

Calais 31st Dec^r 56

To His Excellency Mansueti Hamlin

Governor State of Maine

The Office of Indian Agent
for Passamaquoddy Tribe Indians will
probably be vacant in very short time
after you are legally entitled to Office
of Governor. If my wishes are to be
attended to I should advise immediate
action in the premises. I would
merely add that Seth W. Smith
the former Agent under Merrill
has discharged the duties of the
Office acceptably to the community
& specially to the Tribe.

Yours sincerely

George Daines

I am ever entirely in the above

Yours truly Joseph Granger

To the Hond Hannibal Hamlin Gov of Maine
Dear Sir

When I saw you
this morn I did not know Seth W Smith
was an applicant for the office of Indian
Agent at Calais. Had I known it I should
at once ^{have} said he was the man of all
other applicants for the office, and I take
pleasure in recommending his appoint-
ment

I am Sir
Joseph Garrison
