SIXTIETH

ANNUAL REPORT

of the

TOWN OF

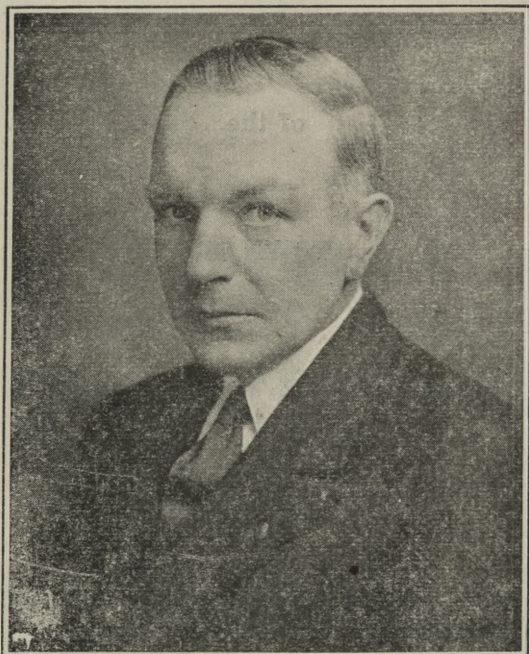

OLD ORCHARD BEACH

MAINE

FOR THE YEAR ENDING DECEMBER 31

1942

IN MEMORIAM

MONTAGUE YOUNG

Chairman, Board of Selectmen 1937

Appointed Trial Justice 1939

for Seven Year Term

IN MEMORIAM

HOWARD GILPATRICK

Town Treasurer 1931

Mr. Gilpatrick was long connected with the insurance business in Old Orchard Beach and retired March 1, 1940. He served the Town as Treasurer by appointment from March 31, 1931, to March 7, 1932. He was a man who was glad to perform his civic duties and was highly interested in the welfare of his Town. He passed away May 17, 1942.

WILLIAM H. O'BRIEN

Constable 1929

Mr. O'Brien was one of our citizens for a great number of years. He became interested in local civic matters and was always glad to give freely of his time in promoting any program for the betterment of the community. He served the Town as Chief of Police for the years 1928 and 1929 and also was Constable in 1929. He passed away August 18, 1942.

SELECTMEN'S REPORT

To the Citizens of Old Orchard Beach:

We herewith submit to you a report of the affairs of your Town Government for the fiscal year 1942.

In the first place you will note that the usual form of your Town Report has been greatly condensed and showing only the essential figures and information for each department. This step has been taken in compliance with the request of the Federal Government for the conservation of material and labor as well as the expense. We wish to say, however, that anyone desiring more complete information on any of these figures will be gladly furnished same if they will call at the office of the Selectmen.

Restrictions brought about by the war has hampered and curtailed many departments in their functioning in no little way. It has been necessary to exercise the utmost caution and care in order that each department in spending its appropriation would receive back the greatest value possible. In some cases it has not been possible to get supplies and equipment to operate a department in the proper manner. However, as time goes on we feel all departments will become accustomed to these war restrictions and will be in a position to cope with them more efficiently.

We would like to call your attention to a few of the departments that have been affected this past year. The records of the Publicity Bureau will show a very satisfactory result. The advertising program as carried out this year produced the usual response. A good summer business was enjoyed by the majority of our merchants in spite of the conditions. The advertising account will show a balance larger than usual but the Board of Selectmen felt that ample funds had been expended from this department because of the restricted

travelling and the other uncertainties prevailing.

A great many defense workers moved here during the summer and fall. This influx more than doubled our usual population and as can readily be seen, also doubled the responsibilities of some departments. A number of these people have become property owners already and many more are considering buying homes here. The citizens of Old Orchard Beach feel justly proud of the opportunity to aid the war effort by offering these housing facilities and our other advantages for the health and welfare of these war workers.

The Sanitary Department has also been affected and has been an unusual expense. It has been necessary to employ a helper for the dry waste truck for the entire year in order to do the work. Also a full time man for the dump to keep that in order. There is need for a helper for the wet waste truck to properly take care of the present overload. Due to the shortage of labor, however, it has had to operate the greatest part of the year without one. Federal aid was applied for to assist the Town for the extra cost of operating this department and the sum of \$3,819.00 was granted under the Lanham act for this purpose. Assurance has been given that the Federal Government will continue this policy for the duration. In this we have brought relief to our taxpayers for this extra burden.

The police has experienced many more responsibilities during the past year. New state laws regarding dim-out of lights on automobiles, commercial places, etc. that had to be enforced made it necessary to employ a full force much earlier than usual and for a longer period. Other conditions that are to be expected, with a population as large as ours is today, required and still requires much of their time. Federal aid was also applied for in this case but as yet has not been

granted. We do have hopes of receiving a sum from the Government that will offset this overdraft.

The Road Commissioner has been handicapped by the labor shortage and also the scarcity of materials. He has managed to keep within his appropriations and he deserves credit for so doing.

The Road Commissioner for the next few years will face a real problem in the maintenance of our highways and bridges. It will be difficult for him to replace worn out equipment, secure enough men to do the work and to obtain other necessary material.

The Board has given much thought and time for the improvement of the newly acquired playground and parking lot in order that it will develop into a real asset to the Town. A Park Commission was appointed for this purpose and their big accomplishment was the public skating rink which was build and operated during the winter. They are now studying plans for the further development of this plot.

In closing we wish to recommend to the voters and taxpayers that economy be your watchword in making your appropriations for the ensuing year and eliminate all unnecessary expenditures.

Respectfully submitted.
H. DAYTON BENWAY

Report of Public Health Nursing Service

To the Board of Selectmen and the Citizens of the
Town of Old Orchard Beach, Maine.

I hereby submit the 12th annual report of the Public
Health Nursing Service.

1,717 visits were made to houses

391 patients were carried as active cases.

All phases of the Generalized Program have been
carried on. It was necessary to devote more time to
schools and follow-up of communicable diseases. So-
cial service has also increased.

Patients carried as follows:

Nursing		Welfare	
Prenatal	17	Crippled Children	12
Delivery	2	Infants 1 mo. to 1 yr.	51
Maternity	15	Pre-school	20
Non-Communicable	127	School Children	989
Acute Communicable	42	Adult Welfare	10
Other Communicable	15	Social Service	15
Newborn	25	Tuberculosis	13
		Unclassified	2
<hr/>		<hr/>	
Total	243	Total	1112

Visits as follows:

Prenatal	61	Tuberculosis	22
Delivery	2	Crippled Children	31
Maternity	63	Infants	50
Newborn	69	Pre-school	25
Non-Communicable	1104	School Children	91
Acute Communicable	73	Adult Welfare	16
Other Communicable	40	Industrial	3
		Social Service	45
		Unclassified	22
<hr/>		<hr/>	
Total	1412	Total	305

Number of Office Visits—147.

Number of Infant and Pre-school clinics held—52 infants.

Number attending—140 infants, 58 pre-school.

Number of immunization clinics held—4.

Number immunized—Vaccinated 29, Toxoid 55.

Due to the heavy case load of both physicians, they have not been able to be present at the clinics, but both have accepted all cases referred to them at their offices on clinic service.

Classes for adults in American Red Cross, Home Nursing, were conducted. 28 adults were given certificates.

A survey is being carried on for the Office of Civilian Defense to enroll all nurses in the Emergency Service.

The First Aid Station for Life Guard Service was carried on as usual.

Home Service visits have been made for the American Red Cross to veterans of World War I and families of men in the armed forces of World War II; assisting the Volunteer Home Service Chairman, Mr. W. Warren Harmon.

Co-operation with other agencies has been most helpful in obtaining the best service for the community.

I wish to thank all those who have volunteered services to help with the Health Program, especially to the physicians and Health Officer.

Respectfully submitted,

HARRIET E. HARBIG. R.N.

Report of Civilian Defense Corps

To the Citizens of Old Orchard Beach:—

It is my privilege to submit to you a brief report of the organizing and activities of the Civilian Defense Corps of Old Orchard Beach from January 1st to December 31, 1942.

At the beginning of the year there had already been a great deal of work and effort put forth by many of our citizens in organizing and training a personnel to instruct our civilian population to protect themselves and to endure without panic an enemy attack. This work was carried on under the Executive Orders issued by the Governor of the State, along with instructions from the State Director of the Maine Civilian Defense Corps, under authority of Chapter 305 of the Public Laws of 1941, approved January 21, 1942.

Our local Defense Corps was first headed by Herbert R. Bean. However, due to his many other duties he found it necessary to resign. Shortly following this W. Warren Harmon accepted the appointment as Municipal Chairman and began his duties of organizing a Civilian Defense organization that would be workable and adequate for our community. Due to the forethought and initiative of Mr. Harmon a solid foundation was laid for the organization and on which it has continued to function for the year in spite of many revisions and drastic rules that had to be enforced. It was with many regrets that the resignation of Mr. Harmon was accepted on April 2, 1942.

During the month of May the first of a series of drastic rules concerning lighting was placed upon the Civil-

ian Defense Corps for enforcement. This affected every home and all places of business, and it became the duty of the wardens, under the Chief Air Raid Warden, to instruct the people and to carry out its enforcement. Also, it was necessary to restrict the lighting on all cars travelling toward the waterfront and in nearby areas. This duty was given to the Auxiliary Police to enforce. This task was not an easy one due to the heavy flow of traffic during the summer months. It was necessary for both the wardens and the auxiliary policemen to give their time night after night in checking the houses and automobiles in order that the conditions would prove favorable for the Army and Navy.

Equipment was purchased and issued to the various units during the year to help them in their duties. However, due to the amount of money available, it was not possible to purchase all the equipment that is needed. I trust that the voters will again make available a like sum of money for the coming year so that these men and women who are so freely giving of their time will have the proper things to do with.

I want to stress the fact that the Civilian Defense Corps is carrying out an all important work in your behalf and in the interest of our Town. I urgently request that all consideration and cooperation be given to all Civilian Defense workers, especially during black-outs and the carrying out of dim out regulations.

In closing I wish to express my sincere thanks to all Civilian Defense Workers who have given so unselfishly of their time and performed their duties so well.

H. DAYTON BENWAY,
Municipal Chairman.

REPORT OF THE SUPERINTENDENT OF SCHOOLS

December, 1942

To the Honorable School Committee, Board of Selectmen, and Citizens of Old Orchard Beach.

Ladies and Gentlemen:

The past year has been a year of pressing problems. The congestion of the public schools of Old Orchard Beach has been unprecedented. New housing quarters for school pupils has been and is beyond capacity of the School Building. Pupils are crowded into the basement of the Elementary School and overflow groups are housed at the Legion Hall. All this space is used at 200% capacity.

Transportation has been offered at greatly increased expense, on the same regulation of the School Committee, as prevailed before the influx of population.

It is variously estimated by different citizens that, owing to the housing situation in Old Orchard Beach, the population has increased from $2\frac{1}{2}$ to 3 times its normal size. Many of the defense workers are young people and the children for the most part are in the earlier grades of the schools or will shortly be old enough to enter school.

It is expected, if the same conditions prevail at the shipyards and other defense centers, as now obtain, there will continue to be an expanded school housing program and a consequent increase in financial obligation and a multiplied need for teachers and the resultant activities that come with the multiplication of services beyond our normal capacity.

The congestion at the High School is beyond the capacity of that building. One eighth grade is now daily held in the corridor at the gymnasium entrance. This

is ill heated and the lighting is anything but satisfactory. My report last year indicated this congestion but it has exceeded our estimates. It is much more crucial than anyone counted on then. There are two seventh grades and two eighth grades at the High School. On the one session plan the congestion at the High School was acute.

The increase of pupils began to be acutely noted at the High School during the Spring Term when the seventh grade had to be conducted in two divisions and a new teacher employed. This fall an extra teacher was employed to care for the eighth grade overflow. This gives you an idea of the added teacher load at this building.

Two sessions were organized by vote of the Superintending School Committee for all grades from one to sixth on the Elementary level. There are four first grades, four second grades, four third grades, four fifth grades, and four sixth grades. The Kindergarten is conducted in two sessions. This makes twenty-six sessions carried on each day at the Elementary School. Each session has its own teacher. At a later date the Superintending School Committee ordered two sessions for the two grades of the seventh and two grades of the eighth grades.

There are now fifteen teachers employed who are new to the system this year on the elementary level. The High School lost two teachers by resignation, and their positions were, fortunately, for Old Orchard Beach, filled while there were teachers to be had.

This report would be lacking if it did not include some statistical data that would indicate this problem of congestion. In April before this area became a generally recognized Defense Region, the census which included all boys and girls between the ages of 5 and

21 years of age, was 803. On October first there has been 1,158 pupils registered in your schools. In other words there were actually in school 355 more pupils than were on the census in April. Moreover, the enrollment did not include many in the employable ages between 16 and 21 years. To indicate the problem on another comparison, notice this contrast in the school problem. In June there were all told 779 pupils in your schools of which 647 were elementary pupils while 132 were high school pupils. On October 1st, there were 1,004 in the first eight grades and 154 in the High School.

The Physical Education Program has been developed by Leslie Marston, who teaches mathematics in the High School and devotes the remainder of his life to Physical Education in the elementary grades and at the High School. This work is greatly appreciated and is in line with Federal and State recommendations. It is an outstanding addition to the school curriculum and is in line with Federal Defense.

The Music position has been filled by Miss Ethel Edwards who is greatly appreciated for her fine spirit and understanding of childhood. Miss Edwards is carrying the same friendly spirit that Mr. Gagne so well exemplified. We feel fortunate in this time of great scarcity of well qualified teachers to be blessed by so fine a spirit as that exemplified by Miss Edwards. She has won our highest regard for the work she has done in the short time she has been with us.

There has been a Federal Survey made of the school problem in conjunction with the State Education Department. The housing of this great increase of pupils was obviously beyond the capacity of Old Orchard Beach under any satisfactory arrangements that could be made hastily.

The Survey indicated that a new building was needed. If the conditions are not relieved, a building of twelve to twenty rooms would be needed by the fall of next year. However, the approval for a Housing Project on the part of the Federal Government has to have approval by a Mr. Fred Beach. He was willing, only, to recommend a six-room temporary building. This was subsequently sent to Washington but has not, as yet, materialized.

The increased expense of school operation and maintenance was considered beyond the Old Orchard Beach immediate capacity to handle. Consequently the Lanham Act was invoked, through the regional representative Mr. John Fitzgerald, for a grant to cover the overdrafts as of December 31, 1942. This grant has been approved by the Regional District Representative with headquarters at Boston which put the acceptance up to the officials in Washington. This grant would be, if accepted as recommended by the Board, a grant of \$6,813. The Superintending School Committee of Old Orchard Beach believe that with the balances carried forward from last year, and the State Subsidy which came on time and totaled \$4,152.53, and the Federal grant \$6,813.00, would enable the school accounts to start off without overdrafts.

However, what may or may not happen to the Federal grant, is problematical. Our friends of the State Department and Mr. John Fitzgerald are pulling for our petition.

The next fiscal year will require something more than \$15,000 above the usual school finances if the trends, now apparent, continue as they give evidence of doing.

TRANSPORTATION

The transportation of school pupils, we are told, by the State Commissioner, must be cut 50%. The two mile limits are to be set up and pupils expected to walk. There are other regulations originating in Federal quarters that indicate other rulings of equal urgency.

The draft regulation of 18-year-old pupils will not very greatly affect our attendance at the High School. Curricular changes advantageous to pupils likely to be inducted into Armed Services are now under way at the High School. Boys and girls are to have guidance instructions regarding the various opportunities in the Armed Services.

The usual services within the school have been maintained on the usual level. The visits of the Nurse and the Dental Clinic and Medical Inspection have assumed a vital part in helping keep the student body fit for the educational effort that is being made under such difficult conditions. The attendance has not been up to the usual record due to the sickness of many of the pupils.

We were pleased to welcome Miss Annie Momna of Bates College to take the place of Roger Jones, resigned. Miss Momna is capable and qualified to an unusual degree for this position. Raphael Greene resigned and Miss Dorothy Garland was elected to take his place. Miss Harriet Fogg was elected to take the Science position formerly taught by Mr. William Ledger. Miss Fogg is co-author of one of the widely used Science texts and is developing many new phases of Science that will strengthen this field and is in keeping with the present need to ground well all our students in Science.

Mrs. Margaret B. Emmons, Miss Helen R. Starling, and Mrs. Olive C. Rice are all new at the High School. Mrs. Irene Dresser and Miss Alice Delano were elected to the regular staff of the Elementary School. Since September 12 new teachers have been engaged on substitute basis. Time forbids an extended report of the double sessions now operative. The lists of all teachers will be appended to this report.

Miss Margaret Emily Harriman was requested by the School Committee to take over the principalship and co-ordinate the daily activities of the elementary schools. This has been done in an efficient manner. Much confusion and disorganization has been averted by the professional handling of the double sessions where the school plant is operated on a 200% basis.

The undertakings of the schools have been magnificent in the draft registration, gas rationing, scrap drive, and stamp and bond sales. I wish to express my gratitude and heartfelt thanks for the privilege of participating in all these activities for the common good with so fine and loyal a group of teachers.

Your chairman, Mrs. Genevieve Webb, has been indefatigable in advancing your school interests in all the pending Federal Projects in which you all have a vital interest.

In conclusion, I hereby submit the results of a stewardship that for variety and necessity have exceeded any effort heretofore made in behalf of childhood in your town.

Sincerely.

HARRY C. HULL,
Superintendent of Schools.

As Publicity Clerk for the Season of 1942 I am pleased to submit the following report.

The Newspaper advertising for the season of 1942 was very gratifying as this office received fifteen hundred and seventeen (1517) inquiries from many of our neighboring states. Many inquiries were received from many of our neighboring states. Many inquiries were received from the Publicity Bureau in Portland, Maine, and several from "Maine Invites You". Each inquiry was given personal attention and Old Orchard Beach folders also folders listing hotels, rooming houses, and camps were sent with each answer.

A list of names and addresses of persons seeking information, together with a summary of the information desired was made daily and posted in the office. Many of the citizens having the type of accommodations requested benefitted by this list.

Very few personal contacts were made through the Publicity Office this past season due to the gasoline shortage. However this office is beneficial to the summer visitors and also citizens of the town. To those who made its work possible, the Publicity Bureau wishes to express its appreciation.

Respectfully,

HARRIET L. ANDREWS,

Publicity Clerk.

STATISTICS FOR TOWN REPORT

December 31, 1942

Population 1940 census, 2,552; estimated population December 1942, 4,500 approx.; April census 1942, 5 to 21 years of age: boys 431, girls 372, total 803.

Teachers:

Total pupils	779

DR. DONALD S. SKILLING.

Old Orchard Beach, Maine

February 1, 1943

Mr. Harry C Hull,
Saco, Maine.

Dear Sir:

The physical examinations of the pupils and students of the Old Orchard Beach Schools this past year was a somewhat arduous task due primarily to the influx from other communities. The total number examined was nearly twice that of previous years though the general health was very good.

The fact that the students who were playing competitive sports had been covered by a group insurance also was beneficial because this covered such procedure as X-ray for diagnostic purposes in case of injuries.

Much credit is due Mrs. Harbig and Miss Hocter for their efforts and cooperation in examining this large group of people.

Very truly yours,

DONALD S. SKILLING, M.D.

Following is the list of pupils examined in the Old Orchard Beach Schools for 1942:

Total Number Examined	989
Defects:	
Vision	83
Eyes	3
Hearing	9
Glands	7
Nose, Throat	132
Skin	4
Heart	37
Lungs	4
Nervous Symptoms	2

To the Superintendent of Schools and the Superintending School Committee:

I hereby submit the annual report of school nursing. Due to the tremendous influx of children into the schools, it was impossible to submit the usual tentative program for the year. Therefore the work has been carried on a day-to-day basis, caring for the outstand-

ing problems and needs as they arose. During the year there have been many cases of communicable disease and pediculosis, probably due to families being unfamiliar with the local regulations and resources, not reporting the diseases among the children of pre-school age and over-crowded living conditions.

Conditions have necessitated the most diligent daily inspections of pupils by the teachers, and they are to be commended for the careful observation and early exclusion of children showing symptoms of disease. The janitors have also been particularly cautious in keeping the school buildings clean and giving special attention to the sanitary facilities which have been greatly overtaxed by continuous use.

Periodically through the year, Health Officer Mullen has fumigated the school buildings and called in Dr. L. E. Willard for special examination of all pupils for possible symptoms of communicable disease.

989 pupils were given physical examination by the school physician, Dr. D. S. Skilling. 133 were examined and given dental corrections by Dr. Benjamin Buzzell, school dentist. 102 were immunized by Dr. L. E. Willard. 1,334 were given inspection by the school nurse, 78 were excluded for symptoms of disease, pediculosis, or being unclean.

Total number of defects other than dental:

DEFECTS

Vision	83
Eyes	3
Hearing	9
Glands	7
Throat and nose	132
Skin	4

Heart	37
Lungs	4
Nervous symptoms	2

CORRECTIONS

Vision	27
Eyes	1
Hearing	1
Hearing	1
Throat	30
Heart	2
T.B. Tested	8
X-rayed	6

DENTAL REPORT

Number examined	133
No. patients treated	45
No. visits to clinic	137
No. extractions, permanent teeth	12
No. extractions, temporary teeth	60
No. fillings, permanent teeth	99
No. fillings, temporary teeth	29
No. teeth treated (A.G.N.O. 3)	55
No. receiving cleanings	26
No. children with complete dental corrections	23
No. corrected by parent responsibility	70

Immunization by Dr. L. E. Willard:

66 toxoid (immunized against diphtheria).

36 vaccinated (immunized against smallpox).

The Nurse had the following miscellaneous services:

16 conferences with parents.

5 conferences with teachers.

26 classroom talks to pupils on health.

78 children were given special attention.

91 home visits to school children.

The Standard Course in First Aid was given to the teachers of the Elementary School by the Nurse. Teachers of the High School attended classes given by other instructors. The Junior Course was given to the 8th grade students and to the girls of the High School who were in the Home Economics division. The American Red Cross course in Home Nursing was conducted in co-operation with the Home Economics Department, pupils qualifying for certificates.

Milk and hot lunches were served at the Elementary School from January to May, but were omitted through the Fall because of shortages and the two-session system. Milk on the Federal Penny Milk plan sponsored by the P. T. A. is being served at the Junior High School.

Again may I express my sincere appreciation to the Superintendent and the Superintending School Committee, Teachers, Physicians, Dentists, and P. T. A., and to the Health Officer, for their whole-hearted co-operation in the welfare of our children.

Respectfully submitted,

HARRIET E. HARBIG, R.N.

To Charles H. Goodwin, Constable of the Town of Old Orchard Beach, in the County of York:

Greeting,—

In the name of the State of Maine, you are hereby requested to notify and warn the inhabitants of said Town of Old Orchard Beach qualified to vote in town affairs, to assemble at the Town Hall on Monday, the 1st day of March, A. D. 1943 at 9 o'clock in the forenoon, then and there to act upon the following articles to wit:

1st. To choose a moderator to preside at said meeting.

2nd. To choose all necessary Town Officers for the ensuing year.

3rd. To hear and act upon the reports of the Town Officers and all special and standing committees.

4th. To see what action the town will take in relation to the pay of town officers.

5th. To see what sums of money the Town will vote to raise, 1st. for common schools ;2nd, for free high school; 3rd, for free textbooks; 4th, for repairing school houses; 5th, for school supplies; 6th, for transportation of school pupils; 7th, schoolhouse maintenance; 8th, for manual training; 9th, for school physician and dental clinic; 10th, for domestic arts; 11th, for physical education; 12th, for nursing service; 13th, for making and repairing highways and bridges; 14th, for support of poor; 15th, for the pay of town officers; 16th, for maintaining street lights; 17th, for contingent expenses; 18th, for sanitary expenses; 19th, for town interest on bonds; 20th, for interest on notes for money hired in anticipation of taxes; 21st, for the pub

lic library; 22nd, for heating, lighting and care of town property; 23rd, for moth nests; 24th, for State Aid road patrol; 25th, for public toilet; 26th, for payment of serial bonds; 27th, for tarvia; 28th, for maintenance of third class highways; 29th, for cleaning streets and beach; 30th, for dependent children and mothers aid; 31st, for traffic; 32nd, for snow removal.

6th. To see what sums of money the town will vote to raise to pay collector's commissions and abatements.

7th. To see if the town will vote to pay the premium on surety bonds for tax collector, treasurer, and road commissioner.

8th. To see if the town will vote when the taxes shall be committed to the collector for collection and what rate of interest, if any, will be charged, thereafter.

9th. To see if the town will authorize the selectmen and treasurer to issue town notes to pay those, if any, which fall due the present year.

10th. To see what action the town will take and what sum of money, if any, the town will raise to maintain one or more yearly patrolmen.

11th. To see what action the town will take and what sums of money the town will raise to maintain a police force; to construct and maintain sidewalks; to construct and maintain sewers and drains; to maintain a fire department; to maintain town team and driver; for hydrant rental; for liquidating serial bonds; for interest on serial bonds; for interest on notes issued in anticipation of taxes, all within the limits set out in Section 4 of the act of incorporation of the Town of Old Orchard Beach, to be a separate tax, to be assessed and collected as provided in said act.

12th. To see what sum the town will raise and appropriate for State Aid Road construction (in addition to the amounts regularly raised for the care of ways, highways and bridges) (under the provision of Section 19 Chapter 28, Revised Statutes of 1930, or under the provision of Section 3, Chapter 229, Public Laws of 1937).

13th. To see if the Town will authorize the selectmen to employ special officers as life guards from July 1st to Labor Day, and what sum they will appropriate therefor.

14th. To see what sum of money the town will vote to grant and raise to be expended and used for advertising the natural resources, advantages and attractions of the State of Maine, and of the Town, and what part of said amount it will vote to give to the State of Maine Publicity Bureau.

15th. To see if the town will vote to authorize the Selectmen to appoint a Budget Committee to serve for the Budget of 1944.

16th. To see if the Town will vote to instruct the Road Commissioner to clear all highways of Rag Weed as recommended by the State Director of Health; in the interest of those who are subject to Hay Fever.

17th. To see if the Town will vote to authorize the Selectmen on behalf of the Town to sell and dispose of any Real Estate acquired by the Town for non-payment of taxes thereon, and on such terms as they deem advisable, and to execute deeds for such property.

18th. To see if the Town will vote to authorize the Selectmen to join the Maine Municipal Association and raise by assessment or otherwise provide for the payment required.

19th. To see if the Town will vote to raise the sum of \$250.00 for the maintenance of the six police signal boxes now installed.

20th. To see if the Town will vote that moving pictures may be shown on Sundays between the hours of 3 o'clock, P. M. and 11.30 P. M, in accordance with the provisions of Section 39-G of Chapter 255 of the Laws of Maine of 1939.

21st. To see if the Town will vote to raise a sum of money in addition to the regular Highway appropriation as a 50-50 fund with the State fund for snow removal.

22nd. To see what action the Town will vote to take in regard to time of service to be maintained by the Collector of Taxes at the Town Hall.

23rd. To see what action the Town will take and what sums of money they will vote to pay the men per hour, week or day in the different departments — also establish the truck rates for the year.

24th. To see if the Town will vote to reimburse E. H. Brown in the amount of ninety-six dollars and ten cents for money received by the Town for taxes illegally assessed on cabins on Summit Street for the years 1933 through to 1940, and raise and appropriate the same.

25th. To see if the Town will vote to refund Dr. Susan D. Watts the sum of thirty-nine dollars and seventy-five cents for money paid in 1935 and 1936 for taxes, on account of error in assessment.

26th. To see if the Town will vote to refund to James Augustine the sum of one hundred twenty-five dollars, license fee paid to the Town for operation of ball game concession on Old Orchard Street, for the

year 1941 and the same not being operated, and raise and appropriate same.

27th. To see if the Town will vote to accept a reserved way as shown on the Plan of Fanny M. Hamlet, extending southerly from the Smithwheel Road to line of said Hamlet land, a distance of nine hundred and twenty-five feet, more or less, and authorize the Selectmen to lay out same as a Town way.

28th. To see if the Town will vote to authorize the Selectmen to lease two rooms on the second floor of the Town Hall to the War Department for such time as they wish to use it, and sign a lease in the name of the Inhabitants of the Town of Old Orchard Beach.

29th. To see if the Town will vote to reimburse Albert B. Day in the amount of thirty-six dollars and thirty-five cents for money received by the Town for taxes illegally assessed on garage located on Randall Avenue for the years 1933 through to 1941, and raise and appropriate same.

30th. To see if the Town will vote to raise and appropriate the sum of five hundred dollars to be used for the care and improvement of the Old Orchard House Field, so called.

31st. To see if the Town will vote to choose their Selectmen, Assessors, and Overseers of the Poor at the annual Town Meeting to be held on the first Monday in March, 1944, in the following manner: one for three years, one for two years, and one for one year, the candidate receiving the largest number of votes to be chosen for three years, the candidate receiving the next largest number of votes to be chosen for two years, and the candidate receiving the third largest number of votes to be chosen for one year; and annually thereafter one for three years.

32nd. To see if the Town will vote to raise and appropriate the sum of one thousand dollars to be used for the installation of electrical pump in Ocean Park sump and for the completion of all other work on said sump.

33rd. To see if the Town will vote to reimburse Francis F. Smith for taxes paid on personal property assessed to him by error, in the amount of two hundred and ten dollars, for the years 1941 and 1942.

34rd. To see if the town will vote to reimburse Joseph Morse for supplementary tax in the amount of fifteen dollars and forty cents for the year 1939 paid twice.

The polls will be opened at 9 o'clock A. M. and will remain open until six o'clock P. M.

The Selectmen will be in session at the Town Hall Thursday, Friday, and Saturday afternoons from 2 to 5 P. M. February 25, 26, and 27th, and Friday evening from 7 to 9 P. M. for the purpose of registering new voters and correcting the voting list.

Given under our hands this twentieth day of February, A. D., 1943.
