

### ALBERT F. DONIGAN OF BINGHAM.

**I**F YOU are ever up in Bingham and your stock of goods is shy  
 And you hail the passing citizen and ask him where to buy,  
 It's a smile of pity only, that your ignorance should get  
 For it's "Donigan's" for everything you want, in Somerset.  
 He'll fill your small requirement, or furnish you a flat,  
 He'll contract for a regiment or fit you to a hat,  
 He'll take you out to get a moose or—if the time you'll pass—  
 He'll show you how a Democrat could carry Bingham class.  
 He came over to Augusta with a bill that bore his name  
 And he opened fire also on the ways of Fish and Game  
 Tho the Bridge bill failed of passage; he knows the reason why,  
 And he'll be back again, will Donigan—he'll win out by-and by.
