to understand the instructions
he receives from you —
With respect to officers for Company
7th Maine as I understand
them and think I know them well
2^d Lt John H Roberts should without
any doubt be Capt of the Company
(I understand Kimball has resigned
if so all right) and Frederick A
Wood Jr of Lebanon St. and if Kimball
has resigned 1st Lt. I have
not received a line from
Hemmingway since he knew
of his appointment —

Respectfully yours
