Conductor

PASSENGER TARIFF

OF THE

Maine Central Railroad

And Branches;

With Distances between all Stations,

TAKING EFFECT

July 1, 1873.

ANSON P. MORRILL, Prest.

CHAS. F. HATCH, Gen'l Manager.

L. L. LINCOLN, Supt.

J. M. Clapp, Gen'l Ticket Agent.

No. 3. New Series.

Instructions to Conductors.

—:o:—

Conductors will, in collecting fares on trains, give passengers an **Excess Ticket**, which is furnished from this Office and redeemable at any Ticket Office of the Company for the amount of Excess charged, 25 cents.

Conductors will make a Report of their **Excess Ticket Sales** and send (together with the Stubs, Free Passes, and collections of Tickets,) to the General Ticket Agent, at Augusta.

The distances given in this Tariff are to be taken as the standard in the use of all Mileage Tickets, and all fractions of a mile to be counted a full mile.

Agents or Conductors are not allowed to exchange or redeem any Ticket or Coupon issued by any other line to points on or beyond this road.

Conductors will collect fare from all persons not presenting Tickets or other evidence of being entitled to their passage, and no credit will be given to persons whose Season, Package or Mileage tickets have expired or have been left at their homes.

All Tickets must be cancelled by the Punch when first presented, and if left in the hands of the passengers, must be punched as often as once in twenty-five miles.

Mileage and Commutation Tickets are only good for the use of the person named on the ticket, and are not transferable under any circumstances. If presented by any other person, Conductors will take them up and collect fare; and will also collect fare from persons not having their tickets with them. A number must be punched out each trip.

Children between 4 and 12 years of age, half fare.

J. M. Clapp.

Gen'l Ticket Agent.
