## PINES OF MAINE

by

Elizabeth Powers Merrill

(Tune: "Some day the Silver Cord will  
Break")

### 1.

O Pines of Maine, dear Pines of Maine,  
With thy proud heads uplifted high,  
Telling thy tales of days long dead  
To all the woods and streams and sky.  
O Pines upon Maine's thousand hills  
Whose perfume scents the restless air.  
Whose voices soothe our sleep at night  
Sweet as a softly murmured prayer.

### 2.

Thou art high born, O Pines of Maine  
All nature helped to give thee birth.  
Thy father was the sun and wind  
Thy mother the hard soil of earth.  
Thou toss thy dark-plumed heads on  
high  
From northern hill unto the sea  
And singe with thy songs of old  
The songs of wondrous days to be.

## COLLECT

Keep us, O God, from pettiness; let us be large in thought, in word, in deed. Let us be done with fault finding and leave off self-seeking. May we put away all pretense and meet each other face to face without self-pity and without prejudice. May we never be hasty in judgement and always generous. Teach us to put into action our better impulses, straightforward and unafraid. Let us take time for all things; make us to grow calm, serene, gentle. Grant that we may realize it is the little things that create differences; that in the big things of life we are as one. And may we strive to touch and to know the great common human heart of us all. And, O Lord God, let us forget not to be kind.
