

Eastport, June 12, 1861.
To His Excellency,

Hon. Israel Washburn, Jr.

Governor of Maine,

Sir,

Being desirous of obtaining the position of Surgeon in the Regiment raised in this County, I would respectfully solicit the appointment.

Our Representative, Hon. F. A. Pike, and the Collector of this Port, Hon. Washington Lusk, George F. Talbot, Esq., and other political friends, I am happy to say, favor my wishes.

Permit me to refer you to Hon. Noah Smith, who, I learn, is in Augusta, also to

Josh Woods, Esq. Mayor of
Gardiner and Charles Sanborn, Esq.

In hope of a speedy termina-
tion of this righteous war,
with the result of an undi-
vided country. I remain,
Your obedient servant,
G. W. Haley.
