Original Poetrn. More Light. EY LEAH LEP. God said, "Let there be light,"

And light from darkness sprang; Then shouted all his sons for joy, The stars together sang.

The darkness fled away, At the approach of light, The glorious sun made glåd the day,

And paler o by the night. Then stood the mountains fo.th

The skies 1 ut on their blue. The grass and groves dressed up in green The floowers in every hue.

Yet though so busily, Wrought the enchantress, change, Long ages of the light it took.

That chaos to arrange. 114 said, "Let there be light And though the sons of darkness raged, He vacquished moral night.

He made a protherhood, Of man on every shore, That nation, creed, or sect, or blood,

Should ver this boud no more. "eanse the world from sin. 1. C. And ..... alroad his grace, He gave his life, yet centuries failed, To purity our race.

Nor is this cry appeased : Ner shall it ever be : More light," the watch word of the soul,

Our Storn Teller.

Libic's Lecture.

BY MRS. H. M. LADD WARNER.
