

Weddysbump Sept-19th 1862.
General

Your instructions of the 15th was duly received. I have agreed with Mr Dyer of Cabair to take Henry. I have written to the Yailor to take him up to Westly so to meet Mr Dyer there on Friday. I intended to have obeyed your order to arrest Henry of Jackson Brook after I got through the Western part of the County. I hear he is at home and has been ever since I saw him there.

Harrison Darnow of Whiting has gone to Boston in a Coaster from East Meachias. I agreed with a Mr Ramsdall to knob him shall I command it.

Worria Keef the man that I arrested at Meachias was helped away. There is the damdest set of villians in Meachias that I have found in the whole County.

Keef I think has gone to Bangor. Please instruct me what I shall say to Ramsdall.

I remain your Oth. Servant.
