

Bangor July 6th 1863
Dear Sir

I will accept
the temporary appointment
for the 2^d Regt. provided
I receive a free pass for
myself & servant to Wash,
and back, unless I
conclude to remain
there -

I wish you to consider
my offer as a perfectly
disinterested one, arising
from my belief that
no person is at liberty,
in this present crisis,
to refuse his services to
the Gov. whenever they
may be required

Yrs. Truly
Gov. Washburn D. M. Rice

P.S. I am able to
start on Monday morning
