Thomaston
Sept. 25. 1861

Dear Sir

I have 30 men who are impatient to go to Augusta —

As I engaged Mr. Vose of this place to carry them and he has made arrangements for it. I feel under obligations to send them by him —

I shall therefore on Friday (if the Department does not object) send 10 by Stage and 20 by Vose —

Truly yours

J. A. Reilly
