The Board of Trustees met at the Res. of Geo. Brooks. Members present: Geo. Brook and C. B. McKee

On motion voted: That we take under consideration the action of the Quarterly Conference held June 26th, whereby the matter of what disposition shall be made of the North Port Camp Meeting Cottage was referred to the Board of Trustees.

It was thought that as keeping and maintaining this Cottage there would involve an expense of between thirty and forty dollars the first year and later a considerable expense annually and in view of the hard work we have to meet our necessary Church expenses and also for slight interest on members have taken of late in Camp meetings that the Cottage had better be sold.

On motion voted that Mr. A. B. Himeson be a committee to procure an offer for the said Cottage and that we take such further action as may be found necessary to effect the sale of all the right of the Church in the North Port Camp Meeting Cottage.
