KEEP THE BALANCE UP.

It has been truthfully said that any disturbance of the even balance of health causes serious trouble. Nobody can be too careful to keep this balance up. When people begin to lose appetite, or to get tired easily, the least imprudence brings on sickness, weakness, or debility. The system needs a tonic, craves it, and should not be denied it; and the best tonic of which we have any knowledge is Hood's Sarsaparilla. What this medicine has done in keeping healthy people healthy, in keeping up the even balance of health, gives it the same distinction as a preventive that it enjoys as a cure. Its early use has illustrated the wisdom of the old saying that a stitch in time saves nine. Take Hood's for appetite, strength and endurance.

Assist Nature. There are times when you should assist nature. It is now undertaking to cleanse your system—if you will take Hood's Sarsaparilla the undertaking will be successful. This great medicine purifies and builds up as nothing else does.

Obituary

Carlos Cedric.

Carlos Cedric, youngest son of Dr. and Mrs. A. C. Ross of Albion, died Friday, April 18, aged 5 years, 2 months and 25 days. His death was caused by a series of illnesses, following a critical illness at the age of two and one-half years. The most skilled physicians were in attendance and everything possible was done to save him. A surgical operation was performed when it was found to be the only chance of saving his life, but that also proved to be in vain. He was a very promising child and between his illnesses appeared strong and robust, was keen witted, lovable, full of sunshine and frolic with a degree of unselfishness remarkable in one so young. In sickness his patience and cheerfulness would have done credit to an adult. What wonder God plucked the blossom in the bud! The many friends of Dr. and Mrs. Ross extend to them their deepest sympathy in this their time of sorrow. Funeral was held in Albion Christian church, Monday, April 21. Although he never had attended school the public schools were closed and a large number attended. Frank Besse, Homer Gould, Norman Knight and Harold Davis, four young lads, acted as bearers. The floral offerings were many and beautiful. Interment was in the cemetery not far from the home of the parents.—Kennebec Journal.

The many Phillips friends of Dr. and Mrs. Ross extend sympathy to them in the loss of their little son.

If Mothers Only Knew!

By Dr. True

Nineteen-twentieths of the sickness of children have two causes: constipation and worms!

The danger of constipation is understood, but there are 50 different kinds of worms that may exist in the stomach and bowels, and children are especially apt to have them. Usually stomach and pin worms.

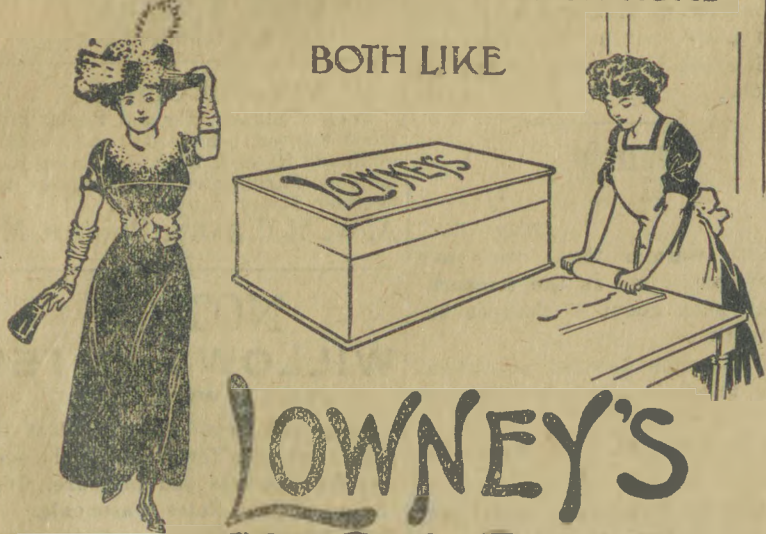

Signs of worms are: Indigestion, with a variable appetite; abnormal craving for sweets; nausea and vomiting; swollen upper lip; sour tongue; offensive breath; hard and full belly with occasional gripings and pains about the navel; face at one time flushed, then pale and in a few cases the face takes on a dull leaden hue; eyes heavy and dull, twitching eyelids; itching of the nose; itching of the rectum; short, dry cough; grinding of the teeth; little red points sticking out on tongue; starting during sleep; slow fever; pulse quickened and irregular; body may be hot; and often, in children, convulsions.

Rid the child of worms and you will have a healthy, happy child.

NOTE—Dr. True's own prescription, sold under the name of Dr. True's Elixir, is the best remedy in the world for worms. It destroys all worm life, expels worms from the body and makes the child healthy again. All dealers, 35c, 50c and \$1.00.

FEDERATED CHURCH.

Melvin Sherburne Hutchins, pastor.
 Calendar for week ending May 24.
 Sunday, May 18: 10.45, morning worship. Sermon, "The Disappointments of May." 12, Sunday school. 7.30, evening worship. Address, "The Shepherd and the Thieves."
 Thursday, May 22: 7.30, prayer meeting. Subject, Psalm 23, John 10, 1-18, "A Song of God's Leadership."

The following interesting program was rendered at the morning service at the Methodist church on Mother's day. The service opened with an instrumental selection, "Gates of Paradise;" "Mother's Day Welcome" was given by Miss Gladys Toohaker, after which the congregation joined in singing, "Faith of Our Mothers, which was written to the old tune of St. Catherine. A very appropriate solo "Give the Flowers to the Living" was rendered by Rev. Mr. Laite. A Mother's day song was sung by the congregation to the tune of America. A pretty declamation was given by Miss Lelia Ross on "Mother's New Jerusalem."
 Mr. Laite took for his subject "Our debt to Motherhood." He said, in part: "Let us render honor to whom honor is due, first of all, let us honor our mothers. The most of us owe more to them than to any other human being; they were the first person with whom we had to do in this world and for a long time was the most important person in our life.

1. Let us honor our mother for to them we owe our life. Mr. Laite used a story here to illustrate a mother's love.

2. Let us honor our mothers for to them we owe the most important part of our education. From the standpoint of education the first six to nine years are the most important in the life of a child. Obedience is learned, the habit of prayer is

formed, and the foundation of upright living is laid.

3. Honor is due to our mothers for to them we owe our homes. Home is and should be the dearest place on earth and the mother is the queen of the home. Mother creates it and dominates it, and "What is home without a mother?"

The service throughout was very impressive and the sermon, which was an eloquent tribute to the motherhood of the Nation, was enjoyed by a large and appreciative audience.

The decorations of white carnations and potted plants were very neatly arranged. The white carnations were donated by the King's Daughters, Sunday school and friends of the church.

The following persons joined the parish at this meeting: Mr. and Mrs. I. L. Eldridge, L. L. Mitchell, Mr. and Mrs. A. C. Woodard, J. E. Voter. The officers were elected as usual for the ensuing year. The pastor Rev. L. R. Schafer, who has officiated here for nearly eight years, tendered her resignation to take effect at the end of the ensuing year, which will be Aug. 31. It is with deepest regret that the parish accepted her resignation, as she has endeared herself to one and all during her sojourn in this community. There has ever been perfect harmony between pastor and people all through her ministrations here and while the church feels it will be a difficult matter to find one who can fill her place, yet for her own personal interest they sadly accept the situation.

Kimball's Liver and Stomach Pills Are Driving Indigestion Out.

Why anyone in Phillips should continue to suffer with indigestion when a bottle of Kimball's Liver and Stomach Pills will cure, is certainly a mystery. R. H. Preble has been selling Kimball's Liver and Stomach Pills for some time, and he knows from actual experience right here in his store just what Kimball's Liver and Stomach Pills will do, and if you inquire, R. H. Preble, druggist, will tell you he never knew a remedy to prove so decidedly beneficial in the treatment of indigestion and dyspepsia, palpitation, sleeplessness and other forms of stomach trouble. It certainly ought to give you confidence when you know that every bottle of Kimball's Liver and Stomach Pills is guaranteed to cure indigestion simply by toning up the stomach and digestive organs so that the food will assimilate and give strength to the system just as nature intended. Kimball's Liver and Stomach Pills are sold right on their own merits, and all you need to do is to go back to the dealer and get your money if you are not decidedly benefited.

Mr. and Mrs. Dickey were running out laths in the mill when Harry Allen, who was ploughing some distance away, discovered the mill was on fire. He quickly gave the alarm to Mr. and Mrs. Dickey, who found it was nearly consumed by fire, having caught from the smokestack. Mrs. Dickey drove to the village and gave the alarm, but before help could arrive the mill, house (the late William Allen house) and much lumber were all consumed. It is a great loss to Mr. Dickey and family, as he was doing a fine business and had no insurance on any of the property. Much sympathy is felt for them in their loss.

WEST FREEMAN

May 13.
We are enjoying (?) glorious March weather; high, wintry winds, heavy frosts. Perhaps we should appreciate a return of the warm sunny April days.

Our church sheds look well in their coat of new shingles. The day appointed for the shingling was ushered in by weeping skies but nothing daunted by the weather at an early hour 16 men assembled and soon the hammers rang merrily. The women too, were out early. Fires were built at the clubhouse and at noon the men were invited in to a bountiful dinner. The last shingles were laid long before night. The fragments of the feast (we cannot say how many baskets full) were gathered up and all departed for their homes feeling that a good work had been accomplished.

Mr. and Mrs. Ehland Webster have moved into their cottage.

Miss Bessie Webster from the Farmington Normal school was home for the week end.

The prospect is bright for an interesting school and we have considerable musical talent here and that gives an added attraction to these gatherings. Miss Carrie Hunter presided at the organ, Lee Peary accompanied her on his cornet and all joined in the singing. We hope next Sunday to welcome a much larger number.

Mrs. John Savage and little daughter, Elsie, from West New Vine-

A PHILLIPS INTERVIEW.

Mr. Tyler Tells His Experience.

The following brief account of an interview with a Phillips man some years ago, and its sequel, will be read with keen interest by every citizen.
Eben Tyler, retired farmer, Pleasant St., Phillips, Me., says: "The public statement I gave some years ago in praise of Doan's Kidney Pills was correct in every particular and I am glad to confirm it. My back pained me almost constantly for six months. I was lame and sore all over and it was hard for me to move. The secretions from my kidneys passed too frequently and my health was all run down. Finally I read of a party in town who had been cured by Doan's Kidney Pills, so I got a box at Cragin's Drug Store, (now R. H. Preble's Drug Store). The results from their use both surprised and delighted me in a short time and I am now in good health."
For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

The Minister's Sweetheart. The amusement loving people of Phillips, who enjoy a good clean drama of the pronounced type, but still with plenty of good clean comedy, plenty of sensation and heart interest, should witness the Minister's Sweetheart. It tells a touching story of heart interest, a story with a moral forcibly told, and beautiful in its pathos, it appeals to the fine sensibilities, it is a story which makes one better for the knowing, yet a tale of such dramatic force and virility that interest is heightened by every word, every situation. Special scenery is carried and an unusually talented company is promised. No one should overlook this great play which will be presented at the Opera House Saturday, May 17.—Adv.

The great calamity in Omaha was quickly overshadowed by the terribly disastrous floods in Ohio. Great suffering and sickness from colds and exposure resulted. L. Poole, 2217 California St., Omaha, writes:—"My daughter had a very severe cough and cold but Foley's Honey and Tar Compound knocked it out in no time." Refuse substitutes. R. H. Preble, Phillips; L.
