WARRANT

To E. M. Crowell, a Constable in the Town of Orrington,

GREETING:

In the name of the State of Maine, you are hereby required to notify and warn the inhabitants of the Town of Orrington, qualified by law to vote in town affairs, to assemble at the Town House in said town on Monday, the twelfth day of March next, at ten o'clock in the forenoon, to act on the following articles, to wit:

Article 1. To choose a moderator to preside at said meeting.

Art. 2. To choose a clerk for the ensuing year.

Art. 3. To act on the report of the Selectmen, Treasurer, Assessors and Overseers of Poor.

Art. 4. To act on the report of the Health Officer and Board of Health.

Art. 5. To act on the report of the Superintendent of Schools,

Art. 6. To fix the compensation of the following town officers for the ensuing year: Selectmen, Assessors, Overseers of Poor, Treasurer, Collector of Taxes, Road Commissioner, Sealer of Weights and Measures, and of any others that may be deemed necessary.

Art. 7. To choose all necessary town officers for the ensuing year, including a Collector of Taxes.

Art. 8. To see what sums of money the town will grant and raise for the following purposes: For the Support of Schools, Books and Supplies, Repair of School Property, Support of Poor, Mothers' Aid, Repair of Roads and Bridges, pay of Snow Bills,

for the Repair of Ditches and Culverts, Patrol Maintenance, pay of Town Officers, Miscellaneous Expenses and any other town charges.

Art. 9. To see what sum of money the town will raise for Memorial Purposes.

Art. 10. To see if the town will raise the sum of \$1,237.50 for payment of note and interest on Schoolhouse Loan due in 1928.

Art. 11. To see if the town will vote "Yes" or "No" on the question of appropriating and raising money necessary to entitle the town to State Aid, as provided in Section 19 of Chapter 25 of the Revised Statutes of 1916.

Art. 12. To see if the town will appropriate and raise the sum of \$533.00 for the improvement of the section of the State Aid Road, as outlined in the report of the State Highway Commission, in addition to the amounts regularly raised for the care of the ways, highways and bridges. The above amounts being the maximum which the town is allowed to raise under the provision of Section 18 of Chapter 25 of the Revised Statutes of 1916.

Art. 13. To see if the town will vote to raise the sum of \$200.00 to be used jointly with the State Highway Commission, on the 50-50 plan, for new construction on the Dow Road.

Art. 14. To see if the town will vote to grant and raise a sum of money to provide for the services of a public health nurse, or take any action thereon.

Art. 15. "By request." To see what action the town will take in relation to money bequeathed the town for Library and Gymnasium and Equipment, under the will of the late Elhanan W. Burns, as it seems impracticable to carry out the strict intent of said will, and to authorize such action, if any, as may seem necessary.

Art. 16. To see if the town will vote to instruct its Road Commissioner to expend \$300.00 of the road fund on the Hewey Hill Road, so called.

Art. 17. To see if the town will vote to abate certain taxes committed to Mrs. Alice Ferris, Collector for 1923, said taxes amounting to the sum of \$55.73.

Art. 18. To see if the town, for the purpose of procuring a temporary loan or loans to and for the use of said town in conducting its municipal business in the current municipal year of 1928, and in anticipation of, and to be paid out of the taxes of the current municipal year of 1928, will authorize and direct the Town Treasurer, subject to the approval of the Selectmen, to borrow from time to time during said municipal year, a sum or sums not exceeding in the aggregate, the sum of ten thousand dollars, and to make, execute and deliver the negotiable note or notes of the town therefor, payable within said current municipal year, and upon such terms as shall be satisfactory to said Town Treasurer and Selectmen, any debt or debts incurred hereunder to be paid out of money raised by taxation during the present municipal year.

Art. 19. To see if the town will vote to purchase land to enlarge the schoolhouse lot at South Orrington, so as to provide an entrance from the Swett's Pond Road.

Art. 20. To see what sum of money, if any, the town will vote to grant and raise, to be expended and used for advertising the natural resources, advantages and attractions of the State of Maine.

Art. 21. To see if the town will accept the sum of fifty dollars, the income from same to be used for the perpetual care of the Everett Johnson burial lot in Oak Hill Cemetery.

Art. 22. To see if the town will accept the sum of seventy-five dollars, as a trust fund, the income from the same to be used for the perpetual care of the Fred W. Preble burial lot in Marston Cemetery.

Art. 23. To see if the town will grant and raise or appropriate a sum of money for the use of the Bangor Public Library for one year.

Art. 24. To see what action the town will take in regard to the care and letting of the Town Hall.

Art. 25. To see if the town will authorize its Selectmen and Treasurer to sell any property held by the town by its tax deeds.

The Selectmen will be in session at the Town House at nine o'clock in the forenoon, on the day of said meeting, for the purpose of revising the list of voters.

Given under our hands at Orrington, this 25th day of February, A. D. 1928.

December 28. Martha Bridges, in Orrington, aged 76 yrs., 3 mos., 16 days. Cause of death, broncho pneumonia.

I would again urge the parents of the children to see that all births are properly recorded and especially the names, as very often when the physician makes his report to the clerk he does not have the name of the child to report, and there is hardly a relation of

life, social, legal or otherwise, in which the evidence furnished by an accurate registration of the birth may not prove to be of the greatest value to the individual in later years.

Respectfully submitted,

F. E. BAKER,
Town Clerk.

SCHOOL REPORT

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the Superintending School Committee and Citizens of Orrington:

I herewith submit my fourth annual report of the progress and needs of your schools.

The progress made in our school under the present consolidation plan has been very encouraging. The students, who graduated from the elementary schools last June, are obtaining higher grades in their high school work than any class since I have been connected with the schools.

Realizing that the success of the pupils depends largely upon their foundation, special emphasis is being placed upon the fundamental subjects, especially reading. Many good books are selected, which will be interesting to children, also instructive. Many of the children are availing themselves of the opportunity of taking books from the Bangor Public Library under the plan outlined at the last annual town meeting. This is \$25 well expended by the town and it is earnestly hoped that the town will appropriate the same this year.

One of our most difficult problems is to retain the same teachers for longer than one year. Only three of last year's force returned this fall. This is particularly true in the one teacher schools. The salaries and conditions are not such that a teacher cares to remain the second year. We should all realize that success can only come from the type of teacher we are able to attract and to retain in our schools. All of the new teachers have normal training and come excellently recommended. They are doing very efficient work.

Believing that good health is the most important thing we can assist our boys and girls in obtaining and retaining we have endeavored to improve our health program. Dr. Blaisdell was elected

School Physician to fill the vacancy caused by the death of Dr. Russell. He has examined the children at North, South and East Orrington. The others he expects to examine before the close of school. A Maine Public Health Nurse has inspected all of the children for defects in sight, hearing, and weight. A report of this inspection and the doctor's so far shows the following number of defects: teeth 16, throat 56, nose 35, eyes 7, ears 2, 10% or more underweight 16, 20% or more overweight 3. Notices are being sent to the parents after the complete inspection is made. These notices call your attention to the defects found and advise you to secure competent medical advice. Only by the close co-operation of the parents can a health program be successful.

You will notice in the financial report that there is a balance of \$982.08 in the school account. About \$750 is due for high school tuition, which should be included in this year's expenditures, but the bill was not rendered in time for payment. Therefore, the same appropriation will be necessary for another year. There is a small balance in each of the accounts.

Three years have elapsed since a definite program of improving the school buildings was commenced. It may be of interest to summarize in this report the major improvements made to each building, together with the approximate costs. The new building was erected at North Orrington at a cost of \$8,978.16. Besides this amount a total of \$3,300 has been appropriated for the three years. About \$800 of this amount has been expended on all of the buildings for necessary equipment and minor repairs, including cleaning, banking, setting glass, sand and primary tables, curtains, graveling yards, etc. The balance of \$2,500 has been expended as the following will show.

The building at the Center has been papered and painted on the interior, new toilets and walks built. Approximate cost, \$400.00.

At South Orrington the building has been painted on the interior and exterior, new outside doors, an annex built for toilets and chemical toilets installed, jackets purchased for the stoves, electric lights installed, hardwood floors throughout the building, movable desks and blackboards installed in the primary room. Approximate cost, \$1,500.

East Orrington building has been redecorated on the interior, and chemical toilets installed. Approximate cost, \$500.

No extensive repairs have been made at the other buildings. This is indeed a good showing for so brief a time. With the same appropriation of \$900 a year, it will take five years to complete the program so that each building will meet at least the minimum standard requirements.

Extensive repairs will have to be made to the foundation at East Orrington. There is also need of a new floor, electric lights, and jacket for the stove or a school heater. New blackboards should be installed in the grammar room at South Orrington and steel ceiling throughout the building. The lighting system at the Center is poor and ought to be changed, new floor is needed and a jacket for the stove.

If school is to be maintained at the Corner and at Goodale's Corner, new toilets will have to be built this year. Both buildings are of the old type without any of the modern improvements. It would be far better to convey the children to one of the other buildings. It would also be a large financial saving to the town.

A few of the most important school statistics are as follows:

Number of pupils registered during year,	218
Number of students attending high school,	52
Number conveyed at expense of town,	67
Average daily attendance of all pupils,	177
Number weeks school was maintained,	35
Number pupils completing elementary schools,	13
Number teachers employed,	8
Average weekly salary,	\$20.14
Cost per pupil for year for elementary schools,	\$38.42

In closing I wish to thank the teachers, town officials, and citizens for their co-operation.

Respectfully submitted,

G. HERBERT JEWETT,

Superintendent of Schools.
