Sir,

Mr Burnham of
Mechanic Falls, claims seven
men that I have enlisted, two
in Poland and five in the
brig. Some of these men were
enlisted before the quota of
each town was assigned. He
further says, that should
they go with me, they would
not count toward making the
^{town} quota, as he entitled to any
bounty from the town. The
men want to go with
me, but do not like to lose
their town bounty. Please
inform me in regard to
this case, which I think is

very much like the other
Actors who, during and among
another I am limited to my
particular locality and if no
more that locality is. Under
stand when I thinking before
that I was to push for the
last night, I was not to be con-
fined to my particular place.
I am sure there are not any
limits fixed to my sphere of
action. I am not at all con-
fined to any particular with you
other arrangements only
give me a chance to work.
