Dear Sister,

Kelen I received your letter to night and was glad to hear that you are all well I am well and some nicer Washington than I was when I wrote to you before.

Kelen I have seen some fighting this week I saw the fight at Brandy Station and the fight...
at Brisco Sation the Rebus had to run for life our Division had to double quick a bough two miles to help the 2nd Corps. The Rebus saw the dust and run if they hadn’t that would have bin taken prisoners but they saw the dust a and they knew that the 5th Corps was a coming Helen I Close
