John L. Haddadon
Adj^t General

Augusta.

Dear Sir

In respond to the
call for 50 more men, to fill
the quota from Hampden, I
wish again to offer my servi-
ce to the Government, hoping
a timely notice will secure to
me a position. - Have written
the Gov. today - It has
been a long time since I
first offered my services
to Gov^t. - Would it not
be severe to stand a draft?

Thanking you for many
past favours. I remain

Respect. yours
