

Gosham June 2. 1862

Gen. Hodsdon Dear Sir

I have canvassed
my district; the wester part
of Cumberland county; & I
find the marshes from Portland
to Rand; & Oxford county there.
I want you to send them into
their own territory. I am meeting
with good success & I do not
want them to trouble me.
I think every man should
keep his own ground; and
we will do better.

If you wish to ans. this please
direct in care of Hon. James Mann
Portland if so I will get it
Tuesday

Respectfully Yours

Capt. Wm. E. Wentworth
