STATE OF MAINE
Office of the Adjutant General

TO: The Municipal Officers:

By direction of the Governor, Commander-in-Chief of the military forces of the State of Maine, you will register immediately all persons of alien birth and who have not been granted American citizenship, who are residents of your municipality.

Forms to be used for this registration are enclosed herewith and upon completion will be returned to this office without delay.

It is possible that the Congress of the United States may require a record of the finger prints of all aliens resident in this country, but the registration directed in this State by Proclamation of the Governor, dated June 14, 1940, a copy of which is enclosed with this letter will be expedited so that the files of this department may have record of the numbers and place of residence of all persons who may be affected.

Under Chapter 18, Revised Statutes of the State of Maine, the Military Law, assessors of towns, cities and plantations are charged with the responsibility of enrollment of citizens for military service.

Enclosed forms should be completed in full and returned to this office as rapidly as possible.

For the Adjutant General:

Clyde W. Metcalf
Capt. Inf.,
Chief of Intelligence Section.
