MEMORANDUM:

STATE OF MAINE
The Adjutant General's Office
Augusta, July 17, 1917

The following Circular Letter No. 7 from the Chief of the Militia Bureau is published for the information of all concerned:

1. The articles on the tactics used in Europe now appearing in the United States Infantry Journal are considered so valuable for all officers that it is deemed desirable to invite your attention to them with the request that they be brought to the notice of all officers of the National Guard in your State.

2. This is not to be construed in any sense as an advertisement, it being intended merely to direct attention to a series of articles the subject matter of which is practically impossible to obtain anywhere else and which is of prime importance to all officers at the present time.

GEORGE MC. PRESSON,
The Adjutant General.

General issue to the Guard, including Field Artillery.
