TWO PALACE CAMPS FOR LOBSTER LAKE

Will Cost \$10,000 Each—Other Notes In and About Mt. Kineo.

(Special to Maine Woods).

Kineo, Moosehead Lake, Aug. 17.—A period marked by fitful spells of rain and shine has not prevented the large number of summer vacationists at this point from enjoying themselves. Picnics, motor boating, golf and tennis, horseback riding, rifle shooting—in fact all the outdoor pastimes have gone on just the same and everybody has mixed some strenuousness with his summer sylvan simplicity. But if showers have scattered some picnic parties, they have emphasized the indoor gaieties. There have been card parties, dinners, yacht club functions and no end of social affairs. Never were there so many people dancing, and during some of the stormy periods there have been morning dances in the large music room.

More and more this region is becoming a big summer playground. Few people in the state realize its development. As a sign of progress it may be stated that two camps are being built on Lobster Lake, each to cost in the neighborhood of \$10,000. One is owned by Dr. H. F. Donohue of Bayonne, N. J., and the other by J. H. Hyde of Bath.

A large number were greatly amused by a "graveyard golf" contest, which was won by Dr. G. H. Sexsmith of Bayonne, N. J. The fair greens were dotted with American flags having appropriate epitaphs attached, where the players ended.

The mid-summer fishing is more

like spring; salmon are reported around the mouth of Moose river. Benj. Thaw, Jr., cousin of Harry Thaw, hooked a 2½-pounder. The record square-tail for a number of years was taken this week by C. H. Pfeiffer of New York, a 6-pounder.

Social life as been gay to the point of strenuous. C. M. Clarke of New York gave an evening of cards and dancing to 70 at the Yacht Club Monday. Mrs. John Jay Hicks of New Bedford was winner of a prize at an afternoon card party to thirty ladies given by Mrs. C. W. Middleton of Philadelphia.

Mr. and Mrs. A. B. Waring of New York, entertaining Mr. and Mrs. Dan. G. Tenny of Methuen, and Mrs. Grace Starr Tyson, at their camp, have given a number of parties during this week. One was a "rainy-day" picnic at the Mt. Kineo, another a brilliant dinner to eighteen at the yacht, besides several sailing parties on the "Toneta." Among those sharing these pleasures were Geo. J. Lovely of Boston; Mrs. W. A. McGibbon, Mrs. M. D. Paterson, Mrs. J. Riley Gordon of New York; Rev. Wm. Bradford of the British embassy; and Judge and Mrs. A. W. Seeligson of San Antonio.

C. J. McCarthy, proprietor of the Quincy House, Boston, is at the Mt. Kineo for two weeks and will join Dr. Silas Pierce and Dr. E. H. Nichols of Boston at Northeast Carry, where they are stopping.

J. R. McKee and son, Benjamin Harrison McKee, have joined Mrs. McKee and Miss Mary McKee here for August.

Louis Joseph Vance, the author, and his family are at West Outlet camps for the summer.

Among all the outdoor pastimes motor boating ranks first the past week, with the ladies' race for costly trophies offered by Rear

Commodore A. B. Waring leading. Mrs. W. S. Blake of Boston, in the Carrie B., was first over the line in a field of fourteen. Second prize went to Miss Clarice Paterson of New York. The Blitz, belonging to Robert N. Nye of Springfield, was piloted into third position by Miss Marguerite Balke of Boston, who is stopping at West Outlet for the summer.

At rifle shooting on hillside range C. M. Clark of New York broke the summer's record getting 82 out of 100. G. Allen Smith of Philadelphia took a commanding lead in the continuous score contest, best three targets. Mrs. J. K. Clarke of Ardmore secured honor position among the women.

Miss Emmie Goetze and Miss Hazel Hopkins of Brooklyn were members of a jolly group of young ladies, camping on Belgrade lakes who were guests at Kineo for a few days of Mrs. Henry Wentz of Manhattan. Others in the party were Miss Eleanor Singloff, Morristown, N. J., Miss Marguerite Turner, Chestnut Hill, Boston, Miss Margaret Haight of Torrington, Conn., Miss Madge A. Dunnell and Miss Jessie McLean of Manhattan.

Mr. and Mrs. J. H. Townsend of New York, with the son, J. D., and daughter, Miss Elizabeth are here for August. The young people found a number of friends among the younger set.

Miss Francis E. Buck and Miss Carolyn Buck, here with their parents, Mr. and Mrs. Clifton Buck of Devon, Pa., are enjoying Kineo, having found a number of acquaintances among the young people on the point.

Senator and Mrs. W. E. Edge of Atlanta City, who have been here for two weeks made the journey from that point to Moosehead by auto.

Col. and Mrs. F. L. Bigelow of New Haven, friends of Mr. and Mrs. H. C. Warren of the same town, are at Kineo for August.

Mrs. J. D. Dusenberry and Miss Cozzens of New York have been joined by Mrs. Dusenberry's mother, Mrs. J. B. Cozzens.

Mr. and Mrs. Arthur D. Little and Royal Little have joined Mrs. John Jay Hicks of New Bedford, having made the trip from their home in Brookline by auto.

Mr. and Mrs. Henry Tatnall and H. Chase Tatnall of Philadelphia here for August, came in Mr. Tatnall's private car, Mr. Tatnall being an official of the Pennsylvania railroad. They will be joined later by Dr. and Mrs. Ernschaw of Philadelphia.

The private car of Henry Tatnall reached Greenville, at the foot of the lake this week, and Mr. and Mrs. Tatnall and H. C. Tatnall proceeded to Kineo by steamer, where they will spend the remainder of the season.

The Messrs. Gay also of Philadelphia, arrived recently.

Dr. and Mrs. H. W. Stellwagen have just purchased a motor boat, which increases the attractive fleet of the Moosehead Lake Yacht club.

A farewell dinner to the Misses Harris of South Orange, N. J., popular members of the summer colony afforded pleasure to the members of the younger set. The merry group, chaperoned by Mr. and Mrs. R. F. Decker of Summit, N. J., included Misses Mae, Ruth, Edith and Lewis Harris, Miss Virginia Gordon, Miss Elizabeth Townsend Paul Feuchtwanger, J. H. Townsend, Eugene Coler, of Manhattan; J. C. Lee, Clinton Sheaffer, Lesley Sheaffer, Pottsville, Pa.; Arthur Seeligson, San Antonio, Texas; Miss Betty Smith, G. Allen Smith, Howard Rowland, Miss Francis Busk, Philadelphia; Miss Marguerite Blake, Boston; R. N. Nye, Springfield, Mass.

Recent arrivals at the new Mt. Kineo include: Mrs. J. B. Cozzens, Mr. and Mrs. Morgan Schudder, F. C. Dodd, M. R. Mattier, A. A. McLean, Lieut. H. C. McLean, Mrs. Herschel C. Parker, Chas. F. Nagel, Jr., W. F. Norris, B. H. McKee, J. R. McKee, Howard M. Peck, Mrs. E. H. Peck, A. Dobmeyer, Mr. and Mrs. H. E. Duncan, Louis F. Doyle, Mrs. John M. Carter, Jr., Mr. and Mrs. J. Astor Cup Won and a New Record Made

WITH

Peters Semi-Smokeless Ammunition

The Iowa City (Iowa) High School Team, winner of the 1912 Inter Scholastic Championship won a still more important victory in the Annual Match for the Astor Cup. Eighteen teams were entered; the Iowa City organization not only won the cup, but established a new record

980 out of a possible 1000

This is 8 points above the best previous Inter-Scholastic score 972 made by the Iowa City Team, and 7 points higher than the best score in the 1912 Inter-Collegiate matches.

The scores made by these boys are unprecedented in the history of rifle shooting, and demonstrate what can be done by a combination of marksmanship, good coaching and PERFECT AMMUNITION.

WILL HUNT IN MAINE.

Editor of Maine Woods:
Brooklyn, N. Y., Aug. 7, 1912.

I note by the blue stamp on my paper that my subscription has expired and am pleased to enclose check for two years renewal. This is in a measure self inflicted punishment for each week I am made homesick and envious when reading of the good times and successes of fellow sportsmen, while I am detained here in New York to watch the wheels of industry. However, your game laws offer me some consolation and if the mill that grinds out my shackles continues to operate successfully until October, I expect to shoulder my Winchester for a month's sport with my "old cronies" up in the great and ever beautiful reception room of Northern Maine.

With good wishes, I am,
Very sincerely yours,
Franklin A. Higgins.

GOING TO CARRABASSET.

Editor Maine Woods:
Note that my subscription to Maine Woods has expired and having derived so much valuable information from its columns to benefit an outing we have arranged for a party to spend several weeks latter part of August in the vicinity of Carrabasset, and for further information enclose \$1 for the renewal of my subscription.

BLESSING OF THE

BELL AT OQUOSSOC

Services Were in Nature of Memorial to a Young Girl--Story of the Event.

(Special to Maine Woods).

Oquossoc, Aug. 16.

The blessing of the bell, a most solemn and impressive service carried out according to the ritual of the Catholic church, occurred at the "Cathedral in the Woods," as many call the Catholic church at Oquossoc, on Thursday, Aug. 15.

The occasion was the solemn blessing of the new bell and hanging it in the belfry of the church, that rings to warn the people of their duty to God in calling them to divine service.

Owing to the inability of the Rt. Rev. Bishop to be present on the occasion, the rector of the church, Rev. Fr. T. J. McLaughlin, was delegated to perform the solemn service.

The services in themselves are full of meaning and significance. After the celebration of Holy Mass by Rev. Fr. J. F. Kennedy of St. John's college, Brooklyn, N. Y., during which a special choir rendered fine music, Rev. Fr. McDougall of St. Joseph's college, St. Joseph's, N. B., delivered a strong and favorable sermon explaining the services about to follow and giving a history of church bells.

Rev. Fr. McLaughlin delegated for the ceremony, vested in the sacred robes of his holy office, assisted by Rev. Fr. Kennedy and Rev. Fr. McDougall, proceeded with the solemn service.

Psalms were recited, prayers were chanted, water blessed for the cleansing and purifying of the bell. Then the bell was anointed with holy oils, and prayers full of deep unction and meaning concluded the ceremony.

The bell was placed on a pedestal at the sanctuary gates and beautiful flowers decorated the altar and bell. Keating Johnson of Rosemont, Penn., was sponsor for the bell that was given by his family in memory of his sister, who on Aug. 6, 1912 gave up her life at the Birches, and whose name is inscribed on the bell and under a most beautiful window back of the altar, given in her memory. He was delegatd to ring the bell for the first time and there was a hush over the audience and many an eye was dim with tears as the priest asked all to listen as if to the voice of the sweet child asking all to worship God, and her brother stepped forward and struck the bell.

The service closed with solemn benediction of the Blessed Sacrament and the audience, which included many non-catholics, passed from the church and the bell was carried out and many gladly took hold of the ropes and pulled it to its place in the belfry of the church of Our Lady of the Lakes. Keating Johnson rang it, and as for the first time the voice of the bell was heard for many miles through the woods of Maine and across the lakes, it made a deep impression upon all and for many years to come may it call all to come and praise our blessed Lord and Master.

The Imp

A 70 Grain Bullet and a 6 Foot Bear

“A SINGLE shot and a six foot bear stone dead in his tracks,” says Mr. L. D. Ricker of Ardmore, Okla.

“A Catalina goat with a single shot at 300 yards,” says Mr. John L. Colby of Santa Barbara, Cal.

And the Imp continues to demonstrate its killing qualities on game.

The .22 Savage Hi Power Rifle, “The Imp,” with its 70 grain bullet, is “The biggest little gun in the world.” Its velocity is 100 feet per second higher than the U. S. Springfield, cuts trajectory in half, doubles accurate range on large game, its shocking and killing power actually exceeding that of the .30-30 bullet.

Think of 23 consecutive bullsees at 500 yards. Think of knocking down deader than a heaving the animals mentioned above with a single shot. Think of recoil scarcely greater than the ordinary .22 Target rifle.

E. C. Crossman, America's greatest firearms authority, calls the Savage .22 Hi Power, The Imp, “the biggest little gun in the world.” Weight only 6 1/4 pounds.

And yet this gun is safe to use in settled districts.

The .22 Savage Hi Power Cartridge was designed by Mr. Chas. Newton, Pioneer developer of high power cartridges of high concentration.

Furnished in Model 1899 Featherweight Takedown style only, hammerless, six shot, six pounds, 20" high pressure smokeless steel barrel. Write us for particulars.

The Bauchle cup to the winner of the greatest number of points in the water sports was awarded to Kenneth Wood.

The membership has shown a gratifying increase and it is hoped that before long every motor boat on the lake will be flying their colors.

A motor boat race for the Commodore's cup presented by Commodore W. P. Mason, will be held at an early date.

H. P. Smith has presented the Oquossoc Motor Boat club with a mounted, breech-loading, brass yacht gun, 29 inches long and 6-inch breech.

TENNIS ROOTERS WERE JUBILANT

Mooselookmeguntic House Wins Over Mt. View by Large Score---Story of Games.

(Special to Maine Woods).
Mooselookmeguntic House, Aug. 19.—Rooters for the house were jubilant over the results of the tennis tournament that commenced here Friday afternoon and concluded Saturday afternoon, the Mooselookmeguntic House team being a large winner.
In the men's doubles Ruprecht and Bissell played for Mountain View and Johnson and Dr. Hussey for the house. In the second men's doubles Mountain View was represented by Johnson and Dr. Hussey and the house by Towle and Willets.
In the mixed doubles Mountain View lined up Miss Comstack and Sayer against Johnson and Willets for the house. The first mens doubles was won 6-1, 6-1, by the house, the second doubles, 4-6, 6-3 8-6, by the house and the third, mixed doubles, 7-5, 8-6, by the landing.

The middle match was most even although Mountain View seemed a bit rattled by the good playing of Johnson. The third match was the most interesting to many because of two girls competing, Misses Willets and Comstack. Both girls played even games and fought it out with each other in a most interesting manner. They played with even strokes before a very appreciative audience. The match ended about 5:30 p. m.

The singles played and finished on Saturday:

1st match: Between Dr. Hussey of Haines Landing against Willard of Mountain View, Dr. Hussey won 6-4, 6-0.

Second match: Between Dr. Woole of Haines' Landing and Johnson of Mountain View. Woolsey won 7-5, 6-2.

3rd match: Between Reprecht of Mountain View against Willets of Haines Landing. Willets won, 6-1, 6-1.

The second match, between Woolsey and Johnson was very interesting. However, Johnson did not play the game that he is capable of playing. With a little chance for practice, Johnson could undoubtedly play a fine game.

In the third match, between Ruprecht and Willets, Reprecht had unusually hard luck.

The fourth match, between Towle and Sayer was without doubt, the most exciting. They were both very evenly matched and had to play the third set to decide the match.

4th match, Towle of Haines Landing played Sayer of Mountain View. Towle won 6-4, 5-7, 6-3.

About the same number of people were present Saturday afternoon as Friday. The weather was ideal there being not enough wind to interfere with the playing in any way. The matches were unusually even and interesting. In the first match Willard did not play up to his regular game. He had rather hard luck and without doubt will show up well in the next match which we hope may be arranged sometime this week.

BIG SALMON BIT LEWIS YORK'S HAND

Proprietor of Loon Lake Camps Tells of the Capture of an 18-lb. Salmon.

(Special to Maine Woods).
York Camps, Loon Lake, Aug. 20.—"After the salmon had been hooked and played for a long time I plunged into the lake and grabbed him by the gills. See, he bit me on the palm of the hand. When the salmon was brought to camp he was still flopping and there are guests here now who saw him flop about."—Proprietor Lewis York, describing the manner in which he claims an 18 pound salmon was taken at Loon Lake recently.

Yes, Proprietor Lewis York of York camps is firm in his statement that an 18 pound salmon was taken from the cool waters of Loon Lake by S. H. Hawker of St. Johns, N. B. There have been doubting Thomases who have scouted the report that an 18 pounder had been captured, and one person went so far as to say that the fish was brought to

a few sticks of wood and the deed is done. The new camps are as comfortable as an ice cream soda on a hot day. There are twins in each camp, meaning twin beds, and the bath rooms look good in their porcelain whiteness.

The much photographed "chore boy" at the camps raises and lowers the flag in uniform. While about his ordinary duties of wheeling wood, etc., he does not wear a very elaborate costume, but when the time arrives in the morning to raise the flag he dons a suit of kahki. After the flag is up he removes the suit, to replace it when it is time to furl the flag for the night. And the little old man never forgets to salute the flag.

Sometimes the camps have the appearance of a deserted village. "The reason is," explains Proprietor York, "that there are so many places to go."

Some of the very recent arrivals at the camps include: Mr. and Mrs. F. L. Wilcox, Berlin, Conn.; Margaret W. Wilcox, Samuel C. and Miss Elizabeth P. Wilcox, New York; Miss Helen L. Rohm, Berlin Conn.; Frederick W. Benham, New Britain, Conn.; Mr. and Mrs. J. S. Maxey, and Miss Helen B. Maxey, Gardiner; C. T. Harbuk, New York; Roy Atkinson, Maine Woods.

MERRY DANCE AT PICKFORD'S CAMPS

Guests Enjoyed Watching the Young Folk. Dance Old Time Favorites.

(Special to Maine Woods).
Pickford's Camps, Aug. 10.—Harry Pickford was host to a large party of young people from Rangeley Friday night, who came at his invitation to dance in the new casino. Some of the guests arrived in automobiles and others, yes, many others, came in boats and motor boats.

The casino was the scene of gayety until midnight. The Rangeley orchestra furnished music for the dancing. When the dance was about half concluded refreshments of raspberry sherbert and cake were served by some of the young women connected with the place.

Among those present were a number of the employees of various guests of the camps, while from Rangeley came a number of the employees of the Rangeley Lake House and Tavern. The young folks of the village were also well represented in the gathering.

Some of the old time dances seemed popular, the Lady of the Lake, Boston Fancy, Portland Fancy and others coming in for their share of attention.

The casino, which is a very attractive addition to the camps, was well filled from early in the evening until the last strains of music died away. Some of the guests of the camp found enjoyment in watching the old time dances.

GUNS TO CRACK AT PINEHURST

Sixth Annual Handicap Trap Shooting Tournament In January.

Although the dates of the sixth Annual Midwinter Handicap Trap Shooting Tournament, scheduled at Pinehurst, North Carolina, for January 22, 23, 24 and 25 are some months distant, one hears a good deal about this event which for class has no parallel in America.

The lavish added money amounting to twenty-five hundred dollars, is of course, the big card and with a guarantee of five hundred dollars to the winner of the Handicap and opportunities offered in sweepstakes the Preliminary, not to mention two hundred dollars to the winner of and additional optional sweeps, the shoot certainly offers rare opportunities for the culling of choice plums.

The special innovation of the coming shoot is the provision for the field (the average shot) which will be divided into three classes through preliminary shoots, not alone contesting for the chief trophies, but for division trophies as well.
