Dedication

This year our Town Report is Dedicated to

VERLIE M. GREENLEAF

Verlie M. Colby was born at Westport on February 19, 1891 the daughter of Charles E. Colby and Annie Perkins Colby. She married Fred Greenleaf in 1909 at Westport. For several years they raised chickens and had large vegetable gardens and berry patches and took the produce, chickens, etc. to Squirrel Island every summer. Fred passed away on February 8, 1944.

She served Westport as a member of the School Committee for several years and as Tax Collector and Treasurer for many years. In all she served the Town for forty-seven or more years. She retired from town work at the March 1978 Town Meeting and since that time has been a great help to her successor, Virginia Anderson.

She has three living children, Violet Apt of Alpharetta, Georgia and Westport; Frank and Walter, both of Westport. There nine grandchildren, sixteen great-grandchildren, and 2 great-great-grandchildren.

Nearly everyone in town refers to her as "Aunt Verlie" or "Gram mie" and she is dearly loved by everyone who has ever known her. She loves to go bowling, enjoys flying, does a lot of crochet work and has a very active interest in town affairs. She spends part of the winter each year in Alpharetta, Georgia with her daughter and son-in-law, Violet and Jim Apt.

It is with great respect, pride and love that this Annual Town Report is dedicated to our good friend and neighbor Verlie M. Greenleaf.

COVER PICTURE

The Rial Colby farm provides a look at yesteryear in Westport. This picture, taken from the rise on the east side of the Main Road, shows the main house, barn and other outbuildings as they appeared about 1916. The Fred C. Bailey farm can be seen across the river on the Wiscasset shore. The property is now owned by Russell Mosier.

PROGRESS AND ACTIVITY REPORT

The Department raised a small sum of money by holding a turkey shoot and raffle.

The membership of the Department stands at 30. New members are always welcome and needed.

During the 1979 year the Department acquired two MCA Air Packs for use in smoke filled buildings. The following completed training in use of these Packs: Albert Lester, Don Pelletier, Dick and Greg Malone, Dave Stetson, Jud Cromwell, Lou Delano, Eben and Butch Greenleaf and Martin Anderson.

The Department was not called out for any fires during 1979.

We wish to thank those who made donations to the Department and would like to remind everyone that money voted us at Town Meeting does not begin to cover our expenses and we depend upon their generous donation to maintain our services to the town.

Sincerely,

CHARLES APPLEBEE, Secretary
Westport Fire Department

To the school committee, Town officials and other citizens of Westport, I hereby submit my annual report as Superintendent of Schools.

The school budget will be presented to the voters at a meeting to be held in May or June because by State law schools are on a fiscal year of July 1 - June 30.

I anticipate the budget will be much higher this year although the school committee will make every effort to make it realistic. With tuition cost set by the State, gasoline and bus maintenance escalating rapidly, the increase, of course, must be in the budget.

The school committee is most pleased with the transportation drivers this year. They are Albert and Danny Lester and Jean Wallace. The School Committee by a majority, has placed an article in this year's March warrant to replace the 1972 bus which has approximately 70,000 miles on it.

Your continued support is greatly appreciated. We urge you to visit the school your child attends, get involved in school activities, and support the extracurricular program. Wiscasset High School Adult Education is available to you.

If ever you have a problem, please feel free to contact me, and then if the matter is not resolved, the school committee chairman.

School enrollment as of October 1, 1979 was as follows:

REPORT OF THE MAINE YANKEE ACCIDENT PLAN COMMITTEE

As in every area where there is a nuclear power plant, the accident at Three Mile Island caused great concern in Maine, particularly among people living close to the Maine Yankee plant, that plans be made to help people protect themselves if an accident occured at Maine Yankee. In mid-summer, the Westport selectmen asked Chris Bauer, Kay Evans and Jim Hanson to be a committee to prepare a plan for getting warning information and assistance to Westport residents if an accident at Maine Yankee happened.

The members have met many times as a committee and with representatives of the State and the E.C. Jordan Co., an engineering and planning firm hired by the Maine Yankee to assist all towns within a ten-mile radius of the plant to prepare accident plans.

Our goal has been to write a plan that had a very good chance to being really useful to Westport people in a Maine Yankee accident. Draft copies of the plan will be available at the polls and at Town Meeting, and we propose a meeting to discuss the plan sometime during the week or ten days following Town Meeting. We want to have your comments and ideas on the plan before we write a final version.

As you will see from the plan, it will take volunteer workers to carry it out in an accident. It will probably take a lot of thought for each person to decide whether he or she can volunteer and if so for what work. Please think about it and please come to the meeting to discuss the plan.

Respectfully submitted,

CHRIS BAUER

JOE SMITH (replaced Jim Hanson in early fall)

AUDIT REPORT

STATE OF MAINE
Department of Audit

Board of Selectmen
Town of Westport
Westport, Maine

We have examined the financial statements in accordance with Title 30, Section 5253, Maine Revised Statutes Annotated of 1964, as amended, of the Town of Westport for the year ended December 31, 1978, listed in the foregoing table of contents. Our examination was made in accordance with generally accepted auditing standards, and included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

The Town has not maintained a record of general fixed assets, and accordingly a statement of general fixed assets, required by generally accepted accounting principles, is not included in our financial report.

In our opinion, the aforementioned statements for the year ended December 31, 1978, present fairly the information contained therein, in conformity with the provisions of Title 30, Revised Statutes, Section 5253, applied on a basis consistent with that of the preceding year.
