## Car-Bus Collision On Route 90

WEST ROCKPORT—Three persons suffered minor injuries Thursday when this car collided with a school bus on Route 90 in front of the home of Mr. and Mrs. John E. Waterman. According to State Police, the car was operated by Mrs. Edna Lyman, 65, of Waldoboro who was driving east. She said she didn't realize the stopped vehicle was a school bus until she was upon it. The car swerved into the side of the bus, striking it just behind the driver's seat. Harris M. Lyman, 75, a passenger suffered a cut on the forehead. Mrs. Lyman suffered bruises. Linda Waterman, who was standing in the bus ready to leave it, scraped her knee when she fell. The bus, driven by Louis A. Bridges, was able to continue delivering the 49 children aboard.

## Why A New High School For School District Five?

### New Building Would Affect Lower Grades

In the second of a series of articles, the directors of School Administrative District 5 explain that a new high school would solve a junior high problem and effect even the lower grades.

In dealing with the question of whether or not School District 5 needs a new high school building, there is more to be considered than just the crowded conditions and the items needed in order to have Rockland High School accredited, both of which were discussed in the columns of this paper on Tuesday. As the board of directors and school administrators worked on the plans for a new high school, it became very evident that a new building would result in many changes in the rest of the school structure.

It was also evident that most of these changes would result in a better education for the elementary school children in the district. Three groups especially appeared to have prospects of a better learning situation as a result of these changes. These groups were the students at McLain School, seventh and eighth grade pupils from all of the towns and pupils requiring special education and help. Mention has already been made of the concern felt for the

situation in which McLain School students must carry on their learning as high school pupils carry on classes, including shop, in the same building. Removing high school pupils from this building would of course result in a much more normal learning situation for these children. At the same time it would make available classroom space, not needed by the elementary classes, which could be used for special classes. At the present time the class for handicapped children, started during this year, is being held at North School. McLain School would provide a more central location for this class as well as other special classes for both retarded and gifted children which might become desirable in the future.

Probably the greatest benefit to any group of pupils, aside from the high school pupils themselves, would be to the seventh and eighth grade students. In planning for the operation of the school system after a new high school is built the board of directors has indicated the desirability of using the present high school building for a junior high school made up of seventh and eighth grade pupils (Continued on Page Three)

## Council Tables Move To Halt Church Building

The Rockland City Council, Thursday afternoon, tabled until the next regular meeting on June 13 the petition of a group of South End residents for a zoning change there which would prevent the proposed building of a church by Jehovah's Witnesses.

Action was tabled because no one appeared from the Jehovah Witnesses while several of the opposition were present and asserted that the proposed building would be more of a public meeting place than a church. On Wednesday the City Planning Board voted unanimously to recommend that the council turn down the petition for a zone change on the ground that it would be another case of "spot zoning" which the city has been seeking to avoid.

The petition sought a change from B zone to A which would prevent the building of a church in the area. The planning board has insisted, however, that adequate parking be provided off the street.

## Extensive Exercises Planned Around County To Honor Those Who Made Supreme Sacrifice

The Memorial Day observance opens in Rockland with joint church services Sunday morning at the Methodist Church. World War I veterans, American Legion and Veterans of Foreign Wars will attend and are to meet at the GAR Hall at 10:15, along with the Auxiliaries. Dean Medley Wry of Christian Schools, Inc., Glen Cove, will be the speaker. The invocation will be delivered by Sidney Segal.

Similar programs will be carried on at Camden, Rockport, Thomaston and Union.

On Memorial Day, exercises at the Rockland GAR Hall are scheduled to start at 1 o'clock and the parade at 1:30. Three Rockland High School students will deliver recitations at the exercises: Robert Walker will deliver "General Logan's Orders"; Martha Libby, "Flanders Fields"; and Linda Fales, Lincoln's "Gettysburg Address." The parade marshals are

Louis Moore and Douglas Curtis and included in the line of march will be units from the Coast Guard, Civil Defense and Fire Department. Also parading will be the Port O'Rockland Drum and Bugle Corps, the Rockland High School band, the Camden By The Sea Drum and Bugle Corps, Gold Star Mothers, Boy and Girl Scouts, American Legion, Veterans of Foreign Wars and their Auxiliaries.

### Rockport

Elsewhere in the county observances of the day will also be held. At Rockport, a parade will start at the GAR Hall on Church Street at 10:45 in the morning with War Memorial Post No. 30 of Camden and its Auxiliary taking part along with the Legion band, the Rockport High School band, Fred A. Norwood Women's Relief Corps, the Twin Town Cadets Junior Drum and Bugle Corps, Boy and Girl Scouts and the Rockport firemen.

The Brownie Scouts will place a wreath on the Spanish War boulder, and the Boy Scouts will place a Gold Star on the Honor Roll. A stop at the bridge will be made and prayer will be offered there by Rev. Carl W. Small, pastor of the Rockport Baptist Church.

Girl Scouts will strew flowers on the water at the bridge in memory of the sailor dead, following which the parade will proceed to the Ansbury Hill Cemetery where the American Legion Commander will place a wreath for the unknown dead. The Rev. Kingsley Strout of the Methodist Church will deliver the address. In case of rain this service will be held in the town hall.

### Thomaston

The Memorial Day parade in Thomaston will start at 10:30 o'clock in the morning. It will form on Knox Street and proceed to the Mall for a service and then to the Village Cemetery for another. The Rev. Gerald Kinney will act as chaplain and Walter Hastings as parade marshal.

The Thomaston High School Band and the Rockland Drum and Bugle Corps will be the musical units in the parade which also will include the Thomaston and St. George Legion posts, Legion Auxiliary, Boy, Girl and Cub Scouts.

### Union

At Union, Memorial Day services are scheduled to be held on the Common at 6:30 in the evening following a parade to the cemetery. Included in the line of march will be the Storers-Collins-Harding Post and Auxiliary, Union High School band and other units. Wreaths honoring the soldier and sailor dead will be placed at the cemetery.

## HALFWAY MARK PASSED IN DRIVE FOR FUNDS TO SEND RHS DEBATORS TO CALIFORNIA

The sports arena furnishes no keener competition than that afforded by a debating tournament. On the way to the State of Maine title the Rockland High debating team at the John Baptist regional tournament met and defeated, in rapid succession, Lincoln Academy, Winslow, Orono, Ellsworth, Old Town, Presque Isle, and Bangor. In the finals at Bates College, Rockland defeated Lincoln Academy, Old Town and Presque Isle in a repeat performance, then proceeded to down St. Doms, Westbrook, Edward Little, and Deering.

At the University of New Hampshire, the Rockland team outclassed Dover, N. H., Keene, N. H., Burlington, Vt., and Mt. St. Charles Academy of Woonsocket, R. I., in the preliminaries; Mission High of Roxbury, Mass., in the semi-finals; and Laconia, N. H., in the finals.

Laconia is the only other New England team picked to compete in the National Forensic League tournament to be held in San Diego June 21 through June 24.

The Rockland High School team will be heard in an exhibition debate at the Rockland High School auditorium Tuesday, May 31. Tickets may be secured from any member of the Rockland Toastmasters Club, sponsors of the debate, or from members of the Debating Club, Libby's Pharmacy in Camden, Brackett's Drug Store in Thomaston, McCarty's Drug Store, and Cross Pharmacy in Rockland.

At press time Wednesday evening, the total contributed by the public toward the \$1,500 fund

necessary to send the four man team and its coach to the national competition in California amounted to \$370. Gifts Thursday and Friday amounted to \$255 to bring the total to \$625.

Donations may be left at the office of The Courier-Gazette, or mailed there, or to Henry Marsh, the fund chairman, at Post Office (Continued on Page Three)

## RHS Alumni To Honor Class of '60 On June 3

A reception for the Class of 1960 will be given by the Rockland High School Alumni Association, Friday evening, June 3, at the high school auditorium at 8 o'clock. During the meeting a new slate of alumni officers will be elected and annual reports given by the outgoing officers. The classes of 1910 and 1935 will receive special recognition.

The program for the evening will be a one act play "If Girls Asked Boys For Dates", presented by the Class of 1962. All Rockland High School Alumni are urged to support this event.

Alumni dues may be paid to Miss Marion Ginn at the Central Maine Power Company, Miss Ruth Emery at the telephone business office, Miss Katherine Veazie at the city building, Miss Mary Waggatt at the Rockland Savings Bank or Mrs. Eleanor Johnson at the Post Office.

## Camden Association Elects

CAMDEN—A group which has worked diligently for and with handicapped children in the area elected officers at an annual meeting, Wednesday night. Mrs. Louise Eugley of Lincolnville was elected president of the Camden Handicapped Association. At the meeting held at the Mary E. Taylor School, the children presented a program of singing and dances. The officers from left to right, front: Mrs. Eugley, and Mrs. Isabel Gibbs of Camden, teacher and secretary of the group. In the rear are Mrs. Rita Young of Camden, vice president; and Mrs. Joan Robshaw of Rockland, treasurer.

## YMCA And Hospital Represent \$750,000 In Assets For Area

Red Triangle Room at "Y" In Memory of One of Founders

CAMDEN—Residents of Camden and Knox County are invited to inspect the newest facilities in public health and community service at the new Camden Community Hospital and Camden YMCA on June 5. The projects, almost staggering for a community of Camden's size, represent investment of nearly three-quarters of a million dollars and untold hours of volunteer time in planning, fund raising and supervision.

The press and leaders of the two institutions were taken on tours Thursday night which revealed the most modern facilities with the Yankee touch of the practical.

### Camden Hospital

Members of the board of trustees and staff of the hospital took groups on guided tours of the facility.

At the entrance is a spacious waiting area with offices, medical records and supply rooms before coming to the section devoted to central supply and the operating and emergency suite.

The operating and emergency sections are so arranged that a patient may be brought into the emergency section through a separate entrance and be moved with little effort into surgery.

A central station dominates the junction of the maternity and patient wings. Both are tastefully decorated and equipped with all modern facilities. A large solarium covers the entire rear of the patient wing.

In the basement, in addition to modern kitchen and service facilities are offices for the Camden District Nurse and a large meeting room of the Hospital Auxiliary. In a partly finished section, a 100-bed Civil Defense emergency hospital will be stored.

The district nurse will have a waiting room, examining room and office. Present facilities for the district nurse are very cramped and not in the hospital.

The hospital will be put into operation on June 7. The two days between open house and moving will be devoted to installing equipment from the present hospital in the new one.

A fund drive with a goal of \$400,000 brought in pledges for \$402,000 in three weeks. Additional gifts have brought the project to \$475,000. Over a period of years other new equipment is planned which would bring the total to about half a million dollars.

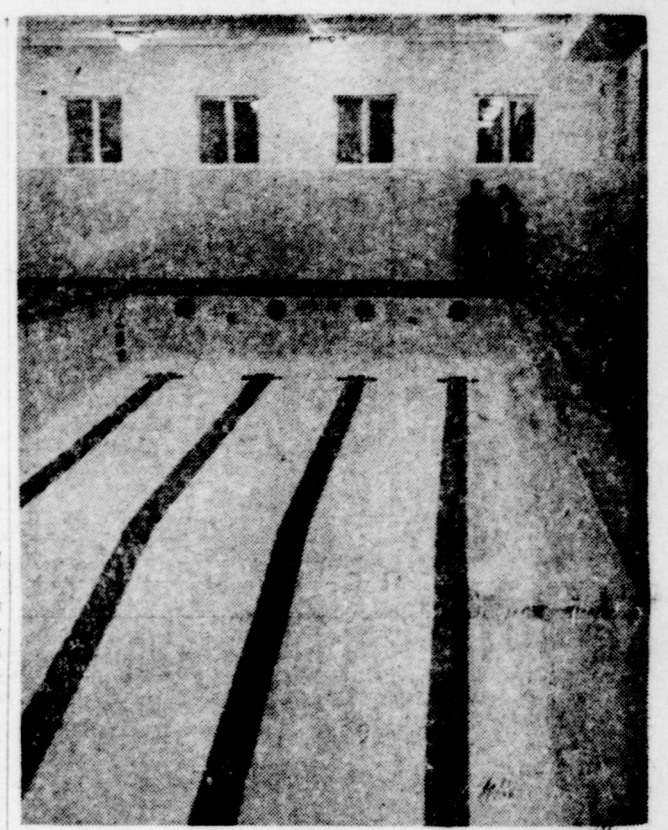

The hospital will handle 20 patients and 10 babies without any doubling up. Use of the solarium could greatly increase its capacity.

The old hospital has been sold to Mrs. Mae Murray of Rockport who operates nursing homes. The old building opened in 1927 and was Camden's first community hospital.

### YMCA

There new YMCA facilities are the result of years of study and careful planning. The plan grew from a need, just as the original YMCA did 47 years ago.

The building was designed by Architect Erling H. Pedersen, Philadelphia, Pa., and it has become a reality through the joint efforts of the local residents, the summer residents and the alumni of the Camden-Rockport-Hope-Lincolnville area, and "Y" friends from other communities in Knox, Lincoln and Waldo Counties. Much credit must also be given to the Building Committee, and the Kitchen Committee, who have given of their time and talents toward (Continued on Page Three)

# Hot Mix Plant To Provide Employment And New Industry For Washington Area

A new industry for Washington is this new hot mix plant of Marriner-Pike, Inc., of Rockport and Washington. In the foreground, owner Clyde Marriner of Camden points to details of the plant as his son, Gilbert, looks on. The plant is located on the former "Globe" property at the junctions of Routes 220 and 126.

Pike, Inc., of Camden has opened a new hot mix plant on property here commonly known as "The Globe" and formerly owned by Clyde Sukeforth. A gravel pit was opened up on the property in 1958 and it is the site of the new plant which can be geared to handle any type of

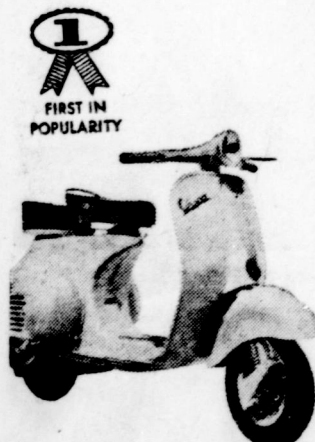

## FIRST REGULAR TWILIGHT LEAGUE GAMES SUNDAY FIND ALL FOUR CLUBS IN ACTION

THOMASTON—The 1960 Knox-Lincoln Twilight League season will start Sunday with all four league teams in action. In the openers Thomaston is at Waldoboro and Damariscotta at St. George. All the teams have had at least some practice sessions and two, Thomaston and Damariscotta, have played an exhibition game with the defending Redlegs winning easily.

Damariscotta, which edged out St. George for the flag last year in a photo finish, must be considered the team to beat, as they apparently have all of last year's cast back except for the smooth working left hander, Travis Paine, who has indicated that he will throw for the Waldoboro Townies this year. Don Bowman will manage the Redlegs this season, replacing Jimmy Belknap who had guided the destinies of the Redlegs for two years.

The Waldoboro Townies have co-managers this year in the persons of Bill Freeman and Stan Hanna. New to the Townie cast will be, besides Paine, Bobby and Pete Spear from the Waldoboro High team; Dick Schofield, ex-U of M and Waldoboro High star; Dale Hansen, a University of Maine hurler; Dewey Chase of Bristol, a catcher who will spell Hanna; and Bob Tibbetts, who can catch or play the outfield.

Thomaston expects the veteran Bob Tweedie back and newcomers include Wayne Grey of Rockland; Red Demmons, ex-Thomaston and Rockland High

## BLUE JAY VICTORY ASSURES WALDOBORO AT LEAST SHARE OF LEAGUE TITLE FOR YEAR

WALDOBORO — The Waldoboro Blue Jays wrapped up at least a share of the Knox-Lincoln League flag Thursday as they soundly belted the Thomaston Clippers 14-1. It was the only league game played as the Knox-Lincoln track meet forced postponement of the others.

Allan Graffam picked up his third win of year as he, and Gary Winchenbach who came on in the sixth, held the Clippers to three hits. Pete Spear of Waldoboro had more than that himself as he blasted four including a two run homer in the sixth inning. He drove in six runs and scored three for a very large day.

Jimmy Watts drove in Danny Weymouth, who had singled, with a double in the third inning but the only other hit, a double by Curt Young, was wasted. By the win the Jays assured themselves of no worse than a tie with Camden should that team win its remaining three games while Waldoboro drops its last one.

## ROCKPORT AND ST. GEORGE HOLD TOP SPOT IN MVL PLAY AFTER THURSDAY CONTESTS

Rockport, St. George and Warren posted wins in Thursday's Medomak Valley League play and as a result Rockport and St. George share first place. The Beavers took Union 8-3; St. George bested the defending champion Bristol Blue Blazes 11-6; and Warren blanked Appleton 17-0.

Union outthit the Beavers but six errors proved costly and Rockport opened with three in the first to take a lead they never gave up. In that frame

Jim Annis had the only hit, a single to drive in two after two walks and an error. He later stole home for the third run. Steve Goodridge hurled steadily for the winners in picking up his second decision of the year. Larry Griffin had four of the Union hits.

Gary Harper was the big noise for St. George in the game at Bristol. He fanned 13 and scattered six hits, but was often in trouble because of wildness as he passed eight. St. George went ahead to stay in the fourth when the decisive run scored on Gary Austin's single which followed two walks and an error.

At Warren, Art Heathcote held visiting Appleton to a single hit, a single by Maynard Jackson in the fourth. He gave way to Keith Helmer in the sixth and Helmer held the visitors hitless for the rest of the way. Howard Wiley was the hitting star for Warren as he blasted a two run homer and had two other hits besides.

### EDITORIAL ONE SOLITARY LIFE

In this critical hour in world affairs as Godless leaders of suppressed nations shout and hurl charges in an effort to make their place in history, we offer the following article by an unknown author which is published in the current issue of Northeast, publication of the Episcopal Diocese of Maine.

Dictators have come and gone and the world remembers them only when they are compared with the present crop. This crop will disappear too, but the man to whom the following article refers will stay fresh and alive in the memories of the Christian world for all time.

"Here is a young man who was born in an obscure village, the child of a peasant woman. He grew up in another village. He worked in a carpenter shop until he was thirty, and then for three years he was an itinerant preacher. He never wrote a book. He never held an office. He never owned a home. He never had a family. He never went to college. He never put his foot inside a big city. He never traveled 200 miles from the place where he was born. He never did one of the things that usually accompany greatness. He has no credentials but himself.

While he was still a young man, the tide of public opinion turned against him. His friends ran away. He was turned over to his enemies. He went through the mockery of a trial. He was nailed to a cross between two thieves. While he was dying, his executioners gambled for the only piece of property he had on earth, and that was his coat. When he was dead, he was laid in a borrowed grave through the pity of a friend.

Nineteen centuries wide have come and gone, and today he is the central figure of the human race and the leader of the column of progress. I am far within the mark when I say that all the armies that ever marched and all the navies that ever sailed, and all the parliaments that ever sat, and all the kings that ever reigned, put together, have not affected the life of man upon this earth as has that One Solitary Life."

—Author unknown.

## Memorial Day

At a recent memorial service of Rockland Memorial Post, VFW, the following essay on the meaning of Memorial Day was presented. It was written especially for the occasion by Mrs. Gloria Matthews Simmons, 47 Broad Street.

Memorial Day is the one day in the year when we pay special tribute to the dead. There is something impressive and sacred in the very atmosphere to sincere folks on this day. It seems as if God touches our hearts and minds with His reverence and great love for humanity. We think of those who are dead but if we think of God with faith our grief is easier to bear.

We pay tribute to those gallant heroes who have cleared the path ahead to combat aggressive Communism and helped preserve our great country, America. The memory of those who gave their all that we might live should evoke our sincere gratitude and good will within our hearts. Let us pray this Memorial Day for peace, good will and equality among God's children regardless of color or creed.

When the flowers are strewn on the water let us feel the love

of God within us and determine to do our part to combat the wickedness and evils of Communism. As we watch the poppy nod its head in the breeze and we see our flag unfurled waving proudly let us give thanks to God Almighty that we live in the United States of America. Faith in God and courage, our great assets, can win the victory in this life.

There are many ways we can pay respect to those men who gave their all for us. We can visit Veterans' Hospitals with gifts for those men who have suffered the casualty of war, bring comfort and cheer to them.

We can help to rehabilitate those whose families have forgotten to care and if we can help to bring some men back to reality and a new life then we have reached a goal to be proud of. There are war mothers who have given their sons and they need spiritual help and comfort. There are children of veterans, both deceased and living, who need special help and attention.

All of these ways we can show our gratitude by taking the attitude one for all and all for one; like a big family. No veteran should ever become a member of any veterans organization just for pleasure but to sincerely desire to help in every way possible by giving of himself and his time.

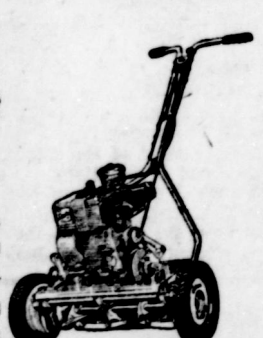

If everyone cooperates, Memorial Day can and should have a special meaning to all. Our country cannot grow and prosper on armored strength alone but by the spiritual growth of our nation. If we live for God and our country's welfare then we are doing our very best. Let us maintain the great American way of life by showing our veterans we are behind them all the way. What more could they give than what they have?

## Depth Tells In Tiger Thin Clad Loss To Dragons

BRUNSWICK — The Brunswick Dragons defeated the Rockland Tigers Thursday in a track meet here by 63 1/3-53 2/3. The meet was re-scheduled after being washed out on the original date at Rockland. Once again big Bob Huntley led the scoring parade with 20 points gained by first in his specialties, the broad jump, shot put, high hurdles and low hurdles.

Another noteworthy feat was turned in by Rockland's Darryl Wood who tossed the javelin to a new Rockland record of 168 feet 1/2 inch. Other scorers for Rockland were Allan Post who was first in the mile run and the 880; Bob Brewer, who tied for first in the high jump; Frank Post also tied for third in this event; Bob Hillgrove and Bert Vanorse finished in that order behind Post in the mile

Center, Togus, with 90 ministers in attendance to study "The Family and Mental Health". Mr. Robbins succeeds Rev. Philip Palmer of Waldoboro as leader of the group.

Around the County—Close inspection of an article in Thursday's issue of The Courier would give the impression that Union is rapidly becoming a ghost town. That is not true. A typographical error in the page one article on Knox County census figures listed Union as having 1,965 residents in 1950. The town had 1,085 in 1950 and showed a gain of 90 in the decade not a loss of 810.

this project.

About \$300,000 has been invested in the project.

The building has been built entirely by local contractors, with the exception of the laying of the tile in the pool.

Visitors at Open House will find the following:

Lounge — rest and reading area; Cloak Room — Given by Lloyd D. Richardson; main desk and work office; Red Triangle Room — This room, dedicated to the memory of the late Charles Wilkes Babb, friend of all youth and member of the original "Y" Advisory Board, will be used as game and recreation area and/or banquets, assemblies, etc.; General Secretary's Office; gymnasium — Here youngsters and adults can enjoy wholesome recreation and learn new games and skills.

Sun Deck — A recreation and rest area in a picturesque setting overlooking Camden Harbor and Mt. Battie. Many special events can be held here during the summer. This is not complete; Kitchen — The result of thorough study and planning by a committee of "Y" women; leaders' room — Here, under the direction of trained leaders, youth will receive leadership training; Physical Department control and check room.

Swimming Pool — The 20' x 60' indoor swimming pool is to be known as the Cyrus H. K. Curtis Pool. It is dedicated to the late Cyrus H. K. Curtis who, as an urchin, sold newspapers on the streets, rising at 4 a. m. to get the job done before school. He never forgot those days, for boys need to play and to play with other boys and girls. The YMCA offers this, as a "good time" to youngsters, in clean and happy surroundings and providing skill in various sports.

Craft Room — Here boys and girls will learn to do constructive things with their hands.

Men's locker and shower room; special exercise room for young adults and business and professional men.

Bowling Lanes — These four new Brunswick Ten Pin bowling lanes are dedicated to the memory of the late Mr. and Mrs. C. P. T. Seaverns and Mrs. A. R. Hillyer, and have already proved beneficial to the "Y" and its program.

Second Floor: Board and small committee room — Given in honor of W. Frank Leonard who has served as president of the "Y" during the past six years of its significant growth.

Large club room — For youth and adult meetings.

Small kitchen — Makes it possible to have refreshments and small luncheons or banquets.

Vancouver, British Columbia, has over 100 miles of shore line.

Registration for pupils entering Grade 1 for the fall term of school will be held from 1 p. m. to 4:30 p. m., May 31, at the Friendship Street Elementary School. Pupils must be six years of age on or before Oct. 15. Birth certificates must be presented.

In addition to these major benefits to children in the elementary schools a new high school would free classroom space to make a more flexible program in the present grade schools as well as taking care of any foreseeable population growth in the elementary school.

In general it may be said that a new high school would provide a better educational program through the entire range of grades from the sub-primary through high school.

from Rockland, Owls Head and South Thomaston.

Such a school would mean that these pupils, now housed in ordinary classrooms with few extra facilities, would have available to them a greatly enriched program. Departmental work could be strengthened. Laboratory space which they do not have at all at the present would be available to improve the science program. Health and physical education programs would be possible. Some exploratory work in shop could be carried out. A stronger guidance program could be worked out making the transition into high school a much easier and more profitable step.

Perhaps one of the greatest advantages of the change would come from the chance to put pupils into groups according to their abilities, making it possible for gifted children to accelerate their programs and for slow learners to get the extra attention which they need. In the Purchase Street School during the past few years it has been possible to do this with the eighth grade pupils and high school officials report that it has made a marked improvement in the preparation of high school students. Extending this to the seventh grade and adding the facilities which would be present in the building now used for a high school would add greatly to the improvement already existing. It has been

## Tomorrow's Leaders

### THE CHURCH FOR ALL

### ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Our future presidents and prime ministers — from what spiritual heritage shall they arise?

The ultimate giants of science and industry — what faith will they profess?

The fathers and mothers of our grandchildren and great-grandchildren — what convictions will be taught in their homes?

All this we are deciding today . . . in our churches . . . in our families.

For one generation can bequeath only to the next that which it, itself, possesses.

Our own religious life, our own determination to provide our children with thorough spiritual training, our own faithfulness in filling our churches with families — these positive purposes, expressed Sunday after Sunday, will mold TOMORROW'S LEADERS.

## Church News

Warren Baptist Church: Morning worship service at 10 a. m. Evening service at 7 o'clock. Church School at 11:10 a. m. The American Baptist Convention sessions will open at Rochester, N. Y., June 2, at the War Memorial Auditorium.

Second Congregational Church: Morning worship service at 10:30 a. m. The E. A. Starrett Sons of Union Veterans and Auxiliary will attend the service.

Residents of Warren are reminded, Dog Tax is due by May 31. 64-11

half of the audience was made up of Knox County music lovers. The Lincoln County Orchestra, under the direction of Ernest Lippmann gave a flawless performance. It is amazing what these amateur musicians do; perhaps it is because they are non-professional that makes their playing so relaxed and enjoyable.

Miss Linda Doell, flutist, and this year's scholarship winner of Lincoln County Orchestra, played "Concerto for Flute" in D by W. Mozart. It was easy to see why she was selected the winner of this scholarship. She is indeed a fine musician.

The second soloist was the ever popular James Keene, who many of us have watched for several years now. He is a born musician, and has had the best that teachers could give, and has taken advantage of these teachings. He played "Violin Concerto" No. 1 with the Lincoln County Orchestra, and I think all were impressed with the maturity and sensitivity of his playing.

Hugh M. Benner

Dates for the four concert series of Knox County Community Concert Association have been confirmed in New York and will be as follows: "The Icelandic Singers" have been changed to Nov. 4; Ivan Davis, pianist, Dec. 1; Mary McMurray, mezzo-soprano, March 14, 1961; and Myra Kinch & Co. new dance revue, May 4, 1961.

Ivan Davis, pianist, will appear with Ormandy and the Philadelphia Orchestra, on the Revlon Show, CBS TV, Thursday, May 26, from 10 to 11 p. m.

I should like to tell you a little about Mr. Davis. He is 28, and on April 25 was unanimously chosen winner over 21

pianists, of the Franz Liszt Piano Competition at the public finals held in Town Hall, New York. Mr. Davis, a native of Texas, made his New York recital debut last fall, and had previously won the Fulbright Award and five European prizes. He studied at North Texas College with Silvio Scionti and has appeared as soloist with orchestras in Boston, Baltimore, Rome and Lisbon.

I hope many will plan to attend the exhibition debate at the Rockland High School auditorium on the evening of May 31. Taking part will be Maine debating champions Donald Gregory, David Gregory, Wayne Johnson and William Beale. All admissions will be contributed to the \$1,200 fund necessary to send this championship debating team to National competition in San Diego, Calif., in June. Rockland, Knox County, Maine should be proud of this team and of Mrs. George Trafton who has directed this group. Let's show them we are behind them. How about it folks?

Two fine concerts were presented this past week. The Rubinstein Club of Rockland presented its annual Spring Concert—and in Newcastle, the Lincoln County Orchestra also presented its annual Spring Concert. I will try to tell you about these two concerts.

On Friday evening the Rubinstein Club presented its annual Spring Concert at the Farnsworth Museum. Mrs. Mary Garrett welcomed the audience and introduced the new incoming president, Mrs. Clemmie Pease.
