

North Newburgh
Sept. 13th 1861

J. L. Nodsdon Esq

Dear Sir I am
informed by (my Bro. Warren L. Whitney)
that he has addressed you requesting
orders for the enlistment of a Company of
Cavalry in this vicinity. I am satisfied
that his extensive acquaintance & position
would secure the influence of a large
circle of young men & enable him to fill
up a company very rapidly with the
very best material to be had in
this part of the State;

Respectfully

Yours most

Obt Servt
