

Head Quarter 2nd Regt Me. Inf.
Camp Sevier. Washington June 2nd 61

Dear Sir

I have find enclosed request ~~from~~
Adjutant Gen. to have my regiment filled
up to the maximum. I think the men
can be raised very readily in Bangor
& vicinity. The Department desire that
the men be uniformed by the state, and
that they be placed under drill officers as
soon as enlisted. I shall need about
three hundred of fifty good men with
as many musicians as possible.

They will not need frock coats,
but a dark blue blouse. I have
the promise of blouses for the whole
regiment in a few days. Lieut
Palmer would be a good officer to
superintend the drilling of the men & I
would like very much for Mr S. B. Perkins
to assist in enlisting the men. Hoping to hear
from you soon, I remain
very truly
Yours
J. Washburn }
Adjutant Gen. } C. S. James
