

Phillips Maine Aug 12th 1862 94B

Dear Sir - There is a man in this town by the name of Wm. Sawyer who says he has deserted from the U. S. army, I think he belonged in one of the ~~vern~~ Vermont Regiments, but this is ^{his} native place, his father lives here. He threatens death to any one who attempts to take him, We think he should be taken back -

Yours Truly

B. T. Parker
