Governor

I desire to recommend
to your favorable notice F. G.
Flagg, a Citizen of this Town,
who desires the appointment of
a Major, in one of the Regiments
now being raised in this State

Mr Flagg has had much
experience in military matters,
having acted as Major or
Adjutant in all the Regimental
Musters in this vicinity for -

Some years back - I have
often seen him upon the
field, and am satisfied
that he would do credit
to himself & the State in
any position you may place
him.

I can recommend him
too, as possessing a good
moral character, and
every way worthy of your
consideration -

Respectfully Yours
Amos P. Church
