“Twenty years from now you will be more disappointed by the things you didn't do than by the ones you did do... Sail away from safe harbor...Explore.”

Mark Twain

Buy a Maine State Ferry Excursion ticket and enjoy a round-trip sightseeing voyage to any one of five islands in the beautiful Penobscot Bay region. Foot passengers can sit back and enjoy the wonderful breezes and spectacular views, travel to a charming island and then return to the mainland on the next consecutive leg of the ferry's journey.

This means you must return on the *very next available return trip* from the island. Arrival and departure times for each of the islands can be found on our web site.

Choose spring, summer or fall. Ferry Excursion tickets are valid for travel seven days a week from May 25th to October 15th. Excursion tickets are not sold for the very last trip of the day to the island.
