State registration of aliens.

*Notes
over*

Governor Barrows' proclamation dated June 14.

First registration forms sent out June 21.

Registration completed in 90 days, with only a few small towns and plantations, representing about one-half of one percent of the population of the state, unreported.

State total, 35,243 or approximately $4\frac{1}{2}$ percent of the population (1930 census)

Returns have been analysed, classified and filed at the office of the Adjutant General.

Aliens practically equally divided as to males and females.

More than 8 percent have been in the United States 50 years or more.

More than 85 percent have been in the United States from 10 to 50 years.

Approximately 10 percent have been residents of Maine less than 10 years.

Canadian Provinces lead as to the place of birth with New Brunswick natives numbering 11,458 or approximately one-third of the total aliens in the State.

Italy second with 972

Finland third, -840

England fourth, -836

Total of British subjects, -28,555 or 81 percent of all aliens in Maine.

Included in total are 694 American-born women who lost their citizenship through marriage to aliens.

Classified under 40 nationalities exclusive of Canadian Provinces.

Registration accomplished at a cost to the State of approximately \$250 expended for printing, paper stock and postage (40,000 forms) and for office filing cabinet. Clerical details handled by employees of Adjutant General's Department.

Complete files available to those authorized to inspect them. Registrations filed alphabetically by name in town and county sequence.
