

## Obituary

Diana N. Hosmer.

Diana N. Hosmer, wife of the late Ira Hosmer of Weld, passed away at her home in East Wilton, March 18, aged 93 years and 18 days. She was the daughter of John and Lydia Dunham Kinney, born in Madrid Feb. 29, 1820. She was one of 13 children, only one now living being Mrs. Lavina Taylor of Phillips.

Her early life was passed in her native town from which place she was married July 6, 1852. The home which she entered contained four beautiful children by a former marriage. Joseph, a boy of 16 years, who passed away Jan 5, 1910, at his home in Manchester, N. H.; Susan, aged 14 years, now Mrs. W. E. Littlefield of Dorchester, Mass.; Chas. aged 12, who passed away April 1, 1894, at East Somerville, Mass., and Annie B., now Mrs. R. C. Huntress, of Stoneham, Mass. Between the mother and these children the fondest affection existed. Of this union four children were born: Harriet; L. Sanborn, who for the last three years has been her constant companion; Addison A. Hosmer, whose home she shared; Mrs. Lula O. Yeaton and Mrs. Jennie Hosmer Eastman.

"Grandma" Hosmer, as she was familiarly known, was particularly fortunate in having so many of her children about her as the four youngest are residents of East Wilton. Her whole life was made up of good deeds and loving thought for others. No one ever went to her for aid or sympathy and went away empty handed. Later in life her eyesight failed, then it was her daughter, Harriet, who was eyes for her as far as possible, reading aloud to her hours daily. Nothing

pleased her more than a good book. Words cannot describe her beautiful character, but the exquisite flowers sent by loving friends, testified to the high esteem in which she was held.

Wm. Douglass was in Farmington Thursday on business.

N. S. Stowell of Dixfield was in town Tuesday.

Miss Nellie Reed of Phillips is teaching the village school and is boarding at W. H. Davenport's.

Davenport & Stowell's handle mill caught fire Saturday. With the efficient help of the men the fire was gotten under control. The roof was damaged so that a new one will have to be put on; also a lot of handles were destroyed.

Miss Gertrude Davenport is in Auburn this week the guest of Mrs. Frank Reed.

Orris Vose and wife have returned from Kingfield.

Mr. and Mrs. Dana Walker visited the latter's parents, Mr. and Mrs. Warren Hinkley.

### WEST FREEMAN

April 14.

"Rain, rain, go away, and come again some other day." It begins to tell on our constitutions and we fear it's spoiling our dispositions. The snow is gradually disappearing and in its place mud is deepening but in compensation the frost is rapidly coming out of the ground. Letters from Long Island tell of green lawns and blossoming daffodils, and from Connecticut, of the peas up and growing so fast.

At the meeting of the Thimble club last Thursday it was voted to hold a pie social in two weeks from last Saturday evening, which will be April 26. All are cordially invited to come and bring pie and eat pie.

In the near future all the gentlemen, who are interested, will meet to shingle the church sheds. Please do not bring dinner pails, for the ladies of the Thimble club will provide a hot dinner at the Club House and—N. B., West Freeman ladies never yet ran short of grub. The exact date for the shingling will be given later.

Perley Wheeler, whom in our last notes we gave as Percy, has been heard from since his arrival at Montana. He is much pleased with the country and has taken up a claim of 160 acres there. There are over 20 families from Monmouth and Readfield located in his vicinity.

The gasoline engines are much in evidence in our neighborhood and wood piles are being rapidly reduced to stove length.

Sorry to note the severe illness of Mrs. Bert Huff.

Little Ella Willard is ill. Pink eye is feared.

A few of the interested ones met at the church at 1.30 p. m. Sunday to study the Sunday school lesson, but owing to the state of the travelling, not enough were present to organize a school. The meeting will be held next Sunday at the same place and hour and it is hoped that there will be more present.

Later: The sun is shining.

### HIGH PRESSURE DAYS.

Men and women alike have to work incessantly with brain and hand to hold their own nowadays. Never were the demands of business, the wants of the family, the requirements of society, more numerous. The first effect of the praiseworthy effort to keep up with all these things is commonly seen in a weakened or debilitated condition of the nervous system, which results in dyspepsia, defective nutrition of both body and brain, and in extreme cases in complete nervous prostration. It is clearly seen that what is needed is what will sustain the system, give vigor and tone to the nerves, and keep the digestive and assimilative functions healthy and active. From personal knowledge, we can recommend Hood's Sarsaparilla for this purpose. It acts on all the vital organs, builds up the whole system, and fits men and women for these high-pressure days.

## Last Spring My Health

Was completely broken down through prolonged watching at a sick bed. My appetite was gone. I was so nervous that I could not sleep. I became pale, thin, languid, tired, looked ten years older. Through physical weakness my mental condition was affected. Hood's Sarsaparilla restored me to perfect health. It aided the worn-out nerves of my stomach to do their duty. I could soon eat and sleep peacefully and felt new life course through my veins. Within six weeks I was my former self, and for a year have enjoyed the best health." Julia C. Tison, Atlantic City, N. ### Worms in Children.

By Dr. True

If mothers only knew the tortures the little ones may suffer from worms!

Thousands of children have stomach worms or pin worms and their parents do not know it. They doctor them for other ailments.

Signs of worms are:

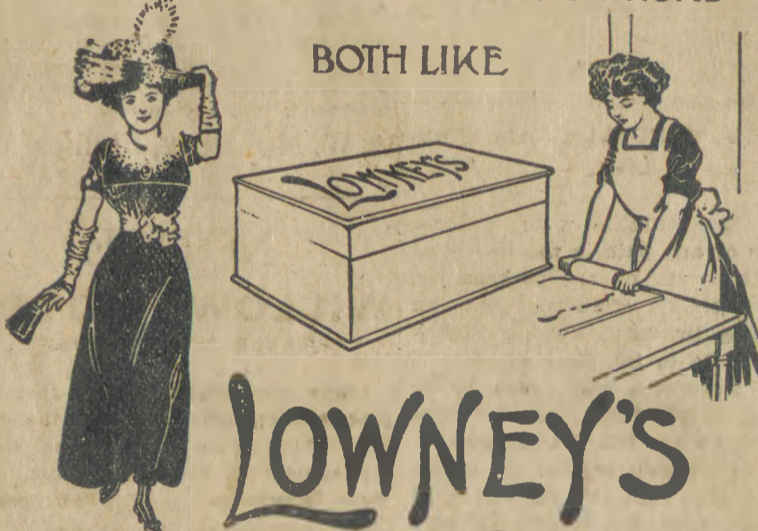

Indigestion, with a variable appetite; abnormal craving for sweets; nausea and vomiting; swollen upper lip; sour tongue; offensive breath; hard and full belly with occasional gripings and pains about the navel; face at one time flushed, then pale and in a few cases the face takes on a dull leaden hue. Eyes heavy and dull, twitching eyelids; itching of the nose; itching of the rectum; short, dry cough; grinding of the teeth; little red points sticking out on tongue; starting during sleep; slow fever; pulse quickened and irregular; body maybe hot; and often, in children, convulsions.

Don't delay! Delays are dangerous. Give the children at once some of Dr. True's Elixir. Directions on the bottle. Sold by all dealers at 35c, 50c and \$1.00. Thousands of grateful mothers have given my Dr. True's Elixir to sick children and restored them to health.

30,000 VOICES!

And Many Are the Voices of Phillips People.

Thirty thousand voices—What a grand chorus! And that's the number of American men and women who are publicly praising Doan's Kidney Pills for relief from backache, kidney and bladder ills. They say it to friends. They tell it in the home papers. Phillips people are in this chorus. Here's a Phillips case.  
Mrs. Alonzo Record, Pleasant St., Phillips, Me., says: "I cannot say too much in praise of Doan's Kidney Pills. They are the only remedy that ever gave me relief from backache and kidney trouble. I had suffered so much that I was discouraged. I had a very lame and sore back and it was hard for me to stoop. The secretions from my kidneys were irregular in passage. I had heard a great deal about Doan's Kidney Pills and finally got a box at Cragin's Drug Store (now Preble's Drug Store.) They soon relieved me and it was not long before I was cured."

Druggists Claim Hamilton's Old English Black Oil Is the Best.

The above is a strong statement, but experience right here in Phillips proves it to be really true. The evidence is positive, there is no guess work about it. R. H. Preble has been selling Hamilton's Old English Black Oil for some time and many of the customers have been in to tell of the benefits received. Hamilton's Old English Black Oil, is the greatest healer known today. One man is grateful because it cured his rheumatism, another used it in a fresh cut and said he never saw anything equal it. And we will hand you back your money cheerfully if you are not satisfied.
