Portland, June 24, 1889.

Mrs. John P. Moulton.

Saco, Me., Aug. 20, 1889.

My wife suffered terribly from rheumatism and neuralgia for 13 years; was prostrated most of the time; each acute attack being severe. At last, 15 months ago, she took to her bed remaining there for over a year, suffering tortures indescribable. For months I did not sleep much but stood over her trying to relieve her terrible pains. At first large doses of morphine seemed to relieve her some, but at last even that in enormous doses had no effect whatever. Finally she commenced to take Dr. Cobb's Rheumatic Cure, and in twenty-four hours her pain left her never to return, and she was able to walk about the room. Next day she walked to the gate, next day she walked 100 rods, and in ten days she walked a mile without inconvenience and in a fortnight was entirely well and able to do her housework, and has remained in perfect health since; praise God for this wonderful remedy.

JOHN P. MOULTON.
Roman Box Factory and Saw Mill, 36 Lincoln St., Residence 69 Lincoln St., Saco.

From all over the country come thousands of statements of the wonderful cures made by this medicine. This medicine is not a flimbley. You must cure these blood diseases by applications to the skin. This remedy destroys the impurities from the blood and is a SURE CURE for rheumatism and neuralgia. It is also one of the best cures in the world, and strengthens the stomach, nerves and kidneys. Send for circulars containing the statements of persons cured in your own town. Prepared only by

OUR VISITORS

AT KENNEBUNKPORT.

The reputation of a summer resort depends entirely on the character of its visitors. Oil and water will not mix, neither will refined and educated people mix and mingle with the cheap and shoddy class who frequent so many of our watering places. The class of visitors, who have always visited Kennebunkport and who have made its name a synonym for all that is fashionable and aristocratic, have always been of a most select and desirable class. For that reason more than any other perhaps, has it been possible for the place to achieve its present enviable reputation. Its winding river, its picturesque scenery and all its natural attractions would not have been able to make the place what it is had the great horde of excursionists been allowed to devastate its beauties. The cheap class of people, snobbish clerks and small tradesmen, whose topic of conversation at the dinner table does not rise above the level of how to economize their gas and coal bills, will never add to the reputation of any place by their unwelcome presence. The elite of society do not care to associate with them. Their commonplace conversation annoys and distresses the refined mind, while the aroma of their cigars is nauseating in the extreme. Fortunately Kennebunkport has none of that objectionable class. Rev. Mr. Mower said Sunday morning, "I agree with *The Wave* that the class of people who visit our shores are of a most refined and desirable class." Mr. Mower hit the nail on the head then. Our visitors are "refined and desirable." To the Kennebunkport Seashore company belongs much of the credit for this desirable state of affairs. They have been careful to allow none but the very best of people to locate as cottagers. By following the same principles in the future as in the past this place may rank as one of the foremost resorts on our bold and rugged coast.

FREE SAIL DOWN THE BAY! 1,000 Round Trip Island Tickets to be GIVEN AWAY.

BUSINESS is always a little hard through July and August and a little relaxation is in order. We need it and so do our customers, and accordingly we have arranged to give one thousand of our patrons, who purchase goods to the amount of Three (3) dollars or upwards, at one time, at our One Price Spot Cash Clothing, Hat and Gents' Furnishing Goods Store, a free, round trip excursion, to any of the many islands reached by the Casco Bay Steamship Co.

THESE tickets are good on any regular trips run on any boats of the line Sunday or week day until Oct. 1st. This outing is purely complimentary to our patrons as we sell goods LOWER than any competitor, and at less margin of profit.

THIS excursion of a dozen or twenty miles among the hundreds of beautiful islands to our lovely harbor cannot fail to be appreciated by the hundreds who will enjoy it, many of them for the first time.

THESE excursions will be especially attractive to our out of town customers who can transact business in the forenoon and enjoy a health-giving trip down the bay in the afternoon, or if not convenient to go that day the tickets are good for any other day during the season. We shall all live as long, and we shall be able to work enough harder in the cool autumn months to make up the gain necessary to secure the \$100,000.00.

BUY of us, save your money and take a delight in FREE ocean excursion. Those going on these excursions will not be entitled to any of the other extras advertised by us.

WE have just finished an examination of our stock, and have marked all broken lines and odd sizes at a nominal figure to close them out at once, in order to make room for Fall Styles. In our children's department are many extra bargains in suits, pants, etc. If you need a black Alpaca or thin summer coat, we can give you a very low price. In Gents' Underwear and Furnishings we down them all. In fact we have some big bargains in this department of our store.
