MEMORANDUM:
The Adjutant General's Office
Augusta, June 27, 1917

Subject: Registration of discharged National Guardsmen.

1. Under paragraph 40, Registration Regulations for the selective draft, each registration board is charged with the duty of registering persons who, for any reason, did not register June 5, 1917. In order to prevent the failure to register of eligible persons, men about to be discharged from the National Guard not in Federal service should be informed by company commanders of their obligation to register. The registration board at the home address of men about to be discharged should be furnished with the names of such men, and advised that they are obliged to register.

2. Company commanders will furnish registration boards with the names of all men whose home addresses are within their respective jurisdictions, who have been discharged since June 5, 1917.

GEORGE McL. PRESSON,
The Adjutant General.
