Plaintiffs seek a permanent injunction, and an order compelling Defendants to pay restitution to borrowers, civil penalties and attorneys' fees and costs for violations of the Act, the Maine Consumer Credit Code, 9-A M.R.S.A. § 1-101 *et seq.* and the Maine Funded Settlement Act, 33 M.R.S.A. § 521-527.

PARTIES

2. Plaintiff, the State of Maine, is a sovereign state that brings this action, by and through its Attorney General G. Steven Rowe, pursuant to 5 M.R.S.A. §§ 191 and 209 and the powers vested in him by common law.

3. Plaintiff Office of Consumer Credit Regulation, by and through its Director William N. Lund, brings this action pursuant to 9-A M.R.S.A. § 6-113.

4. Defendant, Ameriquest Mortgage Company (hereafter "AMQ") is a Delaware corporation with its principal place of business located at 1100 Town & Country Road, Suite 450, Orange, California which at all times mentioned herein, has transacted business within the State of Maine and engaged in the retail-based origination and funding of real estate secured, owner-occupied, residential mortgage loans. The violations of law alleged herein were committed throughout the State of Maine.

5. Defendant Town & Country Credit Corporation (hereafter "TCCC") is a Delaware corporation with its principal place of business located at 2010 Main Street, Suite 800, Irvine, California which at all times mentioned herein, has transacted business within the State of Maine and engaged in the retail-based origination and funding of real estate secured, owner-occupied, residential mortgage loans. The violations of law alleged herein were committed throughout the State of Maine.

6. Defendant AMC Mortgage Services, Inc. f/k/a/Bedford Home Loans (hereafter "AMC") is a Delaware corporation with its principal place of business located at 505 City Parkway West, Suite 100, Orange, California which at all times mentioned herein, has transacted business within the State of Maine and engaged in the retail-based origination and funding of real estate secured, owner-occupied, residential mortgage loans. The violations of law alleged herein were committed throughout the State of Maine.

7. Defendant ACC Capital Holdings Corporation (hereinafter referred to as "ACCCH"), is a Delaware corporation with its principal place of business located at 1100 Town and Country Road, Orange, California and whose subsidiaries AMQ, TCCC and AMC at all times mentioned herein engaged in the retail-based origination and funding of real estate secured, owner-occupied residential mortgage loans.

8. Whenever reference is made in this complaint to any act or practice of Defendants AMQ, TCCC, and AMC (collectively referred to as "the Amerquest Parties"), such allegation shall be deemed to mean that the principals, officers, directors, employees, agents and representatives of said Defendant did, or authorized, such act or practice on behalf of said Defendant, while actively engaged in the scope of their duties.

9. The Amerquest Parties advertise, offer, solicit sales of, and sell real estate secured loans and related goods and services to borrowers in Maine and nationwide.

GENERAL ALLEGATIONS

10. In the ordinary course of business, the Amerquest Parties have originated and funded real estate secured loans with borrowers in the State of Maine. These real estate secured loans were made from or at the Amerquest Parties' retail lending branches during the period January 1, 1999 through December 31, 2005 (the "Covered Transactions").

11. The Attorney General and the Director of the Office of Consumer Credit Regulation in this state and in other states have received and investigated complaints and conducted examinations concerning the Covered Transactions. Those complaints and investigations related to the Amerquest Parties' conduct including, but not limited to, the following practices (collectively, "the Lending Practices"):

A. Discount Points: Plaintiffs allege that the Amerquest Parties failed to provide timely and adequate information to borrowers concerning the amount and purpose of "discount" points and fees imposed on their loans. Further, prior to the implementation of the new computerized pricing model in February 2003, the rate reduction, if any, varied among borrowers who paid the same amount of discount points.

B. Misrepresentation of Loan Costs and Terms: Plaintiffs allege that the Ameriquest Parties made deceptive or misleading representations or omissions regarding loan terms and charges including, but not limited to, the interest rate of the loan; misrepresenting the presence or the mechanics of the adjustable rate feature of the loan; failing to disclose the interest rate or the material costs of the proposed loan when known to the Ameriquest Parties; failing to properly disclose to potential borrowers whether the proposed loan payment included escrowed taxes and insurance payments; misrepresenting the credit status of potential borrowers; and falsely promising borrowers the ability to refinance at a later date as an inducement to enter into the loan.

C. Prepayment Penalties: Plaintiffs allege that Ameriquest Parties engaged in a practice of misleading borrowers about the presence, the significance or meaning of a prepayment penalty and or the duration of a prepayment penalty on their loans. The Ameriquest Parties also made false representations that the prepayment penalties could be waived.

D. Repeat Refinancing: Plaintiffs allege that the Ameriquest Parties, in violation of their own published Best Practices, engaged in the practice of soliciting existing Ameriquest borrowers to refinance within the first 24 months of their loans.

E. Inflated Appraisals: Plaintiffs allege that the Ameriquest Parties engaged in deceptive or misleading acts and practices which resulted in the Ameriquest Parties obtaining inflated appraisals that were substantially in excess of the market value of homes of prospective borrowers. An example of such acts is pressuring appraisers to obtain a certain home value or not receive any future Ameriquest appraisal assignments.

F. Inflated Income: Plaintiffs allege that the Ameriquest Parties engaged in acts and practices which resulted in fabricated and or inflated income information for prospective borrowers, and or non-existent or inflated amounts of assets for prospective borrowers on loan

applications. Those borrowers would have failed to qualify for said loans without the fabricated or inflated income and or assets.

G. Disparaging Federal Disclosures: Plaintiffs allege that Ameriquist Parties engaged in acts and practices that encouraged borrowers to ignore the Truth In Lending Act (TILA) and Real Estate and Settlement Procedures Act (RESPA) disclosures (including the Good Faith Estimate), misrepresented that these disclosures are not representative of the actual loan terms the borrowers will receive, or otherwise disparaged the accuracy and relevance of the required federal disclosures.

H. Loan Funding: Plaintiffs allege that Ameriquist Parties failed to timely fund borrowers' loans at the close of the applicable rescission periods. This practice resulted in costs to consumers, including but not limited to additional interest costs.

COUNT I
(UTPA § 207- Unfair and Deceptive Practices)

12. Plaintiffs reallege and incorporates by reference the allegations of Paragraphs 1 to 11 of this Complaint.

13. The Ameriquist Parties engage in trade or commerce within the meaning of 5 M.R.S.A. § 206(3) by making mortgage loans to borrowers. The Ameriquist Parties advertise, offer, solicit sales of, and sell real estate secured loans and related goods and services to Maine borrowers.

14. The Ameriquist Parties engaged in the business of making loans to Maine borrowers that were secured by those borrowers' homes. The Ameriquist Parties used unfair and deceptive promotions, marketing and sales techniques to induce homeowners to refinance their mortgages and consolidate their debts using the Ameriquist Parties' real-estate secured loan products.

15. In the course of their dealings with borrowers and in furtherance of their own direct pecuniary and business gains, the Ameriquest Parties committed unfair and deceptive acts, and made material misrepresentations or omissions in violation of 5 M.R.S.A. § 207.

COUNT II
(Consumer Credit Code, 9-A M.R.S.A. § 1-101 et seq.)

16. Plaintiffs reallege and incorporate by reference the allegations of Paragraphs 1 through 15 of this Complaint.

17. The Ameriquest Parties make supervised loans within the meaning of the Consumer Credit Code ("the Code"), 9-A M.R.S.A. § 1-301(40). Lenders of supervised loans must demonstrate initial and ongoing appropriate financial responsibility, character and fitness pursuant to 9-A M.R.S.A. § 2-302. The Code prohibits unconscionable loans, or loans induced by unconscionable conduct pursuant to 9-A M.R.S.A. § 9-402.

18. The Ameriquest Parties used marketing, sales, closing and servicing practices that did not demonstrate appropriate financial responsibility character and fitness in violation of 9-A M.R.S.A. § 2-302 and that constituted unconscionable conduct in violation of 9-A M.R.S.A. § 9-402.

COUNT III
(Funded Settlement Act, 33 M.R.S.A. §§ 521-527)

19. Plaintiffs allege and incorporate herein by reference the allegations in Paragraphs 1 through 15 of this Complaint.

20. Supervised lender must fund loans promptly after closing the loans pursuant to 33 M.R.S.A. §§ 521-527.

21. Ameriquest Parties closed loans in the State of Maine that were not timely funded in violation of 33 M.R.S.A. §§ 521-527.

WHEREFORE, Plaintiffs prays for judgment as follows:

A. Pursuant to 5 M.R.S.A. § 209 order that the Defendants Ameriquet Parties, their direct and indirect subsidiaries, affiliates, officers, directors, employees, agents, related entities, successors, and assigns, and any and all other persons who act under, by, through, or on behalf of Defendants Ameriquet Parties be permanently restrained and enjoined from the following:

(1) Making or disseminating any misleading unfair or deceptive representations in violation of 5 M.R.S.A. § 207, relating to the marketing or sale of loans to borrowers.

(2) Doing any of the wrongful acts referenced in this Complaint or any other act in violation of 5 M.R.S.A. § 207, Title 9-A M.R.S.A. ("the Code") or Title 33 M.R.S.A. §§ 521-527 (Funded Settlement Act), relating to the business of making retail residential mortgage loans to borrowers.

B. Order Defendants Ameriquet Parties to make restitution to Maine borrowers pursuant to 5 M.R.S.A. § 209 and 9-A M.R.S.A. § 6-113.

C. Award Plaintiffs their attorneys' fees and costs pursuant to 5 M.R.S.A. § 209, 9-A M.R.S.A. § 6-106(6) and 14 M.R.S.A. § 1522.

D. Award the Plaintiffs such other and further relief as the Court deems just and proper and equitable under the circumstances.

Plaintiffs, as well as the State Attorneys General and Financial Regulators in other states and the District Attorneys, have received and investigated consumer complaints, and conducted examinations with respect to the Lending Practices of the Amerquest Parties and acknowledge that ACCCH and the Amerquest Parties cooperated with Plaintiffs and the other Settling States' investigations and examinations of the Lending Practices. In the interest of resolving the issues raised by the complaints, investigations and examinations and to avoid the risks, loss of time and the costs associated with protracted litigation, the parties have voluntarily entered into this Judgment.

B. ACCCH and the Amerquest Parties deny all the allegations raised by the Settling States. This Permanent Injunction and Final Judgment shall not be interpreted as an admission of wrongdoing by ACCCH or the Amerquest Parties or as an admission, concession, or evidence of any alleged fault, misrepresentation, act or omission or any other alleged violation of law, and it does not represent a formal finding of wrongdoing by any court or administrative agency.

C. Plaintiffs and Defendants hereby waive their right to move for a new trial or otherwise seek to set aside the Judgment through any collateral attack, and further waive their right to appeal from the Judgment, except that Plaintiffs and Defendants, and each of them, agree that this Court shall retain jurisdiction for the purposes specified in paragraph VIII(H) of this Judgment.

III. PAYMENT OF RESTITUTION, ATTORNEYS' FEES, INVESTIGATION COSTS AND OTHER EXPENSES TO THE STATES.

A. **Payment Obligation of ACCCH.** ACCCH is a party to this Permanent Injunction and Final Judgment for the sole purpose of paying restitution and other amounts as set forth below in this Section III and in Sections V.C.3 and VI.E.

B. **Payment of Restitution.** ACCCH or AMQ shall pay the sum of Two Hundred Ninety-Five Million Dollars (\$295,000,000) for the payment of restitution to Borrowers in the Settling States nationally. The restitution awarded under the terms of this Judgment is not and shall not be considered as forgiven debt. The Settlement Fund shall be divided into two sub-funds:

1. The sum of One Hundred Seventy-Five Million Dollars (\$175,000,000) shall be used to provide restitution to Borrowers who obtained Loans from an Ameriquest Party during the period of January 1, 1999 to April 1, 2003 ("Sub-Fund A"). Sub-Fund A, plus any net, post-tax interest earned on that sum, shall be distributed on a nationwide basis by the Settlement Administrator to certain Borrowers, including certain Borrowers in Maine, who received a Loan from any of the Ameriquest Parties from January 1, 1999, through and including April 1, 2003, according to a formula to be established by the Settling States.
2. The sum of One Hundred Twenty Million Dollars (\$120,000,000) shall be used to provide restitution to Borrowers who obtained Loans from an Ameriquest Party between January 1, 1999 and December 31, 2005 ("Sub-Fund B"). The State of Maine's share of Sub-Fund B shall be \$705,600 plus any net, post-tax interest earned on that sum. The State of Maine shall have sole discretion to determine the manner in which it will distribute its share of Sub-Fund B to consumers, including criteria for choosing which Borrowers shall receive any restitution and the amount to distribute to each.

C. **Payment to the Settling States.** Within three (3) business days after the Effective Date, ACCCH or AMQ shall pay, by wire transfer or as otherwise directed the sum of Thirty Million Dollars (\$30,000,000) to the Settling States for their attorneys' fees, investigation costs, and other expenses related to the investigation and resolution of this matter. The State of Maine's share of these costs shall be \$310,000. ACCCH or AMQ shall distribute the \$310,000 to the Maine Attorney General. These funds shall be deposited as follows: \$200,000 to the

general fund; \$55,000 to the Office of Consumer Credit Regulation for its costs pursuant to 9-A M.R.S.A. § 6-106(6); and \$55,000 to the Consumer and Antitrust account pursuant to 5 M.R.S.A. § 203-A. The Attorney General may use any portion of its share for consumer restitution or for enforcement of the Maine Unfair Trade Practices Act, 5 M.R.S.A. § 205-A *et seq.*

D. **Payment Schedule.** All payments to the Settlement Fund shall be by wire transfer to the Settlement Administrator and deposited by the Administrator into an interest bearing account. In the event the Settlement Administrator is not in place at the time any payment is due, ACCCH or AMQ shall make the payment into an escrow account established for that purpose by the Compliance Committee with a trustee to be named by the Settling States, who shall deposit the payment with the Settlement Administrator as soon as one is in place. ACCCH or AMQ shall make the required payments according to the following schedule:

1. The sum of Forty-five Million Dollars (\$45,000,000) shall be paid no later than three (3) business days after the Effective Date.
2. The sum of Sixty Million Dollars (\$60,000,000) shall be paid not later than ninety (90) days after the date the first payment is due.
3. The sum of Sixty Million Dollars (\$60,000,000) shall be paid not later than one hundred eighty (180) days after the date the first payment is due.
4. The sum of Sixty Million Dollars (\$60,000,000) shall be paid not later than two hundred seventy (270) days after the date the first payment is due.
5. The sum of Seventy Million Dollars (\$70,000,000) shall be paid not later than three hundred sixty five (365) days after the date the first payment is due.

E. **Funds to Be Held in Trust.** All monies in the Settlement Fund, including interest income, shall be held in trust for the purposes stated in this Judgment. Neither ACCCH nor the Ameriquest Parties shall have any property right, interest, claim or title to the Settlement Fund or any interest earned thereon once a deposit is made into the Settlement Fund.

F. **Qualified Settlement Fund.** The fund established by this Judgment for the

payment of restitution is intended to be a Qualified Settlement Fund within the meaning of Treasury Regulation Section 1.468B-1 of the U.S. Internal Revenue Code of 1986, as amended.

IV. INJUNCTIVE RELIEF

Pursuant to the Maine Unfair Trade Practices Act, 5 M.R.S.A. § 209, The Ameriquest Parties are enjoined with respect to their origination and funding of Loans from engaging in unfair or deceptive acts or practices and are further enjoined as follows:

A. **Scope.** The injunctive requirements set forth below are intended as a floor or minimum requirements governing the conduct of the Ameriquest Parties. Nothing set forth herein alters the requirements of Maine or federal law to the extent those laws offer greater protection to consumers.

B. **Disclosure of Loan Terms.** The Ameriquest Parties shall not make false, misleading or deceptive representations regarding Loan terms and shall make the following disclosures to Potential Borrowers in a clear manner:

1. **Oral Disclosures.** Ameriquest Parties' Sales Personnel, whenever they have obtained Non-Prime Loan pricing information from their respective pricing model based on credit information provided by a Potential Borrower and that Potential Borrower has in a conversation with an Ameriquest Party Sales Person agreed to the submission of a specific Non-Prime Loan proposal for processing (but in no event later than when an appraisal or loan documents have been ordered, whichever occurs first), shall provide oral disclosures as follows:

- a. ***Fixed Rate Mortgage - Specific Loan Terms.*** If the proposed Non-Prime Loan is a Fixed Rate Mortgage, the Ameriquest Parties' Sales Personnel shall provide an oral disclosure in substantially the following form:

“The loan we have been discussing is a [insert term of the loan] year fixed rate loan for \$ [insert loan amount]. The interest rate is [insert interest rate]%. The monthly payment is \$[insert monthly payment], which does [or does not] include escrows for property taxes or insurance. Your loan does [or does not] include a prepayment penalty.”

- b. ***Fixed Rate Mortgage - With Discount Points.*** If the proposed Non-Prime Loan includes a fixed rate mortgage and provides for the payment of Discount Points, Ameriquest Parties' Sales Personnel shall provide an oral disclosure in substantially the following form:

“This loan includes payment of [insert number] discount points, a fee you pay at closing that reduces the interest rate on your loan and also the amount of your monthly payment but increases the total amount of your loan. You may be eligible for a loan with fewer discount points.”

- c. ***Adjustable Rate Mortgage - Specific Loan Terms.*** If the proposed Non-Prime Loan includes an Adjustable Rate Mortgage, Ameriquest Parties' Sales Personnel shall provide an oral disclosure in substantially the following form:

“The loan we have been discussing is an adjustable rate loan for \$[insert loan amount], with an initial interest rate of [insert initial interest rate]%. Your initial monthly payment would be \$[insert initial monthly payment], which does [or does not] include escrows for property taxes or insurance. Your loan does [or does not] include a prepayment penalty.

“Because this is an adjustable rate loan, the initial interest rate and monthly payment I quoted you are only guaranteed for the first [insert length of initial fixed rate period] of the loan. After that, your interest rate can increase by up to [insert rate adjustment cap] percent each year. But, your interest rate can never be higher than [insert lifetime cap] percentage points over your initial interest rate.”

If the Sales Person has not previously discussed a specific Fixed Rate Mortgage proposal with the Potential Borrower, the Sales Person shall also provide an additional oral statement in substantially the following form:

“You may be eligible for a loan with an interest rate that does not

change.”

- d. ***Adjustable Rate Mortgage - With Discount Points.*** If the proposed Non-Prime Loan includes an Adjustable Rate Mortgage and the payment of Discount Points, Ameriquest Sales Personnel shall provide an oral disclosure in substantially the following form:

“This loan includes a payment of [insert the number] discount points, a \$[insert the amount of the discount points in dollars] fee you will pay at closing to lower your initial interest rate and monthly payment. You may be eligible to pay fewer discount points, but if you do that your initial interest rate and monthly payment will be higher.”

- e. ***Prepayment Penalty.*** If the proposed Non-Prime Loan includes a Prepayment Penalty, Ameriquest Sales Personnel shall make an oral disclosure in substantially the following form:

“This loan contains a prepayment penalty. That means if you pay off or refinance your loan within [insert the length of the period] you will pay a fee of as much as \$[insert the amount of the fee in dollars]. You may be eligible for a loan without a prepayment penalty, but you would then pay a higher interest rate and a higher monthly payment.”

- f. ***Concluding Statement.*** The Ameriquest Parties' Sales Personnel shall conclude the conversation with the Potential Borrower by making a statement in substantially the following form: “We will be sending you some written disclosures that explain your options regarding a fixed versus adjustable rate loan, paying more or less discount points and a loan with or without a prepayment penalty. If, after reading the information we send you, you wish to make any changes to this loan proposal, please give me a call.”

- g. ***Interest Rate Disclosure.*** The Ameriquest Parties shall disclose the interest rate being offered, if known, whenever asked by a Potential

Borrower.

- h. ***Written or Electronic Disclosures.*** The Ameriquest Parties' Sales Personnel shall be instructed that in the event a Potential Borrower's application is not submitted orally but in a written or electronic document (or submitted through a website or other electronic format), the foregoing oral disclosures, as and if applicable, shall be provided within three (3) days of receipt of the application, in writing by mail or by transmission by the same means used in submitting the application.
- i. ***Failure to Make Oral Disclosures.*** If an Ameriquest Party discovers that a Sales Person has failed to make required oral disclosures to the Potential Borrower, that Ameriquest Party shall take prompt and appropriate disciplinary action, up to and including dismissal of the responsible personnel.

- 2. **Written Disclosures.** Within three (3) days after obtaining Loan pricing information from their respective pricing model based on credit information provided by a Potential Borrower and the Potential Borrower agreeing to the submission of a specific Loan proposal for processing (but in no event later than three (3) days after when an appraisal or loan documents have been ordered, whichever occurs first) and without regard to any other disclosure requirements, the Ameriquest Parties shall provide the Potential Borrower a single page disclosure, in writing or electronically, which discloses the terms of the specific Loan proposal being offered to the Potential Borrower, in substantially the form as attached hereto as Exhibit A (hereafter "Disclosure Form"). The initial Disclosure Form may be included with other required disclosures being sent to Potential Borrowers at the same time.

- a. If any one or more Material Changes in Terms occurs, subsequently making the initial Disclosure Form inaccurate, the Ameriquest Parties shall mail, not less than six (6) days before Closing, or deliver or cause to

be delivered by courier, facsimile transmission, e-mail or website access so as to be received or accessed by the Potential Borrower at least three (3) days prior to Closing for a Non-Prime Refinance Loan and as soon as reasonably possible but in no event less than one (1) day prior to Closing for any other Loan, a revised Disclosure Form that reflects the Loan terms that will be presented to the Potential Borrower at Closing, including all Material Changes in Terms.

- b. Notwithstanding the provisions of Section IV.B.2.a. above, an Ameriquest Party need not provide the Potential Borrower a revised Disclosure Form when the only Material Change in Terms is an increase in Discount Points of no more than forty-seven (47) basis points and that increase has been requested by the Potential Borrower to buy down an increase in the interest rate that would not by itself represent a Material Change in Terms.
- c. If the revised Disclosure Form is mailed or delivered by courier or facsimile transmission, it must be accompanied by a cover letter advising the Potential Borrower that changes have been made to the terms of the proposed Loan. If the revised Disclosure Form is delivered by e-mail message, the subject line must contain the following: "IMPORTANT CHANGES to your [THE APPLICABLE AMERIQUEST PARTY] loan proposal." If the revised Disclosure Form is delivered by website access, access to the website must be password protected.
- d. Compliance with the time provisions of this subparagraph may be proven by satisfactory proof of one of the following:
 - (1) Timely mailing;
 - (2) Timely dispatch by courier or facsimile transmission;
 - (3) Confirmation of timely receipt of the e-mail by the Potential Borrower; or
 - (4) Confirmation of timely access to the web site by the Potential

Borrower.

- e. The Amerquest Parties shall instruct the Independent Loan Closer that the final Disclosure Form must be the first document presented to the Potential Borrower at Closing by the Independent Loan Closer, who shall review it with, and have it signed by, the Borrower. In the event an Amerquest Party employee is conducting the Closing, when permitted under this Judgment, the final Disclosure Form shall be the first document presented to the Potential Borrower at Closing, who shall review it with, and have it signed by, the Borrower.
- 3. In communicating with Potential Borrowers, the Amerquest Parties shall not represent that their respective interest rate or terms are "better," "lower" than, or "competitive" with those of other mortgage lenders, or use words of similar import, unless such representations are in fact true.
- 4. The Amerquest Parties shall not misrepresent the adjustable rate feature of any Adjustable Rate Mortgage. For example, the Amerquest Parties may not:
 - a. State or imply that the interest rate on the Loan will not, or is unlikely to, adjust in the future;
 - b. State or imply that the interest rate on the Loan can go down (from its initial rate) as well as up, unless that is in fact true;
 - c. State or imply that the initial "fixed" interest rate in an Adjustable Rate Mortgage is the interest rate for the entire term of the Loan;
 - d. State or imply that the interest rate will go up only if the market rates increase, unless that is, in fact, true.
- 5. When comparing different Loans, the Amerquest Parties shall not state or imply that monthly Loan payments, which include amounts escrowed for payment of property taxes and homeowner's insurance, are comparable with monthly Loan payments that do not include these amounts. The Amerquest Parties shall inform a Potential Borrower whether the monthly payment discussed with or proposed to

the Potential Borrower does or does not include any amount escrowed for taxes or insurance, as the case may be.

6. No Ameriquest Party shall represent to a Potential Borrower that it will be able to Refinance the Potential Borrower's proposed Loan at a later date on more favorable terms unless the Loan proposal being made to the Potential Borrower provides that the Ameriquest Party is contractually bound to Refinance the Potential Borrower's proposed Loan at the later date on more favorable terms.
7. The Ameriquest Parties shall not misrepresent to any Borrower or Potential Borrower the credit rating or credit status of that Borrower or Potential Borrower.

C. **Same Rate Available.** The Ameriquest Parties shall make Loans in accordance with a pricing model that is designed to produce (before the use of any price exception) the same interest rate and number of Discount Points for all Potential Borrowers with the same credit risk characteristics, who are applying for the same Loan, and who are the same with respect to any other characteristic(s) or fact(s) that affect the pricing information generated by the pricing model. Nothing herein shall prohibit an Ameriquest Party from making individual "price exceptions" wherein the Ameriquest Party offers a Potential Borrower a rate that is lower than the rate for which the Potential Borrower otherwise qualifies ("Price Exception"). Provided, however, if in any ninety (90) day period the number of Borrowers receiving a Price Exception from an Ameriquest Party exceeds thirty percent (30%) of the Loans originated within the period, there shall be a rebuttable presumption that the Ameriquest Party has violated the provisions of this Section IV.C.

Price Exception does not include the following: (1) a price reduction given to prevent the Loan from becoming a high-cost or covered loan under the Home Ownership and Equity Protection Act (HOEPA), or any similar Maine law, or from violating any Maine law limitation on fees, rates, or other costs; (2) a price override given at or near the time of funding to honor a previous price commitment; or (3) a firm offer of credit to a pre-screened Potential Borrower that is required by the Fair Credit Reporting Act and based upon the pricing model price at the time of the offer but that is not accepted by the Potential Borrower until after the pricing model price

has increased.

D. **Good Faith Estimates (GFE).** The Amerquest Parties shall provide each Loan applicant with a GFE, as required by RESPA. The Amerquest Parties shall not disparage, discredit, or otherwise encourage Potential Borrowers to disregard the GFE. For example, the Amerquest Parties shall not represent to a Potential Borrower that the GFE is incorrect, reflects the worst case scenario, is not the true Loan proposal, or reflects terms that are higher or lower than the actual terms the Potential Borrower will receive.

E. **Borrower Benefit Assessment.** The Amerquest Parties shall not enter into any Non-Prime Refinance Loan that does not provide a benefit to the Borrower. The Amerquest Parties must document that each Non-Prime Refinance Loan provides a benefit and maintain such documentation in a readily retrievable format.

F. **Foreign Language Provisions.** The Amerquest Parties shall continue their current policy of: (a) maintaining a program of testing and certifying appropriate Sales Personnel for fluency in the Spanish language, and (b) translating into Spanish (i) all documents legally required to be translated, (ii) the Disclosure Form and (iii) any other disclosure documents voluntarily provided to Potential Borrowers under an Amerquest Party's Best Practices. If an Amerquest Party advertises in any language other than English or Spanish, it must adopt and implement a similar policy with respect to consumers who speak the other language.

G. **Prepayment Penalties.**

1. The Amerquest Parties shall reimburse a consumer for any Prepayment Penalty paid by that consumer if the existence of the penalty was not timely and fully disclosed. The Amerquest Parties shall be deemed to have complied with this requirement of full and timely disclosure by the mailing or delivery of the Disclosure Form as provided in Paragraph IV.B.2 above.
2. For any Non-Prime Adjustable Rate Mortgage Loan originated one (1) year or later after the Effective Date that has a Prepayment Penalty, the term of the Prepayment Penalty may not exceed six months beyond the fixed rate term of the Loan. For a period of five (5) years after the Effective Date, the Amerquest

Parties shall, with respect to such Loans, limit the interest rate adjustment during the Prepayment Penalty term to not more than two (2) percentage points.

3. The Amerquest Parties shall not make false, misleading or deceptive representations regarding a Prepayment Penalty provision. For example:
 - a. Whenever an Amerquest Party orally represents that a Potential Borrower can Refinance at a later date, that Amerquest Party must also simultaneously advise the Potential Borrower of any obligation to pay a Prepayment Penalty.
 - b. The Amerquest Parties shall not promise or represent to a Potential Borrower that the Amerquest Parties will waive a Prepayment Penalty at some future date, unless that promise is contemporaneously communicated in writing and is included as a term in the Loan made to the Potential Borrower.
 - c. The Amerquest Parties shall not refer to a Prepayment Penalty as a "Prepayment Privilege," a "Prepayment Benefit," a "Prepayment Opportunity," or use any similar term that tends to mislead a Potential Borrower regarding the obligation to pay a penalty.
 - d. The Amerquest Parties shall not state, infer or imply that the circumstances that would trigger a Prepayment Penalty may not or will not occur; provided, however, that the Amerquest Parties may inform a Potential Borrower of the facts regarding when a Prepayment Penalty included in a Loan proposal does and does not have to be paid according to its terms.
 4. The Amerquest Parties shall continue their current practice of not providing their employees with any monetary incentive or other compensation for including a Prepayment Penalty provision in a Loan.
- H. **Repeat Refinancings.**
- I. No Amerquest Party may solicit Borrowers with existing Non-Prime Loans for

Refinancing within twenty-four (24) months of the Loan Closing date unless it:

- a. Receives a request for a pay-off statement from the Borrower or by someone authorized by the Borrower;
 - b. Is contacted by a Borrower who expressly inquires about Refinancing; or
 - c. Otherwise has a good faith belief, supported by objective evidence, that the Borrower is considering Refinancing.
2. Any proposed Refinancing of a Borrower's Non-Prime Refinance Loan must provide a benefit pursuant to Section IV.E above.
 3. No Amerquest Party employee may offer, give or receive compensation to or from a fellow employee, including employees of the Portfolio Retention Centers, in connection with Refinancing a Borrower within twenty-four (24) months of the Closing date of an existing Loan; provided, however, this restriction shall not apply to payments made under an Amerquest Party's then existing compensation policy.
- I. **Independent Loan Closers.**
 1. The Amerquest Parties shall use an Independent Loan Closer for all of their Non-Prime Loan Closings.
 2. Written Instructions and Whistleblower Agreement. The Amerquest Parties shall provide each Independent Loan Closer with written instructions and procedures, which the Independent Loan Closer shall be required to follow at Closings. The Amerquest Parties shall require the Independent Loan Closer to provide a written report both to designated Amerquest Party senior management, and to the Monitor during the compliance monitoring period, if the Independent Loan Closer discovers unfair, deceptive, misleading or unlawful behavior by any Amerquest Party employee in connection with any Loan. If an Amerquest Party learns that an Independent Loan Closer failed to report such misconduct, the Amerquest Party shall take disciplinary action against the Independent Loan Closer, including temporary or permanent removal from the list of approved Independent

Loan Closers. The Ameriquest Parties may not retaliate against an Independent Loan Closer for reporting misconduct.

3. Independent Loan Closers shall be instructed by the Ameriquest Parties to explain fully the Closing process and Loan documents to Potential Borrowers and to answer all questions from Potential Borrowers to the best of the Independent Loan Closer's ability, unless the Independent Loan Closer is prohibited by law or professional standards from doing so. Further, Independent Loan Closers shall be instructed not to pressure or rush Potential Borrowers at Closing or encourage them to close by suggesting Potential Borrowers may use the rescission period either to read Loan documents or to address questions or objections raised at Closing.
 4. Employees of Ameriquest Parties may attend Non-Prime Loan Closings only if requested by a Potential Borrower. Ameriquest Party employees attending a Closing may not pressure or rush Potential Borrowers, encourage them to close by suggesting they may use the rescission period either to read Loan documents or to address questions or objections raised at Closing, or in any way obstruct the ability of the Independent Loan Closer to perform his or her duties. The Independent Loan Closer shall be required to report any violation of this Paragraph IV.I.4 by any Sales Personnel to designated persons in the appropriate regional or headquarters office of the applicable Ameriquest Party. Persons designated may not be Sales Personnel.
 5. Notwithstanding the foregoing, Ameriquest employees may conduct and attend Closings of Loans that are not Non-Prime Loans.
- J. Closings.
1. Before Closing a Loan, the Ameriquest Parties shall ensure that (a) the Potential Borrower has satisfied all credit Underwriting requirements; (b) an Appraisal or AVM has been submitted and evaluated (if required); and, (c) standard title-related information has been received and reviewed.

2. The Amerquest Parties may Close a Loan subject to satisfaction of standard industry contingencies such as execution and receipt of state-specific documents (e.g., New York and New Jersey same-name affidavits, Texas election not to rescind forms, receipt of pay stubs for proof of employment, credit report explanation letters, use of proceeds letters and hazard insurance loss payee endorsements).
3. If an Amerquest Party schedules a Closing before satisfying the requirements set forth above in Paragraph IV.J.1, it may not represent, suggest or imply to a Potential Borrower that a Loan has been or will be approved, unless and until these Closing requirements are met. If an Amerquest Party communicates with a Potential Borrower to schedule a Closing before the Closing requirements have been met, it must clearly inform the Potential Borrower that the Loan has not yet been approved, and that Closing is contingent upon resolution of all outstanding issues.

K. **Loan Funding.** The Amerquest Parties must fully and unconditionally disburse the proceeds of all Refinance Loans to the Borrower, settlement agent, or other creditors as reflected in the settlement statement on the first business day after the expiration of any rescission period provided for by law or internal Best Practices; provided, however, that the Amerquest Parties will not be deemed to have violated this requirement where: (1) Closing contingencies as set forth in Paragraph IV.J.2 have not been satisfied; (2) an Amerquest Party is prevented from fully disbursing the proceeds because the wire transfer is delayed (by no more than one (1) day) due to the volume of other scheduled Closings; or (3) by other causes beyond an Amerquest Party's reasonable control and occurring without its fault or negligence, including, Acts of God, floods, fires, government restrictions, wars, strikes and insurrections.

If an Amerquest Party fails, for reasons other than those described above, to timely disburse the Refinance Loan proceeds, it shall reimburse any resulting interest, late fees, or other charges incurred by the Borrower, and fully cooperate in assisting the Borrower in removing any adverse credit report information arising from the non-timely payment. Notwithstanding the

foregoing, no Ameriquest Party shall be required to disburse the proceeds of any Loan until it is reasonably satisfied the Borrower has not rescinded the Loan transaction.

L. **Appraisals.**

1. **Conducting Appraisals.** The Ameriquest Parties shall take reasonable steps to ensure all Appraisals are accurate, that appraisers do not inflate property values and that no employee of an Ameriquest Party attempts to influence the development, reporting, result or review of any Appraisal or otherwise interferes with an appraiser's professional duty to perform the Appraisal impartially, objectively and independently.
2. **Removal of Branch from Appraiser Selection.** The Ameriquest Parties shall implement a system to ensure that Appraisals are ordered as part of an automated, centralized process apart from the branch sales offices. Sales Personnel may not select appraisers.

The Ameriquest Parties shall inform all appraisers currently on their approved or accepted lists that they are no longer dependent upon the branch offices for Appraisal assignments, that only the Appraisal Department can remove them from a panel, and that they are to ignore, and report immediately to the Appraisal Department, any effort by any Sales Person, including any Mortgage Specialist, Branch Manager, Area Sales Manager, or Regional Sales Manager to influence appraised value in any way.

Similarly, the Ameriquest Parties shall instruct Sales Personnel they are not to engage in any communications with any appraiser regarding the substantive content of the Appraisal report or the final appraised value, or to attempt to influence the results of the Appraisal in any way and, if they are found to have done so, they will be subject to immediate disciplinary action, up to and including dismissal.

3. **Automated Selection of Ranked Appraisers Required.** A panel of qualified, approved appraisers shall be created for each State. When a new Loan file is

opened, the automated system will assign the Appraisal to an appraiser on the appropriate panel using an algorithmic system designed to limit choice or selection from the discretion of Ameriquest Party employees. This algorithmic system shall be created and maintained by the Appraisal Department and may involve ranking appraisers on the basis of legitimate and relevant factors, including:

- a. The appraiser's familiarity with the geographic locale of the subject property and the type of property to be appraised;
- b. The number of Appraisals the appraiser is capable of performing within a given time period;
- c. The appraiser's record with respect to responsiveness and timeliness;
- d. The status of the appraiser's license; and
- e. Whether, at the time of the Appraisal request, the appraiser has prior Appraisals undergoing pre- or post-funding review or investor due diligence review.

In limited cases (but in no event for purposes of a second or subsequent Appraisal), the Appraisal Department may assign Appraisals to appraisers not selected using the algorithmic system, if the consideration of previously unconsidered legitimate and relevant factors dictates. In that event, the Appraisal Department shall document the reasons for its departure from the normal selection process and maintain the documentation in a readily retrievable format. In no event, however, shall the willingness or unwillingness of an appraiser to produce a desired value become a factor in the selection of an appraiser.

4. **Appraiser Panels.**

- a. *Service Areas.* If an appraiser declines an assignment because the appraiser, in his or her professional judgment, believes the property is outside of the appraiser's professional service area, the Appraisal

Department shall assign the Appraisal to another appraiser and may not pressure the declining appraiser to accept the assignment. The Ameriquest Parties shall not punish appraisers, including by reducing future assignments, for declining assignments the appraiser believes are outside the appraiser's professional service area.

- b. ***Inclusion on a Panel.*** As a prerequisite to inclusion on a panel, an appraiser must be in good standing with his or her licensing authority. Only persons who are not Sales Personnel may oversee the selection of appraisers on the panel.
 - (1) Before being assigned to a panel, all appraisers who currently or in the past have performed Appraisals on behalf of an Ameriquest Party, including staff appraisers, must have their work product audited for quality and compliance by the Appraisal Department or by a licensed third party appraiser retained for auditing purposes. The Ameriquest Parties agree to review or have reviewed, for each of these appraisers, the greater of ten (10) Appraisals or fifteen percent (15%) of the total number of Appraisals performed by the appraiser for Refinance Loans submitted for approval during the six months prior to the review. If the total number of Appraisals performed by an appraiser during that period is less than ten (10), then all Appraisals performed by that appraiser during that period shall be reviewed. Whenever possible, Appraisals shall be selected for review from the pool of Appraisals performed by the appraiser on Refinance Loans submitted for approval and previously subject to investor due diligence or pre- or post-funding reviews during the period. To the extent the number of previously reviewed Appraisals is insufficient for this purpose, additional Appraisals

shall be selected at random from the remaining previously unreviewed Appraisals in the pool. If the result of this review indicates further evaluation is necessary, the Appraisal Department (or Third Party Reviewer) shall conduct an additional audit of a random sample of fifteen percent (15%) of Appraisals drawn from those performed by the appraiser for Refinance Loans submitted for approval during the year prior to this review. Any Ameriquest Party may use an appraiser who has been placed on a panel by another Ameriquest Party. No Ameriquest Party may use an appraiser who fails an audit review by any Ameriquest Party.

- (2) Appraisers who have been previously disciplined by their licensing authority are not eligible for inclusion on a panel. The foregoing provision shall not apply where the discipline is for reasons not involving dishonesty or appraisal quality. In the unlikely event that a sufficient number of non-disciplined appraisers are not available to serve a particular defined service area, an Ameriquest Party may use an appraiser who has been disciplined previously by his or her licensing authority but only if the discipline did not involve allegations of fraud or misrepresentation, the license was not suspended and the last disciplinary action was at least one year prior to the proposed retention date.

5. **Appraiser Independence.** The Ameriquest Parties shall comply with the independence standards set forth in the October 28, 2003, Independent Appraisal and Evaluation Functions statement by the Office of the Comptroller of the Currency, Federal Reserve Board of Governors, Federal Deposit Insurance Corporation, Office of Thrift Supervision and National Credit Union Association, as amended from time to time.
6. **Communication of Expected Value to Appraiser Prohibited.**

- a. There shall be no direct communication between Branch Managers or Mortgage Specialists and appraisers except for communications initiated by the appraiser in response to which the Manager or Specialist shall immediately refer the appraiser to the appropriate persons in the Appraisal Department.
 - b. In the case of Refinance Loans, no Ameriquest Party employee may identify on the Appraisal order form or communicate by any other means to any individual appraiser or firm either the Loan amount or any other express or implied statement of the anticipated or desired Appraisal value. However, the Borrower's estimated value of the property may be identified on the Appraisal order form but only if accompanied by a statement it is being provided solely to assist the appraiser in determining the relative complexity of the Appraisal and that it is not a target or expected value.
7. **Appraisal Review.** At the same time the completed Appraisal report is delivered (by whatever means) to the Appraisal Department, the report may be forwarded or otherwise made available to the applicable Branch Manager.
- a. If, for the initial Appraisal only, the Branch Manager has a good faith belief that the Appraisal contains an error or is otherwise professionally deficient, the Branch Manager may submit a written or electronically transmitted request to the Appraisal Department explaining the objection and requesting the appraiser address the specific issue raised. If the Appraisal Department agrees that a good faith basis for the review exists, either on the basis of a request from the Branch Manager or on the basis of a pre-funding review, the Appraisal Department may request in writing or by electronic transmittal the appraiser do one or more of the following:
 - (1) Consider additional appropriate information about the property, including additional comparables;
 - (2) Provide further detail, substantiation, or explanation for the

appraiser's valuation; or

- (3) Correct errors in the Appraisal. The Appraisal Department may not request that an appraiser review an Appraisal solely on the grounds that the valuation is not high enough to qualify the Potential Borrower for the proposed Loan and shall not suggest a specific value.

- b. The Ameriquest Parties shall document and retain in a readily retrievable format any change in the Appraisal and the reason for the change.

8. **Second Appraisals.** If, after the review process set forth in Paragraph IV.L.7 above has been completed, the Ameriquest Party continues to believe the Appraisal is professionally deficient, that Ameriquest Party may order a second Appraisal from the next appraiser on the panel. The Ameriquest Parties may not order a second Appraisal prior to the completion of this review process; provided, however, that nothing contained herein shall prevent an Ameriquest Party from ordering two simultaneous Appraisals where a particular Loan program requires two different Appraisals. The Ameriquest Parties may also order a second Appraisal in the following cases: (a) where the appraised value of the property is within ten percent (10%) of the value necessary to make the proposed Loan, (b) where the Ameriquest Party reasonably believes the property has been damaged or has otherwise declined in value since the first Appraisal, or (c) where the Appraisal has expired before the Loan has been closed. The Ameriquest Parties shall pay the cost of any second Appraisal ordered because the appraised value was within ten percent (10%) of the value necessary to make the proposed Loan. In no event shall the Ameriquest Parties order more than two Appraisals.
9. **Appraisal Audits.** Each Ameriquest Party shall maintain a record of its Appraisal review and second Appraisal requests, retrievable by branch office, mortgage specialist and by appraiser. This record shall contain the value determined by each Appraisal and the amount of any change in value resulting

from the review or second Appraisal. The Ameriquest Parties shall audit an appraiser's work whenever the Appraisal Department requests review of more than a certain percentage of Appraisals performed by the appraiser for Refinance Loans submitted for approval during a twelve (12) month period. For those appraisers with less than ten (10) Appraisals performed during a twelve (12) month period, the Ameriquest Parties shall review the appraiser's work only if the Appraisal Department made two or more review requests during the period.

An Ameriquest Party shall conduct a comprehensive review of its Appraisal review process whenever the number of review requests or the number of second Appraisals by the Ameriquest Party submitted during a twelve (12) month period exceeds a certain percentage of the total of all first Appraisals during the same period. The exact percentages to be used to determine whether an Appraisal audit is required will be established by agreement between the Ameriquest Parties and the Compliance Committee no later than twelve (12) months after the Effective Date.

10. **Discipline/Mandatory Reporting.** If an Ameriquest Party has a reasonable basis to believe an appraiser is violating applicable laws, or is otherwise engaging in unethical or unprofessional conduct, that Ameriquest Party shall refer the matter to the applicable appraiser regulatory agency, if any. Similarly, if an Ameriquest Party learns that one of its employees or agents involved in the Loan production process has attempted to influence the Appraisal valuation process in any manner, it shall immediately discipline the offending person, up to and including dismissal.
11. **Appraisal Monitoring.** The Appraisal Department shall review twenty percent (20%) of all Appraisals for Refinance Loans submitted for approval (which review may be pre- or post-funding) as part of its existing internal quality control procedures. Review appraisers must be independent of Loan sales and shall be assigned to review Appraisals from no more than ten (10) specific states within

the same geographic region.

12. **Copies of Appraisals to Borrowers.** A complete copy of the Appraisal (or the AVM report if that was used for determining the value of the property) must be provided to the Borrower. If more than one Appraisal (or AVM report) is completed, copies of all Appraisals (or AVM reports) must be provided to the Borrower.
13. **Appraiser Compensation.** Appraisers must be timely paid for every completed Appraisal regardless of whether the Loan actually closes. The Amerquest Parties shall not pay additional or bonus compensation to an appraiser for meeting the desired Appraisal value and no Amerquest Party employee may accept compensation of any kind from an appraiser or Appraisal firm for an Appraisal assignment.

M. **Stated Income Loans.**

1. The Amerquest Parties shall not:
 - a. Inflate or fabricate, or encourage a Potential Borrower to inflate or fabricate the source or amount of a Potential Borrower's actual income or assets; or
 - b. Sign any document on behalf of a Borrower.
2. The Amerquest Parties shall instruct the Independent Loan Closer to review with the Potential Borrower, and require the Potential Borrower to sign, at and as a condition of Closing, a statement certifying the Potential Borrower understands that:
 - a. The Loan has been approved based on the amount of income reported by the Potential Borrower;
 - b. The amount of income reported by the Potential Borrower is accurate;
 - c. If the Potential Borrower's income is in fact less than the amount set forth in the Loan application, the Potential Borrower understands there is a significant risk that the Potential Borrower will not be able to afford the

Loan and may lose their home through foreclosure or be forced into bankruptcy; and

d. Any false statements may subject the Potential Borrower to criminal penalties.

3. The Amerquest Parties shall maintain a record of those applications that are originally submitted as full document or limited document (also called Fast Trac) Loans that are subsequently approved as Stated Income Loans.
4. The Underwriting guidelines employed by the Amerquest Parties shall require the amount of stated income be reasonable for the occupation and experience claimed.
5. If a Stated Income Loan is based upon self-employment or a home-based business, the Amerquest Parties shall request evidence of the existence of the business.

N. **Employee Compensation Programs.** The compensation system employed by an Amerquest Party may not provide incentives that encourage its employees: (1) to include a Prepayment Penalty provision in a Loan, (2) to quote a Potential Borrower an interest rate inconsistent with the Same Rate Available provision of this Judgment, or (3) to otherwise increase compensation based on Loan fees or Closing costs.

O. **Quotas.** The Amerquest Parties may not require its employees to complete an unreasonable minimum number of Loan applications or Loan Closings per month or other time period where the result is that employees violate any provision of this Judgment or the law. No branch, regional or area sales manager may establish a quota system separate from that established by an Amerquest Party; provided, however, nothing in this Judgment shall prohibit regional, area or branch managers from conducting reasonable sales or incentive contests.

P. **Whistleblower Policies and Procedures.** The Amerquest Parties shall adopt written policies and procedures to facilitate reporting of suspected improper conduct by Amerquest Party employees. Each Amerquest Party shall provide a copy of these policies and procedures, including the name, address and telephone number of a manager designated by that

Amerquest Party to receive reports of suspected improper conduct, to all current employees and all newly hired employees at the time of their employment. These policies and procedures shall include provisions to:

1. Encourage the reporting of suspected improper conduct;
2. Take reasonable steps to preserve the anonymity of the whistleblower to the maximum extent practical;
3. Investigate the allegations of suspected improper conduct and report the results of that investigation to senior management; and
4. Protect the whistleblower from retaliation.

Q. Employee Training.

1. Amerquest Party branch employees shall complete a training course appropriate to the duties and responsibilities of each employee, which shall include:
 - a. A discussion of the Amerquest Party's obligations under this Judgment and a written summary of the Judgment provided to each trainee;
 - b. A discussion of the purpose and general prohibitions of state unfair or deceptive acts or practices statutes as they relate to secured real estate mortgage lending.
2. Newly hired Sales Personnel shall complete a training course which shall include, in addition to the elements described above, basic training in mortgage lending and in ethical sales practices.
3. The General Counsel of ACCCH shall discuss with each of ACCCH's and the Amerquest Parties' officers and directors their respective general duties and responsibilities as they relate to the real estate secured mortgage lending activities of ACCCH or the Amerquest Party with which they are associated and provide each of them with a written summary of this Judgment.
4. Each employee required to complete the training courses referred to in Paragraphs IV.Q.1-2 above, and each officer and director of ACCCH and each Amerquest

Party shall execute a form, which shall be maintained in a readily retrievable format by ACCCH or the applicable Ameriquest Party, acknowledging:

- a. Completion of the training or discussion with the ACCCH Counsel, as the case may be;
- b. They have received, read and understand the Ameriquest Party's obligations under this Judgment as set forth in the above-referenced written summary;
- c. They understand that violations of applicable Maine and federal laws may subject them to individual liability and judicial or administrative sanction; and
- d. They understand that violations of applicable Maine and federal laws may subject the Ameriquest Party to liability and judicial or administrative sanction.

R. **No Coordination with Debt Collectors.** Neither the Ameriquest Parties nor its employees may compensate Debt Collectors for providing referrals nor may the Ameriquest Parties or its employees work in concert with Debt Collectors to pressure a Potential Borrower to obtain a Loan from an Ameriquest Party. Nothing in this Section IV.R shall prohibit the Ameriquest Parties from purchasing bulk mailing lists from Debt Collectors or receiving uncompensated referrals from Debt Collectors, whether or not solicited.

V. ADMINISTRATION

A. **State Settlement Administration and Compliance Committee.** Within fifteen (15) days of the Effective Date, the Settling States shall designate a State Administration and Compliance Committee (the "Compliance Committee"). The Compliance Committee shall serve as the Settling States' representative in the administration of this Judgment and the monitoring of compliance with it by ACCCH and the Ameriquest Parties.

B. **Claims Process.** Subject to the provisions of this Judgment pertaining to Sub-Fund A, each Settling State shall determine the procedures to provide notice and distribute restitution to its eligible Borrowers.

C. Procedures for Administration.

1. Within ninety (90) days of the Effective Date, the Ameriquest Parties, in consultation with the Compliance Committee, shall choose and retain an Administrator ("the Administrator") to administer the distribution of restitution payments under this Judgment. The Administrator shall be deemed appointed and the contract approved unless within fifteen (15) days of receipt of the proposed contract identifying the proposed Administrator, more than one-third (1/3) of the number of the Settling States object to the appointment.
2. Subject to the limitations of Section III above, Maine shall determine the criteria, procedures and manner of allocation and distribution of restitution to the eligible Borrowers in Maine and may direct the Administrator with respect to these matters.
3. ACCCH or the Ameriquest Parties shall pay to the Settlement Fund an amount sufficient to pay the Administrator's reasonable fees and expenses, including attorneys' fees and costs of litigation, if any, related to maintaining the confidentiality of customer and proprietary information; provided, however, that in no event shall the total of fees, expenses and costs of administration exceed Seven Million Five Hundred Thousand Dollars (\$7,500,000). From time to time, as the Settlement Fund incurs administrative costs, it shall render an invoice of the reasonable costs incurred to ACCCH or the Ameriquest Parties and ACCCH or the Ameriquest Parties shall, within thirty (30) days of receipt, transfer that amount to the Settlement Fund for payment to the Administrator. Any unexpended portion of this amount at the termination of the administration of this Judgment shall revert to ACCCH or the Ameriquest Parties.
4. The Ameriquest Parties shall provide to the Administrator all information reasonably necessary for the administration of this Judgment, within a reasonable time not to exceed thirty (30) days after receipt of the request for information. The Ameriquest Parties shall be ordered to provide this information under 15

U.S.C. § 6802(e) (1)(A), (5) and (8) of the Gramm-Leach-Bliley Act.

Information pertaining to individual eligible Borrowers, including names and other identifying information may be provided to the Settling States but only if:

- a. The information is used solely for the purpose of contacting eligible Borrowers concerning the award of restitution under the Judgment;
- b. The information consists solely of identifying information about eligible Borrowers who have failed to respond to two or more written notices about the restitution offer; and
- c. Any personal identifying information related to a Borrower provided to Maine shall be considered non-public, confidential data not subject to disclosure under 1 M.R.S.A. § 408.

D. **Warranties.** The Ameriquet Parties shall warrant to the Settling States at the time of supplying information to the Administrator that the information is complete and accurate. If the Ameriquet Parties supply information that is incomplete or inaccurate and that results in an eligible Borrower receiving no restitution or less restitution than that Borrower otherwise would have been entitled to receive under the State's restitution plan if complete and accurate information had been provided, the Ameriquet Parties shall pay the difference between the restitution received by the Borrower, if any, and the amount that should have been paid had complete and accurate information been provided. The Ameriquet Parties and the Settling States mutually warrant to the other that the individuals executing this Stipulated Permanent Injunction and Final Judgment are duly authorized to do so.

E. **Onsite Inspections.** The Administrator shall permit reasonable onsite inspection by the Settling States on the premises of the Administrator to monitor administration of this Judgment.

F. **Taxes.** Income taxes, if any, on income earned by the Administrator on funds held temporarily by the Administrator pending distribution as restitution shall be paid out of the income earned by those funds.

VI. COMPLIANCE MONITORING

A. **Implementation Timeline.** The Ameriquest Parties shall implement the changes required by this Judgment as soon as reasonably feasible but not later than March 15, 2007.

B. **Ameriquest Parties' Internal Monitoring.** No later than ninety (90) days after the Effective Date, the Ameriquest Parties shall implement a program of internal monitoring to insure its compliance with this Judgment. This program shall include, at a minimum, periodic on-site visitation of branch offices, and a Mystery Shopping program (except for AMC), all designed to test the Ameriquest Parties' employees' compliance with this Judgment and the Ameriquest Parties' policies and procedures regarding the Loan origination and funding process.

C. **Customer Satisfaction Monitoring in Welcome Calls.** The Ameriquest Parties will attempt to contact, by telephone, each Borrower as his or her Loan is transferred to Loan servicing. During such calls, Loan servicing personnel will review the Borrower's Loan terms with Borrowers and assess their overall satisfaction with the Loan origination and funding process. When material deficiencies or problems with the Loan origination or funding process are identified, the matter will be promptly referred to a complaint resolution unit.

D. **Appointment of an Independent Monitor.** The Compliance Committee and the Ameriquest Parties shall agree on the appointment of an independent Monitor (hereafter the "Monitor") to oversee compliance with the provisions of this Judgment by the Ameriquest Parties. In the event the parties fail to reach agreement on a Monitor within ninety (90) days after the Effective Date, the Compliance Committee shall appoint a Monitor.

Within thirty (30) days after the appointment of the Monitor, the Compliance Committee and the Ameriquest Parties shall agree with the Monitor on a proposed work plan and contract, which shall include all reasonable and necessary costs of the Monitor. If the Monitor, the Compliance Committee and the Ameriquest Parties fail to reach agreement within that time, the Compliance Committee shall determine a fair and reasonable work plan and contract in consultation with the Ameriquest Parties and the Monitor.

In the event of any dispute arising over the Monitor's performance or the reasonableness of the Monitor's costs and fees, either an Ameriquest Party or the Monitor may request the Compliance Committee arbitrate the dispute. In such event, the determination of the Compliance

Committee shall be final.

E. **Costs of the Monitor.** ACCCH or AMQ shall pay all reasonable and necessary costs of the Monitor. Reasonable and necessary costs shall be limited to those set out in the Monitor Contract, but in no event shall they exceed Two Million Dollars (\$2,000,000) per calendar year. The Ameriquest Parties and the Compliance Committee may agree to the performance of additional necessary work by the Monitor in an amount not to exceed One Million Five Hundred Thousand Dollars (\$1,500,000) for the entire Monitoring period. Agreement for any additional work shall not be unreasonably withheld.

F. **Powers of the Monitor.**

1. The Monitor shall have broad discretion to review the Ameriquest Parties' operations to ensure that each of them complies with the terms of this Judgment. The Monitor shall have all powers reasonable and necessary to efficiently and effectively discharge its responsibilities under this Judgment.
2. The Ameriquest Parties shall provide the Monitor access to all documents necessary to permit the Monitor to fulfill its duties in a manner, format and time frame convenient to the Monitor. Similarly, the Ameriquest Parties shall provide the Monitor with reasonable access to their employees as the Monitor reasonably determines necessary to fulfill its duties under this Judgment. The Ameriquest Parties shall make its employees available for interview, either telephonic or in-person, within seven (7) business days of the Monitor's request. Any customer or proprietary information provided to the Monitor shall remain the sole property of the Ameriquest Parties and shall be treated as confidential information, subject to the provisions of Section VI.H and Section VIII.F.
3. For Loan sampling purposes, the Monitor shall request the number of Loans needed for a ninety-five percent (95%) confidence level, with an error tolerance of plus or minus five percent (5%).
4. The Ameriquest Parties shall provide the Monitor with private workspace and access to a photocopier whenever the Monitor makes inspections of the

Ameriquist Parties' documents, files and other materials.

G. **Oversight and Compliance.** The Monitor shall issue a report (hereafter "Report") to the Compliance Committee for the periods ending December 31, 2006; June 30, 2007; December 31, 2007; December 31, 2008; December 31, 2009; and December 31, 2010. Each report is due three (3) months after the close of the period covered by the Report. A copy of the Report shall be submitted simultaneously to undersigned counsel for the Ameriquist Parties. The Report shall include:

1. The Monitor's evaluation of the Ameriquist Parties' compliance with this Judgment; and
2. The factual basis for the Monitor's conclusions.

The Monitor shall confer with the Ameriquist Parties and the Compliance Committee prior to issuing each Report.

H. **Use of the Monitor's Reports.** The Monitor's Reports and testimony may be used by this State, ACCCH or the Ameriquist Parties in any court hearing, trial or other proceeding relating to this action, and the Reports shall be admissible into evidence if there is an alleged violation of this Agreement. The Monitor's Report and testimony with respect to any particular alleged violation shall not be admissible or used in any such proceeding by Maine if the Ameriquist Parties have cured to the reasonable satisfaction of the State of Maine the alleged violation within a reasonable time, which shall be no fewer than thirty (30) days and no more than ninety (90) days after receipt of the report. Provided, however, that the Ameriquist Parties shall not be afforded an opportunity to cure for the purpose of preventing Maine from using the Monitor's Report and testimony when the violation of the same injunctive provision is found to have occurred in over ten percent (10%) of the Loan transactions reviewed by the Monitor in any one state in more than one Report. Subject to 1 M.R.S.A. § 401 *et seq.* the Monitor's Reports shall not be disclosed to any private party without fifteen (15) days prior notice to the Ameriquist Parties, to permit the Ameriquist Parties adequate opportunity to object to their disclosure. The Ameriquist Parties' remedy against the State of Maine for any violation of this fifteen (15) day prior notice requirement is limited to seeking return of the documents from the

private party.

Nothing in this Judgment limits the right of Maine to conduct investigations or examinations independent of the work of the Monitor.

1. **Retention of Documents.** The Ameriquist Parties shall generate, retain and make readily available to the State of Maine for inspection, upon reasonable notice and without the necessity of a subpoena or other legal process, all material records and documents reasonably necessary to document compliance with this Judgment. The Ameriquist Parties shall maintain these records and documents for a minimum of five (5) years after the Monitor's final Report.

VII. RELEASES

A. **Release from Borrowers.** Each Borrower who receives a payment from the Settlement Fund shall first execute the following release (which shall be provided to Borrowers in both English and Spanish):

“‘We’ and ‘our’ mean the Borrowers under the Loan account number(s) listed above. If there is only one Borrower, these terms refer to that single Borrower. The ‘Ameriquist Parties’ are Ameriquist Mortgage Company, Town and Country Credit Corporation, Ameriquist Mortgage Services, Inc., formerly known as Bedford Home Loans, ACC Capital Holdings Corporation and their respective (i) predecessors, past, present and future direct and indirect parents, owners, subsidiaries, affiliated and other related persons or entities of any kind (be they corporations, partnerships, trusts, individuals), including the successors and assigns of any of the foregoing, and (ii) all past, present and future owners, employees, officers, agents, directors, insurers, and any other representatives of all the foregoing, including, for natural persons, both in their official and individual capacities.

By our signatures(s) below we acknowledge that we have read the following release and are bound by its terms. In consideration for the restitution payment we are to receive, we release the Ameriquist Parties from all civil claims, causes of action, any other right to obtain any type of monetary damages (including punitive damages), expenses, attorneys' and other fees, rescission, restitution or any other remedies of whatever kind at law or in equity, in contract, in tort (including, but not limited to, personal injury and emotional distress), arising under any

source whatsoever, including any statute, regulation, rule, or common law, whether in a civil, administrative, arbitral or other judicial or non-judicial proceeding, whether known or unknown, and whether or not alleged, threatened or asserted by us or by any other person or entity on our behalf, including any currently pending or future purported or certified class action in which we are now or may hereafter become class members, that arise from or are related to the following lending practices engaged in by the Ameriquest Parties, during the period from January 1, 1999 through December 31, 2005, in connection with the Loan account numbers listed above:

All representations, misrepresentations, disclosures or any other acts, events, facts, transactions, occurrences, omissions or conduct, whether oral, written or otherwise, by the Ameriquest Parties, arising out of, in connection with or relating to any of the following:

1. Loan types and terms, including discount points, interest rates, origination-related fees, monthly payment amounts, terms of adjustable rate and fixed rate mortgages and prepayment penalties.
2. Written disclosures, including the Good Faith Estimate, other documents required to be provided to a Potential Borrower by any law or otherwise provided by an Ameriquest Party.
3. The Borrower benefits of obtaining a loan from an Ameriquest Party or from a repeat refinancing with an Ameriquest Party.
4. Coordination with debt collectors.
5. The timely completion of the underwriting functions and funding of a loan.
6. Closing of a loan.
7. Appraisals.
8. Stated income loans.
9. Disclosures to non-English speaking Borrowers and Potential Borrowers.

Notwithstanding this release, we may affirmatively or defensively assert any claim or defense that we have with respect to our loan with an Ameriquest Party in response to a judicial or threatened non-judicial foreclosure, including those related to the lending practices listed in this release.

B. **Release from the State.** The relief to be provided by ACCCH and the Ameriquest Parties resolves all civil and administrative investigations and proceedings, if any, including those that are pending or closed, that have been or could have been brought by the State of Maine against the Ameriquest Parties, as defined in the “Release from Borrowers” set forth above, based upon the Lending Practices with respect to the Covered Transactions. This release is effective so long as restitution and other payments required under the terms of this Judgment are timely made. However, this release does not include a waiver or release of any civil or administrative claims, regulatory matters, or causes of action relating to any practices, acts or omissions by any Ameriquest Party that are not based upon the Lending Practices with respect to the Covered Transactions.

VIII. MISCELLANEOUS

A. **State Authority.** The relief provided in this Judgment, including all payments by ACCCH or by the Ameriquest Parties, to the Settlement Fund or any accounts established by this Judgment, is in response to and in compliance with the State of Maine’s authority to regulate ACCCH and the Ameriquest Parties and Maine’s police powers.

B. **Removal of the Administrator or the Monitor.** The Settling States reserve the right to remove and replace the Monitor or Administrator upon approval of two-thirds (2/3) of the number of the Settling States.

C. **Compliance with Maine and Federal Law and Prior Agreements.** Nothing in this Judgment shall relieve the Ameriquest Parties of their obligation to comply with applicable Maine and federal law. Where Maine statutes or regulations, letters of understanding or agreements with the Ameriquest Parties entered into and in force with a Financial Regulator or Maine agency provide greater consumer protections than the terms or provisions included in this Judgment, the applicable Maine statutes, regulations, letters of understanding or agreements with the Ameriquest Parties shall govern.

D. **This Judgment may be modified only by order of this Court.** After making a good faith effort to obtain the concurrence of the other party for the requested relief, which concurrence shall not be unreasonably withheld, the party seeking modification may petition this

Court for modification of the terms and conditions of this Judgment.

E. **Limitation on Use of Information from the Ameriquest Parties.** This Judgment and any information provided by the Ameriquest Parties in the course of negotiating with Settling States shall not be used by the State of Maine as the basis for the denial, revocation, suspension or non-renewal of, or imposition of any condition on, any license, authorization, approval or consent that ACCCH or an Ameriquest Party may now have, or may hereafter seek to obtain under this State's lending, banking, insurance or similar financial laws or regulations, except as expressly provided in this Judgment.

F. **Disclosure of Information.** If the State of Maine receives a request for documents provided by an Ameriquest Party relating to the subject matter of this Judgment, the negotiation of this Judgment, the Monitor's Reports, or information obtained by the Administrator or Monitor in connection with this Judgment, the State shall comply with applicable public disclosure laws and promptly provide notice to the Ameriquest Parties of the request that will afford the Ameriquest Parties the reasonable opportunity to assert that the documents subject to the request are exempt from disclosure.

G. **No Disqualification to Do Business.** This Judgment is not intended to disqualify ACCCH or the Ameriquest Parties from engaging in any business in Maine. Further, this Judgment is not intended to have any effect upon the existing ACCCH or Ameriquest Party licenses in Maine. This Judgment may not be used as any basis for the denial, revocation, suspension or non-renewal of, or imposition of any condition on, any license, authorization, approval or consent that ACCCH or an Ameriquest Party may now have or hereafter may seek under the laws of Maine.

H. **This Judgment may only be enforced by the Parties.** This Judgment shall not be interpreted to alter the contractual terms of any Loan agreement that any Borrower has with any of the Ameriquest Parties, or constitute a novation of any Loan agreement, except as expressly provided in this Judgment. This Court shall retain jurisdiction to enforce the terms and conditions of this Judgment.

The State of Maine may not bring an action to enforce this Judgment without first notifying ACCCH and the Ameriquest Parties in writing of the State's intent to file and of the alleged violations, specifically citing the applicable provisions of the Judgment on which the proposed action is to be based. This notice shall be no less than fifteen (15) days prior to filing the action.

I. **Submission to Jurisdiction for Limited Purpose.** ACCCH and the Ameriquest Parties submit to the jurisdiction of this Court for the limited purpose of entering into and enforcing this Judgment only. Any acts, conduct or appearance by ACCCH or the Ameriquest Parties shall not constitute or be construed as a submission to the general jurisdiction of this Court for any purpose whatsoever.

J. **Conflict with Subsequent Law.** In the event that any law conflicts with any provision of this Judgment, making it impossible for ACCCH or the Ameriquest Parties to comply both with the law and with the provisions of this Judgment, the provisions of the law shall govern.

K. **No Third Party Beneficiaries Intended.** This Judgment is not intended to confer upon any person any rights or remedies, including rights as a third party beneficiary.

L. **Service of Notices and Process.** Service of notices and process required by this Judgment, or its enforcement shall be served on the following persons, or any person subsequently designated by the parties:

If any part of this Judgment shall for any reason be found or held invalid or unenforceable by any court of competent jurisdiction, such invalidity or unenforceability shall not affect the remainder of this Judgment, which shall survive and be construed as if such invalid or unenforceable part had not been contained herein.
