

My dear Sir,

Mr Ripley is of opinion, that  
the nomination of Mr Woodward, whom I know  
to be a worthy candid character, is preferable to  
that of Mr Chase; as it would greatly promote the  
cause of the friends of this country, at Hanover.  
— Pray give me your opinion, as I propose to  
proceed on that business soon.

How stands the matter, on which  
we conferred, of a personal nature?

When do you expect to adjourn?

Council Chamber  
26<sup>th</sup> June —

Yours very sincerely
