Dear Friends of Maine:

The State of Maine offers ideal opportunities for vacation relaxation and recreation, thanks in part to its wide variety of splendid accommodations carefully designed to fulfill every individual desire.

To assist with these many special needs, the Maine Publicity Bureau publishes a number of detailed publications in which the prospective Maine visitor can find information about hotels, motels, inns, sporting camps, restaurants, gift shops, as well as the countless other businesses catering to travelers.

You're presently reading from the "Maine Guide to Camp & Cottage Rentals". This booklet is devoted, in its entirety, to listings of rental properties having housekeeping facilities.

We would like to be able to tell you that we personally have inspected every property listing herein prior to publishing this booklet. Unfortunately, however, this is not practical.

For this reason, we're obliged to inform our readers that we have urged our advertisers to be accurate and truthful in describing their properties. At the same time, we cannot assume legal or financial responsibility for any inaccuracies or exaggerations these ads may contain.

It is our sincere hope that you can find the perfect spot for your Maine vacation within the pages of this book and that you will enjoy every moment of your stay in the Pine Tree State.

Sincerely,

George J. Stobie
