90.

Fifth Regiment, M. V. M.

Camp Preble, Portland, Me.

June 11.

1861.

My Dear Sir:

If it be possible to furnish
but a few pairs of pants for our men I
should be much pleased. The men are
very idle and complain much. With re-
gard to other things we will make no
other complaints. but our need for pants
is very great - for we have men who can-
not go outside their tents for want of pants
to cover their nakedness.

Yours Truly
