their capital projects. This issue was rated Aaa by Moody's Investors' Service, Inc. In June of 1996, the Maine Public Utility Financing Bank issued $15,000,000 on behalf of the Maine Public Service Company to finance certain capital projects and to refinance its 1991 issuance. This issue was rated A+/A-1 by Standard and Poors.

In October of 2000, the Maine Public Utility Financing Bank issued $9,000,000 on behalf of Maine Public Service Company to finance various capital improvements. This issue was rated AA-/A1 by Standard and Poors.

The Bank does not receive an appropriation from the State of Maine. It derives its revenue from loan servicing fees charged to participating eligible borrowers using its financing capabilities.

MAINE PUBLIC EMPLOYEES RETIREMENT SYSTEM
SANDRA J. MATHESON, EXECUTIVE DIRECTOR

Central Office: 96 SEWALL STREET, AUGUSTA, ME 04330
Mail Address: 46 STATE HOUSE STATION, AUGUSTA, ME 04333-0046 Fax: (207) 512-3101
Established: 1942 Telephone: (207) 512-3100
Reference: Policy Area: 00 Unit: 411 Citation: T0005 M.R.S.A., Sect.: 00017101

PURPOSE:
The Maine Public Employees Retirement System (MainePERS) administers retirement programs that cover 1) State employees, 2) all of the State's public school teachers and administrators, 3) the State's judges, 4) the State's legislators, and 5) employees of the various political subdivisions that choose to participate in the MainePERS as Participating Local Districts (PLDs). The retirement program for the PLDs include the PLD Consolidated Plan, which was fully implemented as of July 1, 1996, and covers 280 PLDs, and the 13 separate plans for the remaining non-consolidated PLDs that continue to function as districts for their remaining employee-members and retirees. The MainePERS is also responsible for the payment of benefits from the Governor’s Retirement Fund, and payment of retirement benefits to judges who retired prior to establishment of the Judicial Retirement Program (formerly the Maine Judicial Retirement System) in 1984.

In addition to administering these public retirement programs, the MainePERS is responsible for administering the Group Life Insurance Program. This program provides life insurance benefits for both active and retired State employees and public school teachers, for employees of PLDs that elect to offer this coverage to their employees, and for members and retirees of the Legislative and Judicial Retirement Programs.

The system also administers the MaineSTART defined contribution retirement plans that are established under sections 401(a), 403(b), and 457(b) of the Internal Revenue Code. These plans are presently available to employees of those employers in the PLD Consolidated Plan that have adopted one or more of the plans. As of June 30, 2012, there are 8 employers participating in the 401(a) plan with 82 participants, 48 employers participating in the 457(b) plan with 461 participants, and 1 employer participating in the 403(b) plan with 274 participants.
INDEPENDENT AGENCIES - OTHER

ORGANIZATION:
The responsibility for the operation of MainePERS is held by the system's Board of Trustees, which is comprised of eight members. State law specifies the Board's composition. The State Treasurer is an ex-officio member of the Board. The seven other trustee seats include three that are to be filled by Retirement System members. One of these is to be a teacher member elected by the Maine Education Association; the second is to be a State employee elected by the Maine State Employees' Association; the third is to be a PLD member appointed by the Maine Municipal Association. The remaining four trustee seats are held by persons appointed by the Governor. Two of them are to have training or experience in investments, accounting, banking, or insurance, or as actuaries; one is to be chosen from nominees submitted by the Maine Education Association - Retired; and one is to be a MainePERS retiree, chosen from nominees of State and/or PLD retirees.

The Board contracts with qualified professional actuaries for the actuarial services necessary for its oversight of plan funding and the discharge of those of its other responsibilities that involve actuarial information and analysis. The Board's management of MainePERS investments is embodied in its investment policy. The policy states the Board's underlying investment objectives, sets out the investment strategies intended to realize the objectives, and establishes guidelines and criteria for implementation of the strategies. The Board employs an investment consultant to assist in development and implementation of investment policy.

The Board is the final administrative decision-maker in matters involving the rights, credits, and benefits of members. It has established an administrative appeals process for the making of such decisions; in this process the relevant factual information and legal requirements are identified and analyzed by the Hearing Officers who serve under contract. In decisions on disability retirement appeals, statutorily established Medical Boards and individual medical advisors provide recommendations as to the medical aspects of disability. The Board's final administrative decisions are appealable to Superior Court.

The Board of Trustees appoints the Executive Director of the MainePERS, who is responsible for the work of the system's staff. The staff is organized into the Office of the Executive Director and the Departments of Service Programs, and Administration.

PROGRAM:
Covered members of the MainePERS include both active and inactive members. Active members are those who are currently working for a MainePERS participating employer and who are, therefore, contributing to MainePERS. As of June 30, 2012, there are approximately 50,109 active members in MainePERS. Inactive members are those who have contributed in the past and whose contributions remain with the system but who are not contributing presently because they are not working for a MainePERS participating employer. As of June 30, 2012, there are approximately 50,443 inactive members in MainePERS.

The MainePERS benefits payroll comprises benefits paid to service retirees, beneficiaries of service retirees, disability retirees and survivors of members who become deceased prior to retirement. At June 30, 2012, a total of 38,408 people were receiving benefits. The total monthly benefits payroll paid for the month of June 30, 2012 was $61,214,348. While this number fluctuates month to month, as does the number of benefit recipients, fluctuations are relatively small. Thus, the June 30 numbers can be viewed as an approximate monthly average for fiscal year 2012.

Those looking for more details concerning the membership, finances, or benefits of MainePERS are invited to contact the system for information.

SACO RIVER CORRIDOR COMMISSION
DENNIS FINN, EXECUTIVE DIRECTOR

Central Office: 81 MAPLE STREET, CORNISH, ME 04020
Mail Address: P.O. BOX 283, CORNISH, ME 04020
Established: 1973
Reference: Policy Area: 04 Umbrella: 94 Unit: 412 Citation: T0038 M.R.S.A., Sect.: 000000954

PURPOSE:
The purpose of the Saco River Corridor Commission is best described by the legislation which created both the Commission and the Saco River Corridor Act. The Act states that "In view of the dangers of intensive and poorly planned development, it is the purpose of this Act to preserve existing water quality, prevent the diminution of water supplies, to control erosion, to protect fish and wildlife populations, to prevent undue extremes of floods and drought, to limit the loss of life and damage to property from periodic floods; to preserve the scenic, rural and unspoiled character of the lands adjacent to these rivers; to prevent obstructions to navigation; to prevent overcrowding; to avoid the mixture of incompatible uses; to protect those areas of exceptional scenic, historic, archaeological, scientific and educational importance; and to protect the public health, safety and general welfare by establishing the Saco River Corridor and by regulating the use of the land and water within this area." The Saco River is functionally comparable to a drinking water reservoir which requires the additional oversight and protection.

The Corridor area, totaling approximately 300 miles of river front, includes the Saco River from Saco Bay to the New Hampshire border, the Ossipee River from its confluence with the Saco River to the New Hampshire border, and the Little Ossipee River from its confluence with the Saco River to the New Hampshire border at Balch Pond.

The Saco River Corridor Commission administers regulations developed for the region because the water in our rivers functions as a drinking water reservoir for Biddeford, Saco and five adjacent communities. It is a function of this Commission to review applications for permits and variances filed under provisions of this Act and to ensure the continuing land and water quality of the Saco River Corridor.

ORGANIZATION:
The Saco River Corridor Commission is a single-unit agency consisting of one regular and one alternate member from each of the twenty municipalities in the
three counties whose jurisdiction includes lands or bodies of water encompassed by the Saco River Corridor. These forty members are appointed for a staggered three year term to serve on the Commission by the various elected officials within the municipalities with lands in the Corridor. The Commission members are the decision making body of the organization, while the staff, presently consisting of an Executive Director, an Administrative Assistant, an Environmental Compliance Evaluator, Water Quality Program Coordinator and 60 Volunteers provides support services to the Commission, to applicants, and to various municipal officials concerned with the Saco River Corridor Act, with the river, or with other state-related matters.

PROGRAM:
The Commission applies land use planning standards to make sure that growth in the Corridor does not diminish water quality. With available resources, the Commission staff provides assistance to applicants, abutters, code enforcement officers and municipal officials. During this fiscal year, the Commission conducted 1 public hearing and 11 regular meetings. Members considered a total of 97 applications for permits and amendments to permits previously granted within the Corridor. Commission staff traveled 14,870 miles in performing site inspections, compliance checks and enforcement of land use law.

The development proposals reviewed by the Commission continue to reflect a diversity of uses for the river and its adjacent lands, and the Commission's discussions and decisions regarding various applications are, in part, a reflection of a major purpose of the Saco River Corridor Act: the assurance that diversity of use is balanced by the avoidance of the mixture of incompatible uses.

The Commission continues to coordinate any enforcement efforts with the Office of the Attorney General and/or the Department of Environmental Protection. Although it is regulatory, it also continues its historic role as an advocate for the river and its surrounding environment. To this end, the Commission utilizes 35 volunteers annually to coordinate a water quality monitoring program at 35 separate sites. In total, over 2,800 individual samples are taken and analyzed by staff and through a certified laboratory. In addition, Commission staff regularly coordinates program elements with area schools to assist teachers with water quality curriculum.

LICENSES:
Permits:
Construction of buildings and structures - within the statutorily defined corridor along the length of three major rivers.

MAINE TECHNOLOGY INSTITUTE

ROBERT MARTIN, DIRECTOR

Central Office: 8 VENTURE AVENUE, BRUNSWICK, ME 04011
Mail Address: 8 VENTURE AVENUE, BRUNSWICK, ME 04011
Established: 1999
Telephone: (207) 582-4772
FAX: (207) 582-4790
Reference: Policy Area: 01 Utility: 611 Citation: T0005 M.R.S.A., Sect.: 00015302

PURPOSE:
The Maine Technology Institute (MTI) was established to encourage, promote, stimulate and support research and development activity leading to the commercialization of new products and services in the State's
technology-intensive industrial sectors, to enhance the competitive position of those sectors and increase the likelihood that one or more of the sectors will support clusters of industrial activity and to create new jobs for Maine people. The MTI is one element of the State's economic development strategy and contributes to the long-term development of a statewide research, development and product deployment infrastructure.

ORGANIZATION:
MTI is organized as a nonprofit corporation, consistent with the provisions of the federal Internal Revenue Code. By-laws were drafted and corporation documents filed in September of 1999. A Board of Directors consistent of thirteen voting members and two non-voting members governs MTI. The Governor appoints ten directors, eight represent the targeted technologies and two have demonstrated finance, lending or venture capital experience. The Commissioner of Economic and Community Development, The Chancellor of the University of Maine System and the President of the Maine Community College System or their designees are ex officio members. One ex officio non-voting member is the Director of the State Planning Office. The MTI Director is a non-voting director. Seven subsidiary boards, each representing a targeted technology sector, were formed and function to advise and support the MTI Board.

MTI operates from one office located in Brunswick. Its staff is composed of one full-time and one part-time program manager, three program specialists, two program assistants, a finance and administration manager and an office manager. The Director is employed by the Maine Department of Economic and Community Development.

PROGRAM:
MTI pursues its mission by making direct investments in promising technologies, providing targeted commercialization assistance to Maine companies and strengthening Maine’s technology clusters. All MTI programs require at least a 1:1 matching contribution from the award recipient. Awards are made based on scientific or technical merit, commercial feasibility and potential for economic impact to the State. MTI offers several awards programs:

TechStart Grants; awarded up to twelve times per year, are competitive grants of up to $5,000 per project, to support business plan development, intellectual property filings, market analysis, or planning and preparation activities related to the submission of Federal SBIR/STTR Phase I grants or Federal Broad Agency Announcement for technology development. In FY2012, MTI received 81 TechStart Grant applications and approved 28 awards, representing $126,000 (matched by $161,000).

Seed Grants; awarded three times per year, are competitive grants of up to $25,000 per project, to support very early activities for product development, commercialization, or business planning and development. In FY2012, MTI received 104 Seed Grant applications and approved 53 awards, representing $939,000 (matched by $3.5 million).

Business Accelerator Grants are available to companies that have won Federal SBIR Phase I and Phase II grants or start-up or early stage companies that win Development Loans. The grants support commercialization and business development or capacity activities to establish or increase the scope and sustainability of the business enterprise. In FY2012, MTI received 4 Business Accelerator Grant applications and approved 3 awards for $95,000 (matched by $1.2 million). Development Loans (formerly Development Awards) are competitive awards of up to $500,000 per project and are awarded three times per year. In FY2012, MTI received 18 development award applications and funded 5 awards for $1.5 million (matched by $3.6 million).

The Equity Capital Fund (formerly the Accelerated Commercialization Fund) provides investment capital to companies that have received Development Awards or Loans to help them leverage venture and individual capital. In FY2012, MTI made 3 investments totaling $170,000 (matched by $890,000), on the same terms as lead venture capital funds and individual investors.

Cluster Initiative Program awards are competitive grants that aim to boost the strength and scale of Maine’s high-potential technology intensive clusters. Clusters are concentrations of companies and other organizations that serve similar customers or business interests and draw on similar knowledge and workforce skills in the development of innovative products and services. The program offers planning/feasibility awards of up to $50,000 and implementation awards of up to $500,000. In FY2012, MTI received 15 applications and approved
MTI administers the Maine Technology Asset Fund, a highly competitive bond-funded program that provides awards for facilities construction and renovation as well as equipment purchases that advance technologies along the research, development, and commercialization pathway and positions Maine companies, university centers and nonprofit research institutions to secure private and public non-state investment. As of FY2011, the program was fully awarded.

PURPOSE:
The Wells National Estuarine Research Reserve was established in 1986 pursuant to Section 315 of the Federal Coastal Zone Management Act of 1972, as amended. The objective of the Act is protection and management of estuarine resources. Wells Reserve addresses this mission through environmental education, research, and natural resource stewardship programs. The Wells National Estuarine Research Reserve Management Authority was established in 1990 by Private and Special Law 1989 chapter 108. As an instrumentality of the State, the Authority supports and promotes the interests of Wells Reserve through managing and sustaining the coastal lands and other resources within the reserve; furthering coordination and cooperation among state agencies, the Town of Wells and the U.S. Fish and Wildlife Service, and the Laudholm Trust; developing and implementing programs for research, education, and stewardship; and providing public access.

ORGANIZATION:
The Wells National Estuarine Research Reserve Management Authority was established by the State Legislature in 1990. The Authority is governed by a Board of Directors composed of the Commissioner of Conservation, or the Commissioner's designee; the Regional Director of Region 5 of the United States Fish and Wildlife Service or the director's designee; a representative of the town of Wells, as designated by the town's board of selectmen; a representative of the Laudholm Trust, as designated by the Board of Trustees; and a public member with an established reputation in the field of marine or estuarine research, appointed by the Governor for a term of 3 years. In addition, the following members are ex-officio nonvoting members: The Director of the State Planning Office or the director's designee and the Director of the Office of Ocean and Coastal Resource Management, National Oceanic and Atmospheric Administration or the director's designee.

A Reserve Director serves as chief executive to the Authority. He supervises staff with program responsibility in the areas of research, education, natural resource stewardship and facility management.

Core program funding is provided by the Estuarine Reserves Division/Office of Ocean and Coastal Resource Management/National Ocean Service/National Oceanic and Atmospheric Administration. Laudholm Trust, a non-profit organization with 2,300 members, provides most of the match funds for this federal grant.

PROGRAM:

OPERATIONS and MANAGEMENT

Headquarters and visitor center are located at the historic Laudholm Farm. The Reserve is open 365 days a year, Seven miles of interpretive trails are open daily, from 7 a.m. to sunset. The Reserve has a visitor center with exhibits, a
Another feature of the Reserve is the Maine Coastal Ecology Center, a 6,000 square-foot building that houses a research lab, interpretive exhibits, a GIS lab, and offices. Annual visitation is approximately 45,000. The Reserve also has the Alheim Commons, a campus consisting of two buildings that provides housing to visiting coastal scientists, educators, and resource managers.

**COASTAL TRAINING PROGRAM (CTP)**
The Reserve Coastal Training Program provides vital science-based information and technology to decision makers whose work impacts the coastal environment. CTP also sponsors workshops and conferences on coastal resource topics.

**RESEARCH and MONITORING**
Estuaries and salt marshes, where fresh and salt water meet, are critical in protecting marine resources from pollution that filters toward the ocean. Estuaries are vital links to the Gulf of Maine, and support one of the most important fisheries in the world. Our field and laboratory research, aided by volunteers, town/state officials, students and visiting investigators, support such projects as: Estuarine Fish Distribution—quantify value of marsh dominated estuaries and watersheds for the survival, growth/reproduction of Gulf fishes; Estuarine Water Quality—long term monitoring of water quality to detect improvements/decline in water resources as result of land use and human activities; Salt Marsh Restoration—identify/measure damaging effects of tidal restriction.

**EDUCATION**
The educational programs of the Wells Reserve are designed to inform the public and coastal management decision-makers about the significance of coastal environments and watersheds. The Education Program has a popular spring and fall guided program for school groups called Exploring Estuaries. The Reserve has several summer programs for children. The Junior Researcher Day Camp allows children ages 9-11 to assist scientists with ongoing research and to learn about the varied habitats of the Reserve. The Reserve also offers one-day exploration sessions introducing children ages 6 to 11 to science and nature. The Education Program also offers the following: guided walks, events, and lectures; internships and field studies for high school and college students; exhibits and self-guided interpretive tours.

**NATURAL RESOURCE STEWARDSHIP**
The Reserve conserves and manages wildlife habitats and maintains trails for the public, and cooperates on management activities with Rachel Carson National Wildlife Refuge. The Reserve encompasses 2,250 acres of protected lands. Furthermore, the Reserve works with community groups and organizations on in southern Maine towns on coastal habitat restoration, watershed management, and land conservation.

Average Counts-All Positions: 13.000  Legislative Count: 13.00

PURPOSE:
Dirigo Health is established as an independent executive agency to arrange for
the provision of comprehensive, affordable health care coverage to eligible small
employers, including the self-employed, their employees and dependents, and
individuals on a voluntary basis. Dirigo Health is also responsible for
monitoring and improving the quality of health care in Maine through the Maine
Quality Forum.

Dirigo Health operates under the supervision of a Board of Trustees consisting of
nine voting members and four ex officio, nonvoting members.

ORGANIZATION:
Duties of the Dirigo Health Agency, as defined in PL 2003, Chapter 469, include
but are not limited to: establishing administrative and accounting procedures
for the operation of Dirigo Health in accordance with Title 5; collect the access
payments; determine the comprehensive services and benefits to be included in
Dirigo Health Insurance and develop the specifications for Dirigo Health
Insurance; develop and implement a program to publicize the existence of Dirigo
Health and establish and operate the Maine Quality Forum (MQF). The MQF’s
responsibilities include but are not limited to: research dissemination; quality
and performance measures; data coordination; reporting and consumer education.

PROGRAM:
In FY 11-12, the Dirigo Health Agency Board of Trustees met eight times to review
the financial status and activities of the agency. In addition, the Agency’s MQF
Advisory Council met four times in FY 11-12 to review the activities related to
health care quality and provide strategic direction to the Quality Forum.

At the close of FY 11-12, the DirigoChoice program has been in operation for 90,
and the parent expansion for 82 months. The total number of members served by
these two programs since inception through the end of FY 11-12 is 38,070. As of
June 2012 there were 8,368 DirigoChoice members and 6,827 parents enrolled
directly (through MaineCare) as part of the parent expansion.

The MQF continues to support initiatives that have a goal of improving health
care quality in the State of Maine. The MQF applied to CMS on behalf of the State
for participation in the Multi-Payer Advanced Primary Care Practice (MAPCP)
demonstration. Maine was one of eight states selected for participation in the
MAPCP which has the potential to bring in millions of new dollars for the primary
care practices participants in the demonstration. The MQF has launched a
statewide effort to promote, standardize, and measure patient experiences of care
through the CG-CAHPS survey instrument developed by the Agency for Healthcare
Research and Quality. The MQF continues to partner with the private sector on a
number of projects that are focused on improving healthcare quality and system
transformation.

DOWNEAST INSTITUTE FOR APPLIED MARINE RESEARCH AND EDUCATION

SHERRIE SPRANGERS,

Central Office: BLACK DUCK COVE, GREAT WASS IS, BEALS, ME 04611-0083
Mail Address: PO BOX 83, BEALS, ME 04611-0083
Established: 2003 Telephone: (207) 255-1205
Reference: Policy Area: 04 Umbrella: 95 Unit: 624 Citation: S2003 M.R.S.A., Sect.: CHAP 29

PURPOSE:
The Downeast Institute for Applied Marine Research and Education-- formerly known as the Beals Island Regional Shellfish Hatchery -- is a private non-profit organization whose purpose is to improve the quality of life for the people of downeast and coastal Maine through applied marine research, technology transfer, and public marine resource education.

ORGANIZATION:
The Institute is governed by a 12-member volunteer board of directors and staffed by a director of research, an assistant director of the marine field station, and a field and laboratory technician. Work-study students from the University of Maine at Machias assist at the Great Wass Island hatchery and running seawater laboratory during the summer months.

PROGRAM:
For the last 25 years, the Institute has been conducting successful research on soft-shell clams, scallops, and lobsters and passing on the results of that research to local shellfish committees and municipal officials. Current projects include: the production of seed clams to increase harvests on coastal flats; a fishermen designed project with University of Maine Sea Grant Extension to test the use of closed areas to enhance the wild scallop fishery; an effort, funded by the Department of Marine Resources, to determine how quickly lobsters age; a collaboration with the Maine Lobster Institute to test the potential of using tidal impoundments to rear lobster larvae for stock enhancement purposes; a project, funded by the Maine Technology Institute, to test the economic feasibility of farming hard clams in eastern Maine; EDA-funded soft-shell clam demonstration farms to counteract the economic effects of red tide; and an effort to enhance soft-shell clam settlement rates in the flats surrounding Stockton Harbor.

During the last year alone, the Institute has provided more than $60,000 in grant
payments to local fishermen and purchased just under $100,000 in goods and services from Washington County businesses.

In March of 2006, the Institute's board of directors used federal and state funds to purchase the Great Wass Island facility. A 2009 award of $1,017,450 from the Maine Technology Institute was used for facilities planning and development; the current construction of a 30-ft by 100-ft foot pier; and contributed to the construction of a 30-ft by 30-ft classroom facility. All the funds awarded in that grant were or will be paid to Maine businesses for the contracted work. In addition, the MTI grant was used to leverage a three-year, $600,000 Partnerships for Innovation grant from the National Science Foundation for construction of the classroom and development of a K-12 inquiry-based marine science education program for coastal Washington County schools.

The deep-water site will greatly expand research opportunities, provide space for a business incubator for local fishermen, and allow the Institute to better serve as the marine field station for the University of Maine at Machias and Maine's only marine research facility specifically devoted to shellfish.

The $13,024 allocation by the Maine legislature provided the matching funds and demonstration of state support that allowed the Institute to attract more than $2 million in state and federal grants from 2003 through 2010. The Institute's annual operating budget is just under $200,000.

MAINE HUMANITIES COUNCIL
ERIK C. JORGENSEN, EXECUTIVE DIRECTOR
ANNE SCHLITT, ASSISTANT DIRECTOR

Central Office: 674 BRIGHTON AVENUE, PORTLAND, ME 04102
Mail Address: 674 BRIGHTON AVENUE, PORTLAND, ME 04102
Established: 2001
Telephone: (207) 773-5051
Fax: (207) 773-2416
Reference: Policy Area: 03  Umbrella: 95  Unit: 621  Citation: P2001 M.R.S.A., Sect.: 00439D

PURPOSE:
Maine Humanities Council is an independent state-wide educational nonprofit organization committed to helping Maine people of all ages and educational levels deepen their understanding of themselves, their communities and the world. The Council’s programs, events, grants, and online resources encourage critical thinking and conversation across social, economic, and cultural boundaries. Primary audiences include teachers (pre-k to 12), low literacy adults, health care providers and public library patrons.

At present the Council’s only Part I funding from the Maine State Government is for the New Century Program. 100% of this appropriation is returned to Maine communities as grants for historical, civic, and educational activities in museums, historical societies, libraries and other community organizations.

ORGANIZATION:
Maine Humanities Council was founded in 1976 as a private nonprofit affiliate of the National Endowment for the Humanities (NEH) and is overseen by a board of trustees drawn from around the state. The budget is approximately $1.4 million (Source: Audited Statements for FY 2010 less in-kind contributions) derived from
federal funding from the National Endowment for the Humanities, US Department of Education, as well as individuals, private foundations, and earned revenue.

The Harriet P. Henry Center for the Book is the programming arm of the Council. This designation was awarded to the Council by the Library of Congress. Projects such as the Council's annual, "Letters About Literature" contest are undertaken in cooperation with the Library of Congress' Center for the Book.

PROGRAM:
The Council reaches a wide range of audiences through book discussions, lecture programs, symposiums and other activities.

Born to Read is a professional development program for early childhood educators in Maine. Coordinated with Maine's childcare professional development standards, the program promotes the importance of reading aloud to babies and young children, providing training, books, and support to childcare providers.

Teaching American History is a multi-year program for teachers, currently focused on school districts in Oxford County and the western hills. Funded by a grant from The United States Department of Education, participants work with Maine scholars to introduce them to primary source research techniques and important figures in Maine and US history.

"Let's Talk About It", a free, facilitated book discussion program for adults, has been hosted by local libraries in more than 130 Maine communities. This program is undertaken in conjunction with the Maine State Library.

Public programs allow participants to deepen their awareness of current and historical topics in Maine and around the world. These vary and have included topics as diverse as the Middle East, India and Pakistan, and the life and legacy of Margaret Chase Smith. These programs provide continuing education credits to teachers.

New Books, New Readers is a free, facilitated book discussion program for low literacy and ELL adults offered through adult education programs around the state. This program, which serves approximately 500 Mainers each year in towns and prisons, provides books to participants to encourage making reading an integral part of life.

Literature & Medicine bring doctors, nurses, hospital trustees, and support staff together for facilitated discussions of literature that illuminates issues central to caring for people. This program has taken place in 25 hospitals in Maine since 1997. In 2008, the Council launched a three-year program with caregivers at Veterans Administration hospitals in Maine and thirteen other states. Started by the Council in Bangor, the Literature and Medicine program has now expanded to more than 25 states.

Humanities Grants: New Century Program humanities grants (from $500 to $5,000) support community organizations in developing and presenting local public humanities programs. Since 1976, the Maine Humanities Council has awarded more than $4.9 million in grants for public projects that have deepened public understanding of history and culture in communities across Maine. Since 1999, these grants have been funded by the state legislature through the New Century Community Program. Additional funding for cultural infrastructure grants (equipment and permanent improvements) has been available for the last few years through a state bond.

History Camp: a summer day camp for middle and high school students interested in US and Maine history.

PUBLICATIONS:
The Maine Humanities Council publishes a free newsletter, Maine Humanities twice per year (Circulation 9,000) and a monthly e-newsletter.

Purpose:
The Maine Commission on Indigent Legal Services is responsible for providing efficient, high-quality representation to Maine citizens who are entitled to counsel at state expense under the United States Constitution or under the Constitution or statutes of Maine.

Organization:
The Maine Commission on Indigent Legal Services was established through Chapter 419 of the Public Laws of 2009, effective June 17, 2009. The Commission assumed the responsibility for providing indigent legal services from the Judicial Branch on July 1, 2010.

Program:
The Commission uses assigned private attorneys and contract counsel to provide representation to criminal defendants, juvenile defendants, parents in child protective cases, and people facing involuntary commitment to a psychiatric hospital who are indigent. The Commission is responsible for establishing minimum experience, training and other qualifications for assigned counsel and contract counsel; establishing standards for the delivery of indigent legal services; providing training and support to assigned and contract counsel; and processing and authorizing payment of assigned counsel vouchers and other indigent case related expenses.

PURPOSE:
The purpose of the Centers for Innovation is to generate sustainable employment and increase commercial productivity in Maine's aquaculture industrial sectors.

ORGANIZATION:
The State of Maine supports an aquaculture innovation center.

PROGRAM:
The Maine Aquaculture Innovation Center (MAIC) sponsors and facilitates innovative research and development projects involving food, pharmaceuticals and other products from sustainable aquatic systems. MAIC invests in the enhancement of aquaculture capacity in Maine, serves as a clearinghouse of educational information, and encourages strategic alliances that promote research, technology transfer, and research commercialization. MAIC manages the Aquaculture Applied Technology Development Center, facilitated by the Department of Economic and Community Development. The goal of the center is to accelerate the early stage development of aquaculture and marine science technology based companies through continual and focused business assistance, information exchange, technical relationships, shared services and reduced overhead. Contact the Aquaculture Center as listed above.

PURPOSE:
The Small Enterprise Growth Fund ("SEGF" or "Fund") is the State's venture capital fund. It is a competitive venture capital fund, which means that many business plans are reviewed, but the fund only invests in a few companies, those that stand out as providing the combination of best expected return on investment and those providing the greatest positive impact on the State.

The SEGF is an "evergreen" fund, meaning as money is returned to the Fund through return on its investments, it is invested in other small Maine companies with the potential for "high growth and public benefit".

ORGANIZATION:
An 11-member Board of Directors, the Small Enterprise Growth Board ("SEGB"), all appointed by the Governor through the gubernatorial application process, oversee

Central Office: 125 COMMUNITY DRIVE, SUITE 101, AUGUSTA, ME 04330
Mail Address: ,
Established: 2010
Reference: Policy Area: 05 Umbrella: 95 Unit: 659 Citation: T00022 M.R.S.A., Sect.: 00001066-3

PURPOSE:
In 2009, the Maine Vaccine Board was established by the 2nd Regular Session of the 124th Maine Legislature in accordance with Public Law, Chapter 595. The board was given the authority and an outline of a mechanism to fund the purchasing of lifesaving childhood vaccines as established by rule and in accordance with the Universal Childhood Immunization Program each year. The Board is charged with (i) determining the costs of purchasing and administering the vaccines and (ii) selecting vaccines available without charge to Maine healthcare providers for the benefit of Maine children, and (iii) assessing the costs equitably among payers for childhood vaccines provided to Maine residents. The board began raising funds for the State of Maine in August of 2011 and started funding state vaccine purchases in January 2012. Through November 12, 2012, the board had supplied over $8 million to the state for the purchase of childhood vaccines.

ORGANIZATION:
The board consists of 10 members; 3 representative of health insurance carriers, 3 representatives of providers in the State as nominated by statewide associations of providers; a representative of employers that self-insure for health coverage; a representative of the pharmaceutical manufacturing industry; and 2 non-voting ex officio members, the Commissioner of the Department of Health and Human Services (or the commissioner's designee) and the State Treasurer (or the treasurer's designee). The board met 10 times in fiscal year 2011-12.

PURPOSE:
The Commission's main focus is to provide for better utilization of the fisheries - marine and anadromous - through an interstate compact of the 15 Atlantic coastal states.

Although the states determine all policy in their respective jurisdictions, the Commission provides a forum for discussion and resolution of common problems and assists the states in developing joint programs. In addition, the Commission participates in the Interstate Fisheries Management Program, whose goal is uniform management and protection of the nation's fisheries resources and viable commercial and recreational fishing industries.

ORGANIZATION:
The Atlantic States Marine Fisheries Commission (ASMFC) was established by a compact entered into by the various Atlantic coastal states beginning in 1941. The Congressional Consent Act was signed by the President on May 5, 1942, and the Commission met and organized in New York on June 5, 1942.

The participating states are Maine, New Hampshire, Massachusetts, Rhode Island, Connecticut, New York, New Jersey, Pennsylvania, Delaware, Maryland, Virginia, North Carolina, South Carolina, Georgia, and Florida. Each is represented by a member of the administrative agency in charge of marine fisheries, a Legislative member appointed by the Presiding Officers of the Legislature, and a person appointed by the Governor. Maine's three Commission members are the Commissioner of the Department of Marine Resources, a member from the Legislature, and a member from industry. The Commission is supported by appropriations from the member states based on the value of their respective commercial and recreational catches.

ASMFC operates through boards and committees comprised of groups of states. The National Marine Fisheries Service (NMFS) of the Department of Commerce is designated as the primary research agency of the Commission, cooperating with the research agencies of each state and the U.S. Fish and Wildlife Service for that purpose.

PROGRAM:
To keep abreast of the major activities in Congress, the headquarters for the NMFS and fisheries organizations in Washington, D.C., close liaison is maintained with Congressional Committees and other important organizations. Through its executive office, ASMFC maintains active liaison with all Washington-based fisheries organizations of professional or industry status, including the American Fisheries Society, the International Association of Fish and Wildlife Agencies, the American Sportfishing Association, the National Fisheries Institute, the Shellfish Institute of North America, the National Fish Meal and Oil Association, the Fisheries Products Division of the National Food Processors Association, as well as other resource, environmental, conservation and user groups.

Contract funds from NMFS and USWFS, as well as Congressional appropriations, are used to reimburse travel expenses for state biologists, law enforcement, managers, and administrators who participate in the various committees that have been established to develop regional management programs for interstate Atlantic coast species. Lobster, shrimp, striped bass, bluefish, Atlantic sturgeon, Atlantic sea herring, winter flounder, American shad and river herring programs are of special concern to Maine. The northern shrimp fishery in the Gulf of Maine continues to be managed by the commission through its Amendment One Authority.

The Commission has continued its cooperative agreement with the NMFS to
INDEPENDENT AGENCIES - INTERSTATE COMPACT

administer the Interjurisdictional Fisheries Management Program. This "Interstate Fisheries Management Program" includes state/federal projects involving Northern Shrimp, Shad, and River Herring, Sciaenid, American Lobster, Atlantic Menhaden, Striped Bass, Atlantic Sturgeon, Bluefish, Summer Flounder, Cooperative Statistics Program, and related activities such as interstate shellfish transportation and fish/shellfish disease control. The major focus of the Commission's interstate program has expanded to implement P.L. 103-206, the Atlantic Coastal Fisheries Cooperative Management Act. The act establishes affirmative obligations on the states to implement the Commission's Fishery Management Plans or be subject to a federal moratorium on all fishing for the species at issue within the offending state until that state achieves compliance with the plan.

NORTHEASTERN INTERSTATE FOREST FIRE PROTECTION COMMISSION

DOUG DENICO, DIRECTOR, FORESTRY

Central Office: HARLOW BLDG, 18 ELKINS LANE, AUGUSTA, ME 04330  
Mail Address: 22 STATE HOUSE STATION, AUGUSTA, ME 04333-0022  
FAX: (207) 287-8422  
Telephone: (207) 287-2791

Reference: Policy Area: 04  
Umbrella: 98  
Unit: 327  
Citation: S1949  
M.R.S.A., Sect.: 000000075

PURPOSE:
The Northeastern Interstate Forest Fire Protection Commission was established to promote effective prevention and control of forest fires in the Northeastern Region of the United States and adjacent areas in Canada. The primary functions of the Commission are to provide mutual aid; to coordinate forest fire protection plans; to consult and advise on prevention and control of forest fires; to provide centralized training in uniform forest fire protection methods; and to request research assistance from the U.S. Forest Service.

ORGANIZATION:
The Northeastern Interstate Forest Fire Protection Commission was established under the Northeastern Interstate Forest Fire Protection Compact of which the State of Maine became a contracting state in 1949. Maine's representation on the Commission consists of three members, including, ex officio, the Director of the Bureau of Forestry or designee; a legislator appointed by the Governor and a citizen appointed by the Governor for a term of three years.

PROGRAM:
The activities of the Northeastern Interstate Forest Fire Protection Commission are designed to further promote the effectiveness of Forest Fire Protection in each of the member states and provinces within the Compact.

FINANCES, FISCAL YEAR 2012: The Bureau of the Budget does not maintain comprehensive fiscal data relative to this unit.
PURPOSE:
The Commission was established by the State of Maine and the Province of New Brunswick to coordinate the transboundary management of natural resources, recreation and development along the 110-mile international St. Croix River corridor. A plan defining the goals of this initiative was adopted by Maine and New Brunswick in 1994. The corridor includes two of the State's largest lakes, a 30-mile Outstanding River segment, twelve communities and the site of the first French settlement in North America.

ORGANIZATION:
The Commission is an independent, international body with eight members, four appointed by the State of Maine and four by the Province of New Brunswick. State and provincial Liaisons and federal Observers also serve on the Commission. The Commission operates with a part-time staff that is supplemented as warranted by contract personnel. The majority of its delivery of the waterway management plan is funded by solicited grants and contracts.

PROGRAM:
Each year, the Commission carries out activities under all of the themes of the St. Croix's international management plan. Of particular note in fiscal year 2012 were:

ENVIRONMENT:
This summer the Commission has continued its ongoing baseline water quality sampling in 20 lakes in the St. Croix Watershed on both sides of the border. The water quality data is entered into our ongoing database from 1992, and a final report is to be published later this year.

CONSERVATION and RECREATION
The Commission now maintains 70 St. Croix backcountry facilities for Maine and New Brunswick, with recent upgrades and additions due to increased international border enforcement. It continues to issue a waterproof recreation map for the St. Croix boundary water region. The Commission continues to promote sustainable use of the waterway, stewardship and conservation of its adjacent lands and its waters.

HERITAGE
The Commission contributed to initial planning for area events to mark the bicentennial of the War of 1812, in 2012-2014. A 20 year review of the St. Croix International Waterway was completed as part of its Canadian Heritage River status. This report primarily focused on activities on the New Brunswick side of the River, however it also included many Maine activities that had a direct impact on the whole system.

ECONOMIC DEVELOPMENT
The Commission attended the first public meeting with the GroWashington/Aroostook initiative, providing insight to the potential of the St. Croix watershed.

WATERWAY MANAGEMENT
The Commission continues to work with agencies, residents and users to try to minimize the impact of tighter border restrictions on the St. Croix's historic social and economic framework. It responded to more than 2000 technical and general inquiries and delivered presentations on a variety of St. Croix and international management topics. Further information is available on the Commission's website www.stcroix.org.

PUBLICATIONS:
INDEPENDENT AGENCIES - INTERSTATE COMPACT

The Commission has also produced a number of technical publications on St. Croix water quality, fisheries, recreation and development topics.

NEW ENGLAND INTERSTATE WATER POLLUTION CONTROL COMMISSION

LEEANN HANSON, TRAINING COORDINATOR

Central Office: 584 MAIN STREET, SOUTH PORTLAND, ME 04074
Mail Address: PO BOX 487, SCARBOROUGH, ME 04074
Established: 1947
Reference: Policy Area: 04  Umbrella: 98  Unit: 428  Citation: T0038  M.R.S.A., Sect.: 000000532
Fax: (207) 771-9028  Telephone: (207) 253-8020

PURPOSE:
The New England Interstate Water Pollution Control Commission has four broad functions: (1) coordination of interstate water pollution control efforts in the New England states and New York, (2) training of environmental professionals, (3) research, and (4) public education.

ORGANIZATION:
In 1947, the 80th U.S. Congress passed legislation allowing for the formation of interstate water pollution control agencies. The states of Connecticut, Rhode Island, and Massachusetts responded at once by forming the New England Interstate Water Pollution Control Commission (NEIWPCC). Shortly thereafter, Vermont, Maine, New Hampshire and New York (because of interstate waterways connecting it with the New England states) joined NEIWPCC by signing the Commission's new Compact.

PROGRAM:
The Commission's primary task is to coordinate the activities of its member states as they strive for water quality improvement. NEIWPCC encourages personal communication and information exchange while its professional staff provides a variety of services to member states.

Maine benefits directly from NEIWPCC's capabilities through the Commission's management of the Maine Joint Environmental Training Coordinating Committee (JETCC). Located in South Portland, JETCC was established in 1985 as part of the former New England Regional Wastewater Institute. JETCC was created to work in conjunction with the Maine Department of Environmental Protection and Maine Wastewater Control Association in offering training and recertification opportunities for Maine's wastewater treatment plant operators.

In addition to maintaining its original role as a vehicle for training, JETCC has evolved into a tool for collaboration between personnel in the water pollution control community and regulatory staff from a variety of state agencies facing environmental issues. As a result, JETCC not only assists with the delivery of

specific training and outreach programs but also furthers the goals of many state agencies with public education and training for a variety of environmental professionals as well as personnel in the field of water pollution control.

PURPOSE:
In 1945, the blueberry industry of the state requested the Legislature to establish an industry tax to generate dedicated revenue to be used for the purpose of research and extension programs relating to the production and marketing of blueberries. Over the years, this tax has been increased for the purpose of advertising and promoting the use of wild blueberries. The Wild Blueberry Commission has the responsibility for the allocation and administration of wild blueberry tax funds. Currently the tax is at the rate of 3/4 cent per pound from growers and 3/4 cent per pound from processors or shippers for a total of 1.5 cents per pound of wild blueberries produced or processed in the state.

ORGANIZATION:
Legislation passed in 1984 provided that the Wild Blueberry Commission of Maine consists of eight members appointed by the Commissioner of Agriculture, Food, and Rural Resources. The Commission elects a chair and vice chair person from among its members and employs an executive director to handle the administrative responsibilities of the wild blueberry tax programs.

The legislation also provides for a Wild Blueberry Advisory Committee. See University of Maine Wild Blueberry Advisory Committee.

PROGRAM:
Legislation passed in 1997 provides that wild blueberry tax revenue be allocated to promotion and advertising, research and extension educational programs, administration, and other activities related to the economic viability of the Maine wild blueberry industry. Most of the research and all of the extension activities are programmed through the Maine Agricultural Experiment Station and the Cooperative Extension at the University of Maine. The Experiment Station maintains a research farm known as Blueberry Hill in the town of Jonesboro. In recent years, and largely due to new technology generated through the Agricultural Experiment Station, the production of wild blueberries in Maine has increased from a 5-year average of 19 million pounds prior to 1981 to a 5-year average of 84 million pounds in 2011.

Market development and promotion activities are carried out primarily through the allocation of funds to The Wild Blueberry Association of North America (WBANA) promotion program. This organization conducts wild blueberry promotions for domestic markets and export markets. Special emphasis is given to the food service trade such as restaurants, bakeries, lunch programs, export markets and, more recently, consumer markets such as frozen retail sales.

Other activities funded by the Commission include exhibits at trade shows, fairs and participation at Eastern States Exposition in West Springfield, Massachusetts. Some activities are carried out in cooperation with the Department of Agriculture, Food, and Rural Resources.

PUBLICATIONS:
Bulletins and Newsletters published by the Commission, the Maine Agricultural Experiment Station and Cooperative Extension at the University of Maine, Orono, Maine.

PURPOSE:
The Blueberry Advisory Committee was originally constituted in 1945 when the Blueberry Tax program was initiated for the purpose of providing supplemental funds for research and extension programs at the University of Maine.

At that time, the function of the Advisory Committee was to work with the Director of the Maine Agricultural Experiment Station and the Director of the Cooperative Extension Service in an advisory capacity. While the function of the Committee remains essentially the same, legislation enacted in 1984 changed the status of the Committee by having the committee members appointed by the Wild Blueberry Commission instead of the University of Maine. In essence the Wild Blueberry Advisory Committee is a standing Committee of the Blueberry Commission and reports to the Commission.

ORGANIZATION:
The University of Maine System Wild Blueberry Advisory Committee consists of seven members who serve successive terms of four years. Members of the Advisory Committee may not be reappointed for successive terms. Committee members elect their own chairperson and vice chairperson. Meetings are scheduled in conjunction with the Directors of the Maine Agricultural Experiment Station, researchers and the Cooperative Extension. The Wild Blueberry Commission has also designated the Executive Director of the Commission to act as an ex-officio member of the Advisory Committee.

PROGRAM:
Program results are presented in research reports and University of Maine Cooperative Extension publications.

BOARD OF THE MAIN CHILDREN'S TRUST INCORPORATED
JAN CLARKIN, EXECUTIVE DIRECTOR

PURPOSE:
The Maine Children's Trust, Inc. is established to prevent the abuse and neglect of Maine's children and to provide a mechanism for voluntary contribution by individuals and groups for annual and long-term funding of prevention programs related to child abuse and neglect. Sources of funds include the State of Maine's Income Tax Check-off, federal funding, and donated funds from the corporate, individual and foundation sectors. Funds are used to support statewide child abuse and neglect prevention activities including financial allocations to interested parties who respond to annual request for proposals.

ORGANIZATION:
Established on July 1, 1994, the Board is comprised of at least 17 members appointed as follows: 1 Maine State Senator, 1 Maine State Representative, 4

members from the Maine Association of Child Abuse and Neglect Councils, 2 representatives from the Department of Human Services, 3 members appointed by the Governor, 3 appointed by the Maine Chamber of Commerce and Industry, and 3 by majority vote of the Board.

MCTI is a non-profit corporation held to be an essential governmental function.

PROGRAM:
Responsibilities include:

a) Create public awareness in both the public and private sectors regarding prevention programs and prevention policies.

b) Encourage active financial and in-kind participation from the public and private sectors carrying out our purposes.

c) Develop, initiate, propose or recommend ideas or innovations in rules, laws, policies, and programs concerning child abuse and neglect to the Governor, Legislature, agencies, the business community, and other groups.

d) Review applications for grants and award grants to recipients that best address reduction of child abuse and neglect through prevention.

CIVIL AIR PATROL
COL DANIEL M. LECLAIR, WING COMMANDER

Central Office: RM 211, BLDG 8, CAMP KEYES, AUGUSTA, ME 04332-5006
Mail Address: PO BOX 5006, AUGUSTA, ME 04332-5006 FAX: (207) 626-7831
Established: 1941 Telephone: (207) 626-7830
Reference: Policy Area: 06 Umbrella: 99 Unit: 238 Citation: T0006 M.R.S.A., Sect.: 000000301

PURPOSE:
The Civil Air Patrol (CAP) provides an organization to aid United States citizens through voluntary contribution of their efforts, services and resources for the maintenance of aerospace education and to assist in meeting local, state and national emergencies, particularly air search and rescue, and disaster relief.

To accomplish the purposes for which it was chartered CAP: (1) Conducts a nationwide internal and external program of aerospace education, including coordination of workshops conducted at local schools and communities. (2) Conducts a comprehensive cadet program, including an international Air Cadet Exchange, special activities, and supervision of cadet encampments. (3) Maintains an emergency services capability to meet the requests of the Air Force and state and local officials for search & rescue, disaster relief, and other support missions. (4) Conducts a comprehensive Senior Training Program to provide qualified personnel at all levels of CAP. (5) Assists local, state, and other Federal agencies in emergency operations. (6) Conducts a flight management program for assigned aircrew members and manages an aircraft maintenance program for corporate owned aircraft. (7) Maintains a nationwide communications capability to support emergency services operations and conduct official CAP business.

ORGANIZATION:
The Civil Air Patrol (CAP) is the official auxiliary of the U.S. Air Force, and is a nonprofit corporation which functions in accordance with its constitution,
INDEPENDENT AGENCIES - NOT PART OF STATE GOVERNMENT

...bylaws, regulations, and other directives issued by its National Headquarters. It was formed on December 1, 1941, and incorporated by the United States Congress on July 1, 1946. On May 26, 1948, the Civil Air Patrol became an auxiliary of the United States Air Force. The Secretary of the Air Force has been given authority to furnish assistance to the CAP and to accept and utilize the services in the fulfillment of noncombat missions of the Air Force.

The organization consists of the National Headquarters at Maxwell Air Force Base in Alabama; eight regional headquarters - Northeast, Middle East, Great Lakes, Southeast, North Central, Southwest, Rocky Mountain, and Pacific; and fifty-two wings - one for each state, the District of Columbia, and Puerto Rico. A wing is composed of a wing headquarters unit and all subordinate units within geographical boundaries of a state. Wing Commanders are appointed by the National Headquarters and have command authority over all CAP units and members thereof, within their respective wings. The squadron is the community level organization of the CAP, and includes three types: Senior Squadrons, composed of senior members only; Cadet Squadrons, composed primarily of cadets with a minimum of three seniors to meet supervisory, administrative and training requirements; and Composite Squadrons, composed of both senior and cadet members conducting both senior and cadet programs.

PROGRAM:
One of the primary missions of CAP is to save lives and relieve human suffering while protecting the lives and equipment of those involved in providing these services. The Emergency Services Mission includes search and rescue; civil defense and disaster relief operations (in support of local, state, federal and other emergency services organizations). Mutual support relationships exist with the National Association for Search and Rescue (NASAR); U.S. Coast Guard Auxiliary (USCGA); the Federal Emergency Management Agency (FEMA); Federal Aviation Administration (FAA); U.S. Army Forces Command (FORSCOM); various Army, Navy, Coast Guard, and other DOD agencies; the Maine Emergency Management Agency (MEMA); The Maine National Guard; American National Red Cross; Salvation Army; Volunteers of America (VOA); and other humanitarian organizations.

The Cadet Program provides opportunities for learning, maturing and accepting leadership to young Americans from 12 to 21 years of age. With advice and assistance from the United States Air Force, the Air Force Reserve, and CAP senior members at the national, regional, state, and local levels, cadets are exposed to a structured program of aerospace education leadership, physical fitness, and moral and ethical values in group and individual activities. As a cadet progresses through this structured program, he or she accomplishes a series of 15 achievements, each involving study and performance in the five program areas. Upon completion of each achievement, the cadet earns increased cadet rank, decorations, awards, eligibility for national special activities, and an opportunity for both flight and academic scholarships.

Civil Air Patrol has an internal and external aerospace education program. The internal program is designed to provide aerospace education to the CAP membership, both senior and cadet. The external program provides the general public with the aerospace education necessary to ensure the development of aerospace and the maintenance of aerospace supremacy. The Aerospace Education Program provides all American citizens with an understanding of, and an appreciation for, the importance of aviation and space exploration to our society and to our national security.

PURPOSE:
The ConnectME Authority began operation in June 2007 with the goal of expanding broadband access in the most rural, un-served areas of the state that have little prospect of service from a traditional or incumbent provider. The authority is funded with a 0.25% surcharge on instate retail communications services. The authority funds proposals through grants, direct investments, or loans made on behalf of, in partnership with, or in support of, one or more communications service providers.

ORGANIZATION:
In 2006, the Legislature created the ConnectME Authority to identify un-served areas of the State; develop proposals for broadband expansion projects, demonstration projects and other initiatives; administer the process for selecting specific broadband projects; and provide funding, resources, and incentives. The authority consists of a board of five members, and an Executive Director, an Associate Executive Director, a Project Manager, and an Advisory Council.

PROGRAM:
The goal of the authority is to facilitate universal availability of broadband service in Maine and to increase the adoption or take rate of broadband to equal or greater than the national average.

For its current grant funding program, the Authority requests smaller, more focused proposals than in previous grant rounds, with a suggested grant limit for each project of $100,000, funding no more than 50 percent of the total project, while recognizing the need for flexibility for exceptional proposals. We recently concluded the Authority's seventh round of grant awards, awarding over 2.0 million to twenty-three projects. To date the Authority has funded ninety-nine projects with nearly $8 million in grant funds for a total project value of over $15 million. The next grant round will be announced in early Spring 2013.

The Authority has also received nearly $5 million in ARRA grant funding from the Department of Commerce, NTIA, to conduct a five year broadband mapping and inventory project, as well as extensive broadband planning and capacity building activities.

PURPOSE:
The Maine Dairy & Nutrition Council is a USDA qualified dairy checkoff organization. It is the nutrition education, public and industry relations component of the total dairy checkoff initiative in Maine to increase demand for dairy products through nutrition education. The dairy industry wide marketing plan stresses the nutrition benefits and contributions of dairy products in accordance with scientific recommendations and in conjunction with a balanced diet.

ORGANIZATION:
The Board was established in 1949 as the Milk Advisory Committee, later named the Maine Dairy Council, and in 1975 became the Maine Dairy & Nutrition Council. In 1996 the Maine Dairy & Nutrition Council became a public instrumentality of the State of Maine. Maine law provides for funding, Board appointments, and Board members' term limits.

The Council is funded by the National Dairy Promotion and Research Order assessment paid by Maine dairy farmers and by dealers' fees from those buying and selling milk in Maine.

PROGRAM:
The Maine Dairy & Nutrition Council is an affiliated unit of National Dairy Council®, United Dairy Industry Association¿, and Dairy Management Inc¿ and is one of 18 state and regional organizations across the country. The Maine Dairy & Nutrition Council utilizes and provides to educators, health professionals and consumers a variety of nutrition education materials, programs, and resources.

Many of the programs and resources are developed by National Dairy Council®, and are reviewed and/or endorsed by organizations such as the American Academy of Pediatrics, American Academy of Nutrition, National Medical Association, and the School Nutrition Association.

The nutrition and physical activities program "Fuel Up To Play 60" is a partnership between National Dairy Council® and the National Football League implemented in Maine with students, focusing on creating a healthy school environment by making healthy food choices, and stressing the importance of physical activity. Grants and incentives to accomplish Fuel Up To Play 60 goals are based on prescribed criteria and are available to schools through the GenYOUth Foundation and the Maine Dairy & Nutrition Council.

Maine Dairy & Nutrition Council has at its disposable nutrition resources, research reports and findings, downloadable materials, and black-line masters. The Council exhibits at many health professional, education, and consumer conferences. The website www.drinkmainemilk.org provides links to additional nutrition education materials and resources.

dairy checkoff program in Maine focusing on increasing demand for dairy products as part of a dairy industry wide marketing plan. The Maine Dairy Promotion Board is one of 18 affiliated state and regional member organizations of United Dairy Industry Association. Maine Dairy Promotion Board is also an affiliate of Dairy Management, Inc. located in Rosemont, Illinois, and as an affiliate of National Dairy Council® of United States Dairy Export Council.

ORGANIZATION:
The Board was established in 1953 as the Maine Milk Committee, later renamed the Maine Dairy Promotion Board and in 1996 became a public instrumentality of the State of Maine. Maine law provides for funding, Board appointments, and Board members' term limits. The board is funded by the National Dairy Promotion and Research Order assessment paid by Maine dairy farmers.

PROGRAM:
The Maine Dairy Promotion Board implements the national Unified Marketing Plan in Maine, along with other United Dairy Industry Association's state and regional dairy checkoff organizations across the country, communicating, promoting and encouraging the use of milk and dairy products to the general public. A part of the promotion budget is allocated to media messaging, supplemented by other promotions designed to call attention to dairy products, dairy ingredients, the dairy industry, and to encourage the consumption of milk and other dairy products.

The Dairy Optimization is an initiative targeted to increase the consumption of milk and other dairy products with children in Maine’s and the nation’s schools. Nation-wide programs in some quick-serve restaurants have resulted in dramatic utilization of dairy products. Every Day of Dairy is a consumer education initiative targeting, consumers, dairy processors, dairy manufacturers and retailers. Other activities include consumers messaging, conference exhibits, trade shows, dairy industry events, and school cafeteria programs and promotions, and dairy industry education programs, such as "Telling Your Story". Other promotions supplement media messaging and public and industry relations programs. A dairy crisis communications program in Maine is part of a national effort to protect and enhance the dairy industry. Dairy industry communications are also a key factor within the Maine Dairy Promotion Board. The website www.dairycheckoff.org and Maine's www.dairygood.org , www.dairyfarmingtoday.org provides access to a variety of information regarding dairy farming and related industry information as well as www.dairycheckoff.org and Maine’s www.drinkmainemilk.org. For the benefit of Maine dairy farmers selling milk on the Boston Regional Market, the Maine Dairy Promotion Board, at the Board's discretion transfers a portion of their dairy checkoff income to the New England Dairy Promotion Board to help support promotion programs in the other five New England states.

PUBLICATIONS:
Dairy checkoff information and brochures, dairy industry messaging and materials, crisis information, dairy product recipe materials.

MAINE DEVELOPMENT FOUNDATION
ALDO SERVELLO, CHAIR
ED CERVONE, PRESIDENT & CEO

Central Office: 295 WATER STREET, SUITE 5, AUGUSTA, ME 04330
Mail Address: 295 WATER STREET, SUITE 5, AUGUSTA, ME 04330 FAX: (207) 622-6346
Established: 1977 Telephone: (207) 623-6345
Reference: Policy Area: 01 Umbrella: 99 Unit: 399 Citation: T0010 M.R.S.A., Sect.: 000000916

PURPOSE:
The Maine Development Foundation (MDF) is a nonprofit economic development
corporation created by the Maine Legislature in 1977 to capitalize on the interests, resources, and efforts of the public and private sectors. MDF champions sustainable, long-term growth for Maine. The foundation is a catalyst for new ideas and provides common ground for solving problems and advancing issues.

ORGANIZATION:

Enabling legislation (10 M.R.S.A. Sec. 915-928) for the Maine Development Foundation was passed by the 108th Legislature and took effect in October, 1977. The foundation has the power of a private corporation, which allows the board of directors the freedom to establish and change the activities of the foundation as it sees fit, and act decisively to take advantage of economic development opportunities. All but two of the foundation's board of directors are elected by contributors to the foundation. The board includes both public and private members. This is designed to encourage active participation of private business and local development interests, and establish the public/private partnership at the board level. This partnership has improved the foundation's access to the private sector's ability to generate new business activity and has helped organize public and private resources to stimulate additional business activity in Maine.

The board of directors consists of fifteen people: twelve elected by the membership and two appointed by the Governor. Of these fourteen, seven must come from the public sector members and seven from among the private sector members. The president is appointed by the other directors and is the fifteenth member.

The foundation is financed by membership dues, fee for service, contracts, and grants. Corporations, counties, cities, towns, and other organizations can become members by contributing to the foundation.

PROGRAM:

LEADERSHIP MAINE is a year-long, eleven day training program for CEO's and senior level managers from business, government, education, and the non-profit sector. The program is experiential and helps participants gain new awareness about issues facing Maine's economic future, new skills needed for effective leadership, and networks with others throughout the state.

MAINE ECONOMIC GROWTH COUNCIL is a permanent, 19 member council appointed by the Governor, the Speaker of the House, and the President of the Senate to establish and maintain a long range economic development plan for the state and benchmarks to measure progress. The Council is staffed by the Maine Development Foundation. More information on the Council is provided in a separate section of this report. See index for page number.

POLICY LEADERS ACADEMY helps prepare Maine legislators to lead in an increasingly dynamic environment through learning experiences which result in: greater knowledge about the economy, using the work of the Maine Economic Growth Council as a template, and broader leadership skills to ensure their effectiveness.

THE MAINE DOWNTOWN CENTER supported by 26 volunteer advisors, is the leading resource for downtown revitalization statewide. The Center serves as the state coordinator in Maine for the National Trust Main Street Center utilizing a four point historic preservation-based economic development strategy to create vibrant, healthy downtowns. The Center works in 22 communities representing every county in Maine: nine Main Street Maine communities (Sanford, Saco, Biddeford, Bath, Rockland, Gardiner, Waterville, Skowhegan, and Van Buren) and 17 Maine Downtown Network communities, a "lighter-pace" second-tier program launched in 2009.

REALIZE!MAINE is created by, for and of Mainers 20-40 to serve as a catalyst, a collaborator, and a convener of Maine's young people with a stake in our common future by providing professional, social, cultural, recreational, and civic opportunities in Maine. Projects that lend to these opportunities are a newly created website, virtual network and list service.

MAINE EMPLOYERS' INITIATIVE supports employers' efforts to increase the educational attainment levels of their workforce. The Initiative provides employers with technical assistance, training and statewide recognition for taking steps to support college degree and certificate achievement for their

FOUNDATION FOR BLOOD RESEARCH

JANE SHEEHAN, ESQ., PRESIDENT

Central Office: 69 U.S. ROUTE 1, SCARBOROUGH, ME 04074
Mail Address: P.O. BOX 190, SCARBOROUGH, ME 04074-0190
Established: 1999
Telephone: Reference: Policy Area: 05
Umbrella: 99 Unit: 603 Citation: P1999 M.R.S.A., Sect.: 00000401TT

PURPOSE: The Foundation for Blood Research (FBR) is a non-profit organization that finds more effective ways to identify, manage and treat human disease through clinical and laboratory investigation, epidemiology, education, and clinical testing.

ORGANIZATION: The Foundation is governed by a board of trustees representing the biotechnology and professional communities, education, and business. The board consists of at least 11 trustees, but not more than 21.

PROGRAM: FBR's scientific mission focuses on preventive medicine. The professional staff develops alliances with other organizations for carrying out collaborative clinical research studies and takes a leadership role in developing educational activities for health professionals, pre-college science teachers, and the public. The FBR senior scientific staff also has a role in public health policy-making at a national level.

ScienceWorks, FBR's outreach education program for Maine's precollege science teachers, provides access for these teachers to the most current research and knowledge in biomedical science. Since the 1970s, Maine high school science teachers have been collaborators to convey biologically-based information to the community through their classes.

ScienceWorks has maintained a relationship with biology teachers from about 60% of the secondary schools throughout the state. The program includes teacher professional development (through content-specific institutes), a scientific equipment and distribution project (through which several million dollars worth of donated used or surplus laboratory equipment has been collected and distributed to 90% of Maine's secondary schools), and an interactive learning laboratory that allows teachers to bring classes to our research facility for hands-on laboratory experience as a supplement to classroom teaching. All activities are aligned with the National Science Education Standards and Maine's Learning Results.

LYNN SCHARDEL, DIRECTOR
TRACI DRAKE, DIRECTOR HUMAN RESOURCES

Central Office: MACKWORTH ISLAND, FALMOUTH, ME 04105
Mail Address: MACKWORTH ISLAND, FALMOUTH, ME 04105
Established: 1997
Reference: Policy Area: 02 Umbrella: 99 Unit: 613 Citation: T0020A M.R.S.A., Sect.: 000007401

PURPOSE:
The Maine Educational Center for the Deaf and Hard of Hearing (MECDHH)/Governor Baxter School for the Deaf (GBSD), which encompasses the center school and Statewide Educational Services (SES), offers an array of quality services to all deaf and hard of hearing children, their families and the greater community. GBSD provides educational programming for deaf or hard of hearing students and SES provides early childhood programs and outreach. The vision of the MECDHH/GBSD is to expand educational opportunities, create partnerships and promote optimal communication and literacy for all children who are deaf or hard of hearing. MECDHH/GBSD will be recognized as a leader in deaf education by providing exceptional programs and services.

ORGANIZATION:
The Governor Baxter School for the Deaf had its origin as the Portland School for the Deaf, which was founded in 1876. It operated on Spring Street as part of the Portland School System as the Maine School for the Deaf within the Department of Institutions. When the Bureau of Institutions was dissolved, the organization was placed in the Department of Mental Health and Corrections. It remained there until transferred to the Department of Education. From 1982 through 1996 Department’s Office of Federal/State/Local Relations served as liaison to the Commissioner and Legislature and resource on administrative and policy matters.

In 1953, funds donated by Governor Baxter and funds granted by the Legislature were used for the construction of a new residential facility for the deaf on Mackworth Island, which was left by Governor Baxter for that purpose. In 1957, the Legislature honored the Governor by officially changing the name of the school to Governor Baxter School for the Deaf. In 1997, the Governor appointed a separate School Board to oversee the operations of GBSD. In 2005, in order to better reflect the statewide mission of the organization, the name was changed to The Maine Educational Center for the Deaf and Hard of Hearing and the Governor Baxter School for the Deaf.

PROGRAM:
MECDHH/GBSD provides a wide range of services for students, families and professionals in the state. Comprehensive programming includes the Governor Baxter School for the Deaf, which provides a Parent Infant Toddler Program, Preschool Program, Academic Programs for kindergarten through 5th grade, support services for middle school students attending Lyman Moore Middle School, support services for high school students attending Portland High School, and Student Support Services which includes an After School Program. Statewide Educational programs provide outreach that serves birth through age 5 and kindergarten through grade 12 statewide.

Established: 1987
Reference: Policy Area: 00 Umbrella: 99 Unit: 405 Citation: T0004 M.R.S.A., Sect.: 000001602

PURPOSE:
The Maine Governmental Facilities Authority was established to assist State Government in financing the construction and equipping of facilities by providing access to the tax exempt bond market.

ORGANIZATION:
Established in 1987 as the Maine Court Facilities Authority, the State Legislature created the Maine Governmental Facilities Authority in September, 1997 as its successor. The Authority consists of a five-member Board of Commissioners, including the Treasurer of the State and the Superintendent of Financial Institutions who serve as ex officio members, and three other members, who are residents of the State of Maine and are appointed by the Governor, for terms of five years. The Board of Commissioners shall elect one of its members as chairman and one as vice-chairman. The Executive Director of the Maine Municipal Bond Bank shall serve as the Executive Director of the Maine Governmental Facilities Authority and is responsible for the day-to-day activities of the Authority. The Executive Director also serves as both the secretary and treasurer of the Authority.

PROGRAM:
During the fiscal year 2012, the Authority issued $33,000,000 in new bonds to finance the first phase of construction of the Kennebec County Courthouse project.

The Authority does not receive an appropriation from the State of Maine. It derives its revenue from loan serving fees charged to participating eligible borrowers using its financing capabilities.

PURPOSE:
The Harness Racing Promotion Board was created in 1993 Public Law Chapter 388 to promote harness racing activities in the State of Maine and encourage increased participation in racing and wagering.

ORGANIZATION:
1997 Public Law Chapter 528 changed the make up of the Board and removed the oversight from the Department of Agriculture, Food and Rural Resources to the Joint Standing Committee having jurisdiction of harness racing matters, the Legal and Veteran Affairs Committee. The Board now consists of one representative from

each commercial track, one representing agricultural fairs, one representing the off track betting facilities, two representing the Maine Standardbred Breeders and Owners Association, two representing the general public, one representing the horsemen’s association and two alternates. The members are appointed by the Commissioner of the Department of Agriculture, Food and Rural Resources.

PROGRAM:
The Board has implemented promotional activities in accordance with its mission. The activities are focused on promoting a positive image of the industry, enlarging the fan base, educating the public on the importance of harness racing to the agricultural industry in Maine, including the breeding farms, the hay and grain farmers and dealers, the owners, trainers and drivers of the animals. The Board has maintained educational booths at equine shows, the annual Agricultural Show of the Maine Department of Agriculture, annual meeting of the Maine Association of Agricultural Fairs, Agriculture Day at the State Legislature and various trade shows. Board meetings are held monthly and are open to the public.

During fiscal year 2009, the Board again produced a promotional calendar and provided statewide television advertisements to promote live harness racing at the two commercial tracks and the fairs. The second Open Farm Days was sponsored by the board at Breeding Farms and Training Tracks. An insert in daily papers was distributed statewide and hundreds attended these events to see operations at these facilities. Television advertising and live radio coverage was also provided. The board continues to provide assistance in updating statistics for the industry, record keeping, and contributed financing to a statewide study of the equine industry and its value to the Maine economy.

**MAINE HISTORICAL SOCIETY**

**STEPHEN BROMAGE, EXECUTIVE DIRECTOR**

Central Office: 489 CONGRESS ST, PORTLAND, ME 04101
Mail Address: 489 CONGRESS ST, PORTLAND, ME 04101
FAX: (207) 775-4301
Telephone: (207) 774-1822
Established: 1822
Reference: Policy Area: 03 Umbrella: 99 Unit: 176 Citation: S1822 M.R.S.A., Sect.: 000000118

PURPOSE:
Incorporated by the State of Maine in 1822, the Maine Historical Society is a charitable, educational, non-profit corporation. It preserves the heritage and history of Maine; the stories of Maine people, the traditions of Maine communities, and the record of Maine’s place in a changing world. Because an understanding of the past is vital to a healthy society, we collect, care for, and exhibit historical treasures; facilitate research into family, local, state, and national history; provide education programs that make history meaningful, accessible and enjoyable; and empower others to preserve and interpret the history of their communities and our state. The Society is organized into three major areas: The Brown Library, Wadsworth-Longfellow House and Museum Gallery. A Board of Trustees, twelve standing committees and eight subcommittees advise and support the Society staff of 17 full-time and 13 part-time in its work.

ORGANIZATION:
Two years after Maine achieved statehood, the Legislature passed a bill in 1822 incorporating the Maine Historical Society, charging it to collect and preserve Maine’s history. Governor Albion K. Parris presided over the first meeting in Maine’s first State House in Portland. The Society housed its collections at
Bowdoin College until 1881 and coincided its Annual Meetings with the College's commencement into the early 20th century. Through the efforts of civic leader, philanthropist and scholar James Pinney Baxter, the Society moved its collections and many of its programs to Portland in 1881. Baxter provided space in the new Portland Public Library built in 1889.

In 1901, the Society opened the Wadsworth-Longfellow House Museum, left to the Society through the bequest of Anne Longfellow Pierce. The House, childhood home of famed poet Henry Wadsworth Longfellow, became Maine's first historic house museum. During 1907, the Society finished its new library at 485 Congress Street, adjacent to the Wadsworth-Longfellow House. The Wadsworth-Longfellow House was restored in June 2000. The Society's capital campaign and 1992 purchase of 489 Congress Street allowed expansion of collections storage, exhibition and program space.

Throughout the 19th century, special state appropriations have supported a variety of publication projects, including the "Documentary History of Maine." The annual appropriation in support of the Society's historical and educational endeavors since 1940. The Editorial Office for 'Maine History' is at the University of Maine at Orono. Beginning in 1999, a special State appropriation helped MHS start development of the Maine Memory Network, an on-line museum of our collections networked to other museums and archives across the state. Staff members participate in collaborative efforts throughout Maine and New England including the Maine Archives and Museums Association, the Maine Library Association, the Maine Historical Records Advisory Board, New England Archivists, the American and New England Studies Program at USM, the Academic and Cultural Collaborative of Maine, and the New England Museum Association.

PROGRAM:

BROWN LIBRARY. The Society maintains a research library of 125,000 books, 100,000 photographs and 2 million archival items spanning the 15th to 21st centuries. The Library is widely held to be the most comprehensive resource for studying Maine's past with all aspects of the state's social, economic, political, and cultural history documented. Of particular note are the personal papers of Maine's civic and business leaders, early proprietary and town records, shipping and maritime records, account books and business records, and genealogical research collections, cartographic and land surveys, architectural and engineering drawings, photographs, prints and broadsides. A retrospective conversion project to computerize the Library's card catalogues is complete, making them accessible via the Internet. The Library is open five days per week and serves over 11,000 researchers each year. The Brown Library, built in 1906, opened in its renovated and expanded building in June of 2009.

MUSEUMS & COLLECTIONS. Open to the public since 1901, The Wadsworth-Longfellow House Museum, poet Henry Wadsworth Longfellow's boyhood home, is one of the oldest house museums in the country. Open year-round the MSH Museum Gallery houses temporary interpretive exhibitions from our 28,000 artifacts documenting Maine's material culture. The most recent exhibitions were "Re/Collected: Great Works and New Discoveries from the Brown Library" and "Zoom In: New Approaches to Maine History." Guided tours of the Wadsworth-Longfellow House were offered May through December. The Education Department led "Local Schools/Local History" a museum-school partnership program for Portland area 3rd and 4th grades. Over 200 students from 10 classes participated. In 2011, about 18,000 visitors including nearly 3500 school children visited the House, Gallery or took the Longfellow walking tour. Another 1,000 students received outreach programs. For information, visit the MHS websites: www.mainehistory.org or www.mainememory.net.

OTHER EDUCATIONAL SERVICES. Launched in Dec. 2001, the Maine Memory Network provides Internet links to digitized historical and cultural primary materials from both MHS and contributing organizations from every corner of our state. Modeled in concept on the Library of Congress' American Memory Site, our Maine Memory Network provides links to digitized historical and cultural primary materials from around the state. On-line at www.mainememory.com, this Web-based, virtual museum and educational resource serves Maine libraries, schools, museums, and every Internet-ready home. The Maine Historical Society offers on-site and outreach programs for teachers and students throughout the state. Through a National Leadership Grant from the Institute of Museum & Library Services, MHS, in partnership with the Maine State Library, has made available grants and training to support 21st Century skills in local libraries, historical societies, and schools. Workshops were offered regionally, partnering also with the Maine

MAINE HOSPICE COUNCIL
KANDYCE POWELL, EXECUTIVE DIRECTOR

Central Office: 45 MEMORIAL CIRCLE, SUITE 103, AUGUSTA, ME 04330
Mail Address: PO BOX 2239, AUGUSTA, ME 04338-2239
Established: 1984 Telephone: (207) 626-0651
Reference: Policy Area: 05 Umbrella: 99 Unit: 516 Citation: T0022 M.R.S.A., Sect.: 000008611

PURPOSE:
The Maine Hospice Council exists to ensure the continued development of Hospice and Palliative Care in Maine. The Council provides education and technical assistance regarding end-of-life care, as well as advocacy for terminally ill and bereaved persons throughout the state regarding quality-of-life issues.

ORGANIZATION:
The Maine Hospice Council was incorporated in 1984. Funding for the Council office was made possible by state government in 1989. The Council is overseen by a volunteer Board of Directors comprised of 40 members.

The full Council is represented by members of 28 Hospices and the Board of Directors as well as an Advisory Committee. The Council has a full time staff that includes a director, an office manager, a development director, administrative assistant, and an events coordinator/webmaster. Since 2002, MHC has also developed partnerships with the Attorney General's Office, the Veterans' Affairs Administration, and the Maine State Prison System.

PROGRAM:
The full Council is represented by members of 33 Hospices and the Board of Directors as well as an Advisory Committee. The Council has a full time staff that includes an executive director and an executive administrative assistant. Since 2002, MHC has also developed partnerships with the Attorney General's Office, the Veterans' Affairs Administration, and the Maine State Prison System.

The Maine Hospice Council is the only statewide organization solely focused on end-of-life care. The Council's concentration is in education and program development. Examples are: technical workshops; in-services for hospices and other health care organizations; collaborative, statewide educational programs; ITV classes at academic institutions; legislative hearings; annual events, such as the Blaine House Tea and the Maine Pain Symposium; National Cancer Pain Initiative conference; and television interviews; as well as other academic presentations and grant writing. The Council has taken a leadership role in
social policy issues and continues to offer internships for both graduate and undergraduate students. Universal access to hospice services remains a priority, especially as it relates to underserved populations.

DEVELOPMENT: In September 1994, the Maine Cancer Pain Initiative became a committee of the Council and in 2003 its name changed to the Maine Pain Initiative. The Executive Director participates on national boards and commissions, to include the National Veterans Advisory Committee, which continues to give Maine a national voice regarding care for the terminally ill.

SUPPORT: Technical support continues for programs seeking Hospice Medicare Certification and licensure. In December, 1997, the Council partnered with over 30 other organizations to form the Maine Consortium for Palliative Care and Hospice (MCPCH). Resource materials and public education are ongoing services.

In 1999, on behalf of MCPCH, MHC was awarded a three-year Robert Wood Johnson Community/State Partnership grant, "Care at the End of Life: A Public/Private Partnership". In 2001, the Bureau of Health formally offered the Maine Hospice Council the opportunity to develop the Maine Center for End-of-Life Care.

In 2001, the Maine Legislature directed the Bureau of Health to establish the Maine Center for End of Life Care. This responsibility was given to the Maine Hospice Council without additional financial support. The intent was to develop a wider reach that would incorporate all aspects of end-of-life care.

Recognition of the valuable services MHC provides, has led other legislative committees to ask MHC for assistance with substantive issues. In 2006, at the request of the Judiciary Committee, MHC published, "Pain Management at the End of Life: A Physician's Self-Study Packet", a continuing education course (3 Category 1 CME) for Maine physicians. This project was done in collaboration with the Maine Pain Initiative and the Muskie School of Public Service, with input from other appropriate organizations.

Partnerships and outreach to the underserved are hallmarks of the Council's work. In 2001, MHC developed a partnership with the Department of Corrections to develop a Hospice program within the Maine State Prison system. In 2004, MHC developed the first (in the US) Hospice/Veterans Partnership. This collaboration involved Togus, Maine Veterans Homes, Community Hospice Programs and other interested organizations.

LICENSES:

Central Office: 353 WATER STREET, AUGUSTA, ME 04330-4633

Established: 1969
Reference: Policy Area: 01 Umbrella: 99 Unit: 346 Citation: T0030A M.R.S.A., Sect.: 000004722

PURPOSE:
MaineHousing (the Maine State Housing Authority) was created by the Maine Legislature in 1969 to address the problems of unsafe, unsuitable, overcrowded, and unaffordable housing. The agency's mission is to assist Maine people to obtain and maintain decent, safe, affordable housing and services suitable to their unique housing needs. In carrying out this mission, the agency provides leadership, leverages federal, state, and private resources, and promotes partnerships to develop and implement sound housing policy. On an annual basis MaineHousing's programs benefit more than 90,000 Maine households - about one of every six households in the state.

ORGANIZATION:
The Maine State Housing Authority "is a public body, corporate and politic and an instrumentality of the State." It functions as an administratively independent authority and receives no General Fund appropriations from the Legislature for its operations.

MaineHousing is governed by a Board of 10 commissioners appointed by the Governor and confirmed by the Senate upon the recommendation of the Business Research and Economic Development Committee. The Director of MaineHousing, who is appointed by the Governor and confirmed by the Legislature, serves as an ex-officio non-voting commissioner. The State Treasurer serves as an ex-officio voting commissioner. The other 8 commissioners vote and are appointed by the Governor and confirmed by the Legislature.

MaineHousing couples the methods and efficiencies of the private financial markets with the federal tax incentives of tax-exempt bonds and the government's public purpose goals to invest in affordable housing for Maine people.

MaineHousing bonds are debts of MaineHousing, not the State of Maine, and are not repaid by taxpayers. The agency sells its bonds and uses the bond proceeds to make reduced interest rate housing loans. The loan repayments that MaineHousing receives are used to repay the bond holders. The difference between the bond interest rates and the lending interest rates provides MaineHousing with operating revenue.

MaineHousing also is a conduit for bringing a wide range of federal and other funding to Maine, including low income housing tax credits, block grants and competitive grants.

MaineHousing receives a share of the real estate transfer tax revenues generated from the sale of real property. These funds are used to leverage federal, private, and local resources.

MaineHousing's operating budget is entirely funded by revenues from lending activities and grant administration.
MaineHousing's programs and services fall into the following general categories:

Housing Development. MaineHousing provides financing and financial incentives for private development of affordable rental housing for families, seniors and persons with special needs. This both provides affordable rents and stimulates Maine's economy.

Home buying assistance. MaineHousing provides low fixed rate mortgages to first-time homebuyers and other assistance to help make homeownership affordable for more Maine people.

Home improvement assistance. MaineHousing offers programs to help with home improvement needs, including: low or no cost loans to repair or replace failed wells or septic systems, make heating, electrical, or structural repairs, and improve home accessibility; grants to make homes lead safe; and loans to fund repair of homes damaged in a declared natural disaster.

Rental assistance. Properties developed with MaineHousing financing offer more affordable rents to consumers. Rental assistance also is provided in the form of federal Section 8 Housing Choice Vouchers.

Energy assistance. MaineHousing offers fuel assistance using funds from the federal Low Income Home Energy Assistance Program (LIHEAP), and also home energy improvements such as home weatherization, heating system repair or replacement, and energy efficiency appliances that make homes more affordable for the long term.

Homeless Assistance. MaineHousing provides financing for emergency shelters and other housing options for people who are homeless. MaineHousing also works with homeless service providers and other organizations toward a shared goal of preventing and eliminating homelessness in Maine.

At the end of calendar year 2011, MaineHousing had combined assets of $1,904,716,000 and net assets of $322,200,000. The agency's financial strength has been recognized by the nation's two leading bond rating agencies, Moody's and Standard & Poor's.

MaineHousing.org provides general information on MaineHousing programs and services as well as access to a wide range of publications such as annual reports, program guides, and housing market research.

Reference: Policy Area: 01 Umbrella: 99 Unit: 587 Citation: T0010 M.R.S.A., Sect.: 000000945

PURPOSE:
The Maine International Trade Center ("MITC") was established to enhance the competitive advantage of state businesses desiring to compete in the international market. The purpose of the Trade Center, through its private and public board, is to provide and enhance international trade services in coordination with the economic development activities of the private sector, community and regional activities of the private sector, community and regional agencies, and State government. It also facilitates foreign direct investment for the State of Maine.

ORGANIZATION:
The Trade Center is headquartered in Portland, and maintains an Orono office which is co-located with the Target Technology Center. The staff is comprised of a Vice President, an Accounting Manager, a Communications Specialist, as well as a Bangor Regional Director, and four Senior Trade Specialists, all with industry expertise. Staff works under the direction of the Trade Center President, who is employed by the Maine Department of Economic and Community Development. Organized as a 501(c)(3) non-profit corporation, MITC links the private sector with government efforts to grow Maine's economy through international commerce.

PROGRAM:
MITC encourages and assists the growth of the State's international economic activities in the following ways:

MITC provides a forum for the exchange of expertise, ideas and innovation between the public and private sectors.

MITC offers monthly trade education seminars and technical services to businesses in the State that compete or seek to compete in worldwide markets.

MITC coordinates gubernatorial and industry missions to develop increased exports of Maine goods and services.

MITC consults with and provides market and trade assistance to international businesses concerning imports, exports, and international trade services.

MITC subscribes to international commerce data bases to assist companies in locating leads and trade opportunities and track import and export trade flows.

MITC assists the State in foreign business attraction and direct investment through international investment outreach, hosting potential investors, and encouraging foreign businesses to invest in Maine through its "Invest in Maine" program and website.

MITC assists Maine's secondary schools, colleges, and universities in their foreign student attraction programs through its "Study Maine" program.

Telephone: (207) 798-6512  FAX: (207) 798-6512

PURPOSE:
The Midcoast Regional Redevelopment Authority (MRRA), a component unit of the State of Maine, is a municipal corporation created by Maine law, 5 M.R.S.A. §13083-G, and charged with the responsibility to acquire and manage property at the former Naval Air Station Brunswick (NAS Brunswick) and the Topsham Annex and to facilitate the rapid redevelopment of properties in order to recover from economic and employment loss as result of base closure.

ORGANIZATION:
MRRA is governed by an eleven member Board of Trustees appointed by the Governor and confirmed by the Maine State Senate. Power and duties of the Board are established by statute. The by-laws direct the Board of Trustees to adopt an annual budget, provide for an annual audit, appoint various committees and hire an Executive Director. The Executive Director is the chief executive officer and is responsible for carrying out the policies of the Trustees and overseeing the daily operation of MRRA and appointing staff.

PROGRAM:
NAS Brunswick base was a 3,200-acre military enclave within the jurisdictional limits of the Town of Brunswick, in Cumberland County, Maine. Now known as Brunswick Landing, the base was built as a multi-purpose campus that has changed over many years to serve a variety of purposes. It has been an airport since its initial development in the late 1930s, built on the site of the State's first municipal airfield. The Brunswick Executive Airport opened as a general aviation airport on April 2, 2011.
INDEPENDENT AGENCIES - NOT PART OF STATE GOVERNMENT

In total there are over 200 buildings totaling over 1.75 million square feet on the base; forty of which would be considered significant facilities that will be redeveloped by MRRA. MRRA's targeted business clusters as described in the Reuse Master Plan include composite R&D and manufacturing; aviation and aerospace research, maintenance, repair and manufacturing; information technology; and a world-renowned business complex for integrated research and development, manufacturing, testing, company incubation and productive operation of green energy technology products and services. To date nineteen businesses call Brunswick Landing home including a satellite campus of the Southern Maine Community College.

Established: 2009
Telephone: Reference: Policy Area: 07 Umbrella: 99 Unit: 650 Citation: T00008
M.R.S.A., Sect.: 00000521

PURPOSE:
The authority is established to regulate and promote mixed martial arts competitions, exhibitions and events in the State as set forth in Title 8 Chapter 20, sections 521 through 532. A mixed martial arts competition, exhibition or event may not be held in the State prior to the adoption of rules pursuant to this chapter.

ORGANIZATION:
The authority is made up of a board of directors consisting of seven members appointed by the Governor. The board elects a chair a secretary and a treasurer from among its members.

PROGRAM:
The CSAM has spent 2012 promoting and regulating three Mixed Martial Arts events. The duties of the board consist of registering the event and working with the promoters on approving the fight card. We also register all fighters and verify that all proper medical clearance has been received, blood work done and an eye exam performed. We monitor weigh-ins to make sure fighters make weight and on fight day we instruct inspectors who oversee the taping of hands, pre fight medicals, counting of tickets, escorting fighters to post fight exams, and general enforcement of Maine rules regarding MMA. We have bi-monthly board meetings where we discuss upcoming events, issues and any changes that need to be made to processes or rules. Five percent of ticket sales from these events comes back to the Authority along with fees from licensing fighters, events, managers, seconds, trainers and anyone else associated with the fight. These revenues have netted the Authority roughly $10,000. Much of this money will be used for start-up costs and rule making for the Authority.
INDEPENDENT AGENCIES - NOT PART OF STATE GOVERNMENT

LICENSES:
The authority shall review and grant licenses to all fighters, promoters, referees, timekeepers and judges who are involved with any mixed martial arts competition, exhibition or event in the State of Maine pursuant to the rules established by the Authority.

PUBLICATIONS:
There were no general publications this fiscal year. CSAM will produce an Annual Report; Codified Rules; Bylaws and a Business Plan.

PINE TREE LEGAL ASSISTANCE
NAN HEALD, EXECUTIVE DIRECTOR

Central Office: 88 FEDERAL STREET, PORTLAND, ME
Mail Address: PO BOX 547, PORTLAND, ME 04112
Established: 1983
FAX: Telephone: (207) 774-4753
Reference: Policy Area: 06 Umbrella: 99 Unit: 479 Citation: PL 1983 M.R.S.A., Sect.:

PURPOSE:
Founded in 1967, Pine Tree Legal Assistance, Inc. is a Maine not-for-profit corporation incorporated to provide free legal assistance to low income persons with civil legal problems.

ORGANIZATION:
PTLA is governed by a 28 member Board of Directors composed of licensed Maine attorneys, eligible clients appointed by low income organizations, and one 'at large' member. The Administrative Office is in Portland (774-4753). Local service offices are in Augusta (622-4731), Bangor (942-8241), Portland (774-8211), Presque Isle (764-4349), Lewiston (784-1558) and Machias (255-8656). Pine Tree operates 3 special statewide units that address the legal needs of migrant farmworkers (1-800-879-7463), Native Americans (1-800-879-7463) and low income children (1-866-624-7787). PTLA is co-sponsor of the Volunteer Lawyers Project (VLP) with the Maine Bar Foundation. The VLP has a toll free number, 1-800-442-4293.

PROGRAM:
Pine Tree Legal Assistance, Inc. receives its funding from a number of governmental and private sources. The program's primary funding source is the Legal Services Corporation, which distributes federal funds to legal services programs nationwide. Additional funding comes from other federal funds, State of Maine, United Way, the Maine Bar Foundation's IOLTA Program, and private sources. Pine Tree provides free legal assistance to low income Maine residents with household incomes at or below 125% of the federal poverty guidelines.

PTLA provides direct legal services to eligible clients throughout the state. In 2011, its area offices and special units (including Volunteer Lawyers Project) served 33,015 Mainers with civil legal matters. Its programs handled a total of 13,043 legal cases, of which 68% received legal assessment or simple advice, printed, informational materials, assistance with forms and letters, referral to another source of help or brief service, 23% received full representation before a Court or administrative hearing, and 9% are ongoing.

Because staffing shortages prevent PTLA & VLP from representing all eligible clients with legal needs, the programs accept cases based on a case acceptance priority plan. Of all cases closed by PTLA's local service offices in 2011, 56% were housing related; 13% were family law matters; 8% were consumer issues; 9% income benefits related; and the remaining 14% in the areas of employment, health, education, individual rights, juvenile, and other miscellaneous areas. The case priorities for the Volunteer Lawyers Project complement those of PTLA. Of all cases closed by the VLP in 2011, 65% were family law matters; 12% were

consumer law matters; 9% related to income benefits, and the remaining 14% were in the areas of education, housing, individual rights, employment and other legal problems.

PUBLICATIONS:
Pine Tree maintains client education materials, which are available at no charge to income eligible callers in several substantive areas of the law including consumer, family, housing, education, employment, government benefits and health care. The general public may access this information by downloading it from Pine Tree's web page at www.ptla.org, as well as www.helpmelaw.org, www.kidslegal.org and www.vlp.org. The most popular brochures cover housing and family law issues.

PURPOSE:
The Maine Potato Board was established as a public instrumentality of the state to provide for the advancement of the Maine potato industry in the public interest and for the public good, under the auspices of a state agency. Under the Board, all elements of the Maine potato industry are represented and work together under the leadership of a unified, public board to solve the problems facing the industry.

ORGANIZATION:
The Board is an eleven-member group, serving two-year terms, representing grower, processor and shipper elements of the industry. The Board selects a president, vice-president, treasurer and secretary from its members, and appoints an Executive Director and Director of Development/Grower Relations to administer programs and policies established by the Board.

PROGRAM:
Potato tax revenue for the twelve-month period ending June 30, 2012 was $749,959. Maine growers harvested 55,000 acres, producing 14,170 million hundredweight of potatoes. The planted acreage was composed of 68% processing varieties, 13% table stock varieties and 19% seed varieties. Approximately 11,161 acres were entered for seed certification.

The tax revenues of the Maine Potato Board in 2011-2012 were used as follows: 26% for Administration (Board), 18% Advertising/Marketing, 37% Research, 19% Other. The Board was represented with exhibits at trade shows.

The Maine Potato Board financed research through the Maine Agricultural Experiment Station and the Cooperative Extension. Other projects including educational, also benefited from the Maine Potato Board grants.

SEED POTATO BOARD
DONALD E. FLANNERY, EXECUTIVE DIRECTOR
JEANNIE M. TAPLEY, OFFICE MANAGER

Central Office: 744 MAIN STREET RM. 1, PRESCOT ISLE, ME 04769
Mail Address: 744 MAIN STREET RM. 1, PRESCOT ISLE, ME 04769
FAX: (207) 764-4148
Established: 2009
Telephone: (207) 764-4184
Reference: Policy Area: 01 Umbrella: 99 Unit: 657 Citation: T00007 M.R.S.A., Sect.: 00002151

PURPOSE:
The Maine Seed Potato Board was established to foster and improve the seed potato industry of the State of Maine. Its primary responsibilities are to produce, or cause to be produced, through contract or otherwise, sufficient acreages of foundation seed potatoes of various varieties for distribution and sale to Maine potato growers; to work with and through the Agricultural Experiment Station of the University of Maine in conducting a program of foundation seed potatoes annually; to purchase, own, sell or convey farm real estate and farm equipment as necessary for the purpose of producing seed potatoes; and to make rules and regulations pertinient to its program of production, distribution and sales of seed potatoes. Proceeds from the sale of seed potatoes are credited to the operating account of the Board.

ORGANIZATION:
The Maine Seed Potato Board was organized in April 1945. It initially consisted of six members appointed by the Governor from specified areas for terms of three years, and the Commissioner of Agriculture served as chairman. A number of changes in the Board’s structure have occurred since then, and the last one occurred in 2009 when the Legislature voted to transfer oversight of the Board from the Department to the Maine Potato Board. The Commissioner now serves as a member and appoints two members to include a representative of the potato industry in a county other than Aroostook County and a person producing potatoes in Aroostook County primarily for processing. The Maine Potato Board appoints six members representing the potato industry in Aroostook County and to include one grower producing primarily tablestock potatoes and another grower producing potatoes primarily for processing. The Board is authorized to elect a secretary, who need not be a member of the Board.

PROGRAM:
The Board carries out its mission through the operation of a foundation seed potato production facility known as the Porter Farm in Masardis, Maine. Over 200 different varieties are maintained in a tissue culture bank and nearly sixty varieties of seed potatoes are produced in the fields each year. The facility is equipped with tissue culture production, disease testing laboratories, seed storages with climate control systems, greenhouses and an irrigation system to support the production of nuclear and foundation seed. In 2009, the Board began producing minitubers in a state of the art greenhouse using hydroponics that allowed them to produce high quality minitubers at very competitive prices. It also enabled them to increase the volume of seed at a much faster rate to meet growing demands for new varieties.

Established: 1992
Reference: Policy Area: 03 Umbrella: 99 Unit: 561 Citation: P1991 M.R.S.A. Sect.: 000000848

PURPOSE:
Every day, the Maine Public Broadcasting Network connects the people of Maine to each other and to the world through the open exchange of information, ideas, and cultural content. As Maine's premier independent media resource, we create exceptional opportunities for the communities we serve to engage with critical issues, compelling stories and quality entertainment.

ORGANIZATION:
The Maine Public Broadcasting Network (MPBN) has administrative offices and production facilities for television and radio in Lewiston, Bangor, Augusta and Portland. The station's transmitters and translators, located throughout the state, deliver programs to nearly all of Maine's citizens.

MPBN is governed by a volunteer Board of Trustees consisting of representatives from its founding organizations (The University of Maine System, Colby College, Bates College and Bowdoin College), appointees from the Governor, and public members elected to the board. The Board of Trustees meets four times a year and its meetings are open to the public.

MPBN has a volunteer Community Advisory Board (CAB) with membership reflecting the diversity of the state and MPBN's viewing and listening audiences. The purpose of the CAB is to advise the Board of Trustees and MPBN staff as to whether the programming and other policies of MPBN meet the needs of the communities that the station serves. The CAB meets twice a year and its meetings are also open to the public.

The majority of MPBN's annual funding is attained through the support of members, as well as foundations and corporations. Additional funding is received from the State of Maine and from federal funds administered through the Corporation for Public Broadcasting.

PROGRAM:
MPBN is the only statewide educational television service available to Maine residents free-of-charge. The organization has an exceptional commitment to producing local programs about topics that specifically address issues affecting Maine people. MPBN's local television productions include: the weekly public affairs series Maine Watch with Jennifer Rooks; the periodic feature segment Conversations with Maine; coverage of the Maine Principals' Association Invitational High School Basketball Tournament, with the video of every game "streamed" live over the Internet; and the annual broadcast of the Governor's State of the State Address, which was also streamed live. In addition, MPBN provided live coverage of the Governor and U.S. Congressional debates - both primary and general election.

The station's radio service carries international, national and local programming. MPBN's award-winning weekday program, "Maine Things Considered" explores topics and issues with depth and substance. For the seventh consecutive year, The Maine Association of Press Broadcasters' Association has named MPBN "Station of the Year." MPBN also produces an original programming, including: its own regular classical, folk and jazz music programs for radio; broadcasts of orchestra and chamber concerts on the program Maine Stage; a weekly series called Speaking in Maine featuring speeches given in Maine by acclaimed speakers on the national lecture circuit; and regular live performances from its Bangor and Portland studios of jazz and classical musicians with ties to Maine.
MPBN's web-based services at www.mpbn.net draw visitors from around the world. MPBN has begun gathering and archiving web-exclusive content not broadcast on either its radio or television stations, such as concert audio and recorded speeches as well as an increasingly wide array of web-only services as adjuncts to its radio, television and educational programming. These include lesson plans for educators, increasing use of photos that give additional visual context to radio news stories, live streaming of news and music, and individual television and radio program site sections with links to external educational and continuing education resources in Maine and beyond.

PUBLICATIONS:
For the fourth year, MPBN combined its separate monthly radio and television program guides mailed to members into a single publication called "Experience." The expanded magazine format of this new publication allows MPBN to communicate more information to its members than ever before.

Public Outreach
MPBN conducts a total of four open "town meetings" annually which are promoted through all of MPBN's services (radio, television, web and magazine) as well as with paid ads in other media, in communities all across Maine. The purpose of these meetings, at which attendance for some topped two dozen, was to solicit public feedback on the direction of public broadcasting in Maine to help ensure that MPBN remains relevant in the lives and responsive to the needs of the people of Maine. This information, and similar feedback in the form of over 1,300 online survey responses, was used to formulate MPBN's 5-year Strategic Plan.

GREATER PORTLAND PUBLIC DEVELOPMENT COMMISSION
JOAN F. COHEN, CHAIRPERSON

Central Office: 10 FREE ST, PORTLAND, ME 04101
Mail Address: P.O. BOX 4510, PORTLAND, ME 04112
Established: 1945 Telephone: (207) 775-7271
Reference: Policy Area: 01 Umbrella: 99 Unit: 367 Citation: S1945 M.R.S.A., Sect.: 000000123

PURPOSE:
The Greater Portland Public Development Commission has the power, within the confines of Portland, South Portland, Westbrook, Falmouth, Cape Elizabeth and Scarborough, to administer loans and grants to businesses and nonprofits for purposes of stimulating economic growth and revitalization efforts and fostering coordination between economic development entities within the confines of Portland, South Portland, Westbrook, Falmouth, Cape Elizabeth and Scarborough and to accept gifts thereof in trust, or otherwise.

ORGANIZATION:
The Commission was created by Special Act of the Legislature which provides for management by five Commissioners appointed by the Governor upon consultation with the City Councils of Portland and South Portland. The Commission's charter was recently amended pursuant to Public and Special Law 2009, chapter 23, Section 5.

PROGRAM:
The Commission is continuing to monitor the $375,000 installment grant made to the Greater Portland Economic Development Corporation (the "GPEDC") in 2011. The second installment of $175,000 was made in June of 2012 after the Commission
received and approved an update on the operations and progress of the GPEDC. The GPEDC is engaged in regional economic development efforts through the collaborative efforts of representatives from the municipal, educational and private sectors in Portland, South Portland, Westbrook, Scarborough, Falmouth and Cape Elizabeth. The GPEDC has focused on workforce development issues critical to attracting and retaining business in the region.

The Commission also made an additional grant of $20,000 to the Creative Portland Corporation, in June of 2012. Creative Portland Corporation is involved in promoting creativity, innovation and entrepreneurship in the Greater Portland region and stewarding the region's abundant artistic and cultural assets.

MAINE RURAL DEVELOPMENT AUTHORITY

GEORGE GERVAIS, CHAIRMAN

Reference: Policy Area: 01 Umbrella: 99 Unit: 626 Citation: T0005 M.R.S.A., Sect.: 000013120A

PURPOSE:
The Maine Rural Development Authority (MRDA) was established to provide loans to communities, agencies, or businesses for the development of commercial facilities as a lender or investor in the acquisition, development, redevelopment and sale of commercial facilities or on a speculative basis in areas where economic and financial needs are not adequately supported by private investment.

MRDA's purpose is to also assist areas of the state hard hit by the loss of a substantial number of jobs or the loss of a large employer. The authority works with private investors, banks, and municipalities to help develop commercial buildings to attract businesses and employers and to redevelop existing properties for commercial or industrial use that would otherwise remain vacant.

ORGANIZATION:
MRDA is a public instrumentality of the State. A Trustee Board, consisting of seven members governs the authority. The Governor appoints five of the trustees; the CEO of the Finance Authority of Maine and the Commissioner of the Department of Economic and Community Development serve as ex-officio voting members. The commissioner is chair of the board. By-laws were adopted in the fall of 2002.

MRDA contracts for staff and project support.

PROGRAM:
MRDA meets its purpose through two specific programs, the Speculative Industrial Building Program and the Commercial Facilities Development Program. Both programs are governed by statute and by rules adopted by the MRDA. In both programs, MRDA acts as a stimulus to private and public investment in these facilities to create more job opportunities in Maine, primarily in communities.

The Speculative Industrial Facilities Program (Chapter 99-626-01) provides loans to communities to develop commercial or industrial facilities on a speculative basis. This program was developed in 1973, and was housed in the State Development Office, and later the Department of Economic and Community Development before being transferred to the MRDA.

The Commercial Facilities Development Program (Chapter 99-626-02) allows the authority to serve as the principal, partner, lender or investor to initiate the redevelopment of existing facilities that are suitable for commercial or industrial use for subsequent sale or lease. This program requires at least a 25% match per project, which the MRDA can waive in cases of severe economic distress.

YORK COUNTY TECHNICAL COLLEGE

PURPOSE:
The Board of Trustees of what is now the Maine Community College System was established in 1986 by Public Law, Chapter 695 to be the policy making authority of the system, to develop and adopt policies for the operation of the system; to establish the administrative council and approve programs and policies recommended by the system president and the administrative council; to prepare and adopt a biennial line-category, operating budget; and to develop and adopt personnel policies and procedures.

ORGANIZATION:
The Board of Trustees of the Maine Community College System consists of 15 members. Twelve are from the fields of business, industry, labor, education, and the general public, and one is a student from one of the community colleges. The Commissioner of Education and the Commissioner of Labor serve ex officio. P.L. 1985 Chapter 695, "An Act to Establish the Maine Vocational-Technical Institute System" was signed into law on April 16, 1986, setting in motion the reorganization of the statewide network of vocational-technical institutes (up until then operated as subsidiaries of the Maine Department of Education, Bureau of Vocational Education, under the governance of the State Board of Education) into the Maine Vocational-Technical Institute System, an autonomous postsecondary educational institution governed by an independent Board of Trustees.

In 1989 the 114th Legislature enacted Public Law, Chapter 443, "An Act to Enhance the Status of Vocational-Technical Education in Maine," which officially changed the name of the Maine Vocational-Technical Institute System to the Maine Technical College System and clearly defined the system's role in postsecondary education.

In 2003, the 121st Maine Legislature changed the name of the Maine Technical College System to the Maine Community College System to reflect its broad mission of providing career and liberal arts transfer programs for Maine college students. The names of the seven colleges were all changed on July 1, 2003.

The Maine Community College System (MCDS) constitutes a "public instrumentality of the state" but not a "line" State agency included in or attached to a cabinet department; its status vis-a-vis State government is similar to that of the Maine Maritime Academy and the University of Maine System.

Maine law defines the basic mission of the Maine Community College System in the following terms: "To provide associate degree, diploma, and certificate programs directed at the educational, occupational, and technical needs of the state's citizens and the work force needs of the state's employers." The law further defines the primary goals of MCDS as follows: "to create an educated, skilled, and adaptable labor force which is responsive to the changing needs of the economy of the state, and promote local, regional, and statewide economic development."

The first institute was established after World War II to provide vocational and
technical training to returning veterans. The seventh and most recent college, York County Community College, was established by the 116th Legislature in 1994.

PROGRAM:
The MCCS offers nearly 300 certificate, diploma, and associate degree program options designed to prepare students for careers and/or transfer to four-year colleges and universities. Credentials are awarded in the following program areas: arts and sciences; allied health and nursing; automotive and mechanical technologies; business; computers, graphics, and multimedia; construction; education and early childhood; electrical and electronics technologies; engineering technology; heating, plumbing, air conditioning, and refrigeration; hospitality and tourism; marine resources; metals fabrication and manufacturing; public safety; and others.

The MCCS Office, set up by legislation to provide statewide coordination and leadership to the seven colleges, operates at 323 State Street, Augusta. The seven-college system consists of Central Maine Community College in Auburn, Eastern Maine Community College in Bangor, Kennebec Valley Community College in Fairfield, Northern Maine Community College in Presque Isle, Southern Maine Community College in South Portland, Washington County Community College in Calais, and York County Community College in Wells. Off-campus centers are located in East Millinocket, Ellsworth, South Paris, Houlton, Dover-Foxcroft, South Portland, Madawaska, and Bath.

The Maine Community College System operates the Maine Quality Centers Program, an economic development program established by the Legislature in 1994 that provides new or expanding Maine firms with customized education and training, free of charge to participating firms and their trainees. The MCCS also operates the Early College for ME program, which provides scholarships and college-transition services for high school students who face barriers to college.

ETLM is a stand alone lab with the authority to conduct tests, list products, supply labels, provide consultation services, conduct educational programs, perform factory inspections, and provide services consistent with the overall goals and objectives of ETLM.
The goals and objectives of ETLM are to provide those services which, among
others, will meet the safety needs of the industry and the public regarding the
quality of construction and safe operation of products tested by ETLM, the
maintenance of high testing standards, and the provision of educational and other
consultant services, which merge with the educational goals and objectives of
SMT.

In recent years, the ETLM has ceased to serve an educational role for the
college. For that reason, the 118th Maine Legislature passed Public Law, chapter
607, which removed ETLM’s association from SMT, effective June 18, 1998.

The energy Testing Laboratory of Maine, (ETLM) was created in 1976 to safety test
heating equipment for the Maine Oil and Solid Fuel Licensing Board. That
program, which evolved from the heating and air conditioning program at SMT, led
to expanded activities, including the testing of radiant stoves, chimney liners
and waste oil heaters, as well as central heating appliances. Over the years
ETLM worked for hundreds of companies in the U.S. as well as in foreign
countries.

PURPOSE:
The primary purpose of Central Maine Technical College (CMTC) is to provide
individuals and the community with high quality, up-to-date technical and
vocational education, while simultaneously developing within its students the
capacity to grow and to adapt to the changing needs of business and industrial
technologies. The College believes it serves its students and the community best
by educating competent and responsible workers who are not only skilled in
up-to-date techniques, but who are prepared for lifelong learning with a solid
foundation in mathematics, science, communication and critical thinking skills,
as well as the broader knowledge implied by the Associate Degree.

ORGANIZATION:
Central Maine Technical College was established as the Androscoggin State
Vocational Institute on July 5, 1964, and enrolled students in four programs:
Building Technology, Auto Mechanics, Industrial Electricity, and Drafting in
September, 1964. In 1965 the State Board of Education renamed the institution
Central Maine Vocational-Technical Institute. Originally, the Institute leased a
building in Lewiston. In January 1966, it was relocated to its present campus,
INDEPENDENT AGENCIES - NOT PART OF STATE GOVERNMENT

on a 135 acre site donated to the Institute by the City of Auburn. In 1989, the
114th Legislature changed the name of the college from Central Maine
Vocational-Technical Institute to Central Maine Technical College. The first
class numbered 47 students. In FY96, CMTC offered 21 programs and served about
2,000 students at its Auburn campus and at several off-campus sites.

The CMTC campus includes three residence halls, a vehicle maintenance building,
and Jalbert Hall, built in 1966, which has sustained five additions to house
collegial activities and administrative offices. A building to house the
Culinary Arts program was completed in January 1989. Kirk Hall opened in 1993,
and houses Nursing, Allied Health, and Occupational Health and Safety programs,
school-to-work programs, child care center, classrooms, science, health and
fitness facilities, a 230 seat auditorium and a large multi-purpose facility.
CMTC is governed by the Board of Trustees of the Maine Technical College System.

PROGRAM:
Central Maine Technical College's program offerings are divided into 3
categories: catalog programs, continuing education coursework, and special
community interest programs. The 21 catalog programs are: Architectural and
Civil Engineering Technology, Automotive Technology - Ford ASSET, Building Construction Technology, Business Administration and Management,
Culinary Arts, Electromechanical Technology, General Technology, Graphic
Arts/Printing Technology, Machine Tool Technology, Mechanical Drafting
Technology, Medical Laboratory Technology, Medical Transcription, Nursing
(includes PRN option), Occupational Health and Safety, Office Information
Management, Radiologic Technology, Robotics Technology, Telecommunications
Technology and Trade and Technical Occupations. CMTC awards certificates,
diplomas and associate degrees to those students who have successfully completed
program requirements.

The Continuing Education division offers courses to individuals who are not
formally enrolled in a program of the College. Courses are designed to increase
the individual's options and abilities by providing instruction in new or
advanced technology or complementary academic skills. Continuing education
offerings provide the community with higher skilled, more employable workers.
These courses draw on assets of the catalog programs and on materials provided
through outside trade, industry and academic sources. This division also
provides customized training to business and industry and operates the Quality
Center program in the College's primary service area. Beginning in FY97, the
Division will operate outreach programs in Livermore Falls-Jay and Lincoln
County.

Special Community Interest Programs are usually programs of short duration and
intense content, offered in cooperation with outside interest groups including
employers, labor organizations, national and local professional societies,
federal agencies, other colleges, and other trade and professional groups.
Usually, CMTC serves a catalytic role and provides a place to hold meetings.
These programs may be presented at CMTC, or off campus locations, but under
sponsorship or cosponsorship of CMTC. Programs have been organized through CMTC
and presented over a large area of the State of Maine. Programs provide
professional development opportunities for a wide variety of interests.

PURPOSE:
The Eastern Maine Technical College is dedicated to teaching the applied aspects of technology and providing its graduates with a strong work ethic essential to success in today's technological market. To meet these objectives the curricular aims are three-fold.

First, students are given concentrated educational training in their area of technology that enable them to obtain and hold jobs in their occupational area or in a related area. Second, mathematics, science and communications are given special attention. Technicians need to be proficient in both of these skills in order to keep up with developments on the job and to seek further formal education should they so desire. Finally, the third focuses on social understanding and responsibility. Courses in psychology, sociology, economics, and human relations are among the graduation requirements designed to develop understanding and appreciation of the complex problems faced by an evolving society.

ORGANIZATION:
EMTC started operation in September 1966 in space rented from the Bangor city school system. The first entering class numbered 90 students. An appropriation of $1,000,000 was made available by the 102nd Legislature to construct a new facility on a 95 acre tract off Hogan Road and work began in fall 1966. The shop areas for Machine Tool, Automotive, and Building Construction were completed and occupied in September 1967. The classroom and administrative spaces were completed and occupied in January 1968. In June 1989, the 114th Legislature enacted a bill that changed the name of the college from Eastern Maine Vocational-Technical Institute to Eastern Maine Technical College. EMTC is governed by the Board of Trustees of the Maine Technical College System.

Further legislative appropriations made possible an addition to the Building Construction shop and a laboratory wing. These resulted in four new programs in 1971: Environmental Control, Foods Technology, Medical Laboratory Technology, and Practical Nursing. The first class in Radiologic Technology graduated in 1974. The first residence hall and dining facility opened in fall 1969. A second residence hall for men and women opened in 1975. A large building originally owned by the Bangor Mental Health Institute was donated to EMTC and converted into a much needed athletic facility. The Johnson Gym opened in 1974. Programs in Heating, Refrigeration/Air Conditioning and Welding were implemented in 1979. A new Automotive and Heavy Equipment Shop was completed in 1986.

As programs grew, Refrigeration/Air Conditioning and Foods Technology relocated to Rangeley Hall, the renovated Diamond International building on Sylvan Road. The recent renovation of space at Rangeley Hall allowed EMTC to add three drafting labs, including a CAD room and a new state-of-the-art micro-computer lab.

PROGRAM:
During FY 1996, Eastern Maine Technical College offered the following full time educational programs: Automotive Technology; Building Construction Technology; Business Management; Business Management with Office Administration and Foods Management options; Diesel, Truck, and Heavy Equipment Technology; Electrical Power Technology; Electrician Technology; Electronics Technology; Foods Technology; General Technology; Machine Tool Technology; Medical Radiography; Nursing; Refrigeration, Airconditioning and Heating Technology; Trade and
Technical Occupations; Welding/Pipe Fabrication Technology; and Workplace Technology.

Enrollment for the Fall 1995 semester totaled 609 matriculated students while 628 part-time students were served through the evening programs. The Professional Development and Professional Services Division provided customized training and education for over 275 employees of Maine businesses. EMTC employs 54 full-time faculty members and 50 adjunct faculty. Over 517 students received $1,600,000 in financial aid during 1995 - 96. Qualified students were awarded financial aid from programs such as Pell Grant, Supplemental Educational Opportunity Grant, College Work Study, Stafford Student Loan, and institutional and private scholarships. Financial counseling and planning services were available to students and their families throughout the year.

EMTC began the Tech Prep Program in October 1992. Articulation agreements were renewed with Thomas College, Husson College, and the University of Maine. The Electronics and Electrical Power programs have entered into articulation agreements with the University of Maine School of Engineering Technology. The Welding Center has expanded and now offers tensile testing. The Automotive Technology and Truck, Diesel and Heavy Equipment Technology programs both have been ASE certified.

PURPOSE:
Kennebec Valley Technical College is dedicated to the belief that each individual be provided an opportunity for the development of skills and knowledge leading to productive employment and self-fulfilment. The College offers associate degree and diploma programs to meet the needs of part-time and full-time students. In addition, continuing education courses are offered to accommodate the changing needs of Maine's employers.

Kennebec Valley Technical College strives to create a skilled work force through cooperative efforts with regional industries, businesses, services, and health care organizations. The College endeavors to provide graduates with occupational and academic competencies which include analytical problem-solving, communication, and interpersonal skills critical in today's society. Further, Kennebec Valley Technical College strives to maintain the highest academic standards of teaching and learning through a continuous process of self-assessment and improvement. The College views as key to its mission an environment which is both safe and supportive of student growth and achievement.

The college is accredited by the New England Association of Schools and Colleges.

The Health Information and Technology and Respiratory Therapy are accredited by the Commission on Accreditation of Allied Health Education Programs. The Occupational Therapy program is accredited by the Accreditation Council for Occupational Therapy Education. The Nursing program is accredited by the National League for Nursing and the Maine State Board of Nursing. The Physical Therapist Assistant program is accredited by the Commission on Accreditation for Physical Therapy Education. The Business Administration and Automated Office Technology programs are accredited by the Association of Collegiate Business Schools and Programs.

ORGANIZATION:
Kennebec Valley Technical College (KVTC), formerly known as Kennebec Valley Vocational-Technical Institute, was authorized when the 104th Legislature appropriated monies for a state vocational and technical institute in Waterville. KVTC began operations in the fall of 1970 using equipment and facilities of the Regional Vocational Center in Waterville. Emphasis was directed toward short-term intensive programs.

KVTC occupied and renovated the Gilman Street High School in September 1978. This greatly enlarged the classroom, office and laboratory space available. In May of 1979, the Legislature approved the establishment of the Institute directly under the State of Maine, Bureau of Vocational Education, along with the other five (5) vocational-technical institutes (VTIs). During the summer of 1980, KVTC purchased 60 acres of land and buildings adjacent to I-95 in Fairfield. Programs were offered at both the Fairfield and Waterville sites. In October of 1986, construction was completed on a new multi-purpose classroom building at the Fairfield campus. The name was changed from Kennebec Valley Vocational-Technical Institute to Kennebec Valley Technical College in 1989. All of KVTC's programs are now based in Fairfield.

In May 1993, construction was completed on a new classroom building, which provided much needed space as KVTC's enrollment continued to grow. The building houses academic programs and provides additional space for KVTC's Learning Center, computer laboratories, Admissions Office, and Financial Aid Office.

PROGRAM:
KVTC offers the following programs: Automated Office Technology, Business Administration, Medical Assistant, Respiratory Therapy, Health Information Technology, Radiologic Technology, Nursing, Physical Therapist Assistant, Bioscience Technology, Industrial Electrical/Electronics Technology, Applied Electronics, Occupational Therapy Assistant, Educational Technician, the EMS Academy, Lineworker Technology and Pulp and Paper Technology. Also offered are a variety of short-term adult education courses from 30 to 200 hours in length to meet the needs of adults requiring upgrading, and/or retraining. A full-time four-year apprenticeship program is offered to carpenters/millwrights/iron workers.

KVTC endeavors to meet the following goals in its programs and services:
1. Provide quality programs and services that are relevant to the educational and economic needs of Maine citizens.
2. Provide opportunities and assistance for the economically and educationally disadvantaged and disabled.
3. Contribute to economic development and growth of the region and State.
4. Strengthen the relationship with secondary and post-secondary schools.
5. Continually strive to provide for the highest quality of educational instruction.
6. Provide quality administrative services.

The stated goals and objectives of KVTC's Strategic Plan provides for growth and expansion.

KVTC provided education to 923 degree/diploma candidates and 3,568 non-degree students during FY 1996. Placement of graduates has averaged 93 percent. Although enrollment in programs is not limited to Maine students, the college draws most of its students from the 150,000 citizens residing within a 60 mile radius of Waterville. Continuing Education courses cover a wider geographical area, from Jackman to Rockland.

PURPOSE:
Northern Maine Technical College provides quality instruction in various
technical and occupational specialties. Graduates receive specific technical
occupational training and the general education necessary to obtain and/or
upgrade their chosen occupation. These services are delivered to full and
part-time students on the main campus, six off-campus centers and at various
businesses and industries in Northern Maine.

ORGANIZATION:
Northern Maine Technical College (NMTC), is a State of Maine supported,
accredited, postsecondary institution, governed by the Board of Trustees of the
Maine Technical College System under provisions of Title 20-A, Chapter 431
M.R.S.A.

The College began classes in 1963 and is located on an 87-acre tract adjacent to
Skyway Industrial Park in Presque Isle. The college continues to upgrade
programs and equipment to reflect current technology utilized by business and
industry.

In 1995 - 96 NMTC offered instruction in 26 occupational programs. NMTC offers
two-year Associate Degree, two-year Diploma and one-year Certificate programs.

PROGRAM:
NMTC served 889 full - and part-time students in 26 different technical programs
during FY96. Commencement figures indicated that 251 students completed college
programs. Annual job placement figures for the 1993 - 1994 year were favorable
with over 80 percent of graduates gainfully employed. During FY96, over 100
people were served through courses at off-campus centers throughout Aroostook
County.

Additionally, the Continuing Education Division continued to offer numerous
special programs such as: National Electric Code Update, Tax Seminars, Class I
Driving Academy, Electrical/Electronic Training, Customized Computer Instruction,
Forty Hour Hazmat Training, Childcare Assistant Training, Ethics Seminars, Notary
Public Classes, and Internet training.

About 1,500 students participated in non-credit courses. Over 5,000 individuals
used campus facilities for general meetings, workshops, and seminars.
Southern Maine Technical College is dedicated to providing a high quality program of instruction which not only recognizes the importance of technical knowledge and development of skills, but, in addition, the need to develop a comprehensive work ethic and effective interpersonal skills. The college believes in an integrated technical and related education as necessary throughout the occupational curriculum to enable students to develop a self-awareness and social responsibility to successfully compete in a chosen occupational field.

Organization:
Southern Maine Technical College was founded in 1946 and was operated as a day school for six years in the Vicery-Hill Building in Augusta as the Maine Vocational Institute. An ever-increasing enrollment, however, and the rapid growth of the technological sciences, necessitated more comprehensive facilities. During the summer of 1952 the Institute was moved to the former site of Fort Preble in South Portland. In 1964 the addition of other vocational-technical institutes within the state required the name to be changed to Southern Maine Vocational-Technical Institute (SMVTI). In 1989, the 114th Maine Legislature enacted Public Law, Chapter 443, "An Act to Enhance the Status of Vocational-Technical Education in Maine," officially changing the names of the Vocational-Technical Institutes to Technical Colleges. Effective September 30, 1989, by recommendation of the Board of Trustees, SMVTI became Southern Maine Technical College.

The present SMTC campus of approximately 80 acres now consists of 47 buildings, ranging from the technical instruction facilities to residence halls. A total of 14 departments comprise the 35 technical programs on campus. SMTC is governed by the Board of Trustees of the Maine Technical College System, under provisions of Title 20-A, Chapter 431, M.R.S.A.

Program:
The 1995–96 year at SMTC brought strong enrollment in both regular day programs
and through the Continuing Education Division. Enrollment of regular day and evening students, deferred admissions, deferred degree and special students totaled 2,365 in the fall of 1995. Freshmen enrollment totaled 869. Over 10,000 persons were served through the Adult and Continuing Education Division in courses for upgrading, retraining and apprentices. The Division also provided courses for over 30 area industries, businesses, trade associations, Job Training Partnership Act programs, and communities to assist in upgrading personnel. These courses were offered in-plant and on campus and were specifically designed for the industry. Through the Maine Quality Centers program, education and training services were provided to IDEXX Laboratories, Blue Cross and Blue Shield of Maine, and National Semiconductor.

Approximately 700 students received $3.5 million in student financial aid during 1995-96. Needy students applied for a variety of student assistance programs, including Federal Pell Grant, Federal Supplemental Educational Opportunity Grant, Federal College Work Study, SMTCL Student Labor, SMTCL grants/scholarships, Federal Family Education Loan Programs, and various State Scholarships. Applications for student aid increased by 13% over the previous year to a record number of 1,825 applications.

In 1995, 83% of the graduates responding to the annual follow-up survey reported that they had found employment. Twenty-two percent of the graduates responding to the survey indicated that they were pursuing some level of additional education.

business and industry that lead to enhanced economic development of the state and region.

ORGANIZATION:
Washington County Technical College (WCTC) was established in 1969 and is located on two unique campuses. The Calais campus, on the outskirts of town overlooking the St Croix River, ranges over 400 acres of rolling, open fields fringed by a thick evergreen forest. Modern, functional buildings house the classrooms, labs, library, gymnasium, and theater for use by students and the community. On-campus apartments provide residential housing for students. The second campus, the Marine Technology Center, is located on Deep Cove on the Passamaquoddy Bay in Eastport. In addition to classrooms, labs, administrative offices, library and all-purpose room, this facility includes a deep water pier and working boat yard.

WCTC is governed by the Board of Trustees of the Maine Technical College System under provisions of Title 20-A, Chapter 431 M.R.S.A. The President, Ronald P. Renaud, is the chief executive officer, assisted by the Vice President/Academic Dean. In addition to the President and Vice President, the Management Team is made up of the Director of Finance, the Dean of Students, the Director of the Marine Technology Center, and the Physical Plant Director. The chairs of the six Academic Departments make up the Academic Council. The Departments are: General Education, Mechanical Technology, Marine Technology, Construction Technology, Business Studies, and Food and Hospitality Services. The Institutional Advisory Council, made up of community leaders, gives guidance to WCTC concerning future direction. Additionally, each program of study has a program advisory committee made up of employers and experts in the technology area who give input on curriculum, equipment and staffing.

PROGRAM:
WCTC, which is accredited by the New England Association of Schools and Colleges, enrolls approximately 450 students in credit programs. Surveys indicate most of the graduates of the college are employed in the occupation for which they were trained. Over 1,000 individuals are enrolled in educational activities provided by the Continuing Education Division.

WCTC offers the following programs. ASSOCIATE DEGREES IN APPLIED SCIENCE include: Construction Technology, with specialization in Building Construction; Food and Hospitality Service with specialization in Dietary Management; General Technology; Marine Technology with specialization in Boat Building Technology; Mechanical Technology with specialization in Vehicle Service; Office Information Systems; Trade and Technical Occupations; and Workplace Technology. DIPLOMA options include: Boatbuilding Technology, Building Construction Technology, Food and Hospitality Service, Mechanical Technology and Residential and Commercial Electricity Technology. CERTIFICATES are available in: Automotive Technology; Diesel Technology; Heating Technology; Heavy Equipment Maintenance Technology; Heavy Equipment Operation Technology; Medical Office Technology; Marine Mechanics Technology; Plumbing Technology; Office Professional Technology; and Welding Technology.

The Continuing Education Division partners with business and industry in the area to provide update and training to the workers of Washington County, in addition to providing avocational courses for the community. Additionally, the Calais Center of the University of Maine at Machias is housed on campus, providing upper division opportunities to residents of Calais and the surrounding area through ITV and live classes.

YORK COUNTY TECHNICAL COLLEGE
DARREL W. STAAT, PRESIDENT

Central Office: ROUTE ONE, WELLS, ME 04090
Mail Address: P.O. BOX 529, WELLS, ME 04090-0529  FAX: (207) 646-9675
Established: 1994  Telephone: (207) 646-9282
Reference: Policy Area: 02  Umbrella: 99  Unit: 580  Citation: T0020A  M.R.S.A., Sect.: 000012714

PURPOSE:
The mission of York County Technical College is three-fold: to provide education for individuals leading to jobs and self-fulfillment; to offer training for business and industry to meet upgrade and new hire standards; and to participate in economic development initiatives for York County and the State of Maine.

ORGANIZATION:
York County Technical College was established in April 1994 by the 116th Legislature pursuant to Public Law, Chapter 707, M.R.S.A., following a special study commissioned by the Legislature to examine the need for postsecondary technical education in York County. In the Fall of 1995, the College opened to its first class of students in rental facilities in Wells. A permanent campus is planned for completion in 1997. The College began with three degree programs and two certificate programs in Computer Applications Technology, Office Information Management, and Hospitality Management. For Fall 1996, the college will add associate degree programs in Business Management, Computer Aided Drafting, Culinary Arts and Early Childhood Education, and certificate programs in Food Service and Early Childhood Education Specialists. Planning is underway for additional programs in Electronics, Automotive Technology, and Heating, Ventilation & Air Conditioning.

York County Technical College is governed by the Board of Trustees of the Maine Technical College System, under the provisions of Title 20-A, Chapter 431, M.R.S.A.

PROGRAM:
YCTC will have an enrollment capacity of 600 day students and 600 evening students, for a total enrollment potential of 1,200. The College offers specialized training to business and industry throughout York County. A Continuing Education program is also available during the day, in the evenings and on weekends. The College’s programs and courses were selected in response to the needs identified through a survey of 4,300 York County employers. This survey indicated that the greatest need for skilled employees in the region is in computer functions and applications. As a result, YCTC has purchased the latest computer technology available and all of its programs will require computer proficiency.

Reference: Policy Area: 05 Umbrella: 99 Unit: 397 Citation: T0037B M.R.S.A., Sect.: 000000603

PURPOSE:
The Board of Trustees of the Maine Veterans' Homes was established to plan, build and manage homes for Veterans, their spouses, and widowers. There are currently six State Veterans Homes with a total of 640 beds.

ORGANIZATION:
The Board of Trustees of the Maine Veterans' Homes was established in 1977 and consists of 11 members appointed by the Governor for overlapping terms of three years under limitations provided by statute. One member must be a female veteran. The Board elects a Chairman, Vice Chairman and Secretary from its members. The members of the Board serve without pay, but may be reimbursed for expenses. The Board must meet at least six times annually.
PROGRAM:
Maine Veterans' Homes has three 150-bed nursing home facilities located in Augusta, Bangor, and Scarborough. Each of these homes include a 40-bed skilled nursing and rehabilitation unit, a 40-bed long term care unit, a 40-bed secured unit for Dementia and Alzheimer patients, and a 30-bed Residential Care Unit. Additionally, there is a 70-bed facility in Caribou and a 90-bed facility in South Paris. These homes focus on skilled care, long term care, and have Residential Care beds. The most recent addition to Maine Veterans' Homes is a 30-bed Residential Care facility in Machias. Seventy-five percent of all admissions are reserved for Veterans, but other candidates for admission include the spouse of the veteran, widow or widower of such veteran, and Gold Star Parents, in need of nursing home care and residential care.
