In appealing to the public for patronage the ad-  
vertisements instead of misleading, as is the ar-  
gument of our competitors, are rather a convinc-  
ing statement of the truth to show how and wh-  
we can sell at such low prices. The facts are that  
we buy in connection with another large Dry Goods  
House, and as such stores can sell more goods than  
one the principle holds good that the larger quan-  
tities we have the cheaper they can be obtained. If  
it is our aim to sell you not only once but to keep  
your patronage for years. We recognize that ad-  
vertisements don't make customers, they attract  
people to come and see us, but it is only low prices  
that make buyers.

## A BRAVE LADY.

She Endures the Pain of a Severe Surgical Operation Without Taking Chloroform.

(From the Courier.)  
Mrs. Schoonmaker, of Crook Roads, Ulster Co., N. Y., had the misfortune to entirely lose the sight of one of her eyes, through an accident, and endured painful inflammation of the eye for two long years; the other eye finally becoming sympathetically affected, her general health seriously suffering; indeed, she was a mere wreck, a walking skeleton. In this terrible state she consulted Dr. David Kennedy, of London, N. Y., who told her that one of the injured eyes must be removed. She quietly and firmly said: "All right, Doctor, but don't give me chloroform. Let my husband sit by my side during the operation, and I will neither cry out nor stir." The work was done, and the poor woman kept her word. Talk of soldierly courage! This showed greater pluck than that to face a hundred guns. To restore her general health and give one and strength to the system, Dr. Kennedy then gave the "Favorite Remedy," which cleansed the blood and imparted new life to the long-suffering woman. She rapidly gained health and strength and is now well. The "Favorite Remedy" is a powerful blood-purifier, no family should be without it. Your druggist has it. If not, send to Dr. David Kennedy, London, N. Y.
