MAINE STATE LIBRARY

JOBS OF THE FUTURE

The WORK/EDUCATION RESOURCE CENTER is a free lending library of over 1500 career-related materials. The materials in the W/ERC are available in many formats, including audio-visual, print and software, and for many age levels, kindergarten through adult.

This specialized list does not include all the materials in the center, but just those coded for a specific subject area. On the following pages, you will find the title numbers and titles for a particular subject. Information on type of material, audience and grade level are also included.

PLEASE NOTE: many of the materials can be used with more than one audience or level. The audience code is the primary audience. The level code is usually the lowest level appropriate. Please take these as guidelines. Many materials listed 9-12 would also be appropriate for use with adults.

Print materials may be borrowed for 4 weeks; audio-visual materials for 2 weeks. To borrow materials, please call Monday through Friday, 8 a.m. to 5 p.m. If you wish to visit the W/ERC, please call for an appointment.
