Sept. 5, 1940

To: The Municipal Officers.

The State registration of aliens directed by the Governor of Maine in his proclamation dated June 14, 1940 will be concluded on September 14, 1940

You will send to this office at once any and all registrations made in your community. If no registrations have been made you will inform this office to that effect.

The Adjutant General takes this opportunity to express his appreciation of the fine cooperation of municipal officials that has facilitated this task with the result that all except less than one percent of the towns and plantations of the State have made their returns on alien registration to date.

For the Adjutant General:

Clyde W. Metcalf
Capt. Inf., Me. NG.
Intelligence Section.
