Swarthy beauties, with black tresses

By those names we call sublime.

Much more beautiful than they-

I have dreamed of radiant virgins,

Angel-eyed and heart-entrancing, But they vanished at the day.

I have known some dainty Damsels,

Gay and brilliant, sweet as are

As the notes of my guitar.

Now, I read no antique folios;

Now, I know a little Lady,

With a coronet of gold.

Now, I list no glowing tales; Now, I dream no dreams of Houris,

Dwellers in the Blissful Vales:

G. ander than the Queens of old,

Though her tresses are not circled

She is crowned with all the radiance

Of a sinless, stainless youth;

And her riches are her meekness,

Beauty, chastity and truth.

Modest, unpretending looks,

Who'd not love her for her gentle,

And her plantive voice, far sweeter

Than are told of in the books!

FRIENDS AND RELATIVES

OFTHE BRAVE SOLDIERS AND SAILORS.

HOLLOWAY'S PILLS And CINTMENT.

All who have Friends or Relatives in the Army or Navy should take especial care that they be amp'y supplied with these Pills and Ointment; and where the Brave Soldiers and Sailors have neglected to provide themselves with them, no better present can be sent them by their Friends. They have been proved to be the Soldier's never-failing-friend in the hour of need.

Coughs and Colds affecting Troops. Will be speedfly relieved and effectually cured by using these admirable medicines, and by paying proper attention to the directions which are attached to each pot or box. ick Headaches and Want of Appetite

Incidental to Soldiers. Those feelings which so sadden us usually arise from trouble or annoyances, obstructed perspiration, or eating and drinking whatever is unwholsome, thus disturbing the healthful action of the liver and stomach.— These organs must be relieved, if you desire to be well. The Pills taken according to the printed instructions, will quickly produce a healthy action in both liver and stomach, and as a natural consequence a clear head and good appetite.

Weakness or Debility induced by Over Fatigue.

Will soon disappear by the use of these in valuable Pills, and the Soldier will quickly acquire additional strength. Never let the Bowels be either confined or unduly acted Bowels be either confined or unduly acted upon It may seem strange that Holloway's Fills should be recommended for Dysentery and Flux, many persons supposing that they would increase the relaxation. This is a great mistake, for these pills will correct the liver and stomach, and thus remove all the acrid humors from the system, however deranged, while health and strength follow as a matter of course Nothing will stop the relaxation of the Bowels so sure as this famous medicine.
