

East Livermore June 30/62

To the Hon D. Washburn Governor
of Maine

The bearer Marshall S.
Smith has served in the M.S. Service
about fourteen months, and is a young
man of good Moral Character
and sustains a good reputation in
this vicinity. He would like a
Lieutenancy in the 16th M.V. now
forming and in our opinion
you would find him worthy
of an appointment.
