

Gov J Washburn Jr

Dear Sir

You will remember that I wrote  
you at the Commencement of the  
war offering the Ex Regt. which  
Company went in the 2<sup>nd</sup> Regiment  
I could not leave my business so as to  
go at that time. but have so arranged  
now that I can leave better.

and would be extremely happy to  
have your permission to Raise a Company  
in this Section for the 7<sup>th</sup> Regiment now  
forming at Augusta.

there are some smart young men  
here that want to go into it and I think  
that we can get up a good Company  
that will compare favorably with any  
company that has left the State.

Very Respectfully  
Daniel White
