

Bangor, Oct. 29, 1861.

Dear Sir -

Jasper Hutchings Esq. of
Ashland, desires the appointment of
Quarter Master of the Regiment to be
raised in Aroostook County,

Mr. Hutchings studied with Bro.
Sanborn. He is, however, a reliable Re-
publican - no secession in him. He
was a very industrious student, & a
man of good sense. He is now es-
tablished in the law at Ashland. I
cannot say what his qualifications
are for Quarter-master, but think
he would be faithful, honest, industrious,
careful, & reliable - Perhaps no better
appointment can be made in that
County,

Yours Truly,

Wm. D. Washburn

Governor of Maine

John E. Godfrey.
