

Sunday, Bangor May 12, 1861.

Gov. Washburn.

Dear Sir. To day, the Ladies here, have been busy filling up Hospital supplies for the 2<sup>d</sup> Reg<sup>t</sup>. It occurred to me that there might not be a supply of ready prepared Smit; therefore I enclose to you a slip from the Boston Journal, by which you can see that if there is any lack in that particular Messrs Sampson & Tappan, have generously offered to furnish it.

Very Truly Yours

James Allen
