Camp Morrill Washington D.C.
June 22. 1861

Governor Washburn.

Please send
us 16 four horse wagons - with
harnesses & 4 horses to each
wagon. The Asst. to Quarter Master
Genl informed me today that
it would be of the greatest service
to them to have these horses &c -
& if I get more than my share
I will turn over - I need 26
wagons for a complete &
proper transportation -
