NOTICE TO TAXPAYERS

M. R. S. Title 36 Section 706

Before making an assessment, the assessors shall give reasonable notice in writing to the inhabitants by posting notifications in some public place in the town, or shall notify them, in such other way as the town directs, to make and bring in to them true and perfect lists of their polls and all of their estates, real and personal, not by law exempt from taxation, of which they were possessed on the 1st day of April of the same year. If any resident owner, after such notice, or any non-resident owner after being reasonably requested thereto by the assessors, does not bring in such list, he is thereby barred of his right to make application to the assessors or the county commissioners for any abatement of his taxes, unless he ofters such list with his application and satisfies them that he was unable to offer it at the time appointed. The request upon non-resident owners may be proved by a notice sent by mail directed to the last known address of the taxpayer or given by any other method that brings notice home to the taxpayer.

WESTPORT VOL. FIRE DEPT. (Inc.)

Westport, Maine

To the Members, residents and non-resident taxpayers of the Island, it is with pleasure that I make the report of the Westport Volunteer Fire Department for the year of 1971.

Last year there were two alarms, one chimney fire and one at the dump.

During the year two dinners were held which netted the Department $247.29. The Department is planning for only two dinners in 1972, July 2nd and August 27, 1972. We hope you can attend.

The purchase of a new portable pump and fire hose took the majority of our expenses, which we feel will be of great use to the Department.

We received dues from twenty-three and donations of $154.00 totaling $200.00. The dues and donations were made by twenty-six individuals. THINK - were you one of those individuals, if not, why don't you send in your dues or donation to: Frank T. Greenleaf, Sr., Treas., R.F.D. #2, Wiscasset, Maine, 04578 so that in the 1973 report you can say I was one of those individuals.

For the Westport Volunteer Fire Department, I thank you for your support.

Respectfully submitted,

Paul L. Hodgdon
President

TOWN OF WESTPORT

Conservation Commission

CONSERVATION COMMISION ANNUAL REPORT

The conservation commission was instrumental in acquiring for the town $60,000 worth of land -- 1200 feet for shore frontage and eight acres -- to be kept in its natural state forever. This wilderness preservation project was the most important, and most arduous activity of 1971. Many thanks to those who supported this effort.

Phase II of the dump clean-up project was delayed pending new dump controls; however, further fencing, and the planting of shrubs and vines is planned for early Spring.

The conservation commission continues to make inquiries into and studies concerning the following:

1) closing and anticipated re-opening of the Back River - Montsweag Bay flats to the harvesting of shellfish.
2) possible effects -- beneficial and/or adverse - of the nuclear power plant.
3) current Federal and State environmental legislation.
4) program for recycling solid waste products on Westport.
5) application for a Ford Foundation Grant to the Conservation Commission for a Westport Conservation project 1972-73.
6) acquisition of land for conservation purposes -- through conservation easements, land gifts, etc.
7) environmental effects of a proposed Wiscasset bypass over Westport Island.
8) mapping, indexing, evaluating all natural resources on the island as required by state law.

The commission is presently drawing up a 1972-73 environmental action program for all-citizen involvement on Westport. The program includes diverse enviromental issues. Anyone interested in helping the conservation commission, and in participating in the new program is encouraged to call 882-7637.

The conservation commission appreciates the support the selectmen, residents, and non-residents are giving to conservation efforts on Westport Island.

Report of The Superintendent of Schools

To the school committee, town officials and other citizens of Westport, I hereby submit my annual report as Superintendent of Schools.

The 1971 school budget had a balance of $4,519.00. This was partially due to the freeze which did not allow tuition increases in September.

The Wiscasset school tuition has increased very little compared to tuition increases in other towns. However, Westport is growing in student population, and therefore your school committee needs to budget more money in that account.

The 1972 school budget totals $43,040.00. The estimated income is $7,544.00; therefore, the school department requests $35,495.00 to be raised from local taxes to educate the Westport students. This amount is $8,550.00 more than was raised last year.

COMMENTS

DEPARTMENTAL OPERATIONS

The fiscal year's operations showed that a net unexpended departmental balance of $1,328.41 was lapsed to unappropriated surplus, per the following summary:

Departmental Accounts:	
Unexpended Balances	$1,586.09
Overdrafts	257.68
Net Unexpended Balance	$1,328.41

The overlay and unexpended balances in the town roads and snow removal accounts less overdrafts in the officer's salaries and town dump accounts were the major factors contributing to the net unexpended departmental balance lapsed. The records did not indicate any authority allowing overdrafts in appropriation accounts.

* * * * *

The following comments pertain to the accompanying financial statements:

ASSETS . . . . The general cash balance was $14,773.95 at February 10, 1971 and the change fund amounted to $25.00. The bank balance and the in transit deposits used in reconciling the cash balance were confirmed by the depository. The change fund was counted.

Taxes receivable totaled $1,358.75 at the year end. Of this amount $1,331.25 was for current year accounts and the remaining balance of $27.50 was for delinquent accounts dating from 1968. Tax liens and tax acquired property amounted to $39.00 and $112.26 respectively.

LIABILITIES, RESERVES AND SURPLUS . . . . The departmental accounts showed an unexpended balance of $9,525.58 carried forward to the ensuing year in accordance with legal requirements and/or voter authority. The 1971 excise tax revenue was reserved for future allocation.

The unappropriated surplus amounted to $5,123.75, an increase of $1,328.41 which was due to the net unexpended departmental balance lapsed.

GENERAL

The use of 1970 excise tax revenue for town roads and contingent accounts was voter authorized at the annual town meeting as was the carrying forward of certain operating account balances.
