My dear Genl.

Your favor in regard to my military history shall be forwarded in a day or two. I have never had time to make this out, as already requested from the Adj. Genl's office in Washington. But I will do so for you, at once.

John S. G. Abbott has written me several times for my history to make an article in his series of "Heroic Men"! I could not leave the face to do that, & can scarcely bring myself to brag to you of my own doings. I will send such official mentions as have been made in regard to my career, with a little elucidation now & then.

By the way I am at work  
too in History Making - or  
writing rather.

I enclose a circular.  
There have been four Maine  
Repts. in the 5 vols. - gallant  
men all - and I want to  
get your Report for 64. in  
order to follow up the changes  
in their organization &c.

I have your 62. & 63.

The Repts are

3<sup>d</sup> July  
16<sup>th</sup> do  
20<sup>th</sup> do  
1<sup>st</sup>. Shortlisters

Very truly

Your friend & servt

J. L. Chamberlain
