# MAINE ROADSIDE REST AREAS

The Maine Department of Transportation invites you to use the roadside rest areas that are conveniently located throughout the state. They are all equipped with tables and litter barrels, and most provide rest rooms, cooking grills and shelters. Many have drinking water available.

Each area is marked with a large brown and yellow REST AREA sign at the site and an advance sign ahead of the area.

Maine is proud of its natural scenery from seashore to beautiful lakes and mountains. Please help keep Maine highways clean by using litter bags when you drive, and a litter barrel when you stop at one of the many rest areas or scenic turnouts. Help to preserve Maine's beauty and share it with others.

Always be careful with fires in the rest areas. Do not build fires on the ground. Use the cooking grills. If none are provided, build no fires.
